The solicitation will be primarily by mail however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation, if any, will be borne by the Company.

We strongly encourage Shareholders to attend the Meeting via teleconference and to vote their common shares prior to the Meeting by proxy, prior to the proxy cut-off at 10:00 a.m. (Vancouver time) on August 18, 2022, as voting will not be available via telephone on the day of the Meeting.

APPOINTMENT OF PROXYHOLDERS

The persons named in the Proxy are representatives of the Company.

A Shareholder entitled to vote at the Meeting has the right to appoint a person (who need not be a Shareholder) to attend and act on the Shareholder's behalf at the Meeting other than the persons named in the accompanying form of proxy. To exercise this right, a Shareholder shall strike out the names of the persons named in the accompanying form of proxy and insert the name of the Shareholder's nominee in the blank space provided or complete another suitable form of proxy.

A proxy will not be valid unless it is duly completed, signed and deposited with the Company's registrar and transfer agent, Odyssey Trust Company (“**Odyssey**”) by hand or mail at the United Kingdom Building, Suite 350, 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax within North America at 1-800-517-4553 or via email to proxy@odysseytrust.com, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. A proxy must be signed by the Shareholder or by his attorney in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

VOTING BY PROXYHOLDER

Manner of Voting

The common shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and, if the Shareholder specifies a choice on the Proxy with respect to any matter to be acted upon, the shares will be voted accordingly. On any poll, the persons named in the Proxy (the “**Proxyholders**”) will vote the shares in respect of which they

are appointed. Where directions are given by the Shareholder in respect of voting for or against any resolution, the Proxyholder will do so in accordance with such direction.

The Proxy, when properly signed, confers discretionary authority on the Proxyholder with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Circular, Management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to Management should properly come before the Meeting, the proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the Proxyholder.

In the absence of instructions to the contrary, the Proxyholders intend to vote the common shares represented by each Proxy, properly executed, in favour of the motions proposed to be made at the Meeting as stated under the headings in this Circular.

Revocation of Proxy

A Shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the Shareholder or by his or her attorney authorized in writing, or, if the Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer and deposited with the Company's registrar and transfer agent, Odyssey at Suite 350, 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax to 1-800-517-4553, or via email to proxy@odysseytrust.com at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chair of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

Voting Thresholds Required for Approval

In order to approve a motion proposed at the Meeting, a majority of not less than one-half of the votes cast will be required (an "**Ordinary Resolution**") unless the motion requires a special resolution (a "**Special Resolution**"), in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested Shareholder approval, common shares held by Shareholders of the Company who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

ADVICE TO REGISTERED SHAREHOLDERS

Shareholders whose names appear on the records of the Company as the registered holders of common shares in the capital of the Company (the "**Registered Shareholders**") may choose to vote by proxy whether or not they are able to attend the Meeting in person.

Registered Shareholders who choose to submit a Proxy may do so by completing, signing, dating and depositing the Proxy with Odyssey, by hand or mail at United Kingdom Building, Suite 350, 409 Granville Street, Vancouver, British Columbia, V6C 1T2, or by fax within North America at 1-800-517-4553 or by email at proxy@odysseytrust.com, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or any adjournment thereof. The Proxy may be signed by the Shareholder or by his or her attorney in writing, or, if the Registered Shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

Returning your proxy form

To be effective, we must receive your completed proxy form or voting instruction no later than 10:00 a.m. (Vancouver time) on August 18, 2022.

If the meeting is postponed or adjourned, we must receive your completed form of proxy by 5:00 p.m. (Vancouver time), two full business days before any adjourned or postponed meeting at which the proxy is to be used. Late proxies may be accepted or rejected by the Chairperson of the Meeting at their discretion and they are under no obligation to accept or reject a late proxy. The Chairperson of the Meeting may waive or extend the proxy cut-off without notice.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders as a substantial number of Shareholders do not hold shares in their own name.

Shareholders who do not hold their shares in their own name (referred to in this information circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of shares can be recognized and acted upon at the Meeting.

If shares are listed in an account statement provided to a Shareholder by an intermediary, such as a brokerage firm, then, in almost all cases, those shares will not be registered in the Shareholder’s name on the records of the Company. Such shares will more likely be registered under the name of the Shareholder’s intermediary or an agent of that intermediary, and consequently the Shareholder will be a Beneficial Shareholder. In Canada, the vast majority of such shares are registered under the name CDS & Co. (being the registration name for the Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The shares held by intermediaries, or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, an intermediary and its agents are prohibited from voting shares for the intermediary’s clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the Beneficial Shareholder.

The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”). Broadridge typically supplies a voting instruction form, mails those forms to Beneficial Shareholders and asks those Beneficial Shareholders to return the forms to Broadridge or follow specific telephone or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. **A Beneficial Shareholder receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure such shares are voted.**

There are two kinds of Beneficial Shareholders, those who object to their name being made known to the issuers of securities which they own (“**OBOs**” for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (“**NOBOs**” for Non-Objecting Beneficial Owners). The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

Non-Objecting Beneficial Owners

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), issuers can obtain a list of their NOBOs from intermediaries for distribution of proxy-related materials directly to NOBOs. This year, the Company will rely on those provisions of NI 54-101 that permit it to directly deliver proxy-related materials to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from the Company’s transfer agent, Odyssey. These VIFs are to be completed and returned to Odyssey in the envelope provided or by facsimile. In addition, Odyssey provides both telephone voting and internet voting as described on the VIF itself which contains complete instructions. Odyssey will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

If you are a Beneficial Shareholder and the Company or its agent has sent these proxy-related materials to you directly, please be advised that your name, address and information about your holdings of securities

have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding your securities on your behalf. By choosing to send these proxy-related materials to you directly, the Company (and not the intermediaries holding securities your behalf) has assumed responsibility for (i) delivering the proxy-related materials to you and (ii) executing your proper voting instructions as specified in the VIF.

Objecting Beneficial Owners

Beneficial Shareholders, who are OBOs, should follow the instructions of their intermediary carefully to ensure that their shares are voted at the Meeting.

Applicable regulatory rules require intermediaries to seek voting instructions from OBOs in advance of Shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by OBOs in order to ensure that their shares are voted at the Meeting. The purpose of the form of proxy or voting instruction form provided to an OBO by its broker, agent or nominee is limited to instructing the registered holder of the shares on how to vote such shares on behalf of the OBO. The Company does not intend to pay for intermediaries to deliver these securityholder materials to OBOs and, as a result, OBOs will not be sent paper copies unless their intermediary assumes the costs.

The form of proxy provided to OBOs by intermediaries will be similar to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the intermediary on how to vote your shares on your behalf. The majority of intermediaries now delegate responsibility for obtaining instructions from OBOs to Broadridge Investor Communications ("**Broadridge**"). Broadridge typically supplies voting instruction forms, mails those forms to OBOs, and asks those OBOs to return the forms to Broadridge or follow specific telephonic or other voting procedures. Broadridge then tabulates the results of all instructions received by it and provides appropriate instructions respecting the voting of the shares to be represented at the meeting. **An OBO receiving a voting instruction form from Broadridge cannot use that form to vote shares directly at the Meeting. Instead, the voting instruction form must be returned to Broadridge or the alternate voting procedures must be completed well in advance of the Meeting in order to ensure that such shares are voted.**

Notice-and-Access

The Company is not relying on the notice-and-access delivery procedures outlined in NI 54-101 to distribute copies of the Circular, Proxy or VIF.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as otherwise disclosed herein, none of the directors ("**Directors**") or officers ("**Officers**") of the Company, at any time since the beginning of the Company's last financial year, nor any proposed nominee for election as a Director, or any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting exclusive of the election of directors or the appointment of auditors. Stock Option Plans and Other Incentive Plans

The Company previously adopted a stock option plan (the “**Option Plan**”) pursuant to which the Board may grant options (the “**Options**”) to purchase Common Shares of the Company to NEOs, directors and employees of the Company or affiliated corporations and to consultants retained by the Company.

