SOLICITATION OF PROXIES

This information circular is furnished in connection with the solicitation of proxies by the management of **MIDASCO CAPITAL CORP.** (the "Corporation"), for use at the annual general meeting (the "Meeting"), of the shareholders of the Corporation, to be held on Thursday, December 27, 2018, at the time and place and for the purposes set forth in the accompanying notice of annual general meeting and at any adjournment thereof. **The enclosed instrument of proxy is solicited by management of the Corporation.** The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Corporation. The cost of solicitation will be borne by the Corporation.

APPOINTMENT AND REVOCATION OF PROXIES

The persons named in the accompanying form of proxy (the "Proxy") are directors and/or officers of the Corporation. **A shareholder has the right to appoint a person (who need not be a shareholder) to attend and act for him on his behalf at the meeting other than the persons named in the enclosed instrument of Proxy. To exercise this right, a shareholder shall strike out the names of the persons named in the instrument of Proxy and insert the name of his nominee in the blank space provided, or complete another instrument of Proxy. A Proxy will not be valid unless it is deposited with the Corporation's head office, 12216 Boundary Drive North, Surrey, British Columbia, V3X 1Z5, or with its registrar and transfer agent, Computershare Investor Services Inc. ("Computershare"), 3rd floor, 510 Burrard Street, Vancouver, BC, V6B 3B9, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting or adjournment thereof.**

The Proxy must be dated and signed by the shareholder or by his or her attorney in writing, or, if the shareholder is a corporation, it must either be under its common seal or signed by a duly authorized officer.

A shareholder who has given a Proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a Proxy may be revoked by instrument in writing executed by the shareholder or by his or her attorney authorized in writing, or, if the shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the Corporation's head office, 12216 Boundary Drive North, Surrey, British Columbia, V3X 1Z5, or with Computershare, 3rd floor, 510 Burrard Street, Vancouver, BC, V6B 3B9, at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of it, at which the Proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any adjournment of it. A revocation of a Proxy does not affect any matter on which a vote has been taken prior to the revocation.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed Proxy will vote the shares in respect of which they are appointed. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxyholder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The enclosed Proxy, when properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this information circular, management of the Corporation is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the management should properly come before the Meeting, the Proxies hereby solicited will be exercised on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority greater than one-half of the votes cast will be required unless the motion requires a special resolution, in which case a majority of not less than two-thirds of the votes cast will be required. In the event a motion proposed at the Meeting requires disinterested shareholder approval, common shares held by shareholders of the Corporation who are also "insiders", as such term is defined under applicable securities laws, will be excluded from the count of votes cast on such motion.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

GENERAL

The Corporation's authorized capital consists of an unlimited number of common shares without par value and an unlimited number of preferred shares without par value. As at November 22, 2018 (the "Record Date"), the Corporation has 12,273,360 issued and outstanding fully paid and non-assessable common shares without par value, each common share carrying the right to one vote. The Corporation has no other classes of voting securities.

Only shareholders of record at the close of business on the Record Date, who either personally attend the Meeting or who complete and deliver a Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her shares voted at the Meeting or at any adjournment thereof. On any poll, each shareholder of record holding common shares of the Corporation on the Record Date is entitled to one vote for each common share registered in his or her name on the list of shareholders as at the Record Date.

ADVICE TO BENEFICIAL HOLDERS OF COMMON SHARES

The information set forth in this section is of significant importance to many shareholders as a substantial number of shareholders do not hold common shares in their own name. Shareholders who do not hold their common shares in their own name (referred to in this information circular as "Beneficial Shareholders") should note that only Proxies deposited by shareholders whose names appear on the records of the Corporation as the registered holders of common shares can be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a shareholder by a broker, then, in almost all cases, those common shares will not be registered in the shareholder's name on the records of the Corporation. Such common shares will more likely be registered under the name of the shareholder's broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the

name CDS & Co. (the registration name for The Canadian Depository for Securities, which acts as nominee for many Canadian brokerage firms). The common shares held by brokers or their agents or nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, a broker and its agents are prohibited from voting shares for the broker's clients. **Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their common shares are communicated to the appropriate person.**

Applicable regulatory rules require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their shares are voted at the Meeting. The purpose of the form of Proxy or voting instruction form ("VIF") provided to a Beneficial Shareholder by its broker, agent or nominee is limited to instructing the registered holder of the common shares on how to vote such shares on behalf of the Beneficial Shareholder.

The Corporation is not relying on the "notice-and-access" delivery procedures outlined in National Instrument 54-101 to distribute copies of the proxy related materials in connection with the Meeting.

