- (g) Filings: The Corporation will use commercially reasonable efforts to make all requisite filings, including filings with appropriate securities commissions and stock exchanges, if

any, in connection with the issue of the Common Shares hereunder. The Corporation will make all requisite filings, including filings under appropriate securities commissions to remain a reporting issuer in each of the provinces and territories of Canada in which it is currently a reporting issuer, or the equivalent thereof.

- (h) Shortfall: In the event of a Shortfall, the Corporation agrees to deliver by wire transfer to the Subscription Receipt Agent the amount of the Shortfall, pursuant to section 2.1(g).
- (i) Notice of Termination: In the event that (i) the Corporation delivers the Termination Notice, or (ii) if the Escrow Release Notice has not been provided in accordance with the provisions hereof at or prior to the Escrow Release Deadline, the Corporation shall send or cause to be sent to each Holder written notice advising of that fact and such notice shall be sent within two Business Days after the Termination Date.
- (j) Record Dates: Other than in connection with the Acquisition, the Corporation shall provide at least 21 days written notice to each Holder of any record date to be set or declared by the Corporation with respect to any meeting or written resolution of holders of Common Shares.
- (k) General Performance: The Corporation will perform and carry out all acts and things to be done by it as provided in this Indenture or in order to consummate the arrangements contemplated hereby.

- (m) Notices: Any notices or deliveries required to be provided to Holders hereunder shall be sent in accordance with the requirements of Section 12.2 to each Holder at the address of such holder appearing on the register of Subscription Receipts maintained hereunder.

## **5.2 Remuneration and Expenses of Subscription Receipt Agent**

The Corporation covenants that it will pay to the Subscription Receipt Agent from time to time reasonable remuneration for its services hereunder and will pay or reimburse the Subscription Receipt Agent upon its request for all reasonable expenses, disbursements and advances incurred or made by the Subscription Receipt Agent in the administration or execution of its duties hereunder (including the reasonable compensation and the disbursements of its counsel and all other advisers and assistants not regularly in its employ) both before any default hereunder and thereafter until all duties of the Subscription Receipt Agent hereunder shall be finally and fully performed, except for any expense, disbursement or advance that arises out of or results from the Subscription Receipt Agent's gross negligence, wilful misconduct or bad faith. Any amount owing hereunder and remaining unpaid after 30 days from the invoice date will bear interest at the then current rate charged by the Subscription Receipt Agent against unpaid invoices and shall be payable upon demand. This Section shall survive the resignation of the Subscription Receipt Agent and/or the termination of this Indenture.

## **5.3 Notice of Issue**

The Corporation will give written notice of and make all requisite filings respecting the issue of Underlying Shares and FT Shares, in such detail as may be required, to each securities commission, stock exchange or similar regulatory authority in each jurisdiction in Canada in which there is legislation or regulations

requiring the giving of any such notice in order that such issue of securities and the subsequent disposition of the securities so issued will not be subject to the prospectus requirements, if any, of such legislation or regulations.

#### **5.4 Securities Qualification Requirements**

If, in the opinion of Counsel to the Corporation any instrument is required to be filed with, or any permission is required to be obtained from, any governmental authority in Canada or any other step is required under any federal or provincial law of Canada before any Common Shares which a Holder is entitled to acquire pursuant to any Subscription Receipt may properly and legally be issued, the Corporation covenants that it will promptly take such required action.

#### **5.5 Performance of Covenants by Subscription Receipt Agent**

If the Corporation fails to perform any of its obligations under this Indenture, then the Corporation will notify the Subscription Receipt Agent in writing of such failure and upon receipt by the Subscription Receipt Agent of such notice, the Subscription Receipt Agent may notify the Holders of such failure or may itself perform any of such obligations capable of being performed by the Subscription Receipt Agent, but the Subscription Receipt Agent will have no obligation to perform said covenants or to notify the Holders or the Lead Underwriter of such performance by it. All amounts expended or advanced by the Subscription Receipt Agent in so doing will be repayable as provided in Section 5.2 hereof. No such performance, expenditure or advance by the Subscription Receipt Agent will relieve the Corporation of any default or of its continuing obligations hereunder.

#### **5.6 Enforceability of Subscription Receipts**

The Corporation covenants and agrees that it is duly authorized to create and issue the Subscription Receipts to be issued hereunder and that the Subscription Receipts, when issued and Authenticated as herein provided, will be valid and enforceable against the Corporation in accordance with the provisions hereof and the terms hereof and that, subject to the provisions of this Indenture, the Corporation will cause the Common Shares from time to time issued under this Indenture to be duly issued and delivered in accordance with the terms of this Indenture.

### **ARTICLE 6 DEPOSIT OF PROCEEDS AND CANCELLATION OF SECURITIES**

#### **6.1 Deposit of Escrowed Proceeds in Escrow**

The Corporation shall direct that the Lead Underwriter deliver the Escrowed Proceeds to the Subscription Receipt Agent on the Closing Date by way of electronic wire transfer in immediately available funds. The Subscription Receipt Agent shall immediately place such funds in a segregated account in accordance with the provisions of this Article 6. The Corporation acknowledges and agrees that it is a condition of the payment by HD Subscription Receiptholders of \$4.30 per HD Subscription Receipt therefor and the payment by FT Subscription Receiptholders of \$6.88 per FT Subscription Receipt therefor, that the Escrowed Funds are held by the Subscription Receipt Agent in accordance with the provisions of this Article 6. The Corporation further acknowledges and confirms that it has no interest in the Escrowed Funds unless and until the Escrow Release Notice is delivered to the Subscription Receipt Agent. The Subscription Receipt Agent shall retain the Escrowed Funds for the benefit of the Holders and, upon the delivery of the Escrow Release Notice to the Subscription Receipt Agent (at or before the Escrow Release Deadline),

retroactively for the benefit of the Corporation and the Lead Underwriter (except for the Pro Rata Interest payable to the Holders), in accordance with the provisions of this Article 6.