The purpose of the Option Plan was to attract, retain, and motivate NEOs, directors, employees and other service providers by providing them with the opportunity, through options, to acquire an interest in the Company and benefit from the Company’s growth. Under the Option Plan, the maximum number of Common Shares reserved for issuance, including Options currently outstanding, is equal to ten (10%) percent of the Shares outstanding from time to time (the “**10% Maximum**”). The 10% Maximum is an “evergreen” provision, meaning that, following the exercise, termination, cancellation or expiration of any Options, a number of Common Shares equivalent to the number of options so exercised, terminated, cancelled or expired would automatically become reserved and available for issuance in respect of future Option grants.

The number of Common Shares which may be the subject of Options on a yearly basis to any one person cannot exceed five (5%) percent of the number of issued and outstanding Shares at the time of the grant. Options may be granted to any employee, officer, director, consultant, affiliate or subsidiary of the Company exercisable at a price which is not less than the market price of common shares of the Company on the date of the grant. The directors of the Company may, by resolution, determine the time period during which any option may be exercised (the “**Exercise Period**”), provided that the Exercise Period does not contravene any rule or regulation of such exchange on which the Common Shares may be listed. All Options will terminate on the earliest to occur of (a) the expiry of their term; (b) the date of termination of an optionee’s employment, office or position as director, if terminated for just cause; (c) ninety (90) days (or such other period of time as permitted by any rule or regulation of such exchange on which the Common Shares may be listed) following the date of termination of an optionee’s position as a director or NEO, if terminated for any reason other than the optionee’s disability or death; (d) thirty (30) days following the date of termination of an optionee’s position as a consultant engaged in investor relations activities, if terminated for any reason other than the optionee’s disability, death, or just cause; and (e) the date of any sale, transfer or assignment of the Option.

Options are non-assignable and are subject to early termination in the event of the death of a participant or in the event a participant ceases to be a NEO, director, employee, consultant, affiliate, or subsidiary of the Company, as the case may be. Subject to the foregoing restrictions, and certain other restrictions set out in the Option Plan, the Board is authorized to provide for the granting of Options and the exercise and method of exercise of options granted under the Option Plan.

During the financial year ended February 28, 2022, Board of Directors adopted a new omnibus incentive plan (the “Compensation Plan”) for directors, officers, employees, management company employees and consultants. At this year’s meeting, the Company is seeking ratification of the Compensation Plan by Shareholders. Please refer to “Compensation Plan” below for further information.

There are presently 13,073,408 Options and 3,125,000 Restricted Share Units outstanding under the Compensation Plan, of which 5,362,648 Options and 1,750,000 Restricted Share Units are held by NEOs or directors of the Company.

Oversight and Description of Director and NEO Compensation

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board. The Corporate Governance, Nominating and Compensation Committee is responsible for reviewing and assessing the compensation of the CEO. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

Elements of NEO Compensation

As discussed above, the Company provides an Option Plan to motivate NEOs by providing them with the opportunity, through Options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of Options to NEOs. Other than the Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Compensation of Directors

Compensation of directors of the Company is reviewed annually by the Board. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for directors. While the Board considers Option grants to directors under the Option Plan from time to time, the Board does not employ a prescribed methodology when determining the grant or allocation of Options. Other than the Option Plan, as discussed above, the Company does not offer any long-term incentive plans, share compensation plans or any other such benefit programs for directors.

Pension Plan Benefits

No pension, retirement or deferred compensation plans, including defined contribution plans, have been instituted by the Company and none are proposed at this time.

AUDIT COMMITTEE DISCLOSURE
(VENTURE ISSUERS)

Item 1: The Audit Committee Charter

The Audit Committee (the "**Committee**") is a committee of the board of directors (the "**Board**") of the Company. The role of the Committee is to provide oversight of the Company's financial management and of the design and implementation of an effective system of internal financial controls as well as to review and report to the Board on the integrity of the financial statements of the Company, its subsidiaries and associated companies. This includes helping directors meet their responsibilities, facilitating better communication between directors and the external auditor, enhancing the independence of the external auditor, increasing the credibility and objectivity of financial reports and strengthening the role of the directors by facilitating in-depth discussions among directors, management and the external auditor. Management is responsible for establishing and maintaining those controls, procedures and processes and the Committee is appointed by the Board to review and monitor them. The Company's external auditor is ultimately accountable to the Board and the Committee as representatives of the Company's shareholders.

Duties and Responsibilities

External Auditor

- (a) To recommend to the Board, for shareholder approval, an external auditor to examine the Company's accounts, controls and financial statements on the basis that the external auditor is accountable to the Board and the Committee as representatives of the shareholders of the Company.
- (b) To oversee the work of the external auditor engaged for the purpose of preparing or issuing an auditor's report or performing other audit, review or attest services for the Company, including the resolution of disagreements between management and the external auditor regarding financial reporting.
- (c) To evaluate the audit services provided by the external auditor, pre-approve all audit fees and recommend to the Board, if necessary, the replacement of the external auditor.

The Committee has adopted the following guidelines regarding the hiring of any partner, employee, reviewing tax professional or other person providing audit assurance to the external auditor of the Company on any aspect of its certification of the Company's financial statements:
 - (i) No member of the audit team that is auditing a business of the Company can be hired into that business or into a position to which that business reports for a period of three years after the audit;

- (ii) No former partner or employee of the external auditor may be made an officer of the Company or any of its subsidiaries for three years following the end of the individual's association with the external auditor;
 - (iii) The Chief Financial Officer (“CFO”) must approve all office hires from the external auditor; and
 - (iv) The CFO must report annually to the Committee on any hires within these guidelines during the preceding year.
- (g) To review, at least annually, the relationships between the Company and the external auditor in order to establish the independence of the external auditor.

Financial Information and Reporting

- (a) To review the Company's annual audited financial statements with the Chief Executive Officer (“CEO”) and CFO and then the full Board. The Committee will review the interim financial statements with the CEO and CFO.
- (b) To review and discuss with management and the external auditor, as appropriate:
 - (i) The annual audited financial statements and the interim financial statements, including the accompanying management discussion and analysis; and

- (d) To review with the CFO any earnings guidance to be issued by the Company and any news release containing financial information taken from the Company's financial statements prior to the release of the financial statements to the public. In addition, the CFO must review with the Committee the substance of any presentations to analysts or rating agencies that contain a change in strategy or outlook.

- (c) To review and monitor the Company's major financial risks and risk management policies and the steps taken by management to mitigate those risks.
- (d) To meet at least annually with management (including the CFO), the internal audit staff, and the external auditor in separate executive sessions and review issues and matters of concern respecting audits and financial reporting.
- (e) In connection with its review of the annual audited financial statements and interim financial statements, the Committee will also review the process for the CEO and CFO certifications (if

required by law or regulation) with respect to the financial statements and the Company's disclosure and internal controls, including any material deficiencies or changes in those controls.

Procedures

- (a) The Board shall appoint one of the directors elected to the Committee as the Chair of the Committee (the "**Chair**"). In the absence of the appointed Chair from any meeting of the Committee, the members shall elect a Chair from those in attendance to act as Chair of the meeting.

A majority of the members of the Committee shall constitute a quorum, provided that if the number of members of the Committee is an even number, one-half of the number of members plus one shall constitute a quorum, and provided that a majority of the members must be "independent" or "unrelated".
- (d) The Committee will meet as many times as is necessary to carry out its responsibilities. Any member of the Committee or the external auditor may call meetings.

- (g) The Committee shall have access to any and all books and records of the Company necessary for the execution of the Committee's obligations and shall discuss with the CEO or the CFO such records and other matters considered appropriate.
- (h) The Committee has the authority to communicate directly with the internal and external auditors.

