November 21, 2019

INTRODUCTION

This information circular (“**Information Circular**”) accompanies the notice of annual general and special meeting of shareholders of (the “**Notice**”) and is furnished to shareholders (each, a “**Shareholder**”) holding common shares (each, a “**Share**”) in the capital of Xander Resources Inc. (the “**Company**”) in connection with the solicitation by the management of the Company of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be held at 10:30 AM (Vancouver time) on Tuesday, December 24, 2019 at Suite 900, 885 West Georgia Street, Vancouver, British Columbia, or at any adjournment or postponement thereof.

Date and Currency

The date of this Information Circular is November 21, 2019. Unless otherwise stated, all amounts herein are in Canadian dollars.

PROXIES AND VOTING RIGHTS

Management Solicitation

The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact to be made without special compensation to any of the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers who are NOBOs (as defined below), and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

Appointment of Proxy

Registered Shareholders are entitled to vote at the Meeting. A Shareholder is entitled to one vote for each Share that such Shareholder holds on the record date of November 19, 2019 (the “**Record Date**”) on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the “**Designated Persons**”) in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

A SHAREHOLDER MAY EXERCISE THIS RIGHT BY INSERTING THE NAME OF SUCH OTHER PERSON IN THE BLANK SPACE PROVIDED ON THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE’S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER’S SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

The Shareholder may vote by mail, by telephone or via the Internet by following instructions provided in the form of proxy at least 48 hours (excluding Saturdays, Sundays and holidays recognized in the Province of British Columbia) prior to the scheduled time of the Meeting, or any adjournment or postponement thereof. The Chairman of the Meeting in their sole discretion may accept completed forms of proxy on the day of the Meeting or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder’s attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder’s attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

Voting of Shares and Proxies and Exercise of Discretion by Designated Persons

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space on the proxy. **The Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Shares on any matter, the Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Shares in their own name. Shareholders who do not hold their Shares in their own name (referred to in this Information Circular as “Beneficial Shareholders”) should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Shares can be recognized and acted upon at the Meeting. If Shares are listed in an account statement provided by a broker, then in almost all cases those Shares will not be registered in the Beneficial Shareholder’s name on the records of the Company. Such Shares will more likely be registered under the names of the Beneficial Shareholder’s broker or an agent of that broker. In the United States, the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms). **Beneficial Shareholders should ensure that instructions respecting the voting of their Shares are communicated to the appropriate person well in advance of the Meeting.**

The Company does not have access to the names of all Beneficial Shareholders. Applicable regulatory policy requires intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders’ meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by his, her or its broker (or the agent of the broker) is similar to the form of proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions

from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge typically prepares a special voting instruction form, mails this form to the Beneficial Shareholders and asks for appropriate instructions regarding the voting of Shares to be voted at the Meeting. If Beneficial Shareholders receive the voting instruction forms from Broadridge, they are requested to complete and return the voting instruction forms to Broadridge by mail or facsimile. Alternatively, Beneficial Shareholders can call a toll-free number and access Broadridge's dedicated voting website (each as noted on the voting instruction form) to deliver their voting instructions and to vote the Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that form as a proxy to vote Shares directly at the Meeting – the voting instruction form must be returned to Broadridge well in advance of the Meeting in order to have the applicable Shares voted at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of his, her or its broker (or agent of the broker), a Beneficial Shareholder may attend at the Meeting as proxyholder for the registered Shareholder and vote the Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Shares as proxyholder for the registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, a Beneficial Shareholder may request in writing that his, her or its broker send to the Beneficial Shareholder a legal proxy which would enable the Beneficial Shareholder to attend at the Meeting and vote his, her or its Shares.

Beneficial Shareholders consist of non-objecting beneficial owners ("**NOBOs**") and objecting beneficial owners. A NOBO is a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner does not object, for that account, to the intermediary disclosing ownership information about the beneficial owner under National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") of the Canadian Securities Administrators. An objecting beneficial owner means a beneficial owner of securities that has provided instructions to an intermediary holding the securities in an account on behalf of the beneficial owner that the beneficial owner objects, for that account, to the intermediary disclosing ownership information about the beneficial owner under NI 54-101.

The Company is sending proxy-related materials directly to NOBOs of the Shares. The Company will not pay for the delivery of proxy-related materials to objecting beneficial owners of the Shares under NI 54-101 and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*. The objecting beneficial owners of the Shares will not receive the materials unless their intermediary assumes the costs of delivery.

All references to Shareholders in this Information Circular are to registered Shareholders, unless specifically stated otherwise.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue an unlimited number of Shares without par value. As of the Record Date, a total of 11,342,541 Shares were issued and outstanding. Each Share carries the right to one vote at the Meeting. Only registered Shareholders as of the Record Date are entitled to receive notice of, and to attend and vote at, the Meeting or any adjournment or postponement of the Meeting.

To the knowledge of the directors and executive officers of the Company, no person or company beneficially owns, directly or indirectly, or exercises control or direction over, Shares carrying more than 10% of the voting rights attached to the outstanding Shares of the Company.

