PROXY AND VOTING INFORMATION

Solicitation of Proxies

This management information circular (the “Circular”) dated as of April 26, 2023 and accompanying form of proxy are furnished in connection with the solicitation, by management of Kits Eyecare Ltd. (“we”, “us”, “our”, the “Company” or “KITS”), of proxies to be used at the annual general meeting of the holders (the “Shareholders”) of common shares (“Common Shares”) of the Company (the “Meeting”) referred to in the accompanying Notice of Annual and Special Meeting (the “Notice”) to be held on June 8, 2023 at 9:00 a.m. (Pacific Daylight Time) for the purposes set forth in the Notice. The Meeting will be held in a virtual only format, which will be conducted via live webcast. Shareholders will not be able to attend the Meeting in person. A summary of the information Shareholders will need to attend the Meeting online is provided below. See “Voting Information” below.

The solicitation will be made primarily by mail, subject to the use of Notice-and-Access Provisions (as defined herein) in relation to delivery of the meeting materials, but proxies may also be solicited personally or by telephone by directors (“Directors”) and/or officers of the Company. The cost of solicitation by management will be borne by the Company.

Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”), arrangements have been made with clearing agencies, brokerage houses and other financial intermediaries to forward proxy solicitation material to the beneficial owners of the Common Shares. The cost of any such solicitation will be borne by the Company.

Notice-and-Access

The Company is sending out proxy-related materials to non-registered Shareholder (“Non-Registered Holders”) using the notice-and-access provisions under National Instrument 51-102 – *Continuous Disclosure Obligations* (“NI 51-102”) and NI 54-101 (together with NI 51-102, the “Notice-and-Access Provisions”). The Company anticipates that use of the Notice-and-Access Provisions will benefit the Company by reducing the postage and material costs associated with the printing and mailing of the proxy-related materials and will also reduce the environmental impact of such actions.

Non-Registered Holders will be provided with electronic access to the Notice, this Circular, the Company’s management’s discussion and analysis of the results of operations and financial condition of the Company for the year ended December 31, 2022 (the “MD&A”) and the audited consolidated financial statements of the Company and accompanying notes for the year ended December 31, 2022 (together with the MD&A, the “MD&A and Financials”) together with the auditor’s report thereon on the System for Electronic Document Analysis and Retrieval (“SEDAR”) at www.sedar.com and on the Company’s website at <https://ir.kits.com>.

Shareholders are reminded to review the Circular before voting. Non-Registered Holders who have not elected to receive the Notice Package (as defined below) electronically will receive paper copies of a notice package (the “Notice Package”) via pre-paid mail containing a notice with information prescribed by the Notice-and-Access Provisions and a voting instruction form. The Company will not use procedures known as ‘stratification’ in relation to the use of Notice-and-Access Provisions. Stratification occurs when an issuer using Notice-and-Access Provisions sends a paper copy of the Circular to some securityholders with a Notice Package.

Non-Registered Holders with questions about Notice-and-Access can call the Broadridge Investor Communication Solutions, English Proxy Line toll-free at 1-844-916-0609 (Canada and the U.S. only) or direct at 1-303-562-9305 (outside Canada and the U.S.) or the French Proxy Line toll-free at 1- 844-973-0593 (Canada and the U.S. only) or direct at 1- 303-562-9306 (outside Canada and the U.S.). Shareholders may obtain paper copies of the Circular and the MD&A and Financials free of charge by calling 1-877-907-7643 at any time up until and including the date of the Meeting, including any adjournment or postponement thereof. Any Shareholder wishing to obtain a paper copy of the meeting materials should submit their request no later than 9:00 a.m. (Pacific Daylight Time) on

May 27, 2023 in order to receive paper copies of the meeting materials in time to vote before the Meeting. Under the Notice-and-Access Provisions, meeting materials will be available for viewing on the Company's website for one year from the date of posting.

Record Date

Shareholders of record at the close of business on April 21, 2023 are entitled to receive notice of and attend the Meeting and are entitled to one vote for each Common Share registered in the name of such Shareholder in respect of each matter to be voted upon at the Meeting.

Meeting Information

This year we will hold our Meeting in a virtual only format, which will be conducted via live webcast. Shareholders will have an equal opportunity to participate at the Meeting online regardless of their geographic location.

The Meeting will be held on June 8, 2023 at 9:00 a.m. (Pacific Daylight Time) virtually via live webcast online at <https://meetnow.global/MW6GVM4>. Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting. Non-Registered Holders who have not duly appointed themselves as proxyholders may attend the Meeting as guests. Guests will not be able to vote at the Meeting. **See "Voting Information" below.**

Registered Shareholders and duly appointed proxyholders who participate at the Meeting online will be able to listen to the Meeting, ask questions and vote, all in real time, provided they are connected to the internet and comply with all of the requirements set out below under "Voting Information". Non-Registered Holders who have not duly appointed themselves as proxyholders may still attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to vote at the Meeting. See "Voting Information – Voting at the Meeting" below.

Voting Information

Shareholders may vote before the Meeting or vote at the Meeting, as described below.

1. Voting Before the Meeting

Appointment of Proxies

The persons named in the form of proxy accompanying this Circular are Directors and/or officers of the Company. **Each Shareholder submitting a proxy has the right to appoint a person or company (who need not be a Shareholder), other than the persons named in the accompanying form of proxy, to represent such Shareholder at the Meeting or any adjournment or postponement thereof.** Such right may be exercised by inserting the name of such representative in the blank space provided in the accompanying form of proxy. **The additional registration step outlined below under "Voting at the Meeting – Appointment of a Third Party as Proxy" must also be followed.** All proxies must be executed by the Shareholder or his or her attorney duly authorized in writing or, if the Shareholder is a corporation, by an officer or attorney thereof duly authorized.

A proxy will not be valid for the Meeting or any adjournment or postponement thereof unless it is completed and delivered to Computershare no later than 9:00 a.m. (Pacific Daylight Time) on June 6, 2023 (or, if the Meeting is adjourned or postponed, 48 hours (Saturdays, Sundays and holidays excepted) prior to the time of holding the Meeting) in accordance with the delivery instructions below. The time limit for deposit of proxies may be waived or extended by the Chair of the Meeting at his discretion, without notice.

Shareholders and duly appointed proxyholders can attend the Meeting online by going to <https://meetnow.global/MW6GVM4>.

- Registered Shareholders and duly appointed proxyholders can participate in the Meeting by clicking “Shareholder” and entering a Control Number or an Invitation Code before the start of the Meeting.
 - Registered Shareholders - The 15-digit control number is located on the form of proxy or in the email notification you received.
 - Duly appointed proxyholders – Computershare will provide the proxyholder with an Invitation Code after the voting deadline has passed.
- Voting at the Meeting will only be available for Registered Shareholders and duly appointed proxyholders. Non-Registered Holders who have not appointed themselves may attend the Meeting by clicking “Guest” and completing the online form.

Shareholders who wish to appoint a third party proxyholder to represent them at the online Meeting **must submit their proxy or voting instruction form (as applicable) prior to registering their proxyholder. Registering the proxyholder is an additional step once a shareholder has submitted their proxy/voting instruction form. Failure to register a duly appointed proxyholder will result in the proxyholder not being eligible to participate in the Meeting.** To register a proxyholder, shareholders MUST visit <http://www.computershare.com/KITS> by 9.00 a.m. (Pacific Daylight Time) on June 6, 2023 (or, if the Meeting is adjourned or postponed, 48 hours (Saturdays, Sundays and holidays excepted) prior to the time of holding the Meeting) and provide Computershare with their proxyholder’s contact information, so that Computershare may provide the proxyholder with a Username via email.