## 6.2 Investment of Escrowed Funds

- (a) Until released in accordance with this Indenture, the Escrowed Funds shall be kept segregated in the records of the Subscription Receipt Agent and shall be deposited in one or more segregated interest-bearing bank accounts to be maintained by the Subscription Receipt Agent designated as “Odyssey Trust Company as Subscription Receipt Agent for Li-FT Power Ltd.”, at one or more Canadian Schedule 1 chartered banks listed in Schedule I of the *Bank Act* (Canada) (each such bank, an “**Approved Bank**”). The parties hereto acknowledge and agree that the Subscription Receipt Agent will have acted prudently in depositing the funds at any Approved Bank, and that the Subscription Receipt Agent is not required to make any further inquiries in respect of any such bank. All interest shall be calculated daily and credited by the Subscription Receipt Agent to the Escrowed Funds within three Business Days of each month-end. The Subscription Receipt Agent may receive investment earnings in excess of or less than the interest payable pursuant to this Section, such earning being for the Subscription Receipt Agent’s benefit or at its risk, as applicable.
- (b) All amounts held by the Subscription Receipt Agent pursuant to this Indenture shall be held by the Subscription Receipt Agent for the benefit of the Holders and the delivery of the Escrowed Funds to the Subscription Receipt Agent shall not give rise to a debtor-creditor or other similar relationship between the Subscription Receipt Agent and the Holders. The amounts held by the Subscription Receipt Agent pursuant to this Indenture are the sole risk of the Holders and, without limiting the generality of the foregoing, the Subscription Receipt Agent shall have no responsibility or liability for any diminution of the Escrowed Funds which may result from any deposit made with an Approved Bank pursuant to this Section 6.2, including any losses resulting from a default by the Approved Bank or other credit losses (whether or not resulting from such a default) and any credit or other losses on any deposit liquidated or sold prior to maturity. The Corporation acknowledges, and the Lead Underwriter agrees that the Subscription Receipt Agent acts prudently in depositing the Escrowed Proceeds at any Approved Bank, and that the Subscription Receipt Agent is not required to make any further inquiries in respect of any such bank.
- (c) At any time and from time to time, the Corporation shall be entitled to direct the Subscription Receipt Agent by written notice (a) not to deposit any new amounts in any Approved Bank specified in the notice and/or (b) to withdraw all or any of the Escrowed Funds that may then be deposited with any Approved Bank specified in the notice and re-deposit such amount with one or more of such other Approved Banks as specified in the notice. With respect to any withdrawal notice, the Subscription Receipt Agent will endeavor to withdraw such amount specified in the notice as soon as reasonably practicable and the Corporation acknowledges and agrees that such specified amount remains at the sole risk of the Holders prior to and after such withdrawal.
- (d) For tax reporting purposes, all interest earned from the investment of the Escrowed Funds in any taxation year shall (i) to the extent such interest is distributed by the Subscription Receipt Agent to any person or entity pursuant to the terms of this Indenture during such taxation year, be allocated to such person or entity, and (ii) otherwise be allocated to the Corporation in the taxation year that it was earned, notwithstanding that no such amount

has been distributed. The parties hereto agree and acknowledge that: (i) no amount of interest shall be distributed to the Underwriters and the Subscription Receipt Agent, and (ii) any amount allocable to the Corporation is compensation for the Corporation processing the T5 Forms (and their provincial equivalent) to be filed with the Canada Revenue Agency (or its provincial equivalent) and provided to the relevant persons or entities in respect of the interest earned on the Escrowed Funds. The Holders and the Corporation agree to provide the Subscription Receipt Agent with their certified tax identification numbers and other forms, documents and information that the Subscription Receipt Agent may request in order to fulfill any tax reporting function.

- (e) Any bank charges and similar fees as well as losses, if any, on such investments shall be debited to the Escrowed Funds account(s) and constitute an expense of the Corporation incurred to earn the amounts allocable to it pursuant to Section 6.2(d).

### **6.3 Release of Escrowed Funds**

The Subscription Receipt Agent shall release the Escrowed Funds as follows:

- (a) Upon receipt of an Escrow Release Notice delivered to the Subscription Receipt Agent prior to the Termination Date in accordance with Section 4.1(b), the Subscription Receipt Agent shall as soon as practicable:
  - (i) release an amount of the Escrowed Funds equal to 50% of the Underwriters' Fee, to the Lead Underwriter on behalf of the Corporation and pursuant to the Underwriting Agreement;
  - (ii) release an amount of the Pro Rata Interest to each Holder (less any withholding tax required by applicable law to be withheld in respect thereof); and
  - (iii) release the balance of the Escrowed Funds to the Corporation (or as the Corporation may direct), less an amount payable to the Subscription Receipt Agent by the Corporation equal to its reasonable fees for services rendered and disbursements incurred.
- (b) In the event that: (i) a Termination Notice is delivered to the Subscription Receipt Agent, or (ii) the Escrow Release Notice has not been received by the Subscription Receipt Agent prior to the Escrow Release Deadline, the Subscription Receipt Agent shall, within three Business Days of the Termination Date, mail or deliver, or cause to be mailed or delivered, to each Holder a cheque or other acceptable payment method in the amount payable at the address of such Holder on the register of Holders, such payment being the Holders' *pro rata* share of the Escrowed Funds (less any withholding tax required by applicable law to be withheld in respect thereof), in addition to the Shortfall, if, as and when released from the Corporation as provided for in Section 2.1(g). Upon receipt of the wire or delivery of the cheque (provided such cheque has been honoured for payment), all rights evidenced by the Subscription Receipts held by a Holder shall be satisfied and such Subscription Receipts shall be void and of no further value or effect. The amounts paid to each Subscription Receiptholder under this Section shall be satisfied by the Escrowed Funds. The obligation to make the payment of the amounts specified in this Section shall be satisfied, in the case of CDS Subscription Receipts, by wire transfer of immediately available funds made by the Subscription Receipt Agent to the Depository or otherwise by

