

TECTONIC METALS INC.

Management Information Circular dated August 19, 2022 for the Annual General and Special Meeting of Shareholders to be held on September 22, 2022

GENERAL INFORMATION

This Management Information Circular (the “**Circular**”) is furnished to the holders (the “**Shareholders**”) of the common shares (“**Common Shares**”) in the capital of Tectonic Metals Inc. (the “**Company**” or “**Tectonic**”) by the management of the Company in connection with the solicitation, by or on behalf of the management of the Company, of proxies to be voted at the annual general and special meeting (the “**Meeting**”) of the Shareholders to be held on September 22, 2022, or any adjournment thereof, for the purposes set forth in the accompanying Notice of Meeting.

All dollar amounts in this Circular are expressed in Canadian dollars unless otherwise indicated.

PROXIES

Solicitation of Proxies

The persons named in the accompanying form of proxy (the “**Proxy**”) are management-designated proxy holders. A registered Shareholder has the right to appoint some other person or company (who need not be a Shareholder) to represent the Shareholder at the Meeting, or any adjournment thereof, and may do so either by inserting such other person’s name in the blank space provided in the Proxy Form or by completing another form of proxy. To be used at the Meeting, proxies must be received by Computershare Investor Services Inc., 510 Burrard Street, 3rd Floor, Vancouver, BC V6C 3B9, fax number: 604-661-9549 by no later than 10:00 a.m. (Vancouver time) on September 20, 2022 or, if the Meeting is adjourned, by no later than 48 hours prior to the date and time on which the Meeting is reconvened, or may be deposited with the chair of the Meeting prior to the commencement of the Meeting. Solicitation will be primarily by mail, but some proxies may be solicited personally or by telephone by regular employees or directors of the Company at a nominal cost. The Company will bear all the costs of the solicitation.

Non-Registered Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name (a “**Non-Registered Holder**”).

Only registered holders of Common Shares or the persons they appoint as their proxy holders are permitted to vote at the Meeting. In many cases, however, Common Shares beneficially owned by a Non-Registered Holder are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “NOBOs” (for non-objecting beneficial owners). Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “OBOs” (for objecting beneficial owners).

In accordance with the requirements of National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), the Company has elected to send the Notice of Meeting, this Circular and Proxy (collectively, the “Meeting Materials”) indirectly to NOBOs, and indirectly through Intermediaries to OBOs. The Company is not relying on the notice and access delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting Materials to each OBO, unless the OBO has waived the right to receive them. Intermediaries will frequently use service companies to forward the Meeting Materials to OBOs. Generally, an OBO who has not waived the right to receive Meeting Materials will either:

- (a) be given a form of proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the OBO and must be completed, but not signed, by the OBO and deposited with Computershare Investor Services Inc.; or
- (b) more typically, be given a voting instruction form (“VIF”), instead of a Proxy, which is not signed by the Intermediary, and which, when properly completed and signed by the OBO and returned to the Intermediary or its service company, will constitute voting instructions which the Intermediary must follow.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the Meeting Materials and related documents. Accordingly, an OBO will not receive copies of the Meeting Materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

The Meeting Materials are being sent to both registered Shareholders of the Company and Non-Registered Holders. If you are a Non-Registered Holder and the Company or its agent has sent these materials to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

If the Meeting Materials sent to NOBOs who have not waived the right to receive meeting materials are accompanied by a VIF, instead of a Proxy Form, then by returning the VIF in accordance with the instructions noted on it, a NOBO is able to instruct the voting of the Common Shares owned by the NOBO.

VIFs, whether provided by the Company or by an Intermediary, should be completed and returned in accordance with the specific instructions noted on the VIF. The purpose of this procedure is to permit Non-Registered Holders to direct the voting of the Common Shares which they beneficially own. Should a Non-Registered Holder who receives a VIF wish to attend the Meeting or have someone else attend on the Non-Registered Holder's behalf, the Non-Registered Holder may request a legal proxy as set forth in the VIF, which will grant the Non-Registered Holder, or the Non-Registered Holder's nominee, the right to attend and vote at the Meeting.

Non-Registered Holders should return their voting instructions as specified in the VIF sent to them. Non-Registered Holders should carefully follow the instructions set out in the VIF, including those regarding when and where the VIF is to be delivered.

Although Non-Registered Holders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their broker, agent or nominee, a Non-Registered Holder may attend the Meeting as a proxy holder for a registered Shareholder and vote Common Shares in that capacity. Non-Registered Holders who wish to attend the Meeting and indirectly vote their Common Shares as the proxy holder for the registered Shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxy holder.

Revocability of Proxies

A registered Shareholder who has given a Proxy may revoke it by an instrument in writing that is executed by the Shareholder or by that Shareholder's attorney-in-fact authorized in writing or, where the Shareholder is a corporation, by a duly authorized officer of, or attorney-in-fact for, the Company, and:

- (a) received at the registered office of the Company at any time up to and including the last business day before the Meeting at which the Proxy is to be used; or
- (b) provided to the chair of the Meeting, at the Meeting, before any vote in respect of which the Proxy is to be used shall have been taken; or
- (c) in any other manner provided by law.

NOBOs who wish to revoke their voting instructions should, at least seven days prior to the Meeting, follow the instructions contained in their VIF. OBOs who wish to revoke their VIF or a waiver of the right to receive proxy-related materials should contact their Intermediaries for instruction.

Voting of Proxies

Common Shares represented by a properly executed and valid Proxy will be voted "For" or "Against", or withheld from voting on a particular issue in accordance with the Shareholder's instructions on any ballot that may be called for at the Meeting and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. **In the absence of any instructions, the Proxy agent named on the Proxy will cast the Shareholder's votes "FOR" each resolution set forth herein and in the Notice of Meeting and IN FAVOUR of all matters proposed by management at the Meeting.**

The enclosed Proxy confers discretionary authority upon the persons named therein with respect to (a) amendments or variations to matters identified in the Notice of Meeting, and (b) other matters which may properly come before the Meeting or any adjournment thereof. At the time of printing of this Circular, management of the Company knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Company consists of an unlimited number of Common Shares. Director Biographies

Antonio Reda, President, Chief Executive Officer and Director

As Founder, President, Chief Executive Officer (“**CEO**”) and a director of Tectonic Metals Inc., Tony is all in, working solely to create value for the Company’s Shareholders and stakeholders. His loyalty and commitment to his work are undeniable, as demonstrated by the fact that he was the longest-serving employee of Kaminak Gold Corporation (“**Kaminak**”) from inception in 2005 to the sale of the company, including the Coffee Gold Project, in 2016 to Goldcorp Inc. (now Newmont).

While at Kaminak, Tony served as Vice President, Corporate Development executing the company’s strategic planning, financing, business development and marketing while overseeing the public relations and investor communications of the company. Tony was pivotal in orchestrating capital raises to primarily fund the acquisition and advancement of the Coffee Gold Project in the Yukon Territory from a grassroots discovery through to the completion of a bankable feasibility study. He was also involved in monetizing Kaminak’s other projects by forming strategic alliances, joint venture agreements and creating public and private companies resulting in a significant amount of capital being spent by third parties directly on Kaminak’s projects.