NUMBER OF DIRECTORS

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company at four (4). An ordinary resolution needs to be passed by a simple majority of the votes cast by the Shareholders present in person or represented by proxy and entitled to vote at the Meeting.

Management of the Company recommends the approval of setting the number of directors of the Company at four (4).

ELECTION OF DIRECTORS

At present, the directors of the Company are elected at each annual general meeting and hold office until the next annual general meeting, or until their successors are duly elected or appointed in accordance with the Company's Articles or until such director's earlier death, resignation or removal. In the absence of instructions to the contrary, the enclosed form of proxy will be voted for the nominees listed in the form of proxy, all of whom are presently members of the board of directors (the "**Board**"). The number of directors of the Company is currently set at five.

The compensation of the NEOs, directors and the Company's employees or consultants is reviewed, recommended and approved by the Board without reference to any specific formula or criteria.

The Company's compensation program is intended to attract, motivate, reward and retain the management talent needed to achieve the Company's business objectives of improving overall corporate performance and creating long-term value for the Shareholders. The compensation program is intended to reward executive officers on the basis of individual performance and achievement of corporate objectives, including the advancement of the exploration and development goals of the Company.

The Company's current compensation program is comprised of two major components: base salary or fees, and long term incentives such as stock options.

In making compensation decisions, the Board strives to find a balance between short-term and long-term compensation and cash versus equity incentive compensation. Base salaries or fees primarily reward recent performance and incentive stock options encourage NEOs and directors to continue to deliver results over a longer period of time and serve as a retention tool. The annual salary or fee for each NEO, as applicable, is determined by the Board based on the level of responsibility and experience of the individual, the relative importance of the position to the Company, the professional qualifications of the individual and the performance of the individual over time. The NEOs' performances and salaries or fees are to be reviewed periodically. Increases in salary or fees are to be evaluated on an individual basis and are performance and market-based. Compensation is not tied to performance criteria or goals such as milestones, agreements or transactions, and the Company does not use a "peer group" to determine compensation.

Pension Disclosure

The Company does not have any pension arrangements in place for the directors or NEOs.

The Plan is a "rolling stock option plan" which provides that, subject to the requirements of the TSXV, the aggregate number of Shares that may be issued pursuant to options granted under the Plan and existing options may not exceed 10% of the number of issued Shares of the Company at the time of the granting of options under the Plan. As at the date hereof, there are 625,000 options outstanding under the Plan.

The Plan is subject to the annual approval of the Company's Shareholders and the TSXV, and the rules of the TSXV. At the Meeting, Shareholders will be asked to ratify, confirm and approve the Plan. The following information is intended as a brief description of the Plan and is qualified in its entirety by the full text of the Plan, a copy of which is attached as Schedule C to this Information Circular. Capitalized terms not previously defined have the meanings in the Plan.

1. The Plan will be administered by the Board who will have the full authority and sole discretion to grant Options under the Plan to any Eligible Optionees.

10. The Company may withhold or request the applicable tax remittance from an Optionee when they exercise their Option.
11. Options granted to directors, employees or consultants will vest when granted unless determined by the Board on a case by case basis, other than Options granted to consultants performing investor relations activities, which will vest in stages over 12 months with no more than one quarter of the Options vesting in any three month period.
12. If an Optionee ceases to be a director, employee or consultant of the Company (other than by reason of death or termination of services for cause), or if an Optionee resigns, as the case may be, then any vested Options will expire within a reasonable time but will not exceed 12 months from the Cessation Date.
13. If a director, employee or consultant of the Company is terminated for cause, then any Option granted to the option holder will terminate immediately on the Cessation Date.
14. If an Optionee dies, the holder's lawful personal representatives, heirs or executors may exercise any Option granted to the holder that had vested and was exercisable on the date of death until the earlier of the expiry date and one year after the date of death of the holder.
15. If an Optionee conducting investor relations activities as a consultant ceases to be an Eligible Optionee, any options granted to such holder that were exercisable and had vested on the date of termination will be exercisable until the earlier of the expiry date and the date that is 30 days after the Cessation Date.
16. Options granted under the Plan shall not be assignable or transferable by an option holder.

The Plan provides that other terms and conditions may be attached to a particular option at the discretion of the Board.

At the Meeting, Shareholders will be asked to approve the following ordinary resolution (the “**Plan Resolution**”), which must be approved by at least a majority of the votes cast by Shareholders represented in person or by proxy at the Meeting who vote in respect of the Plan Resolution:

Company Personnel must act honestly and in good faith, with a view to the best interests of the Company. Company Personnel must avoid all situations in which their personal interests conflict with or might appear to conflict with their duties to the Company.

The Company's basic policy is that, though Company Personnel are entitled to privacy in their personal affairs, Company Personnel have a duty to be free of those outside interests, activities and influences which might impair the exercise of their independent judgment, fiduciary responsibility, initiative or efficiency in acting for the Company, or expose Company Personnel to legal liability or public criticism.

