THIS NOTICE OF MEETING AND MANAGEMENT INFORMATION CIRCULAR IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF CARBEEZA INC. OF PROXIES TO BE VOTED AT THE ANNUAL GENERAL MEETING OF SHAREHOLDERS OF CARBEEZA CORPORATION TO BE HELD ON NOVEMBER 9, 2023.

NOTICE OF ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS

NOTICE IS HEREBY GIVEN that the annual and special meeting (the "**Meeting**") of the shareholders (the "**Shareholders**") of Carbeeza Inc. (the "**Corporation**") will be held at the offices of McLeod Law LLP, 500-707-5th Street SW, Calgary, Alberta, T2P 1V8 at 11:00 a.m. (Mountain Standard Time), on November 9, 2023 for the following purposes:

3. to consider and, if thought appropriate, to pass, with or without variation, an ordinary resolution approving the reappointment of MNP LLP, Chartered Accountants, as the Corporation's auditor for the ensuing year and to authorize the Board to fix the auditor's remuneration;
4. to consider and if thought fit, approve, with or without variation, an ordinary resolution to approve amendments to the Corporation's bylaws (the "**Amended Bylaws**") as more particularly set forth in the accompanying Information Circular;
5. to consider, and if thought appropriate, to approve, with or without variation, an ordinary resolution, as more particularly set forth in the accompanying Information Circular, relating to the adoption of the stock option plan of the Corporation (the "**Equity Incentive Plan**");

The directors of the Corporation have fixed September 29, 2023 (the "**Record Date**") as the record date for the determination of Shareholders entitled to receive notice of the Meeting

The Corporation has elected to use the notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access provisions are a relatively new set of rules developed by the Canadian Securities Administrators that reduce the volume of materials that must be physically mailed to Shareholders by allowing the Corporation to post the Information Circular and any additional materials online. Shareholders will still receive this Notice of Meeting and a form of proxy and may choose to receive a paper copy of the Information Circular. The Corporation will not use the procedure known as 'stratification' in relation to the use of Notice-

and-Access Provisions. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the Information Circular to some shareholders with this notice package. In relation to the Meeting, all Shareholders will receive the required documentation under the Notice-and-Access Provisions, which will not include a paper copy of the Information Circular.

Please review the Information Circular carefully and in full prior to voting as the Information Circular has been prepared to help you make an informed decision on the matters to be acted upon. The Information Circular is available on the Corporation's website at:

www.carbeeza.com

and under the Corporation's profile on SEDAR at www.sedar.com. Any shareholder who wishes to receive a paper copy of this Circular should contact the Corporation at 1-855-216-8802, or by facsimile to 780-444-6355 or by email to investorrelations@carbeeza.com. Shareholders may also use the toll-free number noted above to obtain additional information about the Notice-and-Access Provisions.

Shareholders as of the Record Date are entitled to vote their Common Shares except to the extent that they have transferred the ownership of any of their Common Shares after the Record Date. The transferee of those Common Shares must produce properly endorsed share certificates or otherwise establish that he or she owns the Common Shares and request, not later than 10 days before the date of the Meeting, to be included in the list of Shareholders eligible to vote at the Meeting, in which case such transferee will be entitled to vote those Common Shares at the Meeting

DATED at Calgary, Alberta, this 5th day of September, 2023.

**BY ORDER OF THE BOARD OF CARBEEZA
INC.**

"Sandro Antoni Torrieri"

**Sandro Antoni Torrieri
Chief Executive Officer**

The persons named in the enclosed form of proxy (the "**Management Designees**") are members of the Corporation's board or management. **Each Shareholder has the right to appoint a proxyholder other than such persons, who need not be a Shareholder, to attend and to act for him or her and on his or her behalf at the Meeting.** To exercise such right, the names of the Management Designees should be crossed out and the name of the Shareholder's appointee should be legibly printed in the blank space provided.

The instrument appointing the proxy shall be in writing and shall be executed by the Shareholder or his or her attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized.

PROXIES AND VOTING INFORMATION

Management Solicitation

The solicitation of proxies by Management will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, officers and employees of the Corporation. The Corporation does not reimburse Shareholders, nominees or agents for costs incurred in obtaining, from the principals of such persons, authorization to execute a proxy, except that the Corporation has requested brokers and nominees who hold shares in their respective names to furnish this Circular and related proxy materials to their customers. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of the solicitation will be borne by the Corporation.

No person has been authorized to give any information or to make any representation other than as contained in this Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Corporation. The delivery of this Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Circular. This Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Voting by Proxy Before the Meeting

The person indicated in the accompanying proxy shall vote the shares in respect of which they are appointed in accordance with the direction of the shareholder appointing them. **In the absence of such direction, the Management Designees named in the accompanying proxy will vote such shares in favour of the matters on which the Shareholder is entitled to vote as specified in the Notice, and more specifically in favour of:**

If you submit a proxy, you must complete, date and sign the proxy, and return it to the Corporation's registrar and transfer agent, Olympia Trust Company ("**Olympia**"), located at Suite 4500, 520 - 3rd Ave. SW, Calgary, Alberta T2P 0R3, Attention: Proxy Department, not less than 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of Alberta) prior to the scheduled time of the Meeting, or any adjournment(s) or postponement(s) thereof. NOTICE AND ACCESS

Notice-and-Access is a mechanism which allows reporting issuers other than investment funds to choose to deliver proxy-related materials to registered holders and beneficial owners of its securities by posting such materials on a non-SEDAR website (usually the reporting issuer's website and sometimes the transfer agent's website) rather than delivering such materials by mail. The notice-and-access provisions under National Instrument 54-101 and National Instrument 51-102 (the "**Notice-and-Access Provisions**") can be used to deliver materials for both special and general meetings.

The use of the Notice-and-Access Provisions is intended to reduce paper waste and mailing costs to the reporting issuer. In order for the Corporation to utilize the Notice-and-Access Provisions to deliver proxy-related materials, the Corporation must send a notice to Shareholders indicating that the proxy-related materials for the Meeting have been posted electronically on a website that is not SEDAR and explaining how a Shareholder can access them or obtain a paper copy of those materials. Upon request, beneficial owners are entitled to delivery of a paper copy of the information circular at the reporting issuer's expense. This Circular has been posted in full on the Corporation's website at:

www.carbeeza.com

and under the Corporation's SEDAR profile at www.sedar.com.

In order to use the Notice-and-Access Provisions, a reporting issuer must set the record date for the meeting at least 40 days prior to the meeting to ensure there is sufficient time for the materials to be posted on the applicable website and the notice of meeting and form of proxy to be delivered to Shareholders. The requirements for the notice of meeting are that the Corporation shall provide basic information about the Meeting and the matters to be voted on, explain how a Shareholder can obtain a paper copy of this Circular, and explain the Notice-and-Access process. The Notice of Meeting containing this information has been delivered to Shareholders by the Corporation, along with the applicable voting document (a form of proxy in the case of registered Shareholders or a voting instruction form in the case of non-registered Shareholders).

The Corporation will not rely upon the use of 'stratification'. Stratification occurs when a reporting issuer using the Notice-and-Access Provisions provides a paper copy of the information circular to some, but not all, of its shareholders, along with the notice of meeting. In relation to the Meeting, all Shareholders will receive the documentation required under the Notice-and-Access Provisions and all documents required to vote at the Meeting. No Shareholder will receive a paper copy of this Circular from the Corporation or any intermediary unless such Shareholder specifically requests same.

The Corporation will be delivering proxy-related materials to NOBOs indirectly through the use of intermediaries. The Corporation intends to pay for delivery of materials to OBOs. As a result OBOs will also receive the materials indirectly through the use of intermediaries.

Any shareholder who wishes to receive a paper copy of this Circular should contact the Corporation at 1-855-216-8802, or by facsimile to 780-444-6355 or by email to investorrelations@carbeeza.com. In order to ensure that a paper copy of this Circular can be delivered to a requesting shareholder in time for such shareholder to review this Circular and return a proxy or voting instruction form so that it is received not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays) prior to the time set for the Meeting or any adjournment of the Meeting, it is strongly suggested that a shareholder ensure their request is received no later than October 25, 2023. All shareholders may call 1-855-216-8802 (toll-free) in order to obtain additional information about the Notice-and-Access Provisions or to obtain a paper copy of this Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

Non-Registered Shareholders

Only registered Shareholders or duly appointed proxyholders are entitled to vote at the Meeting. A substantial number of Shareholders are non-registered Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are registered either: (a) in the name of an intermediary (an "**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency, such as The Canadian Depository for Securities Limited, of which the Intermediary is a participant.

Intermediaries are required to forward the Notice of Meeting, this Circular and form of proxy (collectively, the "**Meeting Materials**") to Non-Registered Shareholders unless the Non-Registered Shareholders have waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (a) Be given a proxy which has already been signed by an Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. This form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and return it in accordance with the instructions provided in the proxy; or

- (b) More typically, be given a voting instruction form which is not signed by the Intermediary and which, when properly completed and signed by the Non-Registered Shareholder and returned to the Intermediary or its service company, will constitute voting instructions (often called a "**Voting Instruction Form**" or "**VIF**"), which the Intermediary must follow.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. However, without specific voting instructions, Intermediaries and their agents and nominees are prohibited from voting shares for their clients. **Accordingly, each Non-Registered Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Should a Non-Registered Shareholder who receives either a proxy or a VIF wish to attend the Meeting or have someone else attend on his or her behalf, the Non-Registered Shareholder should strike out the names of the persons named in the Proxy or VIF and insert the Non-Registered Shareholder's (or such other person's) name in the blank space provided or, in the cases of a VIF, follow the corresponding instructions on the form. In addition, such Non-Registered Shareholders should register such proxyholder to allow such proxyholder to attend and participate in the Meeting.

There are two kinds of beneficial owners – those who object to their name being made known to the issuers of securities which they own (called OBOs for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called NOBOs for Non-Objecting Beneficial Owners). Pursuant to NI 54-101, issuers can obtain a list of their NOBOs from intermediaries for the distribution of proxy-related materials directly to NOBOs.

These Meeting Materials are being sent to both registered and non-registered owners of the Common Shares. If you are a Non-Registered Shareholder, and the Corporation or its agent has sent these Meeting Materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. The Corporation intends to pay for Intermediaries to forward the Meeting Materials to OBOs.

Revocation of Proxy

If you are a registered Shareholder, you may change a vote you made by proxy by voting again by any of the means, and by the deadlines, described in the section above entitled "*Voting by proxy before the Meeting*". Your new instructions will revoke your earlier instructions.

If you are a registered Shareholder and you voted by proxy, you can revoke your voting instructions at any time up to and including the last business day preceding the day of the Meeting or any adjournment by (i) sending a notice in writing (from you or a person authorized to sign on your behalf) to Olympia Trust Company, Suite 4500, 520 - 3rd Avenue SW, Calgary, Alberta T2P 0R3; or (ii) any other manner permitted by law.

If you intend on attending and voting at the Meeting, voting at the Meeting will revoke your previous proxy.

If you are a Non-Registered Shareholder, contact your Intermediary to find out how to change or revoke your voting instructions and the timing requirements, or for other voting questions. Intermediaries may set deadlines for the receipt of revocation notices that are farther in advance of the Meeting than those set out above and, accordingly, any such revocation should be completed well in advance of the deadline prescribed in the proxy card or voting instruction form to ensure it is given effect at the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as set forth in this Circular, no person who has been a director or executive officer of the Corporation at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation is authorized to issue an unlimited number of Common Shares without par value, of which 71,143,124 Common Shares were issued and outstanding as of the close of business on September 29, 2023 (the "**Record Date**"). Each Common Share entitles the Shareholder of record to one vote at the Meeting.