the Subscription Receipt Agent mailing cheques payable to the Subscription Receiptholders at their registered addresses.

#### **6.4 Escrowed Funds Held**

In addition to the other rights granted to Holders in this Indenture, until the earlier of the Termination Date and the Escrow Release Date, each Holder has a claim against the Escrowed Funds held by the Subscription Receipt Agent and against the Corporation, in the amount equal to \$4.30 for each HD Subscription Receipt held by such Holder and \$6.88 for each FT Subscription Receipt held by such Holder, which claim shall subsist until such time as the Underlying Shares or FT Shares, as applicable, issuable upon the conversion of HD Subscription Receipts or subscription pursuant to the FT Subscription and Renunciation Agreement are issued or such amount is paid in full. In the event that, prior to the earlier of the Termination Date and the first Business Day following the Escrow Release Date, the Corporation (i) makes a general assignment for the benefit of creditors or any proceeding is instituted by the Corporation seeking relief on behalf thereof as a debtor, or to adjudicate the Corporation a bankrupt or insolvent, or seeking liquidation, winding-up, reorganization, arrangement, adjustment or composition of the Corporation or the debts of the Corporation under any law relating to bankruptcy, insolvency, reorganization or relief of debtors, or seeking appointment of a receiver, receiver and manager, trustee, custodian or similar official for the Corporation or any substantial part of the property and assets of the Corporation or the Corporation takes any corporate action to authorize any of the actions set forth above, or (ii) the Corporation shall be declared bankrupt, or a receiver, receiver and manager, trustee, custodian or similar official is appointed for the Corporation or any substantial part of its property and assets, the Corporation or an encumbrancer shall legally take possession of any substantial part of the property or assets of the Corporation or a distress or execution or any similar process is levied or enforced against such property and assets and remains unsatisfied for such period as would permit such property or such part thereof to be sold thereunder, the right of each Holder to be issued the Underlying Shares upon the conversion of the HD Subscription Receipts or FT Shares pursuant to subscription under the FT Subscription and Renunciation Agreement will terminate and such holder will be entitled to assert a claim against the Escrowed Funds held by the Subscription Receipt Agent and against the Corporation for any shortfall, in an amount equal to \$4.30 for each HD Subscription Receipt held by such Holder and \$6.88 for each FT Subscription Receipt held by such Holder plus Interest earned thereon less any withholding tax required by applicable law to be withheld in respect thereof.

#### **6.5 Representation Regarding Third Party Interests**

Each party to this Indenture except the Subscription Receipt Agent (in this Section 6.5 referred to as a “**representing party**”) hereby represents to the Subscription Receipt Agent that any account to be opened by, or interest to be held by, the Subscription Receipt Agent in connection with this Indenture, for or to the credit of such representing party, either (i) is not intended to be used by or on behalf of any third party; or (ii) is intended to be used by or on behalf of a third party, in which case such representing party hereby agrees to complete, execute and deliver forthwith to the Subscription Receipt Agent a declaration of third party interest in the Subscription Receipt Agent’s prescribed form in accordance with the *Proceeds of Crime (Money Laundering) and Terrorist Financing Act* and the regulations thereto, or in such other form as may be satisfactory to it, as to the particulars of such third party.

**ARTICLE 7  
ADJUSTMENTS**

**7.1 Adjustment of Number of Underlying Shares and FT Shares**

The Subscription Receipts shall be subject to adjustment from time to time in the following circumstances and manner:

- (a) Subject to Section 7.1, if and whenever at any time from the Closing Date and prior to the Escrow Release Date, the Corporation shall:
  - (i) subdivide, redivide or change its outstanding Common Shares into a greater number of shares;
  - (ii) reduce, combine or consolidate its outstanding Common Shares into a smaller number of shares; or
  - (iii) issue Common Shares or securities convertible into or exchangeable for Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a stock dividend or make a distribution to all or substantially all of the holders of Common Shares on its outstanding Common Shares payable in Common Shares or securities convertible into or exchangeable for Common Shares;

then, in each such event, the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be adjusted immediately after the effective date of such subdivision, redivision, change, reduction, combination or consolidation, or the record date for such issue of Common Shares by way of a stock dividend or distribution, as the case may be, by multiplying the number of Underlying Shares or FT Shares issuable by a fraction:

- (A) the numerator of which shall be the total number of Common Shares outstanding immediately after such date; and
- (B) the denominator of which shall be the total number of Common Shares outstanding immediately prior to such date.

