MANAGEMENT INFORMATION CIRCULAR

(Containing information as at May 6, 2024 unless indicated otherwise)

SOLICITATION OF PROXIES

This Management Information Circular (the “**Circular**”) is furnished in connection with the solicitation of proxies by the management of Aranjin Resources Ltd. (“**Aranjin**” or the “**Corporation**”) for use at the Annual General and Special Meeting of holders (“**Shareholders**”) of common shares (“**Common Shares**”) of the Corporation and any adjournment thereof to be held at Shangri-La Hotel, Olympic Street 19A, Sukhbaatar District-1, Ulaanbaatar 14241, Mongolia on the 13th day of June, 2024, at the hour of 10:00 AM (ULAT) (the “**Meeting**”). The enclosed proxy is being solicited by the management of the Corporation. While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally, by facsimile or by telephone by the regular employees of the Corporation at nominal cost. All costs of solicitation by management will be borne by the Corporation. The Corporation may also retain, and pay a fee to, one or more professional proxy solicitation firms to solicit proxies from Shareholders.

The contents and the sending of this Circular have been approved by the directors of the Corporation. All dollar amounts referenced, unless otherwise indicated, are expressed in Canadian dollars. All references to the Corporation shall include its subsidiaries as the context may require.

APPOINTMENT OF PROXYHOLDER

The individuals named as proxyholders in the accompanying form of proxy are directors and/or officers of the Corporation. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON (WHO NEED NOT BE A SHAREHOLDER) TO REPRESENT HIM OR HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY STRIKING OUT THE NAMES OF THOSE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY OR VOTING INFORMATION FORM AND INSERTING THE DESIRED PERSON’S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY OR VOTING INFORMATION FORM AND SIGNING AND DATING THE FORM OF PROXY OR VOTING INFORMATION FORM, OR BY COMPLETING ANOTHER FORM OF PROXY.** A proxy will not be valid unless the completed form of proxy is received by Odyssey Trust Company, Proxy Dept., 702-67 Yonge Street, Toronto, ON M5E 1J8 not less than forty eight (48) hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting or, with respect to any matters to be dealt with at any adjournment of the Meeting, before the time of the re-commencement of the adjourned Meeting. Proxies delivered after such time(s) will not be accepted.

REVOCAION OF PROXIES

A Shareholder who has given a proxy may revoke it prior to its use by an instrument in writing executed by the Shareholder or by his attorney duly authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer or attorney of such corporation, and delivered to the Corporation, at Aranjin Resources Ltd., c/o Peterson McVicar LLP, 110 Yonge Street, Suite 1601 Toronto, ON M5C 1T4 (Attention: James McVicar) at any time up to and including the last business day preceding the day of the Meeting, or if adjourned, preceding any reconvening thereof, or to the Chairman of the Meeting on the day of the Meeting or, if adjourned, any reconvening thereof, or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation for a sponsorship fee payable.

VOTING OF PROXIES

The Common Shares represented by a properly executed proxy in favour of persons designated as proxyholders in the enclosed form of proxy will:

- (a) be voted or withheld from voting in accordance with the instructions of the person appointing the proxyholder on any ballot that may be called for; and
- (b) where a choice with respect to any matter to be acted upon has been specified in the form of proxy, be voted in accordance with the specifications made on such proxy.

SUCH SHARES WILL BE VOTED **FOR** EACH MATTER FOR WHICH NO CHOICE HAS BEEN SPECIFIED.

The enclosed form of proxy, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed proxyholder thereunder to vote with respect to amendments or variations of matters identified in the notice of Meeting, and with respect to any other matters which may properly come before the Meeting. In the event that amendments

or variations to matters identified in the notice of Meeting are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the persons designated by management as proxyholders in the enclosed form of proxy to vote in accordance with their best judgment on such matters or business. At the time of the printing of this Circular, the management of the Corporation knows of no such amendment, variation or other matter that may be presented to the Meeting.

