INTRODUCTION

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation. We have arranged to send meeting materials directly to Registered Shareholders, as well as Non-Registered Shareholders who have consented to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (non-objecting beneficial owners). We have not arranged for Intermediaries to forward the Meeting materials to Non-Registered Shareholders who have objected to their ownership information being disclosed by the Intermediary holding the Common Shares on their behalf (objecting beneficial owners). As a result, objecting beneficial owners will not receive the Meeting materials unless their Intermediary assumes the costs of delivery.

Appointment and Revocation of Proxies

The persons named in the accompanying form of proxy (the “**Proxy**”) are officers of the Corporation. **A registered shareholder has the right to appoint a person (who need not be a shareholder) other than the persons named as the proxy of the shareholder and may exercise this right either by inserting that person’s name in the blank space provided in the Proxy and striking out the other names or by completing another proper form of proxy.** To be effective, Proxies must be deposited at the office of the Corporation’s registrar and transfer agent, Computershare Trust Company of Canada, 100 University Avenue, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or adjournment thereof.

Proxies given by registered shareholders for use at the Meeting may be revoked at any time before their use. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by depositing an instrument in writing signed by the registered shareholder, or by the registered shareholder’s attorney duly authorized in writing, at the registered office of the Corporation, 130 Saddlehorn Drive, Kaleden, British Columbia V0H 1K0 on or before the last business day preceding the day of the Meeting, or any adjournment thereof, or with the chair of the Meeting on the day of the Meeting, or any adjournment thereof.

Registered Shareholders electing to submit a Proxy may do so by:

- i. **Internet:** Vote online at www.investorvote.com using the Proxy Control Number found in the enclosed Proxy;

- ii. **Fax or Mail:** Completing, dating and signing the enclosed Proxy and returning it to the Company's transfer agent, Computershare, by fax within North America at 1-866-249-7775, or by mail or hand delivery at 8th Floor, 100 University Avenue, Toronto, Ontario, M5J 2Y1, Canada; or
- iii. **Telephone:** Using a touch-tone phone to transmit voting choices to the toll-free number given in the Proxy. Registered Shareholders who choose this option must follow the instructions of the voice response system and refer to the enclosed Proxy for the toll-free number, the holder's account number and the Proxy Control Number.

Every Proxy may be revoked by an instrument in writing:

- (i) executed by the Shareholder or by his/her attorney authorized in writing or, where the Shareholder is a company, by a duly authorized officer or attorney of the company; and
- (ii) delivered either to the registered office of the Company at any time up to and including the last business day preceding the day of the Meeting or any adjournment thereof, at which the Proxy is to be used, or to the chairman of the Meeting on the day of the Meeting or any adjournment thereof,

or in any other manner provided by law.

Only Registered Shareholders have the right to revoke a Proxy. Non-Registered Shareholders who wish to change their vote must, at least seven days before the Meeting, arrange for their respective Intermediaries to revoke the Proxy on their behalf. If you are a Non-Registered Shareholder, see "Voting by Non-Registered Shareholders" below for further information on how to vote your Common Shares.

Exercise of Discretion by Proxyholder

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (i) each matter or group of matters identified therein for which a choice is not specified,
- (ii) any amendment to or variation of any matter identified therein,
- (iii) any other matter that properly comes before the Meeting, and
- (iv) exercise of discretion of proxyholder.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter. Management is not currently aware of any other matters that could come before the Meeting.

Voting by Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name. Non-Registered Shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders.

If Common Shares are listed in an account statement provided to a Shareholder by an Intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary or an agent of that Intermediary. In the United States, the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Every Intermediary has its own mailing procedures and provides its own return instructions to clients. However, most Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge Financial Solutions, Inc. ("Broadridge") in the United States and in Canada.

If you are a Non-Registered Shareholder, you should carefully follow the instructions on the Voting Instruction Form received from Computershare or Broadridge in order to ensure that your Common Shares are voted at the Meeting. The Voting Instruction Form supplied to you will be similar to the Proxy provided to the Registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf.