Reports

The Committee shall produce the following reports and provide them to the Board:

- (a) An annual performance evaluation of the Committee, which evaluation must compare the performance of the Committee with the requirements of this Charter. The performance evaluation should also recommend to the Board any improvements to this Charter deemed necessary or desirable by the Committee. The performance evaluation by the Committee shall be conducted in such manner as the Committee deems appropriate. The report to the Board may take the form of an oral report by the Chair or any other member of the Committee designated by the Committee to make this report.
- (b) A summary of the actions taken at each Committee meeting, which shall be presented to the Board at the next Board meeting.

Item 2: Composition of the Audit Committee

PURPOSE AND ADMINISTRATION OF THE PLAN; GRANTING OF AWARDS

Section 2.1 Purpose of the Plan.

The purpose of the Plan is to permit the Company to grant Awards to Eligible Participants, subject to certain conditions as hereinafter set forth, for the following purposes:

- (a) to increase the interest in the Company’s welfare of those Eligible Participants, who share responsibility for the management, growth and protection of the business of the Company or a Subsidiary;
- (b) to provide an incentive to such Eligible Participants to continue their services for the Company or a Subsidiary and to encourage such Eligible Participants whose skills, performance and loyalty to the objectives and interests of the Company or a Subsidiary are necessary or essential to its success, image, reputation or activities;
- (c) to reward Participants for their performance of services while working for the Company or a Subsidiary; and
- (d) to provide a means through which the Company or a Subsidiary may attract and retain able Persons to enter its employment or service.

Section 2.2 Implementation and Administration of the Plan.

- (1) The Plan shall be administered and interpreted by the board of directors of the Company (the “**Board**”) or, if the Board by resolution so decides, by a committee or plan administrator appointed by the Board. If such committee or plan administrator is appointed for this purpose, all references to the “Board” herein will be deemed references to such committee or plan administrator. Nothing contained herein shall prevent the Board from adopting other or additional Share Compensation Arrangements or other compensation arrangements, subject to any required approval.
- (2) Subject to Article 7 and any applicable rules of a Stock Exchange, the Board may, from time to time, as it may deem expedient, adopt, amend and rescind rules and regulations or vary the terms of this Plan and/or any Award hereunder for carrying out the provisions and purposes of the Plan and/or to address tax or other requirements of any applicable jurisdiction.
- (3) Subject to the provisions of this Plan, the Board is authorized, in its sole discretion, to make such determinations under, and such interpretations of, and take such steps and actions in connection with, the proper administration and operations of the Plan as it may deem necessary or advisable. The Board may delegate to officers or managers of the Company, or committees thereof, the authority, subject to such terms as the Board shall determine, to perform such functions, in whole or in part. Any such delegation by the Board may be revoked at any time at the Board’s sole discretion. The interpretation, administration, construction and application of the Plan and any provisions hereof made by the Board, or by any officer, manager, committee or any other Person to which the Board delegated authority to perform such functions, shall be final and binding on the Company, its Subsidiaries and all Eligible Participants.
- (4) No member of the Board or any Person acting pursuant to authority delegated by the Board hereunder shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award granted hereunder. - (5) The Plan shall not in any way fetter, limit, obligate, restrict or constrain the Board with regard to the allotment or issuance of any Shares or any other securities in the capital of the Company. For greater clarity, the Company shall not by virtue of this Plan be in any way restricted from declaring and paying stock dividends, repurchasing Shares or varying or amending its share capital or corporate structure.

Section 2.3 Participation in this Plan.

- (1) The Company makes no representation or warranty as to the future market value of the Shares or with respect to any income tax matters affecting any Participant resulting from the grant of an Award, the exercise of an Option or transactions in the Shares or otherwise in respect of participation under the Plan. Neither the Company, nor any of its directors, officers, employees, shareholders or agents shall be liable for anything done or omitted to be done by such Person or any other Person with respect to the price, time,

quantity or other conditions and circumstances of the issuance of Shares hereunder, or in any other manner related to the Plan. For greater certainty, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no additional Awards will be granted to such Participant to compensate for a downward fluctuation in the price of the Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose. The Company and its Subsidiaries do not assume and shall not have responsibility for the income or other tax consequences resulting to any Participant and each Participant is advised to consult with his or her own tax advisors.

- (2) Participants (and their legal representatives) shall have no legal or equitable right, claim, or interest in any specific property or asset of the Company or any of its Subsidiaries. No asset of the Company or any of its Subsidiaries shall be held in any way as collateral security for the fulfillment of the obligations of the Company or any of its Subsidiaries under this Plan. Unless otherwise determined by the Board, this Plan shall be unfunded. - (4) The Board may also require that any Eligible Participant in the Plan provide certain representations, warranties and certifications to the Company to satisfy the requirements of applicable laws, including, without limitation, exemptions from the registration requirements of the U.S. Securities Act, and applicable U.S. state securities laws.
- (5) In connection with an Award to be granted to any Eligible Participant, it shall be the responsibility of such person and the Company to confirm that such person is a bona fide Eligible Participant for the purposes of participation under the Plan.

- (1) Subject to adjustment pursuant to Article 7 hereof, the securities that may be acquired by Participants under this Plan shall consist of authorized but unissued Shares.
- (2) The maximum number of Shares issuable at any time pursuant to outstanding Awards under this Plan shall be equal to ten percent (10%) of the Outstanding Issue, as measured as at the date of any grant.
- (3) No Award that can be settled in Shares issued from treasury may be granted if such grant would have the effect of causing the total number of Shares subject to such Award to exceed the above- noted total numbers of Shares reserved for issuance pursuant to the settlement of Awards.
- (4) The Plan is an “evergreen” plan, as Shares of the Company covered by Awards which have been exercised or settled, as applicable, and Awards which expire or are forfeited, surrendered, cancelled or otherwise terminated or lapse for any reason without having been exercised, will be available for subsequent grant under the Plan and the number

of Awards that may be granted under the Omnibus Plan increases if the total number of issued and outstanding Shares of the Company increases. Shares will not be deemed to have been issued pursuant to the Plan with respect to any portion of an Award that is settled in cash.

Section 2.5 Limits with Respect to other Share Compensation Arrangements, Insiders, Individual Limits, and Annual Grant Limits.

- (1) The maximum number of Shares issuable pursuant to this Plan and any other Share Compensation Arrangement shall not exceed the limits set out in Section 2.4(2).

- (5) The TSXV Share Limits shall apply to the Shares issued or issuable under any Award granted under the Plan and any other Share Compensation Arrangement, subject to the Shares being listed for trading on the TSX Venture Exchange.

Section 2.6 Granting of Awards.

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Company shall determine that the listing, registration or qualification of the Shares subject to such Award, if applicable, upon any stock exchange or under any law or regulation of any jurisdiction, or the consent or approval of any stock exchange or any governmental or regulatory body, is necessary as a condition of, or in connection with, the grant of such Awards or exercise of any Option or the issuance or purchase of Shares thereunder, if applicable, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Company to apply for or to obtain such listing, registration, qualification, consent or approval.

Section 2.7 TSX Venture Exchange Vesting Restrictions

While the Shares are listed for trading on the TSX Venture Exchange:

- (a) no Award (other than Options), may vest before the date that is one year following the date the Award is granted or issued, provided that this requirement may be accelerated for a Participant who dies or who ceases to be an eligible Participant

under the provisions hereof in connection with a Change of Control, take-over bid, reverse take-over or other similar transaction; and

For the avoidance of doubt, no Dividend Equivalents shall be granted in connection with an Option.

Section 3.2 Option Awards.

Subject to the provisions set forth in this Plan and any shareholder or regulatory approval which may be required, the Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive Options under the Plan, (ii) fix the number of Options, if any, to be granted to each Eligible Participant and the date or dates on which such Options shall be granted, (iii) determine the price per Share to be payable upon the exercise of each such Option (the “**Option Price**”) and the relevant vesting provisions (including Performance Criteria, if applicable) and the Option Term, the whole subject to the terms and conditions prescribed in this Plan or in any Option Agreement, and any applicable rules of a Stock Exchange.

