MANAGEMENT INFORMATION CIRCULAR

(as at September 14, 2022, except as indicated)

GENERAL PROXY MATTERS

Solicitation of Proxy

This Information Circular is furnished in connection with the solicitation of proxies by or on behalf of the management of Orogen Royalties Inc. (the “**Company**” or “**Orogen**”) for use at the annual and special general meeting (the “**Meeting**”) of shareholders (the “**Shareholders**”) of common shares (the “**Shares**”) of the Company to be held on Thursday, October 27, 2022 at 10:00 a.m. (Vancouver time) at the head offices of the Company located at 1015-789 West Pender Street, Vancouver, British Columbia, V6C 1H2, and at any postponement(s) or adjournment(s) thereof for the purposes set forth in the Notice of Meeting.

This Information Circular and all proxy-related materials are being sent to Shareholders using the “notice-and-access” mechanism (“**Notice and Access Provisions**”) under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) and National Instrument 51-102 *Continuous Disclosure Obligations*, for distribution of Meeting materials to registered and beneficial Shareholders.

All costs of this solicitation will be borne by the Company. In addition to the solicitation of proxies by mail, directors, officers, employees and agents of the Company may solicit proxies personally, by telephone or by email. Employees will not receive any extra compensation for such activities.

The information set forth below generally applies to registered holders of Orogen Shares. If you are a beneficial holder of Orogen Shares (i.e., your Orogen Shares are held through a broker, financial institution, or other nominee), see “*General Proxy Matters – Non-Registered Holders*”.

Appointment and Revocation of Proxies

Registered Shareholders who cannot attend the Meeting in person may vote by proxy either by mail, personal delivery, fax, telephone or over the internet. The enclosed form of proxy with respect to the Meeting (the “**Proxy**”) must be received by Computershare, the Company’s transfer agent, no later than 10:00 a.m. (Vancouver time) on the second Business Day preceding the date of the Meeting or any adjournment or postponement thereof. Registered Shareholders must return the properly completed Proxy to Computershare as follows:

- (a) by mail or personal delivery to Computershare, 100 University Avenue, 8th Floor, Toronto, Ontario, Canada M5J 2Y1, Attention: Proxy Department;
- (b) by fax to Computershare, to the attention of the Proxy Department at 1-866-249-7775 (toll free within Canada and the U.S.) or 416-263-9524 (international);
- (c) by telephone by calling 1-866-732-8683 (toll free within Canada or the U.S.) from a touch tone telephone and referring to your control number provided on the form of proxy delivered to you; or
- (d) over the internet by going to www.investorvote.com and following the online voting instructions given to you and referring to your control number provided on the form of proxy delivered to you.

To be valid, the Proxy must be executed by a Registered Shareholder or a Registered Shareholder’s attorney duly authorized in writing or, if the Registered Shareholder is a body corporate, by a duly

authorized officer or attorney. If the form of Proxy is executed by an attorney for an individual Registered Shareholder or by an officer or attorney of a Registered Shareholder that is a company or association, documentation evidencing the power to execute the Proxy may be required with signing capacity stated. If not dated, the Proxy will be deemed to have been dated the date that it is mailed to the Registered Shareholder.

The persons named in the enclosed form of proxy with respect to the Proxy, being J. Patrick Nicol, Chief Executive Officer of the Company, and Marcus Tran, Chief Financial Officer of the Company. A Registered Shareholder may appoint a person or company (who need not be an Shareholder) other than the persons specified in the Proxy to represent the Shareholder at the Meeting or any adjournment or postponement thereof by striking out the printed name of such person and inserting such other person or company's name in the blank space provided in that Proxy or by completing another proper form of proxy and, in either case, depositing the completed Proxy at the office of Computershare so as to arrive no later than 10:00 a.m. (Vancouver time) on the second Business Day preceding the date of the Meeting or any adjournment or postponement thereof.

If you appoint a proxyholder, other than the management designees, that proxyholder must attend and vote at the Meeting for your vote to be counted.

The time limit for deposit of proxies may be waived or extended by the Chair of the Meeting at his or her discretion, without notice.

A Registered Shareholder executing the Proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. The persons named in the enclosed form of proxy will vote the Shares in respect of which they are appointed by proxy on any ballot that may be called for in accordance with the instructions thereon. In the absence of such instructions, such Shares will be voted in favour of each of the matters referred to herein.

A Proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Registered Shareholder who has given a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it at the offices of Computershare, Attention: Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1;
- (b) depositing an instrument in writing executed by the Registered Shareholder or by the Registered Shareholder's attorney duly authorized in writing or, if the Registered Shareholder is a body corporate, by a duly authorized officer or attorney either with Computershare, Attention: Proxy Department, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1 at any time up to and including the last Business Day preceding the day of the Meeting or any adjournment or postponement thereof or with the Chair of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment or postponement thereof; or
- (c) in any other manner permitted by Law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such Proxy.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders that wish to change their voting instructions must, in sufficient time in advance of the Meeting, contact their Intermediary to arrange to change their voting instructions.