The Voting Instruction Form sent by Computershare or Broadridge will name the same persons as the Company's Proxy to represent you at the Meeting. As a Non-Registered Shareholder you may not be recognized directly at the Meeting. In order to appoint a proxyholder of your own choosing, you should insert your own name or the name of the desired representative in the blank space provided in the Voting Instruction Form. Alternatively, you may provide

other written instructions requesting that you or your desired representative be appointed as your proxyholder for your Intermediary. The completed Voting Instruction Form should be returned in accordance with the instructions on the form.

If you receive a Voting Instruction Form from Computershare or Broadridge, you cannot use it to vote Common Shares directly at the Meeting – the Voting Instruction Form must be completed and returned in accordance with its instructions well in advance of the voting deadline in order to have your Common Shares voted at the Meeting.

Voting by Proxy Generally

Proxyholders other than the individuals named in the accompanying Proxy will be required to identify themselves by notice in writing to the Company by 12:30 p.m. EST on Friday, July 22, 2022 so that the Company can confirm their identity prior to the Meeting and facilitate their voting of the Proxies that they hold at the Meeting. Notice may be provided by e-mail to the Company at dmark@aurionresources.ca. Proxies will not be accepted at the Meeting. All Proxies must be submitted to Computershare by 12:30 p.m. EST on Friday, July 22, 2022 (the “Proxy Deadline”).

Votes received by the Proxy Deadline for each matter set out in the Notice will be tabulated by Computershare and compiled in a Proxy report (the “Proxy Report”) completed by the Scrutineer. The determination as to whether a particular matter has been approved, a particular individual has been appointed or a particular resolution has been passed will be made solely on the basis of the voting results set out in the Proxy Report. Management will advise at the Meeting, the voting results for each matter set out in the Proxy Report and Shareholders will be entitled to request a copy of the Proxy Report from management after the Meeting.

Voting and Discretion of Proxies

The common shares (the “Shares”) of the Corporation represented by the Proxies solicited by management of the Corporation pursuant to this Circular will be voted or withheld from voting in accordance with the directions contained therein. **If no directions are given, the Shares will be voted FOR the fixing of the number of directors at six (6), FOR the election of management’s nominees as directors of the Corporation, FOR the appointment of management’s nominee as auditors of the Corporation and authorizing the directors to fix their remuneration and FOR the approval of the stock option plan. The Proxy confers discretionary authority on the persons named therein in respect of amendments or variations to the matters referred to in the Notice and in respect of other matters that may properly come before the Meeting, or any adjournment thereof.**

As at the date of this Circular, management knows of no such amendments or variations or other matters that may properly come before the Meeting but, if any such amendments, variations or other matters are properly brought before the Meeting, the persons named in the Proxies will vote thereon in accordance with their best judgment.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Except as disclosed herein, the Company is not aware of any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, of each of the following persons in any matter to be acted upon at the Meeting other than the election of directors or the appointment of auditors:

- (a) each person who has been a director or executive officer of the Company at any time since the beginning of the Company's last financial year;

The Advance Notice Policy fixes a deadline by which holders of record of Shares must submit director nominations to the Company prior to any annual or special meeting of shareholders and sets forth the information that a shareholder must include in a written notice to the Company for any director nominee to be eligible for election at such annual or special meeting of shareholders. Oversight and Description of Director and Named Executive Officer Compensation

Compensation of Directors

Compensation of directors is recommended by the Compensation & Corporate Governance Committee (the “CCG Committee”) to the board of directors. As of December 31, 2021, non-executive directors receive annual fees of \$20,000 each. Long term incentives (stock options and DSUs) are granted from time to time, based on an existing complement of long-term incentives, corporate performance and to be competitive with other companies of similar size and scope.

Compensation of Named Executive Officers

The Company’s compensation philosophy for Named Executive Officers follows three underlying principles:

- (a) to provide compensation packages that encourage and motivate performance;
- (b) to be competitive with other companies of similar size and scope of operations so as to attract and retain talented executives; and
- (c) to align the interests of its executive officers with the long-term interests of the Company and its shareholders through stock related programs.

When determining compensation policies and individual compensation levels for the Company’s executive officers, the Company takes into consideration a variety of factors including management’s understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities; each executive officer’s individual performance during the fiscal year; each executive officer’s experience, skills and level of responsibility; the executive’s historical compensation and performance within the Company; and existing market standards within the mining industry. Management presents its recommendations to the Board of Directors.