INFORMATION FOR NON-REGISTERED SHAREHOLDERS

Only registered Shareholders or proxyholders duly appointed by Shareholders are permitted to vote at the Meeting. Most shareholders of the Corporation are “non-registered” shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of a brokerage firm, bank or other intermediary or in the name of a clearing agency. Shareholders who do not hold their Common Shares in their own name (referred to herein as “Beneficial Shareholders”) should note that only registered Shareholders are entitled to vote at the Meeting. If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in such shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which company acts as nominee for many Canadian brokerage firms). Common Shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting Common Shares for the brokers’ clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate person well in advance of the Meeting.**

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the form of proxy provided by the Corporation to the registered Shareholders. However, its purpose is limited to instructing the registered Shareholder (i.e. the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate the responsibility for obtaining instructions from clients to Broadridge Financial Solutions Inc. (“**Broadridge**”). Broadridge typically prepares a machine-readable voting instruction form, mails those forms to the Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction form must be returned to Broadridge (or instructions respecting the voting of Common Shares must be communicated to Broadridge well in advance of the Meeting) in order to have the Common Shares voted.**

This Circular and accompanying materials are being sent to both registered Shareholders and Beneficial Shareholders. Beneficial Shareholders fall into two categories – those who object to their identity being known to the issuers of securities which they own (“**Objecting Beneficial Owners**”, or “**OBO’s**”) and those who do not object to their identity being made known to the issuers of the securities they own (“**Non-Objecting Beneficial Owners**”, or “**NOBO’s**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matter relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. If you are a Beneficial Shareholder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of Common Shares have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the Common Shares on your behalf. The Corporation is not sending Meeting Materials directly to the NOBOs. The Corporation will use and pay intermediaries and agents to send the Meeting Materials to the NOBOs but does not intend to pay for intermediaries to deliver the Meeting Materials to the OBOs.

The Corporation’s OBO’s can expect to be contacted by Broadridge or their broker or their broker’s agents as set out above.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder should enter their own names in**

the blank space on the proxy or voting instruction card provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker.

Non-registered Shareholders who wish to appoint a third-party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Common Shares MUST submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder AND register the third party proxyholder. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a control number to attend, participate or vote at the Meeting. Non-registered Shareholders who wish to appoint a third-party proxyholder should contact the Corporation's transfer agent, Odyssey Trust Company, for further information.

All references to Shareholders in this Circular and the accompanying form of proxy and notice of Meeting are to registered Shareholders unless specifically stated otherwise.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth in this Circular, no person who has been a director or executive officer of the Corporation at any time since January 1, 2022 being the beginning of the Corporation's last completed financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has or has had any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Corporation is authorized to issue an unlimited number of Common Shares without par value. As of May 6, 2024, the Corporation had 442,593,444 issued and outstanding Common Shares. 3. STOCK OPTION PLAN

The Corporation has adopted an incentive stock option plan (the "Option Plan"), which provides that the board of directors may from time to time, in its discretion, and in accordance with the TSX Venture Exchange (the "TSXV") requirements, grant to directors, officers, employees and technical consultants to the Corporation, non-transferable options to purchase Common Shares, provided that the number of Common Shares reserved for issuance will not exceed 10% of the issued and outstanding Common Shares at the time of any stock option grant. In connection with the foregoing, in any 12-month period, the number of Common Shares reserved for issuance to any individual director or officer will not exceed five percent (5%) of the issued and outstanding Common Shares, and the number of Common Shares reserved for issuance to all consultants will not exceed two percent (2%) of the issued and outstanding Common Shares. The aggregate number of options granted under the Option Plan to Insiders (as that term is defined in the policies of the TSXV) of Aranjin as a group, within a 12-month period, cannot exceed ten percent (10%) of the outstanding Common Shares (on a non-diluted basis) calculated at the date an option is granted to any Insider of Aranjin. Subject to earlier termination, all options granted under the Option Plan will expire not later than the date that is ten years from the date of the grant. The exercise price of the options is determined by the board in accordance with the rules of the TSXV. Reference should be made to the full text of the Option Plan, which is contained in Schedule "A" hereto.

The Option Plan was last approved by the Shareholders at the previous meeting of the Shareholders on November 6, 2023.

Accordingly, the Corporation's shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED, as an ordinary resolution, that:

1. the Stock Option Plan of the Corporation, as described in the Management Information Circular of the Corporation dated May 6, 2024, be and is hereby ratified and approved.
2. the number of common shares of the Corporation reserved for issuance under the Stock Option Plan shall be no more than 10% of the Corporation's issued and outstanding common shares at the time of any stock option grant, and

3. the board of directors of the Corporation be authorized to make any changes to the Stock Option Plan as may be required by the TSX Venture Exchange.”

4. APPROVAL OF SHARE CONSOLIDATION

At the Meeting, Shareholders will be asked to approve the consolidation of the Common Shares on the basis of up to one (1) “new” Common Share for every forty (40) “old” Common Shares outstanding, subject to the discretion of the board to alter the consolidation ratio in order to meet the requirements of the TSXV (the “**Consolidation**”).

