Solicitation of Proxies

THIS INFORMATION CIRCULAR (THE "CIRCULAR") IS FURNISHED IN CONNECTION WITH THE SOLICITATION BY THE MANAGEMENT OF GITENNES EXPLORATION INC. (THE "CORPORATION") OF PROXIES TO BE USED AT THE ANNUAL GENERAL MEETING (THE "MEETING") OF SHAREHOLDERS OF THE CORPORATION TO BE HELD AT THE TIME AND PLACE AND FOR THE PURPOSES SET FORTH IN THE ENCLOSED NOTICE OF MEETING. It is expected that the solicitation will be primarily by mail but proxies may also be solicited personally by regular employees of the Corporation at nominal cost. The cost of solicitation by management will be borne directly by the Corporation.

Appointment and Revocation of Proxies

The persons named in the enclosed form of proxy are either officers or directors of the Corporation. **A shareholder desiring to appoint some other person to represent him at the Meeting may do so either by inserting such person's name in the blank space provided in that form of proxy or by completing another proper form of proxy.** An instrument of proxy will only be valid if it is completed and delivered to the office of the registrar and transfer agent indicated on the enclosed envelope not later than 2:00 PM (Eastern Standard Time) on September 8, 2022 (excluding Saturdays and holidays) or, if the Meeting is adjourned, not later than 11:00 a.m. (Eastern Standard Time) on the second business day preceding the date of the adjourned Meeting or delivered to the Chairman of the Meeting on the day of the Meeting or adjournment thereof.

A proxy given pursuant to this solicitation may be revoked by instrument in writing, including another proxy bearing a later date, executed by the shareholder or by his attorney authorized in writing, and deposited either at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, at which the proxy is to be used, or with the Chairman of such Meeting on the day of the Meeting, or adjournment thereof.

Voting of Proxies

Shares represented by properly executed proxies in favour of persons designated in the printed portion of the enclosed form of proxy will be voted for each of the matters to be voted on by shareholders as described herein or withheld from voting or voted against if so indicated on the form of proxy. **The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the notice of meeting, or other matters which may properly come before the Meeting.** At the time of printing this Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting.

Voting By Non-Registered Shareholders

Only registered shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. However, in many cases, Common Shares (as hereinafter defined) owned by a person (a "non-registered owner") are registered either (a) in the name of an intermediary (an "Intermediary") that the non-registered owner deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited ("CDS")) of which the Intermediary is a participant. In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Circular and the accompanying notice of Meeting together with the form of proxy (collectively, the "Meeting Materials") (i) directly to non-registered owners who have advised their Intermediary that they do not object to the Intermediary providing their ownership information to issuers whose securities they beneficially own ("Non-Objecting Beneficial Owners" or "NOBOs"), and (ii) to the clearing agencies and Intermediaries for onward distribution to non-registered owners who have advised their Intermediary that they object to the Intermediary providing their ownership information ("Objecting Beneficial Owners" or "OBOs").

The Corporation is not relying on the notice and access delivery procedures outlined in National Instrument 54-101 to distribute copies of the Meeting Materials in connection with the Meeting.

Intermediaries are required to forward the Meeting Materials to OBOs unless an OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to OBOs. The Corporation will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive the Meeting Materials) copies of the Meeting Materials. Accordingly, an OBO will not receive copies of the Meeting Material unless the OBO's Intermediary assumes the costs of delivery. Generally, OBOs who have not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile stamped signature), which is restricted as to the number and class of securities beneficially owned by the Objecting Beneficial Owner but which is not otherwise completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the non-registered owner when submitting the proxy. In this case, the Objecting Beneficial Owner who wishes to vote by proxy should otherwise properly complete the form of proxy and deliver it as specified; or
- (b) be given a form of proxy which is not signed by the Intermediary and which, when properly completed and signed by the Objecting Beneficial Owner and returned to the Intermediary or its service company, will constitute voting instructions (often called a "Voting Instruction Form") which the Intermediary must follow. Typically, the non-registered owner will also be given a page of instructions which contains a removable label containing a bar code and other information. In order for the form of proxy to validly constitute a Voting Instruction Form, the non-registered owner must remove the label from the instructions and affix it to the Voting Instruction Form, properly complete and sign the Voting Instruction Form and submit it to the Intermediary or its services company in accordance with the instructions of the Intermediary or its service company.

