MANAGEMENT INFORMATION CIRCULAR**

As of November 1, 2018

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by management of the Corporation for use at the Meeting of shareholders of the Corporation to be held on Friday, December 21, 2018 at 10:00 a.m. (Toronto time) at the offices of the Corporation, 25 Adelaide Street East, Suite 1612, Toronto, Ontario Canada M5C 3A1, and at all adjournments thereof for the purposes set out in the accompanying notice of meeting.

Unless otherwise stated, the information in this Circular is given as of November 1, 2018.

Terms within this Circular commencing with capitalized letters are terms which are defined within the text of this Circular. In this Circular, unless otherwise specified, all dollar amounts are expressed in Canadian dollars.

Solicitation of Proxies

It is expected that the solicitation will be made primarily by mail, but proxies may also be solicited personally by directors, officers or regular employees of the Corporation. Such persons will not receive any extra compensation for such activities. The Corporation may pay brokers or other persons holding common shares (the “**Common Shares**”) in their own names, or in the names of nominees, for their reasonable expenses for sending proxies and the Circular to beneficial owners of Shares and obtaining proxies therefor. **The solicitation of proxies by this Circular is being made by or on behalf of the management of the Corporation.** The cost of any such solicitation will be borne by the Corporation.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are directors and/or senior officers of the Corporation. A shareholder has the right to appoint some other person, who need not be a shareholder of the Corporation, to attend and act for him or her at the Meeting and may do so either by inserting such person’s name in the blank space provided in the instrument of proxy and striking out the names of the two persons specified or, by completing another proper form of proxy and, in either case, delivering the completed proxy to TSX Trust Company at 100 Adelaide Street. W, Suite 301, Toronto, Ontario, M5H 4H1 not later than 48 hours (excluding Saturdays, Sundays and holidays) prior to the time set for the Meeting.

A proxy given by a shareholder may be revoked as to any motion on which a vote has not already been cast pursuant to the authority conferred by it, by instrument in writing executed by the shareholder or by his attorney authorized in writing or, if the shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized, and deposited either at the registered and head office of the Corporation at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof at which the proxy is to be used or with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, or in any other manner permitted by law.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, other than the election of directors, a majority of not less than one-half of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required.

Voting of Proxies

The persons named in the enclosed form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the shareholders appointing them. In the absence of such direction, such shares will be voted FOR in the election of directors, the appointment and remuneration of auditors and the approval of the stock option plan. The enclosed form of proxy confers discretionary authority upon the persons named therein to exercise their judgment and to vote with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date hereof, the management of the Corporation knows of no such amendments, variations or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting. The execution or exercise of a proxy does not constitute a written objection for the purposes of subsection 185(6) of the *Business Corporations Act* (Ontario).

Voting in Person at the Meeting

A registered shareholder, or a non-objecting beneficial owner (“**NOBO**”) whose name has been provided to the Corporation’s registrar and transfer agent, TSX Trust Company, will appear on a list of shareholders prepared by the registrar and transfer agent for purposes of the Meeting. To vote in person at the Meeting each registered shareholder or NOBO will be required to register for the Meeting by identifying themselves at the registration desk. Non-registered beneficial shareholders (other than NOBOs) must appoint themselves as a proxyholder to vote in person at the Meeting. Also see “**Non-Registered Holders**” below.

Voting by Proxy at the Meeting

If a registered shareholder or NOBO cannot attend the Meeting but wishes to vote on the resolutions, the registered shareholder or NOBO should sign, date and deliver the enclosed form of proxy to the Corporation’s registrar and transfer agent, TSX Trust Company, 100 Adelaide Street. W, Suite 301, Toronto, Ontario, M5H 4H1 so it is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. **The persons named in the enclosed form of proxy are directors and/or officers of the Corporation. A shareholder giving a proxy can strike out the names of the nominees printed in the accompanying form of proxy and insert the name of another nominee in the space provided, or the shareholder may complete another form of proxy. A proxy nominee need not be a shareholder of the Corporation.** A shareholder giving a proxy has the right to attend the Meeting, or appoint someone else to attend as his or her proxy at the Meeting and the proxy submitted earlier can be revoked in the manner described under “Appointment and Revocation of Proxies”.