The Corporation has decided to take advantage of those provisions of National Instrument 54-101 that permit it to directly deliver proxy-related materials to its beneficial owners who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for Non-Objecting Beneficial Owners). As a result, NOBOs can expect to receive a scannable VIF from Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and Internet voting as described on the VIF itself, which contains complete instructions. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the common shares represented by the VIFs it receives. The Corporation will not pay for an intermediary to deliver proxy-related materials and VIFs to objecting beneficial owners (called "OBOs" for Objecting Beneficial Owners). OBOs have objected to their intermediary disclosing ownership information about themselves to the Corporation. Accordingly, OBOs will not receive the materials unless their intermediary assumes the costs of delivery.

This information circular and accompanying Proxy are being sent to both registered and non-registered owners of the shares of the Corporation. If you are a non-registered owner and the Corporation or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. In this event, by choosing to send this information circular and accompanying Proxy to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering this information circular to you; and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

Although Beneficial Shareholders may not be recognized directly at the Meeting for the purpose of voting common shares registered in the name of their broker, agent or nominee, a Beneficial Shareholder may attend the Meeting as a proxyholder for a shareholder and vote common shares in that capacity. Beneficial Shareholders who wish to attend the Meeting and indirectly vote their common shares as proxyholder for the registered shareholder should contact their broker, agent or nominee well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their common shares as a proxyholder.

PRINCIPAL HOLDERS OF VOTING SHARES

To the knowledge of the directors and senior officers of the Corporation, as of the Record Date, the following persons or corporations beneficially own, directly or indirectly, or exercise control or direction

Name of Shareholder	Number of Shares	Percentage of Issued and Outstanding

William Pettigrew	1,768,185	14.40%

STATEMENT OF EXECUTIVE COMPENSATION

In accordance with the provisions of applicable securities legislation, during the financial year ended December 31, 2017, the Corporation had two Named Executive Officers, namely:

- (a) William C. Pettigrew, who has served as the President and Chief Executive Officer of the Corporation since March 21, 2014 and as the Chief Financial Officer of the Corporation from June 18, 2002 to March 21, 2014; and
- (b) Ryan E. Cheung who has served as the Chief Financial Officer and Corporate Secretary since March 21, 2014.

COMPENSATION DISCUSSION AND ANALYSIS

The compensation of the Corporation's Named Executive Officers has been established with a view to attracting and retaining executives critical to the Corporation's short and long-term success and to continuing to provide executives with compensation that is in accordance with existing market standards generally and competitive within the mining industry, in particular.

The Board of Directors of the Corporation (the "Board of Directors" or "Board") determines NEO compensation and director compensation. Compensation of the Corporation's named executive officers is typically comprised of a base salary and the grant of options to purchase common shares under the Corporation's stock option plan (as more particularly described below), and as circumstances permit may include a bonus based on the satisfaction of performance milestones. Through its executive compensation practices, the Corporation seeks to provide value to its shareholders through a strong executive leadership. Specifically, the Corporation's executive compensation structure seeks to attract and retain talented and experienced executives necessary to achieve the Corporation's strategic objectives, motivate and reward executives whose knowledge, skills and performances are critical to the Corporation's success, align the interests of the Corporation's executives and shareholders by motivating executives to increase shareholder value.

Within the context of the overall objectives of the Corporation's compensation practices, the Corporation determined the specific amounts of compensation to be paid to each of its Named Executive Officers in the 2017 fiscal year were based on a number of factors, including (a) the Corporation's understanding of the amount of compensation generally paid by similarly situated companies to their executives with similar roles and responsibilities; (b) the current competitive market conditions; (c) the Corporation's executive performance during the fiscal year; (d) the roles and responsibilities of the Corporation's Named Executive Officers; (e) the individual experience and skills of, and expected contributions from, the Corporation's Named Executive Officers; (f) the Corporation's Named Executive Officers' historical compensation and performance within the Corporation; and (g) any contractual commitments the Corporation has made to its Named Executive Officers regarding compensation.

The Board has not conducted a formal evaluation of the implications of the risks associated with the Corporation's compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Corporation's compensation policies result in unnecessary or inappropriate risk taking including risks that are likely to have a material adverse effect on the Corporation.

BASE SALARY

The Corporation's approach is to pay its Named Executive Officers a base salary that is competitive with those of other executive officers in similar companies. The Board of Directors relies on the general experience of its members in setting base salary amounts. The Corporation believes that a competitive base salary is a necessary element of any compensation program that is designed to attract and retain talented and experienced executives. The Corporation also believes that attractive base salaries can motivate and reward executives for their overall performance. The base salary of each Named Executive Officer is reviewed annually and may be adjusted in accordance with the terms of such Named Executive Officer's employment agreement, where applicable, and certain criteria including, without limitation (a) past salary; (b) changes in the compensation for similar companies with which the Corporation competes for executive talent; and (c) changes in the duties and responsibilities. Base salary is not evaluated against a formal "peer group".

