

BITTERROOT RESOURCES LTD.

(the “Company”)

INFORMATION CIRCULAR

The Company is providing this management information circular (the “**Circular**”) in connection with management’s solicitation of proxies for use at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be held on Thursday, April 12, 2018 at 11:00am at Suite 1130 - 400 Burrard Street, Vancouver, B.C. V6C 3A6, and at any postponements or adjournments thereof for the purposes set forth in the notice of meeting (the “**Notice of Meeting**”).

Information in this Circular is given as at February 22, 2018, unless otherwise indicated.

COMPLETION AND VOTING OF PROXIES

As a Shareholder, it is very important that you read this information carefully and then vote your Shares, either by proxy or voting instruction form or by attending the Meeting.

Date, Time and Place of Meeting

The Meeting is scheduled to be held at 11:00am on Thursday, April 12, 2018 at Suite 1130 - 400 Burrard Street, Vancouver, B.C. V6C 3A6 for the purposes set forth in the Notice of Meeting. The Company reserves the right to adjourn or postpone the Meeting if considered appropriate by the Board.

Record Date

The Board has established the record date (the “**Record Date**”) for the Meeting as the close of business on February 20, 2018. Only Shareholders of record at the close of business on the Record Date will be entitled to notice of the Meeting, or any adjournments or postponements thereof, and to vote at the Meeting. No Shareholders having become Shareholders of record after that time will be entitled to vote at the Meeting, or any adjournments or postponements thereof.

Solicitation of Proxies

The information contained in this Circular is furnished in connection with the solicitation of proxies by and on behalf of the management of the Company to be used at the Meeting and for the purposes set forth in the Notice of Meeting. It is expected that the solicitation will be primarily by mail, but proxies may also be solicited personally by telephone or other electronic means by management of the Company, including directors and officers. The costs of the solicitation will be borne by the Company.

Notice-and-Access

The Company is sending out proxy-related materials to Registered Shareholders and Non-Registered Shareholders using the notice-and-access mechanism that came into effect on February 11, 2013 under National Instrument 54-101 – Communications with Beneficial Owners of Securities of a Reporting Issuer (“**NI 54-101**”). The Company anticipates that notice-and-access will directly benefit the Company through a reduction in both postage and material costs and also promote environmental responsibility by decreasing the large volume of paper documents generated by printing proxy-related materials. Shareholders will be provided with electronic access to the Notice of the Meeting, this Circular, and the Company’s audited consolidated financial statements for the fiscal year ended October 31, 2017 and management’s discussion and analysis thereon (the “**Financial Statements**”) on the Company’s profile on SEDAR at www.sedar.com and also on the Company’s website at www.bitterrootresources.com. Shareholders will receive paper copies of a notice

package (the “**Notice Package**”) via pre-paid mail containing a notice with information prescribed by NI 54-101 and a form of proxy (if you are a Registered Shareholder) or a voting instruction form (if you are a Non-Registered Shareholder), in each case with a supplemental mail list return card for Shareholders to request they be included in the Company’s supplementary mailing list for receipt of the Company’s annual and interim financial statements for the next fiscal year. For more information about notice-and-access, Shareholders may call the Company at 604-922-1351 or toll-free in North America at 1-844-922-1351, or by emailing the Company at infoman@bitterrootresources.com. Shareholders may obtain paper copies of the Notice of Meeting, this Circular and the Financial Statements free of charge by contacting the Company at 604-922-1351 or toll-free in North America at 1-844-922-1351, or by emailing the Company at infoman@bitterrootresources.com. In order to receive paper copies of these meeting materials in time to vote before the Meeting, your request should be received no later than March 26, 2018.

Registered Shareholders

You are a registered Shareholder if your name appears on your share certificate. If you are a Registered Shareholder, the applicable proxy form is included in the Notice Package. You can vote in person at the Meeting or by proxy. Voting by proxy means that you are giving the person or people named on your form of proxy (your proxyholder) the authority to vote your Shares for you at the Meeting, or any adjournments or postponements thereof.

How to Vote in Person

If you intend to be present and vote in person at the Meeting, you do not need to complete or return your form of proxy. Voting in person at the Meeting will automatically cancel any proxy you completed earlier. At the Meeting, you should see a representative of Computershare Trust Company of Canada.