The by-laws of the Corporation provide that a quorum for the transaction of business at any meeting of shareholders shall be two (2) or more shareholders present in person or represented by a duly appointed proxy at the meeting.

Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment(s) or postponement(s) thereof.

To the knowledge of the board of directors (the "**Board**") and executive officers of the Corporation, as at the Record Date, no person beneficially owned, directly or indirectly, or exercised control or direction over 10% or more of the voting rights attached to the issued and outstanding Common Shares, except as detailed below.

Name	Number of Common Shares beneficially owned, controlled or directed, directly or indirectly	Percentage of Outstanding Common Shares
Sandro Antoni Torrieri	15,537,830	21.8%
Devin Vandenberg	10,537,830	14.81%
David Feraco	11,787,830	16.57%
Nicolas Samaha	7,415,510	10.42%

RECOMMENDATION OF THE BOARD

The Board unanimously recommends that each holder of Common Shares vote FOR all resolutions described in this Circular.

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

1. Financial Statements

The Board has approved the audited financial statements of the Corporation for the fiscal year ended December 31, 2022, together with the auditor's report thereon. 2. Fixing Number of Directors

The Board currently consists of six (6) directors. The term of office for each of the present directors of the Corporation expires at the Meeting. It is proposed that the number of directors to be elected at the Meeting for the ensuing year be fixed at six (6) directors. At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, approve an ordinary resolution to fix the number of directors of the Corporation at six (6). **In the absence of contrary instructions, the persons named in the enclosed form of proxy will vote FOR fixing the number of directors to be elected at six (6).**

3. Election of Directors

At the Meeting, Management proposes to nominate the six (6) persons named below for election as directors of the Corporation.

The term of office of each of the present directors, being Sandro Antoni Torrieri, Evan Baptie, Niel Hiscox, Maria Nathanail, Ron Hozjan and Ibrahim Gedeon, will expire at the Meeting.

Management does not contemplate that any of these nominees will be unable to serve as a director, but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion. Each director elected will hold office until the next annual meeting of the Corporation or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Corporation or the *Business Corporations Act* (Alberta) ("**ABCA**").

Advance Notice Provisions

The By-laws of the Corporation include advance notice provisions (the "**Advance Notice Provisions**"), which include, among other things, a provision that requires that advance notice be given to the Corporation in circumstances where nomination of persons for election to the Board are made by Shareholders. The Advance Notice Provisions set a deadline and the proper written form by which Shareholders must submit nominations (a "**Notice**") for the election of directors to the principal office of the Corporation prior to any annual or special meeting of Shareholders. In the case of an annual meeting of Shareholders, the Notice to the Corporation must be made not less than thirty (30) days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of

Shareholders is to be held on a date that is less than fifty (50) days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the nominating Shareholder may be given not later than the close of business on the tenth (10th) day following the Notice Date. In the case of a special meeting of the Shareholders (which is not also an annual meeting) called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

Corporate Cease Trade Orders

To the knowledge of the Corporation, other than as outlined below, no proposed director of the Corporation is, as at the date of this Circular, or has been, within 10 years before the date of this Circular, a director, chief executive officer or chief financial officer of any company that:

- (a) was subject to an order that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to an order that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Mr. Hozjan was appointed as a director of Target Capital Inc. ("**Target**") on September 16, 2020. On September 15, 2020, the Alberta Securities Commission, as principal regulator, issued a management cease trade order against Target's CEO and CFO for failure to file the required period disclosure, being annual filings for the financial year ended March 31, 2020. On November 5, 2020, due to the continued delay in respect of such filings, the Alberta Securities Commission issued a cease trade order against Target, replacing the management cease trade order. On April 16, 2021, Target's CEO and CFO resigned and were replaced with new interim officers and a refreshed board of directors, which includes Mr. Hozjan, appointed to restore public reporting. On April 18, 2023, Target filed the outstanding period disclosure and submitted an application to the Alberta Securities Commission to revoke the cease trade order. As of the date hereof, the cease trade order remains in effect pending the Alberta Securities Commission's review of the filings.

Bankruptcy and Insolvency

Other than as set out herein, to the knowledge of the Corporation, no proposed director of the Corporation:

- (a) is, as at the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (b) has, within the 10 years before the date of the Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise

with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Penalties and Sanctions

To the knowledge of the Corporation, no proposed director of the Corporation has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

Holders of Common Shares can vote for all of the proposed nominees for directors of the Corporation, vote for some of the proposed nominees and withhold for others, or withhold from voting for all or any of the proposed nominees. **Unless a Shareholder directs that his, her or its Common Shares be otherwise voted or withheld from voting in connection with the election of directors, the management designees named in the enclosed form of proxy intend to vote such proxies FOR the election of the eight nominees whose names are set forth above.**

4. Re-Appointment and Remuneration of Auditor

At the Meeting, Shareholders will be asked to re-appoint MNP LLP as the auditor of the Corporation until the next annual meeting of Shareholders, based on the recommendation of the Audit Committee and the Board, and to authorize the Board to fix the remuneration of the auditor. MNP LLP has been the auditor of the Corporation since completion of the reverse takeover transaction between HIT Technologies Inc. ("**HIT**") and Carbeeza Ltd. ("**Carbeeza**") on June 29, 2021 (the "**RTO Transaction**"). Prior to the RTO Transaction, the auditors of HIT and Carbeeza were Baker Tilly WM LLP and MNP LLP, respectively.

Unless a Shareholder directs that his, her or its Common Shares be withheld from voting in connection with the re-appointment of MNP LLP, the management designees named in the enclosed form of proxy intend to vote such proxies FOR the re-appointment of MNP LLP as the auditor of the Corporation and to authorize the directors to fix the remuneration of the auditor.

5. Approval of Amended Bylaws

On October 5, 2023, the Board of Directors approved amending the existing bylaws of the Corporation to include advance notice provisions in the form set out at Schedule "C" attached to this Information Circular (the "**Amended Bylaws**"), effective on shareholder approval. The Amended Bylaws would incorporate advance notice provisions with respect to director nominations at future meetings of the shareholders. The adoption of the Amended Bylaws at the Meeting must be approved by an ordinary resolution of the shareholders at the Meeting to take effect.

- (a) Advanced Notice Provisions

The Amended Bylaws contain advance notice provisions which provide shareholders, the Board of Directors and Management of the Corporation with a clear framework for the nomination of directors to ensure that shareholders will have sufficient time and information to consider proposed director nominees and to ensure the orderly conduct of business at the Corporation's shareholder meetings. The proposed amendments are set forth in sections 18 through 27 of the bylaws contained in "Schedule "C"- Amended Bylaws".

The Amended Bylaws set forth a procedure requiring advance notice to the Corporation by any shareholder who intends to nominate a person for election as a director of the Corporation other than pursuant to: (i) a requisition of a meeting made pursuant to the provisions of the Business Corporations Act (Alberta) (the "ABCA"); or (ii) a shareholder proposal made pursuant to the provisions of the ABCA. Among other things, the Amended Bylaws set a deadline by which such shareholders must notify the Corporation in writing of an intention to nominate directors prior to any meeting of shareholders at which directors are to be elected and specify the information that a nominating shareholder must include in the notice for director nominees to be eligible for nomination and election at the meeting.

In the case of an annual meeting of shareholders, notice to the Corporation must be made not less than 30 days prior to the date of the annual meeting; provided, however, that in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made no later than the close of business on the 10th day following the public announcement.

In the case of a special meeting (which is not also an annual meeting) of shareholders called for any purpose including the election of directors, notice to the Corporation must be made no later than the close of business on the 15th day following the date on which the first public announcement of the date of the special meeting of shareholders was made.

If notice-and-access is used for delivery of proxy related materials in respect of an annual meeting of shareholders or a special meeting of shareholders (which is not also an annual meeting) called for any purpose including the election of directors, and the date on which the first public announcement of the date of the meeting is not less than 50 days before the date of the applicable meeting, the notice must be received not later than the close of business on the 40th day before the date of the applicable meeting.

The foregoing is only a summary of the principal provisions of the Amended Bylaws and is qualified by reference to the full text of the Amended Bylaws attached as "Schedule "C" – Amended Bylaws" to this information circular. Shareholders are urged to review the Amended Bylaws in their entirety.

BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The Amended Bylaws of Carbeeza Inc. (the "**Corporation**") in substantially the form attached as Schedule "C" to the management information circular of the Corporation dated October 5, 2023, is hereby ratified, confirmed and approved.
3. The board of directors of the Corporation on behalf of the Corporation is authorized and directed to make any changes to the Amended Bylaws without further approval of the shareholders of the Corporation, in order to ensure the adoption of the Amended Bylaws.

4. Any one director or officer of the Corporation be and is hereby authorized, for and on behalf of the Corporation, to execute and deliver all documents and instruments and take such other actions as such director or officer may determine to be necessary or desirable to implement this ordinary resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such documents or instruments and the taking of any such actions.

In order to be adopted, the Amended Bylaw Resolution must be passed by the affirmative vote of a majority of the votes cast by Shareholders at the Meeting.

In order to be passed, the above ordinary resolution must be approved by a majority of the aggregate votes cast by the holders of Common Shares at the Meeting. Unless otherwise instructed, the persons named in the enclosed proxy or voting instruction form intend to vote such proxy or voting instruction form FOR the approval of the Amended Bylaw Resolution. The directors of the Corporation recommend that Shareholders vote FOR the approval of the Option Plan Resolution.

6. Approval of Equity Incentive Plan

Prior to the RTO Transaction, HIT adopted a stock option plan, which was approved by the HIT shareholders on April 15, 2020 (the "**HIT Option Plan**"), which continued as the stock option plan for officers, directors, employees and consultants of the Corporation following the RTO Transaction. On November 24, 2021, the TSX Venture Exchange ("**TSX-V**") announced certain amendments to the TSX-V Corporate Finance Policies regarding security-based compensation and replaced the former policy with "Policy 4.4 – Security Based Compensation" ("**TSX-V Policy 4.4**"), pursuant to which, amendments to the HIT Option Plan would be required.

At the meeting, Shareholders will be asked to approve the adoption of the 10% rolling stock option plan the ("**Equity Incentive Plan**"). The Equity Incentive Plan shall become effective upon the receipt of approval of the Shareholders and final acceptance by the TSX-V (the "**Effective Date**"). Pursuant to TSX-V Policy 4.4, a company listed on the TSX-V is required to obtain the approval of its shareholders for a "rolling" stock option plan at each annual meeting of shareholders. The Equity Incentive Plan is a "rolling" plan as the aggregate number of Common Shares reserved for issuance upon the exercise or redemption of awards granted pursuant to the Equity Incentive Plan is such number of Common Shares as is equal to 10% of the total number of Common Shares issued and outstanding from time to time.

All of the stock options (the "**Outstanding Options**") currently outstanding under the HIT Option Plan will remain outstanding and in full force and effect in accordance with their terms after the Effective Date. However, following the Effective Date, no additional grants shall be made pursuant to the HIT Option Plan, and the HIT Option Plan will terminate on the date upon which no Outstanding Options remain outstanding.

Equity Incentive Plan Summary

The purposes of the Equity Incentive Plan, among other things, are to (i) enable Corporation and any of its successors or affiliates to attract and retain the types of employees, consultants, officers, and directors who will contribute to the Corporation's long-term success; (ii) provide incentives that align the interests of employees, consultants, officers and directors with those of the security holders of the Corporation; and (iii) promote the success of the Corporation's

business. The approval of the Equity Incentive Plan by the Board is subject to approval by the Shareholders and to the final acceptance of the Exchange.