During his tenure with Kaminak, the company was ranked 8th best performing mining company from a peer group of some 1,200 mining companies, was listed as a 2015 TSX Venture 50 Company and was one of four companies selected out of 1,971 companies listed on the TSXV as Best Investor Relations by IR Magazine in 2015.

APPROVAL OF EQUITY INCENTIVE PLAN

At the annual general and special meeting of Shareholders held October 6, 2021, the Company adopted a rolling equity incentive plan (the "**Equity Incentive Plan**"), as approved by the Board on September 1, 2021, to amend and restate the Company's previous stock option plan (the "**Option Plan**"). Pursuant to section 5.2(c) of TSXV Policy 4.4, the Equity Incentive Plan must be approved annually by Disinterested Shareholders (as defined below). A copy of the Equity Incentive Plan is attached to this Circular as Schedule "A".

The Equity Incentive Plan provides the Company with a share-related mechanism to attract, retain and motivate qualified Eligible Persons (as defined below). Grants under the Equity Incentive Plan include a grant or right consisting of one or more Options, restricted share units ("**RSUs**"), performance share units ("**PSUs**", together with RSUs, "**Share Units**"), or such other award as may be permitted under the Equity Incentive Plan (collectively, "**Grants**"). The Equity Incentive Plan is a rolling incentive plan that sets the number of Common Shares issuable under the Equity Incentive Plan at a maximum of 10% of the aggregate Common Shares issued and outstanding on a non-diluted basis at the time of any Grant. Based on the 201,046,740 Common Shares issued and outstanding on a non-diluted basis as of the Record Date, 20,104,674 Common Shares are reserved for issuance under the Equity Incentive Plan. Of that number, in accordance with the policies of the TSXV, 10,052,337 Common Shares will be reserved specifically for issuance pursuant to Grants of Share Units. All stock options that were granted under the previous Option Plan are now governed by the terms of the Equity Incentive Plan.

The principal features of the Equity Incentive Plan are as follows:

Participants

Eligible participants include directors, officers, employees and consultants of the Company, who, by the nature of their position or job are, in the opinion of the Board, in a position to contribute to the success of the Company ("**Eligible Persons**").

Reservation of Shares

Subject to certain limits and adjustments, the aggregate number of Common Shares available for Eligible Persons to acquire pursuant to Grants will not at any time exceed 10% of the Company's then outstanding Common Shares.

For so long as the Common Shares are listed on the TSXV, the number of Common Shares together with shares of any other class in the share capital of the Company from time to time ("**Shares**") reserved for issuance under the Equity Incentive Plan and all of the Company's other previously established or proposed share compensation arrangements: (i) in aggregate shall not exceed 10% of the total number of issued and outstanding Shares on a non-diluted basis on the award date; and (ii) to any one Eligible Person to whom a Grant is made and which Grant or a portion thereof remains outstanding (a "**Participant**") within a 12-month period shall not exceed 5% of the total number of issued and outstanding shares on a non-diluted basis.

For so long as the Common Shares are listed on the TSXV, the number of Shares which may be issuable under the Equity Incentive Plan and all of the Company's other previously established or proposed share compensation arrangements, within a one-year period: (i) to any one person, shall be no more than 5% of the issued and outstanding share capital of the Company, with the exception of a consultant who may not receive Grants of more than 2% of the issued and outstanding share capital of the Company; and (ii) to persons employed to conduct Investor Relations Activities (as defined in the Equity Incentive Plan), shall be no more than an aggregate of 2% of the number of issued and outstanding Common Shares in the capital of the Company at any one time.

In addition, in accordance with the policies of the TSXV, the maximum number of Common Shares issuable pursuant to Grants of Share Units under the Plan will not exceed 10,052,337 Common Shares.

Options

The Board may grant Options to Eligible Persons on terms and conditions consistent with the Equity Incentive Plan.

Each Option entitles the holder thereof to purchase one Common Share at the exercise price determined by the Board at the time of grant. The exercise price of an Option shall be no lower than the market value of the Common Shares as of the award date. For so long as the Common Shares are listed on the TSXV or one or more alternative organized trading facilities, the market value shall be the closing price of the Common Shares on the last trading day immediately preceding the award date. If the Common Shares are not listed on any organized trading facility, the market value will be determined by the Board, subject to the necessary approvals of the applicable regulatory authorities.

The vesting schedule of an Option is determined by the Board at the time of grant, provided that if the Common Shares are listed on the TSXV, Options granted to persons employed to conduct Investor Relations Activities (as defined in the Equity Incentive Plan), must vest in stages over 12 months with no

more than 25% of the Options vesting in any three month period. Further, persons employed to conduct Investor Relations Activities may only be granted Options under the Equity Incentive Plan, and are not entitled to Grants of Share Units or other form of share-based award.

The exercise period of an Option is determined by the Board at the time of grant, provided that the exercise period of an Option shall not be greater than 10 years following the award date, unless exercised or terminated earlier in accordance with the terms of the Equity Incentive Plan or the applicable grant agreement. Subject to certain exceptions for US Taxpayers (as defined in the Equity Incentive Plan), if the exercise period is terminated during a blackout period, the exercise period shall be extended to the date that is 10 business days following the end of such blackout period.

Subject to certain limitations, in the event a Participant's position as a director, officer, employee, or consultant of the Company or any affiliate is terminated for a reason other than the Participant's disability, death or termination for cause, Options that have not vested as at the termination date terminate and expire on the termination date, and Options that have vested as at such termination date, shall be exercisable for 90 days after the termination date and then expire.

Subject to certain limitations, if a Participant's employment or consulting agreement is terminated for cause, all outstanding Options expire on the date of such termination for cause.

In the event a Participant's position as director, officer, employee or consultant of the Company or an affiliate is terminated by reason of such Participant's disability, any vested Option held by such Participant that could have been exercised immediately prior to the Participant's termination date shall be exercisable by such Participant, or by his or her guardian, for a period of 1 year following the termination date of such Participant. All unexercised vested options shall expire on the first anniversary of the termination of service and all unvested Options shall expire on the termination date.

If a Participant's position as director, officer, employee or consultant of the Company or an affiliate is terminated as a result of his or her death, any Options held by such Participant shall pass to the Qualified Successor (as defined in the Equity Incentive Plan) of the Participant, and shall continue to vest and be exercisable by the Qualified Successor for a period of one year following such death, provided that in no case shall the exercise period of the Option extend beyond ten years from the award date. All unexercised Options shall expire on the first anniversary of the Participant's death.

Share Units

The Board may grant Share Units to Eligible Persons on such terms and conditions consistent with the Equity Incentive Plan, provided, however, that Share Units shall not be granted to persons employed to conduct Investor Relations Activities.

The Board will determine the grant value and the valuation date for each Grant of Share Units. The number of Share Units to be covered by each Grant will be determined by dividing the grant value for such Grant by the market value of a Share as at the valuation date, rounded up to the next whole number. For so long as the Common Shares are listed on the TSXV or one or more alternative organized trading facilities, the market value shall be the closing price of the Common Shares on the last trading day immediately preceding the award date. If the Common Shares are not listed on any organized trading facility, the market value will be determined by the Board, subject to the necessary approvals of the applicable regulatory authorities.

Share Units subject to a Grant and dividend-equivalent Share Units will vest as specified in the grant agreement governing such Grant, provided that the Participant has not been terminated on or before the relevant vesting date.

