(the “**Company**”) in connection with the solicitation by the management of the Company (the “**Management**”) of proxies to be voted at the annual general meeting (the “**Meeting**”) of the Shareholders to be held at 10:00 a.m. (Vancouver time) on Thursday, September 12, 2024 via live video conference, or at any adjournment or postponement thereof.

Shareholders will have an equal opportunity to participate at the Meeting online regardless of geographic location. Registered Shareholders and proxyholders will be able to attend the virtual meeting and vote, and will be considered to be present in person at the Meeting for the purposes of determining quorum. Non-registered Shareholders who have not duly appointed themselves as proxyholder will be able to attend the virtual Meeting as a guest, but will not be able to vote at the Meeting. This is because the Company and its transfer agent, do not have a record of the non-registered Shareholders, and, as a result, will have no knowledge of their shareholdings or entitlement to vote unless they appoint themselves as proxyholder.

The Meeting will be held via the Zoom meeting platform. In order to access the Meeting, Shareholders will have two options, being via teleconference or through the Zoom application, which requires internet connectivity. **Registered Shareholders wishing to vote in person, proxyholders wishing to vote and any Shareholders wishing to view materials that may be presented by Management will need to utilize the Zoom application and provide to the Company’s scrutineer at the Meeting their first and last name and their unique control number provided with their form of proxy.**

Shareholders may also listen to the Meeting via teleconference. However, Registered shareholders participating via teleconference will be able to vote in person at the Meeting if the Company’s scrutineer is able to take steps to verify the identity of registered shareholders.

Access to the Meeting will be opened approximately 30 minutes prior to the start of the Meeting. It is strongly recommended that persons attending the meeting access the Meeting 30 minutes before the Meeting starts to facilitate registration by the Company's scrutineer.

MANAGEMENT SOLICITATION OF PROXIES

The solicitation of proxies by Management will be conducted by mail and may be supplemented by telephone or other personal contact to be made, without special compensation, by the directors, officers and employees of the Company. The Company does not reimburse Shareholders, nominees or agents for costs incurred in obtaining from their principals authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this proxy material to their customers, and the Company may reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The Company will bear the cost of the solicitation.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

APPOINTMENT AND REVOCATION OF PROXY

Appointment of Proxy

Registered Shareholders are entitled to vote. A Shareholder is entitled to one (1) vote for each Common Share that such Shareholder holds on the record date of August 7, 2024 on the resolutions to be voted upon at the Meeting, and any other matter to come before the Meeting.

The persons named as proxyholders (the "**Designated Persons**") in the enclosed form of proxy are directors and/or officers of the Company.

A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON OR COMPANY (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR OR ON BEHALF OF THAT SHAREHOLDER AT THE MEETING, OTHER THAN THE DESIGNATED PERSONS NAMED IN THE ENCLOSED FORM OF PROXY.

TO EXERCISE THE RIGHT, THE SHAREHOLDER MAY DO SO BY STRIKING OUT THE PRINTED NAMES AND INSERTING THE NAME OF SUCH OTHER PERSON AND, IF DESIRED, AN ALTERNATE TO SUCH PERSON, IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY. SUCH SHAREHOLDER SHOULD NOTIFY THE NOMINEE OF THE APPOINTMENT, OBTAIN THE NOMINEE'S CONSENT TO ACT AS PROXY AND SHOULD PROVIDE INSTRUCTION TO THE NOMINEE ON HOW THE SHAREHOLDER'S COMMON SHARES SHOULD BE VOTED. THE NOMINEE SHOULD BRING PERSONAL IDENTIFICATION TO THE MEETING.

In order to be voted, the completed form of proxy must be received by the Company's registrar and transfer agent, Endeavor Trust Corporation at its offices located at Suite 702 – 777 Hornby Street, Vancouver, BC V6Z 1S4, no later than forty-eight (48) hours (excluding Saturdays, Sundays and holidays) prior to the time of the Meeting, or any adjournment or postponement thereof.

A proxy may not be valid unless it is dated and signed by the Shareholder who is giving it or by that Shareholder's attorney-in-fact duly authorized by that Shareholder in writing or, in the case of a corporation, dated and executed by a duly authorized officer or attorney-in-fact for the corporation. If a form of proxy is executed by an attorney-in-fact for an individual Shareholder or joint Shareholders, or by an officer or attorney-in-fact for a corporate Shareholder, the instrument so empowering the officer or attorney-in-fact, as the case may be, or a notarially certified copy thereof, must accompany the form of proxy.

Revocation of Proxies

A Shareholder who has given a proxy may revoke it at any time before it is exercised by an instrument in writing: (a) executed by that Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the corporation; and (b) delivered either: (i) to the Company at the address set forth above, at any time up to and including the last business day preceding the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (ii) to the Chairman of the Meeting prior to the vote on matters covered by the proxy on the day of the Meeting or, if adjourned or postponed, any reconvening thereof, or (iii) in any other manner provided by law.

Also, a proxy will automatically be revoked by either: (i) attendance at the Meeting and participation in a poll (ballot) by a Shareholder, or (ii) submission of a subsequent proxy in accordance with the foregoing procedures. A revocation of a proxy does not affect any matter on which a vote has been taken prior to any such revocation.

VOTING BY PROXIES

A Shareholder may indicate the manner in which the Designated Persons are to vote with respect to a matter to be voted upon at the Meeting by marking the appropriate space. If the instructions as to voting indicated in the proxy are certain, the Common Shares represented by the proxy will be voted or withheld from voting in accordance with the instructions given in the proxy. If the Shareholder specifies a choice in the proxy with respect to a matter to be acted upon, then the Common Shares represented will be voted or withheld from the vote on that matter accordingly. **Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. The Common Shares represented by a proxy will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for and if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly.**

IF NO CHOICE IS SPECIFIED IN THE PROXY WITH RESPECT TO A MATTER TO BE ACTED UPON, THE PROXY CONFERS DISCRETIONARY AUTHORITY WITH RESPECT TO THAT MATTER UPON THE DESIGNATED PERSONS NAMED IN THE FORM OF PROXY. IT IS INTENDED THAT THE DESIGNATED PERSONS WILL VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED IN THE PROXY AND FOR THE NOMINEES OF THE COMPANY'S BOARD OF DIRECTORS (THE "BOARD") FOR DIRECTORS AND AUDITOR.

