During the Commitment Period, subject to the terms and conditions hereof, each Lender severally agrees to make Loans to the Borrower, denominated in Dollars, in an aggregate amount up to but not exceeding Lender's Loan Commitment. Amounts borrowed pursuant to this Section 2.1(a) may be repaid and reborrowed during the Commitment Period. Lenders' Loan Commitments shall expire on the Maturity Date. All Loans and all other Obligations owed hereunder or under the other Credit Documents with respect to the Loans and the Loan Commitments shall be paid in full no later than the Maturity Date.
- (b) Increase in DB FSLF Loan Commitment. During the Commitment Period, the Borrower may, by written notice to the Administrative Agent (an "**Increase Notice**"), request that DB FSLF increase its Loan Commitment by an aggregate amount not to exceed \$10,000,000. Upon receipt of such Increase Notice, the Administrative Agent shall promptly notify DB FSLF of such request and forward to DB FSLF a copy of the Increase Notice. If DB FSLF, in its sole and absolute discretion, agrees to increase its Loan Commitment, DB FSLF shall notify the Administrative Agent of such agreement, following which the Administrative Agent shall forthwith notify the Borrower. Upon the Borrower receiving such notification from the Administrative Agent, the Borrower shall pay to the Administrative Agent, for the benefit of DB FSLF a commitment fee of \$100,000. Upon receipt by DB FSLF of such fee, the Loan Commitment of DB FSLF shall be increased by \$10,000,000 and the Loan Commitments shall be increased accordingly. If DB FSLF fails to notify the Administrative Agent of its agreement to increase its Loan Commitment within 15 Business Days of receiving the Increase Notice from the Administrative Agent, DB FSLF shall be deemed to have elected not to increase its Loan Commitment.
- (c) Borrowing Mechanics for Loans.
- (i) Loans shall be made in an aggregate minimum amount of \$250,000.
- (ii) No more than one Credit Date shall occur during any one week period, provided that two Credit Dates may occur during any one week period once per calendar month.
- (iii) Whenever the Borrower desires that Lenders make Loans, the Borrower shall deliver to the Administrative Agent a fully executed and delivered Funding Notice no later than 10:00 a.m. at least two Business Days in advance of the proposed Credit Date. Except as otherwise provided herein, a Funding Notice shall be irrevocable and the Borrower shall be bound to make a borrowing in accordance therewith.
- (iv) Notice of receipt of each Funding Notice in respect of Loans, together with the amount of each Lender's Pro Rata Share thereof, if any, together with the applicable interest rate, shall be provided by the Administrative Agent to each

applicable Lender by telefacsimile with reasonable promptness, but (provided the Administrative Agent shall have received such notice by 10:00 a.m.) not later than 2:00 p.m. on the same day as the Administrative Agent's receipt of such Notice from the Borrower.

- (v) Each Lender shall make the amount of its Loan available to the Administrative Agent not later than 12:00 p.m. on the applicable Credit Date by wire transfer of same day funds in Dollars at the Administrative Agent's Principal Office. Except as provided herein, upon satisfaction or waiver of the conditions precedent specified herein, the Administrative Agent shall make the proceeds of such Loans available to the Borrower on the applicable Credit Date by causing an amount of same day funds in Dollars equal to the proceeds of all such Loans received by the Administrative Agent from Lenders to be credited to the account of the Borrower as may be designated in writing to the Administrative Agent by the Borrower.
- (vi) For certainty all amounts outstanding under the Existing Credit Agreement immediately prior to the date hereof shall continue to be outstanding Loans under this Agreement owing by the Borrower as of and after the date hereof.

2.2. Pro Rata Shares.

All Loans shall be made by the Lenders on the applicable Credit Date simultaneously and proportionately to their respective Pro Rata Shares, it being understood that no Lender shall be responsible for any default by any other Lender in such other Lender's obligation to fund its Pro Rata Share of any Loan nor shall any Commitment of any Lender be increased or decreased as a result of such a default by any other Lender.

2.3. Use of Proceeds.

The proceeds of the Loans advanced on the Closing Date shall be used to repay Existing Indebtedness. The proceeds of the Loans advanced after the Closing Date shall be applied by the Borrower to fund Originating Subsidiary Loans pursuant to the Originating Subsidiary Loan Agreements and for general working capital. No portion of the proceeds of any Loan shall be used in any manner that causes any Loan or the application of such proceeds to violate Regulation T, Regulation U or Regulation X of the Board of Governors of the Federal Reserve System or any other regulation thereof or to violate the Exchange Act.

2.4. Register.

- (a) Register. The Administrative Agent shall maintain at its Principal Office a register for the recordation of the names and addresses of the Lenders, the Loan Commitments, and the Loans from time to time (the "**Register**"). The Register shall be available for inspection by the Borrower or any Lender at any reasonable time and from time to time upon reasonable prior notice to the Administrative Agent. The Administrative Agent shall record in the Register the Loan Commitments and the Pro Rata Share of the Loans of each Lender, and each repayment or prepayment (if any) in respect of the principal amount of each Loan, and any such recordation shall be conclusive and binding on the Borrower and each Lender, absent manifest error; provided, failure to make any such

recording, or any error in such recording, shall not affect the Loan Commitments or the Borrower's Obligations in respect of any Loan. The Borrower hereby designates the entity serving as the Administrative Agent to serve as the Borrower's agent solely for purposes of maintaining the Register as provided in this Section 2.4, and the Borrower hereby agrees that, to the extent such entity serves in such capacity, the entity serving as the Administrative Agent and its officers, directors, employees, agents and affiliates shall constitute "**Indemnitees**".

- (b) Notes. If so requested by any Lender prior to the Closing Date, or upon two (2) Business Days prior written notice at any time after the Closing Date, the Borrower shall execute and deliver to such Lender on the Closing Date (or, if such notice is delivered after the Closing Date, promptly after the Borrower's receipt of such notice) a Note or Notes, as so requested, to evidence such Lender's share of the Loans.

2.5. Interest on Loans.

- (a) Except as otherwise set forth herein, the Loans shall bear interest on the Outstanding Amount from the date made through repayment (whether by acceleration or otherwise) at the Interest Rate.
- (b) Interest payable pursuant to Section 2.5(a) shall be computed on the basis of a 360-day year, in each case for the actual number of days elapsed in the period during which it accrues. In computing interest on a Loan, the Credit Date or the first day of an Interest Period applicable to such Loan shall be included, and the date of payment of such Loan or the expiration date of an Interest Period applicable to such Loan shall be excluded.
- (c) For the purposes of determining the interest payable pursuant to Section 2.5(a), the Outstanding Amount of the Loans shall be deemed to be the greater of the actual Outstanding Amount and the Applicable Deemed Balance.
- (d) Except as otherwise set forth herein, interest on the Loans shall be payable in arrears on (i) each Settlement Date with respect to the related Interest Period; and (ii) with respect to any prepayment in whole or in part of any Loan, whether voluntary or mandatory, upon such prepayment in an amount equal to the interest accrued and unpaid on the amount so prepaid to the date of prepayment.
- (e) For purposes of disclosure pursuant to the *Interest Act* (Canada), the annual rates of interest or fees to which the rates of interest or fees provided in this Agreement and the other Credit Documents (and stated herein or therein, as applicable, to be computed on the basis of a 360 day year or any other period of time less than a calendar year) are equivalent are the rates so determined multiplied by the actual number of days in the applicable calendar year and divided by 360 or the actual number of days in such other period of time, respectively. Company and each Guarantor confirms that each of them understands and is able to calculate the rate of interest based on the methodology for calculating per annum rates provided in this Agreement. Company and each Guarantor agrees not to plead or assert, whether by way of defence or otherwise, in any proceeding relating to this Agreement, or any related document that the interest payable thereunder

and the calculation thereof has not been adequately disclosed to Company or such Guarantor as required pursuant to section 4 of the *Interest Act* (Canada) or any other applicable law.

2.6. Default Interest.

Upon the occurrence and during the continuance of an Event of Default, to the extent not prohibited by applicable law, the principal amount of the Loans outstanding and any interest payments on the Loans or any fees or other amounts owed hereunder, shall thereafter bear interest (including post-petition interest in any proceeding under applicable Debtor Relief Laws) payable on demand at a rate that is 5% per annum in excess of the Interest Rate otherwise payable hereunder with respect to the Loans until no Event of Default is then continuing. Payment or acceptance of the increased rates of interest provided for in this Section 2.6 is not a permitted alternative to timely payment and shall not constitute a waiver of any Event of Default or otherwise prejudice or limit any rights or remedies of the Administrative Agent or any Lender.

2.7. Fees.

- (a) The Borrower shall pay to the Lead Arranger the Upfront Fee on or before the Closing Date.
- (b) On each Settlement Date, the Borrower shall pay to the Administrative Agent for the ratable benefit of the Lenders the Unused Fee in respect of the related Interest Period.

2.8. Call Protection.

- (a) Prior to the Maturity Date, the Borrower shall not prepay any Loan (in whole or in part), other than pursuant to Section 2.9(a), 2.9(b), 2.11, 2.12 and this Section 2.8(a). Prior to the Maturity Date, the Borrower may prepay all, but not less than all, of the Loans upon payment to the Administrative Agent, for the benefit of all Lenders, of a prepayment premium equal to the amount of Loan Commitments as at the date of such prepayment, multiplied by (i) the Interest Rate in effect for the Interest Period during which such prepayment is made, multiplied by a fraction (ii) the numerator of which is the number of days between the date of such prepayment and the Maturity Date, and the denominator of which is 360.
- (b) Other than prepayments made pursuant to Sections 2.9(a), 2.9(b) or 2.11, the prepayment premium payable by the Borrower under this Section 2.8 shall be payable in respect of any repayment or prepayment by the Borrower; provided that no such premium shall be payable in respect of a repayment made pursuant to Section 2.9(c) that arises solely as a result of the occurrence of an Event of Default described in Section 7.1(f) or Section 7.1(p). The Borrower agrees that any amount payable under this Section 2.8 is a reasonable calculation of Lenders' lost profits in view of the difficulties and impracticality of determining actual damages resulting from an early repayment of the Loans.