Administration

The Equity Incentive Plan shall be administered by the Board, or a committee of the Board, who shall, subject to applicable law, the policies of the TSX-V and provisions of the plan, have the authority, among other things, to interpret and administer the plan, determine when awards are to be granted under the plan and the number of Common Shares subject to each award, to determine the terms and conditions of such awards, and to make certain decisions with respect to outstanding awards in the event of a change of control or other event triggering the adjustment provisions under the plan.

Shares Subject to the Equity Incentive Plan

The Equity Incentive Plan is a "rolling up to 10%" plan, which, subject to the adjustment provisions provided for therein, provides that the aggregate maximum number of Common Shares that may be issued upon the exercise or settlement of Options granted under the Equity Incentive Plan ("**Options**") shall not exceed ten percent (10%) of the Corporation's total issued and outstanding Common Shares as at the time of the applicable Option grant.

The Equity Incentive Plan will be considered an "evergreen" plan, and the Common Shares covered by Options which have been exercised shall be available again for subsequent grants under the Equity Incentive Plan; and any awards that have been cancelled, terminated, surrendered, forfeited or expired without being exercised, and pursuant to which no securities have been issued, may continue to be issuable under the Equity Incentive Plan.

Eligibility and Limits and Restrictions on Awards

The Equity Incentive Plan allows the Corporation to grant Options to directors, officers, employees, consultants to the Corporation or any subsidiary of the Corporation and to any individual employed by a company providing management services to the Corporation, or subsidiary, which services are required for the ongoing successful operation of the business enterprise of the Corporation or subsidiary.

In accordance with the insider participation limits and restrictions of TSX-V Policy 4.4, the Equity Incentive Plan provides that:

- The maximum aggregate number of Common Shares that are issuable pursuant to Options, and all other security-based compensation, granted or issued to insiders (as a group) must not exceed 10% of the issued and outstanding Common Shares at any point in time, unless "disinterested" shareholder approval is obtained.
- The maximum aggregate number of Common Shares that are issuable pursuant to Options, and all other security based compensation, granted or issued in any 12-month period to Insiders (as a group) must not exceed 10% of the issued and outstanding Common Shares, calculated as at the date any Option or other security based compensation is granted or issued to any Insider, unless "disinterested" shareholder approval is obtained.

Furthermore, in accordance with TSX-V Policy 4.4, the Equity Incentive Plan provides that:

- The maximum aggregate number of Common Shares issuable pursuant to Options, and all other security based compensation, grants to any one Person in any 12-month period must not exceed 5% of the issued and outstanding Common Shares, calculated on the date the Option or other security based compensation is granted or issued to the Person, unless "disinterested" shareholder approval is obtained.
- The maximum aggregate number of Common Shares issuable pursuant to Options, and all other security-based compensation, granted to any one consultant in any 12-month period must not exceed 2% of the issued and outstanding Common Shares, calculated on the date of grant or issuance.
- The aggregate number of Options granted to all persons employed to provide investor relations activities must not exceed 2% of the issued and outstanding Common Shares of the Corporation in any 12-month period.

Option Provisions

Each Option granted under the Equity Incentive Plan shall be evidenced by an award agreement, which shall include provisions, in substance, as follows:

- No Option shall be exercisable after the expiration of 10 years from the grant date or such shorter period as set out in the applicable award agreement, unless the Option was set to expire during, or within ten business days immediately following, a blackout period, in which case they shall expire on the tenth business day after the immediately following the end of the blackout period.
- The exercise price each Option shall be fixed by Board (or committee thereof) and shall not be less than (i) 100% of the fair market value of the Common Shares as of the grant date; or (ii) if the Common Shares are listed on the TSX-V, the discounted market price, subject to all applicable regulatory requirements.
- A vested Option or any portion thereof may be exercised by the holder by delivering to the Corporation a notice of exercise, signed by the holder or, their legal personal representative, accompanied by payment in full of the aggregate Exercise Price and any applicable withholding taxes.
- Subject to applicable laws, the policies of the TSX-V, and the provisions of the plan, the Board (or committee thereof) may determine the vesting provisions of each award. Options may vest in instalments and the vesting provisions of individual Options may vary. No Option may be exercised for a fraction of a Common Share. Acceleration of the vesting of Options may, but need not, be accelerated on the occurrence of certain event specified under the plan.
- The following summarizes the impact of certain events upon the rights of holders of Options under the Equity Incentive Plan:
 - *Termination for Cause* - unless otherwise determined, all vested and unvested Options shall expire and terminate immediately.
 - *Disability or Leave of Absence* - Unless otherwise provided in an award agreement, Options shall continue to vest in accordance with their terms and may be exercised at any time until the expiry date.

- *Death* - Unless otherwise provided in an award agreement, Options shall continue to vest in accordance with their terms and may be exercised at any time prior to the earlier of the expiry date and the one-year anniversary of the holder's death.
- *Retirement* - Unless otherwise provided in an award agreement, Options shall continue to vest in accordance with their terms and may be exercised at any time prior to the earlier of (i) the expiry date of the Option and (ii) the third anniversary of the holder's retirement.
- *Resignation* - Unless otherwise provided in an award agreement, all unvested Options shall expire immediately and the vested portion of any Option may be exercised at any time prior to the earlier of (i) the expiry date of the Option and (ii) the 60th day following the holder's resignation.
- *Termination without Cause* - Unless otherwise provided in an award agreement, Options shall continue to vest in accordance with their terms and may be exercised at any time prior to the earlier of (i) the expiry date of the Option and (ii) the 60th day after the holder's termination.
- *Termination following Change of Control* - Unless otherwise provided in an award agreement, if a change of control occurs and (i) the holder's employment is terminated within 180 days of, and in connection with, the change of control, other than for cause or (ii) the holder is constructively dismissed due to an event arising within the 180 of the change of control, the Options shall become fully vested and may be exercised prior to the earlier of (A) the expiry date of the Option and (B) 90 days after the termination or dismissal.
- Any Options issued to a person providing investor relations activities must vest in stages over 12-months with no more than 25% vesting in any three-month period.

Net Exercise

The Equity Incentive Plan provides for the Net Exercise (as defined below) of Options in accordance with certain requirements of TSX-V Policy 4.4. A participant may elect to exercise an Option, in whole or in part, on a "net exercise" ("**Net Exercise**") basis. In connection with a Net Exercise of Options, a participant would receive Common Shares equal in value to the difference between the Option price and the fair market value of the Common Shares on the date of exercise, computed in accordance with the Equity Incentive Plan.

Acceleration and Amendment Provisions

Pursuant to the Equity Incentive Plan, any Options issued to a person providing investor relations activities must vest in stages over 12 months with no more than 25% vesting in any three-month period.

Under the Equity Incentive Plan, the following amendments will require shareholder approval:

- (a) any amendment to increase the maximum number of Common Shares, except as for adjustments in changes in capital as set out in Section 9 of the Equity Incentive Plan;

- (b) any amendment that extends the expiry date, redemption date or settlement date, as applicable, of any award to later than ten (10) business days after the expiry of the blackout period;
- (c) any amendment that would result in the Exercise Price for any Option granted under the plan being lower than: (i) the fair market value at the grant date of the Option; or (ii) if the Common Shares are listed on the TSX-V, the discounted market price;
- (d) any amendment to remove or to exceed the insider participation limits;
- (e) any amendment that reduces the Exercise Price of an Option or permits the cancellation and reissuance of an Option or other entitlement, in each case, except as permitted under the plan;
- (f) any amendment extending the term of an Option beyond the original expiry date, except as otherwise provided;
- (g) any amendment to the amendment provisions;
- (h) any amendment that would allow for the transfer or assignment of awards, other than for normal estate settlement purposes; and
- (i) amendments required to be approved by security holders under applicable law (including the rules, regulations and policies of the TSX-V).

At all times when the Corporation is listed on the TSX-V, the shareholder approval referred to above must be obtained on a "disinterested" basis in compliance with the applicable policies of the TSX-V.

At the Meeting, Shareholders will be asked to consider and, if thought appropriate, pass, with or without variation, the following ordinary resolution to approve and confirm the Equity Incentive Plan (the "**Option Plan Resolution**"):

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

The directors of the Corporation recommend that Shareholders vote FOR the approval of the Option Plan Resolution.

Effectiveness of the Convertible Debenture

Execution of the Convertible Debenture by the Corporation and Torrieri, and the effectiveness of the respective covenants, agreements and obligations of each party under the Convertible Debenture, are subject to certain conditions, including the Corporation obtaining TSX Venture Exchange ("**TSXV**") acceptance of the Convertible Debenture and the requisite approval of the Related Party Transaction from Shareholders in accordance with the requirements of MI 61-101 (as defined herein). See the section entitled "Shareholder Approval Pursuant Applicable Securities Law Requirements" below. The Corporation anticipates executing the Convertible Debenture as soon as practicable after the requisite Shareholder and regulatory approvals have been obtained. The initial advance under the Convertible Debenture will be in the amount of \$708,218,95. The initial advance shall be used firstly to repay in full the aggregate amount of outstanding principal and accrued interest owing under the Promissory Notes, with the remaining proceeds of the initial advance and all other subsequent advances to be used by the Corporation to advance the Corporations marketing efforts in the United States, for continued technology development and for general working capital and administrative purposes.

Board Review and Approval

The Related Party Transaction and the terms thereof were reviewed and unanimously approved by the Board by resolutions passed on October 5, 2023. The Board's approval of the Related Party Transaction and its recommendation to Shareholders regarding the approval

of the Related Party Transaction were based upon careful consideration of, among other things:

- the Related Party Transaction is offered on reasonable commercial terms not less advantageous to the Corporation than if the Corporation obtained similar financing from a person dealing at arm's length with the Corporation;
- that the advances under the Convertible Debenture will enable the Corporation to:
 - repay in full the outstanding principal and accrued interest owing under the Promissory notes;
 - advance the Corporation's marketing efforts in the United States
 - ongoing development of the technology; and
 - for general working capital and administrative purposes.
- Completion of the Related Party Transaction will enhance the Corporation's ability to continue as a going concern in the near term and provide the Corporation with financial flexibility to consider and explore different measures to secure additional capital.

In the course of evaluating the Related Party Transaction, the Board consulted with the Corporation's senior management, reviewed relevant information and considered a number of factors, including, among others, the following:

- the pressing financial needs of the Corporation;
- the dilution to existing Shareholders;
- the limited availability of alternative sources of capital for the Corporation; and
- all other matters deemed relevant by the Board.

Accordingly, after careful consideration, the Board has determined that the terms of the Related Party Transaction are fair and reasonable insofar as its Shareholders are concerned and the approval of the Related Party Transaction is in the best interest of the Corporation.

Shareholder Approval Pursuant to Applicable Securities Law Requirements

The Corporation is a reporting issuer in the provinces of Alberta and British Columbia and its common shares are listed on the TSXV under the symbol "AUTO". Accordingly, the Corporation is subject to applicable Canadian securities laws, including Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("MI 61-101"). MI 61-101 regulates insider bids, issuer bids, business combinations and related party transactions to ensure equality of treatment among securityholders, generally by requiring enhanced disclosure, minority securityholders approval, and, in certain instances, independent valuations and approval and oversight of certain transactions by a special committee of independent directors.

