Clear Blue Technologies International Inc. (the "**Company**")
30 Lesmill Road, Unit 7
Toronto, Ontario M3B 2T6
Canada

2. **Date of Material Change:**

December 20, 2022.

3. **News Release:**

The news release was issued and disseminated on December 21, 2022 and subsequently filed on SEDAR.

4. **Summary of Material Change:**

On December 20, 2022, the Company closed an initial tranche of a non-brokered unit offering (the "**Offering**") for gross proceeds of approximately \$1,269,667.

5. **5.1 – Full Description of Material Change:**

The initial closing of the Offering resulted in the issuance of 18,138,095 units of the Company (each, a "**Unit**" and collectively the "**Units**") at a price of C\$0.07 per Unit. Each Unit consists of one common share in the capital of the Company (each, a "**Common Share**" and collectively the "**Common Shares**") and one common share purchase warrant (each whole warrant, a "**Warrant**" and collectively the "**Warrants**"). Each Warrant entitles the holder thereof to acquire one Common Share at a price of C\$0.12 per Common Share for a period of 60 months from the closing date of the Offering. The Warrants are subject to an accelerated expiry option whereby the Company can trigger an accelerated 30-day expiry of the warrants if the closing price of the Company's common shares listed on the TSXV remain higher than \$0.30 for 10 consecutive trading days. On the 10th consecutive trading day above \$0.30 (the "**Acceleration Trigger Date**"), the Warrant expiry date may be accelerated to 30 trading days after the Acceleration Trigger Date by the issuance of a news release announcing such acceleration within two trading days after the Acceleration Trigger Date.

Proceeds from the Offering are anticipated to be used for sales, marketing, research and development, and working capital requirements.

In connection with the closing of the initial tranche of the Offering, the Company paid aggregate finder's fees in cash of \$27,090.14 and issued 387,002 broker warrants of the Company ("**Finder's Warrants**") equal to 7% of the number of Units purchased by investors referred to by certain finders. Each Finder Warrant will entitle the holder thereof to purchase one Common Share at a price of \$0.07 for a period of 60 months from the grant date.

Miriam Tuerk, John Tuerk, Paul Desjardins, Jason Woerner and Mark Windrim (collectively, the "**Insiders**") beneficially acquired an aggregate of 8,569,582 Units in the initial tranche of the Offering and, as such, the Offering may constitute a related party transaction under Multilateral Instrument 61-101 – Protection of Minority Security Holders in Special Transactions ("**MI 61-101**"), but is otherwise exempt from the formal valuation and minority approval requirements of

MI 61-101 by virtue Sections 5.5(b) and 5.7(1)(a) of MI 61-101 in respect of such Insider participation in the initial tranche of the Offering. No special committee was established in connection with the Offering or the participation of the applicable officers and directors in the Offering, and no materially contrary view or abstention was expressed or made by any director of the Company in relation thereto. The Company did not file the material change report more than 21 days before the expected closing date of the initial tranche of the Offering as the details of the transaction and the total amount to be invested by the applicable officers and directors were not settled until shortly prior to the closing of the initial tranche of the Offering, and the Company wished to complete the initial tranche of the Offering on an expedited basis for sound business reasons.
