MANAGEMENT INFORMATION CIRCULAR**

GENERAL INFORMATION RESPECTING THE MEETING

Solicitation of Proxies

This management information circular (the “Circular”) of Inventus Mining Corp. (the “Corporation”) is furnished in connection with the solicitation of proxies by the management of the Corporation for use at the annual meeting (the “Meeting”) of the shareholders (the “Shareholders”) of the Corporation to be held at 10:00 a.m. (Eastern Daylight Time) on June 13, 2019 at 150 King St. West, Suite 2800, Toronto, Ontario M5H 1J9, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders (the “Notice”). References in the Circular to the Meeting include any adjournment(s) or postponement(s) thereof. It is expected that the solicitation of proxies will be primarily by mail, however, proxies may also be solicited by the officers, directors and employees of the Corporation by telephone, email, or personally. These persons will receive no compensation for such solicitation other than their regular fees or salaries. The cost of soliciting proxies in connection with the Meeting will be borne directly by the Corporation.

The board of directors of the Corporation (the “**Board**” or the “**Board of Directors**”) has fixed the close of business on May 3, 2019 as the record date, being the date for the determination of the registered Shareholders entitled to receive notice of, and to vote at, the Meeting. The Board has resolved that duly completed and executed proxies must be received by the Corporation’s registrar and transfer agent TSX Trust Company (“**TSX Trust**”), Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1, by mail; or by fax: 416-595-9593 or online at www.voteproxyonline.com, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournments or postponements thereof.

In this Circular, unless otherwise indicated, all dollar amounts “\$” are expressed in Canadian dollars.

Unless otherwise stated, the information contained in this Circular is as of May 9th, 2019.

Voting of Proxies

The common shares in the capital stock of the Corporation (“**Common Shares**”) represented by the form of proxy delivered to registered Shareholders (if same is properly executed and is received at the offices of TSX Trust at the address provided herein, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. In the absence of such specification, proxies in favour of management will be voted in favour of all resolutions described below. The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice and with respect to other matters which may properly come before the Meeting. At the time of the filing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person’s name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of TSX Trust, at the address provided herein, not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (i) completing and signing a proxy bearing a later date and depositing it at the offices of TSX Trust, Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1;
- (ii) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney either with TSX Trust, Suite 301, 100 Adelaide Street West, Toronto, Ontario M5H 4H1 at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (iii) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" or "beneficial" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary ("**Intermediary**") that the Non-Registered Shareholder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. ("**CDS**")) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Corporation will have distributed copies, via mail or electronically, of the Notice, this Circular, the form of proxy and a request card for interim and annual materials (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a "**voting instruction form**") which the Intermediary must follow. Typically, the voting instruction form will consist of a one page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in Canada and the United States. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered

Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Common Shares at the Meeting;** or

- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with TSX Trust at 100 Adelaide Street West, Suite 301, Toronto, Ontario M5H 4H1, Fax Number: 416-595-9593.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered and should contact their intermediaries promptly if they require assistance.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting.

Non-Registered Shareholders fall into two categories: those who object to their identity being made known to the issuers of securities which they own ("**Objecting Beneficial Owners**" or "**OBOs**") and those who do not object to their identity being made known to the issuers of the securities they own ("**Non-Objecting Beneficial Owners**" or "**NOBOs**"). Subject to the provisions of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), issuers may request and obtain a list of their NOBOs from intermediaries. Pursuant to NI 54-101, issuers may obtain and use the NOBO list in connection with any matter relating to the affairs of the issuer, including the distribution of proxy-related materials directly to NOBOs. The Corporation is not sending Meeting Materials directly to the NOBOs. The Corporation will use and pay intermediaries and agents to send the Meeting Materials and also intends to pay for intermediaries to deliver the Meeting Materials to the OBOs. Please return your voting instructions as specified in the request for voting instructions.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Other than as disclosed herein, no director or executive officer of the Corporation who has held such position at any time since the beginning of the Corporation's last financial year, each proposed nominee for election as a director of the Corporation, and associates or affiliates of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matters to be acted upon at the Meeting.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation’s executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation’s Chief Executive Officer, Chief Financial Officer, and, if applicable, its three most highly compensated individuals acting as, or in a like capacity as, executive officers of the Corporation whose total compensation for the most recently completed financial year was individually equal to more than \$150,000 (the “**NEOs**” or “**Named Executive Officers**”), during the Corporation’s most recently completed financial year, being the financial year ended December 31, 2018 (the “**Last Financial Year**”). The only NEOs of the Corporation during the Last Financial Year were: Stefan Spears, the Chairman and Chief Executive Officer of the Corporation and Carmelo Marrelli, the Chief Financial Officer of the Corporation, as set out in the summary compensation table below.