2.9. Mandatory Prepayments.

- (a) Outstanding Amount. The Borrower shall from time to time prepay the Loans to the extent necessary to ensure that the Outstanding Amount shall not at any time exceed the Borrowing Base.
- (b) Tax Refunds. On the date of receipt by any Credit Party of any tax refunds, the Borrower shall prepay the Loans an amount equal to such tax refunds.
- (c) Acceleration. The Borrower shall repay the Loans and all other Obligations upon demand in accordance with Section 7.1.
- (d) Prepayment Certificate. Concurrently with any prepayment of the Loans pursuant to this Section 2.9, the Borrower shall deliver to the Administrative Agent a certificate of an Authorized Officer of the Borrower demonstrating the calculation of the amount of the applicable net proceeds.

2.10. Loan Account and Collection Accounts.

- (a) From and after the Closing Date, the Borrower shall have caused to be established and shall maintain, deposit accounts at a Collection Account Bank in the name of the Borrower and/or the applicable Originating Subsidiary, each designated as a Collection Account and each subject to either an Account Control Agreement (without trigger) or an Account Control Agreement (with trigger) (each, a “**Collection Account**”). From and after the Closing Date, the Borrower shall have caused to be established and shall maintain a deposit account at the Loan Account Bank in the name of the Borrower designated as the Loan Account and subject to an Account Control Agreement (without trigger) (the “**Loan Account**”).
- (b) All interest earned from deposits in the Collection Accounts or the Loan Account shall be applied in accordance with Section 2.11 or Section 2.12, as the case may be. As between the Borrower, the Originating Subsidiaries and the Collateral Agent, the Borrower and the applicable Originating Subsidiary, as the case may be, shall treat all interest earned from deposits in the Collection Accounts and the Loan Account as its income for federal, state, provincial, territorial, and local income tax purposes.
- (c) The Account Control Agreement (without trigger) in respect of each Collection Account subject thereto will provide that all funds in such Collection Account will be swept daily into the Loan Account.

2.11. Application of Collections.

To the extent no Event of Default has occurred and is continuing, the Collateral Agent will instruct the Loan Account Bank, on each Settlement Date during the Commitment Period, to transfer all Collections for the related Collection Period held by the Loan Account Bank in the Loan Account, in the following amounts and priority in accordance with the Period Report:

- (a) on a *pari passu* basis, (1) to the Loan Account Bank, if due, the Loan Account Bank Fees accrued and unpaid as of the last day of the related Collection Period, and (2) to the Collection Account Bank, if due, the Collection Account Bank Fees accrued and unpaid as of the last day of the related Collection Period, (3) to the Backup Servicer, if due, the Backup Servicing Fees and reimbursable expenses (including, without limitation, any transition costs) of the Backup Servicer accrued and unpaid as of the last day of the related Collection Period, if any;
- (b) to the Administrative Agent, to pay any costs or fees due to the Administrative Agent or the Collateral Agent pursuant to this Agreement or any other Credit Document;
- (c) to the Administrative Agent, for the ratable benefit of the Lenders, to pay any accrued but unpaid interest, fees and expenses in connection with this Agreement and any other Credit Document;
- (d) to the Administrative Agent, for the ratable benefit of the Lenders, to pay any amounts due and unpaid pursuant to Section 2.1(a), Section 2.8 or Section 2.9; and
- (e) to the Borrower, or as it may otherwise direct, for its own account.

2.12. Payments During an Event of Default.

On each Settlement Date occurring during the continuance of an Event of Default (a) all payments made hereunder and under the other Credit Documents (including in respect of proceeds from any Collateral) and (b) all amounts on deposit in the Loan Account and any income and gains from investment of funds in the Loan Account shall be applied by the Loan Account Bank at the written direction of the Collateral Agent as follows:

- (a) First, to the payment of, and in the same priority as, items (a) through (d) in Section 2.11;
- (b) Second, to the Administrative Agent, for the ratable benefit of the Lenders, to reduce the Outstanding Amount to zero; and
- (c) Third, to the Borrower, any remaining amounts.

2.13. General Provisions Regarding Payments.

- (a) All payments by the Borrower of principal, interest, fees and other Obligations shall be made in Dollars in immediately available funds, without defense, recoupment, setoff or counterclaim, free of any restriction or condition, and delivered to the Administrative Agent, for the account of the Lenders, not later than 3:00 p.m. on the date due via wire transfer of immediately available funds to the Payment Account; funds not so received by the Administrative Agent at or before that time on such due date shall only be deemed to have been received by the Administrative Agent on the later of (i) the time such funds become available funds, and (ii) the applicable next Business Day (except to the extent such delay in payment results solely from the Loan Account Bank's failure to distribute funds on deposit in the Loan Account and available for distribution as of 3:00 p.m. on such Business Day in accordance with Section 2.11 or Section 2.12). Interest shall

continue to accrue on any principal as to which a non-conforming payment is made until such funds become available funds (but in no event less than the period from the date of such payment to the next succeeding applicable Business Day) at the Default Rate determined pursuant to Section 2.6 (if applicable) from the date such amount was due and payable until the date such amount is paid in full.

- (b) All payments in respect of the principal amount of the Loans shall be accompanied by payment of accrued interest on the principal amount being repaid or prepaid.
- (c) The Administrative Agent shall promptly distribute to each Lender at such address or via wire transfer as such Lender shall indicate in writing, such Lender's applicable Pro Rata Share of all payments and prepayments of principal and interest due hereunder, together with all other amounts due with respect thereto, including, without limitation, all fees payable with respect thereto, to the extent received by the Administrative Agent.
- (d) Whenever any payment to be made hereunder shall be stated to be due on a day that is not a Business Day, such payment shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder.
- (e) The Administrative Agent shall give prompt telephonic notice to the Borrower and each Lender (confirmed in writing) if any payment is not made in conformity with this Section 2.12.

2.14. Ratable Sharing.

The Lenders hereby agree among themselves that, except as otherwise provided in the Credit Documents, with respect to amounts realized from the exercise of rights with respect to Liens on the Collateral, if any of them shall, whether by voluntary payment (other than a voluntary prepayment of the Loans made and applied in accordance with the terms hereof), through the exercise of any right of set-off, consolidation, or banker's lien, by counterclaim or cross action or by the enforcement of any right under the Credit Documents or otherwise, or as adequate protection of a deposit treated as cash collateral under Debtor Relief Laws, receive payment or reduction of a proportion of the aggregate amount of principal, interest, fees and other amounts then due and owing to such Lender hereunder or under the other Credit Documents (collectively, the "**Aggregate Amounts Due**" to such Lender) which is greater than the proportion received by any other Lender in respect of the Aggregate Amounts Due to such other Lender, then the Lender receiving such proportionately greater payment shall (a) notify the Administrative Agent and each other Lender of the receipt of such payment and (b) apply a portion of such payment to purchase participations (which it shall be deemed to have purchased from each seller of a participation simultaneously upon the receipt by such seller of its portion of such payment) in the Aggregate Amounts Due to the other Lenders so that all such recoveries of Aggregate Amounts Due shall be shared by all Lenders in their proportions of Aggregate Amounts Due; provided, if all or part of such proportionately greater payment received by such purchasing Lender is thereafter recovered from such Lender upon the bankruptcy or reorganization of any Credit Party or otherwise, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to such purchasing Lender ratably to the extent of such recovery,

but without interest. The Credit Parties expressly consent to the foregoing arrangement and agree that any holder of a participation so purchased may exercise any and all rights of banker's lien, consolidation, setoff or counterclaim with respect to any and all monies owing by any Credit Party to that holder with respect thereto as fully as if that holder were owed the amount of the participation held by that holder.

2.15. Making or Maintaining Loans.

- (a) Inability to Determine Applicable Interest Rate. In the event that the Administrative Agent shall have determined (which determination shall be final and conclusive and binding upon all parties hereto), on any Interest Rate Reset Date with respect to any Loan, that by reason of circumstances affecting the London interbank market adequate and fair means do not exist for ascertaining Adjusted LIBOR on the basis provided for in the definition of Adjusted LIBOR, the Administrative Agent shall on such Interest Rate Reset Date give notice (by telefacsimile or by telephone confirmed in writing) to the Borrower and each Lender of such determination, whereupon Adjusted LIBOR shall be deemed equal to the Federal Funds Rate in effect from time to time.
- (b) Compensation for Breakage or Non-Commencement of Interest Periods. The Borrower shall compensate each Lender, upon written request by such Lender (which request shall set forth the basis for requesting such amounts), for all reasonable losses, expenses and liabilities (including any interest paid or calculated to be due and payable by such Lender to lenders of funds borrowed by it to make or carry its Loans and any loss, expense or liability sustained by such Lender in connection with the liquidation or re-employment of such funds but excluding loss of anticipated profits) which such Lender would sustain: (i) if for any reason (other than a default by such Lender) a borrowing of any Loan does not occur on the related Credit Date; (ii) if any prepayment or other principal payment of any of its Loans occurs on any day other than a Settlement Date (whether voluntary, mandatory, automatic, by reason of acceleration, or otherwise); or (iii) if any prepayment of any of its Loans is not made on any date specified in a notice of prepayment given by the Borrower.
- (c) Assumptions Concerning Funding Loans. Calculation of all amounts payable to a Lender under this Section 2.15 and under Section 2.16 shall be made as though such Lender had actually funded each of its relevant Loans through the purchase of a deposit bearing interest at Adjusted LIBOR in an amount equal to the amount of such Loan and having a maturity comparable to the relevant Interest Period; provided, however, each Lender may fund each of its Loans in any manner it sees fit and the foregoing assumptions shall be utilized only for the purposes of calculating amounts payable under this Section 2.15 and under Section 2.16.

2.16. Increased Costs; Capital Adequacy.

- (a) Compensation For Increased Costs and Taxes. Subject to the provisions of Section 2.17 (which shall be controlling with respect to the matters covered thereby), in the event that any Lender shall determine (which determination shall, absent manifest error, be final and conclusive and binding upon all parties hereto) that any law, treaty or governmental

rule, regulation or order, or any change therein or in the interpretation, administration or application thereof (including the introduction of any new law, treaty or governmental rule, regulation or order), or any determination of a Governmental Authority, in each case that becomes effective after the date hereof, or compliance by such Lender with any guideline, request or directive issued or made after the date hereof by any Governmental Authority (whether or not having the force of law): (i) subjects such Lender (or its applicable lending office) to any additional Tax (other than any Tax on the overall net income of such Lender) with respect to this Agreement or any of the other Credit Documents or any of its obligations hereunder or thereunder or any payments to such Lender (or its applicable lending office) of principal, interest, fees or any other amount payable hereunder; (ii) imposes, modifies or holds applicable any reserve (including any marginal, emergency, supplemental, special or other reserve), special deposit, compulsory loan, FDIC insurance or similar requirement against assets held by, or deposits or other liabilities in or for the account of, or advances or loans by, or other credit extended by, or any other acquisition of funds by, any office of such Lender (other than any such reserve or other requirements); or (iii) imposes any other condition (other than with respect to a Tax matter) on or affecting such Lender (or its applicable lending office) or its obligations hereunder; and the result of any of the foregoing is to increase the cost to such Lender of agreeing to make, making or maintaining any Loan hereunder or to reduce any amount received or receivable by such Lender (or its applicable lending office) with respect thereto (a “**Cost Increase Event**”); then, in any such case, the Borrower shall pay to such Lender within ten (10) Business Days of receipt of the statement referred to in the next sentence, such additional amount or amounts (in the form of an increased rate of, or a different method of calculating, interest or otherwise as such Lender in its sole discretion shall determine) as may be necessary to compensate such Lender for any such increased cost or reduction in amounts received or receivable hereunder; provided that (i) the related Cost Increase Event occurred within the 90 day period preceding the date on which the Borrower received such statement, or (ii) the Cost Increase Event has retroactive effects to a date prior to such 90 day period but the Borrower received such statement within 90 days of the occurrence of the Cost Increase Event. Such Lender shall deliver to the Borrower (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.16(a), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

- (b) Capital Adequacy Adjustment. In the event that any Lender shall have determined that the adoption, effectiveness, phase-in or applicability after the Closing Date of any law, rule or regulation (or any provision thereof) regarding capital adequacy, or any change therein or in the interpretation or administration thereof by any Governmental Authority charged with the interpretation or administration thereof, or compliance by any Lender (or its applicable lending office) with any guideline, request or directive regarding capital adequacy (whether or not having the force of law) of any such Governmental Authority, has or would have the effect of reducing the rate of return on the capital of such Lender or any corporation controlling such Lender as a consequence of, or with reference to, any Loan or such Lender’s Loan Commitment or participations therein or other obligations hereunder with respect to any Loan to a level below that which such Lender or such controlling corporation could have achieved but for such adoption, effectiveness, phase-

in, applicability, change or compliance (taking into consideration the policies of such Lender or such controlling corporation with regard to capital adequacy), (a “**Capital Adequacy Adjustment Event**”) then from time to time, within ten (10) Business Days after receipt by the Borrower from such Lender of the statement referred to in the next sentence, the Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such controlling corporation on an after-tax basis for such reduction; provided that (i) the related Capital Adequacy Adjustment Event occurred within the 90 day period preceding the date on which the Borrower received such statement, or (ii) the Capital Adequacy Adjustment Event has retroactive effects to a date prior to such 90 day period but the Borrower received such statement within 90 days of the occurrence of the Capital Adequacy Adjustment Event. Such Lender shall deliver to the Borrower (with a copy to the Administrative Agent) a written statement, setting forth in reasonable detail the basis for calculating the additional amounts owed to such Lender under this Section 2.16(b), which statement shall be conclusive and binding upon all parties hereto absent manifest error.

- (c) Dodd-Frank. For greater certainty, notwithstanding anything herein to the contrary, the Dodd-Frank Wall Street Reform and Consumer Protection Act, and all requests, rules, guidelines or directives promulgated thereunder shall be deemed to be a law that becomes effective after the Closing Date, regardless of the date enacted or adopted.
- (d) Basel III Framework. For greater certainty, notwithstanding anything herein to the contrary, all laws, regulations, rules, directives and guidelines attributable to the implementation or application of the Basel III Framework shall be deemed to be a law that becomes effective after the Closing Date, regardless of the date enacted or adopted. In this Agreement, “**Basel III Framework**” means the global regulatory standards on bank capital adequacy and liquidity referred to by the Basel Committee on Banking Supervision (“**BCBS**”) as “**Basel III**” or the “**Basel III Framework**” published in December 2010, together with any further guidance or standards in relation to “**Basel III**” or the “**Basel III Framework**” published or to be published by the BCBS.
- (e) Borrower Rights. If any Lender demands payment with respect to amounts owed under Section 2.16(a) or (b), the Borrower shall have the right, if no Default or Event of Default has occurred and is then continuing, within ninety (90) days after receipt of such demand, to remove such Lender (the “**Affected Person**”) and to designate another lender (the “**Replacement Person**”) reasonably acceptable to the Administrative Agent to purchase the Affected Person’s outstanding Pro Rata Share of the Loans and to assume the Affected Person’s obligations under this Agreement; *provided* that increased costs incurred by such Lender prior to the date of its replacement shall have been paid as provided herein. The Affected Person agrees to sell to the Replacement Person its Pro Rata Share in the Loans (at par, with accrued interest through the date of purchase, in immediately available funds) and to delegate to the Replacement Person its obligations to the Borrower under this Agreement. Upon such sale and delegation by the Affected Person and the purchase and assumption by the Replacement Person, and compliance with the provisions of Section 10.6 hereof, the Affected Person shall cease to be a Lender hereunder and the Replacement Person shall become a Lender under this Agreement. Each Affected Person shall continue to be entitled to receive from the Borrower its share

of interest, fees, costs and other sums which have not been assigned by the Affected Person to the Replacement Person.

2.17. Taxes; Withholding, etc.

- (a) Payments to Be Free and Clear. All sums payable by each Credit Party hereunder and under the other Credit Documents shall (except to the extent required by applicable law) be paid free and clear of, and without any deduction or withholding on account of, any Tax (other than a Tax on the overall net income of any Lender) imposed, levied, collected, withheld or assessed by or within Canada or any political subdivision in or of Canada or any other jurisdiction from or to which a payment is made by or on behalf of any Credit Party or by any federation or organization of which Canada or any such jurisdiction is a member at the time of payment.
- (b) Withholding of Taxes. If the Borrower or any other Person is required by law to make any deduction or withholding on account of any such Tax from any sum paid or payable by any Credit Party in respect of interest paid or payable by any Credit Party to the Administrative Agent or any Lender under any of the Credit Documents: (i) such Credit Party shall notify the Administrative Agent as soon as practicable of any such requirement or any change in any such requirement as soon as such Credit Party becomes aware of it; (ii) such Credit Party shall pay any such Tax before the date on which penalties attach thereto, such payment to be made (if the liability to pay is imposed on any Person) for its own account or (if that liability is imposed on the Administrative Agent or such Lender, as the case may be) on behalf of and in the name of the Administrative Agent or such Lender; (iii) the sum payable by such Credit Party in respect of which the relevant deduction, withholding or payment is required shall be increased to the extent necessary to ensure that, after the making of that deduction, withholding or payment, the Administrative Agent or such Lender, as the case may be, receives on the due date a net sum equal to what it would have received had no such deduction, withholding or payment been required or made; and (iv) within thirty (30) days (or as soon as practicable thereafter) after paying any sum from which it is required by law to make any deduction or withholding, and within thirty (30) days (or as soon as practicable thereafter) after the due date of payment of any Tax which it is required by clause (ii) above to pay, such Credit Party shall use commercially reasonable efforts to deliver to the Administrative Agent evidence satisfactory to the other affected parties of such deduction, withholding or payment and of the remittance thereof to the relevant taxing or other authority.
- (c) Payment of Taxes. The Borrower agrees to pay any Tax (other than a Tax on the overall net income of any Agent, Lender or other Secured Party) that arise from any payment made under any of the Credit Documents or from the execution, sale, transfer, delivery or registration of, or otherwise with respect to, any of the Credit Documents. The Borrower hereby indemnifies each Agent, Lender and other Secured Party for the full amount of any Tax (other than Taxes on the overall net income of such Agent, Lender or Secured Party) paid by such Agent, Lender or other Secured Party and any liability (including penalties, interest and expenses) arising therefrom or with respect thereto, whether or not such Tax was correctly or legally asserted.

- (d) Notice; Mitigation. In the event the Borrower has actual knowledge that it is required to, or there arises, in the Borrower's reasonable opinion, a substantial likelihood that the Borrower will be required to, pay an increased amount or otherwise indemnify such Lender for or on account of any Taxes pursuant to Section 2.17(b), the Borrower shall promptly notify such Lender of the nature of such Taxes and shall furnish such information to such Lender as it may reasonably request. In the event the Borrower provides the notice described in the previous sentence, such Lender shall consult with the Borrower in good faith to determine what action may be required to avoid or reduce such Taxes and shall use reasonable efforts to avoid or reduce such Taxes, *provided* that no action shall be required to be taken that would be disadvantageous to such Lender and would result in significantly increased cost to such Lender.
- (e) Confirmation of Tax Status. If requested by the Borrower, each Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and the Administrative Agent executed originals of any form prescribed by applicable law as a basis for claiming exemption from or a reduction in Canadian federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

In order to induce the Agents and the Lenders to enter into this Agreement and to make Loans to be made hereby, the Credit Parties represent and warrant, to each Agent and each Lender, on and as of each Certification Date, that the following statements are true and correct:

4.1. Organization; Requisite Power and Authority; Qualification; Other Names.

business and is in good standing in every jurisdiction wherever necessary to carry out its business.

4.2. Capital Stock and Ownership.

The Borrower owns all of the outstanding and issued Capital Stock of the Originating Subsidiaries. There is no existing option, warrant, call, right, commitment or other agreement requiring, and there is no Capital Stock of any Credit Party outstanding which upon conversion or exchange would require, the issuance by any Credit Party of Capital Stock of any Credit Party of other Securities convertible into, exchangeable for or evidencing the right to subscribe for or purchase, Capital Stock of any Credit Party. The Parent owns all of the outstanding and issued Capital Stock of the Borrower.

