I, John E. Hiner, Licensed Geologist (Washington State), SME Registered Member 1448400RM, do hereby consent to the public filing of a technical report entitled "Amended 43-101 Technical Report on the Atacama Lithium Project El Loa Province Region II Republic of Chile" and dated July 20, 2017, with an effective date of March 7, 2017 (the "Technical Report") by Wealth Minerals Ltd. (the "Issuer") with the TSX Venture Exchange (the "Exchange") under its applicable policies and forms in connection with a "reviewable transaction" (within the meaning of applicable Exchange policies) involving the grant to a wholly-owned Chilean subsidiary of the Issuer of the option to acquire a 100% interest in the Atacama Lithium Project (details of which option grant are set out in a news release of the Issuer dated November 23, 2017), and I acknowledge that the Technical Report will become part of the Issuer's public record.

Dated at Lynden, Washington July 20, 2017.