If a director or officer of the Company has a material interest, either directly or indirectly, in any transaction or agreement that the Company proposes to enter into, such director or officer shall comply with the applicable laws, rules and policies which govern "conflicts of interest" in connection with such transaction or agreement. In addition, such director or officer shall disclose in writing the nature and extent of such interest in advance of any related Board or committee meeting and shall recuse himself or herself from any meeting at which the matter is discussed.

A director or officer will be deemed to have a material interest in any transaction or agreement which the Company proposes to enter into if such transaction or agreement is with an entity in which the director or officer has a material financial interest (as defined below) or with which the director or officer has a "material relationship". A material relationship is a relationship which could be reasonably expected to interfere with the exercise of an individual's independent judgement and will be presumed to exist in the situations described in Section 1.4 of NI 52-110 – *Audit Committees* as they relate to the other entity, including where the individual is an employee or executive officer of the other entity with which the Company proposes to transact.

Other potential conflicts of interest are so varied that it is impracticable to establish universal criteria in this Code as to what constitutes a prohibited conflict of interest. Set forth below are examples of the types of situations which could indicate a conflict of interest:

- **Financial Interest:** Company Personnel and their families (including spouse, children or spouse equivalent residing together) shall not own, control or hold a material financial interest in any

business entity that does or seeks to do business with, or is in competition with the Company, unless prior written approval has been obtained from the Board of Directors in the case of directors or officers of the Company, or from the President and CEO in the case of all other Company Personnel, which approval shall only be given if it will not result in a detriment to the Company. A material financial interest will be presumed where ownership is in excess of 5% of the entity.

- ▶ **Outside Activities:** Company Personnel must ensure that any outside business or activity does not present a real or perceived conflict with the interests of the Company.
- ▶ **Outside Directorships:** Outside directorships are permitted with the approval of the Board in the case of officers, and with the approval of the President and CEO in the case of other employees. Any officer or employee accepting an approved outside directorship must ensure that such activity does not deprive the Company of the time and attention required of such officer or employee to perform his or her duties properly, and must be aware of any potential for conflicts with the interests of the Company.

XV. Fair Dealing

All customers, suppliers and independent contractors purchasing or furnishing goods and services must be dealt with fairly. Decisions to hire a subcontractor or source materials from a particular vendor must be made on the basis of objective criteria such as quality, reliability, technical experience, price, delivery, service and maintenance of adequate sources of supply.

Company Personnel shall not take unfair advantage of anyone, including the Company's security holders, customers, suppliers, competitors and employees, through manipulation, concealment, abuse of privileged information, misrepresentation of material facts or any other unfair-dealing practice.

XVI. Gifts and Entertainment

Company Personnel must be prudent in offering or accepting gifts (including tickets to sporting, recreational or other events) to or from a person or entity with which the Company does or seeks to do business.

Modest gifts, reasonable entertainment and other courtesies may be extended by appropriate Company Personnel to persons or entities doing business or otherwise having dealings with the Company if such activity can be justified to further the Company's best interests. No gift or entertainment should be of such value as to constitute a real personal enrichment of the recipient. Public scrutiny of the gift, entertainment or courtesy should not be embarrassing to or reflect unfavourably upon the Company or the recipient.

Company Personnel are prohibited from soliciting or receiving any gift, loan, reward or benefit from a supplier or other individual or entity that does or seeks to do business with, or is a competitor of, the Company. This prohibition does not extend to accepting modest gifts, favours or entertainment provided that no such gift, favour or entertainment is of such nature as might affect, or reasonably be thought by others to affect, the person's judgment or conduct in matters involving the Company.

XVII. Dealings with Officials

All dealings between Company Personnel and public or private officials must be conducted in a manner that will not compromise the integrity, or place in question, the reputation of the Company or such officials. No unlawful or otherwise improper payment or gift is to be made or offered with a view to assisting the Company in obtaining or retaining business, affecting the enactment or enforcement of any laws, or otherwise to obtain favours.

No employee or officer may offer improper payments when acting on behalf of the Company. Company funds must not be used to make payment or provide anything of value, directly or indirectly (through agents or otherwise), in money, property, services or any other form to a government official, political party or candidate for political office in consideration for the recipient agreeing to:

- ▶ exert influence to assist the Company in obtaining or retaining business or securing any advantage; or
- ▶ commit any act in violation of a lawful duty or otherwise influence an official act.

If Company Personnel are in doubt about the legitimacy of a payment, such situations should be immediately referred to the Chair of the Audit Committee.

XVIII. Community and Local Public Relations

Community and local public relations shall always be conducted with integrity and sensitivity to others with the intent to build an image that will facilitate the Company's ability to achieve its goals while providing cooperation and support to its neighbours and host governments, as appropriate. Where appropriate, the Company may provide physical and/or financial assistance, on a local basis, to develop a cooperative relationship with its neighbours by active involvement in public works, education, medical and health services and other non-political matters where the Company's resources can compliment local operations and activities.

XIX. Confidential Information

Confidential information is information that is not known to the general public and includes technical, commercial and financial information and all intellectual property of the Company.

Company Personnel must protect the confidentiality of information concerning the Company and its business activities, as well as that of companies having business dealings with the Company. Confidential information may not be given or released without proper authority and appropriate protection to anyone not employed by the Company or to Company Personnel who have no need for such information.