Share Units will be settled upon, or as soon as reasonably practicable following the vesting thereof, and in any event on or before December 31 of the third year following the year in which the Participant performed the services to which the Grant relates. Settlement will be made by way of issuance of one Share for each

RSU or PSU, a cash payment equal to the market price on the date the Share Unit becomes vested for Share Units being settled in cash, or a combination of Shares and cash, all as determined by the Board, or as specified in the applicable grant agreement.

If the Share Units would be settled within a blackout period, such settlement will be postponed until the trading day following the date on which such blackout period ends (or as soon as practicable thereafter, and in any event, within 10 business days following the end of the blackout period), provided, however, that an expiry date falling within a blackout period will not be extended if the Participant is a US Taxpayer. The market price of any Share Units being settled in cash will be determined as of the trading day immediately prior to the settlement date.

If and when cash dividends are paid with respect to Common Shares to Shareholders of record during the period from the award date under the grant agreement to the date of the settlement of the Share Units, a number of dividend equivalent RSUs or PSUs, as applicable, will be credited to the share unit account of such Participant. The additional RSUs or PSUs granted to a Participant will be subject to the same terms and conditions, including vesting and settlement terms, as the corresponding Share Units.

Subject to certain limitations, where the Participant's position as a director, officer, employee, or consultant of the Company or any affiliate terminates for a reason other than the Participant's disability, death or termination for cause, all Share Units that are not vested on the termination date shall be cancelled for no consideration. If the Participant's position as an employee, consultant, director or officer of the Company or any affiliate is terminated for cause, all Share Units that have not yet been settled on the termination date shall be forfeited on the termination date for no consideration.

If a Participant dies or experiences a disability prior to Share Units vesting, such number of Share Units that would have vested in the 12 months following the Participant's termination date due to death or disability shall vest and such vested Share Units shall be settled in favour of the Participant's Qualified Successor or Guardian (as such terms are defined in the Equity Incentive Plan), subject to certain limitations.

Amendment and Termination Provisions

The Board may amend the Equity Incentive Plan provided that, subject to certain exceptions, any amendment would not alter the terms or conditions of any Grant or impair any right of any Participant pursuant to any Grant awarded prior to such amendment. The Board may also terminate the Equity Incentive Plan provided that such termination will not alter the terms or conditions of any Grant or impair any right of any Participant pursuant to any Grant awarded prior to the date of such termination which will continue to be governed by the provisions of the Equity Incentive Plan.

However, if and for so long as the Common Shares are listed on the TSXV, disinterested shareholder approval will be required for changes to the Equity Incentive Plan that: (a) increase the maximum number of Common Shares that may be reserved for issuance under the Equity Incentive Plan; (b) place limitations under the Equity Incentive Plan on the number of Options and Share Units that may be granted to any one person or any category of persons; (c) reduce the exercise price of Options, other than by a permitted adjustment; (d) grant to Insiders, within a 12 month period, an aggregate number of Options and Share Units exceeding 10% of the Company's issued Common Shares, calculated at the date the Grant is made to the Insider; (e) issue to any one Participant, within a 12 month period, a number of Common Shares exceeding 5% of the Common Shares; (f) reserve for issuance Common Shares under the Equity Incentive Plan and all of the Company's other security based compensation arrangements in existence from time to time on and after the effective date of the Equity Incentive Plan, where such reservation could result in the aggregate number of Common Shares granted to Insiders exceeding 10% of the Company's issued Common Shares; (g) materially modify the requirements as to eligibility for participation in the Equity Incentive Plan; (h) materially increase the benefits accruing to participants under the Equity Incentive Plan; (i) modify the method for determining the exercise price of the Options; (j) modify the maximum term of any Grant made under the Equity Incentive Plan, subject to certain exceptions; (k) modify the expiry and

termination provisions applicable to Options and Share Units; (l) expand the types of awards which may be granted under the Plan; or (m) extend the duration of the Equity Incentive Plan.

A copy of the Equity Incentive Plan is available for inspection by Shareholders at Tectonic's registered and records office located at Suite 2600, 595 Burrard Street, Vancouver, British Columbia, V7X 1L3 during normal business hours.

Approval of the Equity Incentive Plan

In accordance with the policies of the TSXV, the Equity Incentive Plan must be approved by a simple majority of the votes cast by the Shareholders at the Meeting, excluding those Shareholders eligible to receive Grants pursuant to the Equity Incentive Plan and their affiliates and associates (the "**Disinterested Shareholders**"). The Disinterested Shareholders will be asked at the Meeting to consider, and if thought appropriate, pass, with or without amendment, an ordinary resolution approving the Equity Incentive Plan (the "**Equity Incentive Plan Resolution**"), the full text of which is as follows:

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. The equity incentive plan of the Company (the "**Equity Incentive Plan**"), as approved by the Board of directors of the Company (the "**Board**") on September 1, 2021, and adopted by the Shareholders of the Company on October 6, 2021, the full text of which is set out in Schedule "A" to the Company's management information circular dated August 19, 2022 (the "**Information Circular**"), is hereby approved, ratified, and confirmed, and shall hereafter continue and remain in effect until ratification is required pursuant to the rules of the TSX Venture Exchange or other applicable regulatory requirements.
2. The maximum number of common shares of the Company ("**Common Shares**") authorized and reserved for issuance under the Equity Incentive Plan and all of the Company's other equity incentive plans, in existence from time to time, shall be 10% of the issued and outstanding Common Shares, from time to time, and the maximum number of Common Shares available for issuance pursuant to Share Units (as such term is defined in the Equity Incentive Plan) will be fixed at 10,052,337 Common Shares.
3. All unallocated options, rights or other entitlements to acquire Common Shares available under the Equity Incentive Plan are hereby authorized and approved.
4. Any one director or officer of the Company is authorized and directed to make any changes to the Equity Incentive Plan, if required by the TSX Venture Exchange.
5. Any one director or officer of the Company is authorized and directed, on behalf of the Company to take all necessary steps and proceedings and to execute, deliver and file any and all declarations, agreements, documents and other instruments and do all such other acts and things that may be necessary or desirable to give effect to the foregoing resolutions."

To be approved, the Equity Incentive Plan Resolution must be passed by a majority of the votes cast by the Disinterested Shareholders at the Meeting. Based on the present shareholdings of the insiders to whom awards may be granted under the Equity Incentive Plan and their affiliates and associates, a total of up to 10,818,571 Common Shares will be excluded from voting on the Equity Incentive Plan Resolution, representing 5.38% of the issued and outstanding Common Shares of the Company as of the Record Date.

The Board unanimously recommends that the Disinterested Shareholders vote IN FAVOUR of the Equity Incentive Plan Resolution. In the absence of a contrary instruction, the person(s) designated by the management of the Company in the enclosed Proxy intend to vote "FOR" the Equity Incentive Plan Resolution. The Board can revoke the Equity Incentive Plan Resolution before it is acted on, even if it is passed by Disinterested Shareholders, in its sole discretion and without further notice to or approval of Shareholders.

Should the Equity Incentive Plan Resolution not receive the required Disinterested Shareholder approval at the Meeting, and subsequently should the Company fail to obtain such approval by January 6, 2023 (15 months from the date of the last approval), then effective September 22, 2022, the Company must not grant any further Options or Share Units under the Equity Incentive Plan until it has obtained the requisite Disinterested Shareholder approval.