4.3. Due Authorization.

4.4. No Conflict.

4.5. Governmental Consents.

The execution, delivery and performance by each Credit Party of the Credit Documents to which it is a party and the consummation of the transactions contemplated by the Credit Documents do not and will not require any registration with, consent or approval of, or notice to, or other action to, with or by, any Governmental Authority, except for filings and recordings with respect to the Collateral to be made, or otherwise delivered to the Collateral Agent for filing and/or recordation, as of or after the Closing Date.

4.6. Binding Obligation.

Each Credit Document and Related Agreement to which any Credit Party is a party has been duly executed and delivered by such Credit Party and is the legally valid and binding obligation of such Credit Party and is in full force and effect, enforceable against such Credit Party in

4.7. Receivables

Each Receivable is a bona fide existing payment obligation of an Obligor, owed to the applicable Originating Subsidiary without defences, disputes, offsets, counterclaims, or rights of return or cancellation. Each Receivable intended by the Borrower to be included as an Eligible Receivable satisfies the Eligibility Criteria.

4.8. Adverse Proceedings, etc.

There are no Adverse Proceedings pending, individually or in the aggregate, related to any Credit Party or related to the Receivables, that in each case could reasonably be expected to have a Material Adverse Effect. No Credit Party is (a) in violation of any applicable laws that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect, or (b) subject to or in default with respect to any final judgments, writs, injunctions, decrees, rules or regulations of any court or any Governmental Authority that, individually or in the aggregate, could reasonably be expected to have a Material Adverse Effect.

4.9. Payment of Taxes.

Except as otherwise permitted under Section 5.3, all tax returns and reports of each Credit Party required to be filed have been timely filed, and all Taxes shown on such tax returns to be due and payable and all assessments, fees and other governmental charges upon any Credit Party and upon its properties, assets, income, businesses and franchises which are due and payable have been paid when due and payable. No Credit Party knows of any proposed Tax assessment against it which is not being actively contested by it in good faith and by appropriate proceedings; provided, such reserves or other appropriate provisions, if any, as shall be required in conformity with GAAP shall have been made or provided therefor.

4.10. Title to Assets.

Each of the Originating Subsidiaries has good and valid title to the Receivables purported to be owned by it, free and clear of Liens other than Permitted Liens.

4.11. No Indebtedness.

No Credit Party has any Indebtedness, other than Indebtedness incurred under (or contemplated by) the Credit Documents or otherwise permitted hereunder.

4.12. No Defaults.

No Credit Party is in default in the performance, observance or fulfillment of any of the obligations, covenants or conditions contained in any of its Contractual Obligations, and to the knowledge of each Credit Party no condition exists which, with the giving of notice or the lapse of time or both, could constitute such a default, except where, (a) such defaults have been

waived, or (b) individually or in the aggregate, the consequences, direct or indirect, of such default or defaults, if any, could not reasonably be expected to have a Material Adverse Effect.

4.13. Governmental Regulation.

No Credit Party is subject to regulation under the Investment Company Act of 1940 or under any other federal or state statute or regulation which may limit its ability to incur Indebtedness or which may otherwise render all or any portion of the Obligations unenforceable. No Credit Party is a “**registered investment company**” or a company “**controlled**” by a “**registered investment company**” or a “**principal underwriter**” of a “**registered investment company**” as such terms are defined in the Investment Company Act of 1940.

4.14. Margin Stock.

No Credit Party is engaged in the business of extending credit for the purpose of purchasing or carrying any Margin Stock. No part of the proceeds of the Loans made to the Borrower will be used directly or indirectly to purchase or carry any such Margin Stock, for the purpose of reducing or retiring any Indebtedness which was originally incurred to purchase or carry Margin Stock, to extend credit to others for the purpose of purchasing or carrying any such Margin Stock or for any purpose that violates, or is inconsistent with, the provisions of Regulation T, U or X of the Board of Governors of the Federal Reserve System.

4.15. Certain Fees.

No broker’s or finder’s fee or commission will be payable by the Borrower or the Parent with respect hereto or any of the transactions contemplated hereby.

4.16. Solvency and Fraudulent Conveyance.

Each Credit Party is Solvent, both before and after giving effect to the consummation of the transactions contemplated by the Credit Documents and, if applicable, the making of the applicable Loan. No Credit Party is granting a security interest in any Collateral with any intent to hinder, delay or defraud any of its creditors. No Credit Party shall use the proceeds from the transactions contemplated by this Agreement to give preference to any class of creditors.

4.17. Credit Documents; Related Agreements.

- (a) Delivery. The Borrower has delivered, or caused to be delivered, to the Administrative Agent complete and correct copies of each Credit Document and each Related Agreement (other than the Backup Servicing Agreement if not existing) and, in each case, of all exhibits and schedules thereto as of the date hereof.
- (b) Representations and Warranties. Except to the extent otherwise expressly set forth herein or in the schedules hereto, and subject to the qualifications set forth therein, each of the representations and warranties given by each of the Credit Parties in any Credit Document is true and correct in all material respects. Notwithstanding anything in the Credit Document to the contrary, the representations and warranties the Credit Parties set

forth in any Credit Document shall, solely for purposes hereof, survive the Closing Date and each Credit Date for the benefit of the Secured Parties.

- (c) Governmental Approvals. All Governmental Authorizations and all other authorizations, approvals and consents of any other Person required by the Credit Documents or to consummate the transactions contemplated therein have been obtained and are in full force and effect.

4.18. Compliance with Statutes, etc.

Each Credit Party is in compliance with all applicable statutes, regulations and orders of, and all applicable restrictions imposed by, all Governmental Authorities, in respect of the conduct of its business and the ownership of its property, except such non compliance that, individually or in the aggregate, could not reasonably be expected to result in a Material Adverse Effect.

4.19. No Material Adverse Effect.

There are no facts known (or which should upon the reasonable exercise of diligence be known) to the Borrower or its Affiliates (other than matters of a general economic nature) that, individually or in the aggregate, could reasonably be expected to result in a Material Adverse Effect and that have not been disclosed herein.

4.20. Money Control Acts.

To the extent applicable, each Credit Party is in compliance, in all material respects, with the (a) Trading with the Enemy Act, and each of the foreign assets control regulations of the United States Treasury Department (31 C.F.R., Subtitle B, Chapter V) and any other enabling legislation or executive order relating thereto, (b) Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA Patriot Act of 2001) (the “**Patriot Act**”), (c) the *Proceeds of Crime (money laundering) and Terrorist Financing Act* (Canada), (d) the *Regulations Implementing the United Nations Resolutions on the Suppression of Terrorism* (Canada), and (e) *United Nations Al-Qaida and Taliban Regulations* (Canada) and any other applicable terrorism and money laundering laws. No part of the proceeds of any Loan will be used, directly or indirectly, for any payments to any governmental official or employee, political party, official of a political party, candidate for political office, or anyone else acting in an official capacity, in order to obtain, retain or direct business or obtain any improper advantage, in violation of the United States Foreign Corrupt Practices Act of 1977, the *Corruption of Foreign Public Officials Act* (Canada), or any other applicable anti-bribery or anti-corruption laws.

4.21. Pension Matters.

No Credit Party has ever sponsored, administered, participated in or contributed to Canadian Defined Benefit Plan or a Canadian Multi-Employer Plan.

4.22. Disclosure.

The representations and warranties of the Credit Parties contained in any Credit Document or in any other documents, certificates or written statements furnished to any Agent of Lender by or on behalf of any Credit Party for use in connection with the transactions contemplated hereby, taken as a whole, do not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements contained herein or therein not misleading in light of the circumstances in which the same were made. Any projections and pro forma financial information contained in such materials are based upon good faith estimates and assumptions by the preparer thereof believed to be reasonable at the time made, it being recognized by the Lenders that such projections as to future events are not to be viewed as facts and that actual results during the period or periods covered by any such projections may differ from the projected results.

SECTION 5. AFFIRMATIVE COVENANTS

The Credit Parties covenant and agree that until payment in full of all of the Obligations (other than contingent indemnification obligations in respect of which no claim has been asserted), the Credit Parties shall perform all covenants in this Section 5.

5.1. Deliverables.

Unless otherwise provided below, the Borrower shall deliver, or cause to be delivered, to the Administrative Agent:

- (a) Notice of Default. Promptly upon any Authorized Officer of any Credit Party obtaining knowledge of (i) any condition or event that constitutes a Default or an Event of Default; (ii) that any Person has given any notice to such Credit Party or taken any other action with respect to any event or condition set forth in Section 5.01 of the Servicing Agreement; or (iii) of the occurrence of any event or change that has caused or evidences, either individually or in the aggregate, a Material Adverse Effect, a certificate of an Authorized Officer of such Credit Party specifying the nature and period of existence of such condition, event or change, or specifying the notice given and action taken by any such Person and the nature of such claimed Event of Default, Default, default, event or condition, and what action the Borrower has taken, is taking and proposes to take with respect thereto;

THEN, (A) upon the occurrence of any Event of Default described in Section 7.1(g), 7.1(h), or 7.1(i) automatically, and (B) upon the occurrence of any other Event of Default, at the request of (or with the consent of) the Administrative Agent and the Requisite Lenders, upon written notice to the Borrower by the Administrative Agent, (x) the Loan Commitments, if any, shall immediately terminate; (y) each of the following shall immediately become due and payable, in

each case without presentment, demand, protest or other requirements of any kind, all of which are hereby expressly waived by the Borrower: (1) the unpaid principal amount of and accrued interest on all Loans and (2) all other Obligations; and (z) the Administrative Agent shall cause the Collateral Agent to enforce any and all Liens and security interests created pursuant to the Collateral Documents. In addition, upon the occurrence of any Event of Default, the Administrative Agent may terminate the Servicing Agreement and replace the Servicer with the Backup Servicer or such other servicer as the Administrative Agent may select in its sole discretion.