Company Personnel are prohibited from trading or encouraging others to trade in the securities of the Company where the person trading is in possession of material non-public information.

XX. Use of Corporate Assets and Opportunities

All Company Personnel are responsible for protecting the Company's assets against loss from unauthorized or improper use or disposition:

- ▶ **Use of Resources:** Resources, including Company time, materials, supplies, equipment, information, electronic mail and computer systems, are generally only to be used for Company purposes.
- ▶ **Use of Internet and Email:** Company computer resources and networks are provided for Company-related business purposes. Excessive personal use is inappropriate. Use of Company computer resources to view, retrieve or send sexually-related or pornographic messages or material, violent or hate-related messages or material, bigoted, racist or other offensive messages or other messages or material related to illegal activities is strictly prohibited.
- ▶ **Use of Company Name:** Company Personnel must not use their employment status to obtain personal gain from those doing or seeking to do business with the Company. Company Personnel may not use the Company's name or purchasing power to obtain personal discounts or rebates unless the discounts are made available to all Company Personnel.
- ▶ **Patents and Inventions:** Inventions, discoveries and patented or copyright material, made or developed by Company Personnel in the course of, and relating to, their employment with the Company are the property of the Company unless a written release is obtained or covered by contract.
- ▶ **Corporate Opportunities:** Company Personnel may not appropriate for themselves Company property or a business opportunity that has arisen through the use of Company property, information or by virtue of their position with the Company.

XXI. Health, Safety and Environment

The Company is committed to providing a safe and healthy working environment and protecting the public interest with standards and programs that meet or exceed industry standards and applicable government codes, standards and regulations in all jurisdictions in which it does business. All Company operations are to be conducted in a manner that protects the health and safety of Company Personnel and people in the communities where the Company operates. Employees must be aware of the safety issues and policies that affect their job, other employees and the community in general. Managers, upon learning of any circumstance affecting the health and safety of the workplace or the community, must act immediately to address the situation. Employees must immediately advise their managers of any workplace injury or any circumstance presenting a dangerous situation to them, other co-workers or the community in general, so that timely corrective action can be taken.

The Company is committed to sound environmental management. It is the intent of the Company to conduct itself in partnership with the environment and community at large as a responsible and caring corporate citizen. The Company is committed to managing all phases of its business in a manner that minimizes any adverse effects of its operations on the environment.

XXII. Employment Practices

The Company is committed to a workplace environment where Company Personnel are treated with dignity, fairness and respect. All Company Personnel have the right to work in an atmosphere that provides equal employment opportunities and is free of discriminatory practices and illegal harassment. The Company is committed to actions and policies to assure fair employment, including equal treatment in hiring, promotion, training, compensation, termination and corrective action and will not tolerate discrimination by its employees and agents.

The Company will not tolerate harassment of its employees, customers or suppliers in any form.

XXIII. Books and Records

The Company's books, records and accounts are to reflect accurately, fairly and in reasonable detail, all transactions in accordance with the highest standards of integrity and applicable accounting standards.

Appropriate records must be kept of all transactions and there are to be no cash funds, bank accounts, investments or other assets, which are either not recorded or inadequately recorded on the books. No payment is to be approved without adequate supporting documentation.

Business documents and records (voice, paper and electronic) are to be retained in accordance with applicable law and the Company's record retention practices.

Individuals and entities with whom the Company deals may request that commissions, service fees and other amounts be remitted to third persons or bank accounts in third countries. Such payments may only be made if: (i) the amount payable does not arise from artificial additions to normal pricing; (ii) payment is authorized in writing by the individual or entity earning the commission, fee or other amounts; (iii) payment is made to the same individual or entity to which it is owed or to an affiliate under common ownership, and (iv) payment will not violate applicable law.

Frank disclosure is to be made to all reasonable enquiries of the Company's auditors and legal advisors.

XXIV. Reporting Contraventions of the Code

Company Personnel are responsible for being aware of, understanding and complying with this Code. Company Personnel must promptly report any problems or concerns and any actual or potential violation of this Code. To do otherwise, will be viewed as condoning a violation of this Code.

There shall be no reprisal or other action taken against any Company Personnel who, in good faith, bring forward concerns about actual or potential violations of laws or the Code. Anyone engaging in any form of retaliatory conduct will be subject to disciplinary action, which may include termination.

Problems and concerns, including any actual or potential violation of this Code, should be reported immediately in accordance with the Company's Whistleblower Policy. Reports may be made anonymously.

XXV. Consequences of Violating this Code

Failure to comply with this Code will be considered by this Company to be a very serious matter. Depending on the nature and severity of the violation, disciplinary action may be taken by the Company, up to and including termination. In addition, the Company may make claims for reimbursement of losses or damages and may refer this matter to the authorities. Anyone who fails to report a violation upon discovery or otherwise condones the violation of this Code may also be subject to disciplinary action.

SCHEDULE B

CORPORATE GOVERNANCE POLICIES

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company.

