INFORMATIONCIRCULAR

(Containing information as at November 19, 2018 unless otherwise indicated)

This information circular ("*Information Circular*") is provided in connection with the solicitation of proxies by the management **NEVADA ENERGY METALS INC.** (the "*Company*") for use at the Annual General Meeting of the shareholders of the Company (the "*Meeting*") to be held at 1220 – 789 West Pender Street, Vancouver, British Columbia, V6C 1H2 on Thursday, December 20, 2018 at 10:00 am (Vancouver time) and at any adjournments thereof for the purpose set forth in the enclosed Notice of Annual General Meeting ("*Notice of Meeting*").

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by Directors, Officers and regular employees of the Company. All costs of solicitation of proxies by management will be borne by the Company.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "**Proxy**") are directors and officers of, or counsel to, the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the shares of the Company ("**Shares**") represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered shareholders electing to submit a Proxy may do so by:

- (a) completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, Odyssey Trust Company ("**Odyssey**"), Attention: Proxy Department, by fax to 1-(800)-517-4553, via email to proxy@odysseytrust.com, or by mail or hand delivery to Odyssey Trust Company, Attention: Proxy Department, 409 Granville Street, Suite 323, Vancouver, British Columbia, V6C 1T2; or
- (b) using the internet through the website of the Company's transfer agent at odysseytrust.com/Transfer-Agent/Login. Registered shareholders must follow the instructions that appear on the screen and refer to the enclosed Proxy form for the holder's account number and the Proxy control number;

in all cases ensuring that the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders of the Company who do not hold Shares in their own name. Beneficial shareholders should note that the only Proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Shares).

If Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Shares will not be registered in the shareholder's name on the records of the Company. Such Shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In the United States the vast majority of such Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial shareholders in advance of shareholders' meetings. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

If you are a Beneficial Shareholder:

You should carefully follow the instructions of your broker or intermediary in order to ensure that your Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. Many brokers delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications or another investor communication service (collectively, for the purposes of this Information Circular, "**Broadridge**") in Canada and the United States. Broadridge will typically mail a voting instruction form in lieu of a Proxy provided by the Company. The voting instruction form will name the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a Beneficial shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting instruction form. The completed voting instruction form must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Shares to be represented at the Meeting. **If you receive a voting instruction form from Broadridge, you cannot use it to vote Shares directly at the Meeting - the voting instruction form must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Shares voted.**

Although as a Beneficial shareholder you may not be recognized directly at the Meeting for the purposes of voting Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxy holder for your broker and vote your Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Shares.

This Information Circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered shareholder who has given a Proxy may revoke it by:

- (a) executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered shareholder or the registered shareholder's authorized attorney in writing, or, if the registered shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Odyssey Trust Company, by fax to 1-(800)-517-4553, via email to proxy@odysseytrust.com, or by mail or hand delivery to Odyssey Trust, Attention: Proxy Department, 409 Granville Street, Suite 323, Vancouver, British Columbia, V6C 1T2, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) personally attending the Meeting and voting the registered shareholder's Shares.

Only registered shareholders have the right to revoke a Proxy. Beneficial shareholders who wish to revoke their Proxy must, at least seven days before the Meeting, arrange for their respective intermediaries (as described above) to revoke the Proxy on their behalf. A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

Votes Necessary to Pass Resolutions

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein.

RECORD DATE

The Company has set the close of business on November 19, 2018 as the record date (the "*Record Date*") for the Meeting. Only the registered holders of common shares, and those beneficial holders entitled to receive notice through their intermediaries, as at that date, are entitled to receive notice of and to vote at the Meeting unless after that date a shareholder of record transfers his or her shares and the transferee, upon producing properly endorsed certificates evidencing such shares or otherwise establishing that he or she owns such shares, requests at least ten (10) days prior to the Meeting that the transferee's name be included in the list of shareholders entitled to vote, in which case such transferee is entitled to vote such shares at the Meeting.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

Except as disclosed herein, no person who has been a director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the appointment of auditors and as set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The holders of the Company's common shares of record at the Record Date are entitled to vote such shares at the Meeting on the basis of one vote for each common share held. The Company is authorized to issue an unlimited number of common shares without par value (the "*shares*") of which 5,739,153 shares are issued and outstanding as of the Record Date. The Company has no other class of voting securities.

A quorum for the transaction of business at the Meeting is one person who represents by proxy, one or more shareholders, who in the aggregate, hold at least 5% of the issued and outstanding shares entitled to vote at the meeting.