STOCK OPTIONS

The Corporation's granting of options to purchase common shares to its executive officers is a method of compensation, which is used to attract and retain personnel and to provide an incentive to participate in the long-term development of the Corporation and to increase shareholder value. The relative emphasis of options for remunerating executive officers and employees will generally vary depending on the prevailing practices in competing companies and on the number of options to purchase common shares that are outstanding at the time. During the fiscal year ended December 31, 2017, no stock options were granted to the Named Executive Officers. The Corporation generally expects future option grants should be based on the following factors: the executive's past performance, anticipated future contribution, prior option grants to such executive, competitive market practices and the executive's responsibilities and performances. The Corporation has not set specific target levels for options to Named Executive Officers but seeks to be competitive with similar companies. For further details as to the specific terms of the Corporation's stock option plan, see below under the heading "Particulars of Other Matters to be Acted Upon – Adoption and Approval of Amended Stock Option Plan".

STOCK OPTION PLAN

The Corporation currently has a "fixed" stock option plan (the "Option Plan"), which was approved by shareholders at the Corporation's September 28, 2017 annual general meeting (the "2017 AGM"), pursuant to which its directors, officers, employees and consultants may be granted options to acquire common shares of the Corporation as an incentive mechanism to foster their interest in the success of the Corporation and to encourage their proprietary ownership of the Corporation. Pursuant to the Option Plan, the aggregate number of common shares that may be reserved for issuance thereunder is limited to a fixed maximum of 20% of the issued common shares of the Corporation as at the date of the 2017 AGM, being 2,044,126 common shares of the Corporation.

The Corporation is seeking the approval of the shareholders at the Meeting to adopt and approve its Amended Option Plan (as defined herein). The significant terms of the Corporation's Amended Option Plan are set out below under the heading "Particulars of Other Matters to be Acted Upon – Adoption and Approval of Amended Stock Option Plan".

SHARE COMPENSATION AWARDS

The Corporation has not granted any share-based awards.

USE OF FINANCIAL INSTRUMENTS

The Corporation does not have a policy that would prohibit a NEO or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, management is not aware of any NEO or director having purchased such an instrument.

PARTICULARS OF OTHER MATTERS TO BE ACTED UPON

ADOPTION AND APPROVAL OF AMENDED STOCK OPTION PLAN

The Corporation currently has a "fixed" stock option plan (previously defined as the "Option Plan") which was approved by shareholders at the 2017 AGM, pursuant to which its directors, officers, employees and consultants may be granted options to acquire common shares of the Corporation as an incentive mechanism to foster their interest in the success of the Corporation and to encourage their proprietary ownership of the Corporation. Pursuant to the Option Plan, the aggregate number of common shares that may be reserved for issuance thereunder is limited to 2,044,126 common shares of the Corporation, being the fixed maximum of 20% of the issued shares of the Corporation as at the date of the 2017 AGM.

At the Meeting, shareholders will be asked to consider and, if deemed advisable, to pass an ordinary resolution authorizing an amendment to the Option Plan (the "Amended Option Plan") to increase the aggregate number of common shares that may be issued pursuant to options granted under the Amended Option Plan to 20% of the issued shares of the Corporation as at the date of the Meeting, less the aggregate number of common shares then reserved for issuance pursuant to any other share compensation arrangement. Some of the key provisions of the proposed Amended Option Plan are as follows:

- (a) the Amended Option Plan reserves, for issuance pursuant to the exercise of stock options, a maximum number of common shares of the Corporation equal to up to a maximum of 2,454,672 common shares of the Corporation, being 20% of the issued common shares of the Corporation, less the aggregate number of common shares then reserved for issuance pursuant to any other share compensation arrangement;
- (b) under Exchange policy, an Optionee must either be an Eligible Charitable Organization or a Director, Employee or Consultant of the Corporation at the time the option is granted in order to be eligible for the grant of a stock option to the Optionee;
- (c) the aggregate number of options granted to any one Person (and companies wholly owned by that Person) in a 12 month period must not exceed 5% of the issued common shares of the Corporation calculated on the date an option is granted to the Person (unless the Corporation has obtained the requisite Disinterested Shareholder Approval);
- (d) the aggregate number of options granted to any one Consultant in a 12 month period must not exceed 2% of the issued common shares of the Corporation, calculated at the date an option is granted to the Consultant;

