Inherent in forward-looking statements are risks, uncertainties and other factors beyond the Company's ability to predict or control. Please also make reference to those risk factors referenced in the "Risks and uncertainties" section below. Readers are cautioned that the above chart does not contain an exhaustive list of the factors or assumptions that may affect the forward-looking statements, and that the assumptions underlying such statements may prove to be incorrect. Actual results and developments are likely to differ, and may differ materially, from those expressed or implied by the forward-looking statements contained in this MD&A.

Forward-looking statements involve known and unknown risks, uncertainties and other factors that may cause the Company's actual results, performance or achievements to be materially different from any of its future results, performance or achievements expressed or implied by forward-looking statements. All forward-looking statements herein are qualified by this cautionary statement. Accordingly, readers should not place undue reliance on forward-looking statements. The Company undertakes no obligation to update publicly or otherwise revise any forward-looking statements whether as a result of new information or future events or otherwise, except as may be required by law. If the Company does update one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those or other forward-looking statements, unless required by law.

Description of Business

The Company was incorporated under the *Business Corporations Act* (Ontario) on August 11, 2011 and is classified as a capital pool company ("**CPC**") as defined in Policy 2.4 *Capital Pool Companies* ("**Policy 2.4**") of the TSX Venture Exchange Inc. (the "**Exchange**"). The Company has no significant assets. The common shares of the Company were listed on the Exchange at the close of business on August 19, 2014 and commenced trading on the Exchange under the stock symbol "CLN.P" on August 20, 2014.

The Company proposes to identify and evaluate potential acquisitions or businesses with a view to completing a Qualifying Transaction (as such term is defined in Policy 2.4).

Effective March 13, 2017, the Company was transferred to the NEX trading board of the Exchange. In connection with the transfer to the NEX, a total of 500,001 common shares of the Company issued to non-arm's length parties that constituted "seed shares" under Policy 2.4 were cancelled. In addition, the trading symbol for the Company was changed from CLN.P to CLN.H.

On May 23, 2018, the following persons were appointed as the new officers and directors of the Company: Michael Frank (Director/Chief Executive Officer/Chief Financial Officer), James Greig (Director), Jaimie Grossman (Director), and Robbie Grossman (Corporate Secretary).

The Company also granted 323,370 stock options to new officers and directors of the Company at an exercise price of \$0.06 per common share expiring on May 23, 2028. Upon resignation all of the stock options held by the departing officers and directors were forfeited.

On June 6, 2018, the Company closed a non-brokered private placement for aggregate gross proceeds of \$300,000 through the issuance of 6,000,000 common shares at a price of \$0.05 per share. All shares issued pursuant to the financing are subject to a four month hold period from the date of issuance. The net proceeds will be used by the Company for working capital and the identification and evaluation of a Qualifying Transaction. In connection with the private placement the Company paid finder's fees of an aggregate of \$16,400. The Company received subscriptions from its four new officers and directors for an aggregate amount of \$25,000 for 500,000 common shares. In addition, in accordance with Policy 2.4, 1,300,000 common shares acquired by Non-Arm's Length Parties (as such term is defined by the Exchange) have been placed in escrow pursuant to an Exchange Form 2F *Escrow Agreement*.

As of the date of this MD&A, there are currently 9,233,700 common shares of the Company issued and outstanding.

The Company also completed securities for debt transactions with two arm's length service providers. Pursuant to the transactions the Company issued an aggregate of \$56,500 of unsecured convertible debentures in satisfaction of \$56,500 of indebtedness. The convertible debentures, which mature on June 6, 2019 and accrue interest at 6% per annum, are automatically convertible into an aggregate of 941,666 common shares of the Company at a deemed price of \$0.06 per share concurrent with the closing of a Qualifying Transaction. The Company determined to satisfy the indebtedness with convertible debentures in order to preserve its cash for use on working capital and the identification and evaluation of a Qualifying Transaction. The convertible debentures issued in satisfaction of the indebtedness are subject to a four month hold period from the date of issuance.

On June 6, 2018, the Company granted 450,000 stock options to new officers and directors of the Company at an exercise price of \$0.06 per common share expiring on June 6, 2028. Pursuant to the approval of the Exchange, the directors also amended the stock option plan of the Company to remove the cap on the number of common shares to be reserved under the option plan from 10% of the number of common shares issued and outstanding at the time of the Company's initial listing on the Exchange to 10% of the number of common shares of the Company issued and outstanding at the time of the grant.