Non-Registered Holders

Registered Shareholders or the persons they validly appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Shares beneficially owned by a person (a “**Non-Registered Shareholder**”) are registered either: (i) in the name of an intermediary (an “**Intermediary**”) (including banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans) that the Non-Registered Shareholder deals with in respect of the Shares, or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant, and therefore are not a Registered Shareholder. **Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting.** Without specific instructions, Intermediaries are prohibited from voting securities for their clients.

Applicable regulatory policy requires intermediaries to seek voting instructions from Non-Registered Shareholders in advance of shareholder meetings. Every intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Shares are voted at the Meeting or any adjournment or postponement thereof. Often, the form of proxy supplied to a Non-Registered Shareholder by its intermediary is identical to the form of proxy provided to Registered Shareholders; however, its purpose is limited to instructing the Registered Shareholder on how to vote on behalf of the Non-Registered Shareholder. The majority of intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”). Broadridge typically mails a scannable voting instruction form in lieu of the form of proxy. **If you are a Non-Registered Shareholder (holding your Shares through a bank, broker, trust company, or custodian) you are requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively Non-Registered Shareholders can call the toll-free telephone number printed on their voting instruction form or go to www.proxyvote.com and enter their 16-digit control number to deliver their voting instructions.** Broadridge tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting or any adjournment or postponement thereof.

Distribution to NOBOs

In accordance with the requirements of NI 54-101, the Company will have caused its agent to distribute copies of the Meeting Materials as well as a voting instruction form directly to each Non-Registered Shareholders who has provided instructions to an Intermediary that such Non-Registered Shareholder does not object to the Intermediary disclosing ownership information about the beneficial owner (a “**Non-Objecting Beneficial Owner**” or “**NOBO**”).

These Meeting Materials are being sent to both Registered Shareholders and Non-Registered Shareholders. If you are a Non-Registered Shareholder, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of Shares have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send these Meeting Materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

The Meeting Materials distributed by Orogen’s agent to NOBOs include a voting instruction form (“**VIF**”). These VIFs are to be completed and returned to Computershare in accordance with the instructions.

Computershare is required to follow the voting instructions properly received from NOBOs. Computershare will tabulate the results of the VIFs received from NOBOs and will provide voting instructions at the Meeting with respect to the Shares represented by the VIFs they receive. If the VIF is executed by an attorney for an individual Shareholder or by an officer or attorney of a Shareholder that is a company or association, documentation evidencing the power to execute the VIF may be required with signing capacity stated.

If a NOBO wishes to attend the Meeting and vote in person (or have another person attend and vote on behalf of the NOBO), the NOBO should insert the name of the NOBO (or the name of the person that the NOBO wants to attend and vote on the NOBO's behalf) in the space provided on the VIF and return it to Computershare in accordance with the instructions provided on the VIF. If Computershare or the Company receives a written request that the NOBO or its nominee be appointed as proxyholder, if management is holding a proxy with respect to Shares beneficially owned by such NOBO, the Company must arrange, without expense to the NOBO, to appoint the NOBO or its nominee as proxyholder in respect of those Shares. Under NI 54-101, unless corporate Law does not allow it, if the NOBO or its nominee is appointed as proxyholder by the Company in this manner, the NOBO or its nominee, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that come before the Meeting and any adjournment or postponement of the Meeting. If the Company receives such instructions at least one Business Day before the deadline for submission of proxies, it is required to deposit the proxy within that deadline, in order to appoint the NOBO or its nominee as proxyholder. If a NOBO requests that the NOBO or its nominee be appointed as proxyholder, the NOBO or its appointed nominee, as applicable, will need to attend the Meeting in person in order for the NOBOs vote to be counted.

Distribution to OBOs

In addition, the Company **will not have caused** its agent to deliver copies of the Meeting Materials to the clearing agencies and Intermediaries for onward distribution to those Non-Registered Shareholders who have provided instructions to an Intermediary that the beneficial owner objects to the Intermediary disclosing ownership information about the beneficial owner (each an “**Objecting Beneficial Owner**” or “**OBO**”).

Voting of Shares Represented by Management Proxies

The Shares represented by a properly executed proxy or proxy authorization form will be voted for or against in accordance with the instructions of the Shareholder on any vote that may be called for, and, if the Shareholder specifies a choice with respect to any matter to be acted upon at the Meeting, the Shares represented by properly executed proxies will be voted accordingly.

In the absence of any instructions to the contrary, the Shares represented by proxies or proxy authorization forms received by management of the Company will be voted FOR the approval of all matters set out in the proxy or proxy authorization form.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matters do properly come before the Meeting, it is intended that the person appointed as proxy shall vote on such other business in such manner as that person then considers to be proper.

Voting Securities of the Company and Principal Holders Thereof

The Company's board of directors (the "**Board of Directors**" or the "**Board**") has fixed the close of business on September 14, 2022, as the record date for the Meeting (the "**Record Date**").

As of the Record Date, the authorized share capital of the Company consists of an unlimited number of Shares. As of September 14, 2022, the Company had outstanding 178,763,442 Shares, each carrying the right to one vote at the Meeting. The Company has no other class of voting securities.

Business may be transacted at the Meeting if one or more persons who are, or who represent by proxy, one or more Shareholders who, in the aggregate, hold at least 5% of the issued Shares entitled to be voted at the Meeting, is present at the Meeting. Only Shareholders of record at the close of business on the Record Date, who either attend the Meeting personally or complete and deliver a form of proxy in the manner and subject to the provisions described above, will be entitled to vote their Shares or to have their Shares voted at the Meeting. The failure of any Shareholder to receive notice of the Meeting does not deprive the Shareholder of the right to vote at the Meeting.