The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to other matters which may properly come before the Meeting, including any amendments or variations to any matters identified in the Notice, and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, Management is not aware of any such amendments, variations, or other matters to come before the Meeting.

In the case of abstentions from, or withholding of, the voting of the Common Shares on any matter, the Common Shares that are the subject of the abstention or withholding will be counted for determination of a quorum, but will not be counted as affirmative or negative on the matter to be voted upon.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set out in this section is of significant importance to those Shareholders who do not hold Common Shares in their own name. Shareholders who do not hold their Common Shares in their own name (referred to in this Information Circular as "Beneficial Shareholders") should note that only proxies deposited by Shareholders whose names appear on the records of the Company as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the names of the Shareholder's broker or an agent of that broker. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co., being the registration name for The Canadian Depository for Securities Limited (which acts as a nominee for many Canadian brokerage firms), and in the United States, under the name Cede & Co., as nominee for the Depository Trust Company (which acts as a brokerage depository for many U.S. firms and custodial banks). Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate person well in advance of the Meeting.

Regulatory polices require Intermediaries to seek voting instructions from Beneficial Shareholders in advance of Shareholder meetings. Beneficial Shareholders have the option of not objecting to their Intermediary disclosing certain ownership

information about themselves to the Company (such Beneficial Shareholders are designated as non-objecting beneficial owners, or “**NOBOs**”) or objecting to their Intermediary disclosing ownership information about themselves to the Company (such Beneficial Shareholders are designated as objecting beneficial owners, or “**OBOs**”).

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Company has elected to send the Notice, this Information Circular and a request for voting instructions (a “**VIF**”), instead of a proxy (the notice of Meeting, Information Circular and VIF or proxy are collectively referred to as the “**Meeting Materials**”) indirectly to the NOBOs and OBOs through Intermediaries. The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to NOBOs and OBOs.

Meeting Materials sent to Beneficial Shareholders are accompanied by a VIF, instead of a proxy. By returning the VIF in accordance with the instructions noted on it, a Beneficial Shareholder is able to instruct the Intermediary (or other registered Shareholder) how to vote the Beneficial Shareholder’s Common Shares on the Beneficial Shareholder’s behalf. For this to occur, it is important that the VIF be completed and returned in accordance with the specific instructions noted on the VIF.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Beneficial Shareholders to Broadridge Investor Communication Solutions in Canada and Broadridge Financial Services Inc. in the United States (collectively, “**Broadridge**”). Broadridge typically prepares a machine-readable VIF, mails these VIFs to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge, usually by way of mail, the Internet or telephone. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting by proxies for which Broadridge has solicited voting instructions. A Beneficial Shareholder who receives a Broadridge VIF cannot use that form to vote Common Shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through an Intermediary, please contact that Intermediary for assistance.

In either case, the purpose of this procedure is to permit Beneficial Shareholders to direct the voting of the Common Shares which they beneficially own. Beneficial Shareholder receiving a VIF cannot use that form to vote Common Shares directly at the Meeting. Beneficial Shareholders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. Should a Beneficial Shareholder who receives a VIF wish to attend the Meeting or have someone else attend on their behalf, the Beneficial Shareholder will need to write their name (or their nominee’s name) in the space provided in the VIF and return it in accordance with the instructions in the VIF.

Only registered Shareholders have the right to revoke a proxy. A Beneficial Shareholder who wishes to change its vote must, at least seven (7) days before the Meeting, arrange for its Intermediary to revoke its VIF on its behalf.

The Meeting Materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Company or its agent has sent the Meeting Materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send the Meeting Materials to you indirectly, the intermediary holding on your behalf has assumed responsibility for (i) delivering the Meeting Materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the VIF.

Management of the Company does not intend to pay for intermediaries to forward to OBOs under NI 54-101 the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary*, and, in the case of an OBO, the OBO will not receive the materials unless the OBO’s intermediary assumes the cost of delivery.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The Company is authorized to issue (i) an unlimited number of Common Shares without par value and (ii) an unlimited number of preferred shares without par value. Exemption in Section 6.1

The Company is a “venture issuer” as defined in NI 52-110 and is relying on the exemption in section 6.1 of NI 52-110 relating to Parts 3 (Composition of Audit Committee) and 5 (Reporting Obligations) of NI 52-110.

CORPORATE GOVERNANCE

National Instrument 58-101 - *Disclosure of Corporate Governance Practices*, requires all reporting issuers to provide certain annual disclosure of their corporate governance practices with respect to the corporate governance guidelines (the “**Guidelines**”) adopted in National Policy 58-201 – *Corporate Governance Guidelines*. These Guidelines are not prescriptive, but have been used by the Company in adopting its corporate governance practices. The Board and Management consider good corporate governance to be an integral part of the effective and efficient operation of Canadian corporations. The Company’s approach to corporate governance is set out below.

Board of Directors

Management is nominating three (3) individuals to the Board, all of whom are current directors of the Company.

The Guidelines suggest that the board of directors of every reporting issuer should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship which could, in the view of the Board, reasonably interfere with the exercise of a director’s independent judgement, including persons who are employees or executive officers of the Company or who have been employees or executive officers of the Company within the last three years. None of the current members of the Board are considered “independent” within the meaning of NI 52-110, except for Michael Leo and Gregory Bronson. Mr. Gamley is not considered independent on the basis of his positions as the Chief Executive Officer, Chief Financial Officer and Corporate Secretary of the Company.