Compensation Committee

The compensation committee of the Board (“**Compensation Committee**”) is currently comprised of three directors, namely Mark Hall, Nils Engelstad, and Richard Sutcliffe all of whom are independent within the meaning of Canadian Securities Administrator’s National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”).

The Compensation Committee’s purpose is, among other things, to: (i) review and make recommendations to the Board at least annually regarding the Corporation’s remuneration and compensation policies, including short and

long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans (including the Corporation's incentive stock option plan) and grants, and benefit plans; (ii) have the sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention; (iii) review and approve at least annually all compensation arrangements with the senior executives of the Corporation; (iv) review and approve at least annually all compensation arrangements with the directors of the Corporation; and (v) review the executive compensation sections disclosed in the Corporation's management proxy circular distributed to the Shareholders in respect of the Corporations annual meetings of Shareholders.

Compensation Process

The Board relies on the knowledge and experience of the directors thereon and the members of the Compensation Committee to set appropriate levels of compensation for senior officers. Neither the Corporation nor the Board, nor the Compensation Committee currently has any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer compensation.

The Compensation Committee reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary, consulting fees and prior awards under the Corporation's stock option plan) and recommends to the Board the NEOs' compensation packages. The Compensation Committee's recommendations regarding NEO compensation are presented to the independent members of the Board for their consideration and approval.

Principles/Objectives of the Compensation Program

The primary goal of the Corporation's executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Corporation's senior officers is determined with regard to the Corporation's business strategy and objectives and financial resources, and with the view of aligning the financial interests of the senior officers with the financial interests of the shareholders of the Corporation.

Compensation Program Design and Analysis of Compensation Decisions

Standard compensation arrangements for the Corporation's senior officers are composed of the following elements, which are linked to the Corporation's compensation and corporate objectives as follows:

Compensation Element	Link to Compensation Objectives	Link to Corporate Objectives
Base Salary and/or Consulting Fees	Attract and Retain	Competitive pay ensures access to skilled employees necessary to achieve corporate objectives.
Stock Options	Motivate and Reward Align interests with shareholders	Long-term incentives motivate and reward senior officers to increase shareholder value by the achievement of long-term corporate strategies and objectives.

Performance and Compensation

The Corporation is an exploration stage mining company and does not expect to be generating revenues from operations in the foreseeable future. As a result, the use of traditional performance standards such as corporate profitability is not considered by the Board or Compensation Committee to be appropriate in the evaluation of corporate or NEO performance. The compensation of senior officers is based, in part, on trends in the mineral exploration industry as well as achievement of the Corporation's business plans. The Board did not establish any quantifiable criteria during the Last Financial Year with respect to base compensation payable or the amount of equity compensation granted to NEOs and did not benchmark against a peer group of companies.

Base Salaries and Consulting Fees

The Corporation provides senior officers with base salaries or consulting fees which represent their minimum compensation for services rendered or expected to be rendered. NEOs' base compensation depends on the scope of their experience, responsibilities, leadership skills, performance, length of service, generally industry trends and practices competitiveness, and the Corporation's existing financial resources. Base salaries are reviewed annually by the Compensation Committee.

Stock Options

The grant of options pursuant to the Corporation's stock option plan is an integral component of the compensation arrangements of the senior officers of the Corporation. The Board believes that the grant of options to senior officers and common share ownership by such officers serves to motivate such officers to strive towards achievement of the Corporation's long-term strategic objectives, which will benefit all shareholders of the Corporation. Options are awarded to employees of the Corporation by the Board, based on the recommendations of the Compensation Committee. Decisions with respect to options granted are based upon the individual's level of responsibility and their contribution towards the Corporation's goals and objectives, and additionally may be awarded in recognition of the achievement of a particular goal or extraordinary service. The Board considers the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of options and the size of such grants. During the Last Financial Year, based on the foregoing factors, the Board did not grant any options.

Compensation Risk Considerations

The Compensation Committee is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk taking. The Corporation believes the programs are balanced and do not motivate unnecessary or excessive risk taking. The Corporation does not currently have a policy that restricts directors or NEOs from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity. However, to the knowledge of the Corporation, as of the date of hereof, no director or NEO of the Corporation has participated in the purchase of such financial instruments.

Base salaries are fixed in amount thus do not encourage risk taking. While annual incentive awards focus on the achievement of short term or annual goals and short term goals may encourage the taking of short-term risks at the expense of long term results, the Corporation's annual incentive award program represents a small percentage of employee's compensation opportunities. Annual incentive awards are based on various personal and company-wide achievements. Such performance goals are subjective and include achieving individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities which would trigger the award of a bonus payment to the NEO. The determination as to whether a target has been met is ultimately made by the Board (after receiving recommendations of the Compensation Committee) and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Funding of the annual incentive awards is capped at the company level and the distribution of funds to the executive officers is at the discretion of the Compensation Committee.

Stock option awards are important to further align employees' interests with those of the Shareholders. The ultimate value of the awards is tied to the Corporation's stock price and since awards are staggered and subject to long-term vesting schedules, they help ensure that NEOs have significant value tied in long-term stock price performance.

On October 16, 2007 Affinor was issued a cease trade order by the Securities Commission of British Columbia (2007 BCSECCOM 626) and by l’Autorité des Marchés Financiers (decision: 2007-MC-2209 file: 14549) for failing to file financial statement and MD&A. Subsequently, Affinor was able to make the required filings and the cease trade orders were revoked on January 10, 2008 and March 7, 2008, respectively.

No individual set forth in the above table (or any personal holding company of any such individual) is, as of the date of this Circular, or has been within 10 years before the date of this Circular, a director or executive officer of any company (including the Corporation) that, while such individual was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable investor in making an investment decision.

Stock Option Plan Approval

The TSX Venture Exchange (the “TSX-V”) requires all listed companies with a 10% rolling stock option plan to obtain annual shareholder approval of such a plan. Shareholders will be asked at the Meeting to vote on a resolution to approve, for the ensuing year, the Plan.

On May 16, 2018 the text of the Plan was amended, so as to meet requirements of relevant TSX-V policies, to include an explicit statement that the Plan restricts the grant of options to Insiders of the Corporation within any 12 months period to such number that is less than ten percent (10%) of the issued and outstanding Common Shares (on a non-diluted basis) calculated at the date an option is granted to any Insider of the Corporation.

The Plan provides that the Board of Directors of the Corporation may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase Common Shares. The Plan provides for a floating maximum limit of 10% of the outstanding Common Shares as permitted by the policies of the TSX-V. As at the date hereof, this represents 11,030,107 Common Shares available under the Plan. According to the terms of the Plan, in any 12-month period, the number of Common Shares reserved for issuance to any individual officer, director or employee will not exceed five percent (5%) of the issued and outstanding Common Shares (on a non-diluted basis), and the number of Common Shares reserved for issuance to all consultants will not exceed two percent (2%) of the issued and outstanding Common Shares (on a non-diluted basis) and in the case of optionees that provide investor relations services to the Corporation, the aggregate number of options granted to such optionees shall not exceed two (2%) percent of the issued and outstanding Common Shares (on a non-diluted basis) at the time of the grant. The aggregate number of options granted under the Option Plan to Insiders of the Corporation (as that term is defined in the policies of the TSX-V as a group, within a 12-month period, cannot exceed ten percent (10%) of the issued

and outstanding Common Shares (on a non-diluted basis) calculated at the date an option is granted to any Insider of the Corporation.

Outstanding options to purchase a total of 6,677,500 Common Shares have been issued to directors, officers, employees and consultants of the Corporation and remain outstanding. As at the date hereof, the number of Common Shares remaining available for issuance under the Plan is 4,352,607.

Subject to earlier termination, all options granted under the Plan will expire not later than the date that is five years from the date of the grant. The exercise price of the options is determined by the board in accordance with the rules of the TSXV.

The full text of the Plan is attached as Appendix “B” to this Circular.

Shareholder Approval for the Plan

Shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution approving the Plan (the “**Stock Option Plan Resolution**”), which, to be effective, must be passed by not less than a majority of the votes cast by the holders of Common Shares present in person, or represented by proxy, at the Meeting.

