 - (ix) the corporate power, capacity and authority of each of the Corporation and the Manager to carry on their respective businesses and to enter into and carry out their respective obligations under this Agreement and each of the Contracts to which they are a party;

- (x) the due authorization (including authorization of appointment of the Agents), execution and delivery by the Corporation and the Manager and the binding effect and enforceability (subject to bankruptcy laws and the availability of equitable remedies and other normal opinion qualifications and, in particular, as to the enforceability of the indemnity and contribution provisions hereof) of this Agreement against the Corporation or the Manager, as the case may be;
- (xi) the Prospectus Supplement, in both the French and English languages, and the filing of the Prospectus Supplement, in both the French and English languages, with the Securities Commissions have been duly approved and authorized by all necessary action on the part of the Corporation and the Manager;
- (xii) that the execution, delivery and performance of obligations under this Agreement and each of the Contracts to which either of the Corporation or the Manager is a party will not result in a breach of the constating documents of the Corporation or the Manager, any Contract or any law of the Province of Ontario or the federal laws of Canada applicable therein, as the case may be, and, to the best of the knowledge of such counsel without independent inquiry, will not result in a breach of any material agreement to which either of the Corporation or the Manager is a party or to which any of their respective assets or properties may be subject or require the consent of any third party or regulatory authority (except for those disclosed herein);
- (xiii) as to the listing of the Shares offered pursuant to the Offering on the TSX;
- (xiv) as to the qualification under Canadian Securities Laws of the Shares for distribution in each of the Qualifying Provinces;
- (xv) that to the best of their knowledge, but without independent inquiry, there is no action or other litigation pending or threatened against the Corporation or the Manager which is material to the Offering;
- (xvi) the acceptability of opinions delivered by local counsel as to form and scope and that the Agents are justified in relying thereon;
- (xvii) that the statements as to matters of the laws of Canada set out in the Prospectus Supplement under the headings “Eligibility for Investment” and “Canadian Federal Income Tax Considerations” are a summary of such matters, subject to the limitations and qualifications stated or referred to in the Prospectus Supplement;
- (xviii) that no consents, approvals, authorizations or orders under the laws of any of the provinces of Canada or the federal laws of Canada or of any court or governmental agency or body or any stock exchange of such jurisdictions (except those that will have been obtained) are required for the issue and sale of the Shares as contemplated hereby or in the Prospectus;
- (xix) as to the appointment of the Registrar and Transfer Agent; and

- (xx) compliance with the laws of Québec relating to the use of the official language in connection with the distribution of the Shares;
- (b) the Agents shall have received at the Closing in respect of the Preferred Shares and the Class A Shares a favourable legal opinion dated as of the Closing Time from counsel to the Agents, McCarthy Tétrault LLP, with respect to such matters set out in paragraph (a) above as are requested by the Agents;

it being understood that respective counsel may rely, to the extent appropriate in the circumstances:

- (i) as to matters of fact not independently established, on certificates of the Auditor and on certificates of authorized representatives or officers of the Corporation and the Manager;
 - (ii) on the opinions of local counsel acceptable to counsel, acting reasonably (signed copies of which shall be addressed to and delivered to the Agents and counsel) with respect to the French translation of the Prospectus and those matters governed by laws other than those of the Province of Ontario or the federal laws of Canada (to the extent that they are so governed); and
 - (iii) in the case of counsel to the Agents, on the opinion of Blake, Cassels & Graydon LLP as to certain matters (excluding the matters set forth in Sections 11.1(a)(vi), 11.1(a)(xiv) and 11.1(a)(xvii), and that such opinions may be subject to such assumptions, qualifications and limitations as may be reasonable under the circumstances;
- (c) the Agents shall have received at the Closing in respect of the Shares, if any Supplementary Material has been filed since the previous Closing Date, a letter dated as of the Closing Date from the Auditor in form and substance satisfactory to the Agents, acting reasonably, verifying the accuracy of financial and accounting data contained in the Prospectus and which shall conform in all material respects, as of the relevant Closing Date, to the conclusions and findings of such firm with respect to the financial information and other matters covered by any letters of the Auditor delivered pursuant to Section 4.1(b) hereof;
 - (d) the Agents shall have received a certificate dated the Closing Date signed by appropriate officers of each of the Corporation and the Manager with respect to the articles and by-laws of each of the Corporation and the Manager, respectively;
 - (e) the Agents shall have received certified copies dated the Closing Date of all resolutions of the boards of directors and shareholders of each of the Corporation and the Manager relating to this Agreement, the Prospectus, and to the issue and sale by the Corporation of the Shares and the execution and delivery of each of the Contracts to which the Corporation or the Manager is a party;
 - (f) the Agents shall have received incumbency certificates dated the Closing Date including specimen signatures of signing officers of the Corporation and the Manager and

certificates with respect to such other matters as the Agents and their counsel may reasonably request and which are customary in transactions of this nature;