The Board has a stewardship responsibility to supervise the management of and oversee the conduct of the business of the Company, provide leadership and direction to Management, evaluate Management, set policies appropriate for the business of the Company and approve corporate strategies and goals. The day-to-day management of the business and affairs of the Company is delegated by the Board to the CEO of the Company. The Board will give direction and guidance through the CEO of the Company to Management and will keep Management informed of its evaluation of the senior officers in achieving and complying with goals and policies established by the Board.

The Board recommends nominees to the shareholders for election as directors, and immediately following each annual general meeting appoints an Audit Committee and the Audit Committee chairperson. The Board establishes and periodically reviews and updates the committee mandates, duties and responsibilities, elects an Executive Chair and establishes his or her duties and responsibilities, appoints the CEO, CFO and President of the Company and establishes the duties and responsibilities of those positions and on the recommendation of the CEO and the President of the Company, appoints the senior officers of the Company and approves the senior management structure of the Company.

The Board exercises its independent supervision over management by its policies that (a) periodic meetings of the Board be held to obtain an update on significant corporate activities and plans; and (b) all material transactions of the Company are subject to prior approval of the Board. The Board shall meet not less than three times during each year and will endeavour to hold at least one meeting in each fiscal quarter. The Board will also meet at any other time at the call of the President, or subject to the Articles of the Company, of any director of the Company.

The mandate of the Board, as prescribed by the *Business Corporations Act* (British Columbia), is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company's affairs directly and through the Audit Committee.

Directorships

The following directors of the Company are directors of other reporting issuers:

Name of Director	Name of Reporting Issuer	Exchange
Robin Gamley	EMP Metals Corp.	CSE
	Waverunner Capital Inc.	CSE
Michael Leo	Avanti Helium Corp.	TSX-V
Gregory Bronson	EMP Metals Corp.	CSE
	Forge Resources Corp.	CSE
	Bathurst Metals Corp.	TSX-V

Orientation and Continuing Education

The Board's practice is to recruit for the Board only persons with extensive experience in identifying and targeting junior businesses for transactions and in public company matters. Prospective new board members are provided with a reasonably detailed level of background information, verbal and documentary, on the Company's affairs and plans prior to obtaining their consent to act as a director.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors of the Company by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which such director has an interest have been sufficient to ensure that the Board operates independently of Management and in the best interests of the Company.

Under corporate legislation, a director of the Company is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if such director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. Such director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If such director abstains from voting after disclosure of their interest, the directors of the Company approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, such director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

Nomination of Directors

The Board identifies new candidates for board nomination by an informal process of discussion and consensus-building on the need for additional directors of the Company, the specific attributes being sought, likely prospects, and timing. Prospective directors are not approached until consensus is reached. This process takes place among the Executive Chair and a majority of the non-executive directors.

Assessments

The Board annually reviews its own performance and effectiveness as well as the effectiveness and performance of its committees. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to its directors, communication between Board and Management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practices allow the Company to operate efficiently, with checks and balances that control and monitor Management and corporate functions without excessive administration burden.

Compensation

Discussion of the steps taken by the Board to determine compensation for directors and the CEO is included under "*Oversight and Description of Director and NEO Compensation.*"

PARTICULARS OF MATTERS TO BE ACTED UPON

1. Financial Statements, Auditors' report and Management Discussion & Analysis

The audited financial statements of the Company for the financial year ended February 29, 2024, the audit report of Manning Elliott LLP relating thereto (collectively, the "**Financial Statements**") and the Company's management discussion and analysis relating thereto (the "**MD&A**") will be placed before the Meeting.

No further action or approval is required at the Meeting in respect of these documents.

2. Set Number of Directors to be Elected

At the Meeting, Shareholders will be asked to pass an ordinary resolution to set the number of directors of the Company for the ensuing year at three (3). The number of directors will be approved if the affirmative vote of the majority of Common Shares present or represented by proxy at the Meeting and entitled to vote are voted in favour to set the number of directors at three (3).

The Board unanimously recommends that Shareholders vote "for" setting the number of directors of the Company at three (3).

3. Election of Directors

The directors of the Company are elected at each annual general meeting of Shareholders and hold office until the next annual general meeting of Shareholders or until their successors are appointed. In the absence of instructions to the contrary, the enclosed proxy will be voted for the nominees herein listed.

Notes:

- (1) The information as to Common Shares beneficially owned, controlled or directed, directly or indirectly, has been provided by the nominees.
- (2) Member of the Audit Committee, of which Mr. Gamley is the Chair.

No proposed director of the Company is being elected under any arrangement or understanding between such proposed director and any other person or company.

Management does not contemplate that any of its nominees will be unable to serve as directors of the Company. If any vacancies occur in the slate of nominees listed above before the Meeting, then the Designated Persons intend to exercise discretionary authority to vote the Common Shares represented by proxy for the election of any other persons as directors of the Company.

Other than as disclosed below, to the knowledge of the Company, no proposed director:

- (a) is, as at the date of the Information Circular, or has been, within ten (10) years before the date of the Information Circular, a director, Chief Executive Officer or Chief Financial Officer of any company (including the Company) that:
- (i) was the subject, while the director was acting in the capacity as director, Chief Executive Officer or Chief Financial Officer of such company, of a cease trade or similar order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days; or

- (b) is, as at the date of this Information Circular, or has been within ten (10) years before the date of the Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (c) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the director; or

- (e) has been subject to any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a director.

For the purposes of this Information Circular, an “order” means a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to an exemption under securities legislation, and such order was in effect for a period of more than 30 consecutive days.

