## **NOTICE OF NO AUDITOR'S REVIEW OF INTERIM FINANCIAL STATEMENTS**

Under National Instrument 51-102, Part 4, subsection 4.3(3)(a), if an auditor has not performed a review of the interim financial statements they must be accompanied by a notice indicating that the financial statements have not been reviewed by an auditor.

The accompanying unaudited condensed interim financial statements of Vitreous Glass Inc. have been prepared by and are the responsibility of the Company's management. The Company's independent auditor has not performed a review of these financial statements in accordance with standards established by the Canadian Institute of Chartered Accountants for a review of interim financial statements by an entity's auditors.

## Notes to the Condensed Interim Financial Statements

For the nine month period ended June 30, 2021 and 2020

(Stated in Canadian Dollars)

(unaudited)

---

### 1. Description of the Business

Vitreous Glass Inc. ("Vitreous" or the "Company") cleans, crushes and sells waste glass to the fiberglass manufacturing industry in the province of Alberta. Vitreous' common shares are listed and posted for trading on the TSX Venture Exchange under the symbol VCI.

The head office and principal address of the Company is 212 East Lake Blvd., Airdrie, Alberta, T4A 0H5.

The World Health Organization declared a pandemic related to the continuing worldwide spread of Coronavirus (COVID-19) virus. The confusion and uncertainty caused by this health threat is expected to seriously impact economies of many of the world's countries, including Canada, and will certainly have a negative impact on businesses worldwide. Under current conditions, however, it is impossible to reliably estimate the impact of the pandemic on the Company's future financial results.

### 2. Basis of Preparation

#### **Statement of compliance**

These condensed interim financial statements have been prepared in accordance with International Accounting Standards ("IAS") 34, Interim Financial Reporting, and have been prepared following the same accounting policies as those used in preparing the most recent annual financial statements. These condensed interim financial statements have been prepared on the historical cost basis, except for financial instruments which are recognized at fair value. These condensed interim financial statements do not include all the disclosures required for the preparation of annual financial statements. Accordingly, these condensed interim financial statements should be read in conjunction with the 2020 audited financial statements.

These condensed interim financial statements were approved and authorized for issuance by the Board of Directors on August 23, 2021.

#### **Basis of measurement**

These financial statements have been prepared on the historical cost, accrual basis of accounting, except for share-based payments. These financial statements are stated in Canadian dollars which is the Company's functional currency and have been prepared on a going concern basis.

The condensed interim financial statements have been prepared on a going concern basis with the assumption that the Company will be able to realize its assets and discharge its liabilities in the normal course of business.

#### **Critical Accounting Estimates and Judgments**

In the application of the Company's accounting policies management is required to make judgments, estimates and assumptions that affect the carrying amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses for the periods presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant, the results of which form the basis of the valuation of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the year in which the estimate is revised if the revision affects only that year or in the year of the revision and future years if the revision affects both current and future years.

There are no new critical accounting estimates and judgments for the three month period ended June 30, 2020 other than those previously disclosed in the annual financial statements for the year ended September 30, 2020.

#### **Significant accounting policies**

These condensed interim financial statements have been prepared, for all periods presented, following the same accounting policies and methods of computation as the annual financial statements for the year ended September 30, 2020.

## Vitreous Glass Inc.

### Notes to the Condensed Interim Financial Statements

For the nine month period ended June 30, 2021 and 2020

(Stated in Canadian Dollars)

(unaudited)

### 3. Inventory

	June 30, 2021	September 30, 2020
Raw material	\$ 189,041	\$ 551,869
Crushed glass	26,365	26,365
Spare parts	337,955	327,023
	\$ 553,361	\$ 905,307

<b>Cost of sales</b>	<b>June 30, 2021</b>	<b>September 30, 2020</b>
Cost of raw glass sold	\$ 2,925,523	\$ 2,123,257
Salaries and employee benefits	716,976	699,954
Repairs and maintenance	299,859	217,435
Other facility operating costs	483,803	438,270
	\$ 4,426,161	\$ 3,478,916

Raw glass inventory on hand at the Airdrie plant was written up by 2,330 Short Tons as at December 31, 2020 (210 Short Tons as at December 31, 2019). Raw glass inventory on hand at the off-site storage area was written up by 3,288 Short Tons as at March 31, 2021 (Nil Short Tons as at March 31, 2020). Both write ups were made to adjust the book value of raw glass on hand to the actual amounts on hand according to physical measurement processes as at those dates. The total dollar amount of the write-ups in the nine months ended June 30, 2021 was \$210,070 (2019 \$7,144) which amounts served to reduce the cost of raw glass sold in those periods.

Spare parts on hand as at June 30, 2021 are reported as inventory whereas in prior years they were reported as prepaid expenses. The prior year's amounts of inventory and prepaid expenses have been reclassified in the comparative figures.

### 4. Share capital

a) Authorized

Unlimited number of common shares without nominal or par value

Issued: Common shares:

	Number of Shares	\$
<b>As at September 30, 2020 and June 30, 2021</b>	6,283,667	2,902,082

b) Stock option plan

The Company has established a stock option plan for the benefit of the directors, officers, employees and consultants of the Company. Options granted under the plan have a five-year term and have vesting periods as determined by the Company's directors at the date of grant. The exercise price of each option equals the market price of the Company's shares at the date of grant.

### Notes to the Condensed Interim Financial Statements

For the nine month period ended June 30, 2021 and 2020

(Stated in Canadian Dollars)

(unaudited)

#### 4. Share capital (continued)

The following is a summary of the changes in the Company's Stock Option Plan during the period:

	Number of options outstanding	Number of options exercisable	Exercise Price	Weighted average life
As at September 30, 2019	100,000	100,000	\$3.54	49.3 months
Granted	100,000	100,000	\$2.75	-
As at September 30, 2020	200,000	200,000	\$3.18	45.5 months
As at June 30, 2021	200,000	200,000	\$3.18	36.5 months

#### c) Earnings per share

The weighted average number of common shares used in the calculation of earnings per share is as follows:

	Three months ended June 30		Nine months ended June 30	
	2021	2020	2021	2020
Basic	6,283,667	6,283,667	6,283,667	6,283,667
Diluted	6,483,667	6,389,162	6,483,667	6,386,399

#### d) Dividends paid

During the nine months ended June 30, 2021, the Company declared and paid dividends of \$2,890,488 (2020 - \$942,550) on its common shares being \$0.46 (2020 - \$0.15) per share. During the three months ended June 30, 2021, the Company declared and paid dividends of \$502,693 (2020 - \$NIL) on its common shares being \$0.08 (2019 - \$NIL) per share.

#### 5. General and administrative expenses

General and administrative expenses are comprised of:

	Three months ended June 30		Nine months ended June 30	
	2021	2020	2021	2020
Salaries and employees benefits and director fees	\$ 97,238	\$ 14,974	\$ 240,679	\$ 78,514
Cash flow sharing and profit sharing	325,697	93,745	1,124,020	552,341
Professional and consulting fees	2,000	10,000	6,000	43,800
Other general expenses	55,994	42,360	162,789	137,630
	\$ 480,929	\$ 161,079	\$ 1,533,488	\$ 812,285

# Vitreous Glass Inc.

## Notes to the Condensed Interim Financial Statements

For the nine month period ended June 30, 2021 and 2020

(Stated in Canadian Dollars)

(unaudited)

### 6. Changes in non-cash working capital

	Nine months ended June 30	
Funds provided by (used in):	2021	2020
Accounts receivable	\$ 591,806	\$ 712,334
Income taxes recoverable	-	-
Inventory	351,946	35,640
Prepaid expenses	(28,782)	(60,572)
Accounts payable and accrued liabilities	(140,135)	(51,472)
Income taxes payable	(1,701)	7,004
	\$ 773,134	\$ 642,934

### 7. Economic dependence

During the three and nine months ended June 30, 2021 and 2020, all sales were to three customers in the fibreglass manufacturing industry of which two customers exceeded 10% of total sales. In the three months ended June 30, 2021, sales to each of these two customers represented 57.3% (2020 – 85.6%) and 36.1% (2020 – 4.6%) of total sales.

