

Change of Auditor Notice

In early January 2019, Gram LLP ("**Gram**") informed Jourdan Resources Inc. (the "**Corporation**") that it wished to resign on its own initiative as the Corporation's auditor, effective January 8, 2019. Following consideration of Gram's resignation by the Board of Directors of the Corporation (the "**Board**"), and on the recommendation of the Audit Committee of the Corporation, the Board approved a proposal to engage the accounting firm of UHY McGovern Hurley LLP, Chartered Accountants, ("**UHY McGovern**") as auditors for the Corporation for 2018. The Corporation will ask that the shareholders of the Corporation ratify the appointment of UHY McGovern at the next annual meeting of the shareholders of the Corporation.

Gram did not have any reservation in its auditor's reports for the financial statements of the Corporation for the two fiscal years ended December 31, 2016 and December 31, 2017, or for any period subsequent thereto for which an audit report was issued preceding Gram's resignation.

The Corporation has requested Gram and UHY McGovern to each furnish a letter addressed to the securities regulator or regulatory authority in each province in which the Corporation is a reporting issuer (the "**Regulators**") stating whether or not they agree with the information contained in this notice. In addition to this notice, a copy of each such letter will be filed with the Regulators.

It is the Corporation's opinion that there have been no "reportable events" as defined in National Instrument 51-102 – *Continuous Disclosure Obligations* within the two fiscal years ended December 31, 2016 and December 31, 2017, or for any period subsequent thereto for which an audit report was issued.

DATED the 8th day of January, 2019.