Non-Registered Holders

In many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or,
- (b) in the name of a depository (such as The Canadian Depository for Securities Limited or “CDS”). Non-Registered Holders do not appear on the list of shareholders of the Corporation maintained by the transfer agent.

In accordance with Canadian securities law, the Corporation has distributed copies of the Proxy Materials to CDS and intermediaries for onward distribution to Non-Registered Holders. Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, intermediaries will use a service company to forward the meeting materials to Non-Registered Holders. Non-Registered Holders, other than NOBOs, will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, depending on which type of form they receive.

A. *Voting Instruction Form.* In most cases, a Non-Registered Holder will receive, as part of the meeting materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the holder’s behalf), the voting instruction form must be completed, signed and returned in accordance with the directions on the form. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the Holder’s behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder. Or,

B. *Form of Proxy.* Less frequently, a Non-Registered Holder will receive, as part of the meeting materials, a form of proxy that has already been signed by the intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting in person (or have another person attend and vote on the holder’s behalf), the Non-Registered Holder must complete the form of proxy and deposit it with the Corporation’s registrar and transfer agent, TSX Trust Company, 100 Adelaide Street. W, Suite 301, Toronto, Ontario, M5H 4H1, as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting in person (or have another person attend and vote on the holder’s behalf), the Non-Registered Holder must strike out the names of the persons named in the proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided.

Non-Objecting Beneficial Owners

These Proxy Materials are being provided to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions or form of proxy delivered to you.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Corporation has an authorized capital consisting of an unlimited number of Common Shares of which 50,454,150 are issued and outstanding.

Holders of Common Shares of record at the close of business on November 1, 2018 (the “**Record Date**”) are entitled to vote such Common Shares at the Meeting on the basis of one vote for each Common Share.

To the knowledge of the directors and senior officers of the Corporation, there is no person or corporation which beneficially owns directly, or indirectly, or exercises control or direction over equity shares of the Corporation carrying more than 10% of the voting rights attached to all equity shares of the Corporation.

MATTERS TO BE ACTED UPON AT THE MEETING

Election of Directors

The Articles of the Corporation provide that the board of directors of the Corporation (the “**Board**”) shall consist of a minimum of three (3) and a maximum of eleven (11) directors. The Board currently is comprised of five (5) directors and the number of directors to be elected at the Meeting is five (5). It is proposed that Messrs. Hubert J. Mockler, Christopher J. Berlet, Marcus Chase, Paul Davis and Bruce Reid be nominated at the Meeting to act as directors of the Corporation until the next annual meeting of the shareholders. The table below sets out for each nominee his principal occupation, the number of Common Shares of the Corporation beneficially owned, directly or indirectly, or over which control or direction is exercised by the nominee as at November 1, 2018, and the date they were first elected or appointed as a director of the Corporation.

MANAGEMENT OF THE CORPORATION RECOMMENDS THAT HOLDERS OF COMMON SHARES VOTE IN FAVOUR OF THE ELECTION OF THE DIRECTOR NOMINEES AS DIRECTORS OF THE CORPORATION, AND UNLESS OTHERWISE CLEARLY SPECIFIED, THE PERSONS NAMED IN THE ACCOMPANYING PROXY INTEND TO VOTE IN FAVOUR OF THE ELECTION OF THE DIRECTOR NOMINEES

The Board has adopted a policy providing that in an uncontested election of directors, any nominee who receives a greater number of votes “Withheld” than votes “For” will submit his or her resignation promptly following the Meeting. The Compensation and Corporate Governance Committee will consider the offer of resignation and, except in extraordinary circumstances, will be expected to recommend that the Board accept the resignation, if applicable. The Board may: (1) leave a vacancy on the Board until the Corporation’s next annual meeting (2) fill the vacancy by appointing a new director whom the Board considers to merit the confidence of the shareholders, or (3) call a special meeting of shareholders to consider new Board nominee(s) to fill the vacant position(s).

Unless specifically instructed to withhold from voting, the persons named in the enclosed form of proxy intend to vote “For” the election of the foregoing nominees. Management does not contemplate that any of the nominees will be unable to serve as a director but if that should occur for any reason prior to the Meeting, the persons named in the enclosed form of proxy reserve the right to vote for another nominee in their discretion. Each director elected will hold office until the next annual meeting of shareholders or until his office is earlier vacated in accordance with the by-laws of the Corporation.