Such adjustment shall be made successively whenever any event referred to in this Section 7.1(a) shall occur. Any such issue or distribution of Common Shares or securities convertible into or exchangeable for Common Shares shall be deemed to have been made on the record date for such issue or distribution for the purpose of calculating the number of outstanding Common Shares under Section 7.1(b) and Section 7.1(c).

- (b) Subject to Section 7.2, if and whenever at any time from the Closing Date and prior to the Escrow Release Date, the Corporation shall fix a record date for the issuance of rights, options or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for Common Shares) at a price per share (or having a conversion or exchange price per share) less than 95% of the Current Market Price on such record date, the number of

Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be adjusted immediately after such record date so that it shall equal the number determined by multiplying the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements by a fraction:

- (i) the numerator of which shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase or into which the convertible or exchangeable securities so offered are convertible or exchangeable; and
- (ii) the denominator of which shall be the total number of Common Shares outstanding on such record date plus a number of Common Shares equal to the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible or exchangeable securities so offered) by such Current Market Price.

Any Common Shares owned by or held for the account of the Corporation or any Subsidiary of the Corporation shall be deemed not to be outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such rights, options or warrants are not exercised prior to the expiration thereof, the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be readjusted to the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements which would then be in effect if such record date had not been fixed or to the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements which would then be in effect based upon the number of Common Shares (or securities convertible into or exchangeable for Common Shares) actually issued upon the exercise of such rights, options or warrants, as the case may be.

- (c) Subject to Section 7.1, if and whenever at any time from the Closing Date and prior to the Escrow Release Date, the Corporation shall fix a record date for the making of a distribution to all or substantially all the holders of its outstanding Common Shares of:
  - (i) shares of the Corporation of any class other than Common Shares or other securities of the Corporation;
  - (ii) rights, options or warrants to acquire Common Shares (or securities convertible into or exchangeable for Common Shares) or other securities of the Corporation;
  - (iii) evidences of its indebtedness; or
  - (iv) any property or other assets;

(excluding, in each case, any distribution referred to in Section 7.1(a) or Section 7.1(b)) then, in each such case, the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be adjusted immediately after such record date so that it shall equal the number determined by multiplying the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements by a fraction:

- (v) the numerator of which will be the product of the number of Common Shares outstanding on such record date and the Current Market Price on such record date; and
- (vi) the denominator of which will be:
  - (A) the product of the number of Common Shares outstanding on such record date and the Current Market Price on such record date; less
  - (B) the aggregate fair market value, as determined by the Directors, acting reasonably, whose determination, absent manifest error, will be conclusive, to the holders of Common Shares of such shares, other securities, rights, options, warrants, evidences of indebtedness or other assets so distributed.

Any Common Shares owned by or held for the account of the Corporation or any Subsidiary of the Corporation shall be deemed not to be outstanding for the purpose of any such computation. Such adjustment shall be made successively whenever such a record date is fixed. To the extent that such distribution is not so made, the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be readjusted to the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements which would then be in effect if such record date had not been fixed or to the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements which would then be in effect based upon such shares, other securities, rights, options, warrants, evidences of indebtedness or other assets actually distributed, as the case may be.

- (d) Subject to Section 7.1, if and whenever at any time from the Closing Date and prior to the Escrow Release Date, there is a reclassification of the Common Shares or a capital reorganization of the Corporation (other than as described in Section 7.1(a), Section 7.1(b) or Section 7.1(c)) or an amalgamation, arrangement or merger of the Corporation with or into any other body corporate, trust, partnership or other entity, or a sale or conveyance of the property and assets of the Corporation as an entirety or substantially as an entirety to any other body corporate, trust, partnership or other entity, any Holder whose HD Subscription Receipts have not been converted or whose FT Subscription Receipts have not been cancelled as a result of a subscription pursuant to the FT Subscription and Renunciation Agreements prior to the effective time of such reclassification, reorganization, amalgamation, arrangement, merger, sale or conveyance shall, upon the

conversion of the HD Subscription Receipts or the subscription pursuant to the FT Subscription and Renunciation Agreements, be entitled to receive and shall accept, in lieu of the number of Underlying Shares or FT Shares to which the Holder was prior thereto entitled, the kind and number of shares or other securities or property of the Corporation or of the body corporate, trust, partnership or other entity resulting from such reclassification, capital reorganization, amalgamation, arrangement or merger or to which such sale or conveyance may be made, as the case may be, that such Holder would have been entitled to receive on such reclassification, capital reorganization, amalgamation, arrangement, merger, sale or conveyance, if on the record date or the effective date thereof, as the case may be, the Holder had been the registered holder of the number of Underlying Shares or FT Shares to which immediately before the event such Holder was entitled. To give effect to or to evidence the provisions of this Section 7.1(d), the Corporation, its successor, or such purchasing body corporate, partnership, trust or other entity, as the case may be, shall, prior to or contemporaneously with any such reclassification, capital reorganization, amalgamation, arrangement, merger, sale or conveyance, enter into an agreement which shall provide, to the extent possible, for the application of the provisions set out in this Indenture with respect to the rights and interests thereafter of the Holder to the effect that the provisions set out in this Indenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be possible, with respect to any shares, other securities or property to which a Holder is entitled thereafter. Any agreement entered into between the Corporation and the Subscription Receipt Agent pursuant to the provisions of this Section 7.1(d) shall be a supplemental agreement entered into pursuant to the provisions of Article 10. Any agreement entered into between the Corporation, any successor to the Corporation or such purchasing body corporate, partnership, trust or other entity and the Subscription Receipt Agent shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Section 7.1 and which shall apply to successive reclassifications, capital reorganizations, amalgamations, arrangements, mergers, sales or conveyances.

