MANAGEMENT INFORMATION CIRCULAR

(containing information as at July 23, 2020 unless otherwise stated)

**For the Annual General and Special Meeting
to be held on August 26, 2020**

SOLICITATION OF PROXIES

This Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management (the “**Management**”) of American Lithium Corp. (the “**Company**”), for use at the annual general and special meeting (the “**Meeting**”) of the shareholders (“**Shareholders**”) of the Company to be held on Wednesday, August 26, 2020, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof.

Impact of COVID-19

This year to proactively deal with the unprecedented health impact of the novel coronavirus, also known as COVID-19, to mitigate risks to the health and safety of our communities, Shareholders, employees and other stakeholders, and in compliance with current government direction and advice, we will hold a hybrid Meeting, allowing for Shareholder participation in person and via teleconference. Shareholders will have the opportunity to participate at the Meeting via teleconference regardless of their geographic location by calling (toll-free) 1.855.453.6958 and using conference ID 1414272.

The Company reserves the right to take any additional precautionary measures it deems appropriate in relation to the Meeting in response to further developments in respect of the COVID-19 outbreak, including changing the Meeting date, time, location and/or means of holding the Meeting. Such changes will be announced by way of news release. Shareholders are advised to monitor the Company’s SEDAR profile at www.sedar.com where copies of such news releases, if any, will be posted. The Company does not intend to prepare an amended Circular in the event of changes to the Meeting format.

We strongly encourage Shareholders to attend the Meeting via teleconference and to vote their common shares prior to the Meeting by proxy, prior to the proxy cut-off at 10:00 a.m. (Vancouver time) on Monday, August 24, 2020, as voting will not be available via telephone on the day of the Meeting.

The enclosed form of proxy (the “**Proxy**”) is solicited by Management. The solicitation will be primarily by mail however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder's nominee in the blank space provided or complete another suitable form of proxy.

A proxy will not be valid unless it is duly completed, signed and deposited with the Company's registrar and transfer agent, AST Trust Company (Canada) ("**AST Trust**") by mail at P.O. Box 721, Agincourt, Ontario, M1S 0A1, Canada, or by fax within North America at 1-866-781-3111 or outside North America at 1-416-368-2502, or by scan and email to proxyvote@astfinancial.com, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited with the Company's registrar and transfer agent, AST Trust by mail at P.O. Box 721, Agincourt, Ontario, M1S 0A1, Canada, or by fax within North America at 1-866-781-3111 or outside North America at 1-416-368-2502, or by scan and email to proxyvote@astfinancial.com, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the "**Proxyholders**") will vote the shares in respect of which they are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered shareholders can vote by proxy or in person in one of the following ways:

Returning your proxy form

To be effective, we must receive your completed proxy form or voting instruction no later than 10:00 a.m. (Vancouver time) on August 24, 2020.

If the meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Vancouver time), two full business days before any adjourned or postponed meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairman of the Meeting at his discretion and he is under no obligation to accept or reject a late proxy. The Chairman of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object

to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy related materials directly to NOBOs. This year, the Company has decided to take advantage of those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”) from our Transfer Agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

These proxy-related materials are being sent to both Registered Shareholders and Beneficial Shareholders of the Company. If you are a Beneficial Shareholder and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a Proxyholder for a Registered Shareholder and vote their shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their shares as Proxyholder for a Registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their shares as a Proxyholder.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, AST Trust. These VIFs are to be completed and returned to AST Trust in the envelope provided or by facsimile. In addition, AST Trust provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. AST Trust will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders’ meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors (“**Directors**”) or officers (“**Officers**”) of the Company, at any time since the beginning of the Company’s last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors. Directors and Officers may, however, be interested in the approval of the Option Plan as detailed in “*Approval of Stock Option Plan*” below, as such persons are entitled to participate in the Option Plan.

RECORD DATE, VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

A Shareholder of record at the close of business on July 23, 2020 (the “**Record Date**”) who either personally attends the Meeting or who has completed and delivered a proxy in the manner and subject to the provisions described above, shall be entitled to vote or to have such shareholder’s shares voted at the Meeting, or any adjournment thereof.

To the best of knowledge of the directors and executive officers of the Company, as of the date of the Circular, no persons or corporations beneficially own, directly or indirectly, or exercise control or direction over, Common Shares carrying more than 10% of the voting rights attached to all outstanding Common Shares of the Company.

Exercise of Compensation Securities by Directors and NEOs

No NEO or director of the Company exercised compensation securities in the three most recently completed financial years ended February 2018, 2019 and 2020.

Stock Option Plans and Other Incentive Plans

The Company has adopted a stock option plan (the "**Option Plan**") pursuant to which the Board may grant options (the "**Options**") to purchase Common Shares of the Company to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan is to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company's growth. Under the Option Plan, the maximum number of Common Shares reserved for issuance, including Options currently outstanding, is equal to ten (10%) percent of the Shares outstanding from time to time (the "**10% Maximum**"). The 10% Maximum is an "evergreen" provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Common Shares which may be the subject of Options on a yearly basis to any one person cannot exceed five (5%) percent of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “**Exercise Period**”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee’s position as a director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) thirty (30) days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

There are presently 5,535,000 Options outstanding under the Option Plan, 1,800,000 of which are held by NEOs or directors of the Company.

Employment, Consulting and Management Agreements

Management functions of the Company are not, to any substantial degree, performed other than by directors or NEOs of the Company. There are no agreements or arrangements that provide for compensation to NEOs or directors of the Company, or that provide for payments to a NEO or director at, following or in connection with any termination (whether voluntary, involuntary or constructive), resignation, retirement, severance, a change of control in the Company or a change in the NEO or director’s responsibilities.

Oversight and Description of Director and NEO Compensation

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company’s growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Compensation of Directors

Compensation of directors of the Company is reviewed annually by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board’s view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

Item 3: Orientation and Continuing Education

The Board does not have a formal process for the orientation of new Board members. Orientation is done on an informal basis. New Board members are provided with such information as is considered necessary to ensure that they are familiar with the Company's business and understand the responsibilities of the Board.

The Board does not have a formal program for the continuing education of its directors. The Company expects its directors to pursue such continuing education opportunities as may be required to ensure that they maintain the skill and knowledge necessary to fulfill their duties as members of the Board. Directors can consult with the Company's professional advisors regarding their duties and responsibilities, as well as recent developments relevant to the Company and the Board.

Item 4: Ethical Business Conduct

The Board has not adopted a formal code of ethics. In the Board's view, the fiduciary duties placed on individual directors by corporate legislation and the common law, and the restrictions placed by corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Although the Company has not adopted a formal code of ethics, the Company promotes an ethical business culture. Directors and officers of the Company are encouraged to conduct themselves and the business of the Company with the utmost honesty and integrity. Directors are also encouraged to consult with the Company's professional advisors with respect to any issues related to ethical business conduct.

Item 5: Nomination Of Directors

The identification of potential candidates for nomination as directors of the Company is primarily done by the CEO, but all directors are encouraged to participate in the identification and recruitment of new directors. Potential candidates are primarily identified through referrals by business contacts.

Item 6: Compensation

The compensation of directors and the CEO is determined by the Board as a whole. Such compensation is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Item 7: Other Board Committees

The Board does not have any standing committees other than the Audit Committee.

Item 8: Assessments

The Board does not have any formal process for assessing the effectiveness of the Board, its committees, or individual directors. Such assessments are done on an informal basis by the CEO and the Board as a whole.