Elements of NEO Compensation

Compensation Mix

In keeping with the Company's philosophy to link executive compensation to corporate performance and to motivate executives to achieve exceptional levels of performance, the Company has adopted a model that includes both base salary and "at-risk" compensation comprised of participation in the Company's Long-Term Incentive Plan (stock options and DSUs), as described below.

Base Salary

Mr. Talikka receives a base salary of \$200,000.

Mr. Basha received a base salary of \$200,000. His employment terminated on March 31, 2021.

Mr. Serdan receives a base salary of \$150,000.

Directors are also eligible to receive a rate for consulting services when requested by the Company to provide services not normally considered to be within the scope of Directors' duties. The Board considers that this is appropriate for the Company's current stage of development. Base salaries are reviewed annually to ensure they reflect each respective executive's performance and experience in fulfilling his or her role and to ensure executive retention.

Long Term Incentive Plan (Stock Options and DSUs)

Long term incentives are performance-based grants of stock options and DSUs. The awards are intended to align executive interests with those of shareholders by tying compensation to share performance and to assist in retention through vesting provisions. Grants of stock options and DSUs are based on:

- (a) the executive's performance;
- (b) the executive's level of responsibility within the Company;
- (c) the number and exercise price of options previously issued to the executive; and
- (d) the overall aggregate total compensation package provided to the executive.

The value of any long-term stock options allocated is determined using the Black-Scholes model.

The value of any DSUs granted is the market price of the Company's shares.

Management makes recommendations to the CCG Committee and the Board concerning the Company's Long-Term Incentive Plan based on the above criteria. Options and DSUs are typically granted on an annual basis in connection with the review of executives' compensation packages. Options and DSUs may also be granted to executives upon hire or promotion and as special recognition for extraordinary performance.

The Company's Board of Directors considers previous grants of options and DSUs and the overall number of options and DSUs that are outstanding relative to the number of outstanding Shares in determining whether to make any new grants of options and DSUs and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience, and level of commitment of the director, officer, employee, or consultant in determining the level of incentive compensation.

Benefits and Perquisites

The Company's NEOs do not receive any benefits or perquisites. For additional details, see "Description of the Long-Term Incentive Plan" below.

STATEMENT OF CORPORATE GOVERNANCE

National Instrument 58-101, *Disclosure of Corporate Governance Practices*, ("**NI 58-101**") of the Canadian Securities Administrators requires each reporting issuer to disclose its corporate governance practices on an annual basis.

Board of Directors

NI 58-101 defines "independence" with reference to the definition of independence contained in National Instrument 52-110-Audit Committees ("**NI 52-110**"). A director is independent if he has no direct or indirect material relationship to the Company. A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. Certain types of relationships are by their nature considered to be material relationships and are specified in Section 1.4 of NI 52-110.

As of June 21, 2022, the Board consisted of six (6) directors: David Lotan, Matti Talikka, Dennis Clarke, David Loveys, Kerry Sparkes and Leily Omoumi. Of the current Board the following members are independent: Dennis Clarke, Kerry Sparkes, David Loveys and Leily Omoumi. The following members are not independent: Matti Talikka and David Lotan

The Board monitors, but does not formally assess, the performance of individual Board members or committee members or their contributions.

Other Board Committees

The Company has an Audit Committee (please refer to the “Audit Committee” section) and a Compensation & Corporate Governance Committee.

Assessments

The Board relies on experts such as financial advisors and external legal counsel and forms special committees on an ad hoc basis as necessary. Based on the Company’s size, its stage of development and the limited number of individuals on the Board, the Board considers an external formal assessment process to be inappropriate at this time. The entire Board is responsible for selecting new directors and assessing current directors. A proposed director’s credentials are reviewed in advance of a Board meeting by one or more members of the Board prior to the proposed director’s nomination and in camera sessions are available at every Board meeting.

AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITORS

The Audit Committee is a standing committee of the Board, the primary function of which is to assist the Board in fulfilling its financial oversight responsibilities, which will include monitoring the quality and integrity of the Company's financial statements and the independence and performance of the Company's external auditor, acting as a liaison between the Board and the Company's external auditor, reviewing the financial information that will be publicly disclosed and reviewing all audit processes and the systems of internal controls management and the Board have established.