Section 3.3 Option Price.

The Option Price for Shares that are the subject of any Option shall be determined and approved by the Board when such Option is granted but shall not be less than the Market Value of such Shares at the time of the grant.

Section 3.4 Option Term.

- (1) The Board shall determine, at the time of granting the particular Option, the period during which the Option is exercisable, which shall not be more than ten years from the date the Option is granted (“**Option Term**”).
- (2) Should the expiration date for an Option fall within a Black-Out Period, such expiration date shall be automatically extended without any further act or formality to that date which is the tenth (10th) Business Day after the end of the Black-Out Period, such tenth (10th) Business Day to be considered the expiration date for such Option for all purposes under the Plan.

Section 3.5 Exercise of Options.

Prior to its expiration or earlier termination in accordance with the Plan, each Option shall be exercisable at such time or times and/or pursuant to the achievement of such Performance Criteria and/or other vesting conditions as the Board at the time of granting the particular Option,

may determine in its sole discretion. For greater certainty, any exercise of Options by a Participant shall be made in accordance with any insider trading policies implemented by the Company.

Section 3.6 Method of Exercise and Payment of Purchase Price.

- (1) Subject to the provisions of the Plan, an Option granted under the Plan shall be exercisable (from time to time as provided in Section 3.5 hereof) by the Participant (or by the liquidator, executor or administrator, as the case may be, of the estate of the Participant) by delivering a fully completed Exercise Notice to the Company at its registered office to the attention of the Corporate Secretary of the Company (or the individual that the Corporate Secretary of the Company may from time to time designate) or give notice in such other manner as the Company may from time to time designate, which notice shall specify the number of Shares in respect of which the Option is being exercised and shall be accompanied by full payment, by cash, certified cheque, bank draft or any other form of payment deemed acceptable by the Board of the purchase price for the number of Shares specified therein and, if required by Section 8.2, the amount necessary to satisfy any taxes.
- (2) Upon the exercise, the Company shall, as soon as practicable after such exercise but no later than ten Business Days following such exercise, forthwith cause the transfer agent and registrar of the Shares either to:
 - (a) deliver to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice; or
 - (b) in the case of Shares issued in uncertificated form, cause the issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall have then paid for and as are specified in such Exercise Notice to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares.
- (3) Subject to the rules and policies of the Stock Exchange, except in the case of Investor Relations Services Providers (within the meaning of the policies of the TSX Venture Exchange), the Board may, in its discretion and at any time, determine to grant a Participant the alternative, when entitled to exercise an Option, to deal with such Option on a “cashless exercise” basis, on such terms as the Board may determine in its discretion (the “**Cashless Exercise Right**”). Without limitation, the Board may determine in its discretion that such Cashless Exercise Right, if any, grants a Participant the right to terminate such Option in whole or in part by notice in writing to the Company and in lieu of receiving Shares pursuant to the exercise of the Option, receive, without payment of any cash other than pursuant to Section 8.2, that number of Shares, disregarding fractions, which when multiplied by the VWAP (within the meaning of the policies of the TSX Venture Exchange) on the day immediately prior to the exercise of the Cashless Exercise Right, have a total value equal to the product of that number of Shares subject to the Option multiplied by the difference between the VWAP (within the meaning of the

policies of the TSX Venture Exchange) on the day immediately prior to the exercise of the Cashless Exercise Right and the Option Price; or

- (4) In the event the Company determines to accept the Participant's request pursuant to a Cashless Exercise Right, the Company shall make an election pursuant to subsection 110(1.1) of the Tax Act.

Section 3.7 Option Agreements.

Options shall be evidenced by an Option Agreement, in such form not inconsistent with the Plan as the Board may from time to time determine. The Option Agreement may contain any such terms that the Company considers necessary in order that the Option will comply with any provisions respecting options in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 3.8 Incentive Stock Options.

- (1) ISOs are available only for Participants who are employees of the Company, or a "parent corporation" or "subsidiary corporation" (as such terms are defined in Section 424(e) and (f) of the U.S. Tax Code), on the date the Option is granted. In addition, a Participant who holds an ISO must continue as an employee, except that upon termination of employment the Option will continue to be treated as an ISO for up to three months, after which the Option will no longer qualify as an ISO, except as provided in this Section 3.8(1). A Participant's employment will be deemed to continue during period of sick leave, military leave or other bona fide leave of absence, provided the leave of absence does not exceed three months, or the Participant's return to employment is guaranteed by statute or contract. If a termination of employment is due to permanent disability, an Option may continue its ISO status for up to one year, and if the termination is due to death, the ISO status may continue for the balance of the Option's term. Nothing in this Section 3.8(1) will be deemed to extend the original expiry date of an Option.
- (2) A Participant who owns, or is deemed to own, pursuant to Section 424(e) of the U.S. Tax Code, Shares possessing more than ten percent (10%) of the total combined voting power of all classes of stock of the Company may not be granted an Option that is an ISO unless the Option Price is at least one hundred and ten percent (110%) of the Market Value of the Shares, as of the date of the grant, and the Option is not exercisable after the expiration of five (5) years from the date of grant.
- (3) To the extent the aggregate Market Value (determined as of the date of grant) of Shares with respect to which ISOs are exercisable for the first time by a Participant during any calendar year (under all plans of the Company and any affiliates) exceeds One Hundred Thousand United States Dollars (US\$100,000), the Options or portions thereof that exceed such limit (according to the order in which they were granted) shall be treated as Options other than ISOs, notwithstanding any contrary provision in the applicable Option Agreement.

ARTICLE 4 RESTRICTED SHARE UNITS

Section 4.1 Nature of RSUs.

A “Restricted Share Unit” (or “RSU”) is an Award in the nature of a bonus for services rendered that, upon settlement, entitles the recipient Participant to acquire Shares as determined by the Board or to receive the Cash Equivalent or a combination thereof, as the case may be, pursuant and subject to such restrictions and conditions as the Board may determine at the time of grant, unless such RSU expires prior to being settled. Vesting conditions may, without limitation, be based on continuing employment (or other service relationship) and/or achievement of Performance Criteria. Unless otherwise determined by the Board in its discretion, the Award of an RSU is considered a bonus for services rendered in the calendar year in which the Award is made.

Section 4.2 RSU Awards.

- (1) The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive RSUs under the Plan, (ii) fix the number of RSUs, if any, to be granted to each Eligible Participant and the date or dates on which such RSUs shall be granted, (iii) determine the relevant conditions and vesting provisions (including the applicable Performance Period and Performance Criteria, if any) and the Restriction Period of such RSUs, (provided, however, that no such Restriction Period shall exceed the 3 years referenced in Section 4.3) and (iv) any other terms and conditions applicable to the granted RSUs, which need not be identical and which, without limitation, may include non-competition provisions, subject to the terms and conditions prescribed in this Plan and in any RSU Agreement.
- (2) Subject to the vesting and other conditions and provisions in this Plan and in the RSU Agreement, each vested RSU awarded to a Participant shall entitle the Participant to receive one Share, the Cash Equivalent or a combination thereof upon confirmation by the Board that the vesting conditions (including the Performance Criteria, if any) have been met and no later than the last day of the Restriction Period. For greater certainty, RSUs that are subject to Performance Criteria may not become fully vested by the last day of the Restricted Period.

Section 4.3 Restriction Period.

The applicable restriction period in respect of a particular RSU shall be determined by the Board but in all cases shall end no later than the 31st of December of the calendar year which commences three years after the calendar year in which the performance of services for which such RSU is granted, occurred (“**Restriction Period**”). All unvested RSUs shall be cancelled on the RSU Vesting Determination Date (as such term is defined in Section 4.4) and, in any event: (i) all unvested RSUs shall be cancelled no later than the last day of the Restriction Period.

Section 4.4 RSU Vesting Determination Date.

