

## **Five Star Announces Completion of Debt Settlement**

TORONTO, Dec. 21, 2018 -- Five Star Diamonds Limited (TSX-V:STAR) ("Five Star" or the "Company") announces that it has completed its debt settlement transaction as previously announced on August 2, 2018 (the "Debt Settlement").

The Company settled an aggregate amount of \$767,511 of debt owing to certain officers, directors and service providers to the Company through the issuance of 3,837,556 common shares of the Company (the "Common Shares") at a deemed issuance price of \$0.20 per Common Share. The amount settled includes \$479,842 in accrued directors' fees and accrued management and consulting fees owing to the Company's directors and officers, as the case may be.

The issuance of the Common Shares is subject to the receipt of all applicable regulatory approvals, including the approval of the TSX-V. The Company is choosing to settle the outstanding indebtedness through the issuance of the Common Shares as the Company will require cash for working capital and continuing operations.

The Common Shares are subject to a four month and one day statutory hold period from the date of issuance.

The Company may in due course seek disinterested shareholder approval to settle the balance of any amounts owing to its officers and directors, who have agreed to settle such amounts in Common Shares on the same terms as described herein, subject to TSX-V approval.

The participation by the insiders in the Debt Settlement is considered a "related party transaction" as defined under Multilateral Instrument 61-101 ("MI 61-101"). The transaction is exempt from the formal valuation and minority shareholder approval requirements under MI 61-101 on the basis that the Debt Settlement with related parties constitutes the distribution of securities of the Company for cash consideration of less than \$2.5 million. Neither the Company nor, to the knowledge of the Company after reasonable inquiry, the related parties, has knowledge of any material information concerning the Company or its securities that has not been generally disclosed. The debt settlement with each related party was unanimously approved by the Company's independent directors.