How to Vote by Proxy

Registered shareholders electing to submit a proxy may do so by:

- (a) completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent Computershare Trust Company of Canada at Proxy Dept. 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1;
- (b) using a touch tone phone to transmit voting choices by calling the number specified on the enclosed form of proxy and following the instructions of the telephone response system; or
- (c) using the internet through the website of the Company’s transfer agent at www.compuershare.com/ca/proxy.

In all cases a registered shareholder must ensure that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used. Failure to properly complete or deposit a proxy may result in its invalidation.

If you vote by proxy, the directors and officers who are named on the form of proxy will vote your Shares for you, unless you appoint someone else to be your proxyholder. If you appoint someone else, he or she must be present at the Meeting to vote your Shares. This person does not have to be a Shareholder. Write the name of the person you are appointing in the space provided. Complete your voting instructions and date and sign the form. Make sure that the person you appoint is aware that he or she has been appointed and attends the Meeting. At the Meeting, he or she should see a representative of Computershare Trust Company of Canada.

The Shares represented by any proxy received by management will be voted for or against or withheld from voting, as the case may be, by the persons named in the enclosed form of proxy in accordance with the direction of the Shareholder appointing them. In the absence of any direction to the contrary, it is intended that the Shares represented by proxies received by management will be voted on any ballot “FOR” the matters set out in the Notice.

How to Change or Revoke your Vote

A registered Shareholder executing the enclosed form of proxy may revoke it at any time before it has been exercised by:

- (i) completing a form of proxy that is dated later than the form of proxy you are revoking and mailing it to Computershare Trust Company of Canada Company so that it is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used;
- (ii) sending a revocation notice in writing to the corporate secretary of the Company so that it is received at any time up to any including the last business day preceding the day of the Meeting, of any postponement or adjournment thereof. The notice can be from the Shareholder or the authorized attorney of such Shareholder; or
- (iii) attending the Meeting and providing a revocation notice to the chair of the meeting before any vote in respect of which the proxy has been given has been taken.

Non-Registered Shareholders

Most shareholders of the Company are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the shares. More particularly, a person is not a registered shareholder in respect of shares which are held on behalf of that person (the “**Non- Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited), of which the Intermediary is a participant.

If you are a Non-Registered Shareholder, and the Company or its agent has sent the Notice Package directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding Shares on your behalf. By choosing to send the Notice Package to you directly, the Company (and not the intermediary holding Shares on your behalf) has assumed responsibility for (i) delivering the Notice Package to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions delivered to you.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners or “NOBOs”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners or “OBOs”.

How to Vote by Voting Instruction Form

Intermediaries are required to seek voting instructions from Non-Registered Holders in advance of shareholders' meetings unless the Non-Registered Holders have waived the right to receive meeting materials. Every Intermediary has its own mailing procedures and provides its own return instructions to clients. The Meeting Materials sent to Non-Registered Holders who have not waived the right to receive meeting materials are accompanied by a request for voting instructions (a "VIF"). This form is instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Non-Registered Holder is able to instruct the registered shareholder how to vote on behalf of the Non-Registered Holder. VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit Non-Registered Holders to direct the voting of the shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder or his or her nominee the right to attend and vote at the Meeting.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Non-Registered Shareholders who receive a voting instruction form in the Notice Package should carefully follow the instructions provided, including those regarding when and where the VIF is to be delivered, to ensure their vote is counted. Subject to the terms of your voting instruction form, if you do not specify how you want your Shares voted, they will be voted "FOR" the matters set out in the Notice.

How to Vote in Person

If you are a Non-Registered Shareholder (or beneficial Shareholder) and wish to vote in person at the Meeting, please contact your Intermediary well in advance of the Meeting to determine how you can do so. At the Meeting, you should see a representative of Computershare Trust Company of Canada.

How to Change or Revoke your Vote

Non-Registered Holders who wish to revoke a VIF or a waiver of the right to receive proxy-related materials should contact their Intermediary for instructions

Exercise of Discretion by Proxyholders

The form of proxy and any voting instructions submitted confer discretionary authority upon the persons named therein with respect to matters not specifically mentioned in the Notice of Meeting but which may properly come before the Meeting, or any adjournments or postponements thereof, and with respect to amendments to or variations of matters identified in the Notice of Meeting. As of the date hereof, management of the Company knows of no such amendments, variations or other matters to come before the Meeting, other than the matters referred to in the Notice of Meeting and routine matters incidental to the conduct of the Meeting. If any further or other business is properly brought before the Meeting, it is intended that the persons appointed as proxyholders will vote on such other business in such manner as such persons then consider to be proper.

