However, instead of a paper copy of the notice of Meeting, the management information circular, the annual consolidated financial statements of the Company for the financial year ended October 31, 2022 and related management's discussion and analysis and other meeting materials (collectively the "**Meeting Materials**"), shareholders receive a notification with information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to shareholders. Shareholders are reminded to view the Meeting Materials prior to voting. The Company will not be adopting stratification procedures in relation to the use of notice-and access provisions.
