About Source Rock Royalties Ltd.

Source Rock is a pure-play oil and gas royalty company with an existing portfolio of oil royalties in southeast Saskatchewan, central Alberta and west-central Saskatchewan. Source Rock targets a balanced growth and yield business model, using funds from operations to pursue accretive royalty acquisitions and to pay dividends. By leveraging its niche industry relationships, Source Rock identifies and acquires both existing royalty interests and newly created royalties through collaboration with industry partners. Source Rock's strategy is premised on maintaining a low-cost corporate structure and achieving a sustainable and scalable business, measured by growing funds from operations per share and maintaining a strong netback on its royalty production.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy of this release.
