 - (iv) at the Time of Closing, such legal opinions (the “**Legal Opinions**”) of the Company’s various legal counsel, addressed to the Agent and dated as of the Closing Date in form and content acceptable to the Agent, acting reasonably, relating to the Company, the Prospectuses, the trade and distribution of the Shares and the Corporate Finance Shares, without restriction, and to such other matters as the Agent may reasonably require;
 - (v) at the Time of Closing, a certificate of an officer (the “**Officer’s Certificate**”) of the Company, addressed to the Agent and dated as of the Closing Date in form and content acceptable to the Agent, acting reasonably, relating to the content of the Prospectuses, the Final Listing Application, and to the issuance of the Shares and the Corporate Finance Shares; and
 - (vi) at the time of execution of the Final Prospectus and at the Time of Closing, such other materials (the “**Closing Materials**”) as the Agent may reasonably require and as are customary in a transaction of this nature, and the Closing Materials will be addressed to the Agent and to such parties as may be reasonably directed by the Agent and will be dated as of the date of execution of the Final Prospectus and the Closing Date, respectively, or such other date as the Agent may reasonably require;
- (c) ensure that its senior officers are available to participate in the marketing of the Offering, including attendance at road-shows and investor meetings upon receipt of reasonable advance notice from the Agent, and assisting in the preparation of marketing material; and
- (d) from and including the date of this Agreement through to and including the Time of Closing, do all such acts and things necessary to ensure that all of the representations and warranties of the Company contained in this Agreement or any certificates or documents delivered by it pursuant to this Agreement remain materially true and correct and not do any such act or thing that would render any representation or warranty of the Company contained in this Agreement or any certificates or documents delivered by it pursuant to this Agreement materially untrue or incorrect.

5.2 The Agent covenants and agrees with the Company that it will:

- (a) upon being satisfied, acting reasonably, that the Final Prospectus and any amendments thereto is in a form satisfactory for filing with the Commissions, execute the Final Prospectus and any amendments thereto, as the case may be, presented to the Agent for execution, and the Agent will use its reasonable best efforts to assist the Company in obtaining the requisite approvals of the Regulatory Authorities in connection with the preparation and filing of such documents;
- (b) conduct the Offering and perform all of its obligations hereunder in accordance with Applicable Securities Laws;
- (c) not, directly or indirectly, solicit offers to purchase or sell the Shares or deliver any materials or documents so as to require registration of the Shares or filing of a prospectus or registration statement with respect to the Shares under the laws of any jurisdiction other than the Qualifying Jurisdictions;
- (d) deliver to each Purchaser a copy of the Prospectus in compliance with Applicable Securities Laws;
- (e) use its best efforts to complete the distribution of the Shares as soon as practicable after the issuance of the Final Receipt;
- (f) use its best efforts to obtain subscriptions for the Offering from at least 200 Purchasers (or such lesser number as is acceptable to the Exchange) with each Purchaser purchasing at least a Board Lot free of Resale Restrictions (as defined by Exchange Policy 1.1);
- (g) provide all notices and documents as may be required by Applicable Securities Laws in the Qualifying Jurisdictions, including without limitation the Exchange Form 2E on the Closing Date; and
- (h) following the Closing Date, give prompt written notice to the Company when, in the Agent's opinion, the distribution of the Shares has been completed.

6. **CONDITIONS PRECEDENT**

6.1 The following are conditions to the obligations of the Agent to complete the transactions contemplated in this Agreement:

- (a) the Offering being subscribed for;
- (b) all actions required to be taken by or on behalf of the Company, including the passing of all requisite resolutions of directors and shareholders of the Company, will have been taken so as to approve the Prospectuses and Listing Applications and to validly distribute the Shares and the Corporate Finance Shares and to such other matters as the Agent may reasonably require;
- (c) the Company will have made all filings with and obtained all receipts, approvals, consents and acceptances of the Regulatory Authorities for the Prospectuses and

Listing Applications necessary to permit the Company to complete its obligations hereunder;