To the knowledge of the Corporation, none of the directors or any proposed management nominee for election as a director of the Corporation is, or during the ten years preceding the date of this Circular has been, a director or officer of any company that, while the person was acting in that capacity:

- (a) was the subject of a cease trade order or similar order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (b) was subject to an event that resulted, after the director or proposed management nominee ceased to be a director or officer of the relevant company, in the relevant company being the subject of a cease trade order or similar order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days; or
- (c) within a year of the director or proposed management nominee ceasing to be a director or officer of the relevant company, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement, or compromise with creditors, or had a receiver, receiver manager, or trustee appointed to hold its assets except for Mr. Paul Davis who was an officer of First Nickel Inc. which filed for receivership on August 20, 2016.

During the ten years preceding the date of this Circular, no director or proposed management nominee for election as a director of the Corporation has been declared bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of that individual.

Annual Re-Approval of Stock Option Plan

The Corporation currently has a stock option plan (the “**Option Plan**”) which was adopted by the Board as of June 28, 2007 and was last approved by the shareholders on June 29, 2017. The Option Plan is subject to approvals of the shareholders and applicable stock exchanges as may be required by the terms of the Option Plan and applicable stock exchanges. The Option Plan is a rolling stock option plan. Pursuant to Policy 4.4 of the TSX Venture Exchange, all TSX-V listed companies are required to receive yearly approval for a rolling stock option plan. The total number of Common Shares reserved and available for issuance pursuant to the Option Plan shall not exceed 10% of the issued and outstanding Common Shares of the Corporation from time to time. At the Meeting, shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, a resolution re-approving the Option Plan. The purpose of the Option Plan is to allow the Corporation to grant options to directors, officers, consultants and employees as additional compensation and as an opportunity to participate in the profitability of the Corporation. The granting of such options is intended to align the interests of such persons with that of the Corporation. A copy of the Stock Option Plan is attached hereto as Schedule “C”.

- (b) The maximum number of shares that may be reserved for issuance under the Option Plan will be a rolling number not to exceed 10% of the issued and outstanding Common Shares of the Corporation at the time of the stock option grant;
- (c) The exercise price of options granted under the Option Plan will be set by the Board on the basis of the “market price” of the Common Shares on the trading day prior to the date of the grant;
- (d) The full purchase price of Common Shares purchased under the Option Plan shall be paid in cash upon the exercise thereof;
- (e) Options may be granted under the Option Plan exercisable over a period not exceeding five years;
- (f) Options covering not more than 5% of the issued Common Shares of the Corporation may be granted to any one individual in any 12 month period;

- (h) Options may only be exercised while the optionee is a director, officer, employee or consultant to the Corporation, or within a period of 90 days after ceasing to be so;

- (i) Notwithstanding item (h), an optionee's heirs or administrators shall have one year from the death of the optionee in which to exercise any portion of options outstanding at the time of death of the optionee;
- (j) Notwithstanding item (h), options granted to an optionee who is engaged in investor relations activities expire 30 days after the optionee ceases to be employed to provide investor relations activities;
- (k) The options (the “**Options**”) shall not be assignable or transferable by an optionee;
- (l) The obligation of the Corporation to issue and deliver Common Shares under the Option Plan will be subject to any approvals which may be required from any regulatory authority or stock exchange having jurisdiction over the securities of the Corporation; and
- (m) The Board or the committee may from time to time, subject to required regulatory approval, amend or terminate the Option Plan.

Shareholder Approval

THE STOCK OPTION PLAN OF THE CORPORATION IS ATTACHED HERETO AS SCHEDULE “C” AND BELOW IS THE TEXT OF THE RESOLUTION TO RATIFY AND REAPPROVE THE STOCK OPTION PLAN. THE RESOLUTION TO RE-APPROVE THE OPTION PLAN MUST BE APPROVED BY AN ORDINARY RESOLUTION, WHICH MUST BE PASSED BY AT LEAST A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS OF COMMON SHARES REPRESENTED IN PERSON OR BY PROXY AT THE MEETING.

UNLESS OTHERWISE CLEARLY SPECIFIED, THE PERSONS NAMED IN THE ACCOMPANYING PROXY INTEND TO VOTE IN FAVOUR OF THE RESOLUTION RATIFYING AND RE-APPROVING THE OPTION PLAN.