As at May 6, 2024, there were 442,593,444 Common Shares issued and outstanding. At the Meeting, shareholders will be asked to approve an ordinary resolution substantially in the form set forth below authorizing the Corporation to, among other things, effect an amendment to the articles of the Corporation so as to effect the Consolidation (the “**Consolidation Resolution**”). On completion of the Consolidation, the Corporation would have approximately 11,064,836 Common Shares outstanding. Beneficial Shareholders holding their Common Shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have various procedures for processing the Consolidation. If a shareholder holds Common Shares with such a bank, broker or other nominee and has any questions in this regard, the shareholder is encouraged to contact its nominee. No fractional post- Consolidation Common Shares will be issued upon the Consolidation. If as a result of the Consolidation, a shareholder becomes entitled to a fractional post-Consolidation Common Share, such fraction will be rounded down to the nearest whole number.

Along with this Circular, the Corporation has sent letters of transmittal to holders of Common Shares for use in transmitting their share certificates to the Corporation’s registrar and transfer agent, Odyssey Trust Company, in exchange for new certificates representing the number of post- Consolidation Common Shares to which such shareholder is entitled as a result of the Consolidation. Shareholders are encouraged to follow the instructions contained on the letter of transmittal in order to receive the post-Consolidation Common Shares to which they are entitled following the completion of the Consolidation. In order to receive certificates representing post-Consolidation Common Shares issued pursuant to the Consolidation, shareholders must deliver to Odyssey Trust Company (i) their certificates representing Common Shares; (ii) a duly completed letter of transmittal; and (iii) such other documents as Odyssey Trust Company may require. Upon return of a properly completed letter of transmittal, together with certificates representing Common Shares and such other information as requested by Odyssey Trust Company, certificates for the appropriate number of post-Consolidation Common Shares will be distributed without charge.

Certificates for the post-Consolidation Common Shares issued to a shareholder who provides the appropriate documentation described above, shall be registered in such name or names and will be delivered to such address or addresses as such holder may direct in the letter of transmittal as soon as practicable after the receipt by Odyssey Trust Company of the required documents.

Please do not send the letter of transmittal or share certificates to Odyssey Trust Company until the Corporation announces by press release that the Consolidation has become effective. No delivery of a certificate evidencing a post-Consolidation Common Share to a shareholder will be made until the shareholder has surrendered its current issued certificates. Until surrendered, each certificate formerly representing old Common Shares shall be deemed for all purposes to represent the number of post-Consolidation Common Shares to which the holder is entitled as a result of the Consolidation.

In order to be adopted, the Consolidation Resolution must be approved by a simple majority of the votes cast by the holders of the Common Shares, either present in person or represented by proxy at the Meeting. If the Consolidation Resolution is adopted by the shareholders at the Meeting, the Corporation currently intends to file the an amendment to the articles of the Corporation as soon as practicable. The amendment to the articles will not have any effect on the operations of the Corporation, other than as noted above. The Consolidation remains subject to regulatory approval, including without limitation, approval of the TSXV.

Proxies received in favour of management will be voted FOR of the Consolidation Resolution granting authorization to the Corporation to give effect to the Consolidation, unless a shareholder specifies in the proxy that his or her Common Shares are to be voted against the Consolidation Resolution. The Consolidation will not be effective until all applicable filings are complete. The Board reserves the right to not proceed with the Consolidation even if approved by shareholders.

Accordingly the Corporation’s shareholders will be asked to approve the following ordinary resolution:

“BE IT RESOLVED as an ordinary resolution that:

1. the Corporation is hereby authorized to file a notice of articles to amend the articles of the Corporation such that the issued and outstanding common shares of the Corporation immediately

- upon the effective date of such notice of articles be consolidated on the basis of up to one (1) "new" common share for every forty (40) common shares then issued and outstanding or such other consolidation ratio as the board of directors of the Corporation may determine in its discretion in order to comply with the requirements of the TSX Venture Exchange (the "Consolidation");
2. the notice of articles in respect of the Consolidation shall be in such form as may be approved by any officer or director of the Corporation in order to ensure compliance with the provisions of the *Business Corporations Act* (British Columbia) and the Register appointed thereunder, as the same may be amended from time to time; and
 3. the board of directors of the Corporation is authorized, in its sole discretion, to determine not to proceed with the Consolidation without further approval of the shareholders of the Corporation any time prior to the filing of the notice of articles in respect of the Consolidation."