Torrieri is a "related party" of the Corporation pursuant to MI 61-101 as Torrieri is a director, officer and a control person of the Corporation. The Related Party Transaction described above will constitute a "related party transaction" under MI 61-101 because it is a transaction in

which the Corporation will: (i) borrow money from a related party; and (ii) issue a security to the related party.

Neither the Corporation nor any of its officers or directors, after reasonable inquiry, are aware of any prior valuations or bona fide offers that have been completed or received by the Corporation in the past 24 months in respect of the Corporation that relate to the subject matter of or are otherwise relevant to the Related Party Transaction.

Exemptions from Formal Valuation Requirements

With respect to the formal valuation requirement under MI 61-101, the Corporation is relying upon the exemption from the requirement set forth in Section 5.5(b) of MI 61-101 which is available if no securities of the issuer are listed or quoted on the Toronto Stock Exchange, Aequitas NEO Exchange Inc., the New York Stock Exchange, the American Stock Exchange, the NASDAQ Stock Market, or a stock exchange outside of Canada and the United States other than the Alternative Investment Market of the London Stock Exchange or the PLUS markets operated by PLUS Markets Group plc. This exemption is available to the Corporation as its common shares are listed only on the TSXV.

Minority Shareholder Approval

The Corporation is seeking minority shareholder approval of the Related Party Transaction pursuant to section 5.6 of MI 61-101. In determining minority approval for a related party transaction, the Corporation is required to exclude the votes attached to common shares that, to the knowledge of the Corporation or any "interested party" or their respective directors and senior officers, after reasonable inquiry, are beneficially owned or over which control or direction is exercised by "interested parties" and their "related parties" and "joint actors" (all as defined in MI 61-101). At the Meeting, the common shares held by (i) Torrieri and (ii) any of his related parties, associates or affiliates, and any joint actors of the foregoing (collectively, the "Excluded Parties") will be excluded for the purposes of determining minority approval of the Related Party Transaction Resolution (as defined below). For the purposes of this information circular, "disinterested shareholders" means all Shareholders, other than the Excluded Parties.

To the best of the Corporation's knowledge, approximately 15,537,830 common shares, representing approximately 21.8% of the Corporation's issued and outstanding common shares, are beneficially owned by Torrieri and his related parties, associates or affiliates as of the date hereof. Accordingly, the 15,537,830 votes attached to the common shares beneficially owned, or over which control or direction is exercised, by the Excluded Parties will be excluded from the vote.

The common shares which are issuable to Torrieri upon conversion of the Convertible Debenture, if approved, will not materially affect control of the Corporation. Assuming the full principal amount of the Convertible Debenture is converted into common shares in accordance with the terms thereof, Torrieri and his related parties, associates or affiliates will hold 28,037,830 common shares, representing approximately 33.5% of the then issued and outstanding common shares. Torrieri currently holds a convertible debenture valued at \$2,000,000 which is convertible into 5,000,000 common shares of the Corporation (the "**Existing Convertible Debenture**"). He also has stock options for the purchase of 1,000,000 common shares (the "**Stock Options**"). If the Existing Convertible Debenture is converted in full and the Stock Options are exercised in full, Torrieri and his related parties, associates or affiliates will hold 34,037,830 common shares, representing approximately 38% of the then issued and outstanding on a fully diluted basis.

At the Meeting, disinterested shareholders will be asked to consider and, if thought fit, to pass an ordinary resolution (the "**Related Party Transaction Resolution**") to authorize and approve the Related Party Transactions. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

National Policy 58-201 *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers. Additionally, National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("**NI 58-101**") and Policy 3.1 *Directors, Officers, Other Insiders & Personnel and Corporate Governance* of the TSX Venture Exchange Manual set out a series of guidelines to address matters such as the composition and independence of corporate boards, the functions to be performed by boards and their committees and the effectiveness and education of board members. Each reporting issuer, such as the Corporation, must disclose on an annual basis and in prescribed form, the corporate governance practices that it has adopted.

The Board believes that good corporate governance improves corporate performance and benefits all Shareholders and has reviewed the Corporation's corporate governance practices in light of these guidelines. A description of the Corporation's corporate governance practices is set out below.

Board of Directors

The Board is currently comprised of six directors and it is proposed that six directors will be nominated at the Meeting.

NI 58-201 recommends that the board of directors of every listed company should consist of a majority of individuals who qualify as "independent" directors under National Instrument 52-110 – Audit Committees ("**NI 52-110**"), which provides that a director is independent if he or she has no direct or indirect "material relationship" with the company. "Material relationship" is defined as a relationship which could, in the view of the company's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

If the proposed directors are elected at the Meeting, the Board will consist of Sandro Antoni Torrieri, Evan Baptie, Niel Hiscox, Ron Hozjan, Maria Nathanail and Ibrahim Gideon, four of whom are considered "independent", within the meaning of NI 58-101, being Evan Baptie, Niel Hiscox, Ron Hozjan and Ibrahim Gideon. Mr. Torrieri is not independent as he is the President and Chief Executive Officer of the Corporation and Maria Nathanail is not independent as she is a partner with McLeod Law LLP, legal counsel to the Corporation.

In the recently completed period, the Board was, and currently is, comprised of a majority of independent directors. In order to facilitate its exercise of independent judgment in carrying out its responsibilities, if necessary, the independent directors may meet without the presence of the non-independent directors. During the last completed period, the independent directors did not hold regularly scheduled meetings at which non-independent directors were not in attendance. Open and candid discussion is encouraged among the independent directors and, pursuant to the Board's mandate, directors, in discharging their duties of care and loyalty, are expected to exercise their business judgment to act reasonably and in the best interests of the Corporation.

The Board is responsible for the stewardship of the Corporation, including responsibility for strategic planning, identification of the principal risks of the Corporation's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Corporation's internal control and management information systems.

The Board sets long-term goals and objectives for the Corporation and will formulate the plans and strategies necessary to achieve those objectives and to supervise senior management in their implementation. The Board may delegate the responsibility for managing the day-to-day affairs of the Corporation to senior management but will retain a supervisory role in respect of, and ultimate responsibility for, all matters relating to the Corporation and its business. Additionally, the Board is responsible for protecting Shareholders' interests and ensuring that the incentives of the Shareholders and of management are aligned.

Directorships

The current directors are directors of other reporting issuers as follows:

Name of Director	Name of Other Reporting Issuer (Jurisdiction)	Symbol	Stock Exchange
Ron Hozjan	Tenth Avenue Petroleum Corp.	TPC	TSX-V
		TCI.H	NEX
	Target Capital Inc.	NOVC	TSX
	Nova Cannabis Inc.	TVE	TSX
	Tamarack Valley Energy Ltd.	LGN.V	TSX-V
	Logan Energy Corp.	LQSIF	TSX
	Alcanna Inc.		

Orientation and Continuing Education

While the Corporation does not currently have a formal orientation and education program for new recruits to the Board, the Corporation strives to provide such orientation and education on an informal basis. As new directors have joined the Board, management has provided these individuals with corporate policies, historical information about the Corporation, as well as information on the Corporation's performance and its strategic plan with an outline of the general duties and responsibilities entailed in carrying out their duties. The Board believes that these procedures have proved to be a practical and effective approach in light of the Corporation's particular circumstances, including the size of the Corporation, limited turnover of the directors and the experience and expertise of the members of the Board.

No formal continuing education program currently exists for the directors of the Corporation. The Corporation encourages directors to attend, enrol or participate in courses and/or seminars dealing with financial literacy, corporate governance and related matters. Each director of the Corporation has the responsibility for ensuring that he maintains the skill and knowledge necessary to meet his obligations as a director.

Ethical Business Conduct

The Board adopted a written code of business conduct and ethics for its directors, officers, employees, and contractors (the "**Code**") and is responsible for monitoring compliance with

the Code. The Board takes appropriate measures to exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer may have a material interest. Where appropriate, directors will abstain from portions of board or committee meetings to allow independent discussion of points in issue.

A copy of the Code is available on the Corporation's website at www.carbeeza.com.

Board Committees

The Board maintains two standing committees:

- Audit Committee - made up of a majority of independent members of the Board
- Compensation and Corporate Governance Committee

Assessment of Directors

The Board does not have a formal process for assessing the performance of the Board, its Committees or individual directors. However, given the size of the Board, all members contribute effectively and have an excellent working relationship and attendance record.

Nomination of Directors

The Corporation may use various sources in order to identify the candidates for the Board, including its own contacts and the references of other directors, officers, advisors of the Corporation and executive placement agencies. The Board selects nominees for election to the Board, after having carefully reviewed and assessed the professional competencies and skills, personality and other qualities of each proposed candidate, including the time and energy that the candidate can devote to the task, and the contribution that the candidate can bring to the Board.

Compensation

The Compensation and Corporate Governance Committee conducts a yearly review of directors' compensation having regard to various reports on current trends in directors' Compensation and compensation data for directors of issuers of comparative size to the Corporation. Given the size of the Corporation, it is difficult to adequately compensate directors for their time, effort and diligence. As such, compensation of the Board is currently comprised of Options granted from time to time under the Equity Incentive Plan of the Corporation.

Additional information regarding the compensation of directors, as well as information regarding the compensation of the CEO and CFO, is included in this Circular under the section entitled "Statement of Executive Compensation".

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation's executive compensation objectives and processes and to discuss compensation decisions relating to its NEO's listed in the Summary Compensation table below.

The Compensation and Corporate Governance Committee is responsible for recommending to the Board how directors and executive officers will be compensated for their services as directors and officers, and the Board reviews and approves such compensation paid to its directors and officers. See "Statement of Corporate Governance Practices" for further details with respect the composition, policy and practices of the Compensation and Corporate Governance Committee.

Objectives of the Compensation Program

Executive officer compensation is determined by the Board, based in part on recommendations from the CEO. The Board recognizes the need to provide a compensation package that will attract and retain qualified and experienced executives, as well as align the compensation level of each executive to that executive's level of responsibility.

The Board believes that the Corporation's compensation plan is consistent with the companies it competes with for talent. The objectives of the Corporation's compensation policies and practices include the following:

- attracting and retaining highly qualified individuals;
- creating among directors, officers, consultants and employees, a corporate environment which will align their interests with those of the Shareholders; and
- ensuring competitive compensation that is also affordable for the Corporation.

The compensation program is designed to provide competitive levels of compensation. The Corporation recognizes the need to provide a total compensation package that will attract and retain qualified and experienced executives as well as align the compensation level of each executive to that executive's level of responsibility. In general, the Corporation's directors and officers may receive compensation that currently comprises two components:

- base salary, wages or contractor payments;
- Options pursuant to the Equity Incentive Plan.

The objectives and reasons for this system of compensation are to allow the Corporation to remain competitive compared to its peers in attracting experienced personnel while taking into account the constraints that the Corporation is under by virtue of the fact that it is a newly listed technology company without a history of earnings. The salaries are set on the basis of a review and comparison of salaries paid to executives at similar companies.

Base Salary and Benefits

The objectives of the base salary are to provide compensation in accordance with market value, and to acknowledge the competencies and skills of individuals. The base salary paid to NEO's is reviewed annually by the Board as part of the annual review of executive officers. The decision whether to grant an increase to the executive's base salary and the amount of any such increase is ultimately in the sole discretion of the Board.

Other components of compensation may include personal benefits as determined by the Compensation and Corporate Governance Committee that are consistent with the overall compensation strategy. There is no formula for how personal benefits are utilized in the total compensation package. The Corporation does not provide any pension or retirement benefits to its executive officers.