National Policy 58-201 *Corporate Governance Guidelines* (“**NP 58-201**”) establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices and feels that the Company’s corporate governance practices are appropriate and effective for the Company given its current size.

Pursuant to NI 58-101 the Company is required to disclose its corporate governance practices, which are summarized below.

Composition of the Board

The Board is currently composed of Bryce Clark, Marsha Panar, John Ostler and Dwayne Yaretz. NP 58-201 suggests that the board of directors of a public company should be constituted of a majority of individuals who qualify as “independent” directors. An “independent” director is a director who is independent of management and is free from any interest and any business or other relationship which could, or could reasonably be perceived to materially interfere with the director’s ability to act with a view to the best interests of the company, other than interests and relationships arising from shareholding.

Marsha Panar is considered by the Board to be “independent” within the meaning of NI 58-101. Dwayne Yaretz and Bryce Clark are executive officers of the Company and John Ostler has an interest in the Hot Agreement and accordingly are considered to be “non-independent”.

Board Mandate

The Board plans to meet for formal board meetings on an as needed basis to review and discuss the Company’s business activities and to consider and if thought fit, to approve matters presented to the Board for approval, and to provide guidance to management. In addition, management will informally provide updates to the Board at least once per quarter between formal meetings. In general, management consults with the Board when deemed appropriate to keep it informed regarding the Company’s affairs.

The Board will facilitate the exercise of independent supervision over management through these various meetings. At present, the Board does not have any formal committees other than its Audit Committee.

When necessary, the Board will strike a special committee of independent directors to deal with matters requiring independence. The composition of the Board is such that the independent directors have experience in business affairs and, as a result, these directors are able to provide independent supervision over management.

In the event of a conflict of interest at a meeting of the Board, the conflicted director will in accordance with corporate law and in accordance with his/her fiduciary obligations as a director of the Company, disclose the nature and extent of the interest to the other directors and abstain from voting on any matter in which the conflicted director has declared an interest.

Directorships

The following table lists the directorships of other reporting issuers that are held by the directors as at the date of this Information Circular:

Director Name	Name of Reporting Issuer	Market	Position(s) Held with Issuer
Bryce Clark	Mucho Cobre Resources Ltd.	N/A	Director and Officer
John Ostler	None		
Marsha Panar	None		
Dwayne Yaretz	None		

Orientation and Continuing Education

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the Board.

Ethical Business Conduct

The Board has adopted a Code of Business Conduct and Ethics on October 15, 2013 (the “**Code**”) to monitor the ethical conduct of the Company and ensure that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Code governs the fiduciary duties placed on individual directors as well as the restrictions on the individual director's participation in decisions of the Board in which the director has an interest, in compliance with the Company's governing corporate legislation and the common law to ensure that the Board operates independently of management and in the best interests of the Company. A copy of the Code is included with the Audit Committee Charter which is attached to this Information Circular as Schedule A.

Nomination of Directors

The Board does not have a nominating committee. The full Board will be involved in nomination of new candidates for Board positions. Board members will be asked for recommendations of people that they know of or have heard of that would contribute to the success of the Company if added to the Board.

Compensation

The Company does not have a compensation committee as the Board is responsible for determining all forms of compensation, including long-term incentive in the form of stock options, to be granted to the senior officers and directors of the Company. The independent Board members review the compensation of the senior officers to ensure that it is competitive and to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its senior officers, the Board considers: (i) recruiting and retaining executives critical to the success of

the Company and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Company's shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general.

Board Committees

The Board has no committees other than the Audit Committee. See “Audit Committee Disclosure.”

Assessments

Any committee of the Board and individual directors will be assessed on an ongoing basis by the Board. The Board has not, as yet, adopted formal procedures for assessing the effectiveness of the Board, its committees or individual directors.

- 6.2 Disinterested Shareholder approval will be obtained for any reduction in the exercise price if the Optionee is an Insider of Xander at the time of the proposed amendment.

ARTICLE 7

PERIOD OF OPTION, RIGHTS TO EXERCISE AND WITHHOLDING TAXES

- 7.1 Subject to the provisions of this Article 7 and Articles 8, 9 and 10 below, Options will be exercisable in whole or in part, and from time to time, during the currency thereof. Options can be exercisable for a maximum of ten years from the date of grant. The Common Shares to be purchased upon the exercise of any Option ("**Option Shares**") shall be paid for in full at the time of such exercise. Except as provided in Articles 9 and 10 below, no Option may be exercised unless the Optionee is at the time of exercise an Eligible Optionee.
- 7.2 Should the expiry date of an Option fall within a Black Out Period or within nine business days following the expiration of a Black Out Period, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the tenth business day after the end of the Black Out Period, such tenth business day to be considered the expiry date for such Option for all purposes under the Plan. The ten business day period referred to in this paragraph may not be extended by the Board. "Black Out Period" means the period during which the relevant Optionee is prohibited from exercising an Option due to trading restrictions imposed by Xander pursuant to any policy of Xander respecting restrictions on trading that is in effect at that time.
- 7.3 The exercise of an Option will be subject to the policies, procedures and conditions adopted by the Board from time to time to comply with Xander's obligations imposed under any law or

regulation of any governmental authority whatsoever, including, without limitation, Xander's withholding, remittance and other funding liabilities under applicable tax law.

