INFORMATION CIRCULAR

(containing information as at September 6, 2023 unless otherwise indicated)

**For the Annual General & Special Meeting
to be held on Wednesday, October 18, 2023**

This Information Circular is furnished in connection with the solicitation of proxies by the management of StrikePoint Gold Inc. (the “Company”) for use at the annual general and special meeting (the “Meeting”) of its shareholders to be held at 2:00 pm (Pacific Time) on Wednesday October 18, 2023 at Suite 3123 – 595 Burrard Street, Vancouver, British Columbia, V7X 1J1, Canada, or at any adjournment thereof.

In this Information Circular, references to the “Company”, “we” and “our” refer to StrikePoint Gold Inc. “Common Shares” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged for intermediaries to forward the meeting materials to beneficial owners of the Common Shares held of record by those intermediaries and we may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “**Proxy**”) are officers of the Company. If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or Company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein, and
- (iii) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matter that could come before the Meeting.

Registered Shareholders

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a proxy may do so by:

- (i) completing, dating and signing the enclosed form of proxy and returning it to the Company's transfer agent, Computershare Investor Services Inc. ("Computershare"), by fax within North America at 1-866-249-7775, or from outside North America at (416) 263-9524, or by mail or hand delivery at **100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1**;
- (ii) using a touch-tone phone to transmit voting choices to the toll free number given in the proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed proxy form for the toll free number, the holder's account number and the proxy access number; or
- (iii) using the internet through the website of Computershare at (www.computershare.com/ca/proxy). Registered Shareholders who choose this option must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the proxy access number;

in all cases ensuring that the proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.**

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

Non-Objecting Beneficial Owners

The Company is relying on the provisions of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit it to deliver proxy-related materials directly to its NOBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“VIF”) from the Company’s transfer agent, Computershare Investor Services Inc. (“**Computershare**”). The VIF is to be completed and returned to Computershare as set out in the instructions provided on the VIF. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive.

These security holder materials are being sent to both registered and non-registered owners of the Common Shares of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities, were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

By choosing to send these materials to you directly, the Company (and not the intermediary holding securities on your behalf) has assumed responsibility for: (a) delivering these materials to you; and (b) carrying out your voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

The Company will not pay for an intermediary to deliver proxy related materials and voting instruction forms to objecting beneficial owners (called OBOs for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Company. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

The Company is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a shareholder who has given a proxy may revoke it by:

- (i) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the shareholder is a Company, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to **Computershare Investor Services Inc., or at the Company’s office, Suite 3123 – 595 Burrard Street, Vancouver, BC, V7X 1J1**, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (ii) personally attending the Meeting and voting the registered shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

RECORD DATE AND QUORUM

The board of directors (the “**Board**”) of the Company have fixed the record date for the Meeting at the close of business on September 6, 2023 (the “**Record Date**”). Shareholders of the Company of record as at the Record Date are entitled to receive notice of the Meeting and to vote those shares included in the list of shareholders entitled to vote at the Meeting prepared as at the Record Date, except to the extent that any such shareholder transfers any shares after the Record Date and the transferee of those shares establishes that the transferee owns the shares and demands, not less than ten days before the Meeting, that the transferee's name be included in the list of shareholders entitled to vote at the Meeting, in which case such transferee shall be entitled to vote such shares at the Meeting.

Under the Company's current Articles the quorum for the transaction of business at the Meeting consists of two persons who are, or represent by proxy, entitled to vote at the Meeting.

E. Adoption of New Stock Option Plan

At the Meeting, the Shareholders will be asked to approve the adoption of a new stock option plan of the Company (the “**New Stock Option Plan**”) to be implemented by the Company following the Meeting. If implemented by the Company, the New Stock Option Plan will replace the existing ten (10%) percent fixed stock option plan which was last approved by the Shareholders at the annual general meeting held on August 8, 2022 (the “**Existing Stock Option Plan**”).

The New Stock Option Plan is a ten (10%) percent rolling stock option plan. The following is a summary of certain provisions of the New Stock Option Plan and is subject to, and qualified in its entirety by, the full text of the New Stock Option Plan. Under the policies of the Exchange, a rolling stock option plan, such as the Company’s, must be approved by Shareholders on a yearly basis.

As of the Record Date, options to purchase 15,650,000 common shares were outstanding under the Existing Stock Option Plan.