- (d) the Shares (including the Corporate Finance Shares) will have been conditionally listed for trading on the Exchange;
- (e) the Company will have, within the required time, delivered the required Comfort Letters, Legal Opinions, Officer's Certificates and other Closing Materials as the Agent may reasonably require;
- (f) no order ceasing or suspending trading in any securities of the Company, or to the best of the Company's knowledge ceasing or suspending trading by any of the directors, officers or promoters of the Company, or prohibiting the trade or distribution of any of the securities referred to herein will have been issued and no proceedings for such purpose, to the knowledge of the Company, will be pending or threatened;
- (g) no adverse Material Change will have occurred in the business of the Company prior to the Closing Date;
- (h) the Company will have, at the Time of Closing, complied with all of its covenants and obligations to be complied with prior to the Time of Closing contained in this Agreement; and
- (i) the representations and warranties of the Company contained in this Agreement will be materially true and correct as of the Time of Closing as if such representations and warranties had been made as of the Time of Closing.

6.2 The Agent's obligations under this Agreement with respect to acting as agent for the purposes of the Offering are also conditional upon and subject to: (a) the Company allowing the Agent and its representatives to conduct all due diligence, which the Agent may reasonably require in connection with the Offering; and (b) prior to the filing of the Final Prospectus, the Agent's due diligence review not revealing any material adverse information or fact about the Company that is not generally known to the public that might, as determined in the sole discretion of the Agent, materially adversely affect the value or market price of the Shares or the investment quality or marketability of the Shares.

7. CLOSING

7.1 The closing ("**Closing**") of the transactions contemplated under this Agreement will be completed at the offices of the Company's counsel on such date (the "**Closing Date**") as may be agreed by the Company and the Agent in consultation with the Exchange, provided such date will be no later than:

- (a) 90 days after the date of the Final Receipt; and
- (b) unless a further amendment to the Final Prospectus is filed and a receipt is issued for the further amendment, if an amendment is filed and the Commissions have issued a receipt for the amendment in accordance with Multilateral Instrument 11-102 and National Policy 11-202, 90 days after the date of the receipt for the amendment,

subject to a maximum of 180 days from the date of the Final Receipt, and provided, however, that if the Company has not been able to comply with any of the covenants or conditions set out herein required to be complied with by the Closing Date or such other date and time as may be mutually agreed to, the respective obligations of the parties will terminate without further liability or obligation except for obligations of the Company with respect to the payment of Expenses and indemnity and contribution provided for in this Agreement.

7.2 At the Closing, the Agent will deliver or cause to be delivered to the Company, one or more certified cheques, wire transfers or bank drafts made payable on the Closing Date to the Company in a total amount equal to the Net Proceeds of the Offering, subject to any written direction given by the Company to the Agent and accepted by the Agent.

7.3 At the Closing, upon payment of the Net Proceeds to the Company, the Company will deliver or cause to be delivered to the Agent, the following:

- (a) certificates in definitive form (or confirmation of issuance on a non-certificated basis) representing the Shares and the Corporate Finance Shares registered in the name of CDS or in such other name or names as the Agent may notify the Company in writing not less than 48 hours prior to the Time of Closing; and
- (b) the requisite Comfort Letters, Legal Opinions, Officers' Certificates and other Closing Materials provided for in this Agreement.

8. AGENT'S COMMISSION AND FEES

8.1 Upon Closing, the Company will pay the Agent:

- (a) a cash commission (the "**Agent's Fee**") equal to 6.0% of the gross proceeds realized from the Shares sold pursuant to the Offering, subject to a reduced fee equal to 2.0% for Shares sold pursuant to certain purchasers designated by the Company on a president's list; and
- (b) \$15,000, representing the balance of the Corporate Finance Fee plus applicable taxes.

8.2 As further consideration for the Agent assisting the Company in connection with the Offering, the Company will issue to the Agent (or to members of the Selling Group in such amounts as the Agent directs) the Corporate Finance Shares.