Recommendation of the Board

The Board recommends that shareholders vote “For” the following resolution:

“RESOLVED, as an ordinary resolution, that:

- 1) the Option Plan, as described in and attached to the Corporation’s Management Information Circular dated November 1, 2018 and available for review at the Corporation’s annual and special meeting to be held on December 21, 2018, be and the same is hereby ratified and approved;
- 2) the number of common shares of the Corporation reserved for issuance under the Option Plan shall be no more than 10% of the Corporation’s issued and outstanding common shares, from time to time;
- 3) the Board of the Corporation be authorized to make any changes to the Option Plan if required by any stock exchange or market upon which the common shares of the Corporation may be listed from time to time; and
- 4) any director or officer of the Corporation is hereby authorized and directed to execute or cause to be executed, whether under corporate seal of the Corporation or otherwise, and to deliver or cause to be delivered all such documents, and to do or cause to be done all such acts and things, as in the opinion of such director or officer may be necessary or desirable in connection with the foregoing.”

SPECIAL BUSINESS

Consolidation of Common Shares

In the opinion of the Corporation's Management and the Board of the Directors, the Corporation's existing issued and outstanding common share capital may make it difficult for the Corporation to attract additional equity financing required to maintain the Corporation and to undertake new projects.

Management and the Board of Directors of the Corporation are considering a consolidation (the "**Consolidation**") of the Corporation's issued and outstanding common shares to provide greater flexibility in any future financings, acquisitions, or other projects. In particular, in light of the current market conditions, Management and the Board of Directors believe it may be beneficial to the current shareholders to have the issued and outstanding share capital consolidated and made more attractive to future investors. Management and the Board of Directors may in the future wish to consolidate the issued and outstanding common shares of the Corporation on the basis of one (1) post-Consolidation common share for up to ten (10) pre-Consolidation Common Shares and to amend the articles of the Corporation accordingly. The Board of Directors may determine to consolidate the common shares on the basis of a rate less than (1:10), or not at all.

As of the date hereof, the Corporation has 50,454,150 common shares issued and outstanding. The proposed Consolidation would, if effected, reduce the number of issued and outstanding common shares to 5,045,415 in the event of a consolidation on the basis of one (1) new common share for each ten (10) pre-Consolidation Common Shares. No fractional shares of the Corporation will be issued, and any fractional shares resulting from the Consolidation will be deemed to have been tendered by the registered owner to the Corporation for cancellation.

Notwithstanding the approval of the Consolidation resolution below by the shareholders, in the event that the Corporation's directors decide that the amendment of the articles of incorporation is not desirable or necessary, the Corporation's capital will remain the same.

Prior to making any amendment to effect the Consolidation of Common Shares, the Corporation shall first be required to obtain any and all applicable regulatory and relevant approvals including, if necessary, from the Canadian Securities Exchange. The Board believes shareholder approval the maximum potential Consolidation ratio (1:10) (rather than a single consolidation ratio) provides the Board with flexibility to achieve the desired results of the Consolidation. If this special resolution is approved, the Consolidation will be implemented, if at all, only upon a determination by the Board that the Consolidation is in the best interests of the Corporation and its shareholders at that time. In connection with any determination to implement a Consolidation, the Corporation's Board will set the timing for such a consolidation and select the specific ratio from within the range for a ratio set forth in the special resolution.

In the event the articles of incorporation of the Corporation are amended to effect the Consolidation, shareholders will be informed by mail and asked to deliver to the transfer agent, the share certificates they currently hold, accompanied by an appropriately completed letter of transmittal, a copy of which will be concurrently delivered to shareholders. The Corporation will provide shareholders with a new share certificate reflecting the Consolidation. The new share certificates will be mailed to shareholders as soon as possible, after the filing of articles of amendment, upon shareholders delivering to the transfer agent their share certificates and letter of transmittal. Shareholders whose shares are held otherwise than in their name will have to contact their broker or other representative in whose name the shares are held in order to ensure the certificates are appropriately exchanged.