In either case, the purpose of this procedure is to permit non-registered owners to direct the voting of the Common Shares they beneficially own. Should a non-registered owner who receives either form of proxy wish to vote at the Meeting in person, the non-registered owner should strike out the persons named in the form of proxy and insert the non-registered owner's name in the blank space provided. Non-registered owners should carefully follow the instructions of their Intermediary including those regarding when and where the form of proxy or Voting Instruction Form is to be delivered.

Distribution of Securityholder Materials to Non-Objecting Beneficial Owners

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Voting Securities and Principal Holders Thereof

The authorized capital of the Corporation consists of an unlimited number of common shares ("Common Shares"). As of August 8, 2022, the Corporation had **56,027,122** issued and outstanding Common Shares. The Corporation shall make a list of all persons who are registered holders of Common Shares as of August 8, 2022 (the "Record Date") and the number of Common Shares registered in the name of each person on that date. Each shareholder, or his duly appointed proxy, is entitled to one vote for each Common Share registered in his name as it appears on the list except to the extent that such shareholder has transferred any of his shares after the Record Date and the transferee of those shares produces properly endorsed share certificates or otherwise establishes that he owns the shares and demands, not later than ten days before the Meeting, that his name be included in the list. In such case the transferee is entitled to vote his shares at the Meeting.

To the knowledge of the directors and senior officers of the Corporation, as of the date hereof, there is no person who beneficially owns, directly or indirectly, or exercises control or direction over securities carrying more than 10% of the voting rights attached to any class of outstanding voting securities of the Corporation entitled to be voted at the Meeting.

Interest of Certain Persons in Matters to be Acted Upon

No person who has been a director or executive officer of the Corporation at any time since the beginning of its last completed financial year or any associate of any such director or executive officer has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting, except as disclosed in the Circular.

MATTERS TO BE ACTED UPON

Election of Directors

At the Meeting, shareholders will be asked to elect four directors. The following table provides the names of the four persons (the "Nominees") nominated by management for election as directors and information concerning them. The persons named in the enclosed form of proxy intend to vote for the election of the Nominees. Management does not contemplate that any of the Nominees will be unable to serve as a director. Each director elected will hold office until his successor is elected at the next annual meeting of the Corporation, or until his successor is elected or appointed unless his office is earlier vacated in accordance with the by-laws of the Corporation.

If any of the above Nominees is for any reason unavailable to serve as a director, proxies in favour of management will be voted for another nominee in their discretion unless the shareholder has specified in the proxy that his shares are to be withheld from voting in the election of directors.

To the knowledge of the Corporation, no director of the Corporation is, or has been in the last 10 years, (a) a director, chief executive officer or chief financial officer of a company that (i) while that person was acting in that capacity, was the subject of a cease trade order or similar order (including a management cease trade order) or an order that denied the issuer access to any exemptions under Canadian securities legislation, for a period of more than 30 consecutive days, or (ii) after that person ceased to act in that capacity, was subject of a cease trade or similar order or an order that denied the issuer access to any exemption under Canadian securities legislation, for a period of more than 30 consecutive days which resulted from an event that occurred while that person acted in such capacity, or (b) a director or executive officer of a company that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or (c) become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become

Unless such authority is withheld, the persons named in the accompanying proxy intend to vote for the appointment of Brunet Roy Dubé, CPA s.e.n.c.r.l. as auditors of the Corporation for the 2022 fiscal year and to authorize the directors to fix their remuneration. Brunet Roy Dubé, CPA s.e.n.c.r.l. was appointed as auditors of the Corporation in January 2022.

