MANAGEMENT INFORMATION CIRCULAR

(Containing information as at September 1, 2020 unless indicated otherwise)

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Aranjin Resources Ltd. (“**Aranjin**” or the “**Corporation**”) for use at the Annual General and Special Meeting of holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation and any adjournment thereof to be held at Shangri-La Hotel, 19 Olympic Street, Sukhbaatar District-1, Ulaanbaatar, Mongolia on the 6th day of October, 2020, at the hour of 11:00 AM (ULAT)(the “**Meeting**”). The enclosed proxy is being solicited by the management of the Corporation. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally, by facsimile or by telephone by the regular employees of the Corporation at nominal cost. All costs of solicitation by management will be borne by the Corporation. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from Shareholders.

The contents and the sending of this Circular have been approved by the directors of the Corporation. All dollar amounts referenced, unless otherwise indicated, are expressed in Canadian dollars. All references to the Corporation shall include its subsidiaries as the context may require.

APPOINTMENT OF PROXYHOLDER

The individuals named as proxyholders in the accompanying form of proxy are directors and/or officers of the Corporation. **A REGISTERED SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND SIGNING AND DATING THE PROXY, OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by Computershare Trust Company of Canada Inc. (“**Computershare**”), Proxy Dept., 8th Floor, 100 University Avenue, Toronto, Ontario M5J 2Y1 not less than forty eight (48) hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or, with respect to any matters to be dealt with at any adjournment of the Meeting, before the time of the re-commencement of the adjourned Meeting. Proxies delivered after such time(s) will not be accepted.

REVOCATION OF PROXIES

A Shareholder who has given a proxy may revoke it prior to its use by an instrument in writing executed by the Shareholder or by his attorney duly authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of such corporation, and delivered to the registered office of the Corporation, at c/o Peterson McVicar LLP, 18 King Street E, Suite 902 Toronto, ON M5C 1C4 (Attention: James McVicar) at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, preceding any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof, or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation for a sponsorship fee payable.

VOTING OF PROXIES

The Common Shares represented by a properly executed proxy in favour of persons designated as proxyholders in the enclosed form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be called for; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specifications made on such proxy.

SUCH SHARES WILL BE VOTED **FOR** EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED.

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxyholder thereunder to vote with respect to amendments or variations of matters identified in the notice of Meeting, and with respect to any other matters which may properly come before the Meeting. In the event that amendments or variations to matters identified in the notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated by management as proxyholders in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, the management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or proxyholders duly appointed by registered Shareholders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered Shareholders are entitled to vote at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in such shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the brokers’ clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate the responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge well in advance of the Meeting) in order to have the Common Shares voted.**

This Circular and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBO’s**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBO’s**”). Subject to the provision of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of Reporting Issuers*, issuers may request and obtain a list of their NOBO’s from intermediaries via their transfer agents. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf.

The Corporation’s OBO’s can expect to be contacted by Broadridge or their broker or their broker’s agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered

Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.**

All references to Shareholders in this Circular and the accompanying form of proxy and notice of Meeting are to registered Shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth in this Circular, no person who has been a director or executive officer of the Corporation at any time since January 1, 2019 being the beginning of the Corporation's last completed financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has or has had any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation is authorized to issue an unlimited number of Common Shares without par value. As of September 1, 2020, the Corporation had 209,125,278 issued and outstanding Common Shares. Only Shareholders of record at the close of business (Toronto time) on September 1, 2020 (the "Record Date") who either personally attend the Meeting or who have completed and delivered a form of proxy in the manner and subject to the provisions described above shall be entitled to vote or to have their Common Shares voted at the Meeting.

To the knowledge of the directors and executive officers of the Corporation, there are no persons or companies who beneficially own, or exercise control or direction over, directly or indirectly, Common Shares carrying more than ten percent (10%) of the voting rights attached to all outstanding Common Shares except R&R Venture Partners II LLC.

2. APPOINTMENT OF AUDITORS

Shareholders will be asked to appoint MNP LLP as auditors of the Corporation and authorize the directors to fix their remuneration. Unless such authority is withheld, the persons named in the accompanying proxy intend to vote **FOR** MNP LLP, as the auditors of the Corporation to hold office until its successor is appointed and to authorize the directors to fix their remuneration.