Stock Option-Based Awards

The Equity Incentive Plan is administered by the Compensation and Corporate Governance Committee and is designed to give each award holder an interest in preserving and maximizing shareholder value in the long term, to enable the Corporation to attract and retain individuals with experience and ability and to reward individuals for current performance and expected future performance. The Compensation and Corporate Governance Committee has the sole discretion to determine the key employees to whom it recommends that grants of awards be made and to determine the terms of the awards forming part of such grant.

The Compensation and Corporate Governance Committee, in conjunction with the President & CEO, prepare recommendations on the allocation of awards and presents these recommendations to the Board for modification or approval. Any grant by and any determination made by the Compensation and Corporate Governance Committee requires confirmation by the Board.

Summary of the Equity Incentive Plan

Prior to the RTO Transaction, HIT adopted the HIT Option Plan, which continued as the stock option plan for officers, directors, employees and consultants of the Corporation following the RTO Transaction. The Board ratified and approved the Equity Incentive Plan on June 29, 2021. On November 24, 2021, TSX-V, announced certain amendments to the TSX-V Corporate Finance Policies regarding security-based compensation and replaced the former policy with TSX-V Policy 4.4. The HIT Option Plan is not in compliance with the new TSX-V Policy 4.4.

The Board determined that it was in the best interest of the Corporation to implement a new stock option plan. As such, at the meeting, Shareholders will be asked to approve the adoption of a new 10% rolling stock option plan the (the "**Equity Incentive Plan**").

approved by the Company, which approval shall not be unreasonably withheld) or paid by the Committee in satisfaction of a judgment in any such action, suit or proceeding, except in relation to matters as to which it shall be adjudged in such action, suit or proceeding that such Committee did not act in good faith and in a manner that such person reasonably believed to be in the best interests of the Company or, in the case of a criminal proceeding, had no reason to believe that the conduct complained of was unlawful; provided, however, that within 60 days after the institution of any such action, suit or proceeding, such Committee shall, in writing, offer the Company the opportunity at its own expense to handle and defend such action, suit or proceeding.

4. SHARES SUBJECT TO THE PLAN.

- 4.1** Subject to adjustment in accordance with Section 9, the aggregate number of Common Shares reserved for issuance upon the exercise or redemption of all Awards granted under the Plan shall not exceed 10% of the issued and outstanding Common Shares as at the time of the applicable Stock Option grant, or such other number or percentage as may be approved by the Stock Exchange and the shareholders of the Company from time to time; provided that at all times when the Company is listed on the TSXV, the shareholder approval referred to herein may be required to be obtained on a "disinterested" basis in compliance with the applicable policies of the TSXV. (collectively, the "**Total Share Reserve**").

At all times when the Company is listed on the TSXV, the Company shall seek annual TSXV and shareholder approval for this hybrid "rolling up to 10%" Plan in conformity with TSXV Policy 4.4.

Should the Company issue additional Common Shares in the future, the number of Common Shares issuable under the Plan pursuant to Stock Options will increase accordingly. For the purposes of this Section 4.1, in the event that the Company cancels or purchases to cancel any of its issued and outstanding Shares ("Cancellation") and as a result of such Cancellation the Company exceeds the limit set out in this Section 4.1, no approval of the Company's shareholders will be required for the issuance of Common Shares on the exercise of any Awards which were granted prior to such Cancellation.

- (b) the maximum aggregate number of Common Shares that are issuable pursuant to Options, and all other security based compensation, granted or issued in any 12 month period to Insiders (as a group) must not exceed 10% of the issued and outstanding shares, calculated as at the date any Option or other security based compensation is granted or issued to any Insider (unless "disinterested" shareholder approval is obtained in compliance with the applicable policies of the TSXV).

5.3 Additional TSXV Limits. In addition to the requirements in Section 4 and this Section 5, and notwithstanding any other provision of this Plan, at all times when the Company is listed on the TSXV:

- (a) the maximum aggregate number of Common Shares issuable pursuant to Options, and all other security based compensation, grants to any one Person in any 12 month period must not exceed 5% of the issued and outstanding shares, calculated on the date the Option or other security based compensation is granted or issued to the Person (unless "disinterested" shareholder approval is obtained in compliance with the applicable policies of the TSXV).
- (b) the maximum aggregate number of Common Shares issuable pursuant to Options, and all other security based compensation, granted to any one Consultant in any 12-month period must not exceed 2% of the issued and outstanding shares, calculated on the date of grant or issuance.
- (c) The aggregate number of Options granted to all Investor Relations Service Providers must not exceed 2% of the issued shares and outstanding shares of the Issuer in any 12-month period.

- (d) Stock Options granted to any Investor Relations Service Provider must vest in a period of not less than 12 months from the Grant Date of the Award such that:
- (i) no more than 1/4 of the Stock Options vest no sooner than three months after the Stock Options were granted;
 - (ii) no more than another 1/4 of the Stock Options vest no sooner than six months after the Stock Options were granted;
 - (iii) no more than another 1/4 of the Stock Options vest no sooner than nine months after the Stock Options were granted; and
 - (iv) the remainder of the Stock Options vest no sooner than 12 months after the Stock Options were granted.

6. OPTION PROVISIONS.

6.1 Award Agreement. Each Option granted under the Plan shall be evidenced by an Award Agreement. Each Option so granted shall be subject to the conditions set forth in this Section 6, and to such other conditions not inconsistent with the Plan as may be reflected in the applicable Award Agreement. The provisions of separate Options need not be identical, but each Option shall include (through incorporation of provisions hereof by reference in the Option or otherwise) the substance of each of the provisions in this Section 6.

6.2 Term. No Option shall be exercisable after the expiration of 10 years from the Grant Date or such shorter period as set out in the Optionholder's Option Agreement ("**Expiry Date**"), at which time such Option will expire. Notwithstanding any other provision of this Plan, each Option that would expire during or within ten Business Days immediately following a Blackout Period shall expire on the date that is ten Business Days immediately following the end of the Blackout Period.

6.3 Exercise Price of an Option. The Option Exercise Price of each Option shall be fixed by the Committee on the Grant Date and will not be less than: (i) the 100% of the Fair Market Value of the Common Shares as of the Grant Date; or (ii) if the Common Shares are listed on the TSXV, the Discounted Market Price, subject to all applicable regulatory requirements. The Exercise Price shall be stated and payable in Canadian dollars.

6.4 Manner of Exercise. A vested Option or any portion thereof may be exercised by the Optionholder delivering to the Company a Notice of Exercise, signed by the Optionholder or, their legal personal representative, subject to Section 6.6, accompanied by payment in full of the aggregate Exercise Price and any Applicable Withholding Taxes in respect of the Option or portion thereof being exercised, payable, to the extent permitted by Applicable Laws, either in cash or by certified cheque, bank draft or money order payable to the Company, or by such other means as might be specified from time to time by the Committee. Subject to Section 7, upon receipt of payment in full, the number of Common Shares in respect of which the Option is exercised will be duly issued to the Optionholder as fully paid and non-assessable, following which the Optionholder shall have no further rights, title or interest with respect to such Option or portion thereof.

6.5 Surrender of Option. As an alternative to the exercise of an Option pursuant to Section 6.4, an Optionholder may elect to surrender for cancellation, unexercised, any vested Option that is otherwise then exercisable and, in consideration for such surrender for cancellation, to receive a cash payment in an amount equal to the positive difference, if any, obtained by subtracting the aggregate Exercise Price of the surrendered Option from the then current Fair Market Value of the Common Shares subject to the surrendered Option, less Applicable Withholding Taxes. The Committee has the sole discretion to consent to or disapprove of the election of the Optionholder to surrender any vested Option pursuant to this Section 6.5. If the Committee disapproves of the election, the Optionholder may (i) exercise the Option under Section 6.4, or (ii) retract the request to surrender such Option and retain the Option. If the Committee consents to the election, the Company shall make the cash payment to the Optionholder in respect of the surrendered Option within 30 days. Any cash payment in accordance with this Section 6.5 shall be payable in Canadian dollars.

6.6 Net Exercise of Options. Generally, the exercise price of a Stock Option should be paid in cash. However, Options may be exercised in accordance with the Net Exercise method described below if requested by an Optionholder and approved by the Committee, in its discretion.

"**Net Exercise**" means, and may be effected for Optionholders other than Investor Relations Service Providers , a process whereby Options are exercised without the Optionholder making any cash payment to the Company, such that the Company does not receive any cash in payment of the applicable Option Exercise Price, and instead the Optionholder receives only the number of Common Shares underlying the applicable Options as is equal to the quotient obtained by dividing:

- (a) the product of the number of Options being exercised multiplied by the difference between the VWAP of the underlying Common Shares and the exercise price of the subject Options; by
- (b) the VWAP of the underlying Common Shares.

For greater certainty, the Net Exercise method for exercising Options shall be subject to all other provisions of the Plan, including, without limitation, Section 8.9.

6.7 Vesting of Options. Each Option may, but need not, vest and, therefore, become exercisable in periodic installments that may, but need not, be equal. The Option may be subject to such other terms and conditions on the time or times when it may be exercised (which may be based on performance or other criteria) as the Committee may deem appropriate. The vesting provisions of individual Options may vary. No Option may be exercised for a fraction of a Common Share. The Committee may, but shall not be required to, provide for an acceleration of vesting and exercisability in the terms of any Award Agreement upon the occurrence of a specified event.

6.8 Termination of Continuous Service. Unless otherwise determined by the Committee, in its discretion, or as provided in this Section 6 or pursuant to the terms provided in an Award Agreement or in an employment agreement the terms of which have been approved by the Committee, all rights to purchase Common Shares pursuant to an Option or to surrender such Option shall expire and terminate immediately upon the Optionholder's Termination of Continuous Service, whether or not such termination is with or without notice, adequate notice or legal notice, provided

that if employment of the Optionholder is terminated for Cause, such rights shall expire and terminate immediately upon notification being given to the Optionholder of such termination for Cause by the Company.

- 6.9 Disability or Leave of Absence.** Unless otherwise provided in an Award Agreement, in the event that an Optionholder's Continuous Service terminates as a result of Disability or the Optionholder is on a Leave of Absence, any Option held by the Optionholder shall continue to vest in accordance with its terms and may be exercised or surrendered in accordance with Section 6.4 or Section 6.5 at any time until the Option's Expiry Date.
- 6.10 Death.** Unless otherwise provided in an Award Agreement, in the event an Optionholder's Continuous Service terminates as a result of the Optionholder's death, any Option held by the Optionholder shall become fully vested and may be exercised or surrendered by the Beneficiary in accordance with Section 6.4 or Section 6.5 at any time during the period that terminates on the earlier of the Option's Expiry Date and the first anniversary of the Optionholder's Termination of Continuous Service. Any Option that remains unexercised or has not been surrendered shall be immediately forfeited upon the termination of such period.
- 6.11 Retirement.** Unless otherwise provided in an Award Agreement, in the event an Optionholder's Continuous Service terminates as a result of the Optionholder's Retirement, any Option held by the Optionholder shall continue to vest in accordance with its terms and may be exercised or surrendered in accordance with Section 6.4 or Section 6.5 at any time during the period that terminates on the earlier of: (a) the Option's Expiry Date; and (b) the third anniversary of the Optionholder's Termination of Continuous Service. Any Option that remains unexercised or has not been surrendered shall be immediately forfeited upon the termination of such period.
- 6.12 Resignation.** Unless otherwise provided in an Award Agreement, in the event an Optionholder's Continuous Service terminates as a result of the Optionholder's voluntary resignation, then:
- (a) the unvested part of any Option held by the Optionholder shall expire and terminate immediately on the Optionholder's Termination of Continuous Service; and
 - (b) the vested part of any Option held by the Optionholder may be exercised or surrendered in accordance with Section 6.4 or Section 6.5 at any time during the period that terminates on the earlier of: (i) the Option's Expiry Date and (ii) the 60th day after the Optionholder's Termination of Continuous Service. Any Option that remains unexercised or has not been surrendered shall be immediately forfeited upon the termination of such period.
- 6.13 Termination Without Cause.** Unless otherwise provided in an Award Agreement, in the event an Optionholder's Continuous Service is terminated by the Employer for any reason other than for Cause, any Option held by the Optionholder shall continue to vest in accordance with its terms and may be exercised or surrendered in accordance with Section 6.4 or Section 6.5 at any time during the period that terminates on the earlier of: (a) the Option's Expiry Date; and (b) the 60th day after the Optionholder's Termination of Continuous Service. Any Option that remains unexercised or has not been surrendered shall be immediately forfeited upon the termination of such period.