The vesting determination date means the date on which the Board determines if the Performance Criteria and/or other vesting conditions with respect to an RSU have been met (the “**RSU Vesting Determination Date**”), and as a result, establishes the number of RSUs that become vested, if any. For greater certainty, the RSU Vesting Determination Date must fall after the end of the

Performance Period, if any, but no later than; (i) the 15th of December of the calendar year which commences three years after the calendar year in which the performance of services for which such RSU is granted, occurred. Notwithstanding the foregoing, for any U.S. Participant, the RSU Vesting Determination Date shall occur no later than March 15 of the calendar year following the end of the Performance Period.

Section 4.5 Settlement of RSUs.

- (1) Except as otherwise provided in the RSU Agreement, all of the vested RSUs covered by a particular grant shall be settled as soon as practicable and in any event within ten Business Days following their RSU Vesting Determination Date and no later than the end of the Restriction Period (the “**RSU Settlement Date**”).
- (2) Settlement of RSUs shall take place promptly following the RSU Settlement Date and no later than the end of the Restriction Period, and shall take the form determined by the Board, in its sole discretion. Settlement of RSUs shall be subject to Section 8.2 and shall take place through:
 - (a) in the case of settlement of RSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (b) in the case of settlement of RSUs for Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board):
 - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
 - (c) in the case of settlement of the RSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.
- (3) Notwithstanding the foregoing, for any U.S. Participant, the RSU Settlement Date and delivery of Shares or Cash Equivalent, if any, shall each occur no later than March 15 of the calendar year following the end of the Performance Period.

Section 4.6 Determination of Amounts.

- (1) For purposes of determining the Cash Equivalent of RSUs to be made pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the

Market Value on the RSU Settlement Date multiplied by the number of vested RSUs in the Participant's Account to settle in cash.

- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of RSUs pursuant to Section 4.5, such calculation will be made on the RSU Settlement Date based on the whole number of Shares equal to the whole number of vested RSUs then recorded in the Participant's Account to settle in Shares.

Section 4.7 RSU Agreements.

RSUs shall be evidenced by an RSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The RSU Agreement may contain any such terms that the Company considers necessary in order that the RSU will comply with any provisions respecting restricted share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 4.8 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of unvested RSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date, provided that any such Dividend Equivalents must be payable in cash to the extent the issuance of Shares would exceed the TSXV Share Limits or any other limitations prescribed by this Plan.

In the event that the Participant's applicable RSUs do not vest, all Dividend Equivalents, if any, associated with such RSUs will be forfeited by the Participant and returned to the Company's account.

ARTICLE 5 DEFERRED SHARE UNITS

Section 5.1 Nature of DSUs.

A Deferred Share Unit is an Award attributable to a Participant's duties as a director or executive officer of the Company or a Subsidiary and that, upon settlement, entitles the recipient Participant to receive such number of Shares (which may include Shares purchased in the secondary market by a trustee or administrative agent appointed by the Board) as determined by the Board, or to receive the Cash Equivalent or a combination thereof, as the case may be, and is payable after Termination of Service of the Participant.

Section 5.2 DSU Awards.

The Board shall, from time to time by resolution, in its sole discretion, (i) designate the Eligible Participants who may receive DSU Awards under the Plan, and (ii) fix the number of DSU Awards to be granted to each Eligible Participant and the date or dates on which such DSU Awards shall be granted, subject to the terms and conditions prescribed in this Plan and in any DSU Agreement. Each DSU awarded shall entitle the Participant to one Share, or the Cash Equivalent, or a combination thereof.

Section 5.3 Payment of Annual Base Compensation.

- (1) Each Participant may elect to receive in DSUs any portion or all of their Annual Base Compensation by completing and delivering a written election to the Company on or before the 15th day of November of the calendar year ending immediately before the calendar year with respect to which the election is made. Such election will be effective with respect to compensation payable for fiscal quarters beginning during the calendar year following the date of such election. Elections hereunder shall be irrevocable with respect to compensation earned during the period to which such election relates.
- (2) Further, where an individual becomes a Participant for the first time during a fiscal year and, for individuals that are U.S. Participants, such individual has not previously participated in a plan that is required to be aggregated with this Plan for purposes of Section 409A of the U.S. Tax Code, such individual may elect to defer Annual Base Compensation with respect to fiscal quarters of the Company commencing after the Company receives such individual's written election, which election must be received by the Company no later than thirty days after the later of the Plan's adoption or such individual's appointment as a Participant. For greater certainty, new Participants will not be entitled to receive DSUs for any Annual Base Compensation earned pursuant to an election for the quarter in which they submit their first election to the Company or any previous quarter.
- (3) All DSUs granted with respect to Annual Base Compensation will be credited to the Participant's Account when such Annual Base Compensation is payable (the "**Grant Date**").
- (4) The Participant's Account will be credited with the number of DSUs calculated to the nearest thousandths of a DSU, determined by dividing the dollar amount of compensation payable in DSUs on the Grant Date by the Market Value of the Shares. Fractional Deferred Share Units will not be issued and any fractional entitlements will be rounded down to the nearest whole number.

Section 5.4 Additional Deferred Share Units.

In addition to DSUs granted pursuant to Section 5.3, the Board may award such number of DSUs to a Participant as the Board deems advisable to provide the Participant with appropriate equity-based compensation for the services they render to the Company. The Board shall determine the date on which such DSUs may be granted and the date as of which such DSUs shall be credited to a Participant's Account. An award of DSUs pursuant to this Section 5.4 shall be subject to a DSU Agreement evidencing the Award and the terms applicable thereto.

Section 5.5 Settlement of DSUs.

- (1) A Participant may receive their Shares, or Cash Equivalent, or a combination thereof, to which such Participant is entitled upon Termination of Service, by filing a redemption notice on or before the 15th day of December of the first calendar year commencing after the date of the Participant's Termination of Service, and provided that all such entitlements will be settled no later than twelve months following the Participant's Termination of Service. Notwithstanding the foregoing, if any Participant does not file such notice on or before that 15th day of December, the Participant will be deemed to have filed the redemption notice on 15th day of December (the date of the filing or deemed filing of the

redemption notice, the “**Filing Date**”). In all cases for each U.S. Participant, the U.S. Participant will be deemed to have filed the redemption notice on the date of their Termination of Service.

- (2) The Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the end of the first calendar year commencing after the Participant’s Termination of Service. In all cases for each U.S. Participant, the Company will make payment of the DSU Settlement Amount as soon as reasonably possible following the Filing Date and in any event no later than the 1st day of March of the calendar year following Termination of Service.
- (3) In the event of the death of a Participant, the Company will, subject to Section 8.2, make payment of the DSU Settlement Amount within two months of the Participant’s death to or for the benefit of the legal representative of the deceased Participant. For the purposes of the calculation of the Settlement Amount, the Filing Date shall be the date of the Participant’s death. Such DSUs shall only be eligible for payment within 12 months after the Participant ceases to be an eligible participant.
- (4) Subject to the terms of the DSU Award Agreement, including the satisfaction or, at the discretion of the Board, and pre-approval of the TSX Venture Exchange, waiver of any vesting conditions, settlement of DSUs shall take place promptly following the Filing Date, and take the form as determined by the Board, in its sole discretion. Settlement of DSUs shall be subject to Section 8.2 and shall take place through:
 - (a) in the case of settlement of DSUs for their Cash Equivalent, delivery of a cheque to the Participant representing the Cash Equivalent;
 - (b) in the case of settlement of DSUs for Shares:
 - (i) delivery to the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) of a certificate in the name of the Participant representing in the aggregate such number of Shares as the Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive (unless the Participant intends to simultaneously dispose of any such Shares); or
 - (ii) in the case of Shares issued in uncertificated form, issuance of the aggregate number of Shares as the Participant (or the liquidator, executor or administrator, as the case may be, of the estate of the Participant) shall be entitled to receive to be evidenced by a book position on the register of the shareholders of the Company to be maintained by the transfer agent and registrar of the Shares; or
 - (c) in the case of settlement of the DSUs for a combination of Shares and the Cash Equivalent, a combination of (a) and (b) above.