Approval of New Stock Option Plan

The Corporation originally adopted a stock option plan (the “Stock Option Plan”) in 1998. The Stock Option Plan has been amended periodically. On May 12, 2008, the directors of the Corporation approved an amendment of the Stock Option Plan to remove the fixed maximum number of Common Shares issuable under the Stock Option Plan, and to provide for a “rolling” maximum such that a maximum of 10% of the issued Common Shares of the Corporation at the time of the grant may be reserved for issuance pursuant to the Stock Option Plan. This amendment was ratified and approved by the shareholders of the Corporation on June 26, 2008. Pursuant to the rules of the TSX Venture Exchange (“TSXV”), the Stock Option Plan is required to be ratified on an annual basis at each annual meeting of shareholders.

On August 11, 2022, the Board approved the adoption of a new stock option plan (the “New Stock Option Plan”) for the Company. The New Stock Option Plan is a 10% rolling stock option plan, and will replace the Company’s Stock Option Plan. The purpose of adopting the New Stock Option Plan is to bring the Company’s stock option plan in line with the current TSXV policy on Security Based Compensation (TSXV Policy 4.4) that was amended on November 24, 2021. The New Stock Option Plan will provide the Corporation with the advantages of the incentive in stock ownership on the part of Directors, officers, employees and consultants responsible for the continued success of the Corporation and to attract new directors, officers, employees and consultants to the Corporation. The information below is a summary of the New Stock Option Plan and should be read in conjunction with the full text of the New Option Plan. Any definitions or capitalized terms used or referenced below have the same meaning attributed to them in the New Stock Option Plan.

The material provisions of the New Stock Option Plan are as follows:

Eligible Participants

Options may be granted under the New Stock Option Plan to directors or officers of the Company or an affiliate of the Corporation (in this section collectively, the “Directors”), employees of the Company or a subsidiary of the Company (in this section collectively, the “Employees”), consultants of the Company or a subsidiary or affiliate of the Company (in this section collectively, the “Consultants”), or an “Eligible Charitable Organization” (as defined in the New Stock Option Plan). The Board, in its discretion, determines which of the Directors, Employees, Consultants or Eligible Charitable Organizations will be awarded options under the New Stock Option Plan.

Number of Shares Reserved

The number of common shares in the capital of the Company which may be issued pursuant to options granted under the New Stock Option Plan may not exceed 10% of the issued and outstanding common shares at the date of granting of options (including all options granted by the Company prior to the adoption of the New Stock Option Plan and thereunder). Options which are cancelled or expire prior to exercise continue to be issuable under the New Stock Option Plan. Options which may be granted to “Optionees” (as defined in the New Stock Option Plan) who are engaged or employed in Investor “Relations Activities” (as defined in the New Stock Option Plan) during any 12-month period shall not exceed in the aggregate 2% of the issued and outstanding Company Shares, calculated at the date such options are granted.

Term of Options

Subject to the termination and change of control provisions noted below, the terms of any option granted under the New Stock Option Plan is determined by the Board and may not exceed ten years from the date of grant.

Exercise Price

The exercise price of options granted under the New Stock Option Plan is determined by the Board, provided that it is not less than the "Discounted Market Price", as that term is defined under applicable TSXV policies or such other minimum price as is permitted by the TSXV in accordance with the policies, as amended from time to time, or, if the common shares are no longer listed on the TSXV, then such other exchange or quotation system on which the common shares are listed or quoted for trading. The exercise price of options granted to insiders may not be decreased without disinterested shareholder approval at the time of the proposed amendment.

Limitations

For so long as the common shares of the Company are listed on the TSXV, the number of common shares, calculated at the date such options are granted, reserved for issuance to:

- (a) any one option holder pursuant to options granted to such option holder during any 12-month period shall not exceed 5% of the issued and outstanding common shares;
- (b) any one option holder, who is a Consultant, in respect of options granted to such Consultant during any 12-month period shall not exceed 2% of the issued and outstanding common shares;
- (c) all option holders who are engaged or employed in Investor Relations Activities, as defined under applicable TSXV policies, during any 12-month period shall not exceed in the aggregate 2% of the issued and outstanding common shares; and
- (d) Eligible Charitable Organizations shall not at any time exceed 1% of the issued and outstanding common shares; the date that is 10 years from the date of grant of the Charitable Stock Option; and the 90th day following the date that the holder of the Charitable Stock Option ceases to be an Eligible Charitable Organization.