6.14 Termination Following Change in Control. Unless otherwise provided in an Award Agreement, if a Change in Control occurs and the Optionholder's employment with the Company Group is terminated by the:

- (a) Employer or by the entity that has entered into a valid and binding agreement with the Company and/or other members of the Company Group to effect the Change in Control at any time after such agreement is entered into or during the Control Period and such termination was for any reason other than for Cause; or
- (b) Optionholder as a result of Constructive Dismissal, provided the event giving rise to the Constructive Dismissal occurs during the Control Period;

any Option held by the Optionholder shall become fully vested and may be exercised or surrendered in accordance with Section 6.4 or Section 6.5 at any time during the period that terminates on the earlier of: (i) the Option's Expiry Date; and (ii) the 90th day after the Optionholder's Termination of Continuous Service. Any Option that remains unexercised or has not been surrendered shall be immediately forfeited upon the termination of such period.

7. COMPLIANCE WITH APPLICABLE LAWS.

The Company's obligation to issue and deliver Common Shares under any Award is subject to: (i) the completion of such qualification of such Common Shares or obtaining approval of such regulatory authority as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Common Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Company shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Common Shares in compliance with Applicable Laws and for the listing of such Common Shares on any stock exchange on which such Common Shares are then listed. Awards may not be granted with a Grant Date or effective date earlier than the date on which all actions required to grant the Awards have been completed.

8. MISCELLANEOUS.

8.1 Acceleration of Exercisability and Vesting. Subject to the limitations in this Plan, including Section 5.3(d) for Stock Options granted to Investor Relations Service Providers, and compliance with TSXV Policy 4.4, the Committee shall otherwise have the power to accelerate the time at which an Award may first be exercised or the time during which an Award or any part thereof will vest in accordance with the Plan, notwithstanding the provisions in the Award stating the time at which it may first be exercised or the time during which it will vest.

8.2 Non-Transferability of Awards. Awards shall not be transferable or assignable except by will or by the laws of descent and distribution and shall be exercisable during the lifetime of the holder of the Award only by such holder.

- 8.3 Representation Regarding Eligible Persons.** All Award Agreements representing any Awards granted pursuant to this Plan must contain a representation of the Company that such Director, officer, Employee or Consultant, as the case may be, is a bona fide Director, officer, Employee or Consultant of the Company or a Subsidiary.
- 8.4 Shareholder Rights.** Except as provided in the Plan or an Award Agreement, no Participant shall be deemed to be the holder of, or to have any of the rights of a holder with respect to, any Common Shares subject to such Award unless and until such Participant has satisfied all requirements for exercise of the Award pursuant to its terms, and no adjustment shall be made for dividends (ordinary or extraordinary, whether in cash, securities or other property) or distributions of other rights for which the record date is prior to the date such Common Share certificate is issued, except as provided in Section 9 hereof.
- 8.5 No Employment or Other Service Rights.** Nothing in the Plan or any instrument executed or Award granted pursuant thereto shall confer upon any Participant any right to continue to serve the Company or a Subsidiary in the capacity in effect at the time the Award was granted or shall affect the right of the Company or a Subsidiary to terminate (a) the employment of an Employee with or without notice and with or without Cause, or (b) the service of a Director pursuant to the by-laws of the Company or a Subsidiary (as the case may be), and any applicable provisions of the corporate law of the jurisdiction in which the Company or the Affiliate is incorporated, as the case may be.
- 8.6 Transfer; Leave of Absence.** For purposes of the Plan, no termination of employment by an Employee shall be deemed to result from either (a) a transfer of employment to the Company from a Subsidiary or from the Company to a Subsidiary, or from one Subsidiary to another, or (b) a Leave of Absence, if the Employee's right to reemployment is guaranteed either by a statute or by contract or under the policy pursuant to which the Leave of Absence was granted or if the Committee otherwise so provides in writing.
- 8.7 Conformity to Plan.** In the event that an Award is granted or an agreement evidencing an Award is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- 8.8 Hold Period.** In the event that the Common Shares are listed on the TSXV, the granting of an Award (i) to Insiders, or (ii) where the exercise price is at a discount to the TSXV Market Price shall be subject to a four-month hold period in compliance with the applicable policies of the TSXV.
- 8.9 Withholding Obligations.** It is the responsibility of the Participant to complete and file any tax returns that may be required under Canadian or other applicable jurisdiction's tax laws within the periods specified in those laws as a result of the Participant's participation in the Plan. Notwithstanding any other provision of this Plan, a Participant shall be solely responsible for all Applicable Withholding Taxes resulting from their receipt of Common Shares or other property pursuant to this Plan. In connection with the issuance of Common Shares pursuant to this Plan, subject to the discretion of the Board and the Participant, the Participant may:

- (a) pay to the Company an amount as necessary so as to ensure that the Company is in compliance with the applicable provisions of any federal, provincial, local or other law relating to the Applicable Withholding Taxes in connection with such issuance;
- (b) authorize a securities dealer designated by the Company, on behalf of the Participant, to sell in the capital markets a portion of the Common Shares issued hereunder to realize cash proceeds to be used to satisfy the Applicable Withholding Taxes; or
- (c) make other arrangements acceptable to the Company to fund the Applicable Withholding Taxes.

9. ADJUSTMENTS UPON CHANGES IN CAPITAL.

In the event of any stock dividend, stock split, combination or exchange of shares, merger, amalgamation, arrangement, consolidation, reclassification, spin-off or other distribution (other than normal cash dividends) of the Company's assets to shareholders, or any other change in the capital of the Company affecting Common Shares, the Board, subject to prior acceptance of the Exchange, will make such proportionate adjustments, if any, as the Board, acting reasonably and in good faith, deems appropriate to reflect such change (for the purpose of preserving the value of the Awards), with respect to: (i) the maximum number of Common Shares subject to all Awards stated in Section 4; (ii) the maximum number of Common Shares with respect to which any one person may be granted Awards during any period stated in Section 4; (iii) the number or kind of shares or other securities subject to any outstanding Awards; and (iv) the Exercise Price of any outstanding Options; provided, however, that no adjustment will obligate the Company to issue or sell fractional securities. Notwithstanding anything in this Plan to the contrary, all adjustments made pursuant to this Section 9 shall be made in compliance with section 7(1.4)(c) of the ITA and subject to the rules of the Exchange, to the extent applicable. The Company shall give each Participant notice of an adjustment hereunder and, upon notice, such adjustment shall be conclusive and binding for all purposes.

10. EFFECT OF CHANGE IN CONTROL.

10.1 Unless otherwise provided in an Award Agreement, notwithstanding any provision of the Plan to the contrary, in the event of a Change in Control that is not a Substitution Event or Permitted Reorganization, the Committee may, but shall not be obligated to:

- (a) accelerate, vest or cause the restrictions to lapse with respect to all or any portion of any Award;
- (b) upon at least ten days' advance notice to the affected persons, cancel Awards and cause to be paid to the holders of vested Awards the value of such Awards, if any, as determined by the Committee, in its sole discretion, it being understood that in the case of any Option with an Option Exercise Price that equals or exceeds the price paid for a Common Share in connection with the Change in Control, the Committee may cancel the Option without the payment of consideration therefor;

- (c) provide for the issuance of Substitute Awards or the assumption or replacement of such Awards; or
- (d) provide written notice to Participants that for a period of at least ten days prior to the Change in Control, such Awards shall be exercisable, to the extent applicable, as to all Common Shares subject thereto and, upon the occurrence of the Change in Control, any Awards not so exercised shall terminate and be of no further force and effect.

To the extent practicable, any actions taken by the Committee under the immediately preceding Section 10.1(a) and Section 10.1(b) shall occur in a manner and at a time that allows affected Participants the ability to participate in the Change in Control that is not a Substitution Event or Permitted Reorganization with respect to the Common Shares subject to their Awards.

10.2 Substitution Event or a Permitted Reorganization. Upon the occurrence of a Substitution Event or a Permitted Reorganization, the surviving or acquiring entity (the "**Continuing Entity**") shall, to the extent commercially reasonable, take all necessary steps to continue the Plan and to continue the Awards granted hereunder or to substitute or replace similar options for the Options outstanding under the Plan on substantially the same terms and conditions as the Plan. For greater certainty, no consideration other than Continuing Entity options shall be received, and the amount that the aggregate fair market value of the securities of the Continuing Entity subject to the Continuing Entity options immediately after the substitution or replacement exceeds the aggregate exercise price of such securities under the Continuing Entity options shall not be greater than the amount the aggregate Fair Market Value of the Common Shares subject to the outstanding Options immediately before such substitution or replacement exceeds the aggregate Exercise Price of such Common Shares. Any such adjustment, substitution or replacement in respect of options shall, at all times, be made in compliance with the provisions of section 7(1.4) of the ITA.

In the event that:

- (a) the Continuing Entity does not (or, upon the occurrence of the Substitution Event or Permitted Reorganization, will not) comply with the provisions of this Section 10.2;
- (b) the Board determines, acting reasonably, that such substitution or replacement is not practicable;
- (c) the Board determines, acting reasonably, that such substitution or replacement would give rise to adverse tax results, under the ITA; or
- (d) the securities of the Continuing Entity are not (or, upon the occurrence of the Substitution Event or Permitted Reorganization, will not be) listed and posted for trading on a recognizable stock exchange;

the outstanding Options shall become fully vested and may be exercised or surrendered by the Participant at any time after the Participant receives written notice from the Board of such accelerated vesting and prior to the occurrence of the Substitution Event or Permitted Reorganization; provided, however, that such vesting, exercise or surrender shall be, unless otherwise determined in advance by the Board,

effective immediately prior to, and shall be conditional on, the consummation of such Substitution Event or Permitted Reorganization. Any Options that have not been exercised or surrendered pursuant to this Section 10.2 shall be forfeited and cancelled without compensation to the holder thereof upon the consummation of such Substitution Event or Permitted Reorganization.

- 10.3** The obligations of the Company under the Plan shall be binding upon any successor corporation or organization resulting from the merger, consolidation or other reorganization of the Company, or upon any successor corporation or organization succeeding to all or substantially all of the assets and business of the Company and its Subsidiaries, taken as a whole.
- 10.4** In addition, in the event of a Change in Control, the Committee may in its discretion and upon at least ten days' advance notice to the affected persons, cancel any outstanding Awards and pay to the holders thereof, in cash or stock, or any combination thereof, the value of such Awards based upon the price per Common Share received or to be received by other shareholders of the Company in the event. In the case of any Option with an exercise price that equals or exceeds the price paid for a Common Share in connection with the Change in Control, the Committee may cancel the Option without the payment of consideration for it.

