MANAGEMENT INFORMATION CIRCULAR

SOLICITATION OF PROXIES

This management information circular (the “Circular”) is furnished in connection with the solicitation of proxies by or on behalf of the management of TORRENT CAPITAL LTD. (hereinafter referred to as the “Corporation” or “Torrent”) for use at the Annual and Special Meeting (the “Meeting”) of the holders (collectively, the “Shareholders” or individually, a “Shareholder”) of common shares in the capital of the Corporation (“Common Shares”), to be held at the offices of Torrent Capital Ltd., Suite 2001 – 1969 Upper Water Street, Halifax, Nova Scotia, B3J 3R7 on Thursday June 25, 2020 at the hour of 1:00 p.m. (Halifax time) and at any adjournment or adjournments thereof for the purposes set forth in the notice of meeting (the “Notice”). Management’s solicitation of proxies will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation by directors, officers and employees of the corporation. The cost of solicitation by or on behalf of the management will be borne by the Corporation. Unless otherwise stated, all information set forth herein is as at May 21, 2020.

Except as noted below, the Corporation has distributed or made available for distribution, copies of the Notice, the Circular and form of proxy or voting instruction form (if applicable) (the “**Meeting Materials**”) to clearing agencies, securities dealers, banks and trust companies or their nominees (collectively, the “**Intermediaries**”) for distribution to Beneficial Shareholders (as defined below) whose Common Shares are held by or in custody of such Intermediaries. Such Intermediaries are required to forward such documents to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive them. The Corporation has elected to pay for the delivery of the Meeting Materials to objecting Beneficial Shareholders by the Intermediaries. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Corporation if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Corporation will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Meeting Materials. The Corporation is not relying on the notice-and-access provisions of securities laws for delivery of the Meeting Materials to registered Shareholders or Beneficial Shareholders.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) to attend and act for such Shareholder and on his, her or its behalf at the Meeting other than the persons designated in the enclosed form of proxy.** Such right may be exercised for registered Shareholders by inserting in the blank space provided for that purpose the name of the desired person or by completing another proper form of proxy and, in either case, delivering the completed and executed proxy to the Corporation’s transfer agent and registrar, **Computershare Investor Services Inc.**, 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, online at www.investorvote.com or by telephone at 1-866-732-8683 not later than 1:00 p.m. (Halifax time) on Tuesday June 23, 2020 or delivering it to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof prior to the time of voting. A proxy must be executed by the registered Shareholder or his, her or its attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

Proxies given by Shareholders for use at the Meeting may be revoked prior to their use:

- (a) by depositing an instrument in writing executed by the Shareholder or by such Shareholder's attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized indicating the capacity under which such officer or attorney is signing:
 - (i) at the Corporation's head office, located at Suite 2001 – 1969 Upper Water Street, Purdy's Wharf II, Halifax, Nova Scotia, B3J 3R7, at any time up to and including Tuesday June 23, 2020;
 - (ii) with the Chairman of the Meeting on the day of the Meeting or any adjournment thereof; or
 - (iii) in any other manner permitted by law.

EXERCISE OF DISCRETION BY PROXIES

The persons named in the accompanying form of proxy will vote the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholders appointing them. **In the absence of such direction, such Common Shares will be voted in favour of the passing of the matters set out in the Notice. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting or any adjournment thereof.** At the time of the printing of this Circular, the management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice. **However, if any other matters which at present are not known to the management of the Corporation should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.**