Section 5.6 Determination of DSU Settlement Amount.

- (1) For purposes of determining the Cash Equivalent of DSUs to be made pursuant to Section 5.5 such calculation will be made on the Filing Date based on the Market Value

on the Filing Date multiplied by the number of vested DSUs in the Participant's Account to settle in cash.

- (2) For the purposes of determining the number of Shares to be issued or delivered to a Participant upon settlement of DSUs pursuant to Section 5.5, such calculation will be made on the Filing Date based on the whole number of Shares equal to the whole number of vested DSUs then recorded in the Participant's Account to settle in Shares.

Section 5.7 DSU Agreements.

DSUs shall be evidenced by a DSU Agreement in such form not inconsistent with the Plan as the Board may from time to time determine. The DSU Agreement may contain any such terms that the Company considers necessary in order that the DSU will comply with any provisions respecting deferred share units in the income tax or other laws in force in any country or jurisdiction of which the Participant may from time to time be resident or citizen or the rules of any regulatory body having jurisdiction over the Company.

Section 5.8 Award of Dividend Equivalents.

Dividend Equivalents may, as determined by the Board in its sole discretion, be awarded in respect of DSUs in a Participant's Account on the same basis as cash dividends declared and paid on Shares as if the Participant was a shareholder of record of Shares on the relevant record date, provided that any such Dividend Equivalents must be payable in cash to the extent the issuance of Shares would exceed the TSXV Share Limits or any other limitations prescribed by this Plan.

ARTICLE 6 GENERAL CONDITIONS

Section 6.1 General Conditions Applicable to Awards.

Each Award, as applicable, shall be subject to the following conditions:

- (1) **Vesting Period.** No Award (other than Options), may vest before the date that is one year following the date the Award is granted or issued, provided that this requirement may be accelerated for a Participant who dies or who ceases to be an eligible Participant under the provisions hereof in connection with a Change of Control, take-over bid, reverse take-over or other similar transaction. Each Award granted hereunder shall further vest in accordance with the terms of the Grant Agreement entered into in respect of such Award. The Board has the right to accelerate the date upon which any Award becomes exercisable, subject to TSX Venture Exchange approval, notwithstanding the vesting schedule set forth for such Award, regardless of any adverse or potentially adverse tax consequence resulting from such acceleration.
- (2) **Employment.** Notwithstanding any express or implied term of this Plan to the contrary, the granting of an Award pursuant to the Plan shall in no way be construed as a guarantee by the Company or a Subsidiary to the Participant of employment or another service relationship with the Company or a Subsidiary. The granting of an Award to a Participant shall not impose upon the Company or a Subsidiary any obligation to retain the Participant in its employ or service in any capacity. Nothing contained in this Plan or in any Award granted under this Plan shall interfere in any way with the rights of the

Company or any of its Affiliates in connection with the employment, retention or termination of any such Participant. The loss of existing or potential profit in Shares underlying Awards granted under this Plan shall not constitute an element of damages in the event of termination of a Participant's employment or service in any office or otherwise.

- (3) **Grant of Awards.** Eligibility to participate in this Plan does not confer upon any Eligible Participant any right to be granted Awards pursuant to this Plan. Granting Awards to any Eligible Participant does not confer upon any Eligible Participant the right to receive nor preclude such Eligible Participant from receiving any additional Awards at any time. The extent to which any Eligible Participant is entitled to be granted Awards pursuant to this Plan will be determined in the sole discretion of the Board. Participation in the Plan shall be entirely voluntary and any decision not to participate shall not affect an Eligible Participant's relationship or employment with the Company or any Subsidiary.
- (4) **Rights as a Shareholder.** Neither the Participant nor such Participant's personal representatives or legatees shall have any rights whatsoever as shareholder in respect of any Shares covered by such Participant's Awards by reason of the grant of such Award until such Award has been duly exercised, as applicable, and settled and Shares have been issued in respect thereof. Subject to Section 4.8 and Section 5.8, no adjustment shall be made for dividends or other rights for which the record date is prior to the date such Shares have been issued.
- (5) **Conformity to Plan.** In the event that an Award is granted or a Grant Agreement is executed which does not conform in all particulars with the provisions of the Plan, or purports to grant Awards on terms different from those set out in the Plan, the Award or the grant of such Award shall not be in any way void or invalidated, but the Award so granted will be adjusted to become, in all respects, in conformity with the Plan.
- (6) **Non-Transferrable Awards.** Except as specifically provided in a Grant Agreement approved by the Board, each Award granted under the Plan is personal to the Participant and shall not be assignable or transferable by the Participant, whether voluntarily or by operation of law, except by will or by the laws of succession of the domicile of the deceased Participant. No Award granted hereunder shall be pledged, hypothecated, charged, transferred, assigned or otherwise encumbered or disposed of on pain of nullity.
- (7) **Participant's Entitlement.** Except as otherwise provided in this Plan or unless the Board permits otherwise, upon any Subsidiary of the Company ceasing to be a Subsidiary of the Company, Awards previously granted under this Plan that, at the time of such change, are held by a Person who is a director, executive officer, employee or Consultant of such Subsidiary of the Company and not of the Company itself, whether or not then exercisable, shall automatically terminate on the date of such change.

Section 6.2 General Conditions Applicable to Options.

Each Option shall be subject to the following conditions:

- (1) **Termination for Cause.** Upon a Participant ceasing to be an Eligible Participant for Cause, any vested or unvested Option granted to such Participant shall terminate automatically and become void immediately. For the purposes of the Plan, the

determination by the Company that the Participant was discharged for Cause shall be binding on the Participant. “Cause” shall include, among other things, gross misconduct, theft, fraud, breach of confidentiality or breach of the Company’s codes of conduct and any other reason determined by the Company to be cause for termination.

- (2) **Termination not for Cause.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her employment or service relationship with the Company or a Subsidiary being terminated without Cause, (i) any unvested Option granted to such Participant shall terminate and become void immediately and (ii) any vested Option granted to such Participant may be exercised by such Participant. Unless otherwise determined by the Board, in its sole discretion, such Option shall only be exercisable within the earlier of 90 days after the Termination Date, or the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (3) **Resignation.** Upon a Participant ceasing to be an Eligible Participant as a result of his or her resignation from the Company or a Subsidiary, (i) each unvested Option granted to such Participant shall terminate and become void immediately upon resignation and (ii) unless otherwise determined by the Board, in its sole discretion, each vested Option granted to such Participant will cease to be exercisable on the earlier of the 30 days following the Termination Date and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (4) **Permanent Disability/Retirement.** Upon a Participant ceasing to be an Eligible Participant by reason of retirement (in accordance with any retirement policy implemented by the Company from time to time) or permanent disability, (i) any unvested Option shall terminate and become void immediately, and (ii) any vested Option will cease to be exercisable on the earlier of the 90 days from the date of retirement or the date on which the Participant ceases his or her employment or service relationship with the Company or any Subsidiary by reason of permanent disability, and the expiry date of the Option set forth in the Grant Agreement, after which the Option will expire.
- (5) **Death.** Upon a Participant ceasing to be an Eligible Participant by reason of death, any vested Option granted to such Participant may be exercised by the liquidator, executor or administrator, as the case may be, of the estate of the Participant for that number of Shares only which such Participant was entitled to acquire under the respective Options (the “Vested Awards”) on the date of such Participant’s death. Such Vested Awards shall only be exercisable within 12 months after the Participant’s death or prior to the expiration of the original term of the Options whichever occurs earlier.

Section 6.3 General Conditions Applicable to RSUs.

Each RSU shall be subject to the following conditions:

- (1) **Termination for Cause and Resignation.** Upon a Participant ceasing to be an Eligible Participant for Cause or as a result of his or her resignation from the Company or a Subsidiary, the Participant’s participation in the Plan shall be terminated immediately, all RSUs credited to such Participant’s Account that have not vested shall be forfeited and cancelled, and the Participant’s rights to Shares or Cash Equivalent or a combination thereof that relate to such Participant’s unvested RSUs shall be forfeited

and cancelled on the Termination Date. The Participant shall not receive any payment in lieu of cancelled RSUs that have not vested.