Vesting

Subject to the vesting and change of control provisions noted below, all options granted pursuant to the New Stock Option Plan will be subject to such vesting requirements as may be prescribed by the TSXV, if applicable, or as may be imposed by the Board of Directors. If the option holder is a Consultant providing investor relations services, any option granted to the Consultant under the New Stock Option Plan must vest in stages over at least 12 months with no more than one quarter of the option vesting in any three-month period. The vesting of outstanding options granted to Optionees who provide Investor Relations Activities cannot be accelerated without the prior written approval of the TSXV.

Termination of Options

Any options granted pursuant to the New Stock Option Plan will terminate upon the earliest of:

- (a) the end of the term of the Option;
- (b) if the termination is as a result of dismissal for just cause, any Options will terminate automatically and become void immediately;
- (c) where the Optionee's position as an Employee, Consultant, Director or Officer terminates for a reason other than the Optionee's death or termination for Just Cause (including, for the avoidance of doubt, as a result of any Affiliate of the Corporation ceasing to be an Affiliate of the Corporation), each vested option shall cease to be exercisable 90 days after such date of termination; and each unvested Option granted to such Optionee shall terminate and become void immediately upon such termination;
- (d) where the Optionee's position as an Employee, Consultant, Director or Officer terminates as a result of the Optionee's death: (i) each unvested Option granted to such Optionee shall terminate and become void immediately; and (ii) each vested Option held by such Optionee at the time of death may be exercised by the

successor, provided that any such vested Option shall cease to be exercisable on the date determined by the Administrator, which shall not be less than three months and not more than 12 months from the date of death;

- (e) the date of any sale, transfer, assignment or hypothecation or any attempted sale, transfer, assignment or hypothecation, of such option in violation of the New Stock Option Plan; and
- (f) the occurrence of certain other termination events, as set-out in the New Stock Option Plan.

A copy of the New Stock Option Plan may also be inspected at the head office of the Company, Suite 410-325 Howe Street Vancouver, BC, V6C 1Z7.

The Board may from time to time amend or terminate the New Stock Option Plan or any options granted thereunder, provided that no such amendment or termination may be made (except with the written consent of the holders of options under the New Stock Option Plan concerned or unless required to make the New Stock Option Plan or the options granted thereunder comply with the rules and policies of the TSXV) that affects the terms and conditions of options granted under the New Stock Option Plan which have not been exercised or terminated. The Board may condition the effectiveness of any such amendment on the receipt of TSXV approval and shareholder approval or disinterested shareholder approval (as it is defined under TSXV Policy 4.4) as required by TSXV policy.

Approval of the New Stock Option Plan

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution approving the New Stock Option Plan. A simple majority of the votes cast on the matter is required for approval, exclusive of votes attaching to shares held by insiders eligible to participate in the Stock Option Plan or their associates and affiliates. To the knowledge of the Corporation, an aggregate of 2,159,800 Common Shares are held by insiders eligible to participate in the New Stock Option Plan and their associates and affiliates.

The policies of the TSXV require annual shareholder approval for rolling stock option plans which reserve up to 10% of a listed company's shares for issuance. Following Shareholder approval of the New Stock Option Plan, any options granted pursuant to the New Stock Option Plan will not require further Shareholder or TSXV approval unless the exercise price is reduced or the expiry date is extended for an option held by an insider of the Company.

Shareholders will be asked at the Meeting to consider and, if thought advisable, to approve an ordinary resolution approving the New Stock Option Plan as follows:

"BE IT RESOLVED THAT:

1. The Company's New Stock Option Plan, as approved by the Board on August 11, 2022 (the "New Stock Option Plan") be and is hereby ratified, adopted, confirmed and approved as the stock option plan of the Company, subject to the acceptance of the Plan by the TSX Venture Exchange (the "Exchange"); and
2. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts and things and to execute and deliver under the corporate seal of the Company or otherwise all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to the foregoing resolutions, including, without limitation, making any changes to the New Stock Option Plan required by the Exchange or applicable securities regulatory authorities and to complete all transactions in connection with the implementation of the New Stock Option Plan."