To the knowledge of the directors and executive officers of the Company, the following table lists all persons or entities who beneficially own, directly or indirectly, or exercised control or direction over, Shares carrying 10% or more of the voting rights attached to all outstanding Shares.

The Articles fix a deadline by which Shareholders must submit nominations to the Company prior to any annual or special meeting of Shareholders and sets forth the minimum information that a Shareholder must include in the notice to the Company for the notice to be in proper written form. ADOPTION AND APPROVAL OF OMNIBUS EQUITY INCENTIVE COMPENSATION PLAN

The Company's current stock option plan (the "2018 Plan") is a 10% "rolling plan". The Board adopted the 2018 Plan on June 8, 2018, and was subsequently approved by Shareholders at its July 16, 2018 annual general meeting, and yearly re-approved thereafter.

In November 2021 the TSX Venture Exchange (the "Exchange") amended Policy 4.4 Security Based Compensation ("Policy 4.4") to cover a variety of security-based awards commonly used as compensation tools, including deferred share units ("Deferred Share Units"), performance share units ("Performance Share Units"), restricted share units ("Restricted Share Units") and stock appreciation rights, which resulted in non-compliance of the 2018 Plan.

The Company wishes to establish an incentive compensation plan called the Omnibus Equity Incentive Compensation Plan (the "Plan"). Accordingly, the Plan was adopted by the Board on August 11, 2022 and permits the grant of options ("Options"), Restricted Share Units, Deferred Share Units and Performance Share Units. The Plan is compliant with the requirements of Policy 4.4.

The purposes of the Plan are:

- (a) to develop a robust compensation policy that broadens the approach available to the Company in order to promote and align its short and long term strategic goals and objectives with performance of directors, officers and employees;
- (b) to provide the Company flexibility to prioritize issuance of Shares and use of cash when implementing its compensation policy; and
- (c) to provide a competitive compensation package to attract, motivate and retain talent.

The Plan is a “rolling up to 10%” Security Based Compensation Plan, as defined in Policy 4.4. Pursuant to the Plan, the number of shares that are issuable pursuant to the exercise of awards granted hereunder shall not exceed 10% of the issued shares of the Company as at the date of any award grant. As of September 14, 2022, the Company had 6,835,008 stock options outstanding. Subject to Exchange acceptance of the Plan, the 2018 Plan will be terminated, the Plan will be implemented and options previously issued and outstanding under the 2018 Plan will roll into and be governed by the Plan.

Pursuant to Policy 4.4, Shareholders are required to adopt the Plan and re-approve it on a yearly basis thereafter.

The following is a summary of the principal terms of the Plan:

The Plan is administered by the Company’s Board.

A Director, Officer, Employee, Management Company Employee or Consultant, as such terms are defined in Policy 4.4, that is the recipient of an award granted or issued by the Company is deemed a Plan’s participant.

Awards shall not entitle a participant to any shareholder rights (including, without limitation, voting rights, dividend entitlement or rights on liquidation) until such time as underlying shares are issued to such participant; provided, other than an accrual of dividends accepted by the Exchange. All awards are non-assignable and non-transferable.

If a security-based award expires or otherwise terminates for any reason, the number of Shares in respect of that expired or terminated security-based award shall again be available for the purposes of the Plan.

The Plan may be amended or terminated by the Board at any time, but such amendment or termination will not alter the terms or conditions of any security-based awarded prior to the date of such amendment or termination but with the participant’s consent. Any security-based award outstanding when the Plan is amended or terminated will remain in effect until it is exercised or expires or is otherwise terminated in accordance with the provisions of the Plan. Some amendments to the Plan shall require the prior approval of the Company’s Shareholders, as per section 12.1 of the Plan.

The Plan provides that other terms and conditions, including vesting provisions, may be attached to a particular security-based award, at the discretion of the Board. All awards are to be evidenced by the execution of an agreement.

The exercise price of the stock options granted under the Plan shall be as set by the Board but shall not be less than the fair market value of the Shares on the date of the grant, in accordance with the policies of the Exchange, and the same principles apply to other awards where the value of the award is initially tied to market price.

The Plan provides that it is solely within the discretion of the Board to determine to whom an award is granted, the type and number of awards and other provisions, subject to Policy 4.4. The Board may issue a majority of the security-based awards to insiders of the Company. However, the maximum aggregate number of Shares that are issuable pursuant to all Awards granted or issued to Insiders (as a group) shall not exceed 10% of the issued Shares of the Company at any point in time (unless the Corporation has obtained the requisite disinterested Shareholder approval pursuant to Section 5.3 of Policy 4.4). Further, the number of Shares which may be issuable under the Plan:

- (a) to any one optionee, other than to a consultant or employees providing investor relations activities shall not exceed 5%, in aggregate, of the outstanding Shares in any 12-month period on a non-diluted basis;
- (b) to any one consultant to the Company, shall not exceed 2%, in aggregate, of the outstanding Shares in any 12-month period; and
- (c) all such persons of the Company providing investor relations activities (as defined by the policies of the Exchange), in aggregate, shall not exceed 2%, in aggregate, of the outstanding Shares in any 12-month period. Investor Relations Service Providers may not receive any Award other than Options.

