

21.0 CERTIFICATES OF QUALIFICATIONS

I, Charles J. Greig, am a professional geologist residing at 250 Farrell St., Penticton, British Columbia, Canada and do hereby certify that:

- I am an author of "NI 43-101 Technical Report, A Geological Evaluation of the Meli Property, Tigray National Regional State, Northern Ethiopia", dated June 4, 2020;
- I am a Registered Professional Geoscientist (P. Geo.), Practising, with the Engineers and Geoscientists, British Columbia, (License no. 27529) and with the Professional Geoscientists of Ontario (Member ID no. 1751).
- I am a graduate of the University of British Columbia with a B.Comm. (1981), a B.Sc. (Geological Sciences, 1985), and an M.Sc. (Geological Sciences, 1989). I have practiced my profession continuously since graduation, having worked as a geoscientist in the minerals industry for over 35 years.
- I visited the Meli property in March of 2019.
- I have had no prior involvement with the Meli property and no other involvement with the Property until contracted to write this technical report;
- I am responsible as a co-author for Sections 1, 2, 7, 12, 17 and 18 of "NI 43-101 Technical Report, A Geological Evaluation of the Meli Property, Tigray National Regional State, Northern Ethiopia", dated June 4, 2020.
- I am independent of Sun Peak Metals Corp. as independence is described in Section 1.5 of NI 43-101. I have not received, nor do I expect to receive, any interest, directly or indirectly, in Sun Peak Metals Corp.;
- I am independent of Ezana Mining Development PLC, the Vendor of the Meli concession, as independence is described in Section 1.5 of NI 43-101. I have not received, nor do I expect to receive, any interest, directly or indirectly, in Ezana Mining Development PLC.
- I was retained by Sun Peak Metals Corp. to prepare an exploration summary on the Meli property Tigray National Regional State, Ethiopia, in accordance with National Instrument 43-101. The report is based on my property visit, and on a review of project files and information provided by Sun Peak Metals Corp. personnel and publically available data;
- I have read National Instrument 43-101 and Form 43-101F1 and, by reason of education and past relevant work experience, I fulfill the requirements to be a "Qualified Person" for the purposes of NI43-101. This technical report has been prepared in compliance with National Instrument 43-101 and Form 43-101F1;
- As of the date of this certificate, to the best of my knowledge, information and belief, the technical report contains all scientific and technical information that is required to be disclosed to make the technical report not misleading.
- I, the undersigned prepared this report entitled "NI 43-101 Technical Report, A Geological Evaluation of the Meli Property, Tigray National Regional State, Northern Ethiopia", dated June 4, 2020, in support of the public disclosure of the geological exploration potential of the Meli property of Sun Peak Metals Corp.

Effective Date: June 4, 2020

Signed this 4th day of June, 2020 in Penticton, British Columbia:

“Charles J. Greig”

Charles J. Greig, B. Comm., B.Sc., M.Sc., P.Geo. (PGBC no. 27529)