To the knowledge of the directors and executive officers of the Company, and based upon the Company's review of the records maintained by Odyssey Trust Company and insider reports filed with System for Electronic Disclosure by Insiders (SEDI), as at the Record Date, no shareholders beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

COMPENSATION DISCUSSION & ANALYSIS

Compensation Discussion & Analysis

When determining the compensation of the NEOs, the board of directors (“Board of Directors”) considers the resources of the Company and the objectives of attracting, motivating and retaining highly skilled and experienced executive officers. The Board of Directors does not have a formal compensation program with set benchmarks, however, the Board of Directors does have an informal program which seeks to reward an executive officer's current and future expected performance and the achievements of corporate milestones and align the interests of executive officers with the interests of the Company's shareholders.

The compensation awarded to, earned by, paid to or payable to each of the NEOs for the most recently completed financial year is set out under the heading, “*Executive Compensation – Summary Compensation Table*”.

Compensation Review Process

The Board of Directors reviews on an annual basis the cash compensation, performance and overall compensation package of each executive officer, including the NEOs.

In establishing levels of remuneration, stock option and bonus grants, the Board of Directors are guided by the following principles:

- compensation is determined on an individual basis by the need to attract and retain talented, qualified and effective executives;
- total compensation is set with reference to the market for similar positions in comparable companies and with reference to the location of employment; and
- the current market and economic environment.

MANAGEMENT CONTRACT

There are no management functions of the Company which are to any substantial degree performed by a person or company other than the directors or senior officers of the Company.

STATEMENT OF CORPORATE GOVERNANCE PRACTICES

Corporate governance relates to activities of the Board of Directors, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board of Directors and who are charged with the day- to- day management of the Company. The Board of Directors is committed to sound corporate governance practices which are both in the interest of its shareholders and contribute to effective and efficient decision making. National Instrument 58-101 – *Disclosure of Corporate Governance Practices* ("NI 58-101") requires that each reporting company disclose its corporate governance practices on an annual basis. The Company's general approach to corporate governance is summarized below.

The Board of Directors

The Board of Directors is currently composed of four directors.

Independence

Section 1.4 of National Instrument 52-110 – *Audit Committees* ("NI 52-110") sets out the standard for director independence. Under NI 52-110, a director is independent if he or she has no direct or indirect material relationship with the Company. A material relationship is a relationship which could, in the view of the Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment. NI 52-110 also sets out certain situations where a director will automatically be considered to have a material relationship to the Company.

Applying the definition set out in section 1.4 of NI 52-110, two of the four members of the Board of Directors are independent. The members who are independent are John Oness and Alizadeh. Richard Wilson and Tim Fernback are not independent by virtue of the fact that they are executive officers of the Company.

As at the date hereof, the following Directors are also directors of other reporting issuers as set out below:

Name of Director	Reporting Issuer(s) or Equivalent(s)
Richard Wilson	Baroyeca Gold & Silver Inc. Regent Ventures Ltd.

The Company has not adopted a formalized process of orientation for new members of the Board of Directors. Orientation of new directors is conducted on an ad hoc basis.

Directors are kept informed as to matters impacting, or which may impact, the Company's operations through reports and presentations at meetings of the Board of Directors. Directors are also provided the opportunity to meet with senior management and other employees and advisors, who can answer any questions that may arise.

Ethical Business Conduct

The Board of Directors has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board of Directors in which the director has an interest have been sufficient to ensure that the Board of Directors operates independently of management and in the best interests of the Company.

Nomination of Directors

The Board of Directors does not have a nominating committee or a formal procedure with respect to the nomination of directors. The nominees are generally the result of recruitment efforts by the members of the Board of Directors, including both formal and informal discussions among Board members.

Board Committees

The Company currently has one standing committee – the audit committee.

Audit Committee

The Company's audit committee (the "Audit Committee") is currently comprised of Tim Fernback (Chairman of the Audit Committee), John Oness and Ali Alizadeh, who are financially literate in accordance with Section 1.6 of NI 52-110 which states that an individual is financially literate if he or she has the ability to read and understand a set of financial statements that presents a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the issuer's financial statements.

Applying the definition of "independence" set out in section 1.4 of NI 52-110, John Oness and Ali Alizadeh are independent members of the Audit Committee.

The Audit Committee is governed by an audit committee charter the text of which is attached hereto as Schedule "A".