OTHER BUSINESS

Management of the Corporation knows of no matters to come before the Meeting other than those referred to in the Notice of Meeting accompanying this Circular. **However, if any other matters properly come before the Meeting, it is the intention of the management proxyholders to vote on the same in accordance with their best judgment on such matters.**

STATEMENT OF EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Named Executive Officers

The following describes the particulars of compensation for a) the CEO, b) the CFO, c) each of the three most highly compensated executive officers of the Corporation, including any of its subsidiaries, or the three most highly compensated individuals acting in a similar capacity, other than the CEO and the CFO, at the end of the most recently completed financial year whose total compensation was, individually, more than \$150,000 for that financial year; and d) each individual who would be a named executive officer but for the fact that the individual was neither an executive officer of the Corporation or its subsidiaries, nor acting in a similar capacity, at the end of that financial year (each a "Named Executive Officer" or "NEO"). For the financial year ended December 31, 2023, the Named Executive Officers of the Corporation were:

Matthew Wood, CEO and Director

Jeremy South, Chief Financial Officer, Secretary and Former Director

Solongo Gunsendorj, Former Executive Director and Former Secretary and Director

Ali Haji, Former President, CEO and Director

Matthew Wood resigned as President and CEO of the Corporation on January 24, 2022 and remained as Executive Chairman. Ali Haji was appointed President and CEO of the Corporation on January 24, 2022 and resigned as President and CEO on June 12, 2023 and as a Director on August 14, 2023. Jeremy South resigned as a director of the Corporation and was appointed Secretary of the Corporation on January 22, 2024. Solongo Gunsendorj resigned as Secretary of the Corporation on January 22, 2024.

Compensation Policy Objectives

The following summarizes the board's current position regarding the compensation of executive officers. The executive compensation program is designed to reward corporate and individual performance and motivate executives to achieve overall corporate goals.

The Corporation's executive compensation program has the following objectives:

- to attract, retain and motivate qualified executives;
- to provide incentives to executives to maximize productivity and enhance enterprise value by aligning the interests of the executives with those of the Shareholders;
- to foster teamwork and entrepreneurial spirit;

- to establish a direct link between all elements of compensation and the performance of the Corporation and its subsidiaries, and individual performance;
- to integrate compensation incentives with the development and successful execution of strategic and operating plans; and
- to enhance Shareholder value.

The executive compensation program is comprised of fixed and variable elements of compensation; base salary, indirect compensation (benefits), discretionary bonus, and long-term incentives in the form of stock options. In determining actual compensation levels, the Board considers the total compensation program, rather than any single element in isolation. Total compensation levels are designed to reflect both the marketplace (to ensure competitiveness) and the responsibility of each position (to ensure internal equity). The Board believes these elements of compensation, when combined, form an appropriate mix of compensation, and provide competitive salary, link the majority of the executives' compensation to corporate and individual performance (which induces and rewards behaviour that creates long-term value for Shareholders and other stakeholders), and encourage retention with time-based vesting attached to long-term equity-based incentives.

Base Salaries

Base salaries for the executive officers are designed to be competitive and are adjusted for the realities of the market. Initial base salaries are determined through market comparables, formal job evaluation, commercially available salary survey data, experience level, leadership and management skills, responsibilities and proven or expected performance. The Board reviews the recommendations of the President and CEO for the base salaries for executive officers taking into consideration the individual's performance, contributions to the success of the Corporation, and internal equities among positions. No specific weightings are assigned to each factor; instead a subjective determination is made based on a general assessment of the individual relative to such factors.

Discretionary Bonus

A discretionary bonus is intended to provide incentives to executive officers to enhance the growth and development of the Corporation, to encourage and motivate executive officers to achieve short-term goals, and to reward individual contribution to the achievement of corporate objectives. The bonus can be based as a percentage of annual salary or a fixed dollar amount and is awarded at the discretion of the Board.

Long-Term Incentives

The Corporation's long-term equity portion of executive compensation is designed to align the interests of executive officers with that of Shareholders by encouraging equity ownership through awards of stock options to motivate executives and other key employees to contribute to an increase in corporate performance and Shareholder value, and to attract talented individuals and encourage the retention of executive officers and other key employees.

Stock Options

The Corporation may issue stock options to its Named Executive Officers. The timing of the grant, and number of Common Shares made subject to option is generally recommended by the CEO, reviewed and approved (or revised, if thought appropriate) by the Compensation Committee and implemented by a resolution of the Board. Consideration in determining option grants is given to, amongst other things, the total number of stock options outstanding, the current and future expected contribution to the advancement of corporate objectives, the position of the individual, tenure, and previous option grants to selected individuals. No specific weightings are assigned to each factor; instead a subjective determination is made based on an assessment of the individual relative to such factors. Grants of stock option also comprise a portion of the compensation package offered to attract and retain new directors and executive officers to the Corporation.