It is important that you are connected to the internet at all times during the meeting in order to vote when balloting commences.

In order to participate online, Shareholders must have a valid 15-digit control number and proxyholders must have received an email from Computershare containing an Invitation Code.

Revocation of Proxies

Proxies given by Shareholders for use at the Meeting may be revoked at any time prior to their use. Subject to compliance with the requirements described in the following paragraph and below under “*Voting at the Meeting*”, the giving of a proxy will not affect the right of a Shareholder to attend, and vote at, the Meeting.

In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or his/her attorney duly authorized in writing, or, if the Shareholder is a corporation, under its corporate seal by an officer or attorney thereof duly authorized and deposited with Computershare, in a manner provided above under “*Proxy and Voting Information – Appointment of Proxies*”, at any time up to and including 9:00 a.m. (Pacific Daylight Time) on June 6, 2023 (or, if the Meeting is adjourned or postponed, 48 hours (Saturdays, Sundays and holidays excepted) prior to the holding of the Meeting).

If you have followed the process for attending and voting at the Meeting online (see below under “*Voting at the Meeting*”), voting at the Meeting online will revoke your previous proxy.

Non-Registered Holders

Only registered Shareholders, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a Non-Registered Holder are registered either:

- A. in the name of an intermediary (each, an “**Intermediary**” and collectively, the “**Intermediaries**”) that the Non-Registered Holder deals with in respect of the Common Shares, such as, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered registered savings plans, registered retirement income funds, registered education savings plans and similar plans; or
- B. in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of NI 54-101, the Company has distributed copies of the form of proxy and supplemental mailing card (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will generally use service companies (such as Broadridge Financial Solutions, Inc.) to forward the Meeting Materials to Non-Registered Holders. Generally, a Non-Registered Holder who has not waived the right to receive Meeting Materials will receive either a voting instruction form or, less frequently, a form of proxy. The purpose of these forms is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Non-Registered Holders should follow the procedures set out below, **in addition, if applicable, to the procedures set out below under “Voting at the Meeting – Appointment of a Third Party as Proxy”**, depending on the type of form they receive:

- (1) **Voting Instruction Form.** In most cases, a Non-Registered Holder will receive, as part of the Meeting Materials, a voting instruction form. If the Non-Registered Holder does not wish to attend and vote at the Meeting (or have another person attend and vote on the Non-Registered Holder’s behalf), but wishes to direct the voting of the Common Shares they beneficially own, the voting instruction form must be submitted by mail, telephone or over the internet in accordance with the directions on the form. If a Non-Registered Holder wishes to attend and vote at the Meeting (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must complete, sign and return the voting instruction form in accordance with the directions provided and a form of proxy giving the right to attend and vote will be forwarded to the Non-Registered Holder; or
- (2) **Form of Proxy.** Less frequently, a Non-Registered Holder will receive, as part of the Meeting Materials, a form of proxy that has already been signed by the Intermediary (typically by facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. If the Non-Registered Holder does not wish to attend and vote at the Meeting (or have another person attend and vote on the Non-Registered Holder’s behalf), but wishes to direct the voting of the Common Shares they beneficially own, the Non-Registered Holder must complete the form of proxy and submit it to Computershare as described above. If a Non-Registered Holder wishes to attend and vote at the Meeting (or have another person attend and vote on the Non-Registered Holder’s behalf), the Non-Registered Holder must strike out the persons named in the proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided.

In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries, including those regarding when and where the proxy or the voting instruction form is to be delivered. In addition, if applicable, Non-Registered Holders should follow the procedures set out below under “Voting at the Meeting – Appointment of a Third Party as Proxy”.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote given to an Intermediary at any time by written notice to the Intermediary in accordance with the instructions received from the Intermediary, except that an Intermediary may not act on a revocation of a voting instruction form or a waiver of the right to receive Meeting Materials and to vote that is not received by the Intermediary in sufficient time prior to the Meeting.

A Non-Registered Holder may fall into two categories – those who object to their identity being made known to the issuers of the securities which they own (“**Objecting Beneficial Owners**”) and those who do not object to their identity being made known to the issuers of the securities which they own (“**Non-Objecting Beneficial Owners**”). Subject to the provisions of NI 54-101, issuers may request and obtain a list of their Non-Objecting Beneficial Owners from Intermediaries. Pursuant to NI 54-101, issuers may obtain and use the Non-Objecting Beneficial Owners list in connection with any matters relating to the affairs of the issuer, including the distribution of proxy-related materials directly to Non-Objecting Beneficial Owners. The Company is sending Meeting Materials directly to Non-Objecting Beneficial Owners; the Company uses and pays Intermediaries and agents to send the Meeting Materials. The Company also intends to pay for Intermediaries to deliver the Meeting Materials to Objecting Beneficial Owners.

These securityholder materials are being sent to Non-Registered Holders utilizing the Notice-and-Access Provisions. If you are a Non-Registered Holder, and the Company or its agent sent these materials directly to you, your name, address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding securities on your behalf.

By choosing to send these materials to you directly utilizing the Notice-and-Access Provisions, the Company (and not the Intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you; and (ii) executing your proper voting instructions. Please return your voting instruction form as specified in the request for voting instructions that was sent to you.

Exercise of Discretion By Proxies

Common Shares represented by properly executed proxies in favour of the persons named in the accompanying form of proxy will be voted on any ballot that may be called for and, where the person whose proxy is solicited specifies a choice with respect to the matters identified in the proxy, the Common Shares will be voted or withheld from voting in accordance with the specifications so made. **Where Shareholders have properly executed proxies in favour of the persons named in the accompanying form of proxy and have not specified in the form of proxy the manner in which the named proxies are required to vote the Common Shares represented thereby, such shares will be voted in favour of the passing of the matters set forth in the Notice.** If a Shareholder appoints a representative other than the persons designated in the form of proxy, the Company assumes no responsibility as to whether the representative so appointed will attend the Meeting on the day thereof or any adjournment or postponement thereof.

The accompanying form of proxy confers discretionary authority with respect to amendments or variations to the matters identified in the Notice and with respect to other matters that may properly come before the Meeting. At the date hereof, the management of the Company and the Directors know of no such amendments, variations or other matters to come before the Meeting. However, if any other matters which at present are not known to the management of the Company and the Directors should properly come before the Meeting, the proxy will be voted on such matters in accordance with the best judgment of the named proxies.

2. Voting at the Meeting

A Registered Shareholder or a Non-Registered Holder who has appointed themselves or a third party proxyholder to represent them at the Meeting, will appear on a list of shareholders prepared by Computershare, the transfer agent and registrar for the Meeting. To have their Common Shares voted at the Meeting, each Registered Shareholder or proxyholder will be required to enter their control number or Invitation Code provided

by Computershare at <https://meetnow.global/MW6GVM4> prior to the start of the Meeting. In order to vote, Non-Registered Holders who appoint themselves as a proxyholder **MUST** register with Computershare at <http://www.computershare.com/KITS> after submitting their voting instruction form in order to receive an Invitation Code (please see the information under the headings “Appointment of Proxies” below for details).