In the nine months ended June 30, 2021, sales to each of these two customers represented 55.8% (2020 – 67.2%) and 38.2% (2020 – 25.7%) of total sales.

### 8. Financial instruments and risk management

#### a) Risk management overview

The Company's activities expose it to a variety of financial risks including credit risk, liquidity risk and market risk. This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk, and the Company's management of capital. Further quantitative disclosures are included throughout these financial statements. The Company employs risk management strategies and policies to ensure that any exposure to risk are in compliance with the Company's business objectives and risk tolerance levels. While the Board of Directors has the overall responsibility for the Company's risk management framework, Vitreous' management has the responsibility to administer and monitor these risks.

#### b) Fair values of financial instruments

The fair value of the Company's cash and cash equivalents, accounts receivable and accounts payable and accrued liabilities approximate their carrying value due to immediate or short-term maturity of these financial instruments.

Financial instruments recorded at fair value on the statement of financial position are classified using a fair value hierarchy that reflects the significance of the inputs used in making the measurements. The fair value hierarchy has the following levels:

Level 1 - reflects valuation based on quoted prices observed in active markets for identical assets or liabilities.

Level 2 - reflects valuation techniques based on inputs that are quoted prices of similar instruments in active markets; quoted prices for identical or similar instruments in markets that are not active; inputs other than quoted prices used in a valuation model that are observable for that instrument; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

# Vitreous Glass Inc.

## Notes to the Condensed Interim Financial Statements

For the nine month period ended June 30, 2021 and 2020

(Stated in Canadian Dollars)

(unaudited)

---

### 8. Financial instruments and risk management (continued)

Level 3 - reflects valuation techniques with significant unobservable market inputs.

All financial instruments are recorded using level 1 valuation with the exception of options which are valued using level 3 inputs. There has been no reclassification of financial instruments between valuation levels during the nine months ended June 30, 2021 or 2020.

#### c) Credit risk

Credit risk is the risk of financial loss to the Company if any counterparty fails to discharge its obligations.

Accounts receivable consists of sales of crushed glass to fiberglass manufacturers and as such, are subject to normal industry credit risks.

The Company grants unsecured credit but routinely assesses the financial strength of its customers.

At June 30, 2021, 70.2% (June 30, 2020 – 76.8%) of accounts receivable are due from two customers.

At each period-end, the Company assesses if there have been any impairments of accounts receivable. At June 30, 2021 and 2020, the Company had no accounts receivable past due based on customer credit terms. There was no impairment provision.

Credit risk also exists in cash and cash equivalents, which is mitigated by the Company holding cash and cash equivalents with major Canadian financial institutions.

The maximum exposure to credit risk is represented by the fair value of cash and cash equivalents and accounts receivable.

#### d) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting obligations associated with financial liabilities as they become due. The Company manages this risk through continuously monitoring its budgeted and projected operating results and capital expenditure programs. The Company currently does not have any plans for major expenditures and expects to pay its financial liabilities in the normal course of operations as they become due over the next year.

#### e) Capital risk management

The Company's objective when managing capital is to safeguard its ability to continue as a going concern, so that it can continue to provide returns to shareholders and benefits for other stakeholders. The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the risk characteristics of the underlying assets. The Company's objective is met by retaining adequate equity to guard against the possibility that cash flows from assets will not be sufficient to meet future cash flow requirements. The Board of Directors does not establish quantitative return on capital criteria for management, but rather promotes year over year sustainable net income and cash flow to provide dividends to shareholders. The Company defines capital as shareholders' equity.

There have been no changes to the Company's capital management during the three months ended June 30, 2021.

### 9. Subsequent event

On July 15, 2021, the Board of Directors declared a cash dividend of \$0.09 per common share which was paid on August 13, 2021 to the shareholders of record on July 30, 2021.