STATEMENT OF EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

Named Executive Officers

Securities legislation requires the disclosure of the compensation received by each named executive officer of the Company (collectively, the “NEOs” or “Named Executive Officers”). “Named Executive Officer” is defined by securities legislation to mean:

- (a) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as CEO, including an individual performing functions similar to a CEO;
- (b) each individual who, in respect of the Company, during any part of the most recently completed financial year, served as chief financial officer (“CFO”), including an individual performing functions similar to a CFO;
- (c) in respect of the Company and its subsidiaries, the most highly compensated executive officer other than the individuals identified in paragraphs (a) and (b) at the end of the most recently completed financial year whose total compensation was more than \$150,000 for that financial year; and
- (d) each individual who would be a Named Executive Officer under paragraph (c) but for the fact that the individual was not an executive officer of the company, and was not acting in a similar capacity, at the end of that financial year.

During the Company’s financial year ended December 31, 2021, the Named Executive Officers of the Company were Antonio Reda (President, CEO and director of the Company), Krysta Chapman (former CFO and Corporate Secretary), Paul Charlish (former CFO and Corporate Secretary), Xavier Wenzel (current CFO and Corporate Secretary) and Eric Buitenhuis (Vice President, Exploration).

Compensation Philosophy

The Board has established a Compensation Committee to consider and advise on the compensation of its directors and officers, in light of Tectonic’s corporate and strategic goals.

In determining the compensation to be paid or awarded to its executives, the Compensation Committee seeks to encourage the advancement of the Company’s exploration projects, with a view to enhancing Shareholder value. To achieve these objectives, the Company believes it is critical to create and maintain a compensation program that attracts and retains committed, highly qualified personnel by providing appropriate rewards and incentives that align the interest of its executives with those of its Shareholders. In addition, as Tectonic, currently, has no revenues from operation and operates with limited financial resources, the Compensation Committee needs to consider not only the Company’s financial situation at the time of determining executive compensation but also the Company’s estimated financial situation in the mid and long term.

The Company’s executive compensation program consists of a combination of base salary and long-term incentives in the form of participation in the Option Plan. In making its determinations regarding the various elements of executive grants of Options, the Company seeks to meet the following objectives:

- (a) to attract, retain and motivate talented executives who create and sustain Tectonic's continued success within the context of compensation paid by other companies of comparable size engaged in similar business in appropriate regions;
- (b) to align the interests of the NEOs with the interests of the Shareholders; and
- (c) to incent extraordinary performance from the Company's key employees.

The Company is an early-stage exploration company and may not generate revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Company to be appropriate in the evaluation of the performance of its executive officers. The Company does not conduct peer group evaluations in assessing director and NEO compensation.

Director Compensation

During the financial year ended December 31, 2021, directors of the Company who were not officers or employees of the Company were not paid any annual fees. Directors are also eligible to participate in the Option Plan. Directors are entitled to be reimbursed for expenses incurred by them in their capacity as directors. Directors who are also officers or employees of the Company were not paid any amount as a result of their serving as directors of the Company.

Elements of Compensation

Base Salary

The base salary for each executive is established by the Board, on the recommendation of the Compensation Committee, based upon the position held by such executive, competitive market conditions, such executive's related responsibilities, experience and the NEO's skill base, the functions performed by such executive and the salary ranges for similar positions in comparable companies. Individual and corporate performance is also be taken into account in determining base salary levels for executives.

Cash Bonuses

Cash bonuses do not form a normal part of Tectonic's executive compensation. However, the Company may elect to utilize such incentives where the role-related context and competitive environment suggest that such a compensation modality is appropriate. When and if utilized, the amount of cash bonus compensation will normally be paid on the basis of timely achievement of specific pre-agreed milestones. Each milestone will be selected based upon consideration of its impact on Shareholder value creation and the ability of the Company to achieve the milestone during a specific interval. The amount of bonus compensation will be determined based upon achievement of the milestone, its importance to the Company's near and long term goals at the time such bonus is being considered, the bonus compensation awarded to similarly situated executives in similarly situated exploration-stage junior mining companies or any other factors the Compensation Committee may consider appropriate at the time such performance-based bonuses are decided upon. The quantity of bonus will normally be a percentage of base salary not to exceed 100%. However, in exceptional circumstances, the quantity of bonus paid may be connected to Shareholder value creation embodied in the pre-agreed milestones. The Company's determination to pay cash bonuses going forward will be evaluated on an ongoing basis by the Compensation Committee.

Options

The Company adopted the Option Plan on April 10, 2019. The purpose of the Option Plan is to provide the Company with a share-related mechanism to attract, retain and motivate qualified directors, officers, employees and consultants, to reward those individuals from time to time for their contributions toward the long term goals of the Company and to enable and encourage those individuals to acquire Common Shares as long term investments. Because many of the most capable individuals in the mining industry work for

companies who can offer attractive cash and bonus compensation and a high level of employment security, Options represent a compensation element that balances the loss of employment security that such individuals must accept when moving to a junior exploration company such as Tectonic. Options are also an important component of aligning the objectives of Tectonic's executive officers and consultants with those of its Shareholders, while encouraging them to remain associated with the Company.

Tectonic provides significant Option positions to its executive officers and consultants. The precise amount of Options to be offered is governed by the importance of the role within the Company, by the competitive environment within which Tectonic operates, and by the regulatory limits on Option grants that cover organizations such as Tectonic. When considering an award of Options to an executive officer, consideration of the number of Options previously granted to the executive may be taken into account, however, the extent to which such prior grants remain subject to resale restrictions will generally not be a factor.

Hedging by Named Executive Officers or Directors

The Company has no policy with respect to NEOs or directors purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director.

Compensation Risks

In making its compensation-related decisions, the Compensation Committee and Board carefully consider the risks implicitly or explicitly connected to such decisions. These risks include the risks associated with employing executives who are not world-class in their capabilities and experience, the risk of losing capable but under-compensated executives, and the financial risks connected to the Company's operations, of which executive compensation is an important part.

In adopting the compensation philosophy described above, the principal risks identified by the Company are:

- (a) that the Company will be forced to raise additional funding (causing dilution to Shareholders) in order to attract and retain the calibre of executive employees that it seeks; and
- (b) that the Company will have insufficient funding to achieve its objectives.

Stock Option Plans and Other Incentive Plans

Option Plan

See "*Adoption of Equity Incentive Plan*" for a summary of the general terms and conditions of the Option Plan.

Restricted Share Plan

On July 29, 2019, the Board adopted the restricted share plan (the "**Restricted Share Plan**"). The purpose of the Restricted Share Plan was to establish a vehicle by which equity-based incentives may be awarded to qualified directors, officers, employees and consultants to recognize and reward their ongoing significant contributions to the long-term success of the Company and to align those individuals' interests more closely with the Shareholders'.

Pursuant to the terms of the Restricted Share Plan, no restricted shares ("**Restricted Shares**") may be granted once the securities of the Company are listed or quoted on an organized trading facility. **Accordingly, as of the date of the Company's listing on the TSXV, the Company shall no longer grant Restricted Shares under the terms of the Restricted Share Plan.** As there are no further Restricted Shares issuable thereunder, the Restricted Share Plan does not, nor will it in future, require Shareholder approval.

