VAL D'OR EAST DRILL PERMITS APPROVED TO DRILL SENNEVILLE CLAIM GROUP STOCK OPTIONS GRANTED

Vancouver, British Columbia / December 29, 2020 - (TSXV:XND) (FSE:1XI) (OTCQB: XNDRF) (“Xander” or the “Company”) is pleased to announce that Drill permits for 9 holes has been filed and approved by the Quebec Government for the Senneville Claim Group in Val-d’Or East. The Val-d’Or Senneville Claims comprises of over **90 sq. km** and is contiguous to **Probe Metals** new discovery, contiguous to **Monarch Gold** and in close proximity to **QMX Gold** projects.

Xander’s Senneville Claim Groups are located in the eastern part of the **Abitibi Greenstone Belt**, about 25 km northeast of the gold mining center of Val-d’Or, which extend from the Lacorne Batholith in the west to the contact area of the **Pascalis Batholith in the east**, contiguous to **Probe Metals new discovery**. (Probe Metal press release Oct. 28, 2020)

The Company is permitted to drill 9 holes totaling over 3,000 meters in its upcoming drilling campaign to confirm the successful drilling program done on the property in 2012. The sites are just off Route 397 Nord and 22 km North of Val-d’Or, Quebec. **Gold-bearing zones in this area** are associated with shear zones, faults, tension fractures and tectonic breccias and generally associated with syn-volcanic intrusions (ref: GM68366 garden island report page 24 (section deposit type))

Drill pads will be set shortly and Xander has retained Magnor Exploration Inc. to conduct the drilling program which is scheduled to commence as soon as logistics and COVID rules permit.

Drilling will follow up on the underexplored area along the strike trend of the 2012 program reported in the Company’s press release dated November 19, 2020.
