INFORMATION CIRCULAR
(As at June 23, 2022 except as indicated)

QC COPPER AND GOLD INC. (the “**Company**”) is providing this information circular (the “**Information Circular**”) and a form of proxy in connection with management’s solicitation of proxies for use at the annual general meeting (the “**Meeting**”) of the Company to be held on Wednesday, August 10, 2022 at 11:00 a.m. (EST) and at any adjournments thereof. The Company will conduct its solicitation by mail and officers and employees of the Company may, without receiving special compensation, also telephone or make other personal contact. The Company will pay the cost of solicitation.

NOTICE-AND-ACCESS

The Company has elected to use the notice and access provisions (“**Notice and Access Provisions**”) for the Meeting pursuant to National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) with respect to the mailing to its non-registered (beneficial) shareholders. The Notice and Access Provisions allow the Company to post proxy-related materials both on SEDAR and a non-SEDAR website, rather than delivering the materials by mail. Shareholders will receive a Notice of Meeting and a form of proxy or voting instruction form and may choose to receive a printed paper copy of the Information Circular.

The Company is not using procedures known as ‘stratification’ in relation to the Notice and Access Provisions. Stratification occurs when a reporting issuer using the Notice and Access Provisions provides a paper copy of the Information Circular to some, but not all, shareholders with the Notice of Meeting.

APPOINTMENT OF PROXYHOLDER

The purpose of a proxy is to designate persons who will vote the proxy on a shareholder’s behalf in accordance with the instructions given by the shareholder in the proxy. The persons whose names are printed in the enclosed form of proxy are officers or directors of the Company (the “**Management Proxyholders**”).

A shareholder has the right to appoint a person other than a Management Proxyholder, to represent the shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a shareholder.

VOTING BY PROXY

Only registered shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Shares represented by a properly executed proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If a shareholder does not specify a choice and the shareholder has appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

In light of the ongoing public health concerns related to COVID-19 and in order to comply with The enclosed form of proxy also gives discretionary authority to the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Completed forms of proxy must be deposited at the office of the Company's registrar and transfer agent, Computershare Investor Services Inc., Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the time of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

NON-REGISTERED HOLDERS

Only shareholders whose names appear on the records of the Company as the registered holders of shares or duly appointed proxyholders are permitted to vote at the Meeting. Most shareholders of the Company are "non-registered" shareholders because the shares they own are not registered in their names but instead registered in the name of a nominee such as a brokerage firm through which they purchased the shares; bank, trust company, trustee or administrator of self-administered RRSP's, RRIF's, RESP's and similar plans; or clearing agency such as The Canadian Depository for Securities Limited (a "**Nominee**"). If you purchased your shares through a broker, you are likely a non-registered holder.

In accordance with securities regulatory policy, the Company has distributed copies of the Meeting materials, being the notice of meeting, this Information Circular and the proxy, to the Nominees for distribution to non-registered holders.

Nominees are required to forward the Meeting materials to non-registered holders to seek their voting instructions in advance of the Meeting. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered holder. The Nominees often have their own form of proxy, mailing procedures and provide their own return instructions. If you wish to vote by

proxy, you should carefully follow the instructions from the Nominee in order that your shares are voted at the Meeting.

If you, as a non-registered holder, wish to vote at the Meeting in person, you should appoint yourself as proxyholder by writing your name in the space provided on the request for voting instructions or proxy provided by the Nominee and return the form to the Nominee in the envelope provided. Do not complete the voting section of the form as your vote will be taken at the Meeting.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to the Company are referred to as "non-objecting beneficial owners" ("**NOBOs**"). Those non-registered holders who have objected to their Nominee disclosing ownership information about themselves to the Company are referred to as "objecting beneficial owners" ("**OBOs**").

In accordance with the requirements of 54-101, the Company has elected to send the Meeting materials directly to NOBOs. If the Company or its agent has sent these materials directly to you (instead of through a Nominee), your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Nominee holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Nominee holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions.

