Dear Sir or Madam:

**Re: Wealth Minerals Ltd. (the “Company”)**  
**- Q1 Fling for the period ended February 28, 2018 (Project #2764319, 2754321)**

Pursuant to your letter dated May 24, 2018, and your conversations with Dave Cross, CFO, we write to advise that we have refiled our financial statements (Project #2764326) pursuant to a typographical error on the Balance Sheet and, refiling of the CEO and CFO certificates using the new forms of certification. We have not refiled the MD&A (Project #2764319) as there is was no error in that document.

We trust this satisfies the deficiencies in our filings.

Sincerely,

**WEALTH MINERALS LTD.**