On November 24, 2021, the Exchange adopted a new policy, Policy 4.4 – Security Based Compensation (the “**New Policy 4.4**”) governing security-based compensation. The changes to the policy relate to, among other things, the expansion of the policy to cover a number of types of security-based compensation in addition to stock options.

Accordingly, at the Meeting, Shareholders will be asked to pass an Ordinary Resolution approving the Company’s New Stock Option Plan, as proposed in accordance with the New Policy 4.4 (the “**New Stock Option Plan**”). - (l) a Charitable Stock Option must expire on or before the earlier of: (i) the date that is 10 years from the date of grant; and (ii) the 90th day following the date that the holder of the Charitable Stock Option ceases to be an Eligible Charitable Organization;
- (m) stock options (other than options held by Investor Relations Service Providers) will cease to be exercisable 90 days after the optionee ceases to be a Director (which term includes a senior officer), Employee, Consultant, Eligible Charitable Organization or Management Company Employee otherwise than by death, or for a "reasonable period" not exceeding 12 months after the optionee ceases to serve in such capacity, as determined

by the Board. Stock options granted to Investor Relations Service Providers will cease to be exercisable 30 days after the optionee ceases to serve in such capacity otherwise than by death, or for a "reasonable period" after the optionee ceases to serve in such capacity, as determined by the Board;

- (n) all options are non-assignable and non-transferable;

- (q) upon the occurrence of an Accelerated Vesting Event (as defined in the Stock Option Plan), the Board will have the power, at its sole discretion and subject to the prior acceptance of the Exchange, to make such changes to the terms of stock options as it considers fair and appropriate in the circumstances, including but not limited to: (a) accelerating the vesting of stock options, conditionally or unconditionally, except in the case of stock options held by Investor Relations Service Providers; (b) terminating every stock option if under the transaction giving rise to the Accelerated Vesting Event, options in replacement of the stock options are proposed to be granted to or exchanged with the holders of stock options, which replacement options treat the holders of stock options in a manner which the Board considers fair and appropriate in the circumstances having regard to the treatment of holders of Common Shares under such transaction; (c) otherwise modifying the terms of any stock option to assist the holder to tender into any take-over bid or other transaction constituting an Accelerated Vesting Event; or (d) following the successful completion of such Accelerated Vesting Event, terminating any stock option to the extent it has not been exercised prior to successful completion of the Accelerated Vesting Event. The determination of the Board in respect of any such Accelerated Vesting Event shall for the purposes of the Stock Option Plan be final, conclusive and binding;
- (r) in connection with the exercise of an option, as a condition to such exercise the Company shall require the optionee to pay to the Company an amount as necessary so as to ensure that the Company is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such option; and
- (s) a stock option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Company prohibits optionees from exercising their options, provided that any extension will not exceed ten business days after the expiry of the applicable blackout period and subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Company pursuant to its internal trading policies; and (ii) must expire following the general disclosure of undisclosed Material Information; (b) the automatic extension of an optionee's stock option will not be permitted where the optionee or the Company is subject to a cease trade order (or similar order under Securities Laws) in respect of the Company's securities; and (d) the automatic extension is available to all Eligible Persons under the same terms and conditions.

Pursuant to the Board’s authority to govern the implementation and administration of the Stock Option Plan, all previously granted and outstanding stock options shall be governed by the provisions of the Stock Option Plan.

A copy of the Stock Option Plan is available on request from the Company and a copy will be available for viewing at the Meeting.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting or in person or by proxy must be voted in favour of the resolution.

Management recommends and, unless otherwise directed, the persons named in the enclosed Proxy intend to vote FOR such resolution:

Compensation Objectives and Principles

The compensation of the Company's NEOs and directors has been established with a view of attracting and retaining executives critical to the Company's short and long-term success and to continue providing executives with compensation that is in accordance with existing market standards. Compensation provided to the Company's NEOs and directors is determined and reviewed by the Company's board of directors (the "**Board of Directors**" or "**Board**").

Compensation Elements

Compensation of the Company's NEOs and directors may be comprised of a base salary (or director fees) and the granting of options to purchase common shares under the Company's stock option plan (as more particularly described below under the heading *Stock Option Plans and Other Incentive Plans*.) Through its executive compensation practices, the Company seeks to provide value to its shareholders by employing a strong executive leadership team. Specifically, the Company's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Company's strategic objectives, motivate and reward executives whose knowledge, skills and performance are critical to the Company's success, and align the interests of the Company's executives and shareholders by motivating executives to increase shareholder value.

a) Base Salary

The Company believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Company also believes that attractive base salaries can motivate and reward executives for their overall performance.