The Company does not intend to pay for Nominees to deliver the Meeting materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. As a result, OBOs will not receive the Meeting Materials unless their Nominee assumes the costs of delivery.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a shareholder, his or her attorney authorized in writing or, if the shareholder is a Company, a Company under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a proxy by instrument in writing, including a proxy bearing a later date. The instrument revoking the proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value, of which 148,922,744 common shares were issued and outstanding as at June 23, 2022 (the "**Record Date**"). Persons who are registered shareholders at the close of business on the Record Date will be entitled to receive notice of and vote at the Meeting and will be entitled to one vote for each share held. The Company has only one class of shares.

To the knowledge of the directors and executive officers of the Company, no person beneficially owns, controls or directs, directly or indirectly, shares carrying 10% or more of the voting rights attached to all shares of the Company.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

The Board of Directors has approved the adoption of a new form of 20% fixed stock option plan (the "**New Fixed Option Plan**"), subject to the approval of the Exchange and shareholder approval of the New Fixed Option Plan.

The New Fixed Option Plan incorporates certain requirements of Exchange Policy 4.4 – *Security Based Compensation* which was amended on November 24, 2021. The information below should be read in conjunction with the New Fixed Option Plan. Any definitions or capitalized terms used or referenced below have the same meaning attributed to them in the New Fixed Option Plan which is attached to this Information Circular as Schedule “B” and will be accessible on the Company’s SEDAR profile at www.sedar.com.

The purpose of the New Fixed Option Plan is to give to Eligible Persons (as defined herein) additional compensation, the opportunity to participate in the success of the Company by granting to such individuals stock options, exercisable over periods of up to ten (10) years as determined by the Board, to buy shares of the Company at a price not less than the Market Price (as defined herein) prevailing on the date the Stock Option is granted less applicable discount, if any, permitted by the policies of the Exchange and approved by the Board. The general terms and conditions of the Fixed Option Plan are reflected in the disclosure below.

Summary of the New Fixed Option Plan

The purpose of the New Fixed Option Plan is to allow the Company to grant options to Directors, Officers, Employees, Management Company Employees, Consultants and Eligible Charitable Organizations (as those terms are defined in the New Fixed Option Plan) of the Company and its subsidiaries (the "**Eligible Persons**") as additional compensation, and as an opportunity to participate in the success of the Company. Options will be exercisable over periods of up to ten (10) years as determined by the Board, to buy shares of the Company at a price not less than the Market Price (as defined in the New Fixed Option Plan) prevailing on the date the stock option is granted less applicable discount, if any, permitted by the policies of the Exchange and approved by the Board. The granting of such options is intended to align the interests of the Eligible Persons with that of the shareholders.

Under the New Fixed Option Plan, options will be exercisable for a period set by the Board at the time of the grant of such options, but subject to the terms of the New Fixed Option Plan, shall not be exercisable for a period over 10 years after the date of grant. The options are required to have an exercise price no less than the closing market price of the Company's common shares on the day on which the Company announces the grant of options, less the applicable discount, if any, permitted by the policies of the Exchange and approved by the Board or, if the Company's common shares are not listed on any Exchange, less 25%.

The New Fixed Option Plan provides certain limits on the number of common shares which may be reserved for issuance to certain persons, including, among other limitations, the following:

- (a) any one Eligible Person (each, an "**Optionee**") (including, where permitted under applicable Exchange policies, any companies that are wholly owned by such Optionee) in any 12-month period shall not exceed 5% of the total number of issued and outstanding common shares, unless the Company has obtained the requisite disinterested shareholder approval under the applicable Exchange policies;
- (b) any Consultant in any 12-month period shall not exceed 2% of the total number of issued and outstanding common shares; and

- (c) to Investor Relations Service Providers (as defined in the New Fixed Option Plan) (as a group) in any 12-month period shall not exceed 2% of the total number of issued and outstanding common shares.