SECTION 8. GUARANTEE

8.1. Guarantee of the Obligations.

Each Guarantor hereby irrevocably and unconditionally guarantees to the Administrative Agent for the benefit of the Secured Parties, the due and punctual payment and performance in full of all Obligations which are or may become from time to time owing or payable, or to be performed, or which remain owing or unpaid to, or to be performed for the benefit of any of the Secured Parties or any one or more of them (collectively, the “**Guaranteed Obligations**”). For greater certainty, the Guaranteed Obligations include, without limitation, all amounts which constitute Obligations and would be owed by any one or more of the Credit Parties but for the fact that they are unenforceable or not allowable (in whole or in part) as a claim in connection with an Insolvency Event involving any Credit Party due to the existence of such Insolvency Event. Each Guarantor agrees that this Guarantee is a guarantee of payment and performance and not of collection.

8.2. Payment by Guarantors.

Each Guarantor hereby agrees, in furtherance of the foregoing and not in limitation of any other right which any Secured Party may have at law, in equity or otherwise against any Credit Party pursuant to any of the Credit Documents, that upon the failure of any Credit Party to pay any of the Guaranteed Obligations when and as the same shall become due, whether at stated maturity, by required prepayment, declaration, acceleration, demand or otherwise (including amount that would become due but for the existence of any stay under applicable Debtor Relief Laws), it will pay, or cause to be paid, in Cash, to the Administrative Agent for the benefit of Secured Parties, an amount equal to the sum of the unpaid principal amount of all Guaranteed Obligations then due as aforesaid, accrued and unpaid interest on such Guaranteed Obligations (including interest which, but for Borrower's becoming the subject of an Insolvency Event, would have accrued on such Guaranteed Obligations, whether or not a claim is allowed against the Borrower for such interest in such Insolvency Event) and all other Guaranteed Obligations then owed to the Secured Parties as aforesaid.

8.3. Liability of Guarantors Absolute.

Each Guarantor agrees that its obligations hereunder are irrevocable, absolute, independent and unconditional and shall not be affected by any circumstance which constitutes a legal or equitable discharge of a guarantor or surety other than satisfaction in full of the Guaranteed

Obligations. In furtherance of the foregoing and without limiting the generality thereof, each Guarantor agrees as follows:

- (a) to the extent permitted by applicable law, the Administrative Agent may enforce this Guarantee upon the occurrence of an Event of Default notwithstanding the existence of any dispute between Borrower and any Secured Party with respect to the existence of such Event of Default;
- (b) the obligations of each Guarantor hereunder are independent of the obligations of the Borrower and the obligations of any other Credit Party, and a separate action or actions may be brought and prosecuted against each Guarantor whether or not any action is brought against the Borrower or any of such other Credit Party and whether or not the Borrower or such Credit Party is joined in any such action or actions;
- (c) payment by a Guarantor of a portion, but not all, of the Guaranteed Obligations shall in no way limit, affect, modify or abridge Guarantor's liability for any portion of the Guaranteed Obligations which has not been paid. Without limiting the generality of the foregoing, if the Administrative Agent is awarded a judgment in any suit brought to enforce a Guarantor's covenant to pay a portion of the Guaranteed Obligations, such judgment shall not be deemed to release such Guarantor from its covenant to pay the portion of the Guaranteed Obligations that is not the subject of such suit, and such judgment shall not, except to the extent satisfied by such Guarantor, limit, affect, modify or abridge such Guarantor's liability hereunder in respect of the Guaranteed Obligations;
- (d) any Secured Party, upon such terms as it deems appropriate, without notice or demand and without affecting the validity or enforceability hereof or giving rise to any reduction, limitation, impairment, discharge or termination of any Guarantor's liability hereunder, from time to time may (i) renew, extend, accelerate, increase the rate of interest on, or otherwise change the time, place, manner or terms of payment of the Guaranteed Obligations; (ii) settle, compromise, release or discharge, or accept or refuse any offer of performance with respect to, or substitutions for, the Guaranteed Obligations or any agreement relating thereto and/or subordinate the payment of the same to the payment of any other obligations; (iii) request and accept other guarantees of the Guaranteed Obligations and take and hold security for the payment hereof or the Guaranteed Obligations; (iv) release, surrender, exchange, substitute, compromise, settle, rescind, waive, alter, subordinate or modify, with or without consideration, any security for payment of the Guaranteed Obligations, any other guarantees of the Guaranteed Obligations, or any other obligation of any Person (including any other Credit Party) with respect to the Guaranteed Obligations; (v) enforce and apply any security now or hereafter held by or for the benefit of such Secured Party in respect hereof or the Guaranteed Obligations and direct the order or manner of sale thereof, or exercise any other right or remedy that such Secured Party may have against any such security, in each case as such Secured Party in its discretion may determine consistent with the applicable Credit Documents, including pursuant to one or more judicial or non-judicial sales, whether or not every aspect of any such sale is commercially reasonable, and even though such action operates to impair or extinguish any right of reimbursement, subrogation or contribution or other right or remedy of any Guarantor against any other

Credit Party or any security for the Guaranteed Obligations; and (vi) exercise any other rights available to it under any Credit Document; and

this Guarantee and the obligations of each Guarantor hereunder shall be valid and enforceable and shall not be subject to any reduction, limitation, impairment, discharge or termination for any reason (other than payment in full of the Guaranteed Obligations), including the occurrence of any of the following, whether or not any Guarantor shall have had notice or knowledge of any of them: (i) any failure or omission to assert or enforce or agreement or election not to assert or enforce, or the stay or enjoining, by order of court, by operation of law or otherwise, of the exercise or enforcement of, any claim or demand or any right, power or remedy (whether arising under the Credit Documents, at law, in equity or otherwise) with respect to the Guaranteed Obligations or any agreement relating thereto, or with respect to any other guarantee of or security for the payment or performance of the Guaranteed Obligations; (ii) any rescission, waiver, amendment or modification of, or any consent to departure from, any of the terms or provisions (including provisions relating to events of default) hereof, any of the other Credit Documents or any agreement or instrument executed pursuant thereto, or of any other guarantee or security for the Guaranteed Obligations, in each case whether or not in accordance with the terms hereof or such Credit Document or any agreement relating to such other guarantee or security; (iii) the Guaranteed Obligations, or any agreement relating thereto, at any time being found to be illegal, invalid or unenforceable in any respect; (iv) the application of payments received from any source (other than payments received pursuant to the other Credit Documents or from the proceeds of any security for the Guaranteed Obligations, except to the extent such security also serves as collateral for indebtedness other than the Guaranteed Obligations) to the payment of indebtedness other than the Guaranteed Obligations, even though any Secured Party might have elected to apply such payment to any part or all of the Guaranteed Obligations; (v) any Secured Party's consent to the change, reorganization or termination of the corporate structure or existence of any Credit Party and to any corresponding restructuring of the Guaranteed Obligations; (vi) any failure to perfect or continue perfection of a security interest in any collateral which secures any of the Guaranteed Obligations; (vii) to the extent permitted by applicable law, any defenses, set-offs or counterclaims which the Borrower may allege or assert against any Secured Party in respect of the Guaranteed Obligations, including failure of consideration, breach of warranty, payment, statute of frauds, statute of limitations, accord and satisfaction and usury; and (viii) any other act or thing or omission, or delay to do any other act or thing, which may or might in any manner or to any extent vary the risk of any Guarantor as an obligor in respect of the Guaranteed Obligations.

8.4. Waivers by Guarantors.

Each Guarantor hereby waives, for the benefit of Secured Parties: (a) any right to require any Secured Party, as a condition of payment or performance by such Guarantor, to (i) proceed against the Borrower, any other guarantor (including any other Credit Party) of the Guaranteed Obligations or any other Person, (ii) proceed against or exhaust any security held from the Borrower, any such other guarantor or any other Person, (iii) proceed against or have resort to any balance of any deposit account or credit on the books of any Secured Party in favor of the Borrower or any other Person, or (iv) pursue any other remedy in the power of any Secured Party whatsoever; (b) any defense arising by reason of the incapacity, lack of authority or any disability or other defense of the Borrower or any other Credit Party including any defense based

on or arising out of the lack of validity or the unenforceability of the Guaranteed Obligations or any agreement or instrument relating thereto or by reason of the cessation of the liability of the Borrower or any other Credit Party from any cause other than satisfaction in full of the Guaranteed Obligations; (c) any defense based upon any statute or rule of law which provides that the obligation of a surety must be neither larger in amount nor in other respects more burdensome than that of the principal; (d) any defense based upon any Secured Party's errors or omissions in the administration of the Guaranteed Obligations; (e) (i) any principles or provisions of law, statutory or otherwise, which are or might be in conflict with the terms hereof and any legal or equitable discharge of such Guarantor's obligations hereunder, (ii) the benefit of any statute of limitations affecting such Guarantor's liability hereunder or the enforcement hereof, (iii) any rights to set-offs, recoupments and counterclaims, and (iv) promptness, diligence and any requirement that any Secured Party protect, secure, perfect or insure any security interest or lien or any property subject thereto; (f) notices, demands, presentments, protests, notices of protest, notices of dishonor and notices of any action or inaction, including acceptance hereof, notices of default hereunder or any agreement or instrument related thereto, notices of any renewal, extension or modification of the Guaranteed Obligations or any agreement related thereto, notices of any extension of credit to the Borrower and notices of any of the matters referred to in Section 8.3 and any right to consent to any thereof; and (g) any defenses or benefits that may be derived from or afforded by law which limit the liability of or exonerate guarantors or sureties, or which may conflict with the terms hereof.

