### **About Sidoti & Company**

For over two decades, Sidoti & Company (<http://www.sidoti.com>) has been a premier provider of independent securities research focused specifically on small and microcap companies and the institutions that invest in their securities, with most of its coverage in the \$100 million-\$5 billion market cap range. The firm's approach affords companies and institutional clients a combination of high-quality research, a small- and microcap-focused nationwide sales effort, broad access to corporate management teams, and extensive trading support. Sidoti serves 500+ institutional clients in North America.

### **About NXT Energy Solutions Inc.**

NXT Energy Solutions Inc. is a Calgary based technology company whose proprietary SFD<sup>®</sup> survey system utilizes quantum-scale sensors to detect gravity field perturbations in an airborne survey method which can be used both onshore and offshore to remotely identify traps and reservoirs with exploration potential. The SFD<sup>®</sup> survey system enables our clients to focus their exploration decisions concerning land commitments, data acquisition expenditures and prospect prioritization on areas with the greatest potential. SFD<sup>®</sup> is environmentally friendly and unaffected by ground security issues or difficult terrain and is the registered trademark of NXT Energy Solutions Inc. NXT Energy Solutions Inc. provides its clients with an effective and reliable method to reduce time, costs, and risks related to exploration.