- (e) In any case in which this Section 7.1 shall require that an adjustment shall become effective immediately after a record date for an event referred to herein the Corporation may defer, until the occurrence of such event, issuing to the Holder in respect of which the HD Subscription Receipts are converted or FT Subscription Receipts are cancelled as a result of a subscription pursuant to the FT Subscription and Renunciation Agreements, the additional Underlying Shares or FT Shares or other securities or property issuable by reason of the adjustment required by such event before giving effect to such adjustment; provided, however, that the Corporation shall deliver to such Holder, as soon as reasonably practicable after such record date, an appropriate instrument evidencing such Holder's right to receive such additional Underlying Shares, FT Shares or other securities or property upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Underlying Shares, FT Shares or other securities or property declared in favour of holders of record of Underlying Shares, FT Shares or securities or property on and after the relevant date of conversion, or such later date as such Holder would, but for the provisions of this Section 7.1(e), have become the holder of record of such additional Underlying Shares, FT Shares or other securities or property pursuant to this Section 7.1, provided that if the other securities are not securities of the Corporation, the Corporation will not be liable to any holder should the issuer thereof not pay any distribution declared thereon.
- (f) In any case in which Section 7.1(c) requires that an adjustment be made to the number of Underlying Shares or FT Shares issuable, no such adjustment shall be made if the

Subscription Receipt Agent receives the shares, other securities, rights, options, warrants, evidences of indebtedness or other assets or property referred to in Section 7.1(c), in such kind and number as Holders would have received if they had been holders of Underlying Shares or FT Shares on the applicable record date or effective date by virtue of their right to be issued Underlying Shares or FT Shares. Any such shares, other securities, rights, options, warrants, evidences of indebtedness or other assets or property so received by the Subscription Receipt Agent shall be held and distributed by the Subscription Receipt Agent pursuant hereto.

- (g) The adjustments provided for in this Section 7.1 are cumulative and shall be computed to the nearest two decimal places and will apply to successive subdivisions, redivisions, reductions, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this Section 7.1, provided that, notwithstanding any other provision of this Section 7.1, no adjustment of the number of Underlying Shares or FT Shares issuable shall be required unless such adjustment would require an increase or decrease of at least one percent in the number of Underlying Shares or FT Shares issuable, provided, however, that any adjustments which by reason of this 7.1(g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment.
- (h) If the Corporation sets a record date to determine the holders of Common Shares for the purpose of entitling them to receive any dividend or distribution or sets a record date to take any other action and, thereafter and before the distribution to such shareholders of any such dividend or distribution or the taking of any other action, legally abandons its plan to pay or deliver such dividend or distribution or take such other action, then no adjustment shall be made to the number of Underlying Shares or FT Shares issuable.
- (i) After any adjustment pursuant to this Section 7.1, the terms “Common Shares” where used in this Indenture shall be interpreted to mean securities of any class or classes which as a result of such adjustment and all prior adjustments pursuant to this Section 7.1, the Holder is entitled to receive upon conversion of the HD Subscription Receipts or subscription pursuant to the FT Subscription and Renunciation Agreement, and the number of Underlying Shares to be issued upon the conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be interpreted to mean the number of Underlying Shares, FT Shares or other property or securities a Holder is entitled to receive, as a result of such adjustment and all prior adjustments pursuant to this Section 7.1, upon the full conversion of the Subscription Receipts and subscription pursuant to the FT Subscription and Renunciation Agreements, as the case may be.
- (j) Notwithstanding any other provision herein, any adjustment in the Common Shares, or Underlying Shares or FT Shares described in this Section 7 and otherwise in this Indenture, shall be subject to the consent of the Lead Underwriter, on behalf of the Underwriters, acting reasonably.

## **7.2 No Adjustment for Stock Options etc.**

Notwithstanding anything to the contrary in this Article 7, no adjustment shall be made pursuant to this Indenture in respect of the issue of Underlying Shares or FT Shares pursuant to any stock option, stock purchase, or other equity incentive plan in force from time to time for officers, Directors or employees of the Corporation or pursuant to any stock option granted or other convertible security issued by the Corporation prior to the date of this Indenture.

### **7.3 Determination by Corporation's Auditors**

In the event of any question arising with respect to the adjustments provided for in this Article 7, such question shall, absent manifest error, be conclusively determined by the Corporation's auditors, who shall have access to all necessary records of the Corporation, and such determination shall, absent manifest error, be binding upon the Corporation, the Lead Underwriter, the Subscription Receipt Agent, all Holders and all other persons interested therein.

### **7.4 Proceedings Prior to Any Action Requiring Adjustment**

As a condition precedent to the taking of any action which would require an adjustment in the number of Underlying Shares issuable upon conversion of the HD Subscription Receipts and the number of FT Shares issuable upon subscription pursuant to the FT Subscription and Renunciation Agreements, the Corporation shall take any corporate action which may, in the opinion of Counsel to the Corporation (acting reasonably), be necessary to ensure that the Corporation has sufficient authorized capital and that the Corporation may validly and legally issue, as fully paid and non-assessable shares, all of the shares which the Holders are entitled to receive on the conversion of the HD Subscription Receipts and the subscription pursuant to the FT Subscription and Renunciation Agreements, in accordance with the provisions of this Indenture.