3. STOCK OPTION PLAN

The Corporation has adopted an incentive stock option plan (the "**Option Plan**"), which provides that the board of directors may from time to time, in its discretion, and in accordance with the TSX Venture Exchange (the "**TSXV**") requirements, grant to directors, officers, employees and technical consultants to the Corporation, non-transferable options to purchase Common Shares, provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares at the time of any stock option grant. In connection with the foregoing, in any 12-month period, the number of Common Shares reserved for issuance to any individual director or officer will not exceed five percent (5%) of the issued and outstanding Common Shares, and the number of Common Shares reserved for issuance to all consultants will not exceed two percent (2%) of the issued and outstanding Common Shares. The aggregate number of options granted under the Option Plan to Insiders of Aranjin (as that term is defined in the policies of the TSXV) as a group, within a 12-month period, cannot exceed ten percent (10%) of the outstanding Common Shares (on a non-diluted basis) calculated at the date an option is granted to any Insider of Aranjin. Subject to earlier termination, all options granted under the Option Plan will expire not later than the date that is ten years from the date of the grant. The exercise price of the options is determined by the board in accordance with the rules of the TSXV. Reference should be made to the full text of the Option Plan, which is contained in Schedule "A" hereto.

The Option Plan was last approved by the Shareholders at the meeting of the Shareholders on June 15, 2018.

Accordingly, the Corporation's shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED, as an ordinary resolution, that:

1. the Stock Option Plan of the Corporation, as described in the management information circular of the Corporation dated September 1, 2020, be and is hereby ratified and approved.
2. the number of common shares of the Corporation reserved for issuance under the Stock Option Plan shall be no more than 10% of the Corporation's issued and outstanding common shares at the time of any stock option grant, and

3. the board of directors of the Corporation be authorized to make any changes to the Stock Option Plan as may be required by the TSX Venture Exchange.”

4. RATIFICATION OF OPTION GRANTS

On July 17, 2020, the Board granted an aggregate of 9,750,000 options to certain officers, directors, employees and consultants of the Corporation as follows:

Name/Title	Options (#)	Exercise Price	Expiry Date
Matthew Wood – President, CEO and Director	1,500,000	\$0.05	July 17, 2022
Jeremy South – CFO and Director	1,500,000	\$0.05	July 17, 2022
Solongo Gunsendorj - Director	1,500,000	\$0.05	July 17, 2022

Ariuntsetseg Batsaikhan - Consultant	750,000	\$0.05	July 17, 2022

Since the grant of Options occurred after the expiration of the prior approval of the Option Plan and prior to the re-approval of the Option Plan being sought at the Meeting, the grant of Options on July 17, 2020 must be ratified by Shareholders. At the Meeting, disinterested Shareholders will also be asked to consider, and if deemed advisable, to pass with or without variation, an ordinary resolution ratifying and approving the prior grant of an aggregate of 9,750,000 Options pursuant to the Option Plan. (the “**Option Grant Resolution**”). If approval for such grant is not obtained at the Meeting, the Options previously granted will terminate.

In order to become effective, the Option Grant Resolution must be approved, with or without variation, by a simple majority of the disinterested votes cast by shareholders present in person or represented by proxy at the Meeting, excluding any votes cast by the optionees, and any of their affiliates and associates (the “**interested parties**”), in respect of any Common Shares owned by them.

Based on information provided by the interested parties, as of September 1, 2020, the interested parties beneficially owned the following Common Shares:

The text of the Option Grant Resolution to be voted on at the Meeting by the disinterested shareholders of the Corporation is set forth below:

"BE IT RESOLVED, as an ordinary resolution, that:

1. the prior grant of an aggregate of 9,750,00 Options on July 17, 2020 pursuant to the Option Plan is hereby ratified and approved.

EXCEPT WHERE AUTHORITY TO VOTE IN RESPECT OF THE SHARES FOR DEBT RESOLUTION IS WITHHELD, THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED THEREBY FOR THE OPTION GRANT RESOLUTION.

5. SHARES FOR DEBT TRANSACTION

On August 12, 2020, the Corporation entered into debt settlement agreements (collectively, the "**Debt Settlement Agreements**") with certain current and former directors and officers of the Corporation, or their consulting companies, to settle outstanding management fees owing to such persons and companies in the aggregate amount of \$471,685.71 in exchange for the issuance of 4,716,856 Common Shares at a deemed price of \$0.10 per share (the "**Shares for Debt Transaction**").

The amounts proposed to be settled through the issuance of shares represents a portion of the accrued management fees up to July 31, 2018. In June 2019, the Corporation settled an aggregate of \$571,899.40 of accrued management fees up to July 31, 2018 with the same parties by issuing an aggregate of 2,859,497 Common Shares at a price of \$0.20 per share. The Corporation could not settle the full amount of accrued management fees through the issuance of shares as the TSXV limits the amount of management fees payable to a person that can be settled through the issuance of shares to a maximum of \$2,500 per month without prior disinterested shareholder approval. Of the amount proposed to be settled in shares under the Shares for Debt Transaction, \$395,101.71 represents the balance of the accrued management fees that were not settled in 2019. The balance of the amount to be settled of \$76,584 represents management fees for accrued in 2019 and 2020 to Matthew Wood, President, CEO and Director and Jeremy South, CFO and Director of the Corporation. The details of the amounts to be settled are as follows:

Management	Position	Amount to be Settled	Shares to be Issued
Matthew Wood	President, CEO & Director	\$151,339.12	1,513,391
Luis Azevedo	COO & Director	\$106,067.40	1,060,674
Helston Capital Corp. (Principal: Jeremy South)	CFO & Director	\$142,089.30	1,420,893
ATMA Capital Markets (Principal: Aneel Waraich)	Former Vice- President & Director	\$72,189.89	721,898
		\$471,685.71	4,716,856

None of these creditors have received nor charged any interest or any other additional consideration for the indebtedness owed to them by the Corporation.