Additional Terms for Options

A stock option may be granted for a period of up to ten years from the date of the grant, at a price not less than the fair market value of the Company's shares. If the optionee resigns or is terminated other than for cause, all unexercised stock options previously granted to such optionee will expire after 90 days except as otherwise provided in the optionee's written employment contract or such date as is otherwise determined by the Board. Notwithstanding the foregoing or any term of an employment contract, in no event shall such right extend beyond the option period or one year from the termination date.

All unvested stock options will be cancelled immediately. If an optionee is terminated for cause, all stock options expire immediately.

The Company may, in its sole discretion, permit the exercise of an option through either:

- (a) a cashless exercise mechanism, whereby the Company has an arrangement with a brokerage firm pursuant to which the brokerage firm that agrees to loan to a participant money to purchase the shares underlying the agreement, sells a sufficient number of shares to cover the exercise price of the options in order to repay the loan made to the Participant, and receives an equivalent number of shares from the exercise of the options and the Participant receives the balance of shares pursuant to such exercise, or the cash proceeds from the sale of the balance of such shares; or
- (b) a net exercise (a "Net Exercise") mechanism, whereby options, excluding options held by any Investor Relations Service Provider, are exercised without the Participant making any cash payment so the Company does not receive any cash from the exercise of the subject options, and instead the Participant receives only the number of underlying shares that is the equal to the quotient obtained by dividing the product of the number of options being exercised multiplied by the difference between the VWAP of the underlying shares and the exercise price of the subject options; by the VWAP (Volume Weighted Average trading Price for the five Trading Days immediately preceding the exercise) of the underlying shares.

Options shall be exercised by the delivery of a notice of exercise to the Company, or by complying with

any alternative procedures which may be authorized by the Committee, setting forth the number of shares with respect to which the option is to be exercised, accompanied by full payment for the shares, and any applicable withholding taxes.

An option granted under the Plan may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated, other than by will or by the laws of descent and distribution.

Additional Terms for Restricted Share Units

Each Restricted Share Unit grant shall be evidenced by an award agreement that shall specify the period(s) of restriction, the number of Restricted Share Units granted, the settlement date for Restricted Share Units, and any such other provisions as the Company shall determine, provided that, no Restricted Share Unit shall vest (i) earlier than one year, or (ii) later than three years after the date of grant, except that the Company may in its sole discretion accelerate the vesting for a participant who dies or who ceases to be an eligible participant under the Plan in connection with a change of control.

The Restricted Shares Units granted may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated or disposed of by the participant, whether voluntarily or by operation of law, otherwise than by testate succession of the laws of descent and distribution, until the end of the applicable period of restriction specified in the award agreement until the date of settlement through delivery or other payment, and any attempt to do so will cause such Restricted Share Units to be null and void. A vested Restricted Share Unit shall be redeemable only by the participant and, upon the death of a Participant, the person to whom the rights shall have passed by testate succession or by the laws of decent and distribution.

A participant shall have no voting rights with respect to any Restricted Share Units granted under the Plan.

During the period of restriction, participants holding Restricted Share Units granted hereunder may, if the Company so determines, be credited with dividends paid with respect to the underlying shares or dividend equivalents while they are so held in accordance with the Plan and otherwise in such a manner determined by the Company in its sole discretion. Dividend equivalents is a right with respect to an award to receive cash, shares or other property equal in value and form to dividends declared by the board and paid with respect to outstanding shares and shall not apply to an award unless specifically provided for in the award agreement. The Company may apply any restrictions to the dividends or dividend equivalents that the Committee deems appropriate. The Company, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including cash, shares and Restricted Share Units, provided that any dividend equivalents paid in the form of additional awards shall reduce the applicable pool of shares available for issuance of awards, and must be in accordance with the provisions of Section 4.8 of the Plan. Any Dividend Equivalents not paid in cash and not within the parameters of Section 4.8 of the Plan will be subject to the prior acceptance of the Exchange. Further, any additional Restricted Share Units credited to the participant's account in satisfaction of payment of dividends or dividend equivalents will vest in proportion to and will be paid under the Plan in the same manner as the Restricted Share Units to which they relate.

Death and other termination of employment, consultancy, or directorship:

- (a) Death: If a participant dies while an employee, director of, or consultant to, the Company or an affiliate:
 - (i) any Restricted Share Units held by the participant that have not vested shall vest immediately;
 - (ii) any Restricted Share Units held by the participant that have vested, shall be paid to the

participant's estate in accordance with the terms of the Plan and award agreement; and
(iii) such participant's eligibility to receive further grants of Restricted Share Units under the Plan ceases as of the termination date.