- (g) the Shares offered pursuant to the Offering shall have been accepted for listing and will be posted for trading on the TSX at the Closing Time;
- (h) the Agents shall have received confirmation in a form acceptable to the Agents that the Preferred Shares have received and have at the Closing Date the rating described in the Prospectus and are not on ratings alert or other downgrade warnings;
- (i) the Agents shall have received at the Closing a certificate of each of the Corporation and the Manager dated the Closing Date and signed by the Chief Executive Officer of the Corporation and the Manager, respectively, certifying for and on behalf of the Corporation and the Manager, respectively, and without personal liability, that:
 - (i) the Corporation or the Manager, as the case may be, has duly complied with its respective covenants and satisfied all conditions herein on its part to be performed or satisfied at or prior to the Closing Time;
 - (ii) the representations and warranties of the Corporation or the Manager, as the case may be, contained in this Agreement are true and correct as of the Closing Time with the same force and effect as if made at and as of the Closing Time after giving effect to the transactions contemplated hereby;
 - (iii) in the case of the certificate delivered by the Corporation at the Closing in respect of the Shares, since the date of the Prospectus Supplement the Corporation has not carried on any activities other than as disclosed in the Prospectus and, immediately prior to the Closing Time on the Closing Date, had not entered into any material agreement other than as disclosed in the Prospectus or any Supplementary Material;
 - (iv) in the case of the certificates delivered by the Manager, except as disclosed in the Prospectus or Supplementary Material or previously disclosed in writing to the Agents, since the date of the Prospectus Supplement:
 - (A) there has been no material adverse change (actual, anticipated or threatened), financial or otherwise, in the condition of the Manager and there has been no such material adverse change in any material assets, liabilities (contingent or otherwise), business or operations of the Manager; and
 - (B) no transaction out of the ordinary course of business and of a material nature adverse to the Manager has been entered into by the Manager; and
- (j) the Agents shall have received such other certificates, statutory declarations, opinions, agreements or materials in form and substance satisfactory to the Agents, acting reasonably, as the Agents may reasonably request.

12. Termination

12.1 If prior to the Closing Time:

- (a) any order to cease or suspend trading in the Preferred Shares or Class A Shares of the Corporation outstanding on the date hereof is made by the TSX, or is made pursuant to any Canadian Securities Laws or is made by any other regulatory authority, which has not been rescinded, revoked or withdrawn;
- (b) any order or ruling is issued, any enquiry, action, suit, investigation or other proceeding (whether formal or informal) is instituted or threatened in any forum against the Corporation or the Manager or any of their respective officers or any inquiry or investigation (whether formal or informal) in relation to the Corporation or the Manager or any of their respective officers is commenced or threatened by any of the Securities Commissions or by any other governmental or regulatory authority which, in the opinion of the Agents, acting reasonably, might prevent or materially adversely affect the distribution or distribution to the public of the Shares in any of the Qualifying Provinces or prevent or restrict trading in the Shares or might reasonably be expected to have a significant adverse effect on the market price or value of the Shares;
- (c) there should develop or be discovered any change such as is contemplated in Section 8.1 in respect of the Corporation or there should transpire any state of affairs or occurrence, which, in the opinion of the Agents, acting reasonably, may materially adversely affect the Corporation or the activities proposed to be carried on by it or the market price or value of the Shares;
- (d) there has been a material breach or non-performance of any of the covenants of the Corporation or the Manager herein that has not been rectified or remedied to the satisfaction of the Agents;
- (e) there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international consequence (including any natural catastrophe, act of war, terrorism or similar event and including, for greater certainty, any material adverse development related to the COVID-19 pandemic after the date hereof) or any law or regulation which, in the sole opinion of the Agents, might reasonably be expected to have a significant adverse effect, or involves, or will seriously adversely affect, or involve, the financial markets or the business, operations or affairs of the Corporation or the market price or value of the Shares;
- (f) the state of the financial markets is such that, in the reasonable opinion of the Agents, the Shares cannot be profitably marketed; or
- (g) if prior to Closing Time, there is announced any change or proposed change in the income tax laws of Canada or the interpretation or administration thereof, and such change would, in the reasonable opinion of any Agents, acting in good faith and after consultation with the Manager, be expected to have a significant adverse effect on the market price, value or marketability of the Shares,

then, in any one or more of the foregoing cases, any or all of the Agents shall be entitled, at its or their sole option, to terminate all of its or their obligations under this Agreement, and the obligations of any purchaser from whom the Agent has solicited an order to purchase Shares, by notice to that effect delivered to the Corporation and the Manager prior to the Closing Time.