On December 30, 2020, the British Columbia Securities Commission (the “BCSC”) issued a management cease trade order (the “MCTO”) against Gregory Bronson, a director of Forge Resources Corp. (“Forge”), in respect of Forge’s failure to file its audited financial statements and management’s discussion and analysis for the financial year ended August 31, 2020 (collectively, the “Financials”). The BCSC revoked the MCTO on February 17, 2021 upon Forge filing the Financials.

The Board unanimously recommends that Shareholders vote “for” the election of each of the above nominees as directors of the Company.

4. Appointment and Remuneration of Auditor

The Company is nominating Manning Elliott LLP, Chartered Professional Accountants, of Vancouver, British Columbia for re-appointment as auditor of the Company to hold office until the next annual general meeting of Shareholders and to authorize the Board to fix the remuneration to be paid thereto.

5. Ratification, Confirmation and Approval of the Amended and Restated Stock Option Plan

Pursuant to Policy 4.4 – Security Based Compensation of the TSX Venture Exchange (“TSX-V”), all TSX-V listed companies are required to adopt a stock option plan prior to granting Options. The purpose of the Stock Option Plan is to attract and motivate directors, senior officers, employees, consultants and other permitted optionees providing services to the Company and its subsidiaries, and thereby advance the Company’s interests, by affording such persons with an opportunity to acquire an equity interest in the Company through the grant of Options. The Company is currently listed on Tier 2 of the TSX-V and has adopted a “rolling” stock option plan reserving a maximum of 10% of the issued shares of the Company at the time of the Option grant.

The Shareholders are being asked to approve the Amended and Restated Stock Option Plan, at the Meeting. As a “rolling” stock option plan, the Amended and Restated Stock Option Plan will be required to be re-approved by the Shareholders each year at the Company’s annual general meeting.

Summary of the Amended and Restated Stock Option Plan

The following information is intended as a brief description of the Amended and Restated Stock Option Plan and is qualified in its entirety by the full text of the Amended and Restated Stock Option Plan, which will be available for review at the Meeting and is attached hereto as Schedule “B”. Capitalized terms not otherwise defined herein are as defined in the Amended and Restated Stock Option Plan.

- For so long as the Company is a CPC, notwithstanding any other provision in the Amended and Restated Stock Option Plan and as set out in this summary, the following additional terms, conditions and restrictions shall apply:
 - Options granted by the Company may only entitle the Optionee to acquire Common Shares.
 - Options may only be granted to a director or officer of the Company, and where permitted by applicable securities laws, a technical consultant whose particular industry expertise in relation to the business of the Vendors or the Target Company, as the case may be, is required to evaluate the proposed Qualifying Transaction, or a company, all of whose securities are owned, directly and indirectly, by such a director, officer or technical consultant;
 - The total number of Common Shares reserved for issuance pursuant to Options may not exceed 10% of the Common Shares outstanding as at the date of grant of the respective Option;
 - The number of Common Shares reserved for issuance pursuant to Options granted to any individual director or officer may not exceed 5% of the Common Shares outstanding as of the date of grant of any Option. The number of Common Shares reserved for issuance pursuant to Options granted to all technical consultants may not exceed 2% of the Common Shares outstanding as of the date of grant of any Option;
 - No Options may be granted to any person providing Investor Relations Activities or promotional or market-making services;
 - The exercise price of any Option granted prior to the closing of the Company’s IPO may not be less than the lowest price at which Seed Shares were issued by the Company;
 - No Option may be granted by the Company unless the Optionee first enters into a CPC Escrow Agreement agreeing to deposit the Option, and the Common Shares acquired pursuant to the exercise of the Option, into escrow as described in Policy 2.4 of the TSX-V, as amended. All Options granted while the Company is a CPC, and all Common Shares issued pursuant to the exercise of such Option, must be held in escrow in accordance with the terms of the CPC Escrow Agreement and Policy 2.4 of the TSX-V, as amended; and
 - All Options granted while the Company is a CPC must expire no later than 12 months after the Optionee ceases to be a director, officer or technical consultant of the Company or of the Resulting Issuer, as the case may be, subject to any earlier expiry date of such Option.
- The aggregate number of Common Shares that may be reserved for issuance pursuant to Options shall not exceed 10% of the outstanding Common Shares at the time of the granting of an Option, less the aggregate number of Common Shares then reserved for issuance pursuant to the Company's other previously established or proposed share compensation arrangements. For greater certainty, if an Option is surrendered, terminated or expires without being exercised, the Common Shares reserved for issuance pursuant to such Option shall be available for new Options granted under this Plan.
- The exercise price per Common Share for an Option shall in no event be less than the Market Price, less, if the Common Shares are listed on the TSX-V the maximum discount permitted by the TSX-V, at the time of granting the Option. The Company must obtain disinterested Shareholder approval of any decrease in the exercise price of or an extension to Options granted to individuals that are Insiders at the time of the proposed amendment.