STATEMENT OF CORPORATE GOVERNANCE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, requires all companies to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “Guidelines”) adopted in National Policy 58-201. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Company’s approach to corporate governance is set out below.

Board of Directors

The Board currently consists of four (4) Directors: Michael S. Carr (President & Chief Executive Officer), Terence S. Ortslan, George W. Sanders and John H. Wright.

The Guidelines suggest that the Board of Directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors. A director is “independent” if the individual has no direct or indirect material relationship with the Company which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment whether on the Board or a committee of the Board. Notwithstanding the foregoing, an individual who is, or has been within the last three years, an employee or executive officer of the Company is considered to have a material relationship with the Company. Of the current Board the following members are independent: Terence S. Ortslan, George W. Sanders and John H. Wright. Michael S. Carr is not independent, as he is an executive officer of the Company.

Directorships

The following table sets forth the directors of the Company who currently serve as directors of other reporting issuers:

Name of Director	Other Reporting Issuers
Terence S. Ortslan	Legend Gold Corp., Karmin Exploration Inc. and Silvermet Inc.
George W. Sanders	Goldcliff Resource Corporation and SilverCrest Metals Inc.
John H. Wright	SilverCrest Metals Inc. and Ero Copper Corp.

Orientation and Continuing Education

The Company does not provide a formal orientation and education program for new directors; however, any new directors will be given the opportunity to familiarize themselves with the Company, the current directors and members of management. Directors are also encouraged and given the opportunity for continuing education.

Ethical Business Conduct

The Board has not, to date, adopted a formal written Code of Business Conduct and Ethics. The current limited size of the Company's operations, and the small number of officers and employees, allow the Board to monitor, on an ongoing basis, the activities of management and to ensure that the highest standard of ethical conduct is maintained. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

Nomination of Directors

The Board selects new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the Board members, including both formal and informal discussions among Board members and the President. The Board monitors, but does not formally assess, the performance of individual Board members or committee members or their contributions.

Compensation Committee

The Board has not, to date, constituted a compensation committee. However, all employment, consulting or other compensation arrangements between the Company and any director or senior officer of the Company or between any subsidiary of the Company and any director or senior officer must be considered and approved by the Company's independent directors.

Other Board Committees

The Company has one standing committee, the Audit Committee. Please refer to the "Audit Committee" section.

Assessments

The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director's credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director's nomination.

STATEMENT OF EXECUTIVE COMPENSATION

Definitions

For the purposes of this Statement of Executive Compensation:

- (a) "Chief Executive Officer" means each individual who served as chief executive officer of the Company or acted in a similar capacity during the most recently completed financial year;
- (b) "Chief Financial Officer" means each individual who served as chief financial officer of the Company or acted in a similar capacity during the most recently completed financial year;
- (c) "Named Executive Officers" means each of the following individuals:

- (ii) a Chief Financial Officer;
- (iii) each of the Company's three most highly compensated executive officers, or the three most highly compensated individuals acting in a similar capacity, other than the Chief Executive Officer and Chief Financial Officer, at the end of the most recently completed financial year whose total compensation was, individual, more than \$150,000.00 for that financial year; and
- (iv) each individual who would be an Name Executive Officer under paragraph (iii) but for the fact that the individual was neither an executive officer of the Company, nor acting in a similar capacity, at the end of that financial year.

Compensation Discussion and Analysis

The compensation paid by the Company is designed to motivate, reward, attract and retain knowledgeable and skilled executives required to achieve the Company's corporate objectives and increase shareholder value. The Company's main objective of providing compensation is to recognize the contribution of the executive officers for their efforts and for the overall success and strategic growth of the Company. The compensation paid by the Company is designed to compensate for contributions to the Company and to reward management performance by aligning a component of the compensation with the Company's business performance and share value. The purpose of executive compensation is to reward the executives for their contributions to the achievements of the Company on both an annual and long term basis.