Certain Risks Associated with the Consolidation

There can be no assurance that the total market capitalization of the Corporation's Common Shares (the aggregate value of all Common Shares at the then market price) immediately after the Consolidation will be equal to or greater than the total market capitalization immediately before the Consolidation. In addition, there can be no assurance that the per-share market price of the Common Shares following the Consolidation will be higher than the per share market price immediately before the Consolidation or equal or exceed the direct arithmetical result of the Consolidation. In addition, a decline in the market price of the Common Shares after the Consolidation may result in a greater percentage decline than would occur in the absence of a Consolidation and the liquidity of the Common Shares could be adversely affected. There can be no assurance that, if the Consolidation is implemented, the margin terms associated with the purchase of Common Shares will improve or that the Corporation will be successful in receiving increased attention from institutional investors.

The following is the text of the Consolidation Resolution which will be put forward at the Meeting for approval by the shareholders of the Corporation:

“BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:

- (1) the Consolidation of the Corporation's common shares within a range to be determined by the directors of the Corporation of between one (1) new common share for up to every ten (10) pre-Consolidation Common Shares (1:10) and to amend the Corporation's articles accordingly is hereby authorized and approved;
- (2) notwithstanding that this resolution has been duly passed by the shareholders of the Corporation, the directors of the Corporation be, and they are hereby, authorized and empowered, without further approval of the shareholders of the Corporation, to revoke this resolution at any time prior to the filing of articles of amendment to consolidate the Corporation's common shares and to determine not to proceed with Consolidation; and
- (3) any director and/or officer of the Corporation be and such director and/or officer of the Corporation is hereby, authorized and empowered, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise, and to deliver or cause to be delivered any and all such documents and instruments and to do or to cause to be done all such other acts and things as, in the opinion of such director and/or officer, may be necessary or desirable in order to fulfil the intent of the foregoing paragraphs of this resolution.”

In order to be effected, the Consolidation Resolution above must be approved by two-thirds of the votes cast at the Meeting in person or by proxy. If the resolution does not receive the requisite shareholder approval, the Corporation will not proceed with the Consolidation. **PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE ABOVE AMENDMENT TO THE ARTICLES OF INCORPORATION TO CONSOLIDATE THE COMMON SHARES OF THE CORPORATION AS DETERMINED BY THE DIRECTORS OF THE CORPORATION AS SET OUT ABOVE, UNLESS A SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS OR HER SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION.**

STATEMENT OF EXECUTIVE COMPENSATION

In this Circular, a Named Executive Officer (“NEO”) means: (a) the Corporation’s CEO; (b) the Corporation’s Chief Financial Officer; (c) the Corporation’s Chief Operating Officer; and (d) the Corporation’s three other most highly compensated executive officers at the end of the financial year ended December 31, 2017 whose total compensation, individually, was greater than \$150,000; and (d) each individual who would be an NEO but for the fact that the individual was neither an executive officer of the Corporation, nor serving in a similar capacity, at the end of the financial year ended December 31, 2017.

For the financial year ended December 31, 2017, the Corporation had two named NEOs namely, Christopher Berlet and Julio DiGirolamo (previously Chief Financial Officer).

COMPENSATION DISCUSSION AND ANALYSIS

Role of the Compensation Committee

In November 2009, the Corporation formed a Compensation Committee which is responsible for, among other things, the oversight of the Corporation’s compensation plans. Specifically, the Compensation Committee is responsible for reviewing the Corporation’s compensation philosophy and developing and fostering a compensation policy that rewards the creation of shareholder value and reflects an appropriate balance between short and long-term performance.

It is important to the Corporation to ensure it is capable of attracting, motivating and retaining individuals who will contribute to the long-term success of the Corporation. The Compensation Committee has not yet established a written charter or mandate, but intends to do so in the near future.

The Compensation Committee will be responsible for negotiating the total compensation program for the NEOs and any other executive officers, reviewing and advising on stock option guidelines, including making recommendations on specific option grants, and reviewing and communicating to the Board the compensation policy and principles that will be applied to other employees of the Corporation.

In reviewing executive compensation, the Compensation Committee will rely on the advice of the CEO regarding other officers of the Corporation (including the NEOs) and will allow him to participate in the Compensation Committee’s deliberations on those officers. The CEO will not, however, participate in any manner in the deliberations of the Compensation Committee or the Board on his compensation. The Compensation Committee may not delegate any of its responsibilities to another entity or to an individual without the approval of the Board.