12.2 Any breach of, or failure by the Corporation or the Manager to comply with, any material term or condition of this Agreement shall entitle each of the Agents to terminate all of its obligations hereunder, and the obligations of any purchaser from whom the Agent has solicited an order to purchase Shares, by notice to that effect given to the Corporation and the Manager prior to the Closing Time.

12.3 The rights of the Agents to terminate their obligations hereunder are in addition to any other remedies they may have in respect of any default, act or failure to act of the Corporation or the Manager in respect of any of the matters contemplated hereby. In the event of any termination, there shall be no further liability on the part of the Corporation and the Manager to the terminating Agents or persons from whom it has solicited orders except in respect of any liability which may have arisen or may thereafter arise under Sections 13.1 or 14.1 through 14.6. Each of the Agents may waive, in whole or in part, or extend the time for compliance with, any terms and conditions without prejudice to its rights in respect of any other terms and conditions or any other or subsequent breach or non-compliance provided, however, that any waiver or extension must be in writing and signed by the Agents in order to be binding upon it.

13. Expenses of Offering and Agents' Expenses

13.1 Whether or not the Offering is completed and, provided that failure to complete the transactions contemplated by this Agreement in accordance with the terms hereof is not by reason of the default of an Agent or Agents, the Corporation agrees, except as otherwise agreed with the Agents, to pay all reasonable expenses relating to this transaction including, without limitation, the Agents' out of pocket expenses relating to this transaction, the cost of advertising relating to the Offering and the cost of forming and managing any selling group and distributing to the public the Offering except that, the Manager shall be solely responsible for any expenses relating to this transaction in excess of 1.5% of the gross proceeds of the Offering. Whether or not the transactions contemplated by this Agreement are completed and, for whatever reason, the Corporation agrees, except as otherwise agreed with the Agents, to pay the reasonable and documented fees and expenses of Agents' counsel together with all other costs and expenses of or incidental to the creation, offering, issue, sale and delivery of the Shares comprising the Offering, the cost of printing the Prospectus and any Supplementary Material, the cost of preparing and presenting audiovisual sales material, the cost of qualifying the Shares for sale to the public in the respective Qualifying Provinces, the fees and expenses payable in respect of the listing of the Shares on the TSX and the fees and expenses of the Auditor, counsel to the Corporation and all local counsel of the Corporation and the Manager, including all legal and accounting fees and expenses relating to preparing the Prospectus for the Offering. Notwithstanding the foregoing, neither the Corporation nor the Manager will be liable to pay any expenses incurred by the Agents and their selling group in enforcing or collecting payment from purchasers of the purchase price of such purchasers' Shares.

14. Indemnification and Contribution

- 14.1 (a) The Corporation and the Manager severally (and not jointly) agree to indemnify and save harmless each of the Agents, and each of their respective directors, officers, agents (including any member of the selling group), or employees (collectively, the “**Indemnified Parties**”) against all losses (other than loss of profits or other consequential damages in connection with the distribution of the Shares), costs, damages, liabilities and expenses which they may suffer or incur or be subject to and which are caused by or arise directly or indirectly by reason of or arise out of:
- (i) any statement or information (except any information or a statement provided by or relating solely to the Agents) contained in the Prospectus or Supplementary Material or any certificate of the Corporation or the Manager filed in accordance with Canadian Securities Laws or delivered to the Agents hereunder being or being alleged to be a misrepresentation or being or being alleged to be untrue, false or misleading by reason of the omission or alleged omission to state therein any material fact or by reason of the omission or alleged omission to state therein any other fact or information (except facts relating solely to the Agents) required to be stated therein or necessary to make the statements or information therein not false or misleading in light of the circumstances under which they were made;
 - (ii) any order made, or inquiry, investigation or proceeding commenced or threatened by any court, Securities Commission, stock exchange or other competent authority based upon any untrue statement or omission or alleged untrue statement or omission or any misrepresentation or alleged misrepresentation in the Prospectus or the Supplementary Material, other than an untrue statement or omission or misrepresentation relating solely to the Agents, or any change of law or the interpretation or administration thereof, which prevents or restricts the trading in the Shares or the distribution or distribution to the public, as the case may be, of any of the Shares in any of the Qualifying Provinces;
 - (iii) the non-compliance by the Corporation or the Manager with any requirement of Canadian Securities Laws or any breach or violation or alleged breach or violation of any Canadian Securities Laws or other applicable securities legislation of any jurisdiction;
 - (iv) the breach by the Corporation or the Manager of any representation, warranty or covenant set forth in this Agreement or in any certificate given pursuant hereto or the failure by the Corporation or the Manager to comply with any of its obligations hereunder or thereunder; or
 - (v) a tax assessment (other than an income tax assessment) of the Agents for the provision of services by the Agents pursuant to this Agreement, whether performed before or after the Indemnified Parties’ execution of this Agreement.

