

NOTICE AND ACCESS NOTIFICATION TO SHAREHOLDERS

You are receiving this notification as Camino Minerals Corporation ("**Camino**") has elected to use the notice and access model ("**Notice and Access**") for the delivery of meeting materials to its shareholders who do not hold their common shares of Camino ("**Common Shares**") in their own name (the "**Beneficial Shareholders**") in respect of its annual general and special meeting of shareholders to be held on Tuesday, August 8, 2023 (the "**Meeting**"). Under Notice and Access, instead of receiving paper copies of Camino's management information circular dated July 26, 2023 (the "**Circular**"), Beneficial Shareholders are receiving this notice with information on how they may access the Circular electronically. Camino is providing this notice to all Beneficial Shareholders. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and it will also reduce Camino's printing and mailing costs.