### **7.5 Action Requiring Adjustment**

In case the Corporation, after the date hereof, shall take any action affecting the Common Shares, other than the actions described in this Article 7, which, in the opinion of the Directors would materially adversely affect the rights of the Holders, then the number of Underlying Shares which are to be received upon the conversion of the HD Subscription Receipts and the number of FT Shares which are to be received upon subscription pursuant to the FT Subscription and Renunciation Agreements shall be adjusted in such manner, if any, and at such time as the Directors may, in their discretion, reasonably determine to be equitable to the Holders in such circumstances.

### **7.6 Certificate of Adjustment**

The Corporation shall, immediately after the occurrence of any event which requires an adjustment or readjustment as provided in this Article 7, deliver a certificate of the Corporation to the Subscription Receipt Agent specifying the nature of the event requiring such adjustment or readjustment and the amount of the adjustment or readjustment necessitated thereby and setting out in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate shall be supported by a certificate of the Corporation's auditors verifying such calculation.

### **7.7 Notice of Special Matters**

The Corporation covenants with the Subscription Receipt Agent that, so long as any Subscription Receipts remains outstanding, subject to compliance with applicable securities laws, it will give notice to the Subscription Receipt Agent and to the Holders of its intention to fix the record date for any event referred to in Section 7.1(a), Section 7.1(b), Section 7.1(c) and Section 7.1(d) which may give rise to an adjustment in the number of Underlying Shares or FT Shares. Such notice shall specify the particulars of such event and the record date for such event, provided that the Corporation shall only be required to specify in the notice such particulars of the event as shall have been fixed and determined on the date on which the notice is given. The notice, if any, shall be given in each case not less than 14 days prior to such applicable record date, subject in all cases to the Corporation's compliance with applicable securities laws.

## **7.8 Protection of Subscription Receipt Agent**

The Subscription Receipt Agent:

- (a) shall not at any time be under any duty or responsibility to any Holder to determine whether any facts exist which may require any adjustment contemplated by 7.1, or to verify the nature or extent of any such adjustment when made or with respect to the method employed in making such adjustment;
- (b) shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Shares or other shares or other securities or property which may at any time be issued or delivered pursuant to the rights attaching to any Subscription Receipt;
- (c) shall not be responsible for any failure of the Corporation to issue, transfer or deliver Common Shares or certificates representing Common Shares upon the surrender of any Subscription Receipts for the purpose of the conversion or subscription rights thereunder or to comply with any of the covenants contained in this Article 7;
- (d) shall not incur any liability or responsibility whatsoever or be in any way responsible for the consequences of any breach on the part of the Corporation of any of the representations, warranties or covenants herein contained or of any acts of the directors, officers, employees, servants or agents of the Corporation; and
- (e) shall be entitled to act and rely and shall be protected in acting and relying upon the certificates of the Corporation or of the auditor of the Corporation and any other documents filed by the Corporation pursuant to Section 7.6, including but not limited to any adjustment calculation of the board of directors of the Corporation and the Corporation's auditors, and if a dispute shall at any time arise with respect to adjustments hereunder, the dispute shall be conclusively determined by the Corporation's auditors or if they are unable or unwilling to act, by such firm or independent chartered accountants as may be selected by the directors and any such determination shall, absent manifest error, be binding upon the Corporation, the Subscription Receipt Agent and all Holders.

## **ARTICLE 8 ENFORCEMENT**

### **8.1 Suits by Holders**

securities law or other rule of any securities regulatory authority, (b) lost profits or (c) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages. This subsection shall survive the resignation or removal of the Subscription Receipt Agent and/or the termination or discharge of this Indenture.

- (b) Indemnity: In addition to and without limiting any protection of the Subscription Receipt Agent hereunder or otherwise by law, the Corporation shall at all times indemnify the Subscription Receipt Agent and its affiliates, their successors and assigns, and each of their directors, officers, employees and agents (the “**Indemnified Parties**”) and save them harmless from and against all claims, demands, losses (excluding loss of profits), actions, causes of action, suits, proceedings, liabilities, damages, costs, charges, penalties, taxes, assessments, judgments, disbursements and expenses (including reasonable expert consultant and legal fees and disbursements on a solicitor and client basis) whatsoever arising in connection with this Indenture including, without limitation, those arising out of or related to actions taken or omitted to be taken by the Indemnified Parties and expenses incurred in connection with the enforcement of this indemnity, which the Indemnified Parties, or any of them, may suffer or incur, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of the Subscription Receipt Agent’s duties hereunder, and including any services that the Subscription Receipt Agent may provide in connection with or in any way relating to this Indenture (unless arising from Subscription Receipt Agent’s gross negligence, wilful misconduct, fraud or bad faith) and including any action or liability brought against or incurred by the Indemnified Parties in relation to or arising out of any breach by the Corporation. Notwithstanding any other provision hereof, the Corporation agrees that its liability hereunder shall be absolute and unconditional regardless of the correctness of any representations of any third parties and regardless of any liability of third parties to the Indemnified Parties, and shall accrue and become enforceable without prior demand or any other precedent action or proceeding. Notwithstanding any other provision hereof, this indemnity shall survive the resignation or removal of the Subscription Receipt Agent and/or the termination or discharge of this Indenture.

