Information set forth in this news release contains forward-looking statements. These statements relate to the completion of the Transaction, the expectations relating to officers, directors and insiders of Goldhills, among others, reflect management’s current estimates, beliefs, intentions and expectations; they are not guarantees of future performance. Goldhills cautions that all forward looking statements are inherently uncertain and that actual performance may be affected by a number of material factors, many of which are beyond Goldhills’ control. Such factors include, among other things: risks and uncertainties relating to Goldhills’ ability to resolve its issue with the property or obtain approvals for corrections to the Transaction, risks associated with future exploration activities on its properties and other risks and uncertainties. Accordingly, actual and future events, conditions and results may differ materially from the estimates, beliefs, intentions and expectations expressed or implied in the forward looking information. Except as required under applicable securities legislation, Goldhills undertakes no obligation to publicly update or revise forward-looking information.

The securities referred to in this news release have not been, nor will they be, registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United

States or to, or for the account or benefit of, U.S. persons absent U.S. registration or an applicable exemption from the U.S. registration requirements. This release does not constitute an offer for sale of, nor a solicitation for offers to buy, any securities in the United States.