The Board recommends that Shareholders vote FOR the Stock Option Plan Resolution. Unless the Shareholder has specifically instructed in the form of proxy or voting instruction form that the Common Shares represented by such proxy or voting instruction form are to be voted against the Stock Option Plan Resolution, the persons named in the proxy or voting instruction form will vote FOR the Stock Option Plan Resolution.

Other Matters

Management of the Corporation knows of no amendment, variation or other matter to come before the Meeting other than the matters referred to in the Notice of Meeting accompanying this Circular. However, if any other matter properly comes before the Meeting, the form of proxy furnished by the Corporation will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

STATEMENT OF CORPORATE GOVERNANCE

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently comprised of seven (7) directors being Stefan Spears, Doug Hunter, Robert Scott Heatherington, Mark Hall, Gary Nassif, Nils Engelstad, and Richard Sutcliffe. Messrs. Hunter, Heatherington, Hall, Nassif, Engelstad, and Sutcliffe are all independent within the meaning of NI 58-101. Mr. Spears is not independent as he is an officer of the Corporation and thereby has a “material relationship” with the Corporation.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

Other Public Company Directorships

The following members of the Board currently hold directorships in other reporting issuers as set forth below:

Name of Director	Name of Reporting Issuer	Market
Stefan Spears	Golden Predator Mining Corp. (TSX-V:GPY)	TSX-V
Richard Sutcliffe	Harte Gold Corp. (TSX:HRT)	TSX
Douglas Hunter	BTU Metals Corp. (TSX-V: BTU)	TSX-V
Gary Nassif	Argentum Silver Corp. (TSX-V: ASL)	TSX-V

Orientation and Continuing Education of Board Members

The Board is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board and its committees;
- the nature and operation of the business of the Corporation; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition, the Board is also responsible for providing continuing education opportunities to existing directors so that individual directors can maintain and enhance their abilities and ensure that their knowledge of the business of the Corporation remains current.

Ethical Business Conduct

The Board has adopted a written code of business conduct and ethics to encourage and promote a culture of ethical business conduct amongst the directors, officers and employees of the Corporation. Copies of the Code of Conduct are available upon written request from the Chief Executive Officer of the Corporation. The Board is responsible for ensuring compliance with the Corporation’s Code of Conduct. The Code of Conduct was adopted after the end of the Last Financial Year, and there have been no departures from the Corporation’s Code of Conduct since its adoption.

In addition to those matters which, by law, must be approved by the Board, the approval of the Board is required for:

- the Corporation’s annual business plan and budget;
- material transactions not in the ordinary course of business; and
- transactions which are outside of the Corporation’s existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

The Corporation believes that it has adopted corporate governance procedures and policies which encourage ethical behaviour by the Corporation's directors, officers and employees.

Nomination of Directors

The Board performs the functions of a nominating committee with responsibility for the appointment and assessment of directors. The Board believes that this is a practical approach at this stage of the Corporation's development and given the relatively small size of the Board.

While there are no specific criteria for board membership, the Corporation attempts to attract and maintain directors with business knowledge and a particular knowledge of mineral exploration and development or other areas (such as finance) which provide knowledge which would assist in guiding the officers of the Company. As such, nominations tend to be the result of recruitment efforts by management of the Company and discussions among the directors prior to the consideration of the board of directors as a whole.

When considering candidates for director, the Board takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- Personal qualities and characteristics, accomplishments and reputation in the business community;
- Current knowledge and contacts in the countries and/or communities in which the Corporation does business and in the Corporation's industry sectors or other industries relevant to the Corporation's business; and
- Ability and willingness to commit adequate time to Board and committee matters and be responsive to the needs of the Corporation.

The Board will periodically assess the appropriate number of directors on the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, or the size of the Board is expanded, the Board will consider various potential candidates for director. Candidates may come to the attention of the Board's current directors or management, stockholders or other persons. These candidates will be evaluated at regular meeting of the Board and may be considered at any point during the year.

Compensation

The Compensation Committee assists the Board in its oversight role with respect to (i) the Corporation's global human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Corporation, with special focus on management succession, development and compensation.

The Compensation Committee:

- reviews and makes recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans including the Plan and grants and benefit plans;
- has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention;
- reviews and approves at least annually all compensation arrangements with the senior executives of the Corporation;
- reviews and approves at least annually all compensation arrangements with the directors of the Corporation; and
- reviews the executive compensation sections disclosed in annual management proxy circular distributed to the shareholders in respect of the Corporation's annual meetings of shareholders.