- (b) Termination other than Death: where a participant's employment or term of office or engagement terminates for any reason other than death (whether such termination occurs with or without any or adequate notice or reasonable notice, or with or without any or adequate compensation in lieu of such notice), then:
- (i) any Restricted Share Units held by the participant that have vested before the termination date shall be paid to the participant. Any Restricted Share Units held by the participant that are not yet vested at the termination date will be immediately cancelled and forfeited to the Company on the termination date;
 - (ii) the eligibility of a participant to receive further grants under the Plan ceases as of the date that the Company or an affiliate provides the participant with written notification that the participant's employment or term of office or engagement, is terminated;
 - (iii) notwithstanding item (a) above, unless the Committee, in its sole discretion, otherwise determines, at any time and from time to time, Restricted Share Units are not affected by a change of employment arrangement within or among the Company or an affiliate for so long as the participant continues to be an employee of the Company or an affiliate; and
 - (iv) any settlement or redemption of any Restricted Share Units shall occur within one year following the termination date.

When and if Restricted Share Units become payable, the participant issued such units shall be entitled to receive payment from the Company in settlement of such units, shares (issued from treasury) of equivalent value (based on the fair market value, as defined in the award agreement at the time of grant or thereafter by the Board) or, at the sole discretion of the Board, a cash payment. The payment date for any Restricted Share Units in respect of which the Board may elect to settle in cash shall not extend beyond December 31 of the third calendar year following the calendar year in which the services giving rise to the award were rendered.

Additional Terms for Deferred Share Units

No awarded Deferred Share Unit shall vest earlier than one year after the date of grant, except that the Company may in its sole discretion accelerate the vesting for a participant who dies or who ceases to be an eligible participant under the Plan in connection with a change of control.

Each Deferred Share Unit grant shall be evidenced by an award agreement that shall specify the number of Deferred Share Units granted, the settlement date for Deferred Share Units, and any other provisions as the Company shall determine, including, but not limited to a requirement that participants pay a stipulated purchase price for each Deferred Share Unit, restrictions based upon the achievement of specific performance criteria, time-based restrictions, restrictions under applicable laws or under the requirements of any stock exchange or market upon which the shares are listed or traded, or holding requirements or sale restrictions placed on the shares by the Company upon vesting of such Deferred Share Units.

The Deferred Share Units granted herein may not be sold, transferred, pledged, assigned, or otherwise alienated or hypothecated. All rights with respect to the Deferred Share Units granted to a participant under the Plan shall be available during such participant's lifetime only to such Participant.

Each award agreement shall set forth the extent to which the participant shall have the right to retain

Deferred Share Units following the termination date but no later than the 90th day following the termination of the participant's employment or other relationship with the Company or affiliates. Such provisions shall be determined in the sole discretion of the Company, need not be uniform among all Deferred Share Units issued pursuant to the Plan, and may reflect distinctions based on the reasons for termination. Any settlement or redemption of any Deferred Share Units shall occur within one year following the termination date.

When and if Deferred Share Units become payable, the participant issued such units shall be entitled to receive payment from the Company in settlement of such units in shares (issued from treasury) or, at the sole discretion of the Company, in a cash payment of equivalent value (based on the fair market value, as defined in the award agreement at the time of grant or thereafter by the Company). The payment for any Deferred Share Units in respect of which the Board may elect to settle in cash shall not extend beyond December 15 of the calendar year following the calendar year in which the participant's termination date occurs.

Additional Terms for Performance Share Units

No Performance Units shall vest earlier than one year after the date of grant, except that the Board may in its sole discretion accelerate the vesting for a participant who dies or who ceases to be an eligible participant under the Plan in connection with a change of control.

Each Performance Unit shall have an initial value equal to the fair market value of a share on the date of grant. The Board shall set performance criteria for a performance period in its discretion, which, depending on the extent to which they are met, will determine, in the manner determined by the Board and set forth in the award agreement, the value and/or number of each Performance Unit that will be paid to the participant. After the applicable performance period has ended, the holder of Performance Share Units shall be entitled to receive payout on the value and number of Performance Share Units, determined as a function of the extent to which the corresponding performance criteria have been achieved.

Payment of vested Performance Share Units shall be as determined by the Board and as set forth in the award agreement. Subject to the terms of the Plan, the Board will pay vested Performance Share Units in shares issued from treasury or, at the sole discretion of the Board, a cash payment equal to the value of the vested Performance Share Units at the end of the applicable performance period. Any shares may be issued subject to any restrictions deemed appropriate by the Board. The payment date for any Performance Share Units in respect of which the Board may elect to settle in cash shall not extend beyond December 31 of the third calendar year following the calendar year in which the services giving rise to the award were rendered.

During the period of restriction, participants holding Performance Share Units granted hereunder may, if the Board so determines, be credited with dividends paid with respect to the underlying shares or dividend equivalents while they are so held in accordance with the Plan and otherwise in such a manner determined by the Board in its sole discretion, subject to compliance with Policy 4.4. Dividend equivalents shall not apply to an award unless specifically provided for in the award agreement. The Board may apply any restrictions to the dividends or dividend equivalents that the Board deems appropriate. The Board, in its sole discretion, may determine the form of payment of dividends or dividend equivalents, including cash, shares and Performance Share Units, provided that any dividend equivalents paid in the form of additional awards shall reduce the applicable pool of shares available for issuance of awards, and must be in accordance with the provisions of Section 4.8 of the Plan. Any Dividend Equivalents not paid in cash and not within the parameters of Section 4.8 of the Plan will be subject to the prior acceptance of the

Exchange. Further, any additional Performance Share Units credited to the participant's account in satisfaction of payment of dividends or dividend equivalents will vest in proportion to and will be paid under the Plan in the same manner as the Performance Units to which they relate.