Appointment of a Third Party as Proxy

The following applies to Shareholders who wish to appoint someone as their proxyholder other than the management nominees named in the form of proxy or voting instruction form. This includes Non-Registered Holders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

Shareholders who wish to appoint a third party proxyholder to represent them at the online meeting must submit their proxy or voting instruction form (if applicable) prior to registering your proxyholder. Registering your proxyholder is an additional step once you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not being eligible to participate in the meeting. To register a proxyholder, shareholders **MUST** visit <http://www.computershare.com/KITS> by no later than 9:00 a.m. (Pacific Daylight Time) on June 6, 2023 (or, if the Meeting is adjourned or postponed, 48 hours (Saturdays, Sundays and holidays excepted) prior to the holding of the Meeting prior to the time of holding the Meeting) and provide Computershare with their proxyholder’s contact information so that Computershare may provide the proxyholder with an Invitation Code via email.

A proxy can be submitted to Computershare either in person, or by mail or courier, to 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or via the internet at www.investorvote.com. The proxy must be deposited with Computershare by no later than 9:00 a.m. (Pacific Daylight Time) on June 6, 2023, or if the meeting is adjourned or postponed, not less than 48 hours, excluding Saturdays, Sundays and statutory holidays, before the commencement of such adjourned or postponed meeting. In addition, a proxy may be revoked by a shareholder voting his or her Shares at the Meeting, provided that such shareholder attends the meeting online (as described below in “Other Attendance Information”).

PARTICULARS OF MATTERS TO BE ACTED UPON AT THE MEETING

Financial Statements

The MD&A and Financials, together with the auditor’s report thereon are available on SEDAR at www.sedar.com and on the Company’s website at <https://ir.kits.com>. The Company’s MD&A and Financials will be placed before the Shareholders at the Meeting.

Appointment of Auditors

At the Meeting, Shareholders will be requested to re-appoint MNP LLP as auditors of the Company, to hold office until the next annual general meeting of Shareholders, and to authorize the Directors to fix the auditors’ remuneration. MNP LLP were appointed as the Company’s auditors on July 10, 2020.

The following table sets forth the fees billed or accrued for various services provided by MNP LLP and its affiliates to the Company during the Company’s last two fiscal years:

<i>(in thousands)</i>	Year ended December 31	
	2022	2021
Audit fees ⁽¹⁾	\$203	\$196
Audit-related fees ⁽²⁾	\$67	\$68
Tax fees ⁽³⁾	-	-
All other fees ⁽⁴⁾	-	-
Total fees	\$270	\$264

Notes:

- (1) Fees for audit service on an accrued basis.
- (2) Fees for assurance and related services not included in audit service above. This includes review of our interim financial statements.
- (3) Fees for tax compliance, tax advice and tax planning.
- (4) All other fees not included above.

The audit committee (“**Audit Committee**”) of the Company’s board of directors (the “**Board**”) reviews and approves all audit and non-audit services performed by our auditors in advance of services being performed. The Audit Committee is comprised of Nick Bozikis (Chair), Peter Lee and Anne Kavanagh.

Unless the Shareholder directs that his/her/its Common Shares are to be withheld from voting in connection with the appointment of auditors, the persons named in the accompanying form of proxy intend to vote for the re-appointment of MNP LLP as auditors of the Company until the next annual general meeting of Shareholders and to authorize the Directors to fix their remuneration.

Election of Directors

The number of Directors to be elected at the Meeting is six. Directors are elected annually and, unless reelected, retire from office at the end of the next annual general meeting of Shareholders. Four of the six nominated directors are “independent” as described in National Instrument 52-110 – *Audit Committees (“NI 52-110”)*. Roger Hardy and Sabrina Liak are not independent because they are executive officers of the Company. All six nominated directors are qualified and experienced, and have agreed to serve on our Board.

The proxy permits Shareholders to vote in favour of all nominees, to vote in favour of some nominees and to withhold votes for other nominees, or to withhold votes for all nominees. The Chair of the Meeting will ensure that the number of Common Shares voted in favour or withheld from voting for each nominee is recorded and promptly made public after the Meeting. The election of Directors is subject to KITS’s majority voting policy available on the Company’s website at <https://ir.kits.com>, which requires any nominee in an uncontested election who receives a greater number of Common Shares withheld than Common Shares voted in favour of his or her appointment to submit his or her resignation promptly after the Meeting for the consideration of the Board’s nominating and corporate governance committee (the “**Nominating and Corporate Governance Committee**”) and the Board.

KITS has adopted an Advance Notice Policy which contains certain advance notice provisions with respect to the election of our directors (the “**Advance Notice Provisions**”). The Advance Notice Provisions are intended to: (i) facilitate orderly and efficient annual general meetings or, where the need arises, special meetings; (ii) ensure that all shareholders receive adequate notice of Board nominations and sufficient information with respect to all nominees; and (iii) allow shareholders to register an informed vote. Only persons who are nominated by shareholders in accordance with the Advance Notice Provisions will be eligible for election as directors at any annual general meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors. Under the Advance Notice Provisions, a shareholder wishing

to nominate a director would be required to provide us notice, in the prescribed form, within the prescribed time periods. These time periods include: (i) in the case of an annual general meeting of shareholders (including annual and special meetings), not less than 30 days prior to the date of the annual general meeting of shareholders; provided, that if the first public announcement of the date of the annual general meeting of shareholders (the “**Notice Date**”) is less than 50 days before the meeting date, not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual general meeting) of shareholders called for any purpose which includes electing directors, not later than the close of business on the 15th day following the Notice Date.

The tables on the following pages set forth certain information in respect of each Director to be elected or re-elected to the Board.

Please note that, unless otherwise indicated, the information hereunder as to Common Shares, options to purchase Common Shares (“**Options**”) and restricted share rights (“**RSRs**”) beneficially owned or controlled, directly or indirectly, has been furnished by each of the nominees, as of the date hereof.

Director Profile Summary

Should all six nominees profiled above be elected, the gender and age of the Board for 2023 will be the following:

Special Business – Stock Option Plan Resolution

Up to 10% of the Common Shares issued and outstanding from time to time, including shares issued under any other security based compensation arrangement of the Company, including the Restricted Share Plan, may be issued pursuant to awards under the Stock Option Plan (as defined below). The Stock Option Plan is considered an “evergreen plan”, since (i) the Common Shares covered by awards granted under the Stock Option Plan which have been exercised or cancelled will be available for subsequent grants under the Stock Option Plan, and (ii) the Common Shares issued pursuant to the Stock Option Plan will increase as the number of issued and outstanding Common Shares increases.

The rules of the Toronto Stock Exchange (the “TSX”) require that, every three years after institution, all unallocated options, rights or other entitlements under a security based compensation arrangement that does not have a fixed maximum number of securities issuable, such as an evergreen plan, must be approved by shareholders. The Stock Option Plan was adopted on November 5, 2020. As at April 26, 2023, 31,366,932 Common Shares were issued and outstanding and, as such, a maximum of 3,136,693 Common Shares may be issued pursuant to awards granted under the Stock Option Plan. As at April 26, 2023, awards to acquire 2,866,808 Common Shares issued under the Stock Option Plan (9.1% of the number of Common Shares outstanding) were outstanding. As of April 26, 2023, 262,045 Common Shares (0.8% of the number of Common Shares outstanding) remained available for grant, in aggregate, under the Stock Option Plan. Accordingly, at the Meeting, Shareholders will be asked to consider and, if deemed advisable, ratify and approve such unallocated awards. See “*Compensation of Executive Officers – Stock Option Plan*” herein for a more detailed description of the Stock Option Plan.