The registered address of the Company is located at 1 First Canadian Place, 100 King Street West, Suite 6000, Toronto, Ontario M5X 1E2.

The Company's financial year end is on December 31.

Until completion of a Qualifying Transaction, the Company will not carry on any business other than the identification and evaluation of businesses or assets with a view to completing a potential Qualifying Transaction. With the consent of the Exchange, this may include the raising of additional funds in order to finance an acquisition. Except as permitted by Policy 2.4, the funds that will be raised and any subsequent financing will be utilized only for the identification and evaluation of potential Qualifying Transactions.

Operational Highlights

No significant activities to report during the three months ended March 31, 2019, other than searching for a Qualifying Transaction.

Trends

For the immediate future, the Company intends to work towards, completing the Proposed Transaction. The Company continues to monitor its spending and will amend its plans based on business opportunities that may arise in the future.

Management regularly monitors economic conditions and estimates their impact on the Company's operations and incorporates these estimates in both short-term operating and longer-term strategic decisions.

Strong equity markets are favourable conditions for completing a public merger or acquisition transaction.

Apart from these and the risk factors noted under the heading "Risks and Uncertainties", management is not aware of any other trends, commitments, events or uncertainties that would have a material effect on the Company's business, financial condition or results of operations.

Financial Highlights

Financial Performance

Three months ended March 31, 2019, compared to the three months ended March 31, 2018

The Company's net loss totaled \$11,286 for the three months ended March 31, 2019, with basic and diluted loss per share of \$0.00. This compares with a net loss of \$6,278 with basic and diluted loss per share of \$0.00 for the three months ended March 31, 2018. The increase in the net loss of \$5,008 was principally because the Company recorded an accretion expense of \$3,638 (three months ended March 31, 2018 - \$nil) and interest expense of \$836 (three months ended March 31, 2018 - \$nil).

Cash Flow

The Company had funds in trust of \$200,575 at March 31, 2019, compared to \$202,043 at December 31, 2018, a decrease of \$1,468, due to ongoing operating costs.

Liquidity and Financial Position

The Company manages its capital structure and makes adjustments to it, based on available funds to the Company. Pursuant to the policies of the Exchange, the proceeds raised from the issuance of common shares may only be used to identify and evaluate assets or businesses for future investment, with the exception that not more than the lesser of 30% of the gross proceeds from the issuance of shares or \$210,000 may be used to cover prescribed costs of its initial public offering or administrative and general expenses of the Company. These restrictions apply until completion of a Qualifying Transaction by the Company as defined under Policy 2.4. The Company has exceeded this limit. The impact of this violation, if any, is unknown and is ultimately dependent on the Exchange.

As at March 31, 2019, the Company has accounts payable and accrued liabilities of \$19,257 (December 31, 2018 - \$13,077) due within 12 months, convertible debentures with a carrying value of \$54,652 (December 31, 2018 - \$51,014) due on June 6, 2019 and funds in trust of \$200,575 (December 31, 2018

– \$202,043). Management believes the Company's working capital is sufficient for the Company to meet its ongoing obligations and meet its objective of completing a Qualifying Transaction within 12 months.

Related Party Transactions

Related parties include the directors of the Company, close family members and enterprises which are controlled by these individuals as well as persons performing similar functions.

During the three months ended March 31, 2019, the Company incurred \$nil (three months ended March 31, 2018 - \$2,042) in legal and agent fees to a law firm where a former director of the Company was a partner. As at March 31, 2019, \$nil (December 31, 2018 - \$nil) was payable to the firm.

During the three months ended March 31, 2019, the Company incurred \$970 (three months ended March 31, 2018 - \$nil) in legal fees, disbursements and harmonized sales tax to a law firm where an officer (Robbie Grossman) of the Company is a partner. As at March 31, 2019, \$970 (December 31, 2018 - \$145) was payable to the firm, in respect of legal fees, disbursements and harmonized sales tax.

Risks and Uncertainties

An investment in the securities of the Company is highly speculative and involves numerous and significant risks. Such investment should be undertaken only by investors whose financial resources are sufficient to enable them to assume these risks and who have no need for immediate liquidity in their investment. Prospective investors should carefully consider the risk factors that have affected, and which in the future are reasonably expected to affect, the Company and its financial position. Please refer to the section entitled "Risk and Uncertainties" in the Company's annual management's discussion & analysis for the fiscal year ended December 31, 2018, available on SEDAR at www.sedar.com.