Other Board Committees

The Board has no standing committees other than the Audit Committee and the Compensation Committee.

Assessments

The Board does not consider formal assessments useful, given the stage of the Corporation's business and operations. The Board conducts informal annual assessments of the performance of the Board as a whole, the committees of the Board, and each of the individual directors in order to satisfy itself that each is functioning effectively.

j) **"Stock Exchange"** shall mean TSX Venture Exchange, its successors, and such other stock exchange or market as may be prescribed by the Board on which the Shares are listed for trading or quoted.

2. **Purpose** The purpose of the Plan is to secure for the Corporation and its shareholders the incentive inherent in share ownership by officers, directors, employees and Consultants of the Corporation who, in the opinion of the Board, will be largely responsible for its future growth and success.

3. **Number of Shares and Lapsed Options** From time to time, Shares may be reserved by the Board, in its discretion, for Options under the Plan, provided that at the time of the grant: the total number of Shares so reserved for issuance by the Board shall not exceed ten (10%) percent of the issued and outstanding shares (on a non-diluted basis); the number of options granted to any one Consultant in any 12 month period shall not exceed 2% of the outstanding Shares; and the aggregate number of Shares so reserved for issuance to any one Optionee that is an officer, director or employee in any 12 month period shall not exceed five (5%) percent of the outstanding Shares (on a non-diluted basis). In the case of Optionees that provide investor relations services to the Corporation, the aggregate number of options granted to such Optionees shall not exceed two (2%) percent of the issued and outstanding Shares (on a non-diluted basis) at the time of the grant. The aggregate number of options granted under the Plan to Insiders of the Corporation (as that term is defined in the policies of the Stock Exchange) as a group, within a 12-month period, shall not exceed ten (10%) percent of the outstanding Shares (on a non-diluted basis) calculated at the date an option is granted to any Insider of the Corporation. The Shares so reserved by the Board under the Plan shall be authorized but unissued Shares.

Nothing contained herein shall restrict or limit or be deemed to restrict or limit the rights or powers of the Board in connection with any allotment and issuance of any options, rights or shares which were not allotted and issued hereunder. This Plan shall not restrict, limit or preclude the Board from granting options outside of this Plan to officers, directors, employees or Consultants of the Corporation or to any other person or entity.

4. **Eligibility and Participation** Options shall not be granted under this Plan to any person other than an Eligible Person. No Eligible Person shall have any claim or right to be granted Options under this Plan.

5. **Grant of Options** The Board shall, from time to time and in its sole discretion, determine the Eligible Persons to whom Options are to be granted under this Plan and may take into consideration the current and potential contributions of a particular Eligible Person to the success of the Corporation and such other factors which the Board deems proper and relevant.

Options shall be granted by the Board in accordance with this Plan to Eligible Persons in its sole discretion and shall be subject to such approvals as may be required by applicable law or any Stock Exchange upon which any securities of the Corporation are listed.

The grant of every Option hereunder and the terms thereof, including vesting provisions, if any, shall be made by written agreement between the Corporation and the Optionee, the provisions of which shall conform to the provisions of this Plan and shall be otherwise satisfactory to the Board in its sole discretion.

A grant of Options under the Plan shall not be construed as giving an Optionee any right to continue in the employment of the Corporation, nor shall it affect the right of the Corporation to terminate the employment of any Optionee.

6. **Exercise of Options** Unless the Board specifically determines otherwise, the Options granted to an Optionee may be exercised by the Optionee, in whole or in part, from time to time at the Optionee's discretion.

Provided however, that all Options that have not been exercised by the Optionee shall cease to be exercisable and shall expire upon the earliest of (i) the termination of employment, the termination of services or the services agreement in respect of a Consultant, or removal of the Optionee as a director or officer of the Corporation or its Affiliates for cause; (ii) ninety (90) days after the termination of employment, the termination of services or the services agreement in respect of a Consultant (except in the case of a Consultant providing investor relations services, in which case, the Options cease to be exercisable thirty (30) days after the termination of such services), or an Optionee ceasing to be an officer or director for reasons other than termination or removal for cause; (iii) the first anniversary of the death of the Optionee; and (iv) the fifth anniversary of the date on which the Option was granted, or such earlier date as the Board of Directors may deem appropriate in its sole discretion at the time the Option was granted but at no event, later than the tenth anniversary of the date on which the Option was granted.