Under the Restricted Share Plan, the Board had the authority to determine the terms and conditions of grants including, without limitation, (a) the number of Restricted Shares subject to a grant; (b) the applicable vesting period(s); (c) the vesting conditions, including terms relating to performance conditions and/or other vesting conditions and the performance period; (d) the circumstances upon which a Restricted Share shall be forfeited, cancelled or expire; (e) the consequences of a termination with respect to a Restricted Share; (f) the manner and time of the distribution of vested Restricted Shares; and (g) whether the terms upon which any Common Shares distributed upon the vesting of a Restricted Share must continue to be held by a participant for any specified period.

The eligible participants under the Restricted Share Plan are the directors, officers, employees and consultants of the Company (including any subsidiary of the Company) who, in the opinion of the Board, is in a position to contribute to the success of the Company. Pursuant to the Restricted Share Plan, the participant is not permitted to sell, assign, transfer, pledge or otherwise encumber the Restricted Shares until the expiration of the applicable vesting period.

Subject to certain terms of a participant's employment agreement with the Company, in the event that a participant's employment is terminated by the Company or that Participant resigns, Restricted Shares that have been granted but not vested and distributed prior to the date of termination or resignation, as the case may be, shall not vest and shall be forfeited immediately.

As of November 8, 2019, the date of the Company's listing on the TSXV, there were 2,575,000 Restricted Shares issued and outstanding, all granted to directors and officers of the Company and requiring two years of continuous employment to vest. All such Restricted Shares were granted with a deemed fair market value of \$0.35 per Restricted Share.

As of the date of this Circular, there are no Restricted Shares issued and outstanding.

(1) The Equity Incentive Plan was approved by the Shareholders at the annual general and special meeting of the Company on October 6, 2021. All stock options previously granted under the Option Plan are now governed by the Equity Incentive Plan.

Employment, Consulting and Management Agreements

The Company's general compensation strategy for NEOs is discussed above under "*Compensation Discussion and Analysis – Compensation Philosophy*". During the most recently completed financial year, the significant terms of each NEOs employment agreement or arrangement were as follows:

Antonio Reda, President, Chief Executive Officer and Director

In the event of termination without cause, Mr. Reda is entitled to a lump sum payment equal to twelve months of salary plus one additional month of salary for each completed year of service, up to a maximum of 24 months. Assuming Mr. Reda's employment had been terminated by the Company without cause, effective December 31, 2021, the Company would have been required to make a payment to Mr. Reda in the aggregate amount of \$300,000 pursuant to the terms of his employment agreement.

Mr. Reda may terminate his employment with 60 days' advance notice. In the event of termination or resignation for good reason within twelve months subsequent to a change of control, Mr. Reda is entitled to a lump sum payment equal to two times his annual compensation, which includes his current salary plus the average of any bonuses paid to Mr. Reda within the last three years. Any termination or resignation following a change of control requires two months' notice. Assuming Mr. Reda's employment was terminated or he resigned during the most recently completed financial year following a change of control, the Company would have been required to make a payment to Mr. Reda in the aggregate amount of \$513,333 pursuant to the terms of his employment agreement.

In the event that Tectonic is no longer liquid and cannot pay its debts, Mr. Reda waives his entitlement to any lump sum payment beyond any amounts he is entitled to under the *Employment Standards Act* (British Columbia) due to termination without cause.

The employment agreement with Mr. Reda also contains a non-solicitation clause, which applies for six months after termination.

Fehr & Associates Agreement

Tectonic entered into an agreement with Fehr & Associates (the “**Fehr Agreement**”) effective August 4, 2021, pursuant to which Fehr & Associates has assumed responsibility of the Company’s accounting department services, which includes ongoing technical accounting support for regulatory filings and day to day administration and bookkeeping. Under the Fehr Agreement, Xavier Wenzel, Principal at Fehr & Associates, assumed the role of CFO of the Company effective as of August 4, 2021. Mr. Wenzel’s responsibilities as CFO under the Fehr Agreement include ongoing accounting, risk management, financial reporting, maintenance of internal accounting procedures and preparation of required financial reporting and information circulars. Fehr & Associates is located at 200-2820 Granville Street, Vancouver, British Columbia, V6C 1S4.

In consideration for the services provided to the Company by Mr. Wenzel as CFO and Corporate Secretary, Fehr & Associates receives \$2,000 per month plus \$125 per hour for any services rendered to the Company by Mr. Wenzel or the firm. This hourly rate may be increased after six months. The Company's approach to issues of corporate governance is designed with a view to ensuring that the business and affairs of the Company are effectively managed so as to enhance shareholder value. The Board fulfills its mandate directly and through its committees at meetings held as required.

National Policy 58-201 – *Corporate Governance Guidelines* establishes corporate governance guidelines to be used by issuers in developing their own corporate governance practices. The Board is committed to

ensuring that the Company has an effective corporate governance system, which adds value and assists the Company in achieving its objectives.

The Company's approach to corporate governance is set forth below.

Board of Directors

The Board is composed of five directors, four of whom qualify as independent directors. For this purpose, a director is independent if he or she has no direct or indirect "material relationship" with Tectonic, as defined in National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("**NI 58-101**"). A "material relationship" is a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of the director's independent judgment. An individual who has been an employee or executive officer of the Company within the last three years is considered to have a material relationship with the Company.

<u>Director</u>	<u>Reporting Issuer</u>

Curtis Freeman	American Copper Development Corporation

The Board has determined that these concurrent directorships do not adversely impact the effectiveness of Mr. Reda or Mr. Freeman on the Board or create any potential for conflicts of interest.

Mandate of the Board

The Board assumes responsibility for the stewardship of the Company and the enhancement of shareholder value. Pursuant to the mandate of the Board (the "**Board Mandate**") the Board is responsible for:

- (a) adopting a strategic plan for the Company and reviewing the plan in light of management's assessment of emerging trends, the competitive environment, the opportunities for the business of the Company, risk issues, and significant business practices and products;
- (b) ensuring that the risk management of the Company is prudently addressed;
- (c) reviewing the Company's approach to human resource management and overseeing succession planning for management;

- (e) upholding a comprehensive policy for communications with Shareholders and the public at large.

The frequency of meetings of the Board and the nature of agenda items may change from year to year, depending upon the activities of Tectonic. The Board intends to meet at least annually, and at each meeting there is a review of the business of Tectonic.

The Board of the Company facilitates its exercise of independent supervision over the Company's management through frequent meetings of the Board being held to obtain an update on significant corporate activities and plans, both with and without members of the Company's management being in attendance.

The Board Mandate is attached as Schedule "B".

Each new director participates in the Company's initial orientation program and each director participates in the Company's continuing director development programs. The Board reviews the Company's initial orientation program and continuing director development programs. Tectonic provides new directors copies of relevant financial, technical, geological and other information regarding its properties and meetings with management. Board members are encouraged to communicate with management and auditors, to keep themselves current with industry trends and developments, and to attend related industry seminars. Board members have full access to the Company's records.