Subject to the Exchange's minimum vesting requirements, if any and unless otherwise specified by the Board at the time of grant of an option, all options granted will vest in stages over twelve (12) months, with no more than one-quarter of such Options vesting in any three month period.

The New Fixed Option Plan provides that if a Change of Control (as defined in the New Fixed Option Plan) occurs, all common shares subject to stock options shall immediately become vested and may thereupon be exercised in whole or in part by the option holder, subject to the approval of the Exchange, if necessary.

Subject to the terms of the New Fixed Option Plan, if a take-over bid ("**Offer**") occurs, which if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the *Securities Act*, R.S.B.C. 1996, c.418, as amended, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchange, as necessary) all common shares subject to such option will immediately vest and the option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the common shares received upon such exercise, pursuant to the Offer.

The New Fixed Option Plan contains adjustment provisions with respect to outstanding options in cases of share reorganizations, special distributions and other Company reorganizations including an arrangement or other transaction under which the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company or both.

The New Fixed Option Plan provides that on the death or disability of an option holder, all vested options will expire at the earlier of 365 days after the date of death or disability and the expiry date of such options. Where an Optionee is terminated for cause, or in the case of a Management Company Employee or a Consultant Company (as defined in the New Fixed Option Plan), the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause, any outstanding options (whether vested or unvested) are cancelled as of the date of termination. If an Optionee, or in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires or voluntarily resigns or is otherwise terminated by the Company other than for cause, then all vested options held by such Optionee will expire at the earlier of (i) the expiry date of such options and (ii) the date which is 90 days (30 days if the Optionee was engaged in investor relations activities) after the Optionee ceases its office, employment or engagement with the Company; however, the Board may extend this expiry date within a reasonable period not exceeding one year in accordance with the policies of the Exchange.

The New Fixed Option Plan contains a provision that if pursuant to the operation of an adjustment provision of the New Fixed Option Plan, an Optionee receives options (the "**New Options**") to purchase securities of another company (the "**New Corporation**") in respect of the Optionee's options under the New Fixed Option Plan (the "**Subject Options**"), the New Options shall expire on

3.3 Option Agreements

Each Option shall be confirmed by the execution of an Option Agreement. Each Optionee shall have the option to purchase from the Company the Option Shares at the time and in the manner set out in the Plan and in the Option Agreement applicable to that Optionee. In respect of Options granted to Employees, Consultants, Consultant Companies or Management Company Employees, the Company and the Optionee is representing herein and in the applicable Option Agreement that the Optionee is a bona fide Employee, Consultant, Consultant Company or Management Company Employee, as the case may be, of the Company or its subsidiary. The execution of an Option Agreement shall constitute conclusive evidence that it has been completed in compliance with this Plan. All Options shall be subject to any applicable resale

restrictions pursuant to applicable securities laws. 4. EXERCISE OF OPTION

4.1 When Options May be Exercised

Subject to sections 4.3, 4.4 and 4.5, an Option may be exercised to purchase any number of Shares up to the number of Vested Unissued Option Shares at any time after the Grant Date up to 4:00 p.m. Pacific Time on the Expiry Date and shall not be exercisable thereafter. In the event that the Expiry Date of an Option falls during a trading blackout period imposed by the Company (the "**Blackout Period**"), the Expiry Date of such Option shall automatically be extended to a date which is ten (10) trading days following the end of such Blackout Period (the "**Extension Period**"), subject to no cease trade order being in place under applicable securities laws; provided that if an additional Blackout Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Blackout Period to enable the exercise of such Option within ten (10) trading days following the end of the last imposed Blackout Period.