11. AMENDMENT OF THE PLAN AND AWARDS.

11.1 Amendment of Plan and Awards. The Board at any time, and from time to time, may amend or suspend any provision of an Award or the Plan, or terminate the Plan, subject to those provisions of Applicable Laws (including, without limitation, the rules, regulations and policies of the Exchange), if any, that require the approval of security holders or any governmental or regulatory body regardless of whether any such amendment or suspension is material, fundamental or otherwise, and notwithstanding any rule of common law or equity to the contrary.

- (a) Without limiting the generality of the foregoing, the Board may make the following types of amendments to this Plan or any Awards without seeking security holder approval:
- (i) amendments of a "housekeeping" or administrative nature, including any amendment for the purpose of curing any ambiguity, error or omission in this Plan, or to correct or supplement any provision of this Plan that is inconsistent with any other provision of this Plan;
 - (ii) amendments necessary to comply with the provisions of Applicable Law (including, without limitation, the rules, regulations and policies of the Exchange);
 - (iii) amendments necessary for Awards to qualify for favourable treatment under applicable tax laws;
 - (iv) amendments to the vesting provisions of this Plan or any Award;

- any amendment to a cash-settled award, financial assistance or clawbacks provisions which are adopted;
- (vi) amendments to the termination or early termination provisions of this Plan or any Award, whether or not such Award is held by an Insider, provided such amendment does not entail an extension beyond the original expiry date of the Award;
 - (vii) amendments necessary to suspend or terminate this Plan; and
 - (viii) any other amendment that does not require shareholder approval under Section 11.1(b).
- (b) Security holder approval will be required for the following types of amendments:
- (i) any amendment to increase the maximum number of Common Shares issuable under this Plan, other than pursuant to Section 9;
 - (ii) any amendment to this Plan that extends the expiry date, redemption date or settlement date, as applicable, of any Award to later than ten (10) Business Days after the expiry of the Blackout Period;
 - (iii) any amendment that would result in the Exercise Price for any Stock Option granted under this Plan being lower than: (i) the Fair Market Value at the Grant Date of the Stock Option; or (ii) if the Common Shares are listed on the TSXV, the Discounted Market Price; and security holder approval shall be required for any subsequent amendment thereto resulting in such pricing being lower than the Discounted Market Price;
 - (iv) any amendment to remove or to exceed the Insider participation limit set out in herein;
 - (v) any amendment that reduces the Exercise Price of an Option or permits the cancellation and reissuance of an Option or other entitlement, in each case, other than pursuant to Section 10, Section 10.1, or Section 10.2;
 - (vi) any amendment extending the term of an Option beyond the original Expiry Date, except as provided in Section 6.2;
 - (vii) any amendment to the amendment provisions;
 - (viii) any amendment that would allow for the transfer or assignment of Awards under this Plan, other than for normal estate settlement purposes; and
 - (ix) amendments required to be approved by security holders under Applicable Law (including the rules, regulations and policies of the Exchange).

At all times when the Corporation is listed on the TSXV, the shareholder approval referred to in Section 11.1(b)(iv), Section 11.1(b)(v) (if any such Award is held by an Insider) and Section 11.1(b)(vi)(if any such Award is held by an Insider) above must be obtained on a "disinterested" basis in compliance with the applicable policies of the TSXV.

11.2 Additional Approvals when Listed on TSXV. Notwithstanding any other provision of this Plan, at all times when the Company is listed on the TSXV, the Company shall be required to obtain prior TSXV acceptance of any amendment to this Plan except for an amendment to (i) reduce the number of Common that may be issued under an Stock Option; (ii) increase the exercise price of a Stock Option; or (iii) cancel a Stock Option.

11.3 No Impairment of Rights. Except as expressly set forth herein or as required pursuant to Applicable Laws, no action of the Board or security holders may materially adversely alter or impair the rights of a Participant under any Award previously granted to the Participant unless (a) the Company requests the consent of the Participant, and (b) the Participant consents in writing.

12. General Provisions.

12.1 Forfeiture Events. The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain events, in addition to applicable vesting conditions of an Award. Such events may include, without limitation, breach of non-competition, non-solicitation, confidentiality or other restrictive covenants that are contained in the Award Agreement or otherwise applicable to the Participant, a termination of the Participant's Continuous Service for Cause, or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates.

12.2 Other Compensation Arrangements. Nothing contained in this Plan shall prevent the Board from adopting other or additional compensation arrangements, subject to any required regulatory or security-holder approval if such approval is required; and such arrangements may be either generally applicable or applicable only in specific cases.

12.3 Sub-Plans. The Committee may from time to time establish sub-plans under the Plan for purposes of satisfying Applicable Laws of various jurisdictions in which the Company intends to grant Awards. Any sub-plans shall contain such limitations and other terms and conditions as the Committee determines are necessary or desirable. All sub-plans shall be deemed a part of the Plan, but each sub-plan shall apply only to the Participants in the jurisdiction for which the sub-plan was designed.

12.4 Unfunded Plan. The Plan shall be unfunded. Neither the Company, the Board nor the Committee shall be required to establish any special or separate fund or to segregate any assets to assure the performance of its obligations under the Plan.

12.5 Recapitalizations. Each Award Agreement shall contain provisions required to reflect the provisions of Section 9.

- 12.6 Delivery.** Upon exercise of an option granted under this Plan, the Company shall issue Common Shares within a reasonable period of time thereafter. Subject to any statutory or regulatory obligations the Company may otherwise have, for purposes of this Plan, 30 days shall be considered a reasonable period of time.
- 12.7 No Fractional Shares.** No fractional Common Shares shall be issued or delivered pursuant to the Plan. The Committee shall determine whether cash, additional Awards or other securities or property shall be issued or paid in lieu of fractional Common Shares or whether any fractional shares should be rounded, forfeited or otherwise eliminated.

- 12.9 Beneficiary Designation.** Each Participant under the Plan may from time to time name any beneficiary or beneficiaries by whom any right under the Plan is to be exercised in case of such Participant's death. Each designation will revoke all prior designations by the same Participant, shall be in a form reasonably prescribed by the Committee and shall be effective only when filed by the Participant in writing with the Company during the Participant's lifetime.
- 12.10 Expenses.** The costs of administering the Plan shall be paid by the Company.
- 12.11 Severability.** The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision, and any invalid or unenforceable provision shall be severed from the Plan.
- 12.12 Plan Headings.** The headings in the Plan are for purposes of convenience only and are not intended to define or limit the construction of the provisions hereof.
- 12.13 Non-Uniform Treatment.** The Committee's determinations under the Plan need not be uniform and may be made by it selectively among persons who are eligible to receive, or actually receive, Awards. Without limiting the generality of the foregoing, the Committee shall be entitled to make non-uniform and selective determinations, amendments and adjustments, and to enter into non-uniform and selective Award Agreements.
- 12.14 Participant Information.**
- (a) As a condition of participating in the Plan, each Participant agrees to comply with all such Applicable Laws and agrees to furnish to the Company all information and undertakings as may be required to permit compliance with such Applicable Laws. Each Participant shall provide the Company with all information (including personal information) required in order to administer the Plan (the "**Participant Information**").
 - (b) The Company may from time to time transfer or provide access to Participant Information to a third-party service provider for purposes of the administration of the Plan, provided that such service providers will be provided with such information for the sole purpose of providing services to the Company in connection with the operation and administration of the Plan. The Company

may also transfer and provide access to Participant Information for purposes of preparing financial statements or other necessary reports and facilitating payment or reimbursement of Plan expenses. By participating in the Plan, each Participant acknowledges that Participant Information may be so provided and agrees and consents to its provision on the terms set forth herein. The Company shall not disclose Participant Information except (i) as contemplated above in this Section 12.14(b), (ii) in response to regulatory filings or other requirements for the information by a governmental authority or regulatory body, or (iii) for the purpose of complying with a subpoena, warrant or other order by a court, Person or body having jurisdiction over the Company to compel production of the information.

12.15 Priority of Agreements. In the event of any inconsistency or conflict between the provisions of the Plan and any Award Agreement, the provisions of the Plan shall prevail. In the event of any inconsistency or conflict between the provisions of the Plan or any Award Agreement, on the one hand, and a Participant's employment agreement with the Employer, on the other hand, the provisions of the employment agreement shall prevail.

**ARTICLE 2
TERMS OF DEBENTURE****2.1 Advances**

The Company acknowledges itself indebted to the Holder as of the date hereof in the principal amount of the Initial Advance being \$708,218.95. Upon written request by the Company, the Holder may, in its discretion, make additional Advances to the Company after the date hereof provided that the total of all Advances, including the Initial Advance, shall not exceed the Maximum Principal Amount. The Initial Advance shall be used firstly to repay in full amounts outstanding under the Promissory Notes, with the remaining proceeds of the Initial Advance and all other Advances to be used by the Company to finance the Company's exploration project including underground drilling and for general working capital purposes.

2.2 Payment of Outstanding Principal Amount

Subject to earlier acceleration following an Event of Default, conversion by the Holder pursuant to Section 3.2 prior to the Maturity Date, or pre-payment of the Outstanding Principal Amount and Interest pursuant to Section 2.5 prior to the Maturity Date, the Outstanding Principal Amount together with all accrued and unpaid Interest (including compounded interest) thereon shall be due and payable in lawful money of Canada on the earlier of written demand made by the Holder and the Maturity Date to the order of the Holder against surrender of the Debenture by the Holder hereof at the principal office of the Company. Payment of the Outstanding Principal Amount and any accrued Interest thereon to the Holder by the Company under this Debenture shall be made by a certified cheque, bank draft or wire transfer.

2.3 Interest Bearing

In the event of conversion of the Outstanding Principal Amount prior to or on the Maturity Date of the entire Outstanding Principal Amount, any accrued but unpaid Interest owing hereunder to the Conversion Date on the Outstanding Principal Amount shall be payable by the Company in cash or certified cheque to the Holder within 30 days of the Conversion Date. interest) and other amounts owing hereunder, shall become immediately due and payable by the Company to the Holder in full.

- (b) For the purposes of the *Interest Act* (Canada): (i) any amount of interest or fees calculated herein on the basis of a period comprising less than the actual number of days in the calendar year and expressed as an annual rate is equal to the said rate of interest or fees multiplied by the actual number of days comprised within the calendar year, divided by the number of days in the period concerned; and (ii) all interest will be calculated using the nominal rate method and not the effective rate method.
- (c) In the event that any provision of this Debenture would oblige the Company to make any payment of interest or any other payment which is construed by a court of competent jurisdiction to be interest in an amount or calculated at a rate which would be prohibited by law or would result in a receipt by the Holder of interest at a criminal rate (as such terms are construed under the *Criminal Code* (Canada)), then notwithstanding such provision, such amount or rate shall be deemed to have been retroactively adjusted to the maximum amount or rate of interest, as the case may be, as would not be so prohibited by law or so result in a receipt by the holder of interest at a criminal rate.

2.4 Right to Prepayment

If no Event of Default has occurred, the Company shall have the option to prepay all or any portion of the Outstanding Principal Amount plus any accrued Interest. The Company shall notify the Holder in writing of its decision to exercise its prepayment option including particulars of the amount of the Outstanding Principal Amount the Company intends to prepay, and the Holder shall have 10 days from receipt of the notice to exercise the Holder's right of conversion of the Debenture (in whole or in part in respect of such Outstanding Principal Amount) or accept the prepayment.

