

Westbridge Renewable Launches Normal Course Issuer Bid

TORONTO, June 6, 2025 /CNW/ - **Westbridge Renewable Energy Corporation** (TSXV: WEB), (OTCQX: WEGYF), (FRA: PUQ) ("**Westbridge**", "**Westbridge Renewable**" or the "**Company**") announces today that the TSX Venture Exchange (the "**TSXV**") has approved the commencement by Westbridge Renewable of a normal course issuer bid program (the "**NCIB**").

As of the date hereof, the Company has 101,149,851 common shares (the "**Shares**") issued and outstanding on a non-diluted basis. A maximum of 5,057,492 Shares may be purchased by the Company under the NCIB, representing approximately 5% of the Company's issued and outstanding Shares. The NCIB commences on June 9, 2025 and will terminate on June 8, 2026, or on an earlier date in the event that the maximum number of Shares sought in the NCIB has been repurchased. Purchases under the NCIB will be made through the facilities of the TSXV at the prevailing market price at the time of purchase and in accordance with all applicable regulations of the TSXV. Any Shares purchased by Westbridge Renewable under the NCIB will be at the market price of the Shares at the time of such purchases. All Shares purchased pursuant to the NCIB will be returned to treasury and cancelled. The actual number of Shares that may be purchased and the timing of any such purchases will be determined by the Company in its sole discretion. The Company reserves the right to suspend or terminate the NCIB at any time.

The Board of Directors of the Company believes from time to time the market price of its Shares may not fully reflect the underlying value of the Company's business and that the purchase of its Shares represents a good use of its financial resources and may protect and enhance shareholder value. The Company intends to fund the purchases out of available cash. As previously announced on March 18, 2025, the TSXV had previously approved an NCIB, which commenced on commenced on March 21, 2024, and terminated on March 20, 2025 pursuant to which the Company had repurchased and cancelled 693,800 Shares.

Westbridge Renewable has appointed Canaccord Genuity Corp. to make purchases under the NCIB on its behalf.

About Westbridge Renewable Energy

Westbridge Renewable Energy Corp. originates, develops, and monetizes best-in-class, utility-scale solar PV projects. The Company has a portfolio of projects in four key jurisdictions, Canada, the U.S., the U.K., and Italy. Westbridge plans to deliver attractive, long-term returns by originating, executing, and developing an international portfolio of renewable assets for investors and utilities. Management has a strong track-record with 40+ projects developed worldwide, obtaining, and executing projects. As one of the very few listed pure-play Canadian solar development companies, Westbridge provides its investors with valuable access to greenfield solar projects. This means the Company can invest at the earliest stage of solar energy development benefiting from the full value chain, as well as the expected wider adoption of renewable energy going forward. Westbridge brings together regulators, corporate buyers, and landowners with the goal of delivering clean, sustainable electricity to end users.

Neither the TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the TSX Venture Exchange) accepts responsibility for the adequacy or accuracy of this release.
