MANAGEMENT PROXY CIRCULAR

as at May 10, 2019, *(except as otherwise indicated)*

This Management Proxy Circular is furnished in connection with the solicitation of proxies by the management of GFM Resources Limited (the “Corporation”) for use at the annual general meeting (the “Meeting”) of its shareholders to be held on June 19, 2019 at the time and place and for the purposes set forth in the accompanying Notice of the Meeting.

In this Management Proxy Circular, references to “the Corporation”, “we” and “our” refer to GFM Resources Limited. “Common Shares” means common shares without par value in the capital of the Corporation. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are the officers of the Corporation. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and vote on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so using one of the following ways:

- (a) complete, date and sign the enclosed form of proxy and return it to the Corporation's transfer agent, Computershare Investor Services Inc., by fax within North America at 1-866-249-7775, outside North America at (416) 263-9524, or by mail to the 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 or by hand delivery at 2nd Floor, 510 Burrard Street, Vancouver, British Columbia, Canada V6C 3B9;
- (b) use a touch-tone phone to transmit voting choices to a toll-free number. Registered shareholders must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll-free number, the holder's account number and the proxy access number; or
- (c) log on via the internet through the website of the Corporation's transfer agent at www.investorvote.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases Registered Shareholders must ensure that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders, (also referred to as "Non-registered Shareholders") should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (an "intermediary"). In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms), and in the United States, under the name of Cede & Co. as nominee for The Depository Trust & Clearance Corporation (which acts as depository for many U.S. brokerage firms and custodian banks).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders: Objecting Beneficial Owners ("OBOs") object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners ("NOBOs") who do not object to the issuers of the securities they own knowing who they are.

Pursuant to National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("NI 54-101") the Company distributes copies of the Notice of Meeting, this Management Proxy Circular and the form of Proxy (collectively, the "Meeting materials") to the Depository and Intermediaries for onward distribution to Beneficial Shareholders. The Company does not send Meeting materials directly to Beneficial Shareholders. Intermediaries are required to forward the Meeting materials to all Beneficial Shareholders for whom they hold Common Shares unless such Beneficial Shareholders have waived the right to receive them.

These securityholder materials are being sent to both registered and non-registered (beneficial) owners of the securities of the Corporation. If you are a beneficial owner, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

If you are a Beneficial Shareholder:

If you are a Beneficial Shareholder you should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided by the Corporation to registered shareholders. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in the United States and in Canada. Broadridge mails a voting instruction form (“**VIF**”) in lieu of a Proxy provided by the Corporation. The VIF will name the same persons as the Corporation’s Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Corporation), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting, and that person may be you. To exercise this right, you should insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge’s instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder’s representative. If you receive a VIF from Broadridge the VIF must be completed and returned to Broadridge in accordance with its instructions, well in advance of the Meeting, in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and to vote your Common Shares at the Meeting.

Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and are being effected in accordance with the corporate laws of Yukon and securities laws of the Provinces and territories of Canada. The proxy solicitation rules under the United States *Securities Exchange Act of 1934*, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the Provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the Provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Corporation is incorporated under the *Business Corporations Act* (Yukon), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder’s authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to Computershare or at the address of the records office of the Corporation at 1500 Royal Centre, 1055 West Georgia Street, P. O. Box 11117, Vancouver, British Columbia V6E 4N7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the registered shareholder’s Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the continuation of the share option plan and as may be set out as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Corporation has fixed August 1, 2018 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting, except to the extent that:

- (a) the shareholder has transferred the ownership of any such share after the record date, and
- (b) the transferee produces a properly endorsed share certificate for or otherwise establishes ownership of any of the transferred Shares and makes a demand to Computershare Investor Services Inc. no later than 10 days before the Meeting that the transferee’s name be included in the list of shareholders in respect thereof.

The Common Shares of the Corporation are listed on NEX (the “**NEX**”) of the TSX Venture Exchange (the “**TSXV**”). As of the Record Date there were 19,085,071 Common Shares issued and outstanding, each carrying the right to one vote. No group of shareholders has the right to elect a specified number of directors, nor are there cumulative or similar voting rights attached to the Common Shares.