- (b) In addition to the indemnity provided for in paragraph (a), the Manager hereby indemnifies and save harmless each Indemnified Party against all losses (other than loss of profits), costs, damages, liabilities and expenses which the Indemnified Party may suffer or incur or be subject to and which are caused by or arise directly or indirectly by reason of or arise out of:
 - (i) the non-compliance by the Manager with any requirement of Canadian Securities Laws or other securities legislation of any jurisdiction in connection with the transactions herein contemplated; or
 - (ii) the breach by the Manager of any representation or warranty set forth in this Agreement or certificate given pursuant hereto or the failure by the Manager to comply with any of its obligations hereunder.
- (c) The Corporation and the Manager expressly acknowledge and agree that, with respect to Sections 14.1 through 14.5, each Agent is contracting as agent and trustee for its directors, officers, agents and employees and that the Agents may enforce the rights of indemnity and contribution granted herein for and on behalf of any such person, partnership or company as if it were a party hereto.

14.2 If any matter or thing contemplated by Section 14.1 shall be asserted against any Indemnified Party in respect of which indemnification is or might reasonably be considered to be provided hereunder by the Corporation and/or the Manager (the “**Indemnifying Parties**”), such Indemnified Party shall notify the applicable Indemnifying Parties as soon as possible of the nature of such claim or other proceeding (provided that any accidental failure to provide any such notice shall not prejudice the rights of any Indemnified Party hereunder except to the extent such failure prejudices the defence of any such claim or other proceeding) and the applicable Indemnifying Parties shall be entitled (but not required) to participate in or to assume the defence of any suit or the conduct of any proceeding brought to enforce such claim or proceeding, in which case the Indemnified Party shall cooperate and shall be entitled to participate with the applicable Indemnifying Parties in maintaining such defence; provided, however, that any defence so assumed shall be conducted through legal counsel acceptable to the Indemnified Party, acting reasonably, and that no settlement or admission of liability may be made by the applicable Indemnifying Parties or the Indemnified Party without the prior written consent of the other or others. If the applicable Indemnifying Parties do not elect to participate in or assume the defence of such claim, the reasonable fees, costs and expenses of the Indemnified Party’s counsel shall be paid by the applicable Indemnifying Parties. If the applicable Indemnifying Parties do elect to participate in or assume the defence of such claim, the Indemnified Party shall have the right to retain other counsel to act on his or its behalf; provided that the fees and disbursements of such other counsel shall be paid by the Indemnified Party unless: (a) the applicable Indemnifying Parties on the one hand, and the Indemnified Party on the other, shall have mutually agreed to the retention of the other counsel at the cost and expense of either of them; or (b) the named parties to any such claim (including any added, third or impleaded parties) include any of the applicable Indemnifying Parties and the Indemnified Party and the representation of the Indemnified Party by the same counsel that represents the applicable Indemnifying Parties in that regard would, in the reasonable opinion of the Indemnified Party, be inappropriate due to the differing acts of, or potential differing interests between, them or due to potential differing legal defences, in which case such fees and disbursements shall be paid by the applicable Indemnifying Parties.