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, approve the ordinary resolution attached hereto as Annex I to this Circular (the “**Stock Option Plan Resolution**”). **The Board has determined that the Stock Option Plan Resolution is in the best interests of the Company and unanimously recommends that Shareholders vote “FOR” the Stock Option Plan Resolution. To pass, the Stock Option Plan Resolution must be approved by a majority of votes cast by Shareholders or represented by proxy at the Meeting.**

If approval of the unallocated awards is obtained at the Meeting, the Company will not be required to seek further approval of the unallocated awards under the Stock Option Plan until the Company’s annual and special meeting of Shareholders in 2026 (provided that such meeting is held on or prior to June 8, 2026). Whether or not the Stock Option Plan Resolution is approved, all awards currently outstanding under the Stock Option Plan will remain in effect in accordance with their terms. If the Stock Option Plan Resolution is not approved, any currently unallocated awards under the Stock Option Plan will no longer be available for grant. In addition, any awards which subsequently are cancelled, expire or terminate will not be available for re-granting under the Stock Option Plan.

Special Business – Restricted Share Plan Resolution

Up to 10% of the Common Shares issued and outstanding from time to time, including shares issued under any other security based compensation arrangement of the Company, including the Stock Option Plan, may be issued pursuant to awards under the Restricted Share Plan (as defined below). The Restricted Share Plan is considered an “evergreen plan”, since (i) the Common Shares covered by awards granted under the Stock Option Plan which have

been exercised or cancelled will be available for subsequent grants under the Stock Option Plan, and (ii) the Common Shares issued pursuant to the Stock Option Plan will increase as the number of issued and outstanding Common Shares increases.

The rules of the TSX require that, every three years after institution, all unallocated options, rights or other entitlements under a security based compensation arrangement that does not have a fixed maximum number of securities issuable, such as an evergreen plan, must be approved by shareholders. As at April 26, 2023, 31,366,932 Common Shares were issued and outstanding and, as such, a maximum of 3,136,693 Common Shares may be issued pursuant to RSRs granted under the Restricted Share Plan. As at April 26, 2023, RSRs to acquire 7,840 Common Shares issued under the Restricted Share Plan (0.02% of the number of Common Shares outstanding) were outstanding. As of April 26, 2023, 262,045 Common Shares (0.8% of the number of Common Shares outstanding) remained available for grant, in aggregate, under the Restricted Share Plan. Accordingly, at the Meeting, Shareholders will be asked to consider and, if deemed advisable, ratify and approve such unallocated awards. See *“Compensation of Executive Officers – Restricted Share Plan”* herein for a more detailed description of the Restricted Share Plan.

At the Meeting, Shareholders will be asked to consider and, if deemed advisable, approve the ordinary resolution attached hereto as Annex II to this Circular (the **“Restricted Share Plan Resolution”**). **The Board has determined that the Restricted Share Plan Resolution is in the best interests of the Company and unanimously recommends that Shareholders vote “FOR” the Restricted Share Plan Resolution. To pass, the Restricted Share Plan Resolution must be approved by a majority of votes cast by Shareholders or represented by proxy at the Meeting.**

If approval of the unallocated awards is obtained at the Meeting, the Company will not be required to seek further approval of the unallocated awards under the Restricted Share Plan until the Company’s annual and special meeting of Shareholders in 2026 (provided that such meeting is held on or prior to June 8, 2026). Whether or not the Restricted Share Plan Resolution is approved, all awards currently outstanding under the Restricted Share Plan will remain in effect in accordance with their terms. If the Restricted Share Plan Resolution is not approved, any currently unallocated awards under the Restricted Share Plan will no longer be available for grant. In addition, any awards which subsequently are cancelled, expire or terminate will not be available for re-granting under the Restricted Share Plan.

Other Matters Which May Come Before the Meeting

Management of the Company and the Directors know of no matters to come before the Meeting other than the matters referred to in the Notice. However, if any other matters which are not now known to management should properly come before the Meeting, the proxy solicited hereby will be voted on such matters in accordance with the best judgment of the persons voting the proxy.

Introduction

The following discussion describes the significant elements of our current executive compensation program with particular emphasis on the process for determining compensation payable our Chief Executive Officer, President, Chief Financial Officer, Chief Operating Officer, Chief Technology Officer and Chief Marketing Officer (collectively, the **“NEOs”**).

Our 2022 NEOs were:

Objectives of the Company’s Current Executive Compensation Program

Our current executive compensation program has been designed to attract, retain, and motivate a highly talented team of executive officers. The program seeks to align executive compensation with our annual and long-term business and financial objectives. Our executive compensation program is designed to achieve the following objectives:

- provide market-competitive compensation opportunities in order to attract and retain talented, high-performing and experienced executive officers, whose knowledge, skills and performance are critical to our success;
- motivate our executive officers to achieve our business and financial objectives;
- align the interests of our executive officers with those of our shareholders by tying a meaningful portion of compensation directly to the long-term value and growth of our business; and
- provide incentives that encourage appropriate levels of risk-taking by our executive officers and provide a strong pay-for-performance relationship.

Determination of Compensation

The compensation committee of the Board (the “**Compensation Committee**”) is responsible for assisting our Board with overseeing our human resources, succession planning, and compensation policies, processes, and practices. Our Compensation Committee is also responsible for ensuring that our compensation policies and practices provide an appropriate balance of risk and reward consistent with our risk profile.

Following closing of the IPO, our Board adopted a written charter for the Compensation Committee setting out its responsibilities for administering our compensation programs and reviewing and making recommendations to our Board concerning the level and nature of the compensation payable to our Directors and officers. A copy of the charter is available on the Company’s website at <https://ir.kits.com>. The Corporate Governance and Compensation Committee oversight includes reviewing objectives, evaluating performance, considering risks and implications of those risks in current compensation policies and practices, and ensuring that total compensation paid to our executive officers, personnel who report directly to our CEO and various other key executive officers and managers is fair, reasonable and consistent with the objectives of our philosophy and compensation program. The Compensation Committee’s decisions are made in line with its responsibilities and charter.

The current members of the Compensation Committee are Anne Kavanagh, Peter Lee, and Ted Goldthorpe, all of whom are independent Directors. A summary of their relevant experience can be found under “*Business of the Meeting - Election of Directors*” described above.

Executive Compensation

Compensation Risk

In reviewing our compensation policies and practices, the Compensation Committee seeks to ensure that (i) the executive compensation program provides an appropriate balance of risk and reward consistent with the risk profile of our Company; and (ii) compensation practices do not encourage excessive risk taking behaviour by the executive team. The Restricted Share Plan, the Stock Option Plan and the Performance Incentive Plan has been designed to focus on our long term performance which should discourage executives from taking excessive risks in order to achieve short-term, unsustainable performance.

Anti-Hedging Policies

We do not currently impose restrictions on our NEOs or our directors with respect to the purchase of financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly by an NEO or director.

Base Salary

Base salary is provided as a fixed source of compensation for our executive officers. Adjustments to base salaries are determined annually and may be increased based on the executive officer’s success in meeting or exceeding individual objectives, as well as to maintain market competitiveness. Additionally, base salaries can be adjusted as warranted throughout the year to reflect promotions or other changes in the scope of breadth of an executive officer’s role or responsibilities.

Annual Bonuses

Annual bonuses are designed to motivate our executive officers to meet our business and financial objectives generally and our annual financial performance targets. Annual bonuses are earned and measured with reference to

revenue growth and profitability. Individual bonus payouts increase or decrease depending on how much revenue and profit for the fiscal year deviates from our targets, taking into account any further adjustments that may be made from time to time for other irregular items, as determined and approved by our Compensation Committee. Annual bonus targets are set as a percentage of the relevant executive officers' base salary, which varies based on his or her position level, if maximum financial performance targets are achieved. We have a similar annual bonus plan for key senior managers where the target as a percentage of base salary ranges from 10% to 25% of base salary. We currently make bonus payments in cash and/or Options and anticipate continuing to do so.