At the Meeting, disinterested Shareholders will be asked to consider and, if deemed appropriate, to approve an ordinary resolution to approve the Shares for Debt Transaction (the "**Shares for Debt Resolution**").

In order to become effective, the Shares for Debt Resolution must be approved, with or without variation, by a simple majority of the disinterested votes cast by shareholders present in person or represented by proxy at the Meeting, excluding any votes cast by Matthew Wood, Luis Azevedo, Jeremy South and Aneel Waraich, and any of their affiliates and associates (the "**interested parties**"), in respect of any Common Shares owned by them.

Based on information provided by the interested parties, as of September 1, 2020, the interested parties beneficially owned the following Common Shares:

	Number of Common Shares	Percentage of Outstanding Common Shares
Matthew Wood	8,398,071	4.02%

Luis Azevedo	12,590,746	6.02%
Jeremy South	2,784,616	1.33%
Aneel Waraich	5,989,985	2.86%

The Shares for Debt Transaction constitutes a "related party transaction" within the meaning of Policy 5.9 of the TSXV and Multilateral Instrument 61-101 – *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**") because Matthew Wood, Luis Azevedo and Jeremy South are each a director and senior officer of the Corporation. MI 61-101 is intended to regulate certain transactions to ensure the protection and fair treatment of minority security holders.

The Corporation is relying on the exemptions from the valuation and the minority approval requirements of MI 61- 101 provided for in subsections 5.5(a) and 5.7(1)(a) of MI 61-101, respectively, as the fair market value of the subject of, and the consideration paid under, the Shares for Debt Transaction, in relation to the interested parties, will not represent more than 25% of the Corporation's market capitalization, as determined in accordance with MI 61-101. The participation by the interested parties in the Shares for Debt Transaction has been approved by directors of the Corporation who are independent in connection with such transaction. No special committee was established in connection with the Shares for Debt Transaction, and no materially contrary view or abstention was expressed or made by any director of the Corporation in relation to the Shares for Debt Transaction.

The purpose of the Shares for Debt Transaction is to reduce the Corporation's current liabilities, preserve cash and improve its balance sheet. If the requisite disinterested shareholder approval or TSXV approval is not obtained, the Corporation will not be able to complete the Shares for Debt Transaction and will continue to owe this indebtedness to the above-noted creditors.

The directors of the Corporation believe the Shares for Debt Resolution is in the Corporation's best interest and unanimously recommend that shareholders vote FOR the Shares for Debt Resolution.

STATEMENT OF EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Named Executive Officers

The following describes the particulars of compensation for a) the CEO, b) the CFO, c) each of the three most highly compensated executive officers of the Corporation, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and the CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and d) each individual who would be a named executive officer but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of that financial year (each a "Named Executive Officer" or "NEO"). For the financial year ended December 31, 2019, the Named Executive Officers of the Corporation were:

Matthew Wood, Chief Executive Officer and Director

Jeremy South, Chief Financial Officer

Compensation Policy Objectives

The following summarizes the board's current position regarding the compensation of executive officers. The executive compensation program is designed to reward corporate and individual performance and motivate executives to achieve overall corporate goals.

The Corporation's executive compensation program has the following objectives:

- to attract, retain and motivate qualified executives;
- to provide incentives to executives to maximize productivity and enhance enterprise value by aligning the interests of the executives with those of the Shareholders;
- to foster teamwork and entrepreneurial spirit;
- to establish a direct link between all elements of compensation and the performance of the Corporation and its subsidiaries, and individual performance;
- to integrate compensation incentives with the development and successful execution of strategic and operating plans; and
- to enhance Shareholder value.

The executive compensation program is comprised of fixed and variable elements of compensation; base salary, indirect compensation (benefits), discretionary bonus, and long-term incentives in the form of stock options. In determining actual compensation levels, the Board considers the total compensation program, rather than any single element in isolation. Total compensation levels are designed to reflect both the marketplace (to ensure competitiveness) and the responsibility of each position (to ensure internal equity). The Board believes these elements of compensation, when combined, form an appropriate mix of compensation, and provide competitive salary, link the majority of the executives' compensation to

corporate and individual performance (which induces and rewards behaviour that creates long-term value for Shareholders and other stakeholders), and encourage retention with time-based vesting attached to long-term equity-based incentives.