To the knowledge of the directors and executive officers of the Corporation, the only person or corporation that beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares as at the Record Date is:

Shareholder Name	Number of Common Shares Held	Percentage of Issued Common Shares
Compañía Minera Autlán, S.A.B. de C.V. ⁽¹⁾	16,370,215	85.77%

Note:

- (1) Compañía Minera Autlán, S.A.B. de C.V. (“**Autlan**”) holds an aggregate of 16,370,215 Common Shares of the Corporation. This company is controlled by José Antonio Rivero Larrea, a director of the Corporation, and together the percentage ownership of the Corporation is 85.77%. During 2017, the 16,370,215 common shares were purchased by Metallorum Holding, S.A.P.I. de C.V. – “Metallorum”) from Autlan. However, Autlan purchased Metallorum on September 15, 2018, with the control of these shares returning to Autlan.

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors than there are vacancies to fill, or another auditor is nominated, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or

appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

ELECTION OF DIRECTORS

The Articles of the Corporation provide that the number of directors of the Corporation will be a minimum of three and a maximum of ten. The term of office of each of the current directors will end at the conclusion of the Meeting. Unless the director's office is vacated earlier in accordance with the provisions of the *Business Corporations Act* (Yukon), each director elected will hold office until the conclusion of the next annual meeting of the Corporation, or if no director is then elected, until a successor is elected.

Advance Notice Provisions

As announced by news release dated and filed on SEDAR on May 16, 2014, the Board approved adoption of a new by-law ("**By-Law No. 2**") to include advance notice provisions (the "**Advance Notice Provisions**"). By-Law No. 2 was ratified and approved by the Corporation's shareholders on June 24, 2014.

The Advance Notice Provisions provide shareholders, directors and management of the Corporation with a clear framework for nominating directors for election. Among other things, the Advance Notice Provisions fix a deadline by which holders of Common Shares must submit director nominations to the Corporation prior to any annual or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Corporation for the notice to be in proper written form.

A copy of By-Law No. 2 as referred to in the news release, is available under the Corporation's SEDAR profile at www.sedar.com.

The Corporation has not received notice of a nomination in compliance with its By-Laws and, as such, any nominations other than nominations by or at the direction of the Board or an authorized officer of the Corporation will be disregarded at the Meeting.

Bankruptcies, Orders and Management Cease Trade Orders

Within the last 10 years before the date of this Management Proxy Circular no proposed nominee for election as a director of the Corporation was a director or executive officer of any company (including the Corporation in respect of which this Management Proxy Circular is prepared) acted in that capacity for a company that:

- (c) within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or has become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director;

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the board of directors of a corporation, whose members are elected by and are accountable to the shareholders of the corporation. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices; as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Corporation. A "material relationship" is a relationship which could, in the view of the Corporation's board, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board facilitates its independent supervision over management by conducting a quarterly review of the Corporation's financial statements and management discussion and analysis as well as requiring material transactions to be approved by the Board prior to the transaction taking place.

A majority of the Board is not independent. The independent member of the Board is James Robertson. The non-independent directors are José Antonio Rivero Larrea (Chairman of Autlan), Jose Antonio Rivero González (President and CEO of the Corporation, and a director of Autlan) and Horacio Alcocer (senior manager at Autlan).

Directorships

José Antonio Rivero Larrea is a director of Autlan, a reporting company listed on the Mexican Bolsa (“**BMV**”), a Mexican stock exchange.

José Antonio Rivero González is also a board member of Autlan.

James Robertson is a director of Newport Exploration Ltd. and Blackheath Resources Inc., both of which are reporting companies listed on the TSXV.

Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Corporation’s properties and on the responsibilities of directors.

Board meetings may also include presentations by the Corporation’s management and employees to give the directors additional insight into the Corporation’s business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Corporation’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors’ participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board’s duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Corporation, this policy will be reviewed.

Compensation

The Board determines compensation for the directors and Chief Executive Officer.

Other Board Committees

The Board has no committees other than the audit committee.

Assessments

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and the audit committee.

STATEMENT OF EXECUTIVE COMPENSATION

Named Executive Officers

In this section “Named Executive Officer” (“**NEO**”) means the Chief Executive Officer (“**CEO**”), the Chief Financial Officer (“**CFO**”) and each of the three most highly compensated executive officers, other than the CEO and CFO, who were serving as executive officers at the end of the most recently completed fiscal year of December 31, 2018, and whose total salary and bonus exceeds \$150,000 as well as any additional individuals for whom disclosure would have been provided except that the individual was not serving as an officer of the Corporation at the end of the most recently completed financial year end. Under applicable laws José Antonio Rivero González, CEO, Salvador Miranda, CFO and Eric Jurgensen, former CEO, are the NEOs of the Corporation for the period ended December 31, 2018.

The following disclosure sets out the compensation that the Board intended to pay, make payable, award, grant give or otherwise provide to each NEO for the Corporation’s three most recently completed

financial years ended December 31st. The compensation was paid to the NEOs in Canadian dollars.