If a Participant dies while an employee, Director of, or consultant to, the Company or an affiliate:

- (a) the number of Performance Share Units held by the participant on the termination date that have not vested shall be adjusted as set out in the applicable award agreement (collectively referred to below as "Deemed Awards");
- (b) any Deemed Awards shall vest immediately;
- (c) any Performance Share Units held by the participant that have vested as of the termination date and any Deemed Awards that vested in accordance with item (b) above shall be paid to the participant's estate in accordance with the terms of the Plan and award agreement;
- (d) any settlement or redemption of any Performance Share Units shall occur within one year following the termination date;
- (e) any Performance Share Units held by the participant that are not yet vested at the termination date and do not vest in accordance with item (b) above immediately expire and are cancelled and forfeited on the termination date and the participant will not be entitled to any compensation or damages in respect of such cancellation and forfeiture; and
- (f) such participant's eligibility to receive further grants of Performance Share Units under the Plan ceases as of the termination date.

Unless determined otherwise by the Board, or as may otherwise be set out in a participant's employment agreement, where a participant's employment or term of office or engagement terminates for any reason other than death (whether such termination occurs with or without any or adequate notice or reasonable notice, or with or without any or adequate compensation in lieu of such notice), then:

- (a) any Performance Share Units held by the participant that have vested before the termination date shall be paid to the participant in accordance with the terms of the Plan and award agreement, and any Performance Share Units held by the participant that are not yet vested at the termination date will be immediately cancelled and forfeited to the Company on the termination date and the participant will not be entitled to any compensation or damages in respect of such cancellation and forfeiture;
- (b) the eligibility of a participant to receive further grants under the Plan ceases as of the termination date;
- (c) any settlement or redemption of any Performance Share Units shall occur within one year following the termination date; and
- (d) unless the Board, in its sole discretion, otherwise determines, at any time and from time to time, Performance Share Units are not affected by a change of employment arrangement within or among the Company or an affiliate for so long as the participant continues to be an employee of the Company or an affiliate.

The Performance Shares Units granted herein may not be sold, transferred, pledged, assigned or otherwise alienated or hypothecated or disposed of by the participant, whether voluntarily or by operation of law, otherwise than by testate succession of the laws of descent and distribution, until the end of the applicable period of restriction specified in the award agreement until the date of settlement through delivery or other payment, and any attempt to do so will cause such Performance Share Units to be null and void. A vested Performance Share Unit shall be redeemable only by the participant and, upon the death of a participant, the person to whom the rights shall have passed by testate succession or by the laws of decent and distribution may redeem any vested Performance Share Units in accordance with

the provisions herein.

CORPORATE GOVERNANCE

National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”) requires issuers to disclose the corporate governance practices that they have adopted and National Instrument 58-201 *Corporate Governance Guidelines* provides guidance on corporate governance practices. In addition, the Company is subject to National Instrument 52-110 *Audit Committees* (“**NI 52-110**”), which has been adopted in various Canadian provinces and territories and which prescribes certain requirements in relation to audit committees. A full description of each of the corporate governance practices of the Company with respect to NI 58-101 is set out below.

The Board of Directors’ responsibilities include strategic planning, appointing and overseeing management, succession planning, risk identification and management, environmental oversight, communications with other parties and overseeing financial and corporate issues. The Board believes that good corporate governance practices provide an important framework for timely response by the Board to situations that may directly affect Shareholder value. The Board has adopted a Corporate Governance Policy which includes several guidelines for disclosure controls and procedures, and trading policies. These policies are posted on the Company’s website at www.rogenroyalties.com.

Board of Directors

The Board must have the capacity, independent of management, to fulfill its responsibilities.

Independence is based upon the absence of relationships and interests that could compromise the ability of a director to exercise judgment with a view to the best interests of the Company. The Board is responsible for determining whether or not each director is an independent director. To do this, the Board examines all the relationships of the directors with the Company and its subsidiaries.

The following directors are considered to be independent: Roland W. Butler, Samantha Shorter, Timothy M. Janke and Justin J. Quigley. J. Patrick Nicol, who is the President and Chief Executive Officer of the Company is considered not to be independent. The Board takes specific precautions for any transactions that involve related parties or directors that are not independent. This is accomplished by having a meeting of independent directors with no management representatives present. The Company's legal counsel provides guidance on documenting the decisions and actions of the independent directors. Alan J. Hutchison of Osler, Hoskin & Harcourt LLP, is the Company's legal counsel. He is a practicing barrister and solicitor in British Columbia.

Directorships

The following table summarizes the directorships of reporting issuers held by the member of the board of directors:

Director	Issuer	Initial Date
Roland W. Butler	Millrock Resources Inc.	July 19, 2010
Samantha Shorter	Pacific Empire Metals Corp.	October 12, 2021
	Clear Gold Resources Inc.	September 1, 2019

Orientation and Continuing Education

New directors of the Company are provided with an orientation and education program which includes written information about the duties of directors and the business and operations of the Company. New directors are provided with opportunities to meet with each senior officer of the Company for due diligence or to obtain additional information. On an ongoing basis, the Company's legal counsel will provide memoranda concerning particular issues that may be of concern to the Board.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board, in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. The Company has adopted a Code of Conduct which encourages ethical business practices for all employees, officers, and directors.