4.2 Manner of Exercise

The Option shall be exercisable by delivering to the Company a notice specifying the number of Option Shares in respect of which the Option is exercised together with one of the following forms of consideration, subject to applicable securities and other applicable laws:

- (a) *Cash Exercise* – Consideration may be paid by an Optionee delivering a cheque payable to the Company or such other method of cash payment as is acceptable to the Company in the amount of the Option Price shall constitute payment of the Option Price unless the cheque or other method of cash payment, as the case may be, is not honoured upon presentation in which case the Option shall not have been validly exercised.
- (b) *Cashless Exercise* – Subject to approval from the Board and further subject to the Shares being traded on the Exchange, consideration may be paid by an Optionee as follows: (i) a brokerage firm loans money to the Optionee in order for the Optionee to exercise Options to acquire the underlying Shares (the "**Loan**"); (ii) the brokerage firm then sells a sufficient number of Shares to cover the Option Price for the Options that were exercised by the Optionee in order to repay the Loan; and (iii) the brokerage firm receives an equivalent number of Shares from the exercise of the Options and the Optionee receives the balance of the Shares or the cash proceeds from the balance of such Shares (collectively, the "**Cashless Exercise**").
- (c) *Net Exercise* – Subject to approval from the Board and further subject to the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options such that, in lieu of a cash payment to the Company, an Optionee, excluding Investor Relations Service Providers, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Shares and the Option Price of the subject Options; by (ii) the VWAP of the underlying Shares (collectively, the "**Net Exercise**").

In the event of a Cashless Exercise or Net Exercise, the number of Options exercised, surrendered or converted, and not the number of Shares actually issued by the Company, must be included in calculating the limits set forth in Section 3.2 hereof.

Upon notice and payment there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan.

4.3 Vesting of Option Shares

The Board, subject to the policies of the Exchanges, may determine and impose terms upon which each Option shall become Vested in respect of Option Shares. Unless otherwise specified by the Board at the time of granting an Option, and subject to the other limits on Option grants set out in Section 3.2 hereof, all Options granted under the Plan shall vest and become exercisable in full upon grant, except Options granted to Investor Relations Service Providers, which Options must vest in stages over twelve months with no more than one-quarter of the Options vesting in any three month period.

4.4 Termination of Employment

If an Optionee ceases to be an Eligible Person, his or her Option shall be exercisable as follows:

(a) Death or Disability

If the Optionee ceases to be an Eligible Person, due to his or her death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of:

(i) 365 days after the date of death or Disability; and

(ii) the Expiry Date;

(b) Termination For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person as a result of termination for cause as that term is interpreted by the courts of the jurisdiction in which the Optionee, or, in the case of a Management Company Employee or a Consultant Company, of the Optionee's employer, is employed or engaged; any outstanding Option held by such Optionee on the date of such termination, whether in respect of Option Shares that are Vested or not, shall be cancelled as of that date.

(c) Early Retirement, Voluntary Resignation or Termination Other than For Cause

If the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person due to his or her retirement at the request of his or her employer earlier than the normal retirement date under the Company's retirement policy then in force, or due to his or her termination by the Company other than for cause, or due to his or her voluntary resignation, the Option then held by the Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days (30 days if the Optionee was engaged in Investor Relations Activities) after the Optionee or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, ceases to be an Eligible Person.

(d) Spin-Out Transactions

If pursuant to the operation of subsection 5.3(c) an Optionee receives options (the "**New Options**") to purchase securities of another company (the "**New Company**") in respect of the Optionee's Options (the "**Subject Options**"), subject to the prior approval of the Exchanges, the New Options shall expire on the earlier of: (i) the Expiry Date of the Subject Options; (ii) if the Optionee does not become an Eligible Person in respect of the New Company, the date that the Subject Options expire pursuant to subsection 4.4(a), (b) or (c), as applicable; (iii) if the Optionee becomes an Eligible Person in respect of the New Company, the date that the New Options expire pursuant to the terms of the New

Company's stock option plan that correspond to subsection 4.4(a), (b) or (c) hereof; and (iv) the date that is one (1) year after the Optionee ceases to be an Eligible Person in respect of the New Company or such shorter period as determined by the Board.

(e) Eligible Charitable Organizations

If the Optionee ceases to be an Eligible Person due to no longer being an Eligible Charitable Organization, the Options then held by that Optionee shall be exercisable to acquire Vested Unissued Option Shares at any time up to but not after the earlier of the Expiry Date and the date which is 90 days after the date the Optionee ceases to be an Eligible Person.

