

## Procon Announces Filing of Early Warning Report

**Vancouver, Canada – November 29, 2021** – Procon Holdings Inc. (“**Procon**”), as successor to Procon Resources Inc., announces that as a result of the issuance of 3,571,399 common shares by Fortune Minerals Limited (the “**Company**”) pursuant to a private placement completed earlier this month, it now holds less than 10% of the total issued and outstanding shares of the Company.

Immediately prior to the completion of the private placement, the shares of the Company held by Procon represented approximately **10.056%** of the total issued and outstanding shares of the Company. Immediately after the private placement, the shares of the Company held by Procon represented approximately **9.988%** of the total issued and outstanding shares of the Company, a decrease of **0.067%**.

This press release is issued pursuant to National Instrument 62-103 - “*The Early Warning System and Related Take-Over Bid and Insider Reporting Issues*”, which also requires that an early warning report be filed under the Company’s profile on SEDAR ([www.sedar.com](http://www.sedar.com)) containing additional information respecting the foregoing matters.

The Company’s head office is located at 617 Wellington Street, London, Ontario N6A 3R6. For inquiries or a copy of the early warning report required under Canadian securities legislation with respect to the matters referred to in this press release, please contact:
