Thunderbird Minerals Amends Share Purchase Warrants

VANCOUVER, BC, **November 26, 2024**, Thunderbird Minerals Corp. ("Thunderbird" or the "Company") (**TSX: BIRD**) announces that, subject to the approval of the TSX Venture Exchange, the Company has amended the exercise price and expiry date of an aggregate of 382,666 flow-through warrants and 2,201,250 non-flow through warrants that were issued as of June 9, 2023 (collectively, the "Warrants"), as follows:

- The original exercise price of the Warrants has been reduced from \$0.20 per share to \$0.12 per share; and
- The original expiry date of the Warrants has been extended from June 9, 2025 to June 9, 2026.

About Thunderbird Minerals Corp.

Thunderbird is a junior grassroots explorer focused on the discovery of new precious metal and copper projects through systematic exploration of metal-endowed terranes located in Tier-one mining jurisdictions in North America. Thunderbird's focus is on development of its portfolio of projects to the mineral resource stage. Thunderbird's projects include its flagship Bullseye property in the Wels District of the Yukon Territory. Thunderbird's other properties include the Eagle Mountain gold property in the Cassiar Gold District in northern British Columbia, the Argo copper and gold property near Quesnel B.C., and the Apache copper and gold property in Kern County, California. Thunderbird continues to look for attractive properties throughout North America to add to its early-stage project pipeline.