Notwithstanding the foregoing, the Board may, in its sole discretion if it determines such is in the best interests of the Company and subject to the policies of the Exchanges, extend the early Expiry Date (as set out above in this section 4.4) of any Option held by an Optionee who ceases to be an Eligible Person to a later date within a reasonable period, subject to such period not exceeding 12 months from the date the Optionee ceases to be an Eligible Person.

For purposes of this section 4.4, the dates of death, Disability, termination, retirement, voluntary resignation, ceasing to be an Eligible Person and incapacity shall be interpreted to be without regard to any period of notice (statutory or otherwise) or whether the Optionee or his or her estate continues thereafter to receive any compensatory payments from the Company or is paid salary by the Company in lieu of notice of termination.

For greater certainty, an Option that had not become Vested in respect of certain Unissued Option Shares at the time that the relevant event referred to in this section 4.4 occurred, shall not be or become vested or exercisable in respect of such Unissued Option Shares and shall be cancelled.

4.5 Effect of a Take-Over Bid

If a *bona fide* offer (an "**Offer**") for Shares is made to the Optionee or to shareholders of the Company generally or to a class of shareholders which includes the Optionee, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of the Company, within the meaning of subsection 1(1) of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon (subject to the approval of the Exchanges with respect to Investor Relations Service Providers) all Option Shares subject to such Offer will become Vested and the Option may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender the Option Shares received upon such exercise, pursuant to the Offer. However, if:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof,

then the Option Shares received upon such exercise, or in the case of clause (b) above, the Option Shares that are not taken up and paid for, may be returned by the Optionee to the Company and reinstated as authorized but unissued Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become Vested pursuant to section 4.3 shall be reinstated. If any Option Shares are returned to the Company under this section 4.5, the Company shall immediately refund the exercise price to the Optionee for such Option Shares.

4.6 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any Unissued Option Shares, an Offer is made by an offeror, the Board may, upon notifying each Optionee of full particulars of the Offer and subject to the approval of the Exchanges with respect to Investor Relations Service Providers, declare all Option Shares issuable upon the exercise of Options granted under the Plan,

Vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Shares must be tendered pursuant to the Offer. The Board shall give each Optionee as much notice as possible of the acceleration of the Options under this section, except that not less than 5 business days of notice is required and more than 30 days of notice is not required.

4.7 Compulsory Acquisition or Going Private Transaction

If and whenever, following a take-over bid or issuer bid, there shall be a compulsory acquisition of the Shares pursuant to Division 6 of the *Business Corporations Act* (British Columbia) or any successor or similar legislation, or any amalgamation, merger or arrangement in which securities acquired in a formal take-over bid may be voted under the conditions described in Section 8.2 of Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions*, then following the date upon which such compulsory acquisition, amalgamation, merger or arrangement is effective, an Optionee shall be entitled to receive, and shall accept, for the same exercise price, in lieu of the number of Option Shares to which such Optionee was theretofore entitled to purchase upon the exercise of his or her Options, the aggregate amount of cash, shares, other securities or other property which such Optionee would have been entitled to receive as a result of such bid if he or she had tendered such number of Option Shares to the take-over bid.

4.8 Effect of a Change of Control

If a Change of Control occurs, all Option Shares subject to each outstanding Option will become Vested, whereupon such Option may be exercised in whole or in part by the Optionee, subject to the approval of the Exchanges with respect to Investor Relations Service Providers or if otherwise necessary.

4.9 Exclusion from Severance Allowance, Retirement Allowance or Termination Settlement

If the Optionee, or, in the case of a Management Company Employee or a Consultant Company, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company or any subsidiary of the Company, the loss or limitation, if any, pursuant to the Option Agreement with respect to the right to purchase Option Shares which were not Vested at that time or which, if Vested, were cancelled, shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatsoever in respect of such Optionee.