8.3 The Agent hereby represents and warrants that (i) it is not a U.S. Person, (ii) it was not offered the Corporate Finance Shares within the United States, and (iii) it did not execute this Agreement or otherwise place its order to acquire the Corporate Finance shares from within the United States.

9. AGENT'S EXPENSES

9.1 The Company will pay all of the expenses of the Offering and all the expenses reasonably incurred by the Agent in connection with the Offering and its services provided under this Agreement, whether or not it is completed, including, without limitation: all expenses of or incidental to the creation, issue, sale or distribution of the Shares and the Corporate Finance Shares and the filing of the Prospectuses; the reasonable fees and disbursements of the Agent's legal counsel; all

costs incurred in connection with the preparation of documentation relating to the Offering and Listing; marketing costs; due diligence costs; travel costs; the reasonable fees and expenses of any experts or third parties engaged by the Agent (following written consent by the Company); expenses incurred in conducting background checks on the existing or proposed directors, officers and promoters of the Company; and long distance telephone courier, photocopying, fax and similar expenses (collectively, the “**Expenses**”). The Company has paid to the Agent a retainer in the amount of \$15,000 in connection with the Agent’s anticipated expenses, including legal expenses.

9.2 The Company will pay the expenses referred to in Section 9.1 even if the Prospectus or this Agreement are not accepted by the Regulatory Authorities or the transactions contemplated by this Agreement are not completed or this Agreement is terminated, unless the failure of acceptance or completion or the termination is the result of a breach of this Agreement by the Agent.

9.3 The Agent may, from time to time, render accounts for its expenses to the Company for payment on or before the dates set out in the accounts.

9.4 The Company authorizes the Agent to deduct its expenses in connection with the Offering from the gross proceeds of the Offering and any advance payments made by the Company.

10. INDEMNITY

10.1 The Company hereby agrees to indemnify and save harmless the Agent and each of its subsidiaries and affiliates, and each of its respective directors, officers, employees and agents (collectively, the “**Indemnified Parties**” and individually, an “**Indemnified Party**”) from and against any and all losses, claims, actions, suits, proceedings, damages, liabilities or expenses of whatsoever nature or kind (excluding loss of profits), including the aggregate amount paid in reasonable settlement of any actions, suits, proceedings, investigations or claims and the reasonable fees, disbursements and taxes of their counsel in connection with any action, suit, proceeding, investigation or claim that may be made or threatened against any Indemnified Party or in enforcing this indemnity (collectively, the “**Claims**”), which an Indemnified Party may incur or become subject to or otherwise involved in (in any capacity) insofar as the Claims relate to, are caused by, result from, arise out of or are based upon, directly or indirectly, the services provided pursuant to this Agreement, whether performed before or after the Company’s execution of the Agreement, and to reimburse each Indemnified Party forthwith, upon demand, for any legal or other expenses reasonably incurred by such Indemnified Party in connection with any Claim.

10.2 The indemnity in Section 10.1 will not be available to any Indemnified Party in relation to any losses, expenses, claims, actions, damages or liabilities incurred by the Indemnified Party if they are determined by a court of competent jurisdiction in a final judgement that has become non-appealable to have resulted primarily from the Indemnified Party’s breach of this Agreement, gross negligence, fraud or wilful misconduct.

10.3 In the event and to the extent that a court of competent jurisdiction in a final judgement that has become non-appealable determines that an Indemnified Party was grossly negligent, fraudulent or guilty of wilful misconduct in connection with a Claim in respect of which the Company has advanced funds to the Indemnified Party pursuant to the indemnity in Section 10.1, such Indemnified Party will reimburse such funds to the Company and thereafter the indemnity in Section 10.1 will not apply to such Indemnified Party in respect of such Claim. The Company agrees to waive any right the Company might have of first requiring the Indemnified Party to proceed against

or enforce any other right, power, remedy or security or claim payment from any other person before claiming under the indemnity in Section 10.1.