8.5. Guarantors' Rights of Subrogation, Contribution, etc.

Until the Guaranteed Obligations shall have been indefeasibly paid in full and the Loan Commitments shall have terminated, each Guarantor hereby waives any claim, right or remedy, direct or indirect, that such Guarantor now has or may hereafter have against any other Credit Party or any of their assets in connection with this Guarantee or the performance by such Guarantor of its obligations hereunder, in each case whether such claim, right or remedy arises in equity, under contract, by statute, under common law or otherwise and including (a) any right of subrogation, reimbursement or indemnification that such Guarantor now has or may hereafter have against any other Credit Party with respect to the Guaranteed Obligations, (b) any right to enforce, or to participate in, any claim, right or remedy that any Secured Party now has or may hereafter have against any other Credit Party, and (c) any benefit of, and any right to participate in, any collateral or security now or hereafter held by any Secured Party. In addition, until the Guaranteed Obligations shall have been indefeasibly paid in full and the Loan Commitments shall have terminated, each Guarantor shall withhold exercise of any right of contribution such Guarantor may have against any other Credit Party. Each Guarantor further agrees that, to the extent the waiver or agreement to withhold the exercise of its rights of subrogation, reimbursement, indemnification and contribution as set forth herein is found by a court of competent jurisdiction to be void or voidable for any reason, any rights of subrogation, reimbursement or indemnification such Guarantor may have against any other Credit Party or against any collateral or security, and any rights of contribution that such Guarantor may have against any other Credit Party, shall be junior and subordinate to any rights any Secured Party may have against such other Credit Party and to all right, title and interest any Secured Party may have in any such collateral or security, and to any right that any Secured Party may have against such other Credit Party. If any amount shall be paid to any Guarantor on account of any such subrogation, reimbursement, indemnification or contribution rights at any time when all

Guaranteed Obligations shall not have been finally and indefeasibly paid in full, such amount shall be held in trust for the Administrative Agent on behalf of the Secured Parties and shall forthwith be paid over to the Administrative Agent for the benefit of the beneficiaries to be credited and applied against the Guaranteed Obligations, whether matured or unmatured, in accordance with the terms hereof.

8.6. Subordination of Other Obligations.

Any Indebtedness of any other Credit Party now or hereafter held by any Guarantor is hereby subordinated in right of payment to the Guaranteed Obligations, and any such indebtedness collected or received by any Guarantor after an Event of Default has occurred and is continuing shall be held in trust for Agent on behalf of Beneficiaries and shall forthwith be paid over to the Administrative Agent for the benefit of the Secured Parties to be credited and applied against the Guaranteed Obligations but without affecting, impairing or limiting in any manner the liability of any Guarantor under any other provision hereof.

8.7. Continuing Guarantee.

This Guarantee is a continuing guarantee and shall remain in effect until all of the Guaranteed Obligations shall have been paid in full and the Loan Commitments shall have terminated. Each Guarantor hereby irrevocably waives any right to revoke this Guarantee as to future transactions giving rise to any Guaranteed Obligations.

8.8. Authority of Guarantors.

It is not necessary for any Secured Party to inquire into the capacity or powers of any Guarantor or any other Credit Party or the officers, directors or any agents acting or purporting to act on behalf of any of them.

8.9. Financial Condition of the Borrower.

Any Loan may be made to the Borrower or continued from time to time without notice to or authorization from any Guarantor regardless of the financial or other condition of the Borrower or any other Credit Party at the time of any such grant or continuation. No Secured Party shall have any obligation to disclose to or discuss with any Guarantor its assessment, or any Guarantor's assessment, of the financial condition of the Borrower or any other Credit Party. Each Guarantor has adequate means to obtain information on a continuing basis concerning the financial condition of the Borrower and the other Credit Parties and their ability to perform their respective obligations under the Credit Documents, and each Guarantor assumes the responsibility for being and keeping informed of the financial condition of the Borrower and other Credit Parties and of all circumstances bearing upon the risk of non-payment of the Guaranteed Obligations. Each Guarantor hereby waives and relinquishes any duty on the part of any Secured Party to disclose any matter, fact or thing relating to the business, operations or conditions of the Borrower or any Credit Party known or hereafter known by such Secured Party.

8.10. Bankruptcy, etc.

- (a) So long as any Guaranteed Obligations remain outstanding, no Guarantor shall, without the prior written consent of the Administrative Agent, commence or join with any other Person in commencing any Insolvency Event of or against any Credit Party. The obligations of each Guarantor hereunder shall not be reduced, limited, impaired, discharged, deferred, suspended or terminated by any such Insolvency Event, whether voluntary or involuntary, involving or in respect of any Credit Party or by any defence which any Credit Party may have by reason of the order, decree or decision of any court or administrative body resulting from any such proceeding.
- (b) Each Guarantor acknowledges and agrees that any interest on any portion of the Guaranteed Obligations which accrues after the commencement of any Insolvency Event referred to in clause (a) above (or, if interest on any portion of the Guaranteed Obligations ceases to accrue by operation of law by reason of the commencement of such Insolvency Event, such interest as would have accrued on such portion of the Guaranteed Obligations if such case or proceeding had not been commenced) shall be included in the Guaranteed Obligations because it is the intention of each Guarantor and the Secured Parties that the Guaranteed Obligations which are guaranteed by each Guarantor pursuant hereto should be determined without regard to any rule of law or order which may relieve any Credit Party of any portion of such Guaranteed Obligations. Each Guarantor will permit any trustee in bankruptcy, receiver, debtor in possession, assignee for the benefit of creditors or similar Person to pay the Administrative Agent, or allow the claim of the Administrative Agent in respect of, any such interest accruing after the date on which such case or proceeding is commenced.
- (c) In the event that all or any portion of the Guaranteed Obligations are paid by any Credit Party, the obligations of each Guarantor hereunder shall continue and remain in full force and effect or be reinstated, as the case may be, in the event that all or any part of such payment(s) are rescinded or recovered directly or indirectly from any Secured Party as a preference, fraudulent transfer or otherwise, and any such payments which are so rescinded or recovered shall constitute Guaranteed Obligations for all purposes hereunder.

SECTION 9. AGENTS**9.1. Appointment of Agents.**

DB FSLF is hereby appointed the Administrative Agent and the Collateral Agent hereunder and under the other Credit Documents and each Lender hereby authorizes DB FSLF, in such capacities, to act as its agent in accordance with the terms hereof and the other Credit Documents. Each Agent hereby agrees to act upon the express conditions contained herein and the other Credit Documents, as applicable. The provisions of this Section 8 are solely for the benefit of Agents and the Lenders and no Credit Party shall have any rights as a beneficiary of any of the provisions thereof. Each Agent shall have only those duties and responsibilities that are expressly specified herein and in the other Credit Documents. Each Agent may exercise such powers, rights and remedies and perform such duties by or through its agents or employees. No Agent shall have, by reason hereof or any of the other Credit Documents, a fiduciary relationship in respect of any Lender; and nothing herein or any of the other Credit Documents, expressed or implied, is intended to or shall be so construed as to impose upon any Agent any obligations in respect hereof or any of the other Credit Documents except as expressly set forth herein or therein.

9.3. Collateral Documents.

Each Lender hereby further authorizes the Administrative Agent or the Collateral Agent, as applicable, on behalf of and for the benefit the Lenders, to be the agent for and representative of the Lenders with respect to the Collateral and the Collateral Documents. - (b) Register. The Credit Parties, the Administrative Agent and the Lenders shall deem and treat the Persons listed as “Lenders” in the Register as the holders and owners of the corresponding Pro Rata Share of the Loans listed therein for all purposes hereof, and no assignment or transfer of any such Pro Rata Share of the Loans shall be effective, in each case, unless and until an Assignment Agreement effecting the assignment or transfer thereof shall have been delivered to and accepted by the Administrative Agent and recorded in the Register as provided in Section 10.6(e). Prior to such recordation, all amounts owed with respect to the applicable Pro Rata Share of the Loans shall be owed to the Lender listed in the Register as the owner thereof, and any request, authority or consent of any Person who, at the time of making such request or giving such authority or consent, is listed in the Register as a Lender shall be conclusive and binding on any subsequent holder, assignee or transferee of the corresponding Pro Rata Share of the Loans.
- (c) Right to Assign. Each Agent and each Lender shall have the right at any time after the Closing Date to sell, assign or transfer all or a portion of its rights and obligations under this Agreement, including, without limitation, all or a portion of the Loans owing to it or other Obligations to any Person.

- (f) Representations and Warranties of Assignee. Each assignee of any Lender, upon executing and delivering an Assignment Agreement, represents and warrants as of the applicable Effective Date (as defined in the applicable Assignment Agreement) that (i) it has experience and expertise in the making of or investing in commitments or loans such as the Loans; (ii) it will invest in its Pro Rata Share of the Loans for its own account in the ordinary course of its business; and (iii) such assignee does not own or control, or own or control any Person owning or controlling, any trade debt or Indebtedness of the Borrower other than the Obligations.

Subject to the terms and conditions of this Section 10.6, as of the “Effective Date” specified in the applicable Assignment Agreement: (i) the assignee thereunder shall have the rights and obligations of a “Lender” hereunder to the extent such rights and obligations hereunder have been assigned to it pursuant to such Assignment Agreement and shall thereafter be a party hereto and a “Lender” for all purposes hereof; (ii) the assigning Lender thereunder shall, to the extent that rights and obligations hereunder have been assigned thereby pursuant to such Assignment Agreement, relinquish its rights (other than any rights which survive the termination hereof under Section 10.8) and be released from its obligations hereunder (and, in the case of an Assignment Agreement covering all or the remaining portion of an assigning Lender’s rights and obligations hereunder, such Lender shall cease to be a party hereto; provided, anything contained in any of the Credit Documents to the contrary notwithstanding, such assigning Lender shall continue to be entitled to the benefit of all indemnities hereunder as specified herein with respect to matters arising out of the prior involvement of such assigning Lender as a Lender hereunder); and (iii) if any such assignment occurs after the issuance of any Note hereunder, the assigning Lender shall, upon the effectiveness of such assignment or as promptly thereafter as practicable, surrender its applicable Notes to the Administrative Agent for cancellation, and thereupon the Borrower shall issue and deliver new Notes, if so requested by the assignee and/or assigning Lender, to such assignee and/or to such assigning Lender, with appropriate insertions, to reflect the new Pro Rata Share of the Loans of the assignee and/or the assigning Lender.
- (h) Participations. Each Lender shall have the right at any time to sell one or more participations to any Person (other than the Borrower or any of its Affiliates) of all or any part of its Loan Commitments, Pro Rata Share of the Loans or of any other Obligation; provided, however, that notwithstanding the foregoing, no participations may be sold to any Person acquiring such participation with the assets of, or for the benefit of, any employee benefit plan subject to Title I of ERISA, any "plan" subject to Section 4975 of the Internal Revenue Code, or any entity whose underlying assets include plan assets by reason of a plan's investment in such entity. The holder of any such participation, other than an Affiliate of the Lender granting such participation, shall not be entitled to require