4.10 Shares Not Acquired

Any Unissued Option Shares not acquired by an Optionee under an Option which has been settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised may be made the subject of a further Option pursuant to the provisions of the Plan.

5. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

5.1 Share Reorganization

Subject to the prior approval of the Exchanges (other than in the case of a Share subdivision or consolidation), whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a "**Share Reorganization**") then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and

- (ii) a fraction, the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection 5.1 (a)(ii).

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.1 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Share Reorganization.

5.2 Special Distribution

Subject to the prior approval of the Exchanges, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares;

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants;

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a "**Special Distribution**"), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

Any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 is subject to compliance with the limits set out in section 3.2 and, if any increase in the number of Unissued Option Shares as a result of the adjustment provisions provided in this section 5.2 would result in any limit set out in section 3.2 being exceeded, then the Company may, if determined by the Board in its sole and unfettered discretion (subject to the prior approval of the Exchanges), make payment in cash to the Optionee in lieu of increasing the number of Unissued Option Shares in order to properly reflect any diminution in value of the Option Shares as a result of such Special Distribution.

5.3 Corporate Organization

Subject to the prior approval of the Exchanges, whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 5.1 or 5.2;

- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities;
- (c) an arrangement or other transaction under which, among other things, the business or assets of the Company become, collectively, the business and assets of two or more companies with the same shareholder group upon the distribution to the Company's shareholders, or the exchange with the Company's shareholders, of securities of the Company, or securities of another company, or both; or
- (d) a transaction whereby all or substantially all of the Company's undertaking and assets become the property of another corporation,

(any such event being herein called a "**Corporate Reorganization**") the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he/she would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he/she would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he/she had been the holder of all Unissued Option Shares or if appropriate, as otherwise determined by the Board.

5.4 Determination of Option Price and Number of Unissued Option Shares

If any questions arise at any time with respect to the Option Price or number of Unissued Option Shares deliverable upon exercise of an Option following a Share Reorganization, Special Distribution or Corporate Reorganization, such questions shall be conclusively determined by the Company's auditor, or, if they decline to so act, any other firm of Chartered Accountants in Vancouver, British Columbia, that the Board may designate and who will have access to all appropriate records and such determination will be binding upon the Company and all Optionees.

5.5 Regulatory Approval

Any adjustment to the Option Price or the number of Unissued Option Shares purchasable under the Plan pursuant to the operation of any one of sections 5.1, 5.2 or 5.3 is subject to the prior approval of the Exchanges and any other governmental authority having jurisdiction. Notwithstanding the foregoing, adjustments pursuant to section 5.1 due to a Share subdivision or consolidation do not require prior TSX Venture Exchange approval.

6. MISCELLANEOUS

6.1 Right to Employment

Neither this Plan nor any of the provisions hereof shall confer upon any Optionee any right with respect to employment or continued employment with the Company or any subsidiary of the Company or interfere in any way with the right of the Company or any subsidiary of the Company to terminate such employment.

6.2 Necessary Approvals

The Plan shall be effective upon the approval of the Plan by the Board and the Exchange or any regulatory authority having jurisdiction over the securities of the Company and shall be ratified thereafter by the shareholders of the Company by way of an ordinary resolution at the next duly convened meeting of the shareholders of the Company. Disinterested shareholder approval (as required by the Exchanges) will be obtained for any reduction in the exercise price, or any extension of the term, of any Option granted under this Plan if the Optionee is an Insider of the Company at the time of the proposed amendment. In addition, any amendment to an Option (including any cancellation of an Option and subsequent grant of a new Option to the same Person within one year) that results in a benefit to an Insider of the Company at the time of amendment will be subject to disinterested shareholder approval (as required by the Exchanges). The obligation of the Company to sell and deliver Shares in accordance with the Plan is subject to the approval

of the Exchanges and any governmental authority having jurisdiction. If any Shares cannot be issued to any Optionee for any reason, including, without limitation, the failure to obtain such approval, then the obligation of the Company to issue such Shares shall terminate and any Option Price paid by an Optionee to the Company shall be immediately refunded to the Optionee by the Company.