Ethical Business Conduct

The Nominating and Corporate Governance Committee establishes and reviews with the Board the appropriate skills and characteristics required of members of the Board, taking into consideration the Board's short-term needs and long-term succession plans. In addition, the Nominating and Corporate Governance Committee develops, and annually updates, a long-term plan for the Board's composition, taking into consideration the characteristics of independence, age, skills, experience and availability of service to the Company of its members, as well as opportunities, risks, and strategic direction of the Company.

8.1 Option Details

The Board may, from time to time, make one or more Grants of Options to Eligible Persons on such terms and conditions, consistent with the Plan, as the Board shall determine. - (a) the Award Date;
- (b) the number of Options granted;

- (d) any vesting schedule contained in the Option Certificate upon which the exercise of an Option is contingent;
- (e) subject to Section 8.5, the term of the Option, provided that the Exercise Period shall in no event be greater than ten (10) years following the Award Date; however, if the Exercise Period is terminated during a Blackout Period, the Exercise Period shall be extended to the date that is ten (10) business days following the end of such Blackout Period (the "**Extension Period**"), provided that, notwithstanding the foregoing, the Exercise Period shall not be extended if the Participant holding such Option is a US Taxpayer;
- (f) if the Participant in respect of an Option grant is an Employee or Consultant, a representation by the Company that the Participant is a bona fide Employee or Consultant; and

Any Option or part thereof not exercised within the Exercise Period will terminate and become null, void and of no effect as of 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date.

8.2 Termination

To the extent not earlier exercised or terminated in accordance with Section 8.5 hereof, the Expiry Date of an Option will be the earlier of the following dates:

- (a) Fixed Expiry Date
The fixed expiry date specified for such Option in the Option Certificate; provided that, if the expiry date occurs during a Blackout Period, such expiry date shall be extended to the date that is ten (10) business days following the end of such Blackout Period; provided further that, notwithstanding the foregoing, an expiry date falling within a Blackout Period shall not be extended if the Participant holding such Option is a US Taxpayer.
- (b) Without Cause Termination
Unless determined otherwise by the Board, where the Participant's position as a Director,

provided that if a Participant's position with the Company changes from one of the said categories to another category, such change shall not constitute termination for the purpose of this Section 8.2.

(c) For Cause Termination

If the Participant's employment is terminated for Cause or the Participant's consulting agreement is terminated for cause, all outstanding Options expire on the Termination Date.

(d) Substantial Sale

(i) If Shareholders holding Shares representing at least 66 2/3% of the outstanding Shares (the "**Selling Shareholders**") irrevocably agree to transfer to one or more Persons acting as principal and who is or are independent of the Selling Shareholders (a "**Purchaser**") all or some portion of the Shares held or beneficially owned by the Selling Shareholders pursuant to a bona fide offer (a "**Purchase Offer**") from or with the Purchaser, which Purchase Offer is approved by the Board, the Selling Shareholders shall have the right, but not the obligation, to require each of the other holders or beneficial owners of Shares (the "**Other Securityholders**") to sell the same proportion of Shares beneficially owned by such Other Securityholders to the Purchaser. If the Purchaser offers to purchase any Shares underlying the outstanding Options or requires that there be no Options outstanding following completion of the transactions contemplated in the Purchase Offer, then the Company may, in its sole discretion, deliver a notice to the Participant requiring the exercise of the vested portion of such Options and the sale of the Shares received on exercise to the Purchaser.

(ii) If the Purchaser offers to buy the Shares underlying the Options of a Participant and the Participant does not exercise the vested portion of the Options and sell the Shares received to the Purchaser as contemplated above, then that Participant's Options will expire, terminate, and be cancelled on completion the transaction contemplated in the Purchase Offer.

A Participant shall have no right to receive Shares or a cash payment, as compensation, damages or otherwise, with respect to any Options that do not become Vested, that have been forfeited, or that are not exercised before the date on which the Options expire, whether related or attributable to any contractual or common law termination entitlements or otherwise.

8.3 Exercise Price

The price at which a Participant may purchase a Common Share upon the exercise of an Option will be as set forth in the Option Certificate issued in respect of such Option and in any event will not be less than the Market Value of the Common Shares as of the Award Date.

8.4 Additional Terms

Subject to all applicable securities laws and regulations and the rules and policies of all applicable Regulatory Authorities, the Board may attach other terms and conditions to the grant of a particular Option, such terms and conditions to be referred to in a schedule attached to the Option Certificate. These terms and conditions may include, but are not necessarily limited to, the following:

- (a) subject to Section 8.1(e), providing that an Option expires on a date other than as provided for herein;
- (b) providing that a portion or portions of an Option vest after certain periods of time or upon the occurrence of certain events, or expire after certain periods of time or upon the occurrence of certain events other than as provided for herein; and
- (c) providing that an Option be exercisable immediately, in full, notwithstanding that it has vesting provisions, upon the occurrence of certain events, such as a friendly or hostile takeover bid for the Company.

8.5 Assignment of Options

Subject to this Section 8.5, Options may not be assigned or transferred.

(a) Death of Participant

If the employment of a Participant as an Employee or Consultant of the Company or any Affiliate, or the position of a Participant as a Director or Officer of the Company or any Affiliate, terminates as a result of his or her death, any Options held by such Participant shall pass to the Qualified Successor of the Participant, and shall continue to vest be exercisable by the Qualified Successor for a period of 1 year following such death, provided that in no case shall the Exercise Period of the Option extend beyond ten years from the Award Date. All unexercised Options shall expire on the first anniversary of the Participant's death.

(b) Disability of Participant

If the employment of a Participant as an Employee or Consultant of the Company or any Affiliate, or the position of a Participant as a Director or Officer of the Company or any Affiliate, is terminated by the Company or any Affiliate by reason of such Participant's Disability, any Vested Option held by such Participant that could have been exercised immediately prior to the Participant's Termination Date shall be exercisable by such Participant, or by his or her Guardian, for a period of 1 year following the Termination Date of such Participant. All unexercised Vested Options shall expire on the first anniversary of the termination of service. All unvested Options shall expire on the Termination Date.

(c) Disability and Death of Participant

If a Participant who has ceased to be employed by the Company or any Affiliate by reason of such Participant's Disability dies within 30 days after the termination of such employment, any Option held by such Participant that could have been exercised immediately prior to his or her death shall pass to the Qualified Successor of such Participant, and shall be exercisable by the Qualified Successor for a period of 1 year following the death of such Participant, provided that in no case shall the Exercise Period of the Option extend beyond ten years from the Award Date.

(d) Deemed Non-Interruption of Employment

Employment shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Participant's right to reemployment with the Company or any Affiliate is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Participant's reemployment is not so guaranteed, then his or her employment shall be deemed to have terminated on the ninety-first day of such leave.

8.6 Effect of a Take-Over Bid

If a bona fide offer (the "Offer") for Common Shares is made to Participant or to shareholders generally or to a class of shareholders which includes the Participant, which Offer constitutes a take-over bid within the meaning of Section 92 of the *Securities Act* (British Columbia), as amended from time to time, the Company shall, immediately upon receipt of notice of the Offer, notify each Participant of full particulars of the Offer, whereupon any Vested Option held by a Participant may, conditional on completion of the Offer, be exercised in whole or in part by the Participant so as to permit the Participant to tender the Common Shares received upon such exercise to the Offer. If:

- (a) the Offer is not completed within the time specified therein; or
- (b) all of the Shares to be tendered by the Participant pursuant to the Offer are not taken up and paid for by the offeror pursuant thereto;

the Options or, in the case of clause (b) above, the portion of the Options for which the underlying Shares would not be taken up, shall not have been exercised and the Company shall refund the Exercise Price to the Participant for such Options.