The exercise of an Option will be contingent upon receipt by the Corporation of payment of the full exercise price of such Option. No Optionee or legal representative, legatee or distributee in respect of an Optionee shall be considered to be a holder of any Share subject to an Option, unless and until such Share has been fully paid for and issued upon the exercise of the Option.

7. **Taxes** The Corporation may require an Optionee, as a condition of exercise of an Option, to pay to or reimburse the Corporation for any taxes which are required to be withheld and remitted by it in respect of the exercise of such Option under any applicable laws.
8. **Effect of Take-over Bid** If a *bona fide* offer for Shares is made to an Optionee or to shareholders generally or to a class of shareholders which includes an Optionee, and the offer, if accepted in whole or in part by any person or persons, would result in the offeror exercising control over the Corporation within the meaning of applicable securities legislation, then the Corporation shall, immediately upon receipt of notice of the offer, notify each Optionee currently holding an Option of the offer, with full particulars thereof; whereupon such Option may be exercised by the Optionee so as to permit the Optionee to tender the Share received upon such exercise pursuant to the offer.
9. **Legends** Certificates for Shares issued upon exercise of Options shall bear such legend as may be required by applicable law or any Stock Exchange on which the Shares are listed for trading.
10. **Changes to Shares** Notwithstanding any other provision of this Plan, in the event of any change in the outstanding Shares of the Corporation by reason of any stock dividend, split, recapitalization, reclassification, amalgamation, merger, consolidation, combination or exchange of Shares or distribution of rights to holders of Shares or any other form of corporate reorganization whatsoever, an equitable adjustment shall be made to any Options then outstanding and the Exercise Price (or Prices) in respect of such Options. Such adjustments shall be made by the Board in its sole discretion and, subject to applicable law, shall be conclusive and binding for all purposes of the Plan.
11. **Necessary Approvals** The grant of Options, the obligation of the Corporation to sell and deliver Shares on the exercise of Options, and any amendments to the Plan or to the terms of an Option granted under this Plan, shall be subject to any approvals required by applicable law or any Stock Exchanges on which the Shares are listed for trading being obtained.
12. **Administration of the Plan** The Board may interpret the Plan and make all other determinations that it considers in its sole discretion to be necessary or advisable for the administration of the Plan. The Board may, in its sole discretion, prescribe, adopt, amend and rescind rules and regulations for carrying out and administering the Plan. The interpretation and construction of any provision of the Plan by the Board shall be final and conclusive. The administration of the Plan shall be the responsibility of the appropriate officers of the Corporation duly designated for the purposes thereof by the Board and all costs in respect thereof shall be paid by the Corporation.

13. **Amendments to Plan** Subject to obtaining the consent of applicable securities regulatory authorities in those circumstances where such consent is required, and shareholder approval in those circumstances where such approval is required to be obtained by any regulatory authority, the Board may amend, modify or terminate the Plan at any time if and when it considers it to be advisable to do so in its sole discretion, except with respect to any Option then outstanding under the Plan. Disinterested shareholder approval shall be required for any reduction in the exercise price of an Option if the Optionee is an Insider of the Corporation (as that term is defined by the Stock Exchange) at the time of the proposed amendment.
14. **No Undertaking or Representation** The Corporation makes no undertaking or representation as to the future value or price, or as to the listing on any Stock Exchange, of any Shares issued in accordance with the Plan.
15. **Assignability and Transferability** Options (and any rights thereunder) shall not be assignable or transferable otherwise than by will or pursuant to the laws of succession or descent and distribution, and, during the lifetime of an Optionee, shall only be exercisable by the Optionee.
16. **Compliance with Applicable Law** If any provision of the Plan or any Option contravenes any law or any order, policy, by-law or regulation of any regulatory body or Stock Exchange having jurisdiction or authority over securities of the Corporation or the Plan, then such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith.
17. **Enurement** The Plan shall enure to the benefit of, and be binding upon, the Corporation, its Affiliates and their respective successors and assigns. The Plan shall enure to the benefit of, and be binding upon, an Optionee and the personal representative of a deceased Optionee.
18. **Governing Law and Interpretation** The Plan shall be governed by and construed in accordance with the laws of the Province of Ontario and the federal laws of Canada applicable therein.