- (b) The payment of the Outstanding Principal Amount and Interest by the Company to the Holder shall be a good discharge to the Company in respect of its obligations hereunder. The Company shall not be bound to enquire into the title of the Holder, save as ordered by a court of competent jurisdiction or as required by statute. The Company shall not be bound to see to execution of any trust affecting the ownership of this Debenture nor be affected by notice of any equity that may be subsisting in respect thereof.

2.6 Transfer of Debenture

This Debenture is non-negotiable and the Holder covenants and agrees that it cannot, and shall not, transfer, sell, assign or pledge this Debenture, without the prior written consent of the Company, acting reasonably, provided that the Holder may transfer this Debenture to an Affiliate in respect of which it is non arm's length. The Holder

acknowledges and agrees that any transfer, sale, assignment or pledging of this Debenture by it shall comply with the provisions of Applicable Law and any Governmental Authority having jurisdiction, as well as the Articles of the Company.

2.7 Withholding Tax

Any and all payments by the Company to the order of the Holder under this Debenture shall be made free and clear of and without reduction or withholding for any Taxes, provided that if the Company shall be required by any applicable law to deduct any Taxes from such payments, then (a) the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section), the Holder will receive an amount equal to the sum it would have received had no such deductions been made; (b) the Company shall make such deductions; and (c) the Company shall timely pay the full amount deducted to the relevant Governmental Authority in accordance with Applicable Law.

ARTICLE 3 CONVERSION OF DEBENTURE

3.1 Conversion Right and Conversion Price

The Holder shall have the right, at its option, at any time up to and including the Maturity Date, to convert the Outstanding Principal Amount of this Debenture (excluding accrued but unpaid Interest), in whole or in part, into Common Shares at a conversion price of \$0.20 per Common Share (the "**Conversion Price**").

3.2 Manner of Exercise of Right to Convert

- (a) In order to convert the Outstanding Principal Amount in whole or in part into Common Shares, the Holder shall surrender this Debenture to the Company at its principal offices in the City of Edmonton, together with the Form of Conversion Election Notice attached hereto as Schedule "A", duly executed by the Holder or its attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Company, exercising the Holder's right to convert the Outstanding Principal Amount, in whole or in part, in accordance with the provisions of this Section 3.2. Thereupon the Holder or, subject to payment of all applicable stamp or security transfer taxes or other governmental charges and compliance with all reasonable requirements of the Company, its nominee(s) or assignee(s), shall be entitled to be entered in the books of the Company as at the Conversion Date as the registered holder of the number of Common Shares into which the Outstanding Principal Amount has been converted in accordance with the provisions of this Section 3.2 and, within five (5) Business Days, the Company shall deliver to the Holder or, subject as aforesaid, its nominee(s) or assignee(s), a certificate or certificates for such Common Shares and, if applicable, a cheque for any amount due and payable under Section 3.5.
- (b) For the purposes of this Section 3.2, if this Debenture is surrendered for conversion, it shall be deemed to be surrendered on the date (the "**Conversion Date**") on which it is received by the Company. If this Debenture is surrendered for conversion on a day on which the register of Common Shares is closed, the Person or Persons entitled to receive Common Shares in respect thereof shall

become the holder or holders of record of such Common Shares as at the date on which such registers are next reopened.

- (c) Any part of the Outstanding Principal Amount may be converted as provided in this Section 3.2 and all references to conversion of the Debenture shall be deemed to include conversion of such part. If only a part of this Debenture is converted, the Company will cancel this Debenture and shall without charge forthwith certify and deliver to the Holder a new Debenture in an aggregate principal amount equal to the unconverted part of the Outstanding Principal Amount.
- (d) The Company will from time to time promptly pay or make provision satisfactory to the Holder for the payment of any and all Taxes which may be imposed by applicable laws with respect to the issuance or delivery of the Common Shares to the Holder upon conversion of the Debentures.

3.3 Capital Reorganizations or Change of Management

- (a) If and whenever at any time after the date hereof, and prior to the Maturity Date, the Company shall subdivide or re-divide its outstanding Common Shares, or reduce, combine or consolidate the outstanding Common Shares into a smaller number of Common Shares; the number of Common Shares issuable upon conversion of the Debenture, immediately prior thereto shall be adjusted so that the Holder shall be entitled to receive the kind and number of Common Shares which it would have owned or been entitled to receive after the happening of any of the events described in this Subsection 3.3(a), had such Debenture been converted immediately prior to the happening of such event or any record date with respect thereto. An adjustment made pursuant to this Subsection 3.3(a) shall become effective immediately after the effective date of such event retroactive to the record date, if any, for such event.
- (b) On the occurrence of any event which is not addressed in Subsection 3.3(a) (the "**Unanticipated Event**"), the parties will, in good faith, make such further adjustments and changes and take all necessary actions so as to ensure that the Holder receives, upon the conversion of this Debenture occurring at any time after the date of occurrence of the Unanticipated Event, such shares, securities, rights or property that he would have received if, immediately prior to such date, it had been the registered holder of the number of Common Shares to which he would be entitled upon the conversion of this Debenture into Common Shares.

3.4 Rules Regarding Calculation of Adjustment of Conversion Rights

For the purposes of Section 3.3:

- (a) The adjustments provided for in Sections 3.3(a) and 3.3(b) are cumulative and will be made successively whenever an event referred to therein occurs.

If any such

determination is made, the Company will deliver a certificate of the Company to the Holder describing such determination.

3.5 No Requirement to Issue Fractional Shares

The Company shall not be required to issue fractional Common Shares upon the conversion of this Debenture pursuant to this Article 3. If any fractional interest in a Common Share would, except for the provisions of this section, be deliverable upon the conversion the Company shall, in lieu of delivering any certificate of such fractional interest, satisfy such fractional interest by paying to the Holder an amount in lawful money of Canada equal (computed to the nearest cent) to a value determined by multiplying the fractional interest by the Conversion Price. No such payment will be made if the amount so calculated is less than \$10.

3.6 Listing of Shares

The Company shall use its best efforts to ensure that the Common Shares issuable upon conversion of this Debenture shall be listed and posted for trading on a recognized stock exchange acceptable to the Holder.

3.7 Legended Certificates

Notwithstanding anything herein contained, Common Shares issuable upon conversion of this Debenture will only be issued in compliance with the Applicable Law of any applicable jurisdiction, and the certificates representing the Common Shares thereby issued will bear all applicable legends.

5.2 Acceleration on Default

If any of the Event of Default has occurred, then and in each and in every such event the Holder may in its discretion by notice in writing to the Company declare the Outstanding Principal Amount then outstanding together with all accrued and unpaid Interest thereon and all other monies outstanding hereunder to be due and payable and the same shall forthwith become immediately due and payable, anything therein or herein to the contrary notwithstanding, the Company shall forthwith pay to the Holder the Outstanding Principal Amount together with all accrued and unpaid Interest thereon and such other monies from the date of the said declaration until payment is received by the Holder. Such payment when made shall be deemed to have been made in discharge of the Company's obligations hereunder.

5.3 Waiver of Default

If an Event of Default shall have occurred, the Holder may waive any Event of Default hereunder, provided that no delay or omission of the Holder to exercise any right or

power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or acquiescence therein and provided further that no act or omission of the Holder shall extend to or be taken in any manner whatsoever to affect any subsequent Event of Default hereunder or the rights resulting therefrom.

The covenant of the Company to pay interest at the rate provided in this Debenture shall not merge in any such judgment and such judgment shall bear interest at the rate set forth in this Debenture until such judgment and all interest thereon has been paid in full.

5.6 Remedies Not Exclusive

No right, power or remedy herein conferred upon or reserved to the Holder is intended to be exclusive of any other right, power or remedy or remedies, and each and every right, power and remedy shall, to the extent permitted by Applicable Law, be cumulative and shall be in addition to every other right, power or remedy given hereunder or now or hereafter existing at law, in equity or by statute. The Holder shall have the power to waive any default, provided no such waiver shall be effective unless made in writing and shall not constitute a waiver of any other or subsequent default. No delay or omission of the Holder in the exercise of any right, power or remedy accruing upon any default shall impair any such right, power or remedy or shall be construed to be a waiver of any such default or an acquiescence therein. Every right, power and remedy given to the Holder by this Debenture or under Applicable Law may be exercised from time to time and as often as may be deemed expedient by the Holder. In case the Holder shall have proceeded to enforce any right under this Debenture and the proceedings for the enforcement thereof shall have been

5.8 Expenses

If the Company fails to pay any amounts required to be paid by it under this Debenture or to observe or perform any of the covenants and obligations to be observed or performed by it set forth in this Debenture or in any other loan or security document provided by the Company to the Holder, the Holder may, but shall be under no obligation to, pay such amounts or do such acts or things as may be required to ensure such observance and performance, without waiving any of its rights under this Debenture or under such other loan or security document. No such payment, act or thing by the Holder shall relieve the Company from any default under this Debenture or any other loan or security document provided by the Company to the Holder or the consequences of such default. In addition, the Company shall pay all reasonable expenses (including legal fees and expenses on a solicitor and his own client basis) incurred by the Holder in connection with the preparation, perfection, execution, protection, enforcement of and advice with respect to this Debenture (including the realization, disposition, retention, protection or collection and enforcement of the rights of the Holder hereunder) and such expenses shall become part of the Obligations, and shall, from the time they are paid by the Holder until paid by the Company, bear interest at the applicable rate hereunder.

It is understood and agreed that the covenants and conditions of this Section 5.9 shall remain in full force and effect notwithstanding the payment or release, either partially or wholly, of any foreclosure thereof.

**ARTICLE 6
SATISFACTION AND DISCHARGE**

6.1 Cancellation and Destruction

Upon maturity this Debenture shall forthwith after payment thereof be delivered to the Company and cancelled.

6.2 Non-Presentation of Debenture

If the Holder of this Debenture shall fail to present the same for payment on the date on which the principal thereof or represented thereby becomes payable, either at Maturity or upon an Event of Default or the Holder shall not accept payment on account thereof and give such receipt therefor (if any) as the Company may require, the Company shall be entitled to set aside the principal moneys and interest thereon in trust to be paid to the Holder upon due presentation and surrender thereof in accordance with the provisions of this Debenture; and thereupon the principal moneys represented by this Debenture and interest thereon in respect whereof such moneys have been set aside shall be deemed to have been paid and thereafter this Debenture shall not be considered as outstanding and the Holder thereof shall thereafter have no right in respect thereof except that of receiving payment of the moneys so set aside by the Company (without interest thereon) upon due presentation and surrender thereof.

6.3 Discharge

Upon the principal due on this Debenture and interest thereon (including interest on amounts in default) having been paid or satisfied, the Holder shall, at the request and at the expense of the Company, execute and deliver to the Company such deeds or other instruments as shall be necessary to evidence the satisfaction and discharge of this Debenture and to release the Company from its covenants contained herein.

- (b) waive in whole or in part its rights on any default by another party under any section in this Debenture, which is to its benefit, but any such waiver by any party of any such benefit or right on any occasion shall be deemed not to be a waiver of the benefit of or right under any such section thereafter or of any other section or of any subsequent default, as the case may be. Failure to exercise or delay in exercising on the part of the Holder any right, power or privilege under this Debenture shall not operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

SCHEDULE "D"

7.4 Lost Debenture

If this Debenture is stolen or becomes lost, mutilated or destroyed, the Company shall issue and countersign a new Debenture in identical form and substance as this Debenture so stolen, lost, mutilated or destroyed, provided that the Holder or, if not an individual, an officer of the Holder certifies that the Holder has lost this Debenture or it has been stolen, mutilated or destroyed and provided further than the Company may require an indemnity in a form satisfactory to the Company.