such Lender to take or omit to take any action hereunder except with respect to any amendment, modification or waiver that would (i) extend the final scheduled maturity of the Loans or Note in which such participant is participating, or reduce the rate or extend the time of payment of interest or fees thereon (except in connection with a waiver of applicability of any post-default increase in interest rates) or reduce the principal amount thereof, or increase the amount of the participant's participation over the amount thereof then in effect (it being understood that a waiver of any Default or Event of Default shall not constitute a change in the terms of such participation, and that an increase in any Loan Commitment or the Loans shall be permitted without the consent of any participant if the participant's participation is not increased as a result thereof), (ii) consent to the assignment or transfer by the Borrower of any of its rights and obligations under this Agreement, or (iii) release all or substantially all of the Collateral under the Collateral Documents (in each case, except as expressly provided in the Credit Documents) supporting the Loans hereunder in which such participant is participating. The Credit Parties agree that each participant shall be entitled to the benefits of Sections 2.15(a), 2.16, and 2.17 to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to clause (c) of this Section 10.6; provided, a participant shall not be entitled to receive any greater payment under Section 2.16 and 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant, unless the sale of the participation to such participant is made with the Borrower's prior written consent. To the extent permitted by law, each participant also shall be entitled to the benefits of Section 10.4 as though it were a Lender. Notwithstanding any participation made hereunder (i) such selling Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the Borrower for the performance of its obligations hereunder, and (iii) except as set forth above, the Borrower, the Agents and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrower relating to the Obligations and to approve, without the consent of or consultation with any participant, any amendment, modification or waiver of any provision of this Agreement. Each Lender that sells a participation shall maintain a register on which it enters the name and address of each participant and the amounts of each participant's participation (the "**Participant Register**"). The entries in the Participant Register shall be conclusive, absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary.

- (i) Certain Other Assignments. In addition to any other assignment permitted pursuant to this Section 10.6, any Lender may assign, pledge and/or grant a security interest in, all or any portion of its Pro Rata Share of the Loans, the other Obligations owed by or to such Lender, and its Notes, if any, to secure obligations of such Lender to any Federal Reserve Bank as collateral security pursuant to Regulation A of the Board of Governors of the Federal Reserve System and any operating circular issued by such Federal Reserve Bank; provided, such Lender, as between the Borrower and the Lender, shall not be relieved of any of its obligations hereunder as a result of any such assignment and pledge, and provided further, in no event shall the applicable Federal Reserve Bank be considered to

be a “**Lender**” or be entitled to require the assigning Lender to take or omit to take any action hereunder.

10.7. Independence of Covenants.

All covenants hereunder shall be given independent effect so that if a particular action or condition is not permitted by any of such covenants, the fact that it would be permitted by an exception to, or would otherwise be within the limitations of, another covenant shall not avoid the occurrence of a Default or an Event of Default if such action is taken or condition exists.

10.8. Survival of Representations, Warranties and Agreements.

All representations, warranties and agreements made herein shall survive the execution and delivery hereof and the making of any Credit Extension. Notwithstanding anything herein or implied by law to the contrary, the agreements of the Credit Parties set forth in Sections 2.15, 2.16, 2.17, 10.2, 10.3 and 10.4 shall survive the payment of the Loans and the termination hereof.

10.9. No Waiver; Remedies Cumulative.

No failure or delay on the part of any Agent or any Lender in the exercise of any power, right or privilege hereunder or under any other Credit Document shall impair such power, right or privilege or be construed to be a waiver of any default or acquiescence therein, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other power, right or privilege. The rights, powers and remedies given to each Agent and each Lender hereby are cumulative and shall be in addition to and independent of all rights, powers and remedies existing by virtue of any statute or rule of law or in any of the other Credit Documents. Any forbearance or failure to exercise, and any delay in exercising, any right, power or remedy hereunder shall not impair any such right, power or remedy or be construed to be a waiver thereof, nor shall it preclude the further exercise of any such right, power or remedy.

10.10. Marshalling; Payments Set Aside.

Neither any Agent nor any Lender shall be under any obligation to marshal any assets in favor of the Borrower or any other Person or against or in payment of any or all of the Obligations. To the extent that any Credit Party makes a payment or payments to the Administrative Agent or the Lenders (or to the Administrative Agent, on behalf of the Lenders), or the Administrative Agent, the Collateral Agent or the Lenders enforce any security interests or exercise their rights of setoff, and such payment or payments or the proceeds of such enforcement or setoff or any part thereof are subsequently invalidated, declared to be fraudulent or preferential, set aside and/or required to be repaid to a trustee, receiver or any other party under any bankruptcy law, any other state or federal law, common law or any equitable cause, then, to the extent of such recovery, the obligation or part thereof originally intended to be satisfied, and all Liens, rights and remedies therefor or related thereto, shall be revived and continued in full force and effect as if such payment or payments had not been made or such enforcement or setoff had not occurred.

10.11. Severability.

In case any provision or obligation hereunder or any Note or other Credit Document shall be invalid, illegal or unenforceable in any jurisdiction, the validity, legality and enforceability of the remaining provisions or obligations, or of such provision or obligation in any other jurisdiction, shall not in any way be affected or impaired thereby.

10.12. Headings.

Section headings herein are included herein for convenience of reference only and shall not constitute a part hereof for any other purpose or be given any substantive effect.

10.13. APPLICABLE LAW.

EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN ANY OF THE CREDIT DOCUMENTS, IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THE CREDIT DOCUMENTS AND THE OBLIGATIONS SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE PROVINCE OF ONTARIO AND THE LAWS OF CANADA APPLICABLE THEREIN WITHOUT REGARD TO CONFLICT OF LAWS PRINCIPLES THEREOF THAT WOULD RESULT IN THE APPLICATION OF ANY LAW OTHER THAN THE LAW OF THE PROVINCE OF ONTARIO AND THE LAWS OF CANADA APPLICABLE THEREIN.

10.14. CONSENT TO JURISDICTION.

EACH PARTY HERETO HEREBY CONSENTS AND AGREES THAT THE COURTS OF THE STATE OF NEW YORK AND THE PROVINCE OF ONTARIO SHALL HAVE NON-EXCLUSIVE JURISDICTION TO HEAR AND DETERMINE ANY CLAIMS OR DISPUTES BETWEEN THE BORROWER, THE ADMINISTRATIVE AGENT, THE COLLATERAL AGENT AND LENDERS PERTAINING TO THIS AGREEMENT OR ANY OF THE OTHER CREDIT DOCUMENTS OR TO ANY MATTER ARISING OUT OF OR RELATING TO THIS AGREEMENT OR ANY OF THE OTHER CREDIT DOCUMENTS; PROVIDED, THAT NOTHING IN THIS AGREEMENT SHALL BE DEEMED OR OPERATE TO PRECLUDE ANY LEGAL ACTION BEING TAKEN IN ANY OTHER JURISDICTION OR THE ADMINISTRATIVE AGENT OR THE COLLATERAL AGENT FROM BRINGING SUIT OR TAKING OTHER LEGAL ACTION IN ANY OTHER JURISDICTION TO REALIZE ON THE COLLATERAL OR ANY OTHER SECURITY FOR THE OBLIGATIONS, OR TO ENFORCE A JUDGMENT OR OTHER COURT ORDER IN FAVOUR OF THE ADMINISTRATIVE AGENT OR THE COLLATERAL AGENT, AS APPLICABLE (EACH BEING REFERRED TO HEREIN AS AN “ENFORCEMENT JURISDICTION”). EACH PARTY HERETO EXPRESSLY SUBMITS AND CONSENTS IN ADVANCE TO THE JURISDICTION OF SUCH ENFORCEMENT JURISDICTION IN ANY ACTION OR SUIT COMMENCED IN ANY SUCH COURT, AND EACH PARTY HERETO HEREBY WAIVES ANY OBJECTION THAT SUCH PARTY MAY HAVE BASED UPON LACK OF PERSONAL JURISDICTION, IMPROPER VENUE OR FORUM NON

CONVENIENS AND HEREBY CONSENTS TO THE GRANTING OF SUCH LEGAL OR EQUITABLE RELIEF AS IS DEEMED APPROPRIATE BY SUCH COURT OF SUCH ENFORCEMENT JURISDICTION. EACH PARTY HERETO HEREBY WAIVES PERSONAL SERVICE OF THE SUMMONS, COMPLAINT AND OTHER PROCESS ISSUED IN ANY SUCH ACTION OR SUIT AND AGREES THAT SERVICE OF SUCH SUMMONS, COMPLAINTS AND OTHER PROCESS MAY BE MADE BY REGISTERED OR CERTIFIED MAIL, RETURN RECEIPT REQUESTED, TO THE APPLICABLE PARTY AT ITS ADDRESS PROVIDED IN ACCORDANCE WITH SECTION 10.1 AND FURTHER AGREES THAT SERVICE AS PROVIDED IN SENTENCE IS SUFFICIENT TO CONFER PERSONAL JURISDICTION OVER THE APPLICABLE PARTY IN ANY SUCH PROCEEDING IN ANY SUCH COURT, AND OTHERWISE CONSTITUTES EFFECTIVE AND BINDING SERVICE IN EVERY RESPECT.

10.15. WAIVER OF JURY TRIAL.

EACH OF THE PARTIES HERETO HEREBY AGREES TO WAIVE ITS RESPECTIVE RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING HEREUNDER OR UNDER ANY OF THE OTHER CREDIT DOCUMENTS OR ANY DEALINGS BETWEEN THEM RELATING TO THE SUBJECT MATTER OF THIS LOAN TRANSACTION OR THE LENDER/BORROWER RELATIONSHIP THAT IS BEING ESTABLISHED. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS TRANSACTION, INCLUDING CONTRACT CLAIMS, TORT CLAIMS, BREACH OF DUTY CLAIMS AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. EACH PARTY HERETO ACKNOWLEDGES THAT THIS WAIVER IS A MATERIAL INDUCEMENT TO ENTER INTO A BUSINESS RELATIONSHIP, THAT EACH HAS ALREADY RELIED ON THIS WAIVER IN ENTERING INTO THIS AGREEMENT, AND THAT EACH WILL CONTINUE TO RELY ON THIS WAIVER IN ITS RELATED FUTURE DEALINGS. EACH PARTY HERETO FURTHER WARRANTS AND REPRESENTS THAT IT HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL AND THAT IT KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL. THIS WAIVER IS IRREVOCABLE, MEANING THAT IT MAY NOT BE MODIFIED EITHER ORALLY OR IN WRITING (OTHER THAN BY A MUTUAL WRITTEN WAIVER SPECIFICALLY REFERRING TO THIS SECTION 10.15 AND EXECUTED BY EACH OF THE PARTIES HERETO), AND THIS WAIVER SHALL APPLY TO ANY SUBSEQUENT AMENDMENTS, RENEWALS, SUPPLEMENTS OR MODIFICATIONS HERETO OR ANY OF THE OTHER CREDIT DOCUMENTS OR TO ANY OTHER DOCUMENTS OR AGREEMENTS RELATING TO THE LOANS MADE HEREUNDER. IN THE EVENT OF LITIGATION, THIS AGREEMENT MAY BE FILED AS A WRITTEN CONSENT TO A TRIAL BY THE COURT.