ADVICE TO BENEFICIAL SHAREHOLDERS

Shareholders should note that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares, can be recognized and acted upon at the Meeting. The information set forth in this section is therefore of significant importance to a substantial number of Shareholders who do not hold their Common Shares in their own name (referred to in this section as "**Beneficial Shareholders**"). If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in such Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., as nominee for CDS Clearing and Depository Services Inc., which acts as a depository for many Canadian Intermediaries. Common Shares held by Intermediaries or their nominees can only be voted for or against resolutions upon the instructions of the Beneficial Shareholder. Without specific instructions, Intermediaries are prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its Intermediary is identical to the form of proxy provided by the Corporation to the Intermediaries. However, its purpose is limited to instructing the Intermediary how to vote on behalf of the Beneficial Shareholder. The majority of Intermediaries now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails the voting instruction forms or proxy forms to the Beneficial Shareholders and asks the Beneficial Shareholders to return the voting instruction forms or proxy forms to Broadridge. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. A Beneficial Shareholder receiving a proxy or voting instruction form from Broadridge cannot use that proxy to vote Common Shares directly at the Meeting - the proxy must be returned to Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their Intermediary, a Beneficial Shareholder may attend the Meeting as proxyholder for the Intermediary and vote their Common Shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their own Common Shares as proxyholder for the Intermediary should enter their own names in the blank space on the management form of proxy or voting instruction form provided to them and return the same to their Intermediary (or the agent of such Intermediary) in accordance with the instructions provided by such Intermediary or agent well in advance of the Meeting. **Beneficial Shareholders should carefully follow the instructions of their Intermediaries and their service companies.**

The Company shares trade on the Toronto Venture Stock Exchange ("TSXV" or the "Exchange"). All references to shareholders in this Circular and the accompanying form of proxy and Notice are to Shareholders of record unless specifically stated otherwise.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The general objectives of the Corporation's compensation strategy are to: (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; and (c) attract and retain highly qualified executive officers.

Elements of Compensation

Base Compensation

Each Named Executive Officer (as such term is defined below) receives base compensation, which constitutes a significant portion of the Named Executive Officer's compensation package. Base compensation is recognition for discharging day to day duties and responsibilities and reflects the Named Executive Officer's performance over time, as well as that individual's particular experience and qualifications. A Named Executive Officer's base compensation is reviewed by the board of directors of the Corporation (the "**Board**") on an annual basis and may be adjusted and include the award of an occasional discretionary bonus to take into account performance contributions for the year and to reflect sustained performance contributions over a number of years.

Profit Sharing Compensation

In addition to the base compensation, 10% of realized gains net of realized losses before tax will be paid out as profit sharing compensation to the Management Team based on year end performance. The profit sharing compensation will be subject to recognition of a high-water mark.

The profit sharing compensation is subject approval the Compensation Committee of the Board of Directors.

Stock Options and Restricted Share Units

The Corporation's directors and officers, employees and consultants, if any, are eligible under the Corporation's stock option plan and restricted share units plan (the "**Plans**") to receive grants of stock options and restricted share units ("RSU"). The Plans are an important part of the Corporation's long-term incentive strategy for its officers and directors, permitting them to participate in appreciation of the market value of the Common Shares over time. The Plans are intended to reinforce commitment to long-term growth in profitability and shareholder value, thereby increasing their proprietary interest in the Corporation, encouraging them to remain associated with the Corporation and furnishing them with additional incentive in their efforts on behalf of the Corporation in the conduct of its affairs. The size of the stock option and RSU grants to officers and directors is dependent on each officer's and director's level of responsibility, authority and importance to the Corporation and to the degree to which such officer's or director's long term contribution to the Corporation will be key to its long term success.

The Plans are designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Plans align the interests of the Named Executive Officers and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Corporation.

Options and RSU's are granted by the Board upon the recommendation of the Compensation Committee of the Corporation (the "**Compensation Committee**"). In monitoring or adjusting the option and RSU allotments, the Board or the Compensation Committee, as the case may be, takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option and RSU grants and, in the case of Named Executive Officers, the objectives set for those Officers. The scale of option and RSU grants are generally commensurate to the appropriate level of base compensation for each level of responsibility. The Board or the Compensation Committee will make these determinations subject to and in accordance with the provisions of the Plans.

Compensation of Directors

The Compensation Committee will recommend how much, if any, cash compensation will be paid to directors for services rendered by directors, in such capacity, to the Corporation. The directors of the Corporation may be paid cash compensation commensurate with the prevailing level of compensation for directors in the same industry in which the Corporation operates.

Named Executive Officers who also act as directors of the Corporation will not receive any additional compensation for services rendered in such capacity, other than as paid by the Corporation to such Named Executive Officers in their capacity as executive officers.