- The number of Common Shares reserved for issuance under this Plan and the Company's other previously established or proposed share compensation arrangements to (a) any one Person, shall not exceed 5% of the outstanding Common Shares in any 12-month period at the time of the grant (unless the Company has obtained Disinterested Shareholder Approval to exceed such limit); (b) any one Consultant shall not exceed 2% of the outstanding Common Shares in any 12-month period at the time of the grant; (c) all Investor Relations Service Providers shall not exceed an aggregate of 2% of the outstanding Common Shares in any 12-month period at the time of the grant; (d) to Insiders, shall not exceed 10% of the outstanding Common Shares in any 12-month period at the time of grant nor at any point in time.
- Upon expiry of an Option, or in the event an Option is otherwise terminated for any reason, the number of shares in respect of the expired or terminated Option shall again be available for the purposes of the Amended and Restated Stock Option Plan. All Options granted under the Amended and Restated Stock Option Plan, unless sooner terminated, have a term not exceeding and shall therefore expire no later than ten (10) years after the date of the grant (subject to extension where the expiry date falls within a blackout period).
- If an Optionee dies or suffers any inability of the Optionee arising due to medical reasons which the Board considers likely to permanently prevent or substantially impair such Optionee being able to provide the services necessary to qualify as a Permitted Optionee (a "Disability") prior to otherwise ceasing to be a Permitted Optionee, each Option held by such Optionee shall terminate and shall therefore cease to be exercisable no later than the earlier of the Expiry Date and the date which is twelve months after the date of the Optionee's death or Disability.
- If an Optionee is terminated or removed for cause, each Option held by such Optionee shall terminate and shall therefore cease to be exercisable upon such termination for cause, unless otherwise determined by the Board.
- If an Optionee ceases to be a Permitted Optionee for any reason other than death, Disability or termination or removal for cause, any Option shall be exercisable to the extent that it has vested and was exercisable as at the date of such cessation, unless further vesting is permitted by the Board, and will terminate (i) 90 days after the date such Optionee ceased to be a Permitted Optionee; or (ii) if the Optionee is subject to the tax laws of the United States of America, the earlier of 90 days after the date such Optionee ceased to be a permitted Optionee and the three months after the date such Optionee ceased to be a Permitted Optionee.
- The Board retains the discretion to impose vesting periods on any Options granted. In accordance with the policies of the TSX-V, Options granted to Investor Relations Service Providers must vest in stages over a minimum of 12 months with no more than one-quarter of the Options vesting in any three-month period. Subject to the approval of the TSX-V if the Optionee is an Investor Relations Service Provider, the Board may advance, at any time, the dates upon which any or all Options shall vest and become exercisable.
- Options may be exercised in whole or in part at any time prior to their lapse or termination. Common Shares purchased by an Optionee on the exercise of an Option shall be fully paid at the time of their purchase.
- Subject to the approval of the Board, in its discretion, an Optionee (other than an Optionee that is an Investor Relations Service Provider) may exercise an Option by means of a "cashless exercise" as follows: (a) the Brokerage shall loan money to the Optionee to exercise the Options; (b) The Brokerage shall sell a sufficient number of Common Shares to cover the aggregate exercise price of the Options being exercised in order to repay the loan made to the Optionee by the Brokerage; and (c) the Brokerage shall receive an equivalent number of Common Shares from the exercise of the Options by the Optionee, and the Optionee shall then receive the balance of the Common Shares from the exercise of the Option or the cash proceeds from the balance of such Common Shares.
- Subject to the approval of the Board, in its discretion, an Optionee (other than an Optionee that is an Investor Relations Service Provider) may exercise an Option by means of a "net exercise", where the Optionee shall not be required to deliver payment of the exercise price in respect of the subject Option being so exercised, and instead the Optionee shall receive only the number of Common Shares that is equal to the quotient obtained by dividing: (a) the product of (i) the number of Common Shares in respect of which the subject Option is being exercised, and (ii) the

difference between the VWAP of the Common Shares and the exercise price of the subject Option; by (b) the VWAP of the Common Shares.

- If an Option expires during a Blackout Period, the term of the Option shall be extended and the Option shall expire 10 business days after the termination of such Blackout Period, provided that: (i) the Blackout Period was formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information, (ii) the Blackout Period expired upon the general disclosure of the undisclosed Material Information and (iii) the Company is not subject to a cease trade order or similar order under applicable securities laws.
- If the Common Shares are at any time increased, decreased or changed into or exchanged for a different number or kind of shares or securities of the Company through an amalgamation, merger, arrangement, reorganization, spin-off or recapitalization, subject to the prior approval of the TSX-V, an appropriate and proportionate adjustment shall be made by the Board, in its discretion.
- If the Common Shares are at any time subdivided or consolidated, the number of Common Shares reserved for Options shall be similarly increased or decreased proportionately and the price payable for any Shares that are then subject to issuance shall be decreased or increased proportionately.
- If the Common Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Shares reserved for Options shall be increased proportionately and the price payable for any Common Shares that are then subject to issuance shall be decreased proportionately so that upon exercising each Option the same proportionate shareholdings at the same aggregate purchase price shall be acquired after such stock dividend as would have been acquired before, subject to the prior approval of the TSX-V (if required).
- No adjustment shall be made to any Option pursuant to this Part in respect of the payment of any cash dividend or the distribution to the shareholders of the Company of any rights to acquire Common Shares or other securities of the Company.

At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to approve, with or without variation, an ordinary resolution ratifying, confirming and approving the Amended and Restated Stock Option Plan. The full text of the resolutions to be considered at the Meeting is set forth below:

3. GRANTING OF OPTIONS

3.1 **Administration.** This Plan shall be administered by the Board.

3.2 **Grant by Resolution.** The Board may determine by resolution those Optionees to whom Options should be granted and grant to them such Options as the Board determines to be appropriate. The Board shall not grant any Options unless the Options are allocated to a particular Optionee.

3.3 **Representations to Employees, Consultants, and Management Company Employees.** Every instrument evidencing an Option granted to an Employee, Consultant or Management Company Employee shall contain a representation by the Company and the Optionee that such Optionee is a bona fide Employee, Consultant or Management Company Employee, as applicable.

3.4 **No Grants if Listed on NEX.** The Board shall not grant any Options if the Shares are listed on the NEX Board of the Exchange or the Company has been given notice that its listing will or might be transferred to NEX.

3.5 **Terms of Option.** The Board shall determine and specify in its resolution the number of Shares that should be placed under Option to each such Optionee, the price per Share to be paid for such Shares upon the exercise of each such Option, and the period during which such Option may be exercised.

3.6 **Written Agreement.** Every Option shall be evidenced by a written agreement between the Company and the Optionee. If there is any inconsistency between the terms of the agreement and this Plan, the terms of this Plan shall govern.