10.4 If a Claim is brought against an Indemnified Party or an Indemnified Party has received notice of the commencement of any investigation in respect of which indemnity may be sought against the Company, the Indemnified Party will give the Company prompt written notice of any such Claim of which the Indemnified Party has knowledge and the Company will undertake the investigation and defense thereof on behalf of the Indemnified Party, including the prompt employment of counsel acceptable to the Indemnified Parties affected, and the payment of all expenses. Failure by the Indemnified Party to so notify will not relieve the Company of its obligation of indemnification hereunder unless (and only to the extent that) such failure results in forfeiture by the Company of substantive rights or defenses.

10.5 No admission of liability and no settlement, compromise or termination of any Claim will be made without the Company's consent and the consent of the Indemnified Parties affected, such consents not to be unreasonably withheld; provided, however, that no consent of an Indemnified Party will be required if the Company has acknowledged in writing that the Indemnified Parties are entitled to be indemnified in respect of such Claim and such settlement, compromise or termination includes an unconditional release of each Indemnified Party from any liability arising out of such Claim without any admission of negligence, misconduct, liability or responsibility by or on behalf of any Indemnified Party. Notwithstanding that the Company will undertake the investigation and defense of any Claim, an Indemnified Party will have the right to employ separate counsel with respect to any Claim and participate in the defense thereof, but the fees and expenses of such counsel will be at the expense of the Indemnified Party unless:

- (a) employment of such counsel has been authorized in writing by the Company;
- (b) the Company has not assumed the defense of the action within a reasonable period of time after receiving notice of the claim;
- (c) the named parties to any such claim include both the Company and the Indemnified Party and the Indemnified Party will have been advised by counsel to the Indemnified Party that there may be a conflict of interest between the Company and the Indemnified Party; or
- (d) there are one or more defenses available to the Indemnified Party which are different from or in addition to those available to the Company;

in which case such fees and expenses of such counsel to the Indemnified Party will be for the Company's account, provided that the Company shall not be responsible for the fees or expenses of more than one legal firm in any single jurisdiction for all of the Indemnified Parties. The rights accorded to the Indemnified Parties hereunder will be in addition to any rights an Indemnified Party may have at common law or otherwise.

10.6 If for any reason the foregoing indemnification is unavailable (other than in accordance with the terms hereof) to the Indemnified Parties (or any of them) or is insufficient to hold them harmless, the Company will contribute to the amount paid or payable by the Indemnified Parties as a result of such Claims in such proportion as is appropriate to reflect not only the relative benefits received by the Company or the Company's shareholders on the one hand and the

Indemnified Parties on the other, but also the relative fault of the parties and other equitable considerations which may be relevant. Notwithstanding the foregoing, the Company will in any event contribute to the amount paid or payable by the Indemnified Parties as a result of such Claim any amount in excess of the fees actually received by any Indemnified Parties hereunder.

10.7 The Company hereby constitutes the Agent as trustee for each of the other Indemnified Parties of the Company's covenants under this indemnity with respect to such persons and the Agent agrees to accept such trust and to hold and enforce such covenants on behalf of such persons.

11. RELATIONSHIP BETWEEN THE COMPANY AND THE AGENT

11.1 The Company hereby acknowledges that (i) the purchase and sale of the Shares pursuant to this Agreement is an arm's-length commercial transaction between the Company, on the one hand, and the Agent, on the other, (ii) the Agent is acting as principal and not as an agent or fiduciary of the Company and (iii) the Company's engagement of the Agent in connection with the Offering and the process leading up to the Offering is as an independent contractor and not in any other capacity. Furthermore, the Company agrees that it is solely responsible for making its own judgments in connection with the Offering (irrespective of whether the Agent has advised or is currently advising the Company on related or other matters).

12. AGENT NOT FIDUCIARY

12.1 The Company acknowledges and agrees that all written and oral opinions, advice, analysis and material provided by the Agent in connection with this Agreement is intended solely for the Company's benefit and the Company's internal use only with respect to the Offering. The Company agrees that no such opinions, advice, analysis or material will be used for any other purpose whatsoever or reproduced, disseminated, quoted from or referred to in whole or in part at any time. Any advice or opinions given by the Agent hereunder will be made subject to , and will be based upon, such assumptions, limitations, qualifications and reservations as the Agent may, its sole discretion, deem necessary or prudent in the circumstances.