8.7 Acceleration of Expiry Date

If at any time when an Option granted under the Plan remains unexercised with respect to any unissued Shares, an Offer is made by an offeror, the Board may, upon notifying each Participant of full particulars of the Offer, declare all Options granted under the Plan, vested, and declare that the Expiry Date for the exercise of all unexercised Options granted under the Plan is accelerated so that all Options will either be exercised or will expire prior to the date upon which Common Shares must be tendered pursuant to the Offer. The Directors shall give each Participant reasonable notice of the acceleration of the Options under this section, except that not less than 5 business days' notice is required and more than 30 days' notice is not required.

8.8 Option Grant and Vesting Terms

Unless otherwise determined by the Board in accordance with the terms and conditions of this Plan, Options will be granted by the Board. The Board may determine and impose terms upon which each Option shall become vested, provided that, if the Common Shares are listed on the TSXV, Options granted to Persons employed to conduct Investor Relations Activities, must vest in stages over 12 months with no more than 25% of the Options vesting in any three month period.

ARTICLE 9 EXERCISE OF OPTION

9.1 Exercise of Option

An Option may be exercised only by the Participant or the Guardian of the Participant. A Participant or the Guardian of the Participant may exercise the vested portion or portions of an Option in whole or in part at any time or from time to time during the Exercise Period up to 5:00 p.m. local time in Vancouver, British Columbia on the Expiry Date by delivering to the Administrator an Exercise Notice, the applicable Option Certificate and a certified cheque or bank draft payable to "**Tectonic Metals Inc.**" in an amount equal to the aggregate Exercise Price of the Common Shares to be purchased pursuant to the exercise of the Option. An Option may only be exercised if the Participant has made arrangements with the Company to satisfy any withholding tax obligations, pursuant to Article 4.

In the event that the Expiry Date of an Option falls during, or within five (5) trading days of, a trading blackout period imposed by the Company (the "**Blackout Period**"), the Expiry Date of such Option shall automatically be extended for the Extension Period; provided that if an additional Blackout Period is subsequently imposed by the Company during the Extension Period, then such Extension Period shall be deemed to commence following the end of such additional Blackout Period to enable the exercise of such Option within ten (10) trading days following the end of the last imposed Blackout Period.

9.2 Issue of Share Certificates

As soon as practicable following the receipt of the Exercise Notice, if required, the Administrator will, in his sole discretion, either cause to be delivered to the Participant a certificate for the Common Shares purchased by the Participant or cause to be delivered to the Participant a copy of such certificate and the original of such certificate will be placed in the minute book of the Company. If the number of Common Shares in respect of which the Option was exercised is less than the number of Common Shares subject to the Option Certificate surrendered, the Administrator will forward a new Option Certificate to the Participant concurrently with delivery of the share certificate for the balance of the Common Shares available under the Option.

9.3 Condition of Issue

The Options and the issue of Common Shares by the Company pursuant to the exercise of Options are subject to the terms and conditions of the Plan and compliance with the rules and policies of all applicable Regulatory Authorities with respect to the granting of such Options and the issuance and distribution of such Common Shares, and to all applicable securities laws and regulations. The Participant agrees to comply with all such laws, regulations, rules and policies and agrees to furnish to the Company any information, reports or undertakings required to comply with, and to fully cooperate with, the Company in complying with such laws, regulations, rules and policies.

PART III – SHARE UNITS

ARTICLE 10 GRANT OF SHARE UNITS

10.1 Eligibility and Grant Determination

- (a) The Board may from time to time make one or more Grants of Share Units to Eligible Persons on such terms and conditions, consistent with the Plan, as the Board shall determine, provided that, in determining the Eligible Persons to whom Grants are to be made and the Grant Value for each Grant, the Board shall take into account the terms of any written employment agreement or contract for services between an Eligible Person and the Company and may take into account such other factors as it shall determine in its sole and absolute discretion.
- (b) The Board shall determine the Grant Value and the Valuation Date (if different from the Award Date) for each Grant under this Part III. The number of Share Units to be covered by each such Grant shall be determined by dividing the Grant Value for such Grant by the Market Price of a Share as at the Valuation Date for such Grant, rounded up to the next whole number.
- (c) Each Grant Agreement issued in respect of Share Units shall set forth, at a minimum, the type of Share Units and Award Date of the Grant evidenced thereby, the number of RSUs or PSUs subject to such Grant, the applicable Vesting conditions, the applicable Vesting Date(s) and the treatment of the Grant upon the Participant's termination and may specify such other terms and conditions consistent with the terms of the Plan as the Board shall determine or as shall be required under any other provision of the Plan. The Board may include in a Grant Agreement under this Part III terms or conditions pertaining to confidentiality of information relating to the Company's operations or businesses which must be complied with by a Participant including as a condition of the grant or Vesting of Share Units.

ARTICLE 11 ACCOUNTS AND DIVIDEND EQUIVALENTS

11.1 Share Unit Account

An account, called a "**Share Unit Account**", shall be maintained by the Company for each Participant who has received a Grant of Share Units and will be credited with such Grants of Share Units as are received by a Participant from time to time pursuant to Section 10 and any dividend equivalent Share Units pursuant to Section 11.2. Share Units that fail to Vest to a Participant and are forfeited pursuant to Section 12.5 and Section 12.6, or that are paid out to the Participant or his or her beneficiary, shall be cancelled and shall cease to be recorded in the Participant's Share Unit Account as of the date on which such Share Units are forfeited or cancelled under the Plan or are paid out, as the case may be. For greater certainty, where a Participant is granted both RSUs and PSUs, such RSUs and PSUs shall be recorded separately in the Participant's Share Unit Account.

11.2 Dividend Equivalent Share Units

Except as otherwise provided in the Grant Agreement relating to a Grant of RSUs or PSUs, if and when cash dividends (other than extraordinary or special dividends) are paid with respect to Shares to shareholders of record as of a record date occurring during the period from the Award Date under the Grant Agreement to the date of settlement of the RSUs or PSUs granted thereunder, a number of dividend equivalent RSUs or PSUs, as the case may be, shall be credited to the Share Unit Account of the Participant who is a party to such Grant Agreement. The number of such

additional RSUs or PSUs will be calculated by dividing the aggregate dividends or distributions that would have been paid to such Participant if the RSUs or PSUs in the Participant's Share Unit Account had been Shares by the Market Price on the date on which the dividends or distributions were paid on the Shares. The additional RSUs or PSUs granted to a Participant will be subject to the same terms and conditions, including Vesting and settlement terms, as the corresponding RSUs or PSUs, as the case may be.

ARTICLE 12 VESTING AND SETTLEMENT OF SHARE UNITS

12.1 Vesting

Subject to this Section 12.1 and the applicable Grant Agreement, Share Units subject to a Grant and dividend equivalent Share Units credited to the Participant's Share Unit Account in respect of such Share Units shall Vest in such proportion(s) and on such date(s) as may be specified in the Grant Agreement governing such Grant provided that the Participant has not experienced a Termination Date on or before the relevant Vesting Date.