4. **CONDITIONS GOVERNING THE GRANTING & EXERCISING OF OPTIONS**

4.1 **Agreements must specify Exercise Period and Price, Vesting and Number of Shares.** In granting an Option, the Board must specify a particular time period or periods during which the Option may be exercised, the exercise price required to purchase the Shares subject to the Option and any vesting terms and conditions of the Option, including the number of Shares in respect of which the Option may be exercised during each such time period.

4.2 **Minimum Exercise Price of Options.** The exercise price of an Option shall not be less than the Market Price, less, if the Shares are listed on the Exchange, the maximum discount permitted by the Exchange, at the time of granting the Option. If the Optionee is subject to the tax laws of the United States of America and owns (as determined in accordance with such laws) greater than 10% of the Shares at the time of granting of the Option the exercise price shall be at least 110% of the Market Price. If the Shares are listed on the Exchange, no Options shall be granted which are exercisable at a price of less than \$0.05 per Share.

4.3 **Number of Shares subject to Option.** The number of Shares reserved for issuance to an Optionee pursuant to an Option granted to the Optionee, together with all of the Company's other previously established or proposed share compensation arrangements, in any 12 month period, shall not exceed, at the time of granting of the Option:

- (a) 5% of the issued and outstanding Shares, unless the Company has obtained disinterested shareholder approval or pursuant to Policy 4.4 of the Exchange;
- (b) 2% of the issued and outstanding Shares, if the Optionee is a Consultant; or
- (c) an aggregate of 2% of the issued and outstanding Shares for all Investor Relations Service Providers.

4.4 **Vesting of Options.** Subject to further vesting requirements required by the Board on granting of an Option, all Options shall vest and be exercisable on the following terms:

- (a) *If Optionee is Performing Investor Relations Activities:* If the Optionee is an Investor Relations Service Provider, any Option granted to such Investor Relations Service Provider must vest in stages over at least 12 months with no more than one quarter of the Option vesting in any three-month period.

(b) *If there is a Change of Control:* If a Change of Control is agreed to by the Company or events which might lead to a Change of Control are commenced by third parties, all Options, subject to the Exchange's approval (if required), shall vest immediately and be fully exercisable notwithstanding the terms thereof. For the purposes hereof "**Change of Control**" shall mean:

- (i) any transaction or series of related transactions as a result of which any person, entity or group acquires ownership, after the date of an Option, of at least 20% of the Shares and they or their representatives become a majority of the Board or assume control or direction over the management or day-to-day operations of the Company; or
- (ii) an amalgamation, merger, arrangement, business combination, consolidation or other reorganization of the Company with another entity or the sale or disposition of all or substantially all of the assets of the Company, as a result of either of which the Company ceases to exist, be publicly traded or the management of the Company or Board do not comprise a majority of the management or a majority of the board of directors, respectively, of the resulting entity,

and to permit Optionees to participate in any of the foregoing, the Board may make appropriate provision for the exercise of Options conditional upon the Shares so issued being taken-up and paid for pursuant to any of the foregoing.

Subject to the approval of the Exchange if the Optionee is a Investor Relations Service Provider, the Board may advance, at any time, the dates upon which any or all Options shall vest and become exercisable, regardless of the terms of vesting set out in this Plan or the agreement.

4.5 **Exercise of Options if Specified Value Exceeds USD \$100,000.** If the Optionee is subject to the tax laws of the United States of America that part of any Option entitling the Optionee to purchase Shares having a value of USD \$100,000 or less shall be treated as an 'Incentive Stock Option' under United States *Internal Revenue Code* (so that the Optionee may defer the payment of tax on such Shares until the year in which such Shares are disposed of by the Optionee). For the purposes hereof value is determined by multiplying the number of shares which are subject to the Option times the Market Price (at the time of granting of the Option). That part of any Option on Shares having a value in excess of USD \$100,000 shall be treated as a non-qualifying stock option for the purposes of the Code and shall not entitle the Optionee to such tax deferral.

4.6 **Expiry of Options.** Each Option shall expire not later than 10 years from the day on which such Option is granted.

4.7 **Expiry of Options during or immediately after Trading Blackout Periods.** If an Option expires during a Blackout Period then, notwithstanding Section 4.6 or the terms of the Option, the term of the Option shall be extended and the Option shall expire 10 business days after the termination of the Blackout Period, provided that: (i) the Blackout Period was formally imposed by the Company pursuant to its internal trading policies as a result of the bona fide existence of undisclosed Material Information, (ii) the Blackout Period expired upon the general disclosure of the undisclosed Material Information referred to in paragraph (i), and (iii) the Company is not subject to a cease trade order or similar order under applicable securities laws.

4.8 **Death or Disability of Optionee.** If an Optionee dies or suffers a Disability prior to the expiry of an Option, the Optionee's legal representatives, before the earlier of the expiry date of the Option and the first anniversary of the Optionee's death or Disability, may exercise that portion of an Option which has vested as at the date of death or Disability. For the purposes hereof "**Disability**" shall mean any inability of the Optionee arising due to medical reasons which the Board considers likely to

permanently prevent or substantially impair such Optionee being able to provide the services necessary to qualify as a Permitted Optionee.

4.9 **Cessation as an Optionee (With Cause)**. If an Optionee ceases to qualify as a Permitted Optionee by reason of termination or removal for cause any Option shall terminate immediately on such termination or removal and not be exercisable by the Optionee unless otherwise determined by the Board.

4.10 **Cessation as an Optionee (Without Cause)**. If an Optionee ceases to qualify as a Permitted Optionee for any reason except as provided in sections 4.8 or 4.9, any Option shall be exercisable to the extent that it has vested and was exercisable as at the date of such cessation, unless further vesting is permitted by the Board as set out in section 4.4, and must terminate on the earlier of the expiry date of the Option and:

- (a) the 90th day after the Optionee ceased to be a Permitted Optionee, or such other date as may be reasonably determined by the Board; or
- (b) if the Optionee is subject to the tax laws of the United States of America, the earlier of the 90th day and the third month after the Optionee ceased to be an Employee or Officer.