Compensation Risk

The Board and, as applicable, the Compensation Committee, considers and assesses the implications of risks associated with the Corporation's compensation policies and practices and devotes such time and resources as is believed to be necessary in the circumstances. The Corporation's practice of compensating its officers primarily through a mix of salary, stock options and RSU grants is designed to mitigate risk by: (i) ensuring that the Corporation retains such officers; and (ii) aligning the interests of its officers with the short-term and long-term objectives of the Corporation and its shareholders. As at the date of this Circular, the Board had not identified risks arising from the Corporation's compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

Financial Instruments

The Named Executive Officers and directors of the Corporation are not permitted to purchase financial instruments, such as prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities of the Corporation granted as compensation or held, directly or indirectly, by a Named Executive Officer or director.

Compensation Governance

In order to assist the Board in fulfilling its oversight responsibilities with respect to compensation matters, the Board has established the Compensation Committee and has reviewed and approved the Compensation Committee's Charter. The Compensation Committee is composed of Philip Armstrong (Chair), Carl Hansen and Jim Megann. Messrs. Armstrong and Hansen are independent as such term is defined in National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“NI 58-101”) Mr. Megann is not considered independent as he is a shareholder of Numus Financial Inc., a company which has a management services agreement with Torrent.

The Compensation Committee meets on compensation matters as and when required with respect to executive compensation. The primary goal of the Compensation Committee as it relates to compensation matters is to ensure that the compensation provided to the Named Executive Officers and the Corporation's other executive officers is determined with regard to the Corporation's business strategies and objectives, such that the financial interest of the executive officers is aligned with the financial interest of shareholders, and to ensure that their compensation is fair and reasonable and sufficient to attract and retain qualified and experienced executives. The Compensation Committee is given the authority to engage and compensate any outside advisor that it determines to be necessary to carry out its duties.

As a whole, the members of the Compensation Committee have direct experience and skills relevant to their responsibilities in executive compensation, including with respect to enabling the Compensation Committee in making informed decisions on the suitability of the Corporation's compensation policies and practices. Each of the members of the Compensation Committee has experience on the board of directors and related committees of other public companies, as described under “*Particulars of Matters to be Acted Upon - Election of Directors*” in this Circular.

Executive Compensation-Related Fees

During the financial year ended December 31, 2019, neither the Board nor the Compensation Committee retained a compensation consultant or advisor to assist the Board or the Compensation Committee in determining the compensation for any of the Corporation's executive officers' or directors' compensation.

These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices.

Pursuant to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101"), the Corporation is required to disclose its corporate governance practices. A description of the Corporation's corporate governance practices, which addresses the matters set out in NI 58-101, is set out at Schedule "A" to this Circular. The Board will continue to monitor such practices on an ongoing basis and when necessary implement such additional practices as it deems appropriate.

DIVERSITY OF BOARD AND MANAGEMENT

The *Canada Business Corporations Act*, which governs the Company, has been recently amended to require the Company to disclose the number and percentage of Board seats and senior management positions occupied by women, aboriginal peoples, persons with disabilities, and members of visible minorities. The Company does not have a person in these categories who serves on the Board (0%) and none (0%) in any senior management position. Due to its early stage of business development, the Company does not have a written policy relating to the identification and nomination of persons in such designated groups. The Board and management of the Company believe that diversity and inclusion is important to the future development and success of the Company, and qualified candidates in such designated groups will certainly be welcomed and considered for positions on the Board and in senior management as the Company grows.

AUDIT COMMITTEE

The Audit Committee's primary purpose is to assist the Board in fulfilling its oversight responsibilities for the financial reporting process, the system of internal control over financial reporting and accounting compliance, the audit process and processes for identifying, evaluating and monitoring the management of the Corporation's principal risks impacting financial reporting. The committee also assists the Board with the oversight of financial strategies and overall risk management.

The Audit Committee is composed of Carl Hansen (Chair), Philip Armstrong, and Jim Megann. In accordance with Exchange Policy 3.1, the majority of the Audit Committee members are not employees, Control Persons (as defined by the rules and policies of the Exchange) or officers of the Corporation. Messrs. Armstrong and Hansen are independent as such term is defined in National Instrument 52-110 – *Audit Committees* ("NI 52-110"). Mr. Megann is not considered independent. Mr. Megann is a

shareholder of Numus Financial Inc., a company which has a rent and services agreement with Torrent. The Corporation is of the opinion that all three members of the Audit Committee are “financially literate” as such term is defined in NI 52-110. A copy of the charter of the Audit Committee (the “**Audit Committee Charter**”) is attached as Schedule “B” to this Circular.