- (2) **Death or Termination.** Except as otherwise determined by the Board from time to time, at its sole discretion, upon a Participant ceasing to be an Eligible Participant as a result of (i) death, (ii) retirement, (iii) Termination for reasons other than for Cause, (iv) his or her employment or service relationship with the Company or a Subsidiary being terminated by reason of injury or disability or (v) becoming eligible to receive long-term disability benefits, all unvested RSUs in the Participant's Account as of such date relating to a Restriction Period in progress shall be terminated, and the Participant shall not receive any payment in lieu of cancelled RSUs.
- (3) **General.** For greater certainty, where a Participant's employment or service relationship with the Company or a Subsidiary is terminated pursuant to Section 6.3(1) or Section 6.3(2) hereof following the satisfaction of all vesting conditions in respect of particular RSUs but before receipt of the corresponding distribution or payment in respect of such RSUs, the Participant shall remain entitled to such distribution or payment. Such vested RSUs shall only be exercisable within 12 months after the Participant ceases to be an eligible participant.

ARTICLE 7 ADJUSTMENTS AND AMENDMENTS

Section 7.1 Adjustment to Shares.

In the event of (i) any subdivision of the Shares into a greater number of Shares, (ii) any consolidation of Shares into a lesser number of Shares, (iii) any reclassification, reorganization or other change affecting the Shares, (iv) any merger, amalgamation or consolidation of the Company with or into another corporation, or (v) any distribution to all holders of Shares or other securities in the capital of the Company, of cash, evidences of indebtedness or other assets of the Company (excluding an ordinary course dividend in cash or Shares, but including for greater certainty shares or equity interests in a Subsidiary or business unit of the Company or one of its Subsidiaries or cash proceeds of the disposition of such a Subsidiary or business unit) or any transaction or change having a similar effect, then the Board shall in its sole discretion, subject to the required approval of any Stock Exchange, determine the appropriate adjustments or substitutions to be made in such circumstances in order to maintain the economic rights of the Participant in respect of such Award in connection with such occurrence or change, including, without limitation:

- (a) adjustments to the exercise price of such Award without any change in the total price applicable to the unexercised portion of the Award;
- (b) adjustments to the number of Shares to which the Participant is entitled upon exercise of such Award; or
- (c) adjustments to the number or kind of Shares reserved for issuance pursuant to the Plan.

Section 7.2 Change of Control.

- (1) Upon the completion of a transaction constituting a Change of Control, no Award issued pursuant to the Plan, other than Options, may vest before the date that is one year following the date it is granted or issued, provided that this requirement may be accelerated for a Participant who dies or who ceases to be an eligible Participant under the provisions hereof in connection with a Change of Control, take-over bid, reverse take-over or other similar transaction. Any Options that become exercisable pursuant to this Section 7.2(1) shall remain open for exercise in accordance with the terms set out in the Award Agreement.
- (2) In the event of a potential Change of Control, the Board shall have the power, in its sole discretion, subject to Section 7.3, to modify the terms of this Plan and/or the Awards to assist the Participants to tender into a take-over bid or to participate in any other transaction leading to a Change of Control.
- (3) Notwithstanding any other provision of this Plan, this Section 7.2 shall not apply with respect to any Awards held by a Participant where such Awards are governed under paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.
- (4) Notwithstanding any other provision of this Plan, for all U.S. Participants, "Change of Control" as defined herein shall be as "Change in Control" is defined in 409A of the U.S. Tax Code.

Section 7.3 Amendment or Discontinuance of the Plan.

- (1) The Board may suspend or terminate the Plan at any time. Notwithstanding the foregoing, any suspension or termination of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.
- (2) The Board may from time to time, in its absolute discretion and without approval of the shareholders of the Company amend any provision of this Plan or any Award, subject to any regulatory approval or prior TSX Venture Stock Exchange acceptance at the time of such amendment, including, without limitation:
 - (i) any amendment to the general vesting provisions, if applicable, of the Plan or of the Awards;
 - (ii) any amendment regarding the effect of termination of a Participant's employment or engagement;
 - (iii) any amendment which accelerates the date on which any Option may be exercised under the Plan;
 - (iv) any amendment necessary to comply with applicable law or the requirements of the Stock Exchange or any other regulatory body;
 - (v) any amendment of a "housekeeping" nature, including to clarify the meaning of an existing provision of the Plan, correct or supplement any

provision of the Plan that is inconsistent with any other provision of the Plan, correct any grammatical or typographical errors or amend the definitions in the Plan;

- (vi) any amendment regarding the administration of the Plan;
 - (vii) any amendment to add provisions permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or clawback, and any amendment to a provision permitting the grant of Awards settled otherwise than with Shares issued from treasury, a form of financial assistance or clawback which is adopted; and
 - (viii) any other amendment that does not require the approval of the shareholders of the Company under Section 7.3(3)(b).
- (3) Notwithstanding Section 7.3(2):
- (a) no such amendment shall alter or impair the rights of any Participant, without the consent of such Participant except as permitted by the provisions of the Plan;
 - (b) the Board shall be required to obtain disinterested shareholder approval and prior TSX Venture Exchange acceptance to make the following amendments:
 - (i) any increase to the maximum number of Shares issuable under the Plan (either as a fixed number or fixed percentage of the Outstanding Issue), except in the event of an adjustment pursuant to Article 7;
 - (ii) any amendment that extends the term of Options beyond the original expiry date that benefits an Insider of the Company;
 - (iii) any amendment which extends the expiry date of any Award, or the Restriction Period, or the Performance Period of any RSU beyond the original expiry date or Restriction Period or Performance Period, that benefits an Insider of the Company;
 - (iv) except in the case of an adjustment pursuant to Article 7, any amendment which reduces the exercise price of an Option or any cancellation of an Option and replacement of such Option with an Option with a lower exercise price;
 - (v) any amendment which increases the maximum number of Shares that may be (i) issuable to Insiders at any time; or (ii) issued to Insiders under the Plan and any other proposed or established Share Compensation Arrangement in a one-year period, except in case of an adjustment pursuant to Article 7;
 - (vi) any amendment to the definition of an Eligible Participant under the Plan; and
 - (vii) any amendment to the amendment provisions of the Plan.

- (4) Subject to the Shares being listed on the TSX Venture Exchange, any shareholder approval required under Section 7.3(3)(b) shall be disinterested shareholder approval (within the meaning of the policies of the TSX Venture Exchange).
- (5) Notwithstanding the foregoing, any amendment of the Plan shall be such that the Plan continuously meets the requirements of paragraph 6801(d) of the regulations under the Tax Act or any successor to such provision.

Section 7.4 TSX Venture Exchange Approval of Adjustments

While the Shares are listed for trading on the TSX Venture Exchange, any adjustment, other than in connection with a subdivision of the Shares into a greater number of Shares pursuant to Section 7.1(a) or a consolidation of Shares into a lesser number of Shares pursuant to Section 7.1(b), to any Award pursuant to the provisions hereof is subject to the prior acceptance of the TSX Venture Exchange, including adjustments related to an amalgamation, merger, arrangement, reorganization, spin-off, dividend or recapitalization.

ARTICLE 8 MISCELLANEOUS

Section 8.1 Use of an Administrative Agent and Trustee.

The Board may in its sole discretion appoint from time to time one or more entities to act as administrative agent or trustee to administer the Awards granted under the Plan, including for the purposes of making secondary market purchases of Shares for delivery on settlement of an Award, if applicable, and to act as trustee to hold and administer the assets that may be held in respect of Awards granted under the Plan, the whole in accordance with the terms and conditions determined by the Board in its sole discretion. The Company and the administrative agent will maintain records showing the number of Awards granted to each Participant under the Plan.