Performance Incentive Plan

On January 1, 2023, the Board adopted a long-term performance incentive plan (the "**Performance Incentive Plan**") to reward its officers, directors and selected key employees for their respective contributions to the long-term performance of the Company.

Each performance period under the Performance Incentive Plan lasts three years in duration, beginning on the first day of the Company's fiscal year and ending on the last day of the third fiscal year, except for an initial implementation phase which shall start as of the effective date of this Performance Incentive Plan and end on the last day of fiscal year 2024 (each a "**Performance Period**"). The Board may adjust the Performance Periods as it determines is reasonably necessary.

The Performance Incentive Plan has two performance measures: Total Shareholder Return and Realized Exit Value.

- **Total Shareholder Return ("TSR")** means the average closing price per Common Share for the 60 trading days preceding the beginning of the applicable Performance Period, adjusted for stock splits, divided by the average closing price per Common Share for the 60 trading day period ending on the last day of the corresponding Performance Period.
- **Realized Exit Value ("REV")** means the total cash, stock and/or other consideration, including any non-cash consideration valued as determined by the value ascribed to such consideration by the parties to such transaction received by a holder of Common Shares in connection with a change of control, calculated on a per share basis.

Subject to certain exceptions, to receive an award under the Performance Incentive Plan, participants must be actively employed by the Company throughout the entire performance period and through the date on which the Company pays awards for that performance period.

The Company will pay TSR-related awards no later than 60 days following the end of the applicable Performance Period. The Company will pay REV-related awards no later than 30 days following the change of control. All compensation (and potential compensation) under the Performance Incentive Plan is in the form of cash, and not in the form of shares, options, rights or other entitlement. The Performance Incentive Plan does not require shareholder approval under the TSX Company Manual as it does not involve the issuance from treasury or potential issuance from treasury of securities of the Company and is therefore not a security based compensation arrangement.

As of April 26, 2023, the Company has not granted any awards under the Performance Incentive Plan.

Stock Option Plan

In connection with our initial public offering (the "**IPO**"), we adopted a new stock option plan (the "**Stock Option Plan**").

Our Board, in its sole discretion, may from time to time designate the directors, executive officers, employees or consultants to whom Options shall be granted under the Stock Option Plan. In doing so, the Board may take into account previous grants of Options to the such individuals.

As at April 26, 2023, there were 2,866,808 Options issued and outstanding under the Stock Option Plan, representing approximately 9.1% of the issued and outstanding Common Shares.

Shares Subject to the Stock Option Plan

The maximum number of Common Shares reserved for issuance, in the aggregate, under our Stock Option Plan and all other security-based compensation arrangements is 10% of the aggregate number of Common Shares issued and outstanding from time to time, and the number of Common Shares reserved for issuance pursuant to Options granted to any one individual, within a one year period, shall not exceed 5% of the aggregate number of Common Shares issued and outstanding.

All of the Common Shares covered by exercised, cancelled or terminated Options granted under the Stock Option Plan automatically become available Common Shares for the purposes of Options that may be subsequently granted under the Stock Option Plan. As a result, the Stock Option Plan is considered an “evergreen” plan.

All Options granted under the Stock Option Plan have an exercise price determined and approved by our Board at the time of grant, which may not be less than the market price of the Common Shares at such time. For purposes of the Stock Option Plan, the market price of the Common Shares is the closing price for the Common Shares on the TSX on the last trading day before the day on which the Option is granted.

An Option is exercisable during a period established by our Board which commences on the date of the grant and terminates no later than ten years after the date of the granting of the option. The Stock Option Plan provides that the exercise period is automatically extended if the date on which it is scheduled to terminate falls during a blackout period. In such cases, the extended exercise period terminates ten business days after the last day of the blackout period. There are currently no limits on insider participation provided for under the Stock Option Plan.

In order to facilitate the payment of the exercise price of the Options, the Stock Option Plan has a cashless exercise feature pursuant to which a participant may elect to undertake either a broker assisted “cashless exercise” or a “net exercise” subject to the procedures set out in the Stock Option Plan, including the consent of the Board, where required.

The Stock Option Plan also provides that appropriate adjustments, if any, will be made by our Board in connection with a stock dividend or split, recapitalization, reorganization or other change of shares, consolidation, distribution, merger or amalgamation or similar corporate transaction, in order to maintain the optionees’ economic rights in respect of their Options in connection with such change in capitalization, including adjustments to the exercise price and/or the number of Common Shares to which an optionee is entitled upon exercise of Options, or permitting the immediate exercise of any outstanding Options that are not otherwise exercisable.

A participant’s grant agreement or any other written agreement between a participant and us may provide that unvested Options be subject to acceleration of vesting and exercisability in certain circumstances, including in the event of certain change of control transactions. If a participant ceases to be a director, officer, employee or consultant of the Company for cause, no option held by such participant shall be exercisable following the date on which such participant ceases to be such a director, officer, employee or consultant. If a participant ceases to be a director, officer, employee or consultant of the Company for any reason other than for cause or by virtue of death, any option held by such participant at such time shall remain exercisable in full at anytime, and in part from time to time, for a period of 90 days after the date on which the participant ceases to be such a director, officer, employee or consultant. Our Board also may at its discretion, acting in good faith, accelerate the vesting of any outstanding Options notwithstanding the previously established vesting schedule, regardless of any adverse or potentially

adverse tax consequences resulting from such acceleration or, subject to applicable regulatory provisions and shareholder approval, extend the expiration date of any option, provided that the period during which an option is exercisable does not exceed ten years from the date such option is granted.

Except as specifically provided in an option agreement approved by our Board, Options granted under the Stock Option Plan are generally not transferable other than by will or the laws of descent and distribution.

Amendments

The Board may suspend or terminate the Stock Option Plan at any time, or from time to time amend or revise the terms of Stock Option Plan or of any granted Option, provided that no such suspension, termination, amendment or revision may be made: (i) except in compliance with applicable law and with the prior approval, if required, of the shareholder, the TSX or any other regulatory body having authority over the Company; and (ii) in the case of an amendment or revision, if it would materially adversely affect the rights of any participant, without the consent of the participant, provided however, subject to any applicable rules of the TSX, the Board may from time to time, in its absolute discretion and without the approval of shareholders, make the following amendments to the Stock Option Plan or any outstanding option:

- any amendment to the vesting and assignability provisions;
- any amendment regarding the effect of termination of a participant's employment or engagement;
- any amendment which accelerates the date on which any option may be exercised under the Stock Option Plan;
- any amendment to the definition of an eligible person under the Stock Option Plan;
- any amendment to add provisions permitting for the granting of cash-settled awards, a form of financial assistance or clawback provision and any amendment to a cash-settled award, financial assistance or clawback provision which is adopted;
- any amendment necessary to comply with applicable law or the requirements of the TSX or any other regulatory body;
- any amendment of a "housekeeping" nature, including, without limitation, to clarify the meaning of an existing provision of Stock Option Plan, correct or supplement any provision of the Stock Option Plan that is inconsistent with any other provision of the Stock Option Plan, correct any grammatical or typographical errors or amend the definitions in the Stock Option Plan;
- any amendment regarding the administration of the Stock Option Plan;
- any amendment to add an insider participation limit to the Stock Option Plan; and
- any other amendment that does not require the approval of the holders of Common Shares pursuant to the amendment provisions of the Stock Option Plan.