4.11 **No Assignment of Options**. No Option or any right thereunder or in respect thereof shall be transferable or assignable otherwise than by will or pursuant to the laws of succession, and to the extent permitted by the Exchange Policies.

4.12 **Restriction on Resale of Shares Issued on Exercise of an Option**. If the Optionee is an Insider (as defined in the Exchange Policies) or Consultant of the Company at the time the Option is granted or the Option is exercisable for a price less than the Market Price at the time the Option is granted, the Shares issued upon the exercise of the Option shall be subject to the Exchange Hold Period (as defined in the Exchange Policies) from the time the Option was granted and the certificates representing such Shares shall be legended accordingly.

4.13 **Notice of Exercise of an Option**. Options shall be exercised only in accordance with the terms and conditions of the agreements under which they are respectively granted and shall be exercisable only by notice in writing to the Company.

4.14 **Payment on Exercise of an Option**. Options may be exercised in whole or in part at any time prior to their lapse or termination. Shares purchased by an Optionee on exercise of an Option shall be fully paid for in cash or by certified cheque, bank draft or money order at the time of their purchase.

4.15 **Condition to Issuance of Shares**. The Board may require, as a condition of the issuance of Shares or delivery of certificates representing such Shares upon the exercise of any Option and to ensure compliance with any applicable laws, regulations, rules, orders and requirements that the Optionee or the Optionee's heirs, executors or other legal representatives, as applicable, make such covenants, agreements and representations as the Board deems necessary or desirable.

4.16 **Withholding or Deductions of Taxes**. The Company may deduct, withhold or require an Optionee, as a condition of exercise of an Option, to withhold, pay, remit or reimburse any taxes or similar charges, which are required to be paid, remitted or withheld in connection with the exercise of any Option, provided however, that any such withholding or deduction arrangement must comply with Policy 4.4 of the Exchange and shall not, without limitation, result in an alteration of the exercise price

of an Option or create a “Net Exercise” as defined in the Exchange Policies except where permitted under this Plan and pursuant to Policy 4.4 of the Exchange.

4.17 **Cashless Exercise of Options.** Subject to Section 4.19 hereof and the approval of the Board, which approval shall be at the Board’s sole discretion, an Optionee (other than an Optionee that is an Investor Relations Service Provider) may exercise an Option by means of a “cashless exercise”, where, with the assistance of a brokerage firm with which the Company has an arrangement (a “**Brokerage**”) the subject Option may be exercised as follows:

- (a) The Brokerage shall loan money to the Optionee to exercise the Options;
- (b) The Brokerage shall sell a sufficient number of Shares to cover the aggregate exercise price of the Options being exercised in order to repay the loan made to the Optionee by the Brokerage; and
- (c) The Brokerage shall receive an equivalent number of Shares from the exercise of the Options by the Optionee, and the Optionee shall then receive the balance of the Shares from the exercise of the Option or the cash proceeds from the balance of such Shares.

For greater certainty, the Company is not obligated to permit, facilitate or enable a “cashless exercise” of any Option pursuant to this Section 4.17 hereof or to enter into or maintain any arrangement with any Brokerage. Whether an Option may be exercised by way of a “cashless exercise” pursuant to this Section 4.17 hereof shall be at the sole discretion of the Board.

4.18 **Net Exercise of Options.** Subject to Section 4.19 hereof and the approval of the Board, which approval shall be at the Board’s sole discretion, an Optionee (other than an Optionee that is an Investor Relations Service Provider), may exercise an Option by means of a “net exercise”, where by the Optionee shall not be required to deliver payment of the exercise price in respect of the subject Option being so exercised, and instead the Optionee shall receive only the number of Shares that is equal to the quotient obtained by dividing:

- (a) The product of (i) the number of Shares in respect of which the subject Option is being exercised, and (ii) the difference between the VWAP of the Shares and the exercise price of the subject Option; by
- (b) The VWAP of the Shares.

For greater certainty, the Company is not obligated to permit, facilitate or enable a “net exercise” of any Option pursuant to this Section 4.18. Whether an Option may be exercised by way of a “net exercise” pursuant to this Section 4.18 shall be at the sole discretion of the Board

4.19 **Additional Provisions Regarding Cashless Exercise and Net Exercise.** Notwithstanding any other provision of this Plan:

- (a) The “cashless exercise” provisions of Section 4.17 hereof and the “net exercise” provisions of Section 4.18 hereof are at all times subject to the Exchange Policies; and
- (b) Options granted to an Investor Relations Service Provider may not be exercised by means of a “cashless exercise” pursuant to Section 4.17 hereof or a “net exercise” pursuant to Section 4.18 hereof.
- (c) Upon the exercise of any Option pursuant to a “cashless exercise” under Section 4.17 hereof or a “net exercise” under Section 4.18 hereof, the number of Options so

exercised, surrendered or converted, and not the number of Shares actually issued, shall be used for calculating any limits with respect to the number of Options that may be granted or exercised under this Plan.

5. RESERVATION OF SHARES FOR OPTIONS

5.1 **Sufficient Authorized Shares to be Reserved.** Whenever the constating documents of the Company limit the number of authorized Shares, a sufficient number of Shares shall be reserved by the Board to satisfy the exercise of Options. Shares that were the subject of Options that have lapsed or terminated shall thereupon no longer be in reserve and may once again be subject to an Option.

5.2 **Maximum Number of Shares to be Reserved Under Plan.** The aggregate number of Shares which may be subject to issuance pursuant to Options and any stock options granted under any other previous or current stock option plan or security compensation arrangement shall be 10% of the issued and outstanding Shares at the time of granting the Options. If any Option settled in cash, cancelled, terminated, surrendered, forfeited or expired without being exercised, and pursuant to which no securities have been issued, the number of Shares in respect of such expired or terminated Option shall again be available for the purposes of granting Options pursuant to this Plan, subject to Section 4.19(c) hereof.

5.3 **Maximum Number of Shares Reserved.** All Options, together with all of the Company's other previously granted stock options, stock option plans, employee stock purchase plans or any other compensation or incentive mechanisms involving the issuance or potential issuance of Shares, shall not result, at the time of granting, in:

- (a) the number of Shares reserved for issuance pursuant to Options granted to Insiders exceeding 10% of the Shares issued and outstanding at any point in time;
- (b) the issuance to Insiders, within a one-year period, of Shares totalling in excess of 10% of the Shares issued outstanding; or
- (c) the issuance to any one individual (and where permitted under this Plan, to any companies that are wholly owned by such individual), within a one-year period, of Shares totalling in excess of 5% of the Shares issued and outstanding,

unless the disinterested shareholders have approved thereof.

6. CAPITAL REORGANIZATIONS

6.1 **Adjustments in Shares.** If the Shares are at any time increased, decreased or changed into or exchanged for a different number or kind of shares or securities of the Company through an amalgamation, merger, arrangement, reorganization, spin-off or recapitalization, subject to the prior approval of the Exchange, an appropriate and proportionate adjustment shall be made by the Board, in its discretion.

6.2 **Share Consolidation or Subdivision.** If the Shares are at any time subdivided or consolidated, the number of Shares reserved for Options shall be similarly increased or decreased and the price payable for any Shares that are then subject to issuance shall be decreased or increased proportionately, as the case may require, so that upon exercising each Option the same proportionate shareholdings at the same aggregate purchase price shall be acquired after such subdivision or consolidation as would have been acquired before.

6.3 **Stock Dividend.** If the Shares are at any time changed as a result of the declaration of a stock dividend thereon, the number of Shares reserved for Options shall be increased proportionately and

the price payable for any Shares that are then subject to issuance shall be decreased proportionately so that upon exercising each Option the same proportionate shareholdings at the same aggregate purchase price shall be acquired after such stock dividend as would have been acquired before, subject to the prior approval of the Exchange, provided that such approval is then a requirement of the Exchange. Where an adjustment under this Section 6.3 would result in a number of Shares being reserved for issuance in excess of the limits in Sections 4.3, 5.2 and 5.3 hereof, the Company shall, subject to approval of the Exchange (if such approval is required under the the Exchange Policies), pay to the holders of such Options a cash amount deemed appropriate and proportionate by the Board, in its discretion, in respect of such excess.

6.4 **No Fractional Shares.** No adjustment made pursuant to this Part shall require the Company to issue a fraction of a Share and any fractions of a Share shall be rounded up or down to the nearest whole number, with one-half a Share being rounded up to one Share.

6.5 **No Adjustment for Cash Dividends or Rights Offerings.** No adjustment shall be made to any Option pursuant to this Part in respect of the payment of any cash dividend or the distribution to the shareholders of the Company of any rights to acquire Shares or other securities of the Company.

7. EXCHANGE'S RULES & POLICIES GOVERN & APPLICABLE LAW

7.1 **Exchange's Rules and Policies Apply.** This Plan and the granting and exercise of any Options are also subject to such other terms and conditions as are set out in the rules and policies on stock options of the Exchange and any securities commission having authority and such rules and policies shall be deemed to be incorporated into and become a part of this Plan. If there is an inconsistency between the provisions of such rules and policies and of this Plan, the provisions of such rules and policies shall govern.

7.2 **Compliance With Applicable Laws.** Notwithstanding anything herein to the contrary, the Company shall not be obliged to cause any Shares to be issued or certificates evidencing Shares to be delivered pursuant to this Plan, where issuance and delivery is not, or would result in the Company not, being in compliance with all applicable laws, regulations, rules, orders of governmental or regulatory authorities and the requirements of the Exchange. **If any provision of this Plan, any Option or any agreement entered into pursuant to this Plan contravenes any applicable law, rule, regulation or order, or any policy, bylaw or regulation of the Exchange or any regulatory body having authority over the Company or this Plan, such provision shall be deemed to be amended to the extent required to bring such provision into compliance therewith, but the Company shall not be responsible to pay and shall not incur any penalty, liability or further obligation in connection therewith.**

7.3 **No Obligation to File Prospectus.** The Company shall not be liable to compensate any Optionee and in no event shall it be obliged to take any action, including the filing of any prospectus, registration statement or similar document, in order to permit the issuance and delivery of any Shares upon the exercise of any Option in order to comply with any applicable laws, regulations, rules, orders or requirements of any securities regulatory authority.

7.4 **Governing Law.** This Plan shall be governed by, and construed in accordance with, the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

8. AMENDMENT OF PLAN & OPTIONS

8.1 **Board May Amend Plan or Options.** The Board may amend or terminate this Plan or any Options but no such amendment or termination, except with the written consent of the Optionees concerned or unless required to make this Plan or the Options comply with the Exchange Policies, shall affect the terms and conditions of Options which have not then been exercised or terminated.

8.2 **Shareholder Approval.** The approval of disinterested shareholders for an amendment to this Plan or any Option shall be required in respect of Options granted to Insiders involving the extension of the term of such Option or a reduction of the exercise price, including a reduction effected by cancelling an existing Option and granting a new Option exercisable at a lower price within the subsequent one-year period.

Approval by holders of Shares is required for:

- (a) persons eligible to be granted or issued Options under this Plan;
- (b) the maximum number of percentage of Shares that may be issuable under this Plan;