14.3 If the indemnities provided for in Section 14.1 are under applicable law unavailable to an Indemnified Party or unenforceable, or enforceable otherwise than in accordance with their terms, then the applicable Indemnifying Parties, in lieu of indemnifying the Indemnified Party, shall contribute to the amount paid or payable by the Indemnified Party in respect of any claims, losses, costs, damages, demands or liabilities which otherwise would be indemnified against pursuant to Section 14.1:

- (a) in such proportion as is appropriate to reflect the relative benefits received by the Corporation on the one hand and the Agents on the other hand from the Offering of the Shares; or
- (b) if the allocation provided by paragraph (a) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in paragraph (a) above but also the relative fault of the Corporation on the one hand and the Agents on the other hand in connection with the matters or things referred to which resulted in such claims, losses, costs, damages, demands or liabilities, as well as any other relevant equitable considerations,

provided that the Agents shall not in any event be liable to contribute, in the aggregate, any amount in excess of the amount of such Agents' Fee actually received by it for its own account. The rights of contribution provided in this Section 14.3 and Section 14.4 are in addition to and not in derogation of any other right under statute or otherwise at law. Each of the applicable Indemnifying Parties hereby waives any right it might otherwise have to recover contribution from the Agents with respect to any liability of the applicable Indemnifying Parties under the indemnities in Section 14.1 or otherwise arising by reason of or arising out of any misrepresentation contained in the Prospectus or in any Supplementary Material; provided, however, that (i) such waiver shall not apply in respect of liability caused or incurred by reason of or arising out of any misrepresentation which is based upon or results from information relating solely to the Agents and supplied by them contained in any such document; and (ii) no person who has been determined by a court of competent jurisdiction in a final judgement from which no appeal can be made or by a Securities Commission a final ruling from which no appeal can be made to have engaged in any fraud, fraudulent misrepresentation, wilful misconduct or gross negligence shall be entitled to contribution from any person who has not been so determined to have engaged in such fraud, fraudulent misrepresentation, wilful misconduct or gross negligence.

14.4 The relative benefits received by the Indemnifying Party on the one hand and the Indemnified Party on the other shall be deemed to be in the same ratio as the total proceeds from the Offering of the Shares, if any, (net of the Agents' Fee payable to the Agents but before deducting expenses). The relative fault of the Indemnifying Party on the one hand and of the Indemnified Party on the other shall be determined by reference to, among other things, whether the matters or things referred to in Section 14.1 which resulted in such claims relate to information supplied by or steps or actions taken or done or not taken or done by or on behalf of the Indemnifying Party or to information supplied by or steps or actions taken or done or not taken or done by or on behalf of the Indemnified Party and the relative intent, knowledge, access to information and opportunity to correct or prevent such statement, omission or misrepresentation, or other matter or thing referred to in Section 14.1. The amount paid or payable by an Indemnified Party as a result of the claims referred to above shall be deemed to include any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating or defending any such claims, whether or not resulting in an action, suit, proceeding or claim. The parties agree that it would not be just and equitable if contribution pursuant to this Section 14.4 were

determined by any method of allocation which does not take into account the equitable considerations referred to in this Section 14.4.

14.5 It is expressly acknowledged and agreed that the indemnity and contribution provisions contained in Sections 14.1, 14.2, 14.3 and 14.4 shall remain operative and in full force and effect regardless of: (a) any investigation made by or on behalf of any Agents or by or on behalf of the Corporation or the Manager (and failure to make such investigation will not constitute “gross negligence” for purposes of this Section 14); (b) a Closing; or (c) any termination of this Agreement.

14.6 The rights of indemnity and contribution contained in Sections 14.1, 14.2 14.3 and 14.4 in respect of a particular claim based on misrepresentation or omission or alleged misrepresentation or omission in the Prospectus or any Supplementary Material shall not apply if the Corporation or the Manager has complied with Sections 5.1, 5.2, 6.1, 8.1 and 8.2 and the person asserting such claim was not provided with a copy of the Prospectus or Supplementary Material which corrected such misrepresentation or omission by an Agent or other selling group member within five Business Days after commercial copies of the Prospectus or Supplementary Material were provided to the Agents or other selling group members in accordance with Section 5.2.

15. Stabilization

15.1 In connection with the distribution of the Shares, the Agents may over-allot or effect transactions which stabilize or maintain the market price of the Shares at levels other than those which might otherwise prevail in the open market, but in each case only as permitted by applicable law. Such stabilizing transactions, if any, may be discontinued at any time.

17. General Provisions

17.1 Time shall be of the essence hereof.

17.2 This Agreement shall be governed by and construed, performed and interpreted in accordance with, the laws of the Province of Ontario and the laws of Canada applicable therein.