For greater certainty, our Board is required to obtain shareholder approval to make the following amendments:

- any increase in the maximum number of Common Shares that may be issuable pursuant to Options granted under the Stock Option Plan, other than for appropriate and proportionate adjustments due to re-organization, merger, re-capitalization, re-classification, stock dividend, subdivision or consolidation;

- any extension of the expiry date of an option, except in case of an extension due to a blackout period;
- any reduction in the exercise price of an option benefitting an insider;
- any amendment to remove or exceed the Insider participation limit; and
- any amendment to the amendment provisions of the Stock Option Plan.

Restricted Share Plan

Our restricted share plan (the “**Restricted Share Plan**”) provides us with the ability to provide long-term incentives to our Board and executive officers by way of the award of RSRs. Under the Restricted Share Plan, RSRs may be granted to employees, officers, directors, management company employees and consultants of the Company as a discretionary payment in consideration of current performance and expected future performance. The purpose of the Restricted Share Plan is to advance the interests of the Company through the motivation, attraction, and retention of key persons and to secure for the Company and the shareholders the benefits inherent with the retention of such persons. Each RSR entitles the holder to receive one fully paid Common Share without payment of additional consideration upon vesting of the RSR. The number of RSRs issuable to insiders, at any time, shall not exceed 10% of the total number of issued and outstanding Common Shares calculated on the date of the grant on a non-diluted basis.

The Board determines, upon the recommendations of the Compensation Committee, the key employees, officers, directors, management company employees and consultants to whom RSR grants are made and the terms and conditions of the RSRs granted. Individual grants are determined by an assessment of an individual’s current and expected future performance, previous RSR grants, level of responsibilities and the importance of the position to the Company. Consideration is also given to the individual’s past impact on or contribution to, and/or the individual’s ability in the future to have an impact on or contribute to the long-term performance of the Company.

Shares Subject to the Restricted Share Plan

Pursuant to the terms of the Restricted Share Plan, the aggregate maximum number of Common Shares reserved for issuance under the Restricted Share Plan and all other security-based compensation arrangements shall be 10% of the aggregate number of Common Shares issued and outstanding from time to time, and the number of Common Shares reserved for issuance pursuant to RSRs granted to any one individual, within a one year period, shall not exceed 5% of the aggregate number of Common Shares outstanding from time to time on a fully diluted basis.

Any Common Shares subject to RSRs which have been awarded under the Restricted Share Plan and which have subsequently vested, or been cancelled or terminated in accordance with the terms of the Restricted Share Plan without the applicable restricted period(s) having expired will again be available for issuance under the Restricted Share Plan.

Each RSR entitles the holder to receive one fully paid Common Share without payment of additional consideration on the later of: (i) the end of a restricted period of time wherein a RSR cannot be exercised as determined by the Board (the “**Restricted Period**”); and (ii) a date determined by an eligible participant or Compensation Committee that is after the Restricted Period and before a participant’s retirement date or termination date (a “**Deferred Payment Date**”). A participant’s entitlement to receive the Common Shares may not, however, be deferred by a participant to a date which is later than December 31st of the third calendar year following the date of grant of the RSRs to the participant, or such later date as may be expressly permitted by the Company and applicable income tax laws.

Except as otherwise may be expressly provided for under the Restricted Share Plan, or pursuant to a will or by the laws of descent and distribution, no RSR and no other right or interest of a participant is assignable or transferable.

Amendments

Under the Restricted Share Plan, the Board may from time to time amend or revise the terms of the Restricted Share Plan or may discontinue the Restricted Share Plan at any time. Subject to receipt of requisite shareholder and regulatory approval, the Board may make amendments to the Restricted Share Plan to: (a) materially increase the benefits under the Restricted Share Plan; (b) increase the maximum number of Common Shares issuable under the Restricted Share Plan; and (c) materially modify the requirements as to eligibility for participation in the Restricted Share Plan. All other amendments to the Restricted Share Plan may be made by the Board without obtaining shareholder approval, such as an amendment to the Restricted Period of a RSR or an amendment to the termination provisions of an RSR.

Termination of Service

In the event of a participant's retirement or termination during a Restricted Period, any RSR held by the participant will automatically immediately terminate, unless otherwise determined by the Board. In the event of the retirement or termination of a participant after a Restricted Period and, if applicable, prior to any Deferred Payment Date, the Company will forthwith issue the Restricted Shares (as defined in the Restricted Share Plan) in accordance with the RSRs held by the participant and any dividends declared but unpaid to the participant. In the event of death or total disability of a participant, the Company will forthwith issue the Restricted Shares in accordance with the RSRs held by the participant.

Change of Control

In the event of a Change of Control (as defined in the Restricted Share Plan), all RSRs held by a participant will be immediately deemed vested notwithstanding any Restricted Period(s) and any applicable Deferred Payment Date(s).

Burn Rate of Stock Option Plan and Restricted Share Plan

The tables below sets out the burn rate of the Stock Option Plan and Restricted Share Plan for the two most recently completed fiscal years. The "burn rate" is defined as the number of Options/RSRs granted in a fiscal year divided by the weighted average number of Shares outstanding in that year.

Financial Year End	Options Granted	Weighted Average Securities Outstanding ⁽¹⁾	Burn Rate (%)
December 31, 2021	288,430	30,125,772	1.0%

December 31, 2022	117,372	31,274,298	0.4%

(1) The weighted average number of Shares outstanding is the number of Shares outstanding at the beginning of the period, adjusted by the number of Shares bought back or issued during the period multiplied by a time-weighting factor. The time-weighting factor is the number of days that the Shares are outstanding as a proportion of the total number of days in the period.

Performance Graph

The following performance graph illustrates the cumulative total shareholder return on a \$100 investment in the Common Shares made on January 19, 2021, being the date of the IPO and assuming reinvestment of any dividends, compared with the cumulative return on the S&P/TSX Composite Total Return Index (the “S&P Index”) for the same period ranging from January 19, 2021 to the last day of the fiscal year ended December 31, 2022.

The S&P Index tracks the share prices of the largest companies on the TSX measured by market capitalization. During the period commencing at the closing of the IPO up to the last day of the fiscal year ended December 31, 2022, the cumulative shareholder return on an investment in the Common Shares was above that of an investment on the S&P Index. Our compensation program is accordingly designed to align with the long-term success of the Company with a diligent focus on incentivizing performance for executing against our long-term growth strategy.

	January 19, 2021	December 31, 2022

On January 18, 2021 in connection with the completion of our initial public offering, holders of all of our Class A, Class B and Class C preferred shares converted their preferred shares into Common Shares based on the conversion terms attached to each Class (the “**Conversions**”). The note bears no interest and matures on the earlier of January 31, 2026 or the day after the Company’s current loan from BDC Capital Inc. (“**BDC**”) has been repaid in full (the “**Maturity Date**”). Unpaid principal shall be payable in quarterly installments beginning on March 31, 2021 of \$121, subject to the consent of BDC. Any unpaid principal shall be payable in full upon the Maturity Date. There were no payments made during the year ended December 31, 2022. Our and our subsidiaries’ directors and officers are covered under directors’ and officers’ liability insurance. STATEMENT OF CORPORATE GOVERNANCE PRACTICES

We consider strong and transparent corporate governance practices to be an important factor in the overall success of the Company and we are committed to adopting and adhering to the highest standards in corporate governance.