Compensation Discussion and Analysis

The Board has not appointed a compensation committee and the responsibilities relating to executive and director compensation, including reviewing and recommending director compensation, overseeing the Corporation's base compensation structure and equity-based compensation program, recommending compensation of the Corporation's officers and employees, and evaluating the performance of officers generally and in light of annual goals and objectives, is performed by the Board as a whole.

The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Corporation's senior management. The Board reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity.

The Board has not considered the implications of the risks associated with the Corporation's compensation program.

The Corporation intends to formalize its compensation policies and practices and will take into consideration the implications of the risks associated with the Corporation's compensation program and how it might mitigate those risks. The Corporation is a junior natural resource issuer whose shares are listed on the NEX. The Corporation's principal objective is to identify potential mineral property transactions as a means to enhance shareholder value. In this context, the Corporation has a modest management team consisting of the CEO and CFO, who are retained on a consulting contract basis, supplemented where necessary by members of the Board. The Corporation's compensation scheme is designed to reward the NEOs for meeting the Corporation's principal objective while maintaining its status as a reporting issuer, and consists of three elements – a base salary, incentive stock options, and bonus compensation.

The CEO's compensation was determined by negotiation between the CEO and the majority shareholder of the Corporation, subject to the approval of the Board. The CFO's compensation was established by the CEO subject to the approval of the Board. The base salary element of compensation is designed to ensure the Corporation is able to retain qualified individuals to act as its CEO and CFO, and was established by arm's length negotiation with the NEOs. The Corporation grants stock options to the NEOs as a means of aligning management interests with those of the Corporation's shareholders.

Option-Based Awards

The only equity compensation plan which the Corporation has in place is its share option plan dated for reference June 27, 2011, (the "**Plan**"). The Plan was established to provide incentive to qualified parties to increase their proprietary interest in the Corporation and thereby encourage their continuing association with the Corporation. The Plan is administered by the Board. The Plan provides that options will be issued to directors, officers, employees or consultants of the Corporation or a subsidiary of the Corporation. The Plan provides that the number of Common Shares issuable under the Plan, together with all of the Corporation's other previously established or proposed share compensation arrangements, may not exceed 10% of the total number of issued and outstanding Common Shares. All options expire on a date not later than ten years after the date of grant of such option. Vesting is determined by the Board.

Option grants are made at the discretion of the Board, subject to availability within the Corporation's option pool. The Corporation has traditionally granted the maximum number of options available based upon the recommendations of management and subject to the approval of the Board. See disclosure under heading "*Particulars of Other Matters to be Acted upon – Continuation of Share Option Plan*".

As at May 10, 2019, there were 19,085,071 Common Shares issued and outstanding. Accordingly, under the Plan the Corporation has the authority to grant options to purchase up to a total of 1,908,507 Common Shares. No options were issued and outstanding as at the date of this Information Circular.

A copy of the Plan is available under the SEDAR profile of the Corporation at www.sedar.com and a printed copy will be available for inspection at the Meeting.

The Plan is subject to the following restrictions:

- (a) The Corporation must not grant an option to a director, employee, consultant, or consultant company (the “**Service Provider**”) in any 12-month period that exceeds 5% of the outstanding shares, unless the Corporation has obtained by a majority of the votes cast by the shareholders of the Corporation eligible to vote at a shareholders’ meeting, excluding votes attaching to shares beneficially owned by Insiders and their Associates (“**Disinterested Shareholder Approval**”);

- (e) The exercise price of an option previously granted to an Insider must not be reduced, unless the Corporation has obtained Disinterested Shareholder Approval to do so.

Material Terms of the Plan

- (b) Options granted under the Plan are non-assignable and non-transferable and are issuable for a period of up to 10 years;
- (c) For options granted to Service Providers, the Corporation must ensure that the proposed Optionee is a bona fide Service Provider of the Corporation or its affiliates;
- (d) An Option granted to any Service Provider will expire within one year (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Corporation, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Corporation;

- (v) make such amendments as may otherwise be permitted by the TSXV Policies;
- (vi) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSXV, make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (vii) amend the Plan to reduce the benefits that may be granted to Service Providers.

Shareholder Approval

At the Meeting shareholders will be asked to consider and vote on the ordinary resolution to ratify and confirm the Plan, with or without variation, as follows:

“RESOLVED that the Corporation’s 10% rolling Share Option Plan, dated for reference June 27, 2011, be and is hereby ratified and confirmed until the next annual meeting of the Corporation.”