17.3 The representations, warranties, obligations, covenants, agreements and indemnities herein contained or contained in any certificate delivered pursuant to this Agreement shall survive the sale of the Shares and shall continue in full force and effect unaffected by the termination of the obligations of the Agents hereunder, nor shall they be limited or prejudiced by any investigation made by or on behalf of any Agents in the course of preparation of the Prospectus or any Supplementary Material or the sale of the Shares.

17.4 If any provision of this Agreement is determined to be void or unenforceable in whole or in part, such void or unenforceable provision shall not affect or impair the validity of any other provision of this Agreement and shall be severable from this Agreement.

17.5 This Agreement may not be assigned by any of the parties hereto without the prior written consent of the other parties hereto. This Agreement shall enure to the benefit of and be binding upon the parties hereto and their respective successors and permitted assigns.

17.6 This Agreement may be executed in several counterparts each of which when so executed shall be deemed to be an original, and such counterparts shall constitute one and the same instrument; and notwithstanding the date of execution, this Agreement shall be deemed to bear the date first shown on this Agreement. Delivery of an executed signature page to this Agreement by any party by electronic transmission will be as effective as delivery of a manually executed copy of this Agreement by such party.

17.7 The Corporation and the Manager shall be entitled to make any delivery or give any disclosure or notice that is to be given to the Agents hereunder to NB Financial on behalf of all the Agents and shall be entitled to act on any notice, waiver, extension, receipt or other communication given by or on behalf of the Agents by NB Financial, who shall have authority to bind the Agents in respect of all matters hereunder, except matters referred to in Sections 12 and 14 or any proposed amendment of any provision of this Agreement or the waiver of any significant closing conditions. To the extent practicable, NB Financial agrees to use commercially reasonable efforts to consult with the other Agents concerning any material matters which may arise hereunder before it binds the Agents with respect to any such matters.

17.8 Neither the Corporation, the Manager nor the Agents shall make any public announcement concerning the obligations of the Agents or the Offering without the consent of the other parties, acting reasonably, and any public announcements shall be made in compliance with applicable Securities Laws. If the Offering is successfully completed, and provided the Agents are not in breach of any material provision hereof, the Agents shall be entitled to place advertisements in financial and other newspapers and journals at their own expense describing their services hereunder, subject to the prior approval of the Corporation, which will not be unreasonably withheld.

17.9 The Corporation acknowledges that the Agents and their affiliates carry on a range of businesses, including providing institutional and retail brokerage, investment advisory, research, investment management, securities lending and custodial services to clients and trading in financial products as agent or principal. It is possible that the Agents and other entities in their respective groups that carry on those businesses may hold long or short positions in securities of companies or other entities, which are or may be involved in the transactions contemplated in this Agreement and effect transactions in those securities for their own account or for the account of their respective clients. The Corporation agrees that these divisions and entities may hold such positions and effect such transactions without regard to the Corporation's interest under this Agreement.

17.10 The parties hereto shall provide all such reasonable assurances as may be required or desirable to consummate the transactions contemplated hereby and each party shall provide such further documents or instruments required by any other party as may be reasonably necessary or desirable to effect the purpose of this Agreement and to carry out its provisions.

17.11 Each of NB Financial and CIBC World Markets Inc., or an affiliate thereof, may own or control an equity interest in TMX Group and may have a nominee director serving on the TMX Group's board of directors. As such, each such investment dealer may be considered to have an economic interest in the listing of securities on any exchange owned or operated by TMX Group, including the TSX, the TSX Venture Exchange and the Alpha Exchange. No person or company is required to obtain products or services from TMX Group or its affiliates as a condition of any such dealer supplying or continuing to supply a product or service.

17.12 This Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter hereof.

17.13 In order to facilitate an efficient and timely closing at the Closing Time, the Agents may choose to initiate a wire transfer of funds to the Corporation prior to the Closing Time. If the Agents do so, the Corporation agrees that such transfer of funds to the Corporation prior to the Closing Time does not

constitute a waiver by the Agents of any of the conditions of the Closing set out in this Agreement. Furthermore, the Corporation agrees that any such funds received from the Agents prior to the Closing Time will be held by the Corporation in trust solely for the benefit of the Agents until the Closing Time and, if the Closing does not occur at the scheduled Closing Time, such funds shall be immediately returned by wire transfer to NB Financial, on behalf of the Agents, without interest. Upon the satisfaction of the conditions of the Closing, the funds held by the Corporation in trust for the Agents shall be deemed to be delivered by the Agents to the Corporation in satisfaction of the obligation of the Agents hereunder and upon such delivery, the trust constituted by this Section 17.13 shall be terminated without further formality.