Section 8.2 Tax Withholding.

- (1) Notwithstanding any other provision of this Plan, all distributions, delivery of Shares or payments to a Participant (or to the liquidator, executor or administrator, as the case may be, of the estate of the Participant) under the Plan shall be made net of such withholdings, including in respect of applicable taxes and source deductions, as the Company determines. If the event giving rise to the withholding obligation involves an issuance or delivery of Shares, then, the withholding may be satisfied in such manner as the Company determines, including by (a) having the Participant elect to have the appropriate number of such Shares sold by the Company, the Company's transfer agent and registrar or any trustee appointed by the Company pursuant to Section 8.1 hereof, on behalf of and as agent for the Participant as soon as permissible and practicable, with the proceeds of such sale being delivered to the Company, which will in turn remit such amounts to the appropriate governmental authorities, or (b) any other mechanism as may be required or determined by the Company as appropriate.
- (2) Notwithstanding Section 8.2(1), the applicable tax withholdings may be waived where a Participant directs in writing that a payment be made directly to the Participant's registered retirement savings plan in circumstances to which subsection 100(3) of the regulations made under the Tax Act apply.

Section 8.3 US Tax Compliance.

- (1) DSU Awards granted to U.S. Participants are intended to be comply with, and Option and RSU Awards granted to U.S. Participants are intended to be exempt from, all aspects of Section 409A of the U.S. Tax Code and related regulations (“**Section 409A**”). Notwithstanding any provision to the contrary, all taxes associated with participation in the Plan, including any liability imposed by Section 409A, shall be borne by the U.S. Participant.
- (2) For purposes of interpreting and applying the provisions of any DSU or other Award to subject to Section 409A, the term “termination of employment” or similar phrase will be interpreted to mean a “separation from service,” as defined under Section 409A, provided, however, that with respect to an Award subject to the Tax Act, if the Tax Act requires a complete termination of the employment relationship to receive the intended tax treatment, then “termination of employment” will be interpreted to only include a complete termination of the employment relationship.
- (3) If payment under any DSU or other Award subject to Section 409A is in connection with the U.S. Participant’s separation from service, and at the time of the separation from service the Participant is subject to the U.S. Tax Code and is considered a “specified employee” (within the meaning of Section 409A), then any payment that would otherwise be payable during the six-month period following the separation from service will be delayed until after the expiration of the six-month period, to the extent necessary to avoid taxes and penalties under Section 409A, provided that any amounts that would have been paid during the six-month period may be paid in a single lump sum on the first day of the seventh month following the separation from service.

Section 8.4 Clawback.

Notwithstanding any other provisions in this Plan, any Award which is subject to recovery under any law, government regulation or stock exchange listing requirement, will be subject to such deductions and clawback as may be required to be made pursuant to such law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement). Without limiting the generality of the foregoing, the Board may provide in any case that outstanding Awards (whether or not vested or exercisable) and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards will be subject to forfeiture and disgorgement to the Company, with interest and other related earnings, if the Participant to whom the Award was granted violates (i) a non-competition, non-solicitation, confidentiality or other restrictive covenant by which he or she is bound, or (ii) any policy adopted by the Company applicable to the Participant that provides for forfeiture or disgorgement with respect to incentive compensation that includes Awards under the Plan. In addition, the Board may require forfeiture and disgorgement to the Company of outstanding Awards and the proceeds from the exercise or disposition of Awards or Shares acquired under Awards, with interest and other related earnings, to the extent required by law or applicable stock exchange listing standards, including and any related policy adopted by the Company. Each Participant, by accepting or being deemed to have accepted an Award under the Plan, agrees to cooperate fully with the Board, and to cause any and all permitted transferees of the Participant to cooperate fully with the Board, to effectuate any forfeiture or disgorgement required hereunder. Neither the Board nor the Company nor any other person, other than the Participant and his or her permitted transferees, if any, will be responsible

for any adverse tax or other consequences to a Participant or his or her permitted transferees, if any, that may arise in connection with this Section 8.4.

Section 8.5 Securities Law Compliance.

- (1) The Plan (including any amendments to it), the terms of the grant of any Award under the Plan, the grant of any Award and exercise of any Option, and the Company's obligation to sell and deliver Shares in respect of any Awards, shall be subject to all applicable federal, provincial, state and foreign laws, rules and regulations, the rules and regulations of applicable Stock Exchanges and to such approvals by any regulatory or governmental agency as may, as determined by the Company, be required. The Company shall not be obliged by any provision of the Plan or the grant of any Award hereunder to issue, sell or deliver Shares in violation of such laws, rules and regulations or any condition of such approvals.
- (2) No Awards shall be granted in the United States and no Shares shall be issued in the United States pursuant to any such Awards unless such Shares are registered under the U.S. Securities Act and any applicable state securities laws or an exemption from such registration is available. Any Awards granted in the United States, and any Shares issued pursuant thereto, will be "restricted securities" (as such term is defined in Rule 144(a)(3) under the U.S. Securities Act). Any certificate or instrument representing Awards granted in the United States or Shares issued in the United States pursuant to such Awards pursuant to an exemption from registration under the U.S. Securities Act and applicable state securities laws shall bear substantially the following legend restricting transfer under applicable United States federal and state securities laws:

THE SECURITIES REPRESENTED HEREBY [and for Awards, the following will be added: AND THE SECURITIES ISSUABLE PURSUANT HERETO] HAVE NOT BEEN AND WILL NOT BE REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE "U.S. SECURITIES ACT"), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES AND MAY NOT BE OFFERED, SOLD, PLEDGED OR OTHERWISE TRANSFERRED EXCEPT (A) TO THE COMPANY, (B) OUTSIDE THE UNITED STATES IN COMPLIANCE WITH REGULATIONS UNDER THE U.S. SECURITIES ACT AND IN COMPLIANCE WITH APPLICABLE LOCAL LAWS AND REGULATIONS, (C) PURSUANT TO THE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED BY (1) RULE 144 THEREUNDER, IF AVAILABLE, OR (2) RULE 144A THEREUNDER, IF AVAILABLE, AND IN EACH CASE IN COMPLIANCE WITH APPLICABLE STATE SECURITIES LAWS OR (D) IN A TRANSACTION THAT DOES NOT REQUIRE REGISTRATION UNDER THE U.S. SECURITIES ACT OR ANY APPLICABLE STATE SECURITIES LAWS, AND, IN CONNECTION WITH ANY TRANSFERS PURSUANT TO (C)(1) OR (D) ABOVE, THE SELLER HAS FURNISHED TO THE COMPANY AN OPINION OF COUNSEL OF RECOGNIZED STANDING OR OTHER EVIDENCE, IN FORM AND SUBSTANCE REASONABLY SATISFACTORY TO THE COMPANY, TO THAT EFFECT. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE "GOOD DELIVERY" IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA.

- (3) No Awards shall be granted, and no Shares shall be issued, sold or delivered hereunder, where such grant, issue, sale or delivery would require registration of the Plan or of the Shares under the securities laws of any jurisdiction or the filing of any prospectus for the

qualification of same thereunder, and any purported grant of any Award or purported issue or sale of Shares hereunder in violation of this provision shall be void.

- (4) The Company shall have no obligation to issue any Shares pursuant to this Plan unless upon official notice of issuance such Shares shall have been duly listed with a Stock Exchange. Shares issued, sold or delivered to Participants under the Plan may be subject to limitations on sale or resale under applicable securities laws.
- (5) If Shares cannot be issued to a Participant upon the exercise of an Option due to legal or regulatory restrictions, the obligation of the Company to issue such Shares shall terminate and any funds paid to the Company in connection with the exercise of such Option will be returned to the applicable Participant as soon as practicable.

Section 8.6 Reorganization of the Company.

The existence of any Awards shall not affect in any way the right or power of the Company or its shareholders to make or authorize any adjustment, reclassification, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.
