

## **WEST HIGH YIELD RESOURCES**

The interim financial statements and MD&A of West High Yield Resources (the “Corporation”) for the period ended June 30, 2020, which were filed earlier on August 12, 2020, were inadvertently filed before all final changes had been incorporated. Revised and corrected interim financial statements are being filed today, August 14, 2020. The Corporation apologizes for any confusion, but the correct statements for the period ended June 30, 2020, are the last ones filed on August 14, 2020.