Composition of the Compensation Committee

Two of the members of the Compensation Committee are considered independent under National Instrument 58-101 *Disclosure of Corporate Governance Practices* (as defined under “Corporate Governance Matters – Approach to Corporate Governance”). For further details concerning the Compensation Committee, see “Corporate Governance Matters”.

Objectives of NEO Compensation Program and Compensation Philosophy

The objectives of the Corporation’s NEO compensation program are to: (a) attract, motivate and retain high-caliber individuals; (b) align the interests of the NEOs with those of the Corporation’s shareholders;

(c) establish an objective connection between NEO compensation and the Corporation's financial and business performance; and (d) incent the NEOs to continuously improve operations and execute on corporate strategy. The NEO compensation program is, therefore, designed to reward the NEOs for increasing shareholder value, achieving corporate performance that meets pre-defined objective criteria and improving operations and executing on corporate strategy.

The Corporation's policy with respect to the compensation of NEOs is to establish annual goals with respect to corporate development and the individual areas of responsibility of each NEO and then to review total compensation with respect to the achievement of these goals. In addition, the Corporation recognizes the importance of ensuring that overall compensation for NEOs is not only internally equitable, but also competitive within the market segment. Specifically, the Compensation Committee's review and evaluation will include measurement of, among others, the following areas: (a) the achievement of corporate objectives, such as financings, partnerships and other business development, in particular having regard to budgetary constraints and other challenges facing the Corporation; (b) the Corporation's financial condition; and (c) the Corporation's share price and market capitalization.

The NEO compensation program may consists of two principal components: (a) base salary; and (b) long-term incentives. Each component has a different function, as described in greater detail below, but all elements work together to reward the NEOs appropriately for personal and corporate performance.

There have been no significant changes to the Corporation's compensation policies or practices since the end of the Corporation's most recently completed financial year.

Base salaries are considered an essential element in attracting and retaining the Corporation's senior executives (including the NEOs) and rewarding them for corporate and individual performance. Base salaries are established taking into account individual performance and experience, level of responsibility and competitive pay practices. Base salaries are reviewed annually and adjusted, if appropriate, to reflect performance and market changes. Any increase to the base salary of the CEO must be approved by the Board and will be based on the recommendation of the Compensation Committee. The CEO is responsible for determining and approving any increase in salary for the other NEOs.

Long-Term Incentives

The Corporation's long-term incentive compensation for senior executives (including the NEOs) may be provided through stock option grants under the option plan of the Corporation. Participation in the Option Plan is considered to be a critical component of compensation that incents the NEOs to create long-term shareholder value, as the value of the Options is directly dependent on the market valuation of the Corporation. The Option Plan also serves to assist the Corporation in retaining senior executives as the Options granted under the Option Plan typically vest over time.

Each NEO is eligible for an annual option grant that will be approved from time to time by the Board and based on the recommendation of the Compensation Committee. The number of stock options granted is based on the NEO's level of responsibility and personal performance and also competitive and market conditions. Special option grants may be considered, if warranted, for performance or other reasons. Each NEO may be granted options upon the commencement of employment with the Corporation. When determining whether and how many new option grants will be made, the Board takes into account the amount and terms of any outstanding options. The Corporation does not require its NEOs to own a specific number of Common Shares of the Corporation.

The Option Plan requires that the option exercise price may not be less than the market price of the Common Shares of the Corporation at the time the option is granted, subject to any discounts permitted by applicable securities laws and stock exchange rules. Options vest at the discretion of the Board and expire three years after the date of the grant. The award of any options under the Option Plan to the NEOs will be subject to the approval of the Board, based on the recommendation of the Compensation Committee.

For further details concerning the Option Plan, see “Securities Authorized for Issuance Under Equity Compensation Plans”.

Risks associated with Compensation Policies and Practices

The Board and the Compensation Committee have considered the implications of the risks associated with the Corporations’ compensation policies or practices.

Each member of the Compensation Committee has been in a senior leadership position in various organizations, and in those capacities obtained direct experience relevant to executive compensation, and has the skills and experience that enable the Compensation Committee to make decisions on the suitability of the Corporation’s compensation policies and practices.

The Compensation Committee determines the NEO’s compensation based upon yearly corporate accomplishments, market and sector comparisons, corporate budget and individual requirements for retaining the NEOs. Compensation may consist of salary and options. Options to acquire Common Shares are granted at the discretion of the Board and often in conjunction with grants of options to directors, executives, employees and consultants to the Corporation.