10.16. Usury Savings Clause.

If any provision of this Agreement or of any of the other Credit Documents would obligate a Credit Party to make any payment of interest or other amount payable to any Agent or any Lender in an amount or calculated at a rate which would result in a receipt by such Agent or Lender of interest in excess of the Highest Lawful Rate, then notwithstanding such provisions, such amount or rate shall be deemed to have been adjusted with retroactive effect to the maximum amount or rate of interest, as the case may be, as would not so result in a receipt by such Agent or such Lender of interest at a rate in excess of the Highest Lawful Rate, such adjustment to be effected, to the extent necessary, as follows: (1) firstly, by reducing the amount or rate of interest required to be paid to such Agent or such Lender under Section 2.6, and (2) thereafter, by reducing any fees, commissions, premiums and other amounts required to be paid to such Agent or such Lender which would constitute “interest” for purposes of determining the Highest Lawful Rate. Notwithstanding the foregoing, it is the intention of Lenders and the Credit Parties to conform strictly to any applicable usury laws, and after giving effect to all adjustments contemplated in the preceding sentence, if an Agent or Lender shall have received an amount in excess of the maximum permitted by application of the Highest Lawful Rate, the applicable Credit Party shall be entitled, by notice in writing to such Agent or such Lender, to obtain reimbursement from such Agent or such Lender in an amount equal to such excess and, pending such reimbursement, such amount shall be deemed to be an amount payable by such Agent or such Lender to such Credit Party. Any amount or rate of interest referred to in this Section 10.16 shall be determined in accordance with GAAP as an effective annual rate of interest over the term that the Loans remains outstanding on the assumption that any charges, fees or expenses that fall within the meaning of “interest” for the purposes of determining the Highest Lawful Rate) shall, if they relate to a specific period of time, be pro-rated over that period of time and otherwise be pro-rated over the period from the Closing Date to the Maturity Date and, in the event of a dispute, a certificate of an actuary appointed by the Administrative Agent shall be conclusive for the purposes of such determination absent manifest error.

10.17. Counterparts.

This Agreement may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic image scan transmission (e.g., “PDF” or “tif” via email) shall be as effective as delivery of a manually signed counterpart of this Agreement.

10.18. Advice of Counsel; No Strict Construction.

Each of the parties represents to each other party hereto that it has discussed this Agreement and the other Credit Documents with its counsel. The parties hereto have participated jointly in the negotiation and drafting of this Agreement and the other Credit Documents. In the event an ambiguity or question of intent or interpretation arises, this Agreement and the other Credit Documents shall be construed as if drafted jointly by the parties hereto and no presumption or burden of proof shall arise favouring or disfavouring any party by virtue of the authorship of any provisions of this Agreement or the other Credit Documents.

10.19. Paramountcy.

If there is a conflict, inconsistency, ambiguity, or difference between any provision of this Agreement and of any other Credit Document, the provision of this Agreement shall prevail, and such provision of such other Credit Document shall be amended to the extent only to eliminate any such conflict, inconsistency, ambiguity or difference; provided, that no right or remedy of any Secured Party in any other Credit Document which may be in addition to the rights and remedies of such Secured Party in this Agreement, nor any obligation (including, for the avoidance of any doubt, with respect to any representation, warranty, or covenant) of any Credit Party in any other Credit Document which may be in addition to, or otherwise more onerous than, the obligations of such Credit Party contained in this Agreement, shall constitute a conflict, inconsistency, ambiguity or difference for the purposes of this Section 10.19.

10.20. Joint and Several Obligations.

Notwithstanding any other provision contained herein or in any other Credit Document, if a “secured creditor” (as that term is defined under the BIA) is determined by a court of competent jurisdiction not to include a Person to whom obligations are owed on a joint or joint and several basis, then the Borrower’s Obligations (and the Obligations of each other Credit Party), to the extent such Obligations are secured, shall be several obligations and not joint or joint and several obligations.

10.21. Time.

Time is of the essence in all respects hereof.

10.22. Limitations Act, 2002.

Each of the parties hereto agree that any and all limitation periods provided for in the *Limitations Act, 2002* (Ontario), shall be excluded from application to the Obligations and any undertaking, covenant, indemnity or other agreement provided for in this Agreement to fullest extent permitted by such Act.

10.23. Effectiveness.

This Agreement shall become effective upon the execution of a counterpart hereof by each of the parties hereto and receipt by the Borrower and the Administrative Agent of written or telephonic notification of such execution and authorization of delivery thereof.

10.24. Money Control Acts.

Each Lender and the Administrative Agent (for itself and not on behalf of the Lenders) hereby notifies the Credit Parties that pursuant to the requirements of the Act, it is required to obtain, verify and record information that identifies each Credit Party, which information includes the name and address of each Credit Party and other information that will allow the Lenders or the Administrative Agent, as applicable, to identify each Credit Party in accordance with the Act.

10.25. Prior Agreements.

This Agreement amends and restates the Existing Credit Agreement and this Agreement and the other Credit Documents contain the entire agreement of the parties hereto and thereto in respect of the transactions contemplated hereby and thereby, and all prior agreements among or between such parties, whether oral or written, including the Existing Credit Agreement, are replaced and superseded by the terms of this Agreement and the other Credit Documents and unless specifically set forth in a writing contemporaneous herewith the terms, conditions and provisions of any and all such prior agreements do not survive execution of this Agreement.

10.26. Confidentiality.

Each Credit Party agrees that the terms included in this Agreement and disclosed in connection with the consummation of the transactions contemplated hereby shall be kept strictly confidential, shall not be reproduced or disclosed (except as required by law, including, without limitation, the filing requirements of the Exchange Act), and shall not be used by either Credit Party other than in connection with the transaction described herein except with the prior written consent of the Administrative Agent; provided, however, that the Administrative Agent hereby consents to each Credit Party's disclosure of (i) this Agreement to its respective officers, directors, employees, attorneys, accountants, agents and advisors who are directly involved in the implementation of the terms and conditions of this Agreement to the extent such persons agree to hold the same in confidence, and (ii) this Agreement as required by applicable law or compulsory legal process (in which case each Credit Party agrees to inform the Administrative Agent promptly thereof).

10.27. Judgment Currency.

- (a) If, for the purpose of obtaining or enforcing judgment against the Credit Parties in any court in any jurisdiction, it becomes necessary to convert into any other currency (such other currency being hereinafter in this Section 10.3 referred to as the "**Judgment Currency**") an amount due under any Credit Document in any currency (the "**Obligation Currency**") other than the Judgment Currency, the conversion shall be made at the rate of exchange prevailing on the Business Day immediately preceding the date of actual payment of the amount due, in the case of any proceeding in the courts of the State of New York or in the courts of any other jurisdiction that will give effect to such conversion being made on such date, or the date on which the judgment is given, in the case of any proceeding in the courts of any other jurisdiction (the applicable date as of which such conversion is made pursuant to this Section 10.27 being hereinafter in this Section 10.27 referred to as the "**Judgment Conversion Date**").
- (b) If, in the case of any proceeding in the court of any jurisdiction referred to in Section 10.27(a), there is a change in the rate of exchange prevailing between the Judgment Conversion Date and the date of actual receipt for value of the amount due, the applicable Credit Party shall pay such additional amount (if any, but in any event not a lesser amount) as may be necessary to ensure that the amount actually received in the Judgment Currency, when converted at the rate of exchange prevailing on the date of payment, will produce the amount of the Obligation Currency which could have been purchased with

the amount of the Judgment Currency stipulated in the judgment or judicial order at the rate of exchange prevailing on the Judgment Conversion Date. Any amount due from a Credit Party under this Section 10.27(b) shall be due as a separate debt and shall not be affected by judgment being obtained for any other amounts due under or in respect of any of the Credit Documents.

- (c) The term “rate of exchange” in this Section 10.27 means the rate of exchange at which the Administrative Agent, on the relevant date at or about 12:00 noon), would be prepared to sell, in accordance with the Administrative Agent’s normal course foreign currency exchange practices, the Obligation Currency against the Judgment Currency.

10.28. Permitted Subordinated Indebtedness.

Notwithstanding the terms and conditions of the Subordinated Lender Intercreditor Agreement (Indenture), the Subordinated Lender Intercreditor Agreement (Mogo), the Subordinated Lender Intercreditor Agreement (Thurlow) or the Subordinated Lender Intercreditor Agreement (Thurlow Guarantee), the Borrower is permitted to repay and reissue, on a revolving basis, from time to time Permitted Subordinated Indebtedness in an amount not exceeding \$2,000,000 at any one time, provided that in connection with any such repayment, new Permitted Subordinated Indebtedness is incurred by the Borrower within ninety (90) days of such repayment in an amount equal to the amount of such repayment and in respect of which the applicable holder of such new Permitted Subordinated Indebtedness provides a written acknowledgement acceptable to the Administrative Agent that such Indebtedness is “Subordinated Debt” as defined in, and subject to, the Subordinated Lender Intercreditor Agreement (Indenture), the Subordinated Lender Intercreditor Agreement (Mogo), the Subordinated Lender Intercreditor Agreement (Thurlow) or the Subordinated Lender Intercreditor Agreement (Thurlow Guarantee).