- 7.4 Xander shall have the authority to deduct and withhold, or require the Optionee to remit to Xander, the amount of any taxes or other required source deductions which Xander is required by law or regulation of any governmental authority whatsoever to remit in connection with any issuance of shares upon the exercise of options (the "**Tax Obligation**"), which amount will be determined by Xander in its sole discretion. Without limiting the generality of the foregoing, and unless otherwise prohibited by the Board or by applicable law, Xander may fund the Tax Obligation by any of the following methods or by a combination of such methods as determined by Xander in its sole discretion:
- (a) require, as a condition of the issuance of Option Shares to an Optionee, that the Optionee make, in addition to the exercise price for the Options, a cash payment to Xander equal to the Tax Obligation and Xander, in its sole discretion, may withhold the issuance or delivery of Option Shares until the Optionee makes such payment;
 - (b) elect, in its sole discretion, to withhold from the Option Shares being issued upon exercise of the Options such number of Option Shares as Xander determines are required to be sold by Xander, as trustee, to satisfy the Tax Obligation (net of selling costs). The Optionee consents to such sale and grants to Xander an irrevocable power of attorney to effect the sale of such Option Shares and acknowledges and agrees that Xander does not accept responsibility for the price obtained on the sale of such Option Shares;
 - (c) withhold from any cash payment otherwise due by Xander to the Optionee, including salaries, directors fees, consulting fees and any other forms of remuneration, such amount of cash as is required to pay and satisfy the Tax Obligation; or
 - (d) make such other arrangements satisfactory to the Optionee and Xander.
- 7.5 The Optionee (or their beneficiaries) shall be responsible for any taxes or other required source deductions which Xander is required by law or regulation of any governmental authority whatsoever with respect to any Options granted or exercised under the Plan.
- 7.6 Neither the Board nor Xander makes any representations or warranties of any nature or kind whatsoever to any person regarding the tax treatment of Options or payments on account of the Tax Obligation made under the Plan and none of the Board, Xander, nor any of its employees or representatives shall have any liability to an Optionee (or its beneficiaries) with respect thereto.

ARTICLE 8

VESTING RESTRICTIONS

- 8.1 Except as otherwise provided for in this section, vesting restrictions, if any, for all Options granted pursuant to this Stock Option Plan will be determined at the discretion of the Board at the time of the grant in accordance with the policies of the Exchange. Vesting restrictions shall be required in the case of options issued to Consultants performing Investor Relations Activities;

the vesting period must be at least 12 months with no more than 1/4 of the options vesting in any three month period.

8.2 If the Board wishes to alter the vesting periods of any particular Option granted to an Optionee, it may fix the vesting of that Option before or after its grant in such manner as it determines in its sole discretion, provided such alterations are in compliance with Exchange Policies.

8.3 If a bonafide offer (an “Offer”):

- (a) is made to all shareholders of Xander for Common Shares, which Offer, if accepted in whole or in part, would result in the offeror becoming a control person of Xander, within the meaning of subsection 1(1) of the **Securities Act** (British Columbia);
- (b) is made for all or substantially all of the assets of Xander (as such concept is interpreted under the *Business Corporations Act* (British Columbia)); or
- (c) is made for a proposed transaction which a majority of the Board determines is reasonably likely to have a similar effect as either of the transactions referred to in subparagraph (a) or (b) above;

then Xander shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer. Subject to Exchange approval, any Options that may not be fully vested shall become vested on the date of Exchange approval. Such Options may be exercised in whole or in part by the Optionee so as to permit the Optionee to tender or to vote, as applicable, the Option Shares received upon such exercise, pursuant to the Offer. If:

- (d) the Offer is not completed within the time specified therein;
- (e) the Optionee does not tender the Option Shares pursuant to the Offer, if applicable;
- (f) all of the Option Shares tendered by the Optionee pursuant to the Offer are not taken up or paid for by the offeror in respect thereof; or
- (g) the sale or reorganization does not close in accordance with its terms,

then the Option Shares received upon such exercise, or in the case of clause (f) above, the Option Shares that are not taken up and paid for, shall be returned by the Optionee to Xander and reinstated as authorized but unissued Common Shares and with respect to such returned Option Shares, the Option shall be reinstated as if it had not been exercised and the terms upon which such Option Shares were to become vested pursuant to paragraph 8.1 shall be reinstated. If any Option Shares are returned to Xander under this paragraph 8.3, Xander shall immediately refund the exercise price to the Optionee for such Option Shares. In no event shall the Optionee be entitled to sell the Option Shares otherwise than pursuant to the Offer (in the case of an Offer pursuant to paragraph 8.3(a) hereof) or to sell the Option Shares prior to the closing of any transaction (in the case of an Offer pursuant to paragraph 8.3(b) or (c) hereof).