- (e) the aggregate number of options granted to all Persons retained to provide Investor Relations Activities must not exceed 2% of the issued shares of the Corporation in any 12 month period, calculated at the date an option is granted to any such Person;
- (f) options issued to Persons retained to provide Investor Relations Activities must vest in stages over a period of not less than 12 months with no more than 1/4 of the options vesting in any 3 month period;
- (g) the minimum exercise price per common share of a stock option must not be less than the Discounted Market Price of the common shares of the Corporation, subject to a minimum exercise price of \$0.05;
- (h) options can be exercisable for a maximum of 10 years from the date of grant (subject to extension where the expiry date falls within a "blackout period" (see (p) below);
- (i) if an optionee who is Director, Employee or Consultant is terminated for cause, each stock option held by such optionee shall terminate and cease to be exercisable upon such termination;
- (j) if an optionee dies prior to otherwise ceasing to be a Director, Employee or Consultant of the Corporation or its subsidiaries, if any, at the time the option is granted (an "Eligible Person") (and includes companies that are wholly owned by Eligible Persons), each stock option held by such optionee shall terminate and cease to be exercisable no later than the earlier of the last day of the term for a stock option and the date which is six months after the date of the optionee's death. The board of directors of the Corporation may, in its discretion, extend the date of such termination and the resulting period in which such stock options remains exercisable to a date not exceeding the earlier of the last day of the term for a stock option and the date which is twelve months after the date of the optionee's death;
- (k) if an optionee ceases to be an Eligible Person otherwise than by death, each stock option held by such optionee shall terminate and cease to be exercisable 90 days after the termination date;
- (l) all options are non-assignable and non-transferable;
- (m) Disinterested Shareholder Approval will be obtained for any reduction in the exercise price of a stock option if the Optionee is an Insider of the Corporation at the time of the proposed amendment;
- (n) the Amended Option Plan contains provisions for adjustment in the number of common shares or other property issuable on exercise of a stock option in the event of a share consolidation, split, reclassification or other capital reorganization, or a stock dividend, amalgamation, merger or other relevant corporate transaction, or any other relevant change in or event affecting the common shares;
- (o) in connection with the exercise of an Option, as a condition to such exercise the Corporation shall require the optionee to pay to the Corporation an amount as necessary so as to ensure that the Corporation is in compliance with the applicable provisions of any federal, provincial or local laws relating to the withholding of tax or other required deductions relating to the exercise of such Option; and
- (p) an Option will be automatically extended past its expiry date if such expiry date falls within a blackout period during which the Corporation prohibits optionees from exercising their options, subject to the following requirements: (a) the blackout period must (i) be formally imposed by the Corporation pursuant to its internal trading policies; and (ii) must expire upon the general disclosure

of undisclosed Material Information; and (b) the automatic extension of an optionee's Option will not be permitted where the optionee or the Corporation is subject to a cease trade order (or similar order under Securities Laws) in respect of the Corporation's securities.

"Consultant", "Director", "Disinterested Shareholder Approval", "Eligible Charitable Organization", "Employee", "Investor Relations Activities", "Management Company Employee", "Market Price", "Material Information", "Person" and "Securities Laws" all have the same definition as in the policies of the TSX Venture Exchange.

Pursuant to the Board's authority to govern the implementation and administration of the Corporation's stock option plan, all previously granted and outstanding stock options shall be governed by the provisions of the Amended Option Plan.

The text of the resolution to be passed is as follows. In order to be passed, a majority of the votes cast at the Meeting in person or by proxy must be voted in favour of the resolution.

"BE IT RESOLVED THAT the Corporation's Amended Option Plan, be and is hereby ratified, confirmed and approved with such additional provisions and amendments as the directors of the Corporation deem necessary or advisable, provided that such additional provisions and amendments are not inconsistent with the policies of the TSX Venture Exchange."

A copy of the proposed Amended Option Plan is available on request from the Corporation, and copies will be available at the Meeting. Management recommends, and the persons named in the enclosed form of Proxy intend to vote in favour of, the adoption and approval of the Amended Option Plan.

ITEM 3. ORIENTATION AND CONTINUING EDUCATION

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an

interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Corporation and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Corporation or an affiliate of the Corporation, (ii) is for indemnity or insurance for the benefit of the director in connection with the Corporation, or (iii) is with an affiliate of the Corporation. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Corporation at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Corporation for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Corporation and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 5. NOMINATION OF DIRECTORS

ITEM 8. ASSESSMENTS

The Board of Directors monitors the adequacy of information given to directors, communication between the board and management and the strategic direction and processes of the board and committees.