Option-Based Awards

See “Compensation Discussion and Analysis” and “Option Plan” elsewhere in this document for a description of the Corporation’s Option Plan and the process the Corporation uses to grant option-based awards.

4. Vesting

- (a) The Committee may, in its sole discretion, determine the time during which Options shall vest and the method of vesting, acceleration of vesting (including, without limitation, in the case of a takeover bid or other change of control), or that no vesting restriction shall exist. In the absence of any determination by the Committee as to vesting, vesting shall be immediate.
- (b) Notwithstanding the foregoing, unless otherwise permitted by the TSX-V, Options issued to Consultants performing Investor Relations Activities must vest in stages over a period of not less than 12 months, with no more than one quarter of the Options vesting in any three month period.

5. Exercise Price

- (a) Subject to the policies of the TSX-V, the exercise price (the “**Exercise Price**”) of any Option shall be fixed by the Committee when such Option is granted, provided that such price shall not be less than the Discounted Market Price of the Common Shares. For this purpose, “Discounted Market Price” shall mean the closing trading price per Share on the TSX-V (or if the Common Shares are not listed on the TSXV, on such stock exchange as the Common Shares are then traded) on the last trading day preceding (i) the issuance of a news release in respect of the Option grant, or (ii) the date of grant, as applicable, on which there was a closing price, less the applicable discount, or, if the Common Shares are not listed on any stock exchange, a price determined by the Committee.
- (b) The Corporation must obtain disinterested shareholder approval for any reduction in the Exercise Price of an Option that is held by an Insider of the Corporation.

6. Option Terms

The period during which an Option is exercisable shall, subject to the provisions of the Plan requiring acceleration of rights of exercise, be such period as may be determined by the Committee at the time of grant, provided that no Option may be exercised beyond five years from the date of grant. Each Option shall, among other things, contain provisions to the effect that the Option shall be personal to the Optionee (except as provided herein). In addition, each Option shall provide that:

- (a) upon the death of the Optionee, provided the Optionee was a Service Provider for at least one year following the grant of the Options (unless otherwise determined by the Committee), the Option shall terminate on the date determined by the Committee, which shall not be more than one year from the date of death; and
- (b) if the Optionee shall no longer be a Service Provider to the Corporation, the Option shall terminate on the expiry of the period (the “**Termination Date**”) not in excess of 90 days, or 30 days if the Service Provider is engaged in Investor Relations Activities, following the date that the Optionee ceases to be a Service Provider to the Corporation; provided that the number of Shares that the Optionee (or his heirs or successors) shall be entitled to purchase until the Termination Date shall be the number of Shares which the Optionee was entitled to purchase on the date of death or the date the Optionee ceased to be a Service Provider to the Corporation (other than if the Service Provider is terminated by the Corporation for cause).

An Option shall be non-assignable and non-transferable by the Optionee otherwise than by will or the laws of descent and distribution. Notwithstanding the foregoing, the Optionee may transfer the Option (or

any part thereof) to (i) a corporation that is wholly-owned the Optionee, or (ii) a registered retirement savings plan of the Optionee, provided that, in any such case, the transfer is permitted by, and is effected in accordance with, the then applicable policies of applicable regulatory authorities. Subsequent to any such permitted transfer, the transferred Options shall nevertheless be deemed, for purposes of the Plan, to continue to be held by the Optionee and shall continue to be subject to the terms and conditions of the Plan as if the Optionee remained the sole holder thereof.

7. Exercise of Option

Subject to the provisions of the Plan, an Option may be exercised from time to time by delivery to the Corporation at its head office or such other place as may be specified by the Corporation, of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full of the purchase price by certified cheque or bank draft of the Common Shares then being purchased.

8. Mergers, Amalgamation and Sale

If the Corporation shall become merged (whether by plan of arrangement or otherwise) or amalgamated within or with another body corporate or other entity or shall sell the whole or substantially the whole of its assets and undertakings for shares, securities or other property of another body corporate or other entity, the Corporation shall, subject to this Section 8, make provision that, upon exercise of an Option during its unexpired period after the effective date of such merger, amalgamation or sale, the Optionee shall receive such number of shares, securities or other property of the continuing or successor corporation in such merger or amalgamation or the securities, shares or other property of the purchasing corporation as the Optionee would have received as a result of such merger, amalgamation or sale if the Optionee had purchased the Common Shares of the Corporation immediately prior thereto for the same consideration paid on the exercise of the Option and had held such Shares on the effective date of such merger, amalgamation or sale and, upon such provision being made, the obligation of the Corporation to the Optionee in respect of the Common Shares subject to the Option shall terminate and be at an end and the Optionee shall cease to have any further rights in respect thereof.