Relevant Education and Experience

All the members of the Audit Committee have the education and/or practical experience required to understand and evaluate financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Corporation’s financial statements.

The Corporation is relying upon the exemption in section 6.1 of NI 52-110.

Gender Diversity

The Corporation has a formal policy related to diversity, including gender, age, ethnicity, disability, and geographical background, on the Board and on the management team. The Board is aware of the benefit of diversity on the Board and within the management team of the Corporation. The Board takes gender diversity into consideration during the recruitment and selection process of the Board and management positions.

The Corporation ensures there is a diverse Board, with a sufficient number of directors, to encourage a variety of opinions and insights on matters which come before the Board, while at the same time limiting its membership to a number of directors that facilitates effective and efficient decision-making. Recommendations concerning director appointments are based on merit and performance. Diversity is taken into consideration and is considered advantageous as it relates to qualifications, insights and experiences.

In the recruitment for new directors or officers, the Board considers the level of female representation and diversity on the Board and in management positions. This is one of several factors used in its search process. This will be achieved through continuously monitoring the level of female representation on the Board and in management positions and, where appropriate, recruiting qualified female candidates as part of the Corporation's overall recruitment and selection process to fill Board or management positions.

The Board has not adopted targets regarding the representation of women on the Board and in executive officer positions due to the small size of the Corporation, the small number of employees, and the need to consider a balance of criteria in each individual appointment. It is important that each appointment to the Board or in executive officer positions be made based on the merits of the individual and the need of the Corporation at that point in time. In addition, targets based on one specific criteria such as gender could limit the Board's ability to ensure that the overall composition of the Board or management of the Corporation meets the needs of the Corporation.

Currently, none (0%) of the executive officers of the Corporation is female, and none (0%) of the four directors is female.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

To the knowledge of management of the Corporation, no director or executive officer of the Corporation, no director or officer of a body corporation that is itself an informed person of the Corporation, no person who beneficially owns, directly or indirectly, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Corporation and no associate or affiliate of the foregoing has any material interest, direct or indirect, in any transaction since the beginning of the Corporation's last completed financial year or in any proposed transaction which in either case, has materially affected or would materially affect the Corporation or any of its subsidiaries.

2. Appointment of Auditors

Management proposes to nominate MNP LLP, Chartered Accountants, which firm has been auditor of the Corporation since November 2008 as auditor of the Corporation to hold office until the next annual meeting of Shareholders.

IT IS INTENDED THAT THE COMMON SHARES REPRESENTED BY PROXIES IN FAVOUR OF MANAGEMENT NOMINEES WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF MNP LLP, CHARTERED ACCOUNTANTS, AS AUDITOR OF THE CORPORATION AND THE AUTHORIZING OF THE DIRECTORS TO FIX ITS REMUNERATION.

3. Approval of Stock Option Plan

At the Meeting, management of the Corporation will be seeking shareholder approval to adopt the Stock Option Plan in accordance with, and subject to, the policies of the Exchange.

Summary of Stock Option Plan

The policies of the Exchange provide that the Board may from time to time, in its discretion, and in accordance with the Exchange requirements, grant to directors, officers, employees, management company employees and consultants of the Corporation and its Affiliates, non-transferable options to purchase Common Shares for a period of up to ten years from the date of grant, provided that the number of Common Shares reserved for issuance may not exceed 10% of the total issued and outstanding Common Shares at the date of the grant.

The purpose of the Stock Option Plan, pursuant to which the Corporation may grant incentive stock options, is to promote the profitability and growth of the Corporation by facilitating the efforts of the Corporation to obtain and retain key individuals. The Stock Option Plan provides an incentive for and encourages ownership of the Common Shares by its key individuals so that they may increase their stake in the Corporation and benefit from increases in the value of the Common Shares. Pursuant to the Stock Option Plan, the maximum number of Common Shares reserved for issuance in any 12 month period to any one optionee other than a consultant may not exceed 5% of the issued and outstanding Common Shares at the date of the grant. The maximum number of Common Shares reserved for issuance in any 12 month period to any consultant may not exceed 2% of the issued and outstanding Common Shares at the date of the grant and the maximum number of Common Shares reserved for issuance in any 12 month period to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding number of Common Shares at the date of the grant.