13. AGENT AS SECURITIES DEALER

13.1 The Company acknowledges that the Agent is a full service securities firm engaged in securities trading and brokerage activities as well as providing investment banking and financial advisory services and that in the ordinary course of its trading and brokerage activities, the Agent and its affiliates at any time may hold long or short positions, and may trade or otherwise effect transactions, for its own account or the accounts of customers, in debt or equity securities of the Company, or any other company that may be involved in a transaction or related derivative securities.

13.2 The Agent acknowledges its responsibility to comply with applicable securities laws as they relate to trading securities with knowledge of a material fact or a material change that has not been generally disclosed. Further, the Agent has strict internal procedures, which provide for the placing of relevant securities on a "grey list" or a "restricted list" and for restrictions on trading by the Agent and its investment banking personnel for their own account in accordance with such procedures.

14. TERMINATION OF AGREEMENT

14.1 In addition to any other remedies which may be available to the Agent, this Agreement and any subscriptions for Shares received by the Agent may be terminated by the Agent at any time up to Closing in the event that:

- (a) the Agent is not satisfied, in its sole discretion, acting reasonably, with its due diligence review and investigations;
- (b) the Company is in breach of, default under or non-compliance with any material term, condition or covenant of this Agreement or any material representation or warranty given by the Company in this Agreement becomes false;
- (c) the state of financial markets, whether national or international, is such that in the opinion of the Agent, it would be impractical or unprofitable to offer or continue to offer the Shares for sale;
- (d) the Agent or the Agent's counsel, identify any undisclosed adverse information regarding the Company as a result of their due diligence proceedings or otherwise that could reasonably be expected to have a material adverse effect on the Company or an adverse effect on the Offering;
- (e) there is an inquiry or investigation (whether formal or informal) by any securities regulatory authority, including, without limitation, the Exchange, in relation to the Company or any one of its officers or directors that could be reasonably expected to have a material adverse effect on the Company;
- (f) there should develop, occur, or come into effect or existence any event, action, condition or major financial occurrence of national or international consequence or any law or regulation which, in the opinion of the Agent, seriously adversely affects, or involves, or will seriously affect, or involve, the financial markets or the business, operations or affairs of the Company as a whole;
- (g) any condition shall remain outstanding and uncompleted at any time after the time which it is required to be completed or waived;
- (h) an adverse Material Change in the affairs of the Company occurs or is announced by the Company;
- (i) any order to cease or suspend trading in the securities of the Company, including an order which would prohibit the trade or distribution of any of the securities referred to herein, or an order to cease or suspend trading by a director, officer or promoter of the Company, or any one of them, is issued by any competent regulatory authority and remains in effect for greater than 15 days; or
- (j) the Agent and the Company agree in writing to terminate this Agreement.

14.2 The right of the Agent to terminate this Agreement is in addition to such other remedies any of the Purchasers may have in respect of any default, misrepresentation, act or failure to act of the Company in respect of any of the transactions contemplated by this Agreement.

14.3 Termination of this Agreement pursuant to this Section 14 shall be effected by notice in writing to the Company at any time prior to the release of the Net Proceeds from escrow to the Company. Upon such notice being delivered, the Net Proceeds will be returned to the Agent by the Company (if they have been delivered to the Company or to its solicitors or to any party on its behalf) without set-off or deduction. In the event that the Agent terminates this Agreement after having been paid the Agent's Fee by the Company, it will repay the Agent's Fee (but not the Expenses or that part of the Corporate Finance Fee delivered to the Agent prior to the date hereof) to the Company forthwith.

15. PUBLIC DISCLOSURE

15.1 Neither the Company nor the Agent shall make any public announcement in connection with the Offering, except if the other party has consented to such announcement or the announcement is required by Applicable Securities Laws.

15.2 In the event a public announcement must be made by either party in connection with the Offering, such party agrees to provide the other party with a reasonable opportunity to review a draft of the proposed announcement and to provide comments thereon.
