Dear Sirs:

**Re: Carbeeza Inc. (formerly Hit Technologies Inc.) the "Issuer"  
Correction of Interim Certificates (NI 51-109)**

---

On May 31, 2021, the Issuer filed Form 51-109FV2 *Certification of Interim Filings Venture Issuer - Basic Certificate (Form 51-109FV2)*, signed by the then CEO, Brooks Bergreen. As the certificate incorrectly identifies the certifying document as the interim financial report and interim MD&A for the interim period ended May, 31, 2021 we take this opportunity to attach a **revised** Interim Certificate for Carbeeza Inc. (formerly Hit Technologies Inc.) correcting the date of the financials referred to therein from May 31, 2021 to March 31, 2021.

Yours very truly,  
McLeod Law LLP

A handwritten signature in blue ink, appearing to read 'M. Nathanail', with a stylized flourish at the end.