12.2 Settlement

A Participant's RSUs and PSUs, adjusted in accordance with the applicable multiplier, if any, as set out in the Grant Agreement, and rounded down to the nearest whole number of RSUs or PSUs, as the case may be, shall be settled, by a distribution as provided below to the Participant or his or her beneficiary following the Vesting thereof in accordance with Section 12.1, as the case may be, subject to the terms of the applicable Grant Agreement. In all events, unless the Grant Agreement specifies that RSUs and PSUs must be settled through the issuance of Common Shares, settlement will occur upon or as soon as reasonably practicable following Vesting and, in any event, no later than December 31 of the third year following the year in respect of which the Share Unit is granted. Settlement shall be made by the issuance of one Share for each RSU or PSU then being settled, a cash payment equal to the Market Price on the date the Share Unit becomes Vested for RSUs or PSUs being settled in cash (subject to Section 12.3), or a combination of Shares and cash, all as determined by the Board in its discretion, or as specified in the applicable Grant Agreement, and subject to payment or other satisfaction of all related withholding obligations in accordance with Article 4.

For greater certainty, settlement for Participants who are US Taxpayers shall be made on such dates or during such period as provided in the related Grant Agreement.

12.3 Postponed Settlement

Except if the Participant is a US Taxpayer, if a Participant's Share Units would, in the absence of this Section 12.3, be settled within a Blackout Period applicable to such Participant, such settlement shall be postponed until the Trading Day following the date on which such Blackout Period ends (or as soon as practicable thereafter, and in any event, within 10 business days following the end of the Blackout Period), and the Market Price of any Share Units being settled in cash will be determined as of the Trading Day immediately prior to the settlement date.

12.4 Failure to Vest

Subject to the terms of the Grant Agreement and this Article 12, all Share Units that are not Vested and do not become Vested on the Participant's Termination Date shall be immediately forfeited. The Participant shall have no further entitlement to RSUs or PSUs and no right to receive Shares or a cash payment, as compensation, damages or otherwise, following the Termination Date and waives any claim to damages in respect thereof whether related or attributable to any contractual

or common law notice period or otherwise, with respect to any RSUs or PSUs that do not become Vested or are forfeited hereunder.

12.5 Without Cause Termination

Unless determined otherwise by the Board and subject to the terms of a Participant's Grant Agreement, where the Participant's position as a Director, Officer, Employee, or Consultant of the Company or any Affiliate terminates for a reason other than the Participant's Disability, death or termination for Cause, all Share Units that are not Vested on the Termination Date shall be cancelled for no consideration.

12.6 For Cause Termination

Unless determined otherwise by the Board, if the Participant's position as an Employee, Consultant, Director or Officer of the Company or any Affiliate is terminated for Cause, all Share Units that have not yet been settled on the Termination Date shall be forfeited on the Termination Date for no consideration.

12.7 Death or Disability

Unless determined otherwise by the Board and subject to the terms of a Participant's Grant Agreement, if a Participant dies or experiences a Disability prior to Share Units Vesting, such number of Share Units that would have vested in the 12 months following the Participant's Termination Date due to death or Disability shall vest and such Vested Share Units shall be settled in favour of the Participant's Qualified Successor or Guardian pursuant to Section 12.2.

12.8 Substantial Sale

- (a) If Shareholders holding Shares representing at least 66 2/3% of the outstanding Shares (the "**Selling Shareholders**") irrevocably agree to transfer to one or more Persons acting as principal and who is or are independent of the Selling Shareholders (a "Purchaser") all or some portion of the Shares held or beneficially owned by the Selling Shareholders pursuant to a bona fide offer (a "**Purchase Offer**") from or with the Purchaser, which Purchase Offer is approved by the Board, the Selling Shareholders shall have the right, but not the obligation, to require each of the other holders or beneficial owners of Shares (the "**Other Securityholders**") to sell the same proportion of Shares beneficially owned by such Other Securityholders to the Purchaser. If the Purchaser offers to purchase any outstanding Share Units or requires that there be no Share Units outstanding following completion of the transactions contemplated in the Purchase Offer, then the Company may, in its sole discretion, deliver a notice to the Participant requiring the sale of such Share Units to the Purchaser.
- (b) If the Purchaser offers to buy the Share Units of a Participant and the Participant does not sell the Participant's Share Units to the Purchaser as contemplated above, then that Participant's Share Units will expire, terminate and be cancelled on completion the transaction contemplated in the Purchase Offer.

**ARTICLE 13
SHAREHOLDER RIGHTS**

13.1 No Rights to Shares

Share Units are not Shares and a Grant of Share Units will not entitle a Participant to any shareholder rights, including, without limitation, voting rights, dividend entitlement or rights on liquidation.

13.2 Issue of Share Certificates

As soon as practicable following the settlement of the Vested Share Units, the Administrator will, in his or her sole discretion, either cause to be delivered to the Participant a certificate for the Common Shares acquired by the Participant or cause to be delivered to the Participant a copy of such certificate and the original of such certificate will be placed in the minute book of the Company.

13.3 Condition of Issue

“**Specified Employee**” means a US Taxpayer who meets the definition of “specified employee,” as defined in Section 409A(a)(2)(B)(i) of the Code.

Change in Control Treatment

Notwithstanding anything to the contrary, if the Change in Control event does not constitute a change in ownership or effective control of the Company or a change in ownership of a substantial portion of the assets of the Company under Section 409A of the Code, and if the Company determines any award under the Plan constitutes deferred compensation subject to Section 409A of the Code, then as determined in the sole discretion of the Board, the vesting of such award may be accelerated as of the effective date of the Change in Control, but the Company shall pay such award on its original payment date, but in no event more than ninety (90) days following the original payment date.

Compliance with Section 409A

The intent of the parties is that payments and benefits under this Plan comply with or be exempt from the provisions of Section 409A of the Code, to the extent subject thereto, and accordingly, to the maximum extent permitted, this Plan shall be interpreted and administered to be in compliance therewith. Notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, a Participant shall not be considered to have terminated employment with the Company for purposes of this Plan unless the Participant would be considered to have incurred a Separation from Service from the Company. Each amount to be paid or benefit to be provided under this Plan shall be construed as a separate identified payment for purposes of Section 409A of the Code, and any payments described in this Plan that are due within the "short term deferral period" as defined in Section 409A of the Code shall not be treated as deferred compensation unless applicable law requires otherwise. Without limiting the foregoing and notwithstanding anything contained herein to the contrary, to the extent required in order to avoid accelerated taxation and/or tax penalties under Section 409A of the Code, amounts that would otherwise be payable and benefits that would otherwise be provided pursuant to this Plan (or any other plan or agreement of the Company) during the six (6) month period immediately following the Specified Employee's Separation from Service shall instead be paid on the first business day after the date that is six (6) months following the Specified Employee's Separation from Service (or death, if earlier). The Plan and any award agreements issued thereunder may be amended in any respect deemed by the Board to be necessary in order to preserve compliance with Section 409A of the Code. The Company makes no representation that any or all of the payments described in this Plan will be exempt from or comply with Section 409A of the Code and makes no undertaking to preclude Section 409A of the Code from applying to any such payment. Each Participant shall be solely responsible for the payment of any taxes and penalties incurred under Section 409A of the Code.
