

CONSENT OF QUALIFIED PERSON

TO: British Columbia Securities Commission ("**BCSC**")

AND TO: Alberta Securities Commission
Ontario Securities Commission
Office of the Yukon Superintendent of Securities

Dear Sirs/Mesdames:

RE: Tectonic Metals Inc. (the "Company")
Consent Letter for Final Prospectus

I, Carl Michael Schulze, P. Geo., of Aurora Geosciences Ltd., 34A Laberge Rd., Whitehorse, Yukon, Y1A 5Y9, do hereby:

- (a) consent to being named in the Company's long form prospectus dated November 8, 2019 (the "**Final Prospectus**"), to be filed with the applicable securities regulatory authorities and made public under the Company's profile on the System for Electronic Analysis and Retrieval (SEDAR);
- (b) consent to the use of:
 - (i) the amended and restated technical report with an effective date of October 31, 2019, and titled "Amended and Restated NI 43-101 Technical Report, Tibbs Property, Alaska, United States of America";
 - (ii) the amended and restated technical report with an effective date of October 31, 2019, and titled "Amended and Restated NI 43-101 Technical Report, Northway Property, Tanacross District, Alaska, United States of America"; and
 - (iii) the amended and restated technical report with an effective date of October 31, 2019, and titled "Amended and Restated NI 43-101 Technical Report, Technical Report on the Seventymile Property, Eagle District, Alaska, United States of America" (collectively, the "**Reports**");

each of which has been prepared for the Company in accordance with National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* in connection with the filing of the Final Prospectus and to the references to the Reports and the inclusion of the written disclosure of the Reports and of extracts from or summaries of the Reports in the written disclosure contained in the Final Prospectus; and

- (c) certify that I have read the Final Prospectus being filed by the Company including the written disclosure of the Reports and of extracts from or summaries of the Reports contained in the Final Prospectus, and have no reason to believe that there are any misrepresentations in the information contained therein that is derived from the Reports or that is within my knowledge as a result of the services performed by me in connection with the Reports.