## 11.8 Replacement of Subscription Receipt Agent

- (a) Resignation: The Subscription Receipt Agent may resign and be discharged from all further duties and liabilities hereunder, except as provided in this section, by giving to the Corporation and the Lead Underwriter not less than 60 days’ notice in writing or, if a new subscription receipt agent has been appointed, such shorter notice as the Corporation accepts as sufficient provided that such resignation and discharge shall be subject to the appointment of a successor thereto in accordance with the provisions hereof.
- (b) Removal: The Holders by Extraordinary Resolution may at any time remove the Subscription Receipt Agent and appoint a new subscription receipt agent.
- (c) Appointment of New Subscription Receipt Agent: If the Subscription Receipt Agent so resigns or is so removed or is dissolved, becomes bankrupt, goes into liquidation or otherwise becomes incapable of acting hereunder, the Corporation will forthwith appoint a new subscription receipt agent unless a new subscription receipt agent has already been appointed by the Holders.

- (d) Failure to Appoint: Failing such appointment by the Corporation, the retiring Subscription Receipt Agent or any Holder may apply at the expense of the Corporation to the Court, on such notice as the Court directs, for the appointment of a new subscription receipt agent.
- (e) New Subscription Receipt Agent: Any new subscription receipt agent appointed under this Section 11.8 must be a corporation authorized to carry on the business of a transfer agent or trust company in Toronto, Ontario and, if required by the Applicable Legislation of any other province, in such other province. On any such appointment the new subscription receipt agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Subscription Receipt Agent without any further assurance, conveyance, act or deed, but there will be immediately executed, at the expense of the Corporation, all such conveyances or other instruments as, in the opinion of Counsel to the Corporation, are necessary or advisable for the purpose of assuring the transfer of such powers, rights, duties and responsibilities to the new subscription receipt agent including, without limitation, an appropriate instrument executed by the new subscription receipt agent accepting such appointment and, at the request of the Corporation, the predecessor Subscription Receipt Agent shall, upon payment of its outstanding remuneration and expenses, execute and deliver to the new subscription receipt agent an appropriate instrument transferring to such new subscription receipt agent all rights and powers of the Subscription Receipt Agent hereunder, and shall duly assign, transfer and deliver to the new subscription receipt agent all securities, property and all records kept by the predecessor Subscription Receipt Agent hereunder or in connection therewith. Any new subscription receipt agent so appointed by the Corporation or by the Court will be subject to removal as aforesaid by the Holders and by the Corporation.
- (f) Notice of New Subscription Receipt Agent: On the appointment of a new subscription receipt agent, the Corporation will promptly give notice thereof to the Lead Underwriter and the Holders in accordance with Section 12.2(a) hereof.
- (g) Successor Subscription Receipt Agent: A corporation into or with which the Subscription Receipt Agent is merged or consolidated or amalgamated, or a corporation succeeding to the corporate trust business of the Subscription Receipt Agent, will be the successor to the Subscription Receipt Agent hereunder without any further act on its part or on the part of any party hereto if such corporation would be eligible for appointment as a new subscription receipt agent under Section 11.8(e) hereof.
- (h) Certificates: A Certificate Authenticated but not delivered by a predecessor Subscription Receipt Agent may be delivered by the new or successor subscription receipt agent in the name of the predecessor Subscription Receipt Agent or successor subscription receipt agent. In case at any time any of the Certificates have not been countersigned, a Certificate may be countersigned either in the name of the predecessor Subscription Receipt Agent or successor subscription receipt agent, and in all such cases such Certificates will have the full force provided in the Certificates and in this Indenture.

### **11.9 Acceptance of Duties and Obligations**

The Subscription Receipt Agent hereby accepts the duties and obligations in this Indenture declared and provided for and agrees to perform them on the terms and conditions herein set forth. The Subscription Receipt Agent accepts the duties and responsibilities under this Indenture solely as custodian, bailee and agent. No trust is intended to be or will be created hereby, and the Subscription Receipt Agent shall owe no duties hereunder as a trustee.

### **11.10 Conflict of Interest**

The Subscription Receipt Agent represents to the Corporation that to the best of its knowledge at the time of the execution and delivery hereof, no material conflict of interest exists between its role as agent hereunder and its role in any other capacity and if a material conflict of interest arises hereafter it will, within 90 days after ascertaining that it has such material conflict of interest, either eliminate the conflict of interest or resign its duties and obligations hereunder.

### **11.11 Subscription Receipt Agent Not Required to Give Notice of Default**

The Subscription Receipt Agent shall not be bound to give any notice or do or take any act, action or proceeding by virtue of the powers conferred on it hereby unless and until it shall have been required so to do under the terms hereof; nor shall the Subscription Receipt Agent be required to take notice of any default hereunder, unless and until notified in writing of such default, which notice shall distinctly specify the default desired to be brought to the attention of the Subscription Receipt Agent and in the absence of any such notice the Subscription Receipt Agent may for all purposes of this Indenture conclusively assume that no default has been made in the observance or performance of any of the representations, warranties, covenants, agreements or conditions contained therein. Any such notice shall in no way limit any discretion herein given to the Subscription Receipt Agent to determine whether or not the Subscription Receipt Agent shall take action with respect to any default.

### **11.12 Anti-Money Laundering**

The Subscription Receipt Agent shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Subscription Receipt Agent, in its sole judgment, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering, anti-terrorist or sanctions legislation, regulation or guideline. Further, should the Subscription Receipt Agent, in its sole judgment, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering, anti-terrorist or sanctions legislation, regulation or guideline, then it shall have the right to resign on ten days' written notice to the Corporation provided (i) that the Subscription Receipt Agent's written notice shall describe the circumstances of such non-compliance to the extent permitted by such applicable anti-money laundering, anti-terrorist or sanctions legislation, regulation or guideline; and (ii) that if such circumstances are rectified to the Subscription Receipt Agent's satisfaction within such ten-day period, then such resignation shall not be effective.