ARTICLE 9
CESSATION OF SERVICES

- 9.1 If an Optionee ceases to be an Eligible Optionee for any reason (except as provided in sections 9.2, 9.4, 9.5 or 9.6 of this Article or in Article 10), the Options held by the Optionee will expire within a reasonable period following the Cessation Date (the “**Post Cessation Date Exercise Period**”), which period shall be determined by the Board but, in any event, shall not exceed twelve (12) months following the Cessation Date. The Optionee shall only be entitled to exercise Options which have vested at the Cessation Date. If a Post Cessation Date Exercise Period is not set out in an option agreement, the Board shall determine the Post Cessation Date Exercise Period and Xander shall provide notice to the Optionee of the Post Cessation Date Exercise Period within five (5) business days of the Cessation Date. Notwithstanding the foregoing, in no event shall an Optionee be entitled to exercise any Options beyond the Expiry Date of the Optionee’s Option.
- 9.2 If an Optionee ceases to be an Eligible Optionee for cause, no Option held by such Optionee may be exercised following the Cessation Date.
- 9.3 An Optionee ceases to be an Eligible Optionee if the Optionee’s employment has been terminated by Xander or a Subsidiary of Xander:
- (a) other than for cause, either:
 - (i) on the day specified by Xander or such Subsidiary in writing to the Eligible Optionee as being the last day on which the Eligible Optionee is to report for work for Xander or a Subsidiary of Xander; or
 - (ii) if such Eligible Optionee is given pay in lieu of advance notice of a pending effective date of termination, on the day on which such notice of termination is given in writing by Xander or such Subsidiary to the Eligible Optionee and
 - (b) for cause, on the day on which the notice of termination was given.
- 9.4 If an Optionee ceases to be an Eligible Optionee by reason of death of the Optionee during the currency of the Optionee’s Option, the Optionee’s legal personal representative may, within the period of one year after the Cessation Date and in no event after the expiry date of the Option, exercise any Options vested at the Cessation Date. Before expiry of an Option under this paragraph 9.4, Xander shall notify the Optionee’s legal personal representative in writing of such expiry.
- 9.5 If an Optionee conducting Investor Relations Activities ceases to be an Eligible Optionee, Option held by such Optionee that were vested at the Cessation Date may be exercised for a period of 30 days following the Cessation Date.
- 9.6 Notwithstanding the provisions set out in paragraph 9.1, if a Change of Control or Change of Management occurs and if an Optionee ceases to be an Eligible Optionee as a result of the Change of Control or Change of Management, the Optionee may, within the period of ninety days after the Cessation Date and in no event after the Expiry Date of the Optionee’s Option, exercise any Options which were vested at the Cessation Date. Notwithstanding Article 8 and

any vesting provisions set out in any agreement relating to the Option, subject to regulatory approval, all Options held by the Optionee shall immediately become vested on the Cessation Date and shall become fully exercisable.

ARTICLE 10 EXTENSION OF OPTION

- 10.1 Notwithstanding the provisions of Article 9, the Board may extend the period of time within which an Option held by an Optionee who has ceased to be an Eligible Optionee may be exercised but, in any event, such an extension shall not be granted beyond the earlier of the original Expiry Date of the Option or twelve (12) months following the date that the Optionee ceases to be an Eligible Optionee. Any extensions of Options granted under this Stock Option Plan are subject to applicable regulatory approval.

ARTICLE 11 GRANT OF MULTIPLE OPTIONS

- 11.1 The grant of an Option to any Eligible Optionee shall not prevent the Board from granting further Options to the same Eligible Optionee and any such further grant of an Option shall, for the purposes of Article 3, be treated as a separate Option.

ARTICLE 12 NON-TRANSFERABILITY OF OPTIONS

- 12.1 No Option granted under the Stock Option Plan shall be transferable or assignable by an Optionee, or subject to any other alienation, sale, pledge or encumbrance, otherwise than by will or by the laws of descent and distribution, and, therefore, such Option shall be exercisable, during an Optionee's lifetime, only by the Optionee.

ARTICLE 13 ADJUSTMENTS IN SHARES SUBJECT TO PLAN

- 13.1 Following the date an Option is granted, the exercise price for and the number of Option Shares which are subject to an Option will be adjusted, with respect to the then unexercised portion thereof, in the events and in accordance with the provisions and rules set out in this Article 13, with the intent that the rights of Optionees under their Options are, to the extent possible, preserved notwithstanding the occurrence of such events. Any dispute that arises at any time with respect to any adjustment pursuant to such provisions and rules will be conclusively determined by the Board, and any such determination will be binding on Xander, the Optionee and all other affected parties.
- 13.2 If the outstanding Common Shares are changed into or exchanged for a different number of shares or into or for other securities of Xander or securities of another company or entity, whether through an arrangement, amalgamation or other similar procedure or otherwise, or a share recapitalization, subdivision or consolidation, then on each exercise of the Option which occurs following such events, for each Option Share for which the Option is exercised, the Optionee shall instead receive the number and kind of shares or other securities of Xander or other company into which such Option Share would have been changed or for which such Option Share would have been exchanged if it had been outstanding on the date of such event

and the exercise price will be similarly adjusted so that the aggregate price to exercise the Option is preserved.

