## **EMPIRE CLOSES \$200,000 FLOW-THROUGH FINANCING**

---

Empire Metals Corp. (“Empire”) (TSX.V-EP) has closed its previously announced private placement financing, issuing 4,000,000 flow-through units at \$0.05 per unit for proceeds of \$200,000. Each unit is comprised of one common share and one two-year transferable warrant with each warrant entitling the holder to purchase one additional share at a price of \$0.065 per share. The flow-through shares comprising the 4,000,000 flow-through units and 4,000,000 flow-through shares issuable upon exercise of the warrants comprising the flow-through units will entitle holders to receive tax benefits applicable to flow-through shares in accordance with provisions of the *Income Tax Act* (Canada).

Participation by three insiders of Empire, for 900,000 units or \$45,000, comprising 22.5% of the total amount raised, constitutes a related party transaction within the meaning of TSX Venture Exchange Policy 5.9 and Multilateral Instrument 61-101 *Protection of Minority Security Holders in Special Transactions* (“MI 61-101”). Empire is relying on the exemptions contained in sections 5.5(a) and section 5.7(1)(a) as the fair market value of the participation in the private placement by the insider does not exceed 25 per cent of the market capitalization of Empire, as determined in accordance with MI 61-101. Empire’s board of directors and specifically the independent members of the board, as applicable, reviewed and approved the private placement subscription by the insiders. Empire did not file a material change report in respect of the related party transaction at least 21 days before closing of the private placement as the date of closing was not previously known.

The proceeds of the financing will be used to fund exploration. The terms of the financing have been accepted for filing by the TSX Venture Exchange. The units are restricted from trading until May 1, 2025.

Empire is a Canadian exploration and development company. Empire holds a 100% interest in the Buck Lake Platinum, Palladium, Nickel and Gold Project located in Ontario near the Lac Des Iles platinum palladium mine. Empire also holds a controlling interest in the Fox Creek Lithium Project in Alberta and the Gwyn Lake gold project located in the heart of the historic Beardmore-Geraldton greenstone gold belt in Ontario.