9. Termination of Option in the Event of Take Over Bid

In the event a take-over bid (as defined in the Securities Act (Ontario)) which is not exempt from the takeover bid requirements of the Securities Act (Ontario) (or its replacement or successor provisions) shall be made for the Common Shares of the Corporation, the Corporation may in the agreement providing for the grant of Options herein provide that the Corporation may require the disposition of the Options and the termination of any obligations of the Corporation to the Optionee in respect of any Options granted by paying to the Optionee in cash the difference between the Exercise Price of unexercised Options and the fair market value of the securities to which the Optionee would have been entitled upon exercise of the unexercised Options on such date, which determination of fair market value shall be conclusively made by the Committee, subject to approval by the stock exchanges upon which the Common Shares are then listed, if required by such exchanges. Upon payment as aforesaid, the Options shall terminate and be at an end and the Optionee shall cease to have any further rights in respect thereof.

10. Alterations in Shares

In the event, at any time or from time to time, that the share capital of the Corporation shall be consolidated or subdivided prior to the exercise by the Optionee, in full, of any Option in respect of all of the Common Shares granted, or the Corporation shall pay a dividend upon the Common Shares by way of issuance to the holders thereof of additional Shares, Options with respect to any Shares which have not been purchased at the time of any such consolidation, subdivision or stock dividend shall be proportionately adjusted so that the Optionee shall from time to time, upon the exercise of an Option, be entitled to receive the number of Shares he would have held following such consolidation, subdivision or stock dividend if the Optionee had purchased the Common Shares and had held such Shares immediately prior to such consolidation, subdivision or stock dividend. Upon any such adjustments being made, the Optionee shall be bound by such adjustments and shall accept the terms of such Options in lieu of the Options previously outstanding.

11. Option Agreements

A written agreement will be entered into between the Corporation and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Shares subject to Option, the Exercise Price, provisions as to vesting and expiry and any other terms approved by the Committee, all in accordance with the provisions of this Plan. The agreement will be in such form as the Committee may from time to time approve or authorize the officers of the Corporation to enter into and may contain such terms as may be considered necessary in order that the Option will comply with this Plan, any provisions respecting Options in the income tax or other laws in force in any country or jurisdiction of which the person to whom the Option is granted may from time to time be a resident or citizen, and the rules of any regulatory body having jurisdiction over the Corporation.

12. Regulatory Authorities Approvals

The Plan shall be subject to the approval, if required, of any stock exchange on which the Common Shares are listed for trading. Any Options granted prior to such approval shall be conditional upon such approval being given and no such Options may be exercised unless such approval, if required, is given.

13. Amendment or Discontinuance of the Plan

The Committee may amend or discontinue the Plan at any time, provided that no such amendment may, without the consent of the Optionee, alter or impair any Option previously granted to an Optionee under the Plan and provided further that any amendment to the Plan should be subject to prior approval of any stock exchange on which the Common Shares are listed, as required by such exchange, and approval of the shareholders of the Corporation, if required by such exchange.

14. Shares Duly Issued

Shares issued upon the exercise of an Option granted hereunder will be validly issued and allotted as fully paid and non-assessable upon receipt by the Corporation of the Exercise Price therefor in accordance with the terms of the Option and the issuance of Shares thereunder will not require a resolution or approval of the Board.

15. Options to Other Persons and Entities

The provisions herein in respect of the grant of Options shall apply, with the appropriate modifications, to the grant of Options to any person or other entity to whom an Option could have been transferred as provided in the last paragraph of Section 6 hereof, in which case the Option shall nevertheless be deemed, for purposes of the Plan, to be held by the person that is the Service Provider to the Corporation in respect of such person or other entity to whom the Option is actually granted and the Options shall continue to be subject to the terms and conditions of the Plan as if the Service Provider remained the sole holder thereof.