Nomination of Directors

The size and current membership of the Board of Directors is reviewed each year prior to the directors making any recommendations to the Shareholders in respect of the election of the Board at the annual meeting of the Shareholders. Nominations to the Board are made after considering the number of directors required to carry out the Board's duties effectively and the need to maintain the Board's diversity of views and experience. Prior to appointing any new director or recommending any new

nominee for election to the Board, a Nominating Committee of the Board will be struck to identify Prospective Board members and interview each candidate to determine his or her area of expertise and qualifications to serve as a director of the Company.

Compensation

The Board has determined that the compensation of directors and officers should be comparable to similar organizations taking into consideration such matters as time commitment, responsibility and trends in director and executive compensation. For more information regarding compensation paid to directors and executives, see *“Executive Compensation”*.

Other Board Committees

There are no standing committees of the Board other than the Audit Committee and the Compensation Committee.

The Audit Committee is the Company’s primary standing committee of the Board. The Audit Committee meet at least four times annually to review quarterly and annual financial statements and Management Discussions and Analysis, the accounting policies, internal control procedures and provide the Company’s external auditors with instructions. Until December 31, 2020, the majority of the members of the Audit Committee were independent members of the Board, however, due to changes to the Board composition in 2021, the majority of the Audit Committee members were not independent. The Company has nominated Samantha Shorter for election to the Board at the Meeting. It is anticipated that Ms. Shorter will serve on the Audit Committee if elected at the Meeting, which will cause the majority of the members of the Audit Committee to be independent directors. Ms. Shorter will replace Robert Felder who has been a non-independent member of the Audit Committee since August 18, 2020 and is not standing for re-election at the Meeting. The Audit Committee will be comprised three directors including Samantha Shorter, Roland W. Butler and John Patrick Nicol. All members of the Audit Committee are financially literate. See *“Audit Committee and Relationship with Auditors”* below for additional information about the Audit Committee.

The Compensation Committee is comprised of three directors, including Samantha Shorter, if elected at the Meeting, Roland W. Butler, and Timothy M. Janke, who are considered independent members of the Board pursuant to the meaning of “independent” provided in NI 52-110. Robert Felder, who was a member of the Compensation Committee in 2021 and up to this date, will not stand for re-election at the Meeting. The Compensation Committee meet at least once annually to review management’s performance metrics, objectives, and compensation. The Compensation Committee also meet as required to review Board and Committee nominations and corporate governance. Recommendations from the Compensation Committee are referred to the entire Board of Directors for approval.

Assessments

As part of the Company’s corporate governance objectives, the Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, and its committees, including reviewing the Board’s decision-making processes and quality and adequacy of information provided by management. The most recent Board self-assessment was conducted in March 2022 and was facilitated by the external legal counsel. The director nomination and Board Committees composition are the result of Board assessment completed.

- (e) reviewing significant related party transactions and potential conflicts of interest; and
- (f) recommending the appointment of the external auditor, approving all audit engagement terms and fees and pre-approving all audit, non-audit and assurance services provided to the Company by the external auditor.

Composition of the Audit Committee

The Company's Audit Committee is currently comprised of three directors including Robert P. Felder, Roland W. Butler, and J. Patrick Nicol. Roland W. Butler is considered independent member of the Board pursuant to the meaning of "independent" provided in NI 52-110, and J. Patrick Nicol, Chief Executive Officer of the Company, and Robert P. Felder, former President of Renaissance Gold Inc., are considered non-independent. Due to changes to the Board composition in 2021, the majority of the Audit Committee members are currently not independent. The Company has nominated Samantha Shorter for election to the Board at the Meeting. It is anticipated that Ms. Shorter will serve on the Audit Committee if elected at the Meeting, which will cause the majority of the members of the Audit Committee to be independent directors.

Executive Compensation

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Company's executive compensation objectives and processes and to discuss compensation decisions relating to its named executive officers ("**Named Executive Officers**" or "NEOs") listed in the Summary Compensation Table that follows. During its financial year ended December 31, 2021, two individuals were Named Executive Officers (as defined in Canadian Securities Laws) of the Company, namely J. Patrick Nicol, President, and Chief Executive Officer, and Marcus Tran, the current Chief Financial Officer.

Compensation Objectives, Principles and Process

The Company has determined that the officers and employees of the Company should be compensated in a form and amount that considers such factors as professional qualifications, responsibility within the organization, and trends in executive compensation. In 2020, the Company conducted a survey of compensation data based on public disclosures of selected companies with similar business models, at

similar stages of development and with similar resources available to them. The peer companies included in this survey were Almadex Minerals Ltd., Avrupa Minerals Ltd., Eagle Plains Resources Ltd., Eurasian Minerals Inc., Lara Exploration Ltd., Millrock Resources Inc., Outcrop Gold Corp., Mirasol Resources Ltd., and Riverside Resources Inc. This data was used to determine appropriate levels of compensation for directors and NEOs for the fiscal year ended December 31, 2020. The Company has not updated this survey for the current year and as a result, remunerations for directors and NEOs have not changed fiscal year ended December 31, 2020.

