YARY MEAS ACQUIRES SECURITIES OF WESTBRIDGE ENERGY CORPORATION

Toronto, Ontario, June 18, 2021 – Yary Meas (the “**Acquirer**”) announces that he has acquired ownership and control of an aggregate of 4,000,000 common shares (the “**Subject Shares**”) and 2,000,000 share purchase warrants (the “**Subject Warrants**” and collectively with the Subject Shares, the “**Subject Securities**”) of Westbridge Energy Corporation (the “**Company**” or “**Westbridge**”), effective June 17, 2021 (the “**Acquisition**”).

The Subject Securities were issued in connection with the previously announced business combination (the “**Transaction**”) of the Company and Georgetown Solar Inc. (“**Georgetown**”). Each Subject Warrant entitles the holder thereof to purchase one additional common share of Westbridge (a “**Westbridge Share**”) at an exercise price of \$0.20 for a period of two years from the date of issuance of the Subject Warrants, provided that in the event that, at any time following August 16, 2021, the closing price of the Westbridge Shares is equal to or exceeds \$0.35 per share for any 10 trading days within any 30-trading day period, Westbridge may accelerate the expiry date of the outstanding Subject Warrants by providing 10 days’ notice pursuant to the dissemination of a press release announcing such accelerated expiry date.

The Subject Securities represented approximately 5.3% of all issued and outstanding Westbridge Shares as of June 17, 2021 (or approximately 7.8% on a partially diluted basis, assuming exercise of the Subject Warrants only), resulting in a corresponding change to the aggregate percentage ownership of the Company by the Acquirer. Immediately before the Acquisition, the Acquirer held an aggregate of 1,500,000 Westbridge Shares and convertible securities entitling the Acquirer to acquire an additional 4,750,000 Westbridge Shares and 2,000,000 Subject Warrants, representing approximately 7.9% of the issued and outstanding Westbridge Shares (or approximately 32.1% on a partially diluted basis, assuming conversion of such convertible securities (and the underling Westbridge Shares) only). Immediately following the Acquisition, the Acquirer held 5,500,000 Westbridge Shares (inclusive of the Subject Shares) and convertible securities entitling the Acquirer to acquire an additional 2,750,000 Westbridge Shares (inclusive of the Subject Warrants), representing approximately 7.3% of all issued and outstanding Westbridge Shares as of June 17, 2021 (or approximately 10.6% on a partially diluted basis, assuming exercise of the convertible securities only).

The Subject Securities were acquired upon the conversion of outstanding subscription receipts of the Company, at a deemed conversion price of \$0.125 per one Subject Share and one-half of one Subject Warrant (or \$500,000 in the aggregate).

The Subject Securities were acquired from the Company directly and not through the facilities of any stock exchange. The holdings of securities of the Company by the Acquirer are managed for investment purposes, and the Acquirer and/or his joint actors could increase or decrease their respective investments in the Company at any time, or continue to maintain their current investment position, depending on market conditions or any other relevant factor.