**LI-FT POWER LTD.**

**(a corporation existing under the laws of British Columbia)**

**THIS IS TO CERTIFY THAT**, for value received, ● (the “**holder**”) is the registered holder of the number of subscription receipts (“**Subscription Receipts**”) specified above of Li-FT Power Ltd. (the “**Corporation**”) and is thereby entitled, without payment of any additional consideration or further action, to be issued, immediately after the Escrow Release Time (as defined in the Subscription Receipt Indenture hereinafter referred to), one common share of Corporation (each an “**Underlying Share**”).

This Subscription Receipt Certificate represents Subscription Receipts of the Corporation issued under the provisions of a subscription receipt indenture (which indenture, together with all instruments supplemental or ancillary thereto, is herein referred to as the “**Subscription Receipt Indenture**”) dated as of January 29, 2026, among the Corporation, Odyssey Trust Company (the “**Subscription Receipt Agent**”) and Canaccord Genuity Corp. (the “**Lead Underwriter**”). Reference is hereby made for particulars of the rights of the holders of the Subscription Receipts, the Corporation, the Subscription Receipt Agent and the Lead Underwriter in respect thereof and of the terms and conditions upon which the Subscription Receipts are issued and held, all to the same effect as if the provisions of the Subscription Receipt Indenture were herein

set forth in full, and to all of which the holder, by acceptance hereof, assents. In the event of a conflict between the provisions of this Subscription Receipt Certificate and the Subscription Receipt Indenture, the terms of the Subscription Receipt Indenture shall govern. All capitalized terms used but not defined in this Subscription Receipt Certificate shall have the meaning ascribed thereto in the Subscription Receipt Indenture. The Corporation will furnish to the holder, on request, a copy of the Subscription Receipt Indenture.

The Subscription Receipts represented by this Subscription Receipt Certificate will be automatically converted into Underlying Shares by the Subscription Receipt Agent for and on behalf of the holder upon satisfaction of the Escrow Release Conditions prior to the Escrow Release Deadline and the holder will be a holder of the Underlying Shares issuable on the conversion of such Subscription Receipts without additional consideration or the taking of any further action by the holder. For greater certainty, the Subscription Receipts represented by this certificate may not be converted by the holder and may only be converted pursuant to the foregoing automatic conversion.

Pursuant to the Subscription Receipt Indenture, the Escrow Release Date is the date, or the Business Day following such date, on which the Subscription Receipt Agent receives the Escrow Release Notice in the form required under the Subscription Receipt Indenture, which notice will inform the Subscription Receipt Agent of the satisfaction of the Escrow Release Conditions, will advise the Subscription Receipt Agent of the conversion of the Subscription Receipts into Underlying Shares, and will instruct the Subscription Receipt Agent to pay the Escrowed Funds in accordance with the Subscription Receipt Indenture.

In the event that (i) the Escrow Release Notice is not delivered to the Subscription Receipt Agent prior to the Escrow Release Deadline, or (ii) a Termination Notice is delivered to the Subscription Receipt Agent by the Corporation, all of the Subscription Receipts shall, without any action on the part of the holders thereof (including the surrender of Subscription Receipt Certificates), be cancelled by the Subscription Receipt Agent. In such event, the holder will be entitled to receive, and the Subscription Receipt Agent and the Corporation shall pay to the holder, the aggregate amount of \$4.30 per Subscription Receipt together with the Interest earned thereon, less any withholding tax required by applicable law to be withheld in respect thereof, all as more particularly set out in the Subscription Receipt Indenture.

**The holder of this Subscription Receipt is cautioned that in the event that the Subscription Receipts are deemed to be cancelled, a cheque will be mailed or delivered to the latest address of record of the registered holder or alternative form of payment will be made to such Subscription Receipt holder.**

On and after the date of conversion of the Subscription Receipts represented by this Subscription Receipt Certificate, the holder will have no rights hereunder except to the Underlying Shares issued to such holder and their portion of Pro Rata Interest.

No Underlying Shares will be issued pursuant to the conversion of any Subscription Receipt if the issue of such security would constitute a violation of the securities laws of any applicable jurisdiction.

The Subscription Receipt Indenture contains provisions making binding on all holders of Subscription Receipts outstanding thereunder resolutions passed at meetings of such holders held in accordance with such provisions and instruments in writing signed by holders of a specified majority of all outstanding Subscription Receipts.

The Subscription Receipts represented by this Subscription Receipt Certificate are non-transferable.

The Subscription Receipts and Underlying Shares have not been and will not be registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”) or the securities laws of any state of

the United States and are “restricted securities” within the meaning of Rule 144(a)(3) under the U.S. Securities Act and may be offered, sold, pledged, or otherwise transferred, directly or indirectly, only pursuant to a registration statement effective under the U.S. Securities Act or pursuant to an exemption from registration thereunder and similar exemptions under all applicable state securities law.

The holding of this Subscription Receipt Certificate will not constitute the holder a shareholder of the Corporation or entitle such holder to any right or interest in respect thereof except as otherwise provided in the Subscription Receipt Indenture. In the event of a conflict or inconsistency between the terms of the Subscription Receipt Indenture and this Subscription Receipt Certificate, the terms of the Subscription Receipt Indenture shall prevail.

This Subscription Receipt Certificate will not be valid for any purpose until it has been Authenticated by or on behalf of the Subscription Receipt Agent for the time being under the Subscription Receipt Indenture.
