

This news release is issued by George Patton pursuant to the early warning requirements of Canada's National Instrument 62-104 and National Instrument 62-103 with respect to class A common shares ("common shares") of PJX Resources Inc.

On October 5, 2020, pursuant to a non-brokered private placement, Mr. Patton acquired direct ownership of 800,000 units of PJX Resources Inc. (the "Issuer") at a price of \$0.125 per unit, for a total price of \$100,000 paid in cash. Each unit consists of 1 common share and 1 share purchase warrant entitling the Offeror to purchase 1 common share at a price of \$0.20 for a period of 2 years.

As a result of the acquisition described above, the Offeror now owns or directs a total of 19,861,274 common shares, representing approximately 16.89% of the 117,574,694 post financing issued and outstanding shares of the Issuer.

The Offeror owns or directs a total of 800,000 share purchase warrants. If all of these warrants were exercised, the Offeror would own or direct a total of 20,661,274 common shares, representing approximately 16.28% (calculated on a fully diluted basis) of the 126,925,094 then issued and outstanding common shares of the Issuer.