As a Canadian reporting issuer with securities listed on the TSX, KITS continuously reviews and updates its corporate governance practices in order to best comply with all applicable rules adopted by the Canadian Securities Administrators. The Company's corporate governance practices have been and continue to be in compliance with applicable Canadian securities law requirements including NI 58-101 and National Policy 58-201 – *Corporate Governance Guidelines* (“**NP 58-201**”). NP 58-201 provides guidance on governance practices for Canadian issuers, while NI 58-101 requires issuers to make the prescribed disclosure regarding their governance practices.

KITS also complies with NI 52-110, which includes requirements regarding audit committee composition and responsibilities, as well as reporting obligations with respect to audit related matters. For certain information with respect to the Audit Committee, including its charter and composition, the relevant education and experience of its members, and services fees paid to the Company's external auditors, please refer to the section entitled “*Directors and Executive Officers of the Company – Audit Committee*” in the Company's annual information form dated March 9, 2022, copies of which are available on SEDAR at www.sedar.com and provided free of charge to Shareholders upon request to the Company.

Board of Directors

Under our Articles, our Board is to consist of a minimum of three and a maximum of seven directors as determined from time to time by the directors. Our Board currently consists of six directors. Under the *Business Corporations Act* (British Columbia) (the “**BCBCA**”), a director may be removed with or without cause by a resolution passed by an ordinary majority of the votes cast by shareholders present in person or by proxy at a meeting and who are entitled to vote. The directors are elected by shareholders at each annual general meeting of shareholders, and all directors hold office for a term expiring at the close of the next annual general meeting or until their respective successors are elected or appointed. Our Articles provide that, between annual general meetings of shareholders, the directors may appoint one or more additional directors, but the number of additional directors may not at any time exceed one-third of the number of current directors who were elected or appointed other than as additional directors.

Under NI 58-101, a director is considered to be independent if he or she is independent within the meaning of NI 52-110. Pursuant to NI 52-110, an independent director is a director who is free from any direct or indirect relationship which could, in the view of our Board, be reasonably expected to interfere with a director's independent judgment. Based on information provided by each director concerning his or her background, employment and affiliations, our Board has determined that of the six current directors, two, being Mr. Hardy and Ms. Liak, are not considered independent as a result of their positions as executive officers of the Company. As four of the six existing Directors are independent, the Company has deemed the majority of the Board to be independent.

Certain members of our Board are also members of the board of directors of other public companies. Our Board has not adopted a director interlock policy, but is keeping informed of other public directorships held by its members.

Our Board has not appointed an independent Chair. Mr. Hardy, the Chairman of the Board, is our Chief Executive Officer and a significant shareholder. Mr. Goldthorpe is the Board's lead director (the “**Lead Director**”) and is independent of management. The Board believes that this structure best reflects the entrepreneurial leadership of the Company. The Board is satisfied that the autonomy of the Board and its ability to function independently of management are protected through measures such as the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee being composed of all independent directors. The independent Lead Director provides leadership for the Board's independent directors.

Our Board has adopted a written position description for the Chair, which sets out the Chair’s key responsibilities, including, among others, duties relating to setting Board meeting agendas, chairing Board and shareholder meetings and communicating with shareholders and regulators. Our Board has also adopted a written position description for the Lead Director, which sets out the Lead Director’s key responsibilities, including, among others, enhancing Board effectiveness, management the Board, and liaising between the Board and management and with shareholders.

The following Directors of the Company hold directorships in other reporting issuers or the equivalent in other jurisdictions as set out below:

Name of Director	Name of other reporting issuer
Sabrina Liak	Mount Logan Capital Inc., formerly Marret Resource Corp.
Ted Goldthorpe	Crescent Point Energy Corp., Mount Logan Capital Inc., formerly Marret Resource Corp., Portman Ridge Finance Corporation, Logan Ridge Financial Corporation, Alternative Credit Income Fund and Opportunistic Credit Income Fund

Meetings Independent from Management

Our Board believes that given its size and structure, it is able to facilitate independent judgment in carrying out its responsibilities and will continue to do so. To enhance such independent judgment, the independent Directors of our Board may meet in the absence of senior executive officers or any non-independent Directors, and the Board encourages its independent Directors to seek the advice of financial, legal or other consultants when necessary.

Board Mandate

Our Board is responsible for supervising the management of the business and affairs, including providing guidance and strategic oversight to management. Our Board has adopted a formal mandate in the form set forth in Annex III to this Circular that includes the following:

- appointing the Chief Executive Officer;
- approving the corporate goals and objectives that the Chief Executive Officer is responsible for meeting and reviewing the performance of the Chief Executive Officer against such corporate goals and objectives;
- taking steps to satisfy itself as to the integrity of the Chief Executive Officer and other senior executive officers and that the Chief Executive Officer and other senior executive officers create a culture of integrity throughout the organization; and
- reviewing and approving management’s strategic and business plans.

The mandate of the Board is also available on the Company’s website at <https://ir.kits.com> or from the Corporate Secretary of the Company at the Company’s registered headquarters located at 1020 - 510 Seymour Street, Vancouver, BC, V6B 3J5 upon request.

Position Descriptions

The Board has developed and approved written position descriptions for the Chair (as noted above) and the Chief Executive Officer.

The written position description for our Chief Executive Officer sets out the key responsibilities of our Chief Executive Officer, including, among other duties in relation to providing overall leadership, ensuring the development of a strategic plan and recommending such plan to our Board for consideration, ensuring the

development of an annual corporate plan and budget that supports the strategic plan and recommending such plan to our Board for consideration, and supervising day-to-day management and communicating with shareholders and regulators.

The Company does not intend to adopt written position descriptions for the chair of each committee of the Board. With respect to the chair of each committee of the Board, the Company expects that the chairs will assume a leadership role on each committee, as applicable, and that written descriptions may, in the future, be developed. Each committee has a written charter which helps delineate the roles and responsibilities of each. The Company believes that the roles and responsibilities of each of the chairs and of the chief executive officer are well understood by them and by the Board as a whole.

Orientation and Continuing Education

New directors are provided with comprehensive orientation and education as to the nature and operation of KITS and our business, the role of our Board and its committees, and the contribution that an individual director is expected to make.

Our Compensation Committee is responsible for overseeing director continuing education designed to maintain or enhance the skills and abilities of the directors and to ensure that their knowledge and understanding of our business remains current. The chair of each committee is responsible for coordinating orientation and continuing director development programs relating to the committee's mandate.

Ethical Business Conduct

Code of Conduct

We have adopted a written code of conduct the (the "**Code of Conduct**") that applies to all of our directors, officers and employees, a copy of which has been filed on SEDAR and is available on the Company's website at <https://ir.kits.com> or from the Corporate Secretary of the Company at the Company's registered headquarters located at 1020 - 510 Seymour Street, Vancouver, BC, V6B 3J5 upon request.

The objective of the Code of Conduct is to provide guidelines for maintaining our and our subsidiaries integrity, reputation, honesty, objectivity and impartiality. The Code of Conduct addresses conflicts of interest, protection of our assets, confidentiality, fair dealing with shareholders, competitors and employees, insider trading, compliance with laws and reporting any illegal or unethical behaviour. As part of the Code of Conduct, any person subject to the Code of Conduct is required to avoid or fully disclose interests or relationships that are harmful or detrimental to our best interests or that may give rise to real, potential or the appearance of conflicts of interest. Our Board has ultimate responsibility for the stewardship of the Code of Conduct and it monitors compliance through our Compensation Committee.