The Company paid base salaries and or fees to its executives or directors in the fiscal period ended December 31, 2022. Going forward the Company may determine that payment of a base salary is appropriate for its executives or Directors and may enter into management or employment agreements providing for payment of a base salary or other compensation.

b) Stock Options

The Company grants stock options to NEOs and directors from time to time to help enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company's Shareholders. In determining option grants, the Board together with management takes into consideration factors that include the amount and exercise price of previous option grants, the individual's experience, level of expertise and responsibilities, and the contributions of each individual towards the completion of corporate transactions in any given fiscal year.

The Company granted stock no options to its executives and directors in the fiscal period ended December 31, 2022.

STATEMENT OF CORPORATE GOVERNANCE

Corporate Governance

Corporate governance relates to the activities of the Board of Directors (the “**Board**”), the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. National Policy 58-201 *Corporate Governance Guidelines* establishes corporate governance guidelines which apply to all public companies. These guidelines are not intended to be prescriptive but to be used by issuers in developing their own corporate governance practices. The Board is committed to sound corporate governance practices, which are both in the interest of its shareholders and contribute to effective and efficient decision making.

Pursuant to National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“**NI 58-101**”), the Company is required to disclose its corporate governance practices, as summarized below. The Board of Directors will continue to

monitor such practices on an ongoing basis and, when necessary, implement such additional practices as it deems appropriate.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Company’s Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Company’s Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Company’s Board is responsible for monitoring the Company’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Currently, the Company’s board has three independent members, being Ian Harris, Adrian Fleming and Darryl Jones. The non-independent members are Michael G. Allen, CEO and Shawn Khunkhun.

Orientation and Continuing Education

Each new director is given an outline of the nature of the Company's business, its corporate strategy and current issues within the Company. New directors are also required to meet with management of the Company to discuss and better understand the Company's business and are given the opportunity to meet with counsel to the Company to discuss their legal obligations as director of the Company.

In addition, management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers and committee members of the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange (the “TSXV”) to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's directors either by way of director or committee meetings or by direct communications from management to the directors.

Ethical Business Conduct

The Company’s Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors’ participation in decisions of the board in which the director has an interest have been sufficient to ensure that

the board operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Company's Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Company's Board has a Corporate Governance and Nominating Committee comprised of Adrian Fleming (Chair), Darryl Jones and Ian Harris.

The Compensation Committee is comprised of Shawn Khunkhun (Chair) who is not independent, Adrian Fleming and Darryl Jones, both of whom have been determined by the Board to be independent under NI 58-101. The Compensation Committee assists the Board in fulfilling its oversight responsibilities with respect to each of the areas discussed below.

As discussed above, responsibility for matters relating to the overall compensation philosophy and guidelines for the directors and officers of the Company lies with the Compensation Committee. The Compensation Committee annually reviews and recommends to the Board, the adequacy and form of compensation of the directors of the Company in light of the responsibilities and risks involved in being such a director. The Compensation Committee is also responsible for annually evaluating the performance of the Chief Executive Officer of the Company and recommending to the Board his or her annual compensation package.

Other Board Committees

The Company's Board has a Health Safety and Environment Committee comprised of Michael G. Allen (Chair), Ian Harris and Darryl Jones.

Assessments

The Company's Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and committees.

Diversity on the Board of Directors and among Executive Officers

The Company does not currently have a formal diversity policy in place regarding gender representation on the Board or in executive officer positions. The Company believes in retaining the most qualified candidate for any position irrespective of gender, and recruitment efforts will continue to be governed by the principles set forth below.

The Company does not discriminate on the basis of race, national or ethnic origin, colour, religion, sex, age or mental or physical disability, or any other prohibited grounds of discrimination set forth in applicable federal or provincial law or guidelines. Directors, officers, contractors, consultants and employees are retained on the basis of their background, skills, relevant experience, education and potential to contribute to the success of the Company. In addition, candidates for Board membership are evaluated based upon their independence, qualifications to act as directors and other qualities which the board as a whole feels are appropriate to assist it in operating in an effective manner, with due regard for the benefits of diversity. Taken together, these diverse skills and backgrounds help to create a business environment that encourages a range of perspectives and fosters excellence in corporate governance, including the creation of shareholder value. Candidates for Board membership who are selected for nomination by the Board (or any committee of the Board established for such purpose from time to time) based on the foregoing criteria will be presented to shareholders for consideration without discrimination.