6.3 Administration of the Plan

The Board shall, without limitation, have full and final authority in their discretion, but subject to the express provisions of the Plan, to interpret the Plan, to prescribe, amend and rescind rules and regulations relating to the Plan and to make all other determinations deemed necessary or advisable in respect of the Plan. Except as set forth in section 5.4 and subject to any required prior Exchange approval, the interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. Administration of the Plan shall be the responsibility of the appropriate officers of the Company and all costs in respect thereof shall be paid by the Company.

6.4 Withholding Taxes

The exercise of each Option granted under the Plan is subject to the condition that if at any time the Company determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such exercise, such exercise is not effective unless such withholding has been effected to the satisfaction of the Company. In such circumstances, the Company may require that the Optionee pay to the Company, in addition to and in the same manner as the exercise price for the Shares, such amount as the Company is obliged to remit to the relevant tax authority in respect of the exercise of the Option. Alternatively, the Company shall have the right in its discretion to satisfy any such liability for withholding or other required deduction amounts by retaining or acquiring any Shares acquired upon exercise of any Option, or retaining any amount payable, which would otherwise be issued or delivered, provided or paid to an Optionee by the Company, whether or not such amounts are payable under the Plan. For greater certainty, the application of this section 6.4 to any exercise of an Option shall not conflict with the policies of the Exchanges that are in effect at the relevant time and the Company will obtain prior Exchange acceptance and/or shareholder approval of any application of this section 6.4 if required pursuant to such policies.

6.5 Amendments to the Plan

The Board may from time to time, subject to applicable law and to the prior approval, if required, of the shareholders (or disinterested shareholders, if required), Exchanges or any other regulatory body having authority over the Company or the Plan, suspend, terminate or discontinue the Plan at any time, or amend or revise the terms of the Plan or of any Option granted under the Plan and the Option Agreement relating thereto, provided that no such amendment, revision, suspension, termination or discontinuance shall in any manner adversely affect any Option previously granted to an Optionee under the Plan without the consent of that Optionee.

6.6 Form of Notice

A notice given to the Company shall be in writing, signed by the Optionee and delivered to the head business office of the Company.

6.7 No Representation or Warranty

The Company makes no representation or warranty as to the future market value of any Shares issued in accordance with the provisions of the Plan.

6.8 Compliance with Applicable Law

If any provision of the Plan or any Option Agreement contravenes any law or any order, policy, by-law or regulation of any regulatory body or Exchange having authority over the Company or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.

6.9 No Assignment or Transfer

No Optionee may assign or transfer any of his or her rights under the Plan or any option granted thereunder. Notwithstanding the foregoing, where permitted under applicable policies of the Exchanges, companies that are wholly owned by Eligible Persons may be issued Options.

6.10 Rights of Optionees

An Optionee shall have no rights whatsoever as a shareholder of the Company in respect of any of the Unissued Option Shares (including, without limitation, voting rights or any right to receive dividends, warrants or rights under any rights offering).

6.11 Previously Granted Options

Stock options which are outstanding under pre-existing stock option plan(s) of the Company as of the effective date of this Plan shall continue to be exercisable and shall be deemed to be governed by and be subject to the terms and conditions of this Plan except to the extent that the terms of this Plan are more restrictive than the terms of such pre-existing plan(s) under which such stock options were originally granted, in which case the applicable pre-existing plan(s) shall govern, provided that any stock options granted, issued or amended after November 23, 2021 must comply with TSXV Policy 4.4 - *Incentive Stock Options (as at November 24, 2021)*.

6.12 Conflict

In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

6.13 Governing Law

The Plan and each Option Agreement issued pursuant to the Plan shall be governed by the laws of the province of Ontario.

6.14 Time of Essence

Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

6.15 Entire Agreement

This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to the subject matter hereof and supersedes all prior agreements, undertakings and understandings, whether oral or written.