Related Party Transactions and Conflicts of Interest

A Director who has a material interest in a matter before our Board or any committee on which he or she serves is required to disclose such interest as soon as the Director becomes aware of it. In situations where a Director has a material interest in a matter to be considered by our Board or any committee on which he or she serves, such Director may be required to absent himself or herself from the meeting while discussions and voting with respect to the matter are taking place. Directors are also required to comply with the relevant provisions of the BCBCA regarding conflicts of interest.

Nomination of Directors

Director nominees are recommended to the Board by the Nominating and Corporate Governance Committee in accordance with its charter and elected by the Shareholders in accordance with the Company's majority voting policy at every annual general meeting of the Company, but if Directors are not elected at any annual general meeting, the incumbent Directors will continue in office until their successors are elected or appointed.

Our Nominating and Corporate Governance Committee is comprised of three Directors, all of whom are persons determined by our Board to be independent Directors, and is charged with reviewing, overseeing and evaluating corporate governance guidelines and Board composition, mandates and effectiveness. Our Nominating and Corporate Governance Committee is comprised of Mr. Goldthorpe, who acts as chair of this committee, Mr. Bozikis and Mr. Lee. No member of our Nominating and Corporate Governance Committee is one of our officers, and as such, our Board believes that our Nominating and Corporate Governance Committee is able to conduct its activities in an objective manner.

Our Board has adopted a written charter setting forth the purpose, composition, authority and responsibility of our Nominating and Corporate Governance Committee consistent with the Corporate Governance Guidelines. A copy of the charter is available on the Company's website at <https://ir.kits.com>. Our Nominating and Corporate Governance Committee's purpose is to assist our Board in:

- developing our corporate governance guidelines and principles and providing us with governance leadership;
- reviewing the structure, composition and mandate of Board committees;
- evaluating the performance and effectiveness of our Board and of our Board committees; and
- identifying individuals qualified to be nominated as members of our Board.

Compensation

The Board, through the Compensation Committee, determines fees and compensation for the Directors and officers of the Company. Our Compensation Committee is comprised of three Directors, all of whom are persons determined by our Board to be independent Directors, and is charged with reviewing, overseeing, and evaluating our compensation policies. Our Compensation Committee is comprised of Ms. Kavanagh, who acts as chair of this committee, Mr. Lee and Mr. Goldthorpe. No member of our Compensation Committee is one of our officers, and as such, our Board believes that our Compensation Committee is able to conduct its activities in an objective manner.

Our Board has adopted a written charter setting forth the purpose, composition, authority and responsibility of our Compensation Committee. A copy of the charter is available on the Company's website at <https://ir.kits.com>. Our Compensation Committee's purpose is to assist our Board in:

- the appointment, performance, evaluation and compensation of our senior executives;
- the recruitment, development and retention of our senior executives;
- maintaining talent management and succession planning systems and processes relating to our senior management;
- developing compensation structure for our senior executives including salaries, annual and long-term incentive plans including plans involving share issuances and other share-based awards;

- establishing policies and procedures designed to identify and mitigate risks associated with our compensation policies and practices;
- assessing the compensation of our directors; and
- developing benefit retirement and savings plans.

Each member of the Compensation Committee has experience relevant to compensation policy and/or oversight that, combined with their independence, suitably equip them to serve on the Compensation Committee. The members of the Compensation Committee have experience negotiating executive compensation agreements and managing or advising large private and public corporations on compensation matters. Their financial knowledge also allows them to assess the costs and benefits of compensation plans. The collective experience of the members ensures that the Compensation Committee has a deep understanding of our business, which is important when determining the appropriate metrics for measuring success.

For more information regarding the professional background and experience of each member of the Compensation Committee, please see *"Business of the Meeting - Election of Directors"*.

In 2021, we engaged a compensation consultant or advisor to assist the Compensation Committee in determining compensation for our directors and officer. Please refer to the additional details provided in *"Compensation of Executive Officers - Determination of Compensation"*.

Other Board Committees

Other than the Audit Committee, the Nominating and Corporate Governance Committee and the Compensation Committee, the Board does not have any other committees in place.

Assessments

Our Nominating and Corporate Governance Committee is responsible for establishing and implementing procedures to evaluate the performance and effectiveness of our Board, committees of our Board and the contributions of individual Board members. Our Nominating and Corporate Governance Committee also takes reasonable steps to evaluate and assess, on an annual basis, directors' performance and effectiveness of our Board, committees of our Board, individual Board members, our Chair and committee chairs. The assessment will address, among other things, individual director independence, individual director and overall Board skills, and individual director financial literacy. Our Board will receive and consider the recommendations from our Nominating and Corporate Governance Committee regarding the results of the evaluation of the performance and effectiveness of our Board, committees of our Board, individual Board members, our Chair and committee chairs. The assessment will also involve a review by the Board of its strategies to determine the composition of the Board and the appropriate candidates to be put forth for election as directors at annual general meetings. The review takes into account the desirability of maintaining a balance of skills, experience and background.

Term Limits

Our Board has not adopted director term limits or other automatic mechanisms of board renewal. Rather than adopting formal term limits, mandatory age-related retirement policies and other mechanisms of board renewal, the Compensation Committee of our Board will seek to maintain the composition of our Board in a way that provides, in the judgement of our Board, the best mix of skills and experience to provide for our overall stewardship. Our Compensation Committee also is expected to conduct a process for the assessment of our Board, each committee and each director regarding his, her or its effectiveness and performance, and to report evaluation results to our Board.

Diversity

We believe that having a diverse Board can offer a breadth and depth of perspectives that enhance our Board's performance. We value diversity of abilities, experience, perspective, education, gender, background, race and national origin. Recommendations concerning director nominees are based on merit and past performance as well as expected contribution to our Board's performance and, accordingly, diversity is taken into consideration. Currently, two of six members on our Board, or approximately 33 1/3%, are female members.

We have recruited and selected senior management candidates that represent a diversity of business understanding, personal attributes, abilities and experience. Currently, one of six members of our senior management, or approximately 16 2/3%, are female.

We have made inclusion and diversity a selection criterion in our Nominating and Corporate Governance Committee charter for Board nominees. While we do not currently have a specific mandate for the representation and nomination of women on our Board or our senior management, it is a priority for us, and our efforts are reflected in our success in recruiting and retaining qualified female directors and senior management to date. We continue to believe diversity is a priority in both governance and within our organization and we strive to become industry leaders in supporting inclusion and diversity.

The composition of our Board and senior management is shaped by the selection criteria established by our Compensation Committee. This is achieved by, among other things, ensuring that diversity considerations are taken into account in Board vacancies and senior management, monitoring the level of female representation on our Board and in senior management positions, continuing to broaden recruiting efforts to attract and interview qualified female candidates, and committing to retention and training to ensure that our most talented employees are promoted from within our organization.

3.4 The Board may:

- (i) appoint one or more committees of the Board, however designated, and delegate to any such committee any of the powers of the Board except those which pertain to items which, under the *Business Corporations Act* (British Columbia) (the "**Act**"), a committee of the Board has no authority to exercise;

Subject to this requirement, the Board members shall not be subject to any restrictions with respect to their activities outside of their relationship with the Company, including their services as directors of other corporations or charitable organizations so long as such is in accordance with all of the Company's other policies and charters.
- 3.13 The Board shall meet not less than four times per year.

- 3.14 The meetings of the Board shall ordinarily include the CEO (if not a director) and shall periodically include other senior officers as may be appropriate and as may be desirable to enable the Board to become familiar with the Company's management team and affairs.