Base Salaries

Base salaries for the executive officers are designed to be competitive and are adjusted for the realities of the market. Initial base salaries are determined through market comparables, formal job evaluation, commercially available salary survey data, experience level, leadership and management skills, responsibilities and proven or expected performance. The Board reviews the recommendations of the President and CEO for the base salaries for executive officers taking into consideration the individual's performance, contributions to the success of the Corporation, and internal equities among positions. No specific weightings are assigned to each factor; instead a subjective determination is made based on a general assessment of the individual relative to such factors.

Discretionary Bonus

A discretionary bonus is intended to provide incentives to executive officers to enhance the growth and development of the Corporation, to encourage and motivate executive officers to achieve short-term goals, and to reward individual contribution to the achievement of corporate objectives. The bonus can be based as a percentage of annual salary or a fixed dollar amount and is awarded at the discretion of the Board.

Long-Term Incentives

The Corporation's long-term equity portion of executive compensation is designed to align the interests of executive officers with that of Shareholders by encouraging equity ownership through awards of stock options to motivate executives and other key employees to contribute to an increase in corporate performance and Shareholder value, and to attract talented individuals and encourage the retention of executive officers and other key employees.

Stock Options

The Corporation may issue stock options to its Named Executive Officers. The timing of the grant, and number of Common Shares made subject to option is generally recommended by the CEO, reviewed and approved (or revised, if thought appropriate) by the Compensation Committee and implemented by a resolution of the Board. Consideration in determining option grants is given to, amongst other things, the total number of stock options outstanding, the current and future expected contribution to the advancement of corporate objectives, the position of the individual, tenure, and previous option grants to selected individuals. No specific weightings are assigned to each factor; instead a subjective determination is made based on an assessment of the individual relative to such factors. Grants of stock option also comprise a portion of the compensation package offered to attract and retain new directors and executive officers to the Corporation.

During the fiscal year ended December 31, 2019, no stock options were awarded to any Named Executive Officers.

Pension Plan Benefits

The Corporation does not provide retirement benefits for directors, executive officers or employees.

Share Ownership Requirements

The Corporation has not imposed minimum share ownership requirements on its directors and the Named Executive Officers.

Risks Associated with Compensation Practices

As of the date of this Circular, the Corporation's directors had not, collectively, considered the implications of any risks associated with the Corporation's compensation policies applicable to its executive officers.

Financial Instruments

The Corporation has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Circular, entitlement to grants of incentive stock options under the Corporation's Stock Option Plan are the only equity-based security elements awarded to executive officers and directors.

Summary Compensation Table

The table below is a summary of total compensation paid to the Named Executive Officers for each of the Corporation's three most recently completed financial years ending December 31, 2019:

Name and principal position	Period ended ⁽²⁾	Salary (CAD\$)	Share-based awards (CAD\$)	Option-based awards (CAD\$) ⁽³⁾	Non-equity incentive plan compensation		Pension value (CAD\$)	All other compensation (CAD\$)	Total compensation (CAD\$)

Matthew Wood, Chief Executive Officer and Director	December 31, 2019	-	-	-	-	-	-	-	-
	December 31, 2018	243,898	-	301,820	-	-	-	-	545,718
	December 31, 2017	219,012	-	-	-	-	-	-	219,012
Jeremy South, Chief Financial Officer and Director ⁽¹⁾	December 31, 2019	81,900	-	-	-	-	-	-	81,900
	December 31, 2018	151,301	-	112,298	-	-	-	-	263,599

Notes:

- Mr. South was appointed Chief Financial Officer of Aranjin Resources Ltd. on March 1, 2018.
- The financial year ended December 31, 2017 was a 6-month transition financial year from June 30, 2017 to December 31, 2017 as a result of a change in the Corporation's year end.
- The values reported represent an estimate of the grant date fair market value of the options awarded during the year. For options granted in February 2018, the fair value was estimated at the grant date based on the Black-Scholes option pricing model assuming a risk-free interest rate of 1.98%, no dividend yield, expected life of 5 years and an expected price volatility of 114.3%. For options granted in April 2018, the fair value was estimated at the grant date based on the Black-Scholes option pricing model assuming a risk-free interest rate of 2.12%, no dividend yield, expected life of 5 years and an expected price volatility of 112%. The calculation of fair market value is based on the Black-Scholes pricing model, selected as it is widely used in estimating option-based compensation values by Canadian public companies. The Black-Scholes model is a pricing model, which may or may not reflect the annual value of the options. The options may never be exercised and actual gain, if any, on exercise will depend on the value of the Common Shares on the date of exercise.