The compensation package for each Named Executive Officer of the Company consists of a base salary, vacation commensurate with years of service, benefits available to all employees of the Company, an annual bonus based upon the Company's success in executing the royalties and joint venture model of mineral exploration, and stock options. The Compensation Committee of the Board determines the compensation for the Chief Executive Officer and provides recommendation to the Chief Executive Officer for other executive officers. The Chief Executive Officer, in consultation with the Chief Financial Officer, determines compensation of staff members who are not executive officers.

It is difficult to assess appropriate performance targets for a royalties and exploration company since the projects change within the fiscal year and success in exploration can be as much a function of the geology and project circumstances as it is the result of personal effort. The Compensation Committee determined that the Company's success in negotiating and managing joint venture or option agreements for mineral properties would represent the best standard for determining short and long-term incentive programs. The incentive program will be reviewed on an annual basis by the Compensation Committee to ensure that compensation remains competitive with industry standards.

Annual cash bonuses for all employees are based on performance from the Company's royalties and prospect generation businesses, overall financial and operational results, and achieving individual and corporate objectives. For the fiscal year ended December 31, 2021, the total bonus pool was based on a percentage of total annual option payments and exploration expenditures made by joint venture partners on all active projects. The distribution of the bonus pool is based on an annual assessment of employees' Key Performance Indicators.

The Compensation Committee of the Board with consultation from senior management determines the allocation of Stock Options that were granted during the fiscal year ended December 31, 2021. The 2018 Plan "rolling up to 10%" Stock Option plan that allows the number of shares that are issuable pursuant to the exercise of Stock Options granted shall not exceed 10% of the issued shares of the Company as at the date of any Stock Option grant. The Board adopted the 2018 Plan on June 8, 2018, that was subsequently approved by Shareholders at their July 16, 2018, July 16, 2019, August 12, 2020, and October 25, 2021 annual general meetings. The 2018 Plan will be replaced by the Plan, if approved by Shareholders, and will allow additional types of equity-compensation including Restricted Share Units, Performance Share Units and Deferred Share Units.

The Compensation Committee is responsible of reviewing the performance of the Chief Executive Officer including assisting with annual goal setting and performance metrics, which are an integral part of the Company's overall compensation program.

Neither the Board nor any of its Committees have considered the implications of risk associated with the Company's compensation policies and practices.

No Named Executive Officer or Director is permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds,

that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director.

The Company's external auditors may be present at these meetings.

5.3 REVIEW OF THE CEO AND CFO CERTIFICATION PROCESS

The Committee will review the Company's process for the CEO and CFO certifications required by the various regulatory agencies in the jurisdictions in which the Company operates with respect to the Company's financial statements, disclosures and internal controls, including any significant changes or deficiencies in such controls. The Chairperson of the Committee or his appointee shall review the Company's disclosure controls and procedures.

5.4 REVIEW OF INFORMATION PROVIDED TO ANALYSTS AND RATING AGENCIES

The Committee shall review other news releases containing significant financial information that has not been previously released to the public with the Company's Chief Financial Officer prior to their release. The substance of presentations to analysts and rating agencies involving material changes in the Company's strategy or outlook shall be reviewed with the full Board prior to the event.

5.5 APPROVAL OF AUDIT AND NON-AUDIT SERVICES

In addition to approving the engagement of the external auditor to audit the Company's financial statements, the Committee will approve all audit, non-audit and assurance services provided by the independent auditor prior to the commencement of any such engagement. The Committee may delegate the responsibility for approving these services to the Chairperson or his appointee where the fee is not significant. The Committee will review a summary of all audit, non-audit and assurance work performed for the Company at least twice per year. To minimize relationships that could impair the independence of the external auditor, it is the Committee's practice to limit non-audit and assurance services provided by the independent auditor to assistance with financings, taxation, acquisition due diligence and merger integration or other services where there are compelling reasons for the external auditor to provide such services.

5.6 HIRING GUIDELINES FOR EMPLOYEES OF THE INDEPENDENT AUDITOR

The Committee shall review and approve the appointment of any employee or former employee of the Company's external auditor to a senior financial management position with the Company. The Committee shall request management to annually prepare a report of the profiles of all individuals hired during the past year who were employed by the external auditor at any time during the two years prior to being hired by the Company.

5.7 COMPLAINTS ABOUT ACCOUNTING, AUDITING AND FINANCIAL REPORTING AND DISCLOSURE MATTERS

The Company's Whistle Blower policy prohibits reprisals or intimidation of employees who draw attention to problems or violations of ethical standards. Employees can report any concerns to their superior or the Company's legal counsel, confidentially and anonymously. Employees may also submit, confidentially and anonymously, concerns regarding questionable accounting, auditing and financial reporting and disclosure matters to the Chairperson of the Audit Committee. A summary of all complaints related to auditing, accounting and financial reporting and/or disclosure matters will be reported to the Committee at each meeting, and if the Committee so directs, to the full Board. The Committee may retain outside counsel or other advisors to investigate and resolve any complaints disclosed to it.

5.8 OTHER MATTERS

Management shall report any real or suspected incidents of fraud, theft or violations of the Company's Code of Ethics to the Committee. Corporate Counsel shall report to the Committee any litigation, claim or other contingency that could have a significant effect on the Company's financial results or disclosures.
