

Certificate of Qualified Person

I am the author of the report entitled "Updated Mineral Resource, Burnakura Project, Western Australia, Australia NI 43-101 Technical Report " (the "Report"), effective date 17 July 2018, and I hereby state:-

1. My name is David Slater and I am a Principal Resource Geologist at the firm of SRK Consulting(Australasia) Pty Ltd of Level 1, 10 Richardson St., West Perth WA 6005 Australia.
2. I am a practicing geologist registered with the Australian Institute of Geoscientists. Membership Number 4625.and the Australasian Institute of Mining and Metallurgy, Membership Number 201414
3. I graduated with a BAppSci Degree in Geology in 1987 from the RMIT University in Melbourne Australia.
4. I have practiced my profession for a total of 29 years since 1988. I have experience in exploration geology, mining geology and geostatistical modelling and estimation of mineral resources.
5. I am a "qualified person" as that term is defined in National Instrument 43-101 (Standards of Disclosure for Mineral Projects) (the "Instrument").
6. I have personally visited the Burnakura Project between 7th March 2018 and 9th March 2018.
7. I have not previously been engaged with respect to the Burnakura Project by Monument Mining Limited or any other company in any capacity.
8. I am responsible or jointly responsible for preparing or supervising the preparation of sections 1 to 27 of the Report.
9. I am not aware of any material fact or material change with respect to the subject matter of the Report which is not reflected in the Report, the omission of which would make the Report misleading.
10. I am independent of the Burnakura Project and the Issuer (Monument Mining Limited) pursuant to section 1.5 of the Instrument.
11. I have read the National Instrument and Form 43-101F1 (the "Form") and the parts of the Study for which I am responsible have been prepared in compliance with the Instrument and the Form.
12. I do not have nor do I expect to receive a direct or indirect interest in the Burnakura Project of Monument Mining Limited, and I do not beneficially own, directly or indirectly, any securities of Monument Mining Limited or any associate or affiliate of such company.
13. At the effective date of the Report, to the best of my knowledge, information and belief, the Report contains all scientific and technical information that is required to be disclosed to make the Report not misleading.

Dated at Perth, Western Australia, on 18 July 2018.

DAVID SLATER