Approval of such other business as may properly come before the meeting or any adjournment thereof.

Save for the matters referred to herein, management knows of no other matters intended to be brought before the Meeting. However, if any matters which are not now known to management shall properly come before the Meeting, the Proxy given pursuant to this solicitation by Management will be voted on such matters in accordance with the best judgement of the person voting the Proxy, in the event such discretionary authority is provided in the Proxy.

The Board approves strategy, sets targets, performance standards and policies to guide them; monitors and advises management; sets their compensation and, if necessary, replaces them.

Throughout the year, the Board reviews management's and the Corporation's performance against approved business plans and policies. The Board also reviews and approves specific proposals for all major capital expenditures, checking for consistency with budgets and strategic plans, and deals with a large number of individual issues and situations requiring decision by the Corporation, such as acquisitions, investments and divestitures.

The Board ensures that an appropriate risk assessment process is in place to identify, assess and manage the principal risks of the Corporation's business. Management reports regularly to the Board in relation to principal risks which potentially affect the Corporation's business activities.

The Board regularly reviews management succession plans and, where necessary, initiates and supervises searches for replacement candidates. It also sets objectives for, and reviews the performance of, the senior officers of the Corporation and approves their appointments and compensation.

The Board reviews and approves, for release to shareholders, quarterly and annual reports on the performance of the Corporation. It reviews material public communications and seeks to ensure that the Corporation communicates effectively with its shareholders and other stakeholders. between the Corporation, its shareholders, respective investors and the public, including the dissemination of information on a regular and timely basis. The President has dedicated a portion of his time to communicate with shareholders and prospective investors. Through its officers, the Corporation responds to questions and provides information to individual shareholders, institutional investors, financial analysts and the media.

The Board ensures that mechanisms are in place to guide the organization in its activities. The Board reviews and approves a broad range of internal control and management systems, including expenditure approvals and financial controls. Management is required by the Board to comply with legal and regulatory requirements with respect to all of the Corporation's activities.

The Board would be required to give prior approval to any action that would lead to a material change in the nature of the business and affairs of the Corporation.

The Board has not developed written position descriptions for the Chairman of the Audit Committee or the Compensation Committee. The Board is responsible for appointing the chair of each committee and has developed an Audit Committee Charter and Compensation Committee Charter which details the responsibilities of each committee. The chairs of the Audit Committee and Compensation Committee are responsible for ensuring that each committee functions in accordance with its charter.

The Corporation is committed to conducting its business with the highest standards of business ethics and in accordance with applicable laws, rules and regulations. The Corporation adopted a written Code of Ethics and Business Conduct (the "Code") that applies to all directors, officers and employees of the Corporation and sets out specific policies to guide these individuals in the performance of their duties. The Code sets out in detail the core values and the principles by which the Corporation is governed and addresses topics such as: honest and ethical conduct; conflicts of interest; compliance with applicable laws, rules and regulations and Corporation policies and procedures; confidential information; public disclosures; and protection and proper use of company assets.

The management of the Corporation is committed to fostering and maintaining a culture of high ethical standards and compliance, and ensuring a work environment that encourages employees to raise concerns to the attention of management and promptly addressing any employee compliance concerns. The Corporation will maintain appropriate records evidencing compliance with the Code. It is ultimately the Board's responsibility for monitoring compliance with the Code. The Board will review the Code periodically; review management's monitoring of compliance with the Code, and if it were necessary, consult with members of the Corporation's senior management team and Audit Committee, as appropriate, to resolve any reported violations of the Corporation's Code. A copy of the Corporation's Code has been filed on and is accessible through SEDAR at www.sedar.com.

Decisions involving senior executive appointments, remuneration reviews and bonus allocations are recommended by the President, but must be approved by the Compensation Committee members.

On an annual basis, the Compensation Committee will approve and recommend to the Board the Corporation's compensation policies generally, proposed salary ranges, bonuses, granting of stock options and any other forms of compensation. In reviewing such compensation policies and recommendations by the President, the Compensation Committee may consider the recruitment, development, promotion, retention and compensation of executives and other employees of the Corporation and any other factors that it deems appropriate.