The Company does not have a formal compensation committee. The Company's board of directors informally discusses and approves compensation to be paid by the Company, ensuring that total compensation paid is fair and reasonable and is consistent with the Company's compensation philosophy, however, all employment, consulting or other compensation arrangements between the Company and any director or senior officer of the Company or between any subsidiary of the Company and any director or senior officer must be considered and approved by the Company's independent directors. Compensation paid by the Company can be broken into three key elements: (i) base salary, fees and benefits; (ii) cash bonuses; and (iii) stock options. A description each element of compensation is set forth below.

Base Salary

The objective of base salary compensation is to reward and retain Named Executive Officers. The program is designed to compensate and reward Named Executive Officers for the services provided to the Company. In setting base compensation levels, consideration is given to such factors as level of responsibility, experience, expertise, the amount of time devoted to the affairs of the Company and the amount comparable businesses pay to their Named Executive Officers.

Bonus Plan

The Company's compensation philosophy will be to encourage the maximization of shareholder value at all levels of the organization by making cash bonuses a component of compensation, taking into consideration performance by both the Company and the respective executive officer.

Although no formal bonus plan has been implemented, all executive officers are eligible to receive a bonus. Bonuses will be used to recognize additional efforts of a Named Executive Officer which result in increased Company performance. Bonus levels, if any, will be established by the board of directors of the Company. Bonus awards for executive officers are discretionary and bonuses are not foreseen to be paid until the Company grows significantly.

Stock Options

The Company's stock option plan provides for the grant of stock options to directors, executive officers and key employees and consultants of the Company and its subsidiaries for the purpose of advancing the interests of the Company and its shareholders through the motivation, attraction and retention of these individuals. It is generally recognized that stock option plans aid in attracting, retaining and encouraging these individuals due to the opportunity offered to them to acquire a proprietary interest in the Company.

The board of directors of the Company determines the ranges of stock option grants for each level of executive officer and key employees and consultants, and the terms and conditions of the options forming part of such grants. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of the position and contribution to the Company. The existing number and terms of the outstanding options are taken into account when granting new options.

Details of the Company's Stock Option Plan are provided below under "Approval of Stock Option Plan".

The following table sets forth all annual and long-term compensation for each Named Executive Officer of the Company for the Company's three most recently completed financial years:

Notes:

- (1) "Share-Based Award" means an award under an equity incentive plan of equity-based instruments that do not have option-like features, including, for greater certainty, common shares, restricted shares, restricted share units, deferred share units, phantom shares, phantom share units, common share equivalent units and stock.
- (2) "Option-Based Award" means an awards under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights, and similar instruments that have option-like features.
- (3) The "grant date fair value" has been determined by using the Black-Scholes option pricing model. Calculating the value of stock options using the Black-Scholes option pricing model is very different from a simple "in the money" value calculation. In fact, stock options that are well out of the money can still have a significant grant date fair value based on the Black-Scholes option pricing model. This is particularly the case where the price of the shares underlying the option are highly volatile. Accordingly, caution should be exercised in comparing grant date fair value amounts with cash compensation or an in the money option value calculation.
- (4) See "Management Contracts".
- (5) Compensation for the fiscal year ended October 31, 2016 was deferred to preserve working capital and remains owing, plus interest.

John H. Wright	Nil	Nil	28,116 ⁽³⁾	Nil	Nil	Nil	28,116 ⁽³⁾

Notes:

- (1) "Share-Based Award" means an award under an equity incentive plan of equity-based instruments that do not have option-like features, including, for greater certainty, common shares, restricted shares, restricted share units, deferred share units, phantom shares, phantom share units, common share equivalent units and stock.
- (2) "Option-Based Award" means an awards under an equity incentive plan of options, including, for greater certainty, share options, share appreciation rights, and similar instruments that have option-like features.
- (3) The "grant date fair value" has been determined by using the Black-Scholes option pricing model. Calculating the value of stock options using the Black-Scholes option pricing model is very different from a simple "in the money" value calculation. In fact, stock options that are well out of the money can still have a significant grant date fair value based on the Black-Scholes option pricing model. This is particularly the case where the price of the shares underlying the option are highly volatile. Accordingly, caution should be exercised in comparing grant date fair value amounts with cash compensation or an in the money option value calculation.