- 13.3 If the outstanding Common Shares are changed into or exchanged for a different number of shares or into or for other securities of Xander or securities of another company or entity, in a manner other than as specified in paragraph 13.2, then the Board, in its sole discretion, may make such adjustment to the securities to be issued pursuant to any exercise of the Option and the exercise price to be paid for each such security following such event as the Board in its sole and absolute discretion determines to be equitable to give effect to the principle described in paragraph 13.1, and such adjustments shall be effective and binding upon Xander and the Optionee for all purposes.

ARTICLE 14 AMENDMENT OF THE PLAN

- 14.1 The Board of Directors may amend or terminate this Stock Option Plan or any outstanding Option granted hereunder at any time without the approval of the shareholders of Xander or any Optionee whose Option is amended or terminated, in order to conform this Stock Option Plan or such Option, as the case may be, to applicable law or regulation or the requirements of the Exchange or any relevant regulatory authority, whether or not such amendment or termination would affect any accrued rights, subject to the approval of the Exchange or such regulatory authority.
- 14.2 The Board of Directors may amend or terminate this Stock Option Plan or any outstanding Option granted hereunder for any reason other than the reasons set forth in paragraph 14.1 hereof, subject to the approval of the Exchange or any relevant regulatory authority and the approval of the shareholders of Xander if required by the Exchange or such regulatory authority. No such amendment or termination will, without the consent of an Optionee, alter or impair any rights which have accrued to him prior to the effective date thereof.
- 14.3 The Stock Option Plan, and any amendments thereto, shall be subject to acceptance and approval by the Exchange. Any Options granted prior to such approval and acceptance shall be conditional upon such approval and acceptance being given and no such Options may be exercised unless and until such approval and acceptance are given.
- 14.4 Subject to the prior approval of the Exchange and/or any other applicable regulatory authority, the Board may at any time supersede and replace the Stock Option Plan with a new stock option plan (a "**New Plan**"). If a New Plan is adopted in place of the Stock Option Plan, such New Plan may provide that all Options granted under the Stock Option Plan which are outstanding as of the date of adoption of the New Plan shall thereafter be governed by the New Plan; provided, however, that no amendment of the Stock Option Plan, or termination of the Stock Option Plan and adoption of a New Plan, may adversely affect the rights under any Option granted prior to such action without the consent of the Optionee.

ARTICLE 15 EVIDENCE OF OPTIONS

- 15.1 A written agreement will be entered into between Xander and each Optionee to whom an Option is granted hereunder, which agreement will set out the number of Common Shares

subject to Option, the exercise price, provisions as to vesting (if any) and the expiry date, and any other terms approved by the Board, all in accordance with the provisions of this Stock Option Plan. The agreement will be in such form as the Board may from time to time approve, or authorize the officers of Xander to enter into, and may contain such terms as may be considered necessary in order that the Option will comply with this Stock Option Plan and any regulatory body having jurisdiction over Xander.

ARTICLE 16

EXERCISE OF OPTION

- 16.1 Subject to the provisions of the Stock Option Plan and the particular Option, an Option may be exercised from time to time by delivering to Xander at its registered office a written notice of exercise specifying the number of Common Shares with respect to which the Option is being exercised and accompanied by payment for the full amount of the purchase price of the Common Shares then being purchased.
- 16.2 The full purchase price of Common Shares purchased under the Option must be paid in lawful money of Canada or by certified cheque made payable to Xander.
- 16.3 Subject to the provisions of the Stock Option Plan and the particular Option, upon receipt of a treasury order of an authorized officer directing the issue of Common Shares purchased under the Stock Option Plan, the transfer agent is authorized and directed to issue and countersign share certificates for the Option Shares in the name of such Optionee or the Optionee's legal personal representative or as may be directed in writing by the Optionee's legal personal representative.

ARTICLE 17

RIGHTS PRIOR TO EXERCISE

- 17.1 An Optionee shall have no rights whatsoever as a shareholder in respect of any of the Option Shares (including any right to receive dividends or other distributions therefrom or thereon) other than in respect of Option Shares in respect of which the Optionee shall have exercised the Option to purchase hereunder and which the Optionee shall have actually taken up and paid for.

ARTICLE 18

GOVERNING LAW

- 18.1 This Stock Option Plan shall be construed in accordance with and be governed by the laws of the Province of British Columbia and shall be deemed to have been made in said Province, and shall be in accordance with all applicable securities laws.

ARTICLE 19

EXPIRY OF OPTION

- 19.1 On the expiry date of any Option granted under the Stock Option Plan, and subject to any extension of such expiry date permitted in accordance with the Stock Option Plan, such Option shall forthwith expire and terminate and be of no further force or effect whatsoever as to such of the Option Shares in respect of which the Option has not been exercised.

ARTICLE 20
EFFECTIVE DATE OF THE PLAN

- 20.1 This Stock Option Plan shall become effective as of and from, and the effective date of the Plan shall be May 31, 2012, upon receipt of all necessary shareholder and regulatory approvals.