Incentive stock options may be exercised until the earlier of: (a) the expiry time of such option; and (b) 90 days (or such other period as may be determined by the Board, provided such period is not more than one year) following the date the optionee ceases to be a director, officer or employee of the Corporation or its Affiliates or a consultant or a management company employee, provided that if the cessation of such position or arrangement was by reason of death, the option may be exercised within a maximum period of one year after such death, subject to the expiry date of such option. Notwithstanding the foregoing, in the event of termination for cause, all options held by such terminated optionee will be cancelled immediately. In the term of any option expires within or immediately following a “blackout period” imposed by the Corporation, the option shall expire on the date that is ten business days following the end of such blackout period. In the event that the Corporation becomes listed on the Toronto Stock Exchange, the Stock Option Plan provides that the Board may grant options which allow an optionee to elect to exercise its option on a “cashless basis”, whereby the optionee, instead of making a cash payment for the aggregate exercise price, shall be entitled to be issued such number of Common Shares equal to the

number which results when: (i) the difference between the aggregate Fair Market Value of the Common Shares underlying the option and the aggregate exercise price of such option is divided by (ii) the Fair Market Value of each Common Share. “Fair Market Value” as defined in the Plan means the closing price as reported by the Toronto Stock Exchange (in the event that the Corporation becomes listed on the Toronto Stock Exchange) on the last trading day immediately preceding the exercise date. Options may be granted with a maximum expiry term of 10 years. The Stock Option Plan contains a detailed amending provision that sets out the circumstances where Exchange and Shareholder approval will be required and those circumstances where Exchange approval, but not Shareholder approval, will be required.

As at May 21, 2020, a total of 1,113,166 Common Shares were issuable under the Stock Option Plan representing 4.6% of the issued and outstanding Common Shares.

Approval of the Stock Option Plan

As the Stock Option Plan provides for a rolling maximum number of Common Shares which may be issuable upon the exercise of options granted under the Plan, Exchange Policy 4.4 requires that the Stock Option Plan receive shareholder approval each year at the annual meeting of shareholders.

Accordingly, Shareholders will be asked to consider and, if thought appropriate, pass a resolution approving the Stock Option Plan.

The Board has unanimously approved the Stock Option Plan and recommends that Shareholders vote FOR the resolution regarding the Stock Option Plan. An affirmative vote of a majority of the votes cast at the Meeting is sufficient to pass the resolution approving the resolution regarding the Stock Option Plan.

The complete text of the resolution which management intends to place before the Meeting for approval, confirmation and adoption, with or without modification, is as follows:

“**WHEREAS** the policies of the TSX Venture Exchange require shareholder approval for the continuation of the rolling stock option plan of the Corporation (the “**Stock Option Plan**”);

RESOLVED THAT:

1. the Stock Option Plan is hereby authorized and approved.
2. any one officer and director of the Corporation be and is hereby authorized for and on behalf of the Corporation to execute and deliver all such instruments and documents and to perform and do all such acts and things as may be deemed advisable in such individual’s discretion for the purpose of giving effect to this resolution, the execution of any such document or the doing of any such other act or thing being conclusive evidence of such determination.”

To the knowledge of the Corporation, Shareholders who are ineligible to vote on the approval of the Stock Option Plan and their shareholdings are as follows:

- 1.1 National Instrument 52-110 – Audit Committees (the “**Instrument**”) relating to the composition and function of audit committees was implemented for reporting issuers and, accordingly, applies to every TSX Venture Exchange listed company, including the Corporation. The Instrument requires all affected issuers to have a written audit committee charter which must be disclosed, as stipulated by Form 52-110F2, in the management information circular of the Corporation wherein management solicits proxies from the security holders of the Corporation for the purpose of electing directors to the board of directors. The Corporation, as a TSX Venture Exchange-listed company is, however, exempt from certain requirements of the Instrument.
- 1.2 This Charter has been adopted by the board of directors in order to comply with the Instrument and to more properly define the role of the Audit Committee in the oversight of the financial reporting process of the Corporation. 2. PURPOSE

- 2.1 The primary function of the Audit Committee is to assist the Board in fulfilling its financial reporting and controls responsibilities to the shareholders of the Corporation and the investment community. The external auditors will report directly to the Audit Committee. The Audit Committee's primary duties and responsibilities are:
