Subject to the limitation in respect of the Initial Debentures set out in Section 2.6(a), the aggregate principal amount of Debentures authorized to be issued under this Indenture is unlimited, but Debentures may be issued only upon and subject to the conditions and limitations herein set forth.

2.2 Terms of Debentures of any Series

The Debentures may be issued in one or more series. There shall be established herein or in or pursuant to one or more indentures supplemental hereto, prior to the initial issuance of Debentures of any particular series:

- (a) the designation of the Debentures of the series (which need not include the term “**Debentures**”), which shall distinguish the Debentures of the series from the Debentures of all other series;
- (b) any limit upon the aggregate principal amount of the Debentures of the series that may be certified and delivered under this Indenture (except for Debentures certified and delivered upon registration of, transfer of, amendment of, or in exchange for, or in lieu of, other Debentures of the series pursuant to Sections 2.11, 3.2, 3.3 and 3.6 and Article 4 and Article 6);
- (c) the date or dates on which the principal of the Debentures of the series is payable;
- (d) the rate or rates at which the Debentures of the series shall bear interest, if any, the date or dates from which such interest shall accrue, on which such interest shall be payable and on which a record date, if any, shall be taken for the determination of holders to whom such interest shall be payable and/or the method or methods by which such rate or rates or date or dates shall be determined;
- (e) the place or places where the principal of and any interest on Debentures of the series shall be payable or where any Debentures of the series may be surrendered for registration of transfer or exchange;
- (f) the right, if any, of the Corporation to redeem Debentures of the series, in whole or in part, at its option and the period or periods within which, the price or prices at which and any terms and conditions upon which, Debentures of the series may be so redeemed;

- (m) if applicable, that the Debentures of the series shall be issuable in whole or in part as one or more Global Debentures and, in such case, the Depository or Depositories for such Global Debentures in whose name the Global Debentures will be registered, and any circumstances other than or in addition to those set forth in Section 3.2 or those applicable with respect to any specific series of Debentures, as the case may be, in which any such Global Debenture may be exchanged for Definitive Debentures, or transferred to and registered in the name of a Person other than the Depository for such Global Debentures or a nominee thereof;
- (n) if other than Canadian currency, the currency in which the Debentures of the series are issuable; and
- (o) any other terms of the Debentures of the series (which terms shall not be inconsistent with the provisions of this Indenture).

All Debentures of any one series shall be substantially identical, except as may otherwise be established herein or by or pursuant to a resolution of the Board of Directors, Officers' Certificate or in an indenture supplemental hereto. All Debentures of any one series need not be issued at the same time and may be issued from time to time, including pursuant to a Periodic Offering, consistent with the terms of this Indenture, if so provided herein, by or pursuant to such resolution of the Board of Directors, Officers' Certificate or in an indenture supplemental hereto.

2.3 Form of Debentures

- (a) Except in respect of the Initial Debentures, the form of which is provided for herein, the Debentures of each series shall be substantially in such form or forms (not inconsistent with this Indenture) as shall be established herein or by or pursuant to one or more resolutions of the Board of Directors (or to the extent established pursuant to, rather than set forth in, a resolution of the Board of Directors, in an Officers' Certificate detailing such establishment) or in one or more indentures supplemental hereto, in each case with such appropriate insertions, omissions, substitutions and other variations as are required or permitted by this Indenture, and may have imprinted or otherwise reproduced thereon such legend or legends or endorsements, not inconsistent with the provisions of this Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto or with any rules or regulations of any securities exchange or securities regulatory authority or to conform to general usage, all as may be determined by the directors or officers of the Corporation executing such Debentures on behalf of the Corporation, as conclusively evidenced by their execution of such Debentures.

- (b) Transaction Statements in respect of Uncertificated Debentures, other than those for which the Depository is the holder, shall be delivered in the name of the Corporation by the Trustee. The Trustee is hereby appointed as sole keeper of the register and as the exclusive agent of the Corporation for purposes of executing and delivering Transaction Statements and Statements of Account.
- (c) In the case of Uncertificated Debentures of each series, the Corporation will cause (a) Transaction Statements to be delivered to the holder, other than the Depository within five (5) Business Days after any original issuance, registration of transfer, exchange, cancellation, payment of principal, redemption, conversion or correction or other change in the register (other than a change referred to in this clause (b)(ii) below) relating thereto and (b) Statements of Account to be delivered to the holder, other than the Depository, (i) within five Business Days after a change has been made in the register for Debentures of such series to reflect a change of name or address of a holder and (ii) as promptly as practicable upon request of the holder.
- (d) Any Transaction Statements and Statements of Account required to be delivered hereunder for the Uncertificated Debentures of any series shall be sufficiently delivered if sent by first class mail to the address of the Person entitled thereto as shown on the Master Record for Debentures of such series (with any Statement of Account in respect of a change of address to be sent in duplicate to both the old and new such address).

2.4 Authenticated Debentures

- (a) Only such Debentures as shall have been Authenticated shall be enforceable against the Corporation and entitled to the benefits of this Indenture at any time or be valid or obligatory for any purpose.
- (b) Authentication by the Trustee of any Certificated Debenture executed by the Corporation shall be conclusive evidence that the Holder is entitled to the benefits of this Indenture.
- (c) The Trustee shall Authenticate Uncertificated Debentures (whether upon original issuance, exchange, registration of transfer, partial payment, redemption or conversion or otherwise) by completing its Internal Procedures and the Corporation shall, and hereby acknowledges that it shall, thereupon be deemed to have duly and validly issued such Uncertificated Debentures under this Indenture. Such Authentication shall be conclusive evidence that such Uncertificated Debenture has been duly issued hereunder and that the Debentureholders or holders are entitled to the benefits of this Indenture. The register shall be final and conclusive evidence as to all matters relating to Uncertificated Debentures with respect to which this Indenture requires the Trustee to maintain records or accounts. In case of differences between the register at any time and any other time the register at the later time shall be controlling, absent manifest error.
- (d) Valid, bona fide and authentic Transaction Statements and Statements of Account are neither Debentures nor negotiable instruments; they constitute prima facie evidence of records kept in the register but in case of any conflict as at any date or dates between the register, on the one hand, and Transaction Statements or Statements of Account on the other hand, the register shall control and be conclusive, absent manifest error. Any Person to whom one or more valid, bona fide and authentic Transaction Statements or Statements of Account have been issued in error or which conflict with or are not supported by the register (or who should have received but did not receive one or more Transaction

Statements or Statements of Account) shall have whatever remedies therefor as may be available at law or in equity but shall not be deemed to be the holder of a Debenture entitled to payments thereon or the benefits of this Indenture, except to the extent, if any, such Person is shown in the register as the holder of an Uncertificated Debenture.

- (e) No Certificated Debenture shall be considered issued and Authenticated or, if Authenticated, shall be obligatory or shall entitle the Debentureholder thereof to the benefits of this Indenture, until it has been Authenticated by manual signature by or on behalf of the Trustee substantially in the form of the Debenture Certificate attached hereto. Such Authentication on any such Certificated Debenture shall be conclusive evidence that such Certificated Debenture is duly Authenticated and is valid and binding obligation of the Corporation that the Debentureholder is entitled to the benefits of this Indenture. The Authentication by the Trustee on any such Certificated Debenture hereunder shall not be construed as a representation or warranty by the Trustee as to the validity of this Indenture or of such Debenture or its issuance (except the due Authentication thereof and any other warranties by law) or as to the performance by the Corporation of its obligations under this Indenture and the Trustee shall in no respect be liable or answerable for the use made of the Debentures or any of them or the proceeds thereof.
- (f) No Uncertificated Debenture shall be considered issued and shall be obligatory or shall entitle the Debentureholder thereof to the benefits of this Indenture, until it has been Authenticated by entry on the register of the particulars of the Uncertificated Debenture. Such entry on the register of the particulars of an Uncertificated Debenture shall be conclusive evidence that such Uncertificated Debenture is a valid and binding obligation of the Corporation and that the Debentureholder is entitled to the benefits of this Indenture. Authenticating by way of entry on the register shall not be construed as a representation or warranty by the Trustee as to the validity of this Indenture or of such Debentures or its Authentication (except the due Authentication thereof and any other warranties by law) or as to the performance by the Corporation of its obligations under this Indenture and the Trustee shall in no respect be liable or answerable for the use made of the Uncertificated Debentures or any of them or the proceeds thereof.

2.5 BEO Debentures

- (a) The Debentures may be issued as BEO Debentures represented by one or more Global Debentures. Each BEO Debenture Authenticated in accordance with this Indenture shall be registered in the name of the Depository designated for such BEO Debenture or a nominee thereof and in the case of a BEO Debenture that is a Certificated Debenture delivered to such Depository or a nominee thereof as custodian therefor, and each such BEO Debenture shall constitute a single Debenture for all purposes of this Indenture. Beneficial interests in the BEO Debenture will not be shown on the register or the records maintained by the Depository but will be represented through book-entry accounts of BEO Participants on behalf of the beneficial owners of such BEO Debenture. None of the Corporation, the Trustee and any other paying agent shall have any responsibility or liability for any aspects of the records relating to or payments made by any Depository or any BEO Participant on account of the beneficial interest in any BEO Debenture. Except as provided in this Section 2.5, owners of beneficial interests in any BEO Debenture shall not be entitled to have Debentures registered in their names and shall not receive or be entitled to receive Debentures in definitive form or to have their names appear in the register.

- (b) Notwithstanding any other provision in this Indenture, no BEO Debenture may be exchanged in whole or in part for Debentures registered, and no transfer of a BEO Debenture in whole or in part may be registered, in the name of any Person other than the Depository for such BEO Debenture or a nominee thereof unless:
- (i) the Depository notifies the Corporation that it is unwilling or unable to continue to act as depository in connection with the BEO Debenture and the Corporation is unable to locate a qualified successor;
 - (ii) the Corporation determines that the Depository is no longer willing, able or qualified to discharge properly its responsibilities as Debentureholder of the BEO Debenture and the Corporation is unable to locate a qualified successor;
 - (iii) the Depository ceases to be a clearing agency or otherwise ceases to be eligible to be a depository and the Corporation is unable to locate a qualified successor;
 - (iv) the Corporation determines that the Debentures shall no longer be held as BEO Debentures through the Depository;
 - (v) such right is required by Applicable Law, as determined by the Corporation and the Corporation's Counsel; or
 - (vi) such registration is effected in accordance with the internal procedures of the Depository and the Trustee,

following which Debentures shall be issued to the beneficial owners of such Debentures or their nominees, as directed by the Debentureholder. The Corporation shall provide an Officers' Certificate giving notice to the Trustee of the occurrence of any event outlined in this Section 2.5(b).

- (c) Subject to the provisions of this Section 2.5, any exchange of a BEO Debenture for Debentures which are not BEO Debentures may be made in whole or in part in accordance with the provisions of this Indenture, mutatis mutandis. All such Debentures issued in exchange for a BEO Debenture or any portion thereof shall be registered in such names as the Depository for such BEO Debenture shall direct and shall be entitled to the same benefits and subject to the same terms and conditions (except insofar as they relate specifically to BEO Debentures) as the BEO Debenture or portion thereof surrendered upon such exchange.
- (d) Every Debenture Authenticated upon registration of transfer of a BEO Debenture, or in exchange for or in lieu of a BEO Debenture or any portion thereof, whether pursuant to this Section 2.5, or otherwise, shall be Authenticated in the form of, and shall be, a BEO Debenture, unless such Debenture is registered in the name of a Person other than the Depository for such BEO Debenture or a nominee thereof.
- (e) Notwithstanding anything to the contrary in this Indenture, subject to Applicable Law, the BEO Debenture will be issued as an Uncertificated Debenture, unless otherwise requested in writing by the Depository.

2.6 Form and Terms of Initial Debentures

- (a) The first series of Debentures (the “**Initial Debentures**”) authorized for issue immediately is limited to an aggregate principal amount of up to \$2,000,000 and shall be designated as “8% Unsecured Convertible Debentures”.
- (b) The Initial Debentures shall be dated as of the date of issue of the Initial Debentures and shall mature on December 30, 2029 (the “**Maturity Date**” for the Initial Debentures).
- (c) The Initial Debentures shall bear interest from the date of issue at the rate of 8% per annum (based on a year of 365 days and the actual number of days in the relevant interest period), payable in arrears in semi-annual payments on the first Business Day in July and January of each year, with the first interest payment to be made on July 2, 2025 (each an “**Interest Payment Date**”). Interest accrued up to, but excluding July 1 and January 1 of each year will be paid on the applicable Interest Payment Date, payable after as well as before maturity and after as well as before default, with interest on amounts in default at the same rate, compounded semi-annually. For certainty, the first interest payment will include interest accrued from and including the date of issue of the Initial Debentures to, but excluding July 1, 2025. The record dates for the payment of interest on the Initial Debentures will be the fifteenth (15th) day of the month prior to the applicable Interest Payment Date. For certainty, the first interest payment will have a record date of June 15, 2025.
- (d) The Initial Debentures shall not be redeemable by the Corporation, except in the event of the satisfaction of certain conditions after a Change of Control has occurred as outlined herein.
- (e) The Initial Debentures will be subordinated to the Senior Indebtedness, if any, of the Corporation in accordance with the provisions of Article 5. In accordance with Section 2.13, the Initial Debentures will rank *pari passu* with all existing and future unsecured indebtedness, and each other series of Debentures issued under this Indenture or under indentures supplemental to this Indenture (regardless of their actual date or terms of issue) and, except as prescribed by law, with all other existing and future unsecured indebtedness of the Corporation.
- (f) Upon and subject to the provisions and conditions of Article 6 and Section 3.7, the holder of each Initial Debenture shall have the right at such holder’s option, at any time prior to the close of business on the earlier of the Business Day immediately preceding: (i) the Maturity Date of the Initial Debentures; or (ii) the Redemption Date if the Initial Debentures are called for redemption by notice to the holders of Initial Debentures in accordance with Sections 2.6(d) and 4.3 (the earlier of which will be the “**Time of Expiry**” for the purposes of Article 6 in respect of the Initial Debentures), to convert any part, being \$1,000 or an integral multiple thereof, of the principal amount of a Debenture into Common Shares at the Conversion Price in effect on the Date of Conversion. To the extent a redemption is a redemption in part only of the Initial Debentures, such right to convert, if not exercised prior to the applicable Time of Expiry, shall survive as to any Initial Debentures not redeemed or converted and be applicable to the next succeeding Time of Expiry.
- (g) The Conversion Price in effect on the date hereof for each Common Share to be issued upon the conversion of Initial Debentures shall be equal to \$0.23. Except as provided

below, no adjustment in the number of Common Shares to be issued upon conversion will be made for dividends or distributions on Common Shares issuable upon conversion, the record date for the payment of which precedes the date upon which the holder becomes a holder of Common Shares in accordance with Article 6, or for interest accrued on Initial Debentures surrendered. No fractional Common Shares will be issued and holders will receive a cash payment in satisfaction of any fractional interest based on the Current Market Price as of the Date of Conversion, provided, however, the Corporation shall not be required to make any payment of less than \$10.00. The Conversion Price applicable to, and the Common Shares, securities or other property receivable on the conversion of, the Initial Debentures is subject to adjustment pursuant to the provisions of Section 6.5.

- (h) Holders converting Initial Debentures shall receive accrued and unpaid interest thereon from the period of last Interest Payment Date prior to the Date of Conversion to the date that is one Business Day prior to the Date of Conversion.
- (i) Notwithstanding any other provisions of this Indenture, if a Debenture is surrendered for conversion on an Interest Payment Date or during the fifteen (15) preceding days, the Person or Persons entitled to receive Common Shares in respect of the Debenture so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date as the registers of the Trustee will be closed during such period
- (j) A Debenture in respect of which a holder has accepted a notice in respect of a Change of Control Purchase Offer pursuant to the provisions of Section 2.6(h) may be surrendered for conversion only if such notice is withdrawn in accordance with this Indenture.
- (k) The Initial Debentures shall be issued in denominations of \$1,000 and integral multiples of \$1,000. Each Initial Debenture that is a Definitive Debenture and the certificate of the Trustee endorsed thereon shall be issued in substantially the form set out in Schedule "A" (provided that Initial Debentures issued in the form of Definitive Debentures shall be issued without the BEO Debenture Legend), with such insertions, omissions, substitutions or other variations as shall be required or permitted by this Indenture, and may have imprinted or otherwise reproduced thereon such legend or legends or endorsements, not inconsistent with the provisions of this Indenture, as may be required to comply with any law or with any rules or regulations pursuant thereto or with any rules or regulations of any securities exchange or securities regulatory authority or to conform with general usage, all as may be determined by the Board of Directors executing such Initial Debenture in accordance with Section 2.10, as conclusively evidenced by their execution of an Initial Debenture. Each Initial Debenture shall additionally bear such distinguishing letters and numbers as the Trustee shall approve. Notwithstanding the foregoing, an Initial Debenture may be in such other form or forms as may, from time to time, be, approved by a resolution of the Board of Directors, or as specified in an Officers' Certificate.

The Initial Debentures may be engraved, lithographed, printed, mimeographed or typewritten or partly in one form and partly in another, including non-certificated electronic form.

The Initial Debentures shall be issued in the form of one or more Global Debentures and/or one or more Definitive Debentures at the option of the Corporation.

The Global Debentures will be registered in the name of the Depository which, as of the date hereof, shall be CDS Clearing and Depository Services Inc. (or any nominee of the Depository). No Beneficial Holder will receive definitive certificates representing their interest in Debentures except as provided in this Section 2.6(k) and Section 3.2. A Global Debenture may be exchanged for Definitive Debentures, or transferred to and registered in the name of a Person other than the Depository for such Global Debentures or a nominee thereof, as provided in Section 3.2.

The Definitive Debentures will be registered in the names of each holders thereof as provided in Section 3.1. A Definitive Debenture may be exchanged, or transferred to and registered in the name of a Person other than the registered holder thereof, as provided in Section 3.2.

- (l) Within thirty (30) days following the occurrence of a Change of Control, and subject to the provisions and conditions of this Section 2.6(l), the Corporation shall be obligated to offer to purchase all of the Initial Debentures then outstanding. The terms and conditions of such obligation are set forth below:
 - (i) Within thirty (30) days following the occurrence of a Change of Control, the Corporation shall deliver to the Trustee, and the Trustee shall promptly deliver to the holders of the Initial Debentures, a notice stating that there has been a Change of Control and specifying the date on which such Change of Control occurred and the circumstances or events giving rise to such Change of Control (a “**Change of Control Notice**”) together with an offer in writing from the Corporation (the “**Change of Control Purchase Offer**”) to purchase, on the Change of Control Purchase Date (as defined below), all (or any portion actually tendered to such offer) of the Initial Debentures then outstanding from the holders thereof made in accordance with the requirements of Applicable Securities Legislation at a price per Initial Debenture equal to 100% of the principal amount thereof (the “**Offer Price**”) plus accrued and unpaid interest on such Initial Debentures up to, but excluding, the Change of Control Purchase Date (collectively, the “**Total Offer Price**”). If such Change of Control Purchase Date is after a record date for the payment of interest on the Initial Debentures but on or prior to an Interest Payment Date, then the interest payable on such date will be paid to the holder of record of the Debentures on the relevant record date. The “**Change of Control Purchase Date**” shall be the date that is thirty (30) days after the date that the Change of Control Notice and Change of Control Purchase Offer are delivered to holders of Initial Debentures.
 - (ii) If 90% or more in aggregate principal amount of the Initial Debentures outstanding on the date the Corporation provides the Change of Control Notice and the Change of Control Purchase Offer to holders of the Initial Debentures are tendered to the Corporation for purchase pursuant to the Change of Control Purchase Offer on the expiration thereof, the Corporation has the right upon written notice provided to the Trustee within 10 days following the expiration of the Change of Control Purchase Offer, to redeem all the Initial Debentures remaining outstanding on the expiration of the Change of Control Purchase Offer at the Total Offer Price as at the Change of Control Purchase Date (the “**90% Redemption Right**”).
 - (iii) Upon receipt of notice that the Corporation has exercised or is exercising the 90% Redemption Right and is acquiring the remaining Initial Debentures, the Trustee

shall promptly provide written notice to each holder of an Initial Debenture that did not previously accept and tender to the Offer that:

- (A) the Corporation has exercised the 90% Redemption Right and is purchasing all outstanding Initial Debentures effective on the expiry of the Change of Control Purchase Offer at the Total Offer Price, and shall include a calculation of the amount payable to such holder as payment of the Total Offer Price as at the Change of Control Purchase Date;
 - (B) each such holder must transfer their Initial Debentures to the Trustee on the same terms as those holders that accepted the Change of Control Purchase Offer and must send their respective Initial Debentures, duly endorsed for transfer, to the Trustee within 10 days after the sending of such notice; and
 - (C) the rights of such holder under the terms of the Initial Debentures and this Indenture cease to be effective as of the date of expiry of the Change of Control Purchase Offer provided the Corporation has, on or before the time of notifying the Trustee of the exercise of the 90% Redemption Right, paid the Total Offer Price to, or to the order of, the Trustee and thereafter the Initial Debentures shall not be considered to be outstanding and the holder shall not have any right except to receive such holder's Total Offer Price upon surrender and delivery of such holder's Initial Debentures in accordance with the Indenture.
- (iv) The Corporation shall, on or before 11:00 a.m. (Calgary time), on the Business Day immediately prior to the Change of Control Purchase Date, deposit with the Trustee or any paying agent to the order of the Trustee, such sums of money as are sufficient to pay the Total Offer Price of the Initial Debentures to be purchased or redeemed by the Corporation on the Change of Control Purchase Date (less any tax required by law to be deducted in respect of accrued and unpaid interest), provided the Corporation may elect to satisfy this requirement by providing the Trustee with a certified cheque or wire transfer for such amounts required under this Section 2.6(l)(iv) post-dated to the date of expiry of the Change of Control Purchase Offer. The Corporation shall also deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with such purchase. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Initial Debentures, the Total Offer Price to which they are entitled (less any tax required by law to be deducted in respect of accrued and unpaid interest) on the Corporation's purchase.
- (v) In the event that one or more of such Initial Debentures being purchased in accordance with this Section 2.6(l) becomes subject to purchase in part only, upon surrender of such Initial Debentures for payment of the Total Offer Price, the Corporation shall execute and the Trustee shall certify and deliver without charge to the holder thereof or upon the holder's order, one or more new Initial Debentures for the portion of the principal amount of the Initial Debentures not purchased.
- (vi) Initial Debentures for which holders have accepted the Change of Control Purchase Offer and Initial Debentures which the Corporation has elected to redeem in

accordance with this Section 2.6(l) shall become due and payable at the Total Offer Price on the Change of Control Purchase Date, in the same manner and with the same effect as if it were the date of maturity specified in such Initial Debentures, anything therein or herein to the contrary notwithstanding, and from and after the Change of Control Purchase Date, if the money necessary to purchase or redeem the Initial Debentures shall have been deposited as provided in this Section 2.6(l) and affidavits or other proofs satisfactory to the Trustee as to the publication and/or mailing of such notices shall have been lodged with it, interest on the Initial Debentures shall cease. If any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee whose decision shall be final and binding upon all parties in interest.

- (vii) In case the holder of any Initial Debenture to be purchased or redeemed in accordance with this Section 2.6(l) shall fail on or before the Change of Control Purchase Date to so surrender such holder's Initial Debenture or shall not within such time accept payment of the monies payable or give such receipt therefor, if any, as the Trustee may require, such monies may be set aside in trust, without interest, either in the deposit department of the Trustee or in a chartered bank, and such setting aside shall for all purposes be deemed a payment to the Debentureholder of the sum so set aside and the Debentureholder shall have no other right except to receive payment of the monies so paid and deposited, upon surrender and delivery of such holder's Initial Debenture. In the event that any money required to be deposited hereunder with the Trustee or any depository or paying agent on account of principal, premium, if any, or interest, if any, on Initial Debentures issued hereunder shall remain so deposited for a period of six years from the Change of Control Purchase Date, then such monies together with any accumulated interest thereon, or any distributions paid thereon, shall at the end of such period be paid over or delivered over by the Trustee or such depository or paying agent to the Corporation and the Trustee shall not be responsible to Debentureholders of such Initial Debentures for any amounts owing to them.
- (viii) Subject to the provisions above related to Initial Debentures purchased in part, all Initial Debentures redeemed and paid under this Section 2.6(l) shall forthwith be delivered to the Trustee and cancelled and no Initial Debentures shall be issued in substitution therefor.

2.7 Certification and Delivery of Additional Debentures

The Corporation may from time to time request the Trustee to certify and deliver Additional Debentures of any series by delivering to the Trustee the documents referred to below in this Section 2.7 whereupon the Trustee shall certify such Debentures and cause the same to be delivered in accordance with the Written Direction of the Corporation referred to below or pursuant to such procedures acceptable to the Trustee as may be specified from time to time by a Written Direction of the Corporation. The maturity date, issue date, interest rate (if any) and any other terms of the Debentures of such series shall be set forth in or determined by or pursuant to such Written Direction of the Corporation and procedures. In certifying such Debentures, the Trustee shall be entitled to receive and shall be fully protected in relying upon, unless and until such documents have been superseded or revoked:

- (a) an Officers' Certificate and/or executed supplemental indenture by or pursuant to which the form and terms of such Additional Debentures were established;

- (b) a Written Direction of the Corporation requesting certification and delivery of such Additional Debentures and setting forth delivery instructions, provided that, with respect to Debentures of a series subject to a Periodic Offering:
 - (i) such Written Direction of the Corporation may be delivered by the Corporation to the Trustee prior to the delivery to the Trustee of such Additional Debentures of such series for certification and delivery;
 - (ii) the Trustee shall certify and deliver Additional Debentures of such series for original issue from time to time, in an aggregate principal amount not exceeding the aggregate principal amount, if any, established for such series, pursuant to a Written Direction of the Corporation or pursuant to procedures acceptable to the Trustee as may be specified from time to time by a Written Direction of the Corporation;
 - (iii) the maturity date or dates, issue date or dates, interest rate or rates (if any) and any other terms of Additional Debentures of such series shall be determined by an executed supplemental indenture or by Written Direction of the Corporation or pursuant to such procedures; and
 - (iv) if provided for in such procedures, such Written Direction of the Corporation may authorize certification and delivery pursuant to oral or electronic instructions from the Corporation which oral or electronic instructions shall be promptly confirmed in writing;
- (c) an opinion of Counsel, in form and substance satisfactory to the Trustee, acting reasonably, to the effect that all requirements imposed by this Indenture and by law in connection with the proposed issue of Additional Debentures have been complied with, subject to the delivery of certain documents or instruments specified in such opinion; and
- (d) an Officers' Certificate certifying that the Corporation is not in default under this Indenture, that the terms and conditions for the certification and delivery of Additional Debentures (including those set forth in Section 14.5), have been complied with subject to the delivery of any documents or instruments specified in such Officers' Certificate and that no Event of Default exists or will exist upon such certification and delivery.

2.8 Issue of Global Debentures

- (a) The Corporation may, at its option, specify that the Debentures of a series are to be issued in whole or in part as one or more Global Debentures registered in the name of a Depository, or its nominee, designated by the Corporation in the Written Direction of the Corporation delivered to the Trustee at the time of issue of such Debentures, and in such event the Corporation shall execute and the Trustee shall certify and deliver one or more Global Debentures that shall:
 - (i) represent an aggregate amount equal to the principal amount of the outstanding Debentures of such series to be represented by one or more Global Debentures; and
 - (ii) be delivered by the Trustee to such Depository or pursuant to such Depository's instructions.

- (b) Each Depository designated for a Global Debenture must, at the time of its designation and at all times while it serves as such Depository, be a clearing agency registered or designated under the securities legislation of the jurisdiction where the Depository has its principal offices.

2.9 Execution of Debentures

All Definitive Debentures shall be signed (either manually, lithographed, mechanically reproduced or by facsimile or electronic signature) by any one authorized director or officer of the Corporation holding office at the time of signing. A facsimile or electronic signature upon a Definitive Debenture shall for all purposes of this Indenture be deemed to be the signature of the Person whose signature it purports to be.

Notwithstanding that any Person whose signature, either manual, lithographed, mechanically reproduced or in facsimile or electronic form, appears on a Debenture as a director or officer may no longer hold such office at the date of the Debenture or at the date of the certification and delivery thereof, such Definitive Debenture shall be valid and binding upon the Corporation and entitled to the benefits of this Indenture.

2.10 Certification

No Debenture shall be issued or, if issued, shall be obligatory or shall entitle the holder to the benefits of this Indenture, until it has been certified by manual signature or on behalf of the Trustee substantially in the form set out in this Indenture, in the relevant supplemental indenture, or in some other form approved by the Trustee. Such certification on any Debenture shall be conclusive evidence that such Debenture is duly issued, is a valid obligation of the Corporation and the holder is entitled to the benefits hereof.

The certificate of the Trustee signed on the Debentures and the Authentication of Uncertificated Debentures, shall not be construed as a representation or warranty by the Trustee as to the validity of this Indenture or of the Debentures or as to the issuance of the Debentures and the Trustee shall in no respect be liable or answerable for the use made of the Debentures or the proceeds thereof. The certificate of the Trustee on the Debentures shall, however, be a representation and warranty by the Trustee that the Debentures have been duly certified by or on behalf of the Trustee pursuant to the provisions of this Indenture.

2.11 Mutilation, Loss, Theft or Destruction

In case any of the Debentures issued hereunder shall become mutilated or be lost, stolen or destroyed, the Corporation, in its discretion acting reasonably, shall, subject to applicable law, issue, and thereupon the Trustee shall certify and deliver, a new Debenture upon surrender and cancellation of the mutilated Debenture, or in the case of a lost, stolen or destroyed Debenture, in lieu of and in substitution for the same, and the substituted Debenture shall be in a form approved by the Trustee and shall be entitled to the benefits of this Indenture and rank equally in accordance with its terms with all other Debentures of such series issued or to be issued hereunder. In case of loss, theft or destruction the applicant for a substituted Debenture shall furnish to the Corporation and to the Trustee such evidence of the loss, theft or destruction of the Debenture as shall be satisfactory to them in their discretion, acting reasonably and shall also furnish an indemnity and surety bond satisfactory to them in their discretion, acting reasonably. The applicant shall pay all reasonable expenses incidental to the issuance of any substituted Debenture.

2.12 Concerning Interest

- (a) All Debentures issued hereunder, whether originally or upon exchange or in substitution for previously issued Debentures which are interest bearing, shall bear interest: (i) from

and including their issue date, or (ii) from and including the last Interest Payment Date to which interest shall have been paid or made available for payment on the outstanding Debentures of that series, whichever shall be the later, or, in respect of Debentures subject to a Periodic Offering, from and including their issue date or from and including the last Interest Payment Date to which interest shall have been paid or made available for payment on such Debentures, in all cases, to and excluding the next Interest Payment Date.

- (b) Unless otherwise specifically provided in the terms of the Debentures of any series, interest for any period shall be computed on the basis of a year of 365 days and the actual number of days elapsed in such period. With respect to any series of Debentures, for the purposes of disclosure under the *Interest Act* (Canada), whenever interest is computed on the basis of a year (the “**deemed year**”) which contains fewer days than the actual number of days in the calendar year of calculation, such rate of interest shall be expressed as a yearly rate for purposes of the *Interest Act* (Canada) by multiplying such rate of interest by the actual number of days in such calendar year of calculation and dividing it by the number of days in the deemed year.

2.13 Debentures to Rank Pari Passu

The Debentures will be direct secured obligations of the Corporation. Each Debenture of the same series of Debentures will rank *pari passu* with each other Debenture of the same or different series (regardless of their actual date or terms of issue) and, subject to statutory preferred exceptions, senior to all other present and future secured or unsecured indebtedness of the Corporation.

2.14 Payments of Amounts Due on Maturity

Except as may otherwise be provided herein or in any supplemental indenture in respect of any series of Debentures, payments of amounts due upon maturity of the Debentures will be made in the following manner. The Corporation will establish and maintain with the Trustee a Maturity Account for each series of Debentures. Each such Maturity Account shall be maintained by and be subject to the control of the Trustee for the purposes of this Indenture. On or before 11:00 a.m. (Calgary time) on the Business Day immediately prior to each Maturity Date for Debentures outstanding from time to time under this Indenture, the Corporation will deliver to the Trustee a certified cheque or wire transfer for deposit in the applicable Maturity Account in an amount sufficient to pay the cash amount payable in respect of such Debentures (including the principal amount together with any accrued and unpaid interest thereon less any tax required by law to be deducted). The Trustee, on behalf of the Corporation, will pay to each holder entitled to receive payment the principal amount of and premium (if any) and accrued and unpaid interest on the Debenture, upon surrender of the Debenture at any branch of the Trustee designated for such purpose from time to time by the Corporation and the Trustee. The delivery of such funds to the Trustee for deposit to the applicable Maturity Account will satisfy and discharge the liability of the Corporation for the Debentures to which the delivery of funds relates to the extent of the amount delivered (plus the amount of any tax deducted as aforesaid) and such Debentures will thereafter to that extent not be considered as outstanding under this Indenture and such holder will have no other right in regard thereto other than to receive out of the money so delivered or made available the amount to which it is entitled. For greater certainty, interest shall cease to accrue on the Debentures upon the Maturity Date, provided the Trustee has received, by the Maturity Date, from the Corporation all funds due and payable on the Debentures.

2.15 U.S. Legend on the Debentures

- (a) The Debentures and the Common Shares issuable upon conversion thereof have not been and will not be registered under the 1933 Act or the securities laws of any state of the

United States. All Debentures originally issued and sold in the United States or to or for the account or benefit of a U.S. Person in reliance on an exemption from registration under the 1933 Act, as well as the Common Shares issuable upon conversion, redemption or maturity thereof issued in exchange for or in substitution of the foregoing securities, shall bear, unless otherwise directed by the Corporation, the following legend (the “U.S. Legend”):

“THE SECURITIES REPRESENTED HEREBY HAVE NOT BEEN REGISTERED UNDER THE UNITED STATES SECURITIES ACT OF 1933, AS AMENDED (THE “U.S. SECURITIES ACT”) OR ANY STATE SECURITIES LAWS. THE HOLDER HEREOF, BY PURCHASING SUCH SECURITIES, AGREES FOR THE BENEFIT OF THE CORPORATION THAT SUCH SECURITIES MAY BE OFFERED, SOLD OR OTHERWISE TRANSFERRED ONLY (A) TO THE CORPORATION, (B) OUTSIDE THE UNITED STATES IN ACCORDANCE WITH RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT OR (C) WITHIN THE UNITED STATES IN ACCORDANCE WITH (1) RULE 144 OR RULE 144A UNDER THE U.S. SECURITIES ACT OR (2) ANOTHER AVAILABLE EXEMPTION FROM REGISTRATION UNDER THE U.S. SECURITIES ACT PROVIDED THAT AN OPINION OF COUNSEL, OF RECOGNIZED STANDING REASONABLY SATISFACTORY TO THE CORPORATION, IS PROVIDED. DELIVERY OF THIS CERTIFICATE MAY NOT CONSTITUTE GOOD DELIVERY IN SETTLEMENT OF TRANSACTIONS ON STOCK EXCHANGES IN CANADA AND, IN EACH CASE, IN ACCORDANCE WITH ANY APPLICABLE STATE SECURITIES LAWS. A NEW CERTIFICATE BEARING NO LEGEND MAY BE OBTAINED FROM ODYSSEY TRUST COMPANY, AS REGISTRAR AND TRANSFER AGENT, UPON DELIVERY OF THIS CERTIFICATE AND A DULY EXECUTED DECLARATION, IN A FORM SATISFACTORY TO ODYSSEY TRUST COMPANY AND THE CORPORATION, TO THE EFFECT THAT SUCH SALE IS BEING MADE IN ACCORDANCE WITH RULE 904 OF REGULATION S UNDER THE U.S. SECURITIES ACT.”

- (b) Notwithstanding Section 2.15(a), provided that the Debentures or the Common Shares issuable upon conversion, redemption or maturity thereof are being sold in compliance with the requirements of Rule 904 of Regulation S, and provided that the Corporation is a “foreign issuer” within the meaning of Regulation S at the time of issuance, the U.S. Legend may be removed by providing a declaration to the Trustee substantially as set forth in Schedule “E” hereto (or as the Corporation may prescribe from time to time); together with any other evidence reasonably requested by the Corporation or Trustee, which evidence may include an opinion of Counsel of recognized standing, in form and substance satisfactory to the Corporation and the Trustee, to the effect that the U.S. Legend is no longer required pursuant to the requirements of the 1933 Act or applicable state securities laws; and provided, further, that if the Securities are being sold under Rule 144 or Rule 144A of the 1933 Act, the U.S. Legend may be removed by delivery to the Trustee of an opinion of Counsel, of recognized standing or other evidence satisfactory to the Corporation and the Trustee, that the U.S. Legend is no longer required under the 1933 Act or applicable state securities laws. Provided that the Trustee obtains confirmation from the Corporation that such Counsel is satisfactory to it, the Trustee shall be entitled to rely on such opinion of Counsel without further inquiry.

2.16 Canadian Legend on the Debentures

The certificates or other instruments representing the Initial Debentures, and the certificates representing any Common Shares issuable upon conversion of such Debentures (if issued prior to the expiration of the applicable hold periods), if any, will bear the following legend in accordance with Applicable Securities Legislation:

“UNLESS PERMITTED UNDER SECURITIES LEGISLATION, THE HOLDER OF THIS SECURITY MUST NOT TRADE THE SECURITY BEFORE MAY 1, 2025.”

And, if applicable under the policies of the TSXV, the additional legend:

“WITHOUT PRIOR APPROVAL OF THE TSX VENTURE EXCHANGE AND COMPLIANCE WITH ALL APPLICABLE SECURITIES LEGISLATION, THE SECURITIES REPRESENTED BY THIS CERTIFICATE AND THE SECURITIES ISSUABLE UPON EXERCISE THEREOF MAY NOT BE SOLD, TRANSFERRED, HYPOTHECATED OR OTHERWISE TRADED ON OR THROUGH THE FACILITIES OF THE TSX VENTURE EXCHANGE OR OTHERWISE IN CANADA OR TO OR FOR THE BENEFIT OF A CANADIAN RESIDENT UNTIL MAY 1, 2025.”

2.17 Payment of Interest

The following provisions shall apply to Debentures, except as otherwise provided in Section 2.6(c), and 2.7(c) or specified in a resolution of the Board of Directors, an Officers' Certificate or a supplemental indenture relating to a particular series of Additional Debentures:

- (a) As interest becomes due on each Debenture (except, subject to certain exceptions set forth herein including in Section 2.6 and Section 2.7, on conversion or on redemption, when interest may at the option of the Corporation be paid upon surrender of such Debenture), the Corporation, either directly or through the Trustee or any agent of the Trustee, shall send or forward by prepaid ordinary mail, electronic transfer of funds or such other means as may be agreed to by the Trustee, payment of such interest (less any tax required to be withheld therefrom) to the order of the registered holder of such Debenture appearing on the registers maintained by the Trustee at the close of business on the tenth Business Day prior to the applicable Interest Payment Date and addressed to the holder at the holder's last address appearing on the register, unless such holder otherwise directs. If payment is made by cheque, such cheque shall be forwarded at least three days prior to each date on which interest becomes due and if payment is made by other means (such as electronic transfer of funds, provided the Trustee must receive confirmation of receipt of funds prior to being able to wire funds to holders), such payment shall be made in a manner whereby the holder receives credit for such payment on the date such interest on such Debenture becomes due. The mailing of such cheque or the making of such payment by other means shall, to the extent of the sum represented thereby, plus the amount of any tax withheld as aforesaid, satisfy and discharge all liability for interest on such Debenture, unless in the case of payment by cheque, such cheque is not paid at par on presentation. In the event of non-receipt of any cheque for or other payment of interest by the Person to whom it is so sent as aforesaid, the Corporation will issue to such Person a replacement cheque or other payment for a like amount upon being furnished with such evidence of non-receipt as it shall reasonably require and upon being indemnified to its satisfaction. Notwithstanding the foregoing, if the Corporation is prevented by circumstances beyond its control (including, without limitation, any interruption in mail service) from making payment of

any interest due on each Debenture in the manner provided above, the Corporation may make payment of such interest or make such interest available for payment in any other manner acceptable to the Trustee, acting reasonably, with the same effect as though payment had been made in the manner provided above.

- (b) All payments of interest on a Global Debenture shall be made by electronic funds transfer to the Depository or its nominee on the day interest is payable for subsequent payment to Beneficial Holders of the applicable Global Debenture, unless the Corporation, the Trustee and the Depository otherwise agree. None of the Corporation, the Trustee or any agent of the Trustee for any Debenture issued as a Global Debenture will be liable or responsible to any Person for any aspect of the records related to or payments made on account of beneficial interests in any Global Debenture or for maintaining, reviewing, or supervising any records relating to such beneficial interests.
- (c) The Corporation may also, at its sole option, elect to satisfy its obligation to pay on the Interest Payment Date, the interest then payable on account, of the Debentures by delivering to the holders and the Trustee not less than ten (10) days and not more than thirty (30) days prior notice to the applicable Interest Payment Date (the “**Common Share Interest Payment Election Notice**”), by issuing and delivering to holders that number of fully paid and non-assessable Common Shares obtained by dividing the accrued and unpaid interest then owing by the VWAP of the Common Shares for the ten (10) trading days immediately prior to the Interest Payment Date (the “**Common Share Interest Payment Election**”), subject to applicable TSXV approvals, within ten (10) Business Days following the applicable Interest Payment Date. The Corporation’s right to make a Common Share Interest Payment Election shall be conditional upon the following conditions being met on the Business Day immediately preceding the Interest Payment Date:
 - (i) the listing or quotation of such Common Shares on the TSXV or any successor exchange on which the Common Shares are listed for trading;
 - (ii) the Corporation being a reporting issuer or the equivalent in good standing or equivalent under Applicable Securities Legislation in the Provinces of Canada in which the Debentures have been distributed on the date of their issuance;
 - (iii) if the foregoing conditions are not satisfied by the close of business on the Business Day preceding the Interest Payment Date, the Corporation shall pay in cash the interest that would otherwise have been satisfied in Common Shares, unless the Debentureholders waive the conditions which are not satisfied or extends the time by which the Corporation is to satisfy such conditions by way of Extraordinary Resolution;
 - (iv) in the event that the Corporation exercises a Common Share Interest Payment Election, the Corporation shall on the relevant Interest Payment Date deliver to the Trustee the Common Shares and, if applicable, the cash payable in connection therewith;
 - (v) no fractional Common Shares shall be delivered upon the exercise of a Common Share Interest Payment Election but, in lieu thereof, the Corporation shall pay to the Trustee for the account of the holders the cash equivalent thereof determined on the basis of the Current Market Price of the Common Shares on the date before

the public announcement by the Corporation of its intention to satisfy its interest obligation in Common Shares (the Corporation shall not be required to make any payment of less than \$10.00);

- (vi) a Debentureholder shall be treated as the shareholder of record of the Common Shares issued on due exercise by the Corporation of its Common Share Interest Payment Election effective immediately after the close of business on the Interest Payment Date, and shall be entitled to all substitutions therefor, all income earned thereon or accretions thereto and all dividends or distributions (including stock dividends and dividends or distributions in kind) thereon and arising thereafter;
- (vii) the Corporation shall at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited) solely for the purpose of issue and delivery upon the exercise of a Common Share Interest Payment Election as provided herein, and shall issue to Debentureholders to whom Common Shares will be issued pursuant to the exercise of a Common Share Interest Payment Election, such number of Common Shares as shall be issuable in such event; and
- (viii) the Corporation shall comply with all Applicable Securities Legislation regulating the issue and delivery of Common Shares upon exercise of a Common Share Interest Payment Election, shall obtain any regulatory approval in respect thereof as may be required pursuant to Applicable Securities Legislation and shall cause to be listed and posted for trading such Common Shares as provided in the Indenture.

2.18 Payment of Principal

- (a) The Corporation may also, at its sole option, elect to convert on the Maturity Date (provided that no Event of Default shall have occurred and be continuing), the principal amount then outstanding on account of the Debentures (the “**Common Share Principal Payment Election**”) by delivering to the Debentureholders not less than forty (40) days and not more than sixty (60) days prior notice to the Maturity Date (the “**Common Share Principal Payment Election Notice**”), specifying that number of fully paid and non-assessable Common Shares obtained by dividing the principal amount then owing by the amount equal to 95% of the Current Market Price, subject to applicable TSXV approvals. The Corporation’s right to make a Common Share Principal Payment Election shall be conditional upon the following conditions being met on the Business Day immediately preceding the Maturity Date:
 - (i) the listing or quotation of such Common Shares on the TSXV or any successor exchange on which the Common Shares are listed for trading;
 - (ii) the Corporation being a reporting issuer or the equivalent in good standing or equivalent under Applicable Securities Legislation in the Provinces of Canada in which the Debentures have been distributed on the date of their issuance;
 - (iii) no fractional Common Shares shall be delivered upon the exercise of a Common Share Principal Payment Election but, in lieu thereof, the Corporation shall pay to the Trustee for the account of the holders the cash equivalent thereof determined on the basis of the Current Market Price of the Common Shares on the date before

the public announcement by the Corporation of its intention to convert the principal amount then outstanding on account of the Debentureholder into Common Shares (the Corporation shall not be required to make any payment of less than \$10.00);

- (iv) a Debentureholder shall be treated as the shareholder of record of the Common Shares issued on due exercise by the Debentureholder of its Common Share Principal Payment Election effective immediately after the close of business on the Maturity Date, and shall be entitled to all substitutions therefor, all income earned thereon or accretions thereto and all dividends or distributions (including stock dividends and dividends or distributions in kind) thereon and arising thereafter;
- (v) the Corporation shall at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited) solely for the purpose of issue and delivery upon the exercise of a Common Share Principal Payment Election as provided herein, and shall issue to Debentureholders to whom Common Shares will be issued pursuant to the exercise of a Common Share Principal Payment Election, such number of Common Shares as shall be issuable in such event; and
- (vi) the Corporation shall comply with all Applicable Securities Legislation regulating the issue and delivery of Common Shares upon exercise of a Common Share Principal Payment Election, shall obtain any regulatory approval in respect thereof as may be required pursuant to Applicable Securities Legislation and shall cause to be listed and posted for trading such Common Shares as provided in the Indenture.

2.19 Voluntary Prepayment

The Corporation may, at any time from time to time, at its option voluntarily prepay all or a portion of the principal amount then outstanding and any accrued and unpaid interest thereon, in cash, at any time from time to time without any penalty or premium being paid to the Debentureholders. Upon payment of all outstanding principal amount and any accrued and unpaid interest thereon, this Indenture shall be terminated and all rights under Article 6 shall, for the avoidance of doubt, be terminated.

ARTICLE 3 REGISTRATION, TRANSFER, EXCHANGE AND OWNERSHIP

3.1 Definitive Debentures

- (a) With respect to each series of Debentures issuable as Definitive Debentures, the Corporation shall cause to be kept by and at the principal office of the Trustee in Calgary, Alberta or such other registrar as the Corporation, with the approval of the Trustee, may appoint at such other place or places, if any, as may be specified in the Debentures of such series or as the Corporation may designate with the approval of the Trustee, a register in which shall be entered the names and addresses of the holders of Definitive Debentures and particulars of the Debentures held by them respectively and of all transfers of Definitive Debentures. Such registration shall be noted on the Debentures by the Trustee or other registrar unless a new Debenture shall be issued upon such transfer.
- (b) No transfer of a Definitive Debenture shall be valid unless made on such register referred to in Section 3.1(a) by the registered holder or such holder's executors, administrators or

other legal representatives or an attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee or other registrar upon surrender of the Debentures together with a duly executed form of transfer acceptable to the Trustee and upon compliance with such other reasonable requirements as the Trustee or other registrar may prescribe, or unless the name of the transferee shall have been noted on the Debenture by the Trustee or other registrar.

3.2 Global Debentures

- (a) With respect to each series of Debentures issuable as Global Debentures, the Corporation shall cause to be kept by and at the principal office of the Trustee in Calgary, Alberta or such other registrar as the Corporation, with the approval of the Trustee, may appoint at such other place or places, if any, as the Corporation may designate with the approval of the Trustee, a register in which shall be entered the name and address of the holder of each such Global Debenture (being the Depository, or its nominee, for such Global Debenture) as holder thereof and particulars of the Global Debenture held by it, and of all transfers thereof.
- (b) Notwithstanding any other provision of this Indenture, a Global Debenture may not be transferred by the registered holder thereof and accordingly, no definitive certificates shall be issued to Beneficial Holders except in the following circumstances or as otherwise specified in a resolution of the Trustee, a resolution of the Board of Directors, Officers' Certificate or supplemental indenture relating to a particular series of Additional Debentures:
 - (i) Global Debentures may be transferred by a Depository to a nominee of such Depository or by a nominee of a Depository to such Depository or to another nominee of such Depository or by a Depository or its nominee to a successor Depository or its nominee;
 - (ii) Global Debentures may be transferred at any time after the Depository for such Global Debentures (i) has notified the Trustee, or the Corporation has notified the Trustee, that the Depository is unwilling or unable to continue as Depository for such Global Debentures, or (ii) ceases to be eligible to be a Depository under Section 2.9(b), provided that at the time of such transfer the Corporation has not appointed a qualified successor Depository for such Global Debentures;
 - (iii) Global Debentures may be transferred at any time after the Trustee has determined that an Event of Default has occurred and is continuing with respect to the Debentures of the series issued as a Global Debenture, provided that Beneficial Holders representing, in the aggregate, not less than 25% of the aggregate principal amount of the Debentures of such series advise the Depository in writing, through the Depository Participants, that the continuation of the book-entry only registration system for such series of Debentures is no longer in their best interest and also provided that at the time of such transfer the Trustee has not waived the Event of Default pursuant to Section 8.3;
 - (iv) Global Debentures may be transferred or exchanged for definitive certificates at any time after a Depository has determined, in its sole discretion, that such transfer or exchange is required to effect conversion and/or redemption rights in

accordance with the terms hereof and has communicated such determination to the Trustee in writing; or

- (v) Global Debentures may be transferred if (A) required by applicable law, as determined by the Corporation and the Corporation's counsel, (B) the Debenture is to be Authenticated to or for the account or benefit of a Person in the United States or a U.S. Person, or (C) such registration is effected in accordance with the internal procedures of the Depository and the Trustee.
- (c) With respect to any Global Debentures, unless and until definitive certificates have been issued to Beneficial Holders pursuant to Section 3.2(b):
- (i) the Corporation and the Trustee may deal with the Depository for all purposes (including paying interest on the Debentures) as the sole holder of such series of Debentures and the authorized representative of the Beneficial Holders;
 - (ii) the rights of the Beneficial Holders shall be exercised only through the Depository and shall be limited to those established by law and agreements between such Beneficial Holders and the Depository or the Depository Participants;
 - (iii) the Depository will make book-entry transfers among the Depository Participants; and
 - (iv) whenever this Indenture requires or permits actions to be taken based upon instruction or directions of Debentureholders evidencing a specified percentage of the outstanding Debentures, the Depository shall be deemed to be counted in that percentage only to the extent that it has received instructions to such effect from the Beneficial Holders or the Depository Participants, and has delivered such instructions to the Trustee.
- (d) Whenever a notice or other communication is required to be provided to Debentureholders, unless and until definitive certificate(s) have been issued to Beneficial Holders pursuant to this Section 3.2, the Trustee shall provide all such notices and communications to the Depository and the Depository shall deliver such notices and communications to such Beneficial Holders in accordance with Applicable Securities Legislation. Upon the termination of the book-entry only registration system on the occurrence of one or more of the conditions specified in Section 3.2(b) with respect to a series of Debentures issued hereunder, the Trustee shall notify all applicable Depository Participants and Beneficial Holders, through the Depository, of the availability of Definitive Debenture certificates. Upon surrender by the Depository of the certificate(s) representing the Global Debentures and receipt of new registration instructions from the Depository, the Trustee shall deliver the definitive Debenture certificates for such Debentures to the holders thereof in accordance with the new registration instructions and thereafter, the registration and transfer of such Debentures will be governed by Section 3.1 and the remaining Sections of this Article 3, provided that any Definitive Debentures that are issued in exchange for a Restricted Global Debenture shall bear the U.S. Legend.
- (e) Notwithstanding any provisions made in this Indenture with respect to redemptions, either full (at maturity or otherwise) or partial, or conversions, the expiry dates, payment dates and other acts that may be required to be done in connection with this Indenture, may be altered due to the internal procedures and processes with respect to cut-off times of the

Depository. It is understood and agreed to by the parties hereto that the Trustee shall have no responsibility in connection with any cut-off time imposed by the Depository.

3.3 Transferee Entitled to Registration

The transferee of a Debenture shall be entitled, after the appropriate form of transfer is lodged with the Trustee or other registrar and upon compliance with all other conditions in that regard required by this Indenture or by law, to be entered on the register as the owner of such Debenture free from all equities or rights of set-off or counterclaim between the Corporation and the transferor or any previous holder of such Debenture, save in respect of equities of which the Corporation is required to take notice by statute or by order of a court of competent jurisdiction.

3.4 No Notice of Trusts

Neither the Corporation nor the Trustee nor any registrar shall be bound to take notice of or see to the execution of any trust (other than that created by this Indenture) whether express, implied or constructive, in respect of any Debenture, and may transfer the same on the direction of the Person registered as the holder thereof, whether named as trustee or otherwise, as though that Person were the beneficial owner thereof.

3.5 Registers Open for Inspection

The registers referred to in Sections 3.1 and 3.2 shall at all reasonable times be open for inspection by the Corporation, the Trustee or any Debentureholder. Every registrar, including the Trustee, shall from time to time when requested so to do by the Corporation or by the Trustee, in writing, furnish the Corporation or the Trustee, as the case may be, with a list of names and addresses of holders of registered Debentures entered on the register kept by them and showing the principal amount and serial numbers of the Debentures held by each such holder, provided the Trustee shall be entitled to charge a reasonable fee to the Corporation to provide such a list.

3.6 Exchanges of Debentures

- (a) Subject to Sections 3.1, 3.2 and 3.7, Debentures in any authorized form or denomination, other than Global Debentures, may be exchanged for Debentures in any other authorized form or denomination, of the same series and date of maturity, bearing the same interest rate and of the same aggregate principal amount as the Debentures so exchanged.
- (b) In respect of exchanges of Debentures permitted by Section 3.6(a), Debentures of any series may be exchanged only at the principal office of the Trustee in the city of Calgary, Alberta or at such other place or places, if any, as may be specified in the Debentures of such series and at such other place or places as may from time to time be designated by the Corporation with the approval of the Trustee. Any Debentures tendered for exchange shall be surrendered to the Trustee. The Corporation shall execute and the Trustee shall certify all Debentures necessary to carry out exchanges as aforesaid. All Debentures surrendered for exchange shall be cancelled.
- (c) Debentures issued in exchange for Debentures which at the time of such issue have been selected or called for redemption at a later date shall be deemed to have been selected or called for redemption in the same manner and shall have noted thereon a statement to that effect.

3.7 Closing of Registers

- (a) Neither the Corporation nor the Trustee nor any registrar shall be required to:
 - (i) make transfers or exchanges of, or convert any Definitive Debentures on any Interest Payment Date for such Debentures or during the ten preceding Business Days;
 - (ii) make transfers or exchanges of, or convert any Debentures on the day of any selection by the Trustee of Debentures to be redeemed or during the ten preceding Business Days; or
 - (iii) make exchanges of any Debentures which will have been selected or called for redemption unless upon due presentation thereof for redemption such Debentures shall not be redeemed.
- (b) Subject to any restriction herein provided, the Corporation with the approval of the Trustee may at any time close any register for any series of Debentures, other than those kept at the principal office of the Trustee in Calgary, Alberta, and transfer the registration of any Debentures registered thereon to another register (which may be an existing register) and thereafter such Debentures shall be deemed to be registered on such other register. Notice of such transfer shall be given to the holders of such Debentures.

3.8 Charges for Registration, Transfer and Exchange

For each Debenture exchanged, registered, transferred or discharged from registration, the Trustee or other registrar, except as otherwise herein provided, may make a reasonable charge for its services and in addition may charge a reasonable sum for each new Debenture issued (such amounts to be agreed upon from time to time by the Trustee and the Corporation), and payment of such charges and reimbursement of the Trustee or other registrar for any stamp taxes or governmental or other charges required to be paid shall be made by the party requesting such exchange, registration, transfer or discharge from registration as a condition precedent thereto. Notwithstanding the foregoing provisions, no charge shall be made to a Debentureholder hereunder:

- (a) for any exchange, registration, transfer or discharge from registration of any Debenture applied for within a period of two months from the date of the first delivery of Debentures of that series or, with respect to Debentures subject to a Periodic Offering, within a period of two months from the date of delivery of any such Debenture;
- (b) for any exchange of a Global Debenture as contemplated in Section 3.2; or
- (c) for any exchange of any Debenture resulting from a partial redemption under Section 4.2.

3.9 Ownership of Debentures

- (a) Unless otherwise required by law, the Person in whose name any registered Debenture is registered shall for all purposes of this Indenture be and be deemed to be the owner thereof and payment of or on account of the principal of and premium, if any, on such Debenture and interest thereon shall be made to such registered holder.

- (b) The registered holder for the time being of any registered Debenture shall be entitled to the principal, premium, if any, and/or interest evidenced by such instruments, respectively, free from all equities or rights of set-off or counterclaim between the Corporation and the original or any intermediate holder thereof and all Persons may act accordingly and the receipt of any such registered holder for any such principal, premium, if any, or interest shall be a good discharge to the Trustee, any registrar and to the Corporation for the same and none shall be bound to inquire into the title of any such registered holder.
- (c) Where Debentures are registered in more than one name, the principal, premium, if any, and interest from time to time payable in respect thereof may be paid to the order of all such holders, failing written instructions from them to the contrary, and the receipt of any one of such holders therefor shall be a valid discharge, to the Trustee, any registrar and to the Corporation.
- (d) In the case of the death of one or more joint holders of any Debenture the principal, premium, if any, and interest from time to time payable thereon may be paid to the order of the survivor or survivors of such registered holders and the receipt of any such survivor or survivors therefor shall be a valid discharge to the Trustee and any registrar and to the Corporation.

ARTICLE 4 REDEMPTION AND PURCHASE OF DEBENTURES

4.1 Applicability of Article

Subject to regulatory approval and Section 2.6(d), the Corporation shall have the right at its option to redeem, either in whole at any time or in part from time to time before maturity, by payment of money, any Debentures issued hereunder of any series which by their terms are made so redeemable (subject, however, to any applicable restriction on the redemption of Debentures of such series) at such rate or rates of premium, if any, and on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debentures and as shall have been expressed in this Indenture, in the Debentures, in an Officers' Certificate, or in a supplemental indenture authorizing or providing for the issue thereof, or in the case of Additional Debentures issued pursuant to a Periodic Offering, in the Written Direction of the Corporation requesting the certification and delivery thereof.

Subject to regulatory approval, the Corporation shall also have the right at its option to repay, either in whole or in part, on maturity, by payment of money in accordance with Section 2.15, any Debentures issued hereunder of any series which by their terms are made so repayable on maturity (subject however, to any applicable restriction on the repayment of the principal amount of the Debentures of such series) at such rate or rates of premium, if any, and on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debenture and shall have been expressed in this Indenture, in the Debentures, in an Officers' Certificate, or in a supplemental indenture authorizing or providing for the issue thereof, or in the case of Additional Debentures issued pursuant to a Periodic Offering, in the Written Direction of the Corporation requesting the certification and delivery thereof.

4.2 Partial Redemption

If less than all the Debentures of any series for the time being outstanding are at any time to be redeemed, the Debentures to be so redeemed shall be selected by the Trustee on a pro rata basis to the nearest multiple of \$1,000 in accordance with the principal amount of the Debentures registered in the name of each holder or in such other manner as the Trustee deems equitable, subject to the approval of the TSX Venture Exchange or such other exchange on which the Debentures are then listed, as may be required from time to

time. Unless otherwise specifically provided in the terms of any series of Debentures, no Debenture shall be redeemed in part unless the principal amount redeemed is \$1,000 or a multiple thereof. For this purpose, the Trustee may make, and from time to time vary, regulations with respect to the manner in which such Debentures may be drawn for redemption and regulations so made shall be valid and binding upon all holders of such Debentures notwithstanding that as a result thereof one or more of such Debentures may become subject to redemption in part only or for cash only. In the event that one or more of such Debentures becomes subject to redemption in part only, upon surrender of any such Debentures for payment of the Redemption Price, together with interest accrued to but excluding the Redemption Date, the Corporation shall execute and the Trustee shall certify and deliver without charge to the holder thereof or upon the holder's order one or more new Debentures for the unredeemed part of the principal amount of the Debenture or Debentures so surrendered or, with respect to a Global Debenture, the Trustee shall make notations on the Global Debenture of the principal amount thereof so redeemed. Unless the context otherwise requires, the terms "**Debenture**" or "**Debentures**" as used in this Article 4 shall be deemed to mean or include any part of the principal amount of any Debenture which in accordance with the foregoing provisions has become subject to redemption.

4.3 Notice of Redemption

Notice of redemption (the "**Redemption Notice**") of any series of Debentures shall be given to the holders of the Debentures so to be redeemed not more than sixty (60) days nor less than thirty (30) days prior to the date fixed for redemption (the "**Redemption Date**") in the manner provided in Section 13.2. Every such notice shall specify the aggregate principal amount of Debentures called for redemption, the Redemption Date, the Redemption Price and the places of payment and shall state that interest upon the principal amount of Debentures called for redemption shall cease to be payable from and after the Redemption Date. The Redemption Notice shall be substantially in the form of Schedule "B". In addition, unless all the outstanding Debentures are to be redeemed, the Redemption Notice shall specify:

- (a) the distinguishing letters and numbers of the registered Debentures which are to be redeemed (or of such thereof as are registered in the name of such Debentureholder);
- (b) in the case of a published notice, the distinguishing letters and numbers of the Debentures which are to be redeemed or, if such Debentures are selected by terminal digit or other similar system, such particulars as may be sufficient to identify the Debentures so selected;
- (c) in the case of a Global Debenture, that the redemption will take place in such manner as may be agreed upon by the Depository, the Trustee and the Corporation; and
- (d) in all cases, the principal amounts of such Debentures or, if any such Debenture is to be redeemed in part only, the principal amount of such part.

In the event that all Debentures to be redeemed are registered Debentures, publication shall not be required.

4.4 Debentures Due on Redemption Dates

Notice having been given as aforesaid, all the Debentures so called for redemption shall thereupon be and become due and payable at the Redemption Price, together with accrued interest to but excluding the Redemption Date, on the Redemption Date specified in such notice, in the same manner and with the same effect as if it were the date of maturity specified in such Debentures, anything therein or herein to the contrary notwithstanding, and from and after such Redemption Date, if the monies necessary to redeem such Debentures shall have been deposited as provided in Section 4.5 and affidavits or other proof satisfactory to the Trustee as to the publication and/or mailing of such notices shall have been lodged with

it, interest upon the Debentures shall cease. If any question shall arise as to whether any notice has been given as above provided and such deposit made, such question shall be decided by the Trustee whose decision shall be final and binding upon all parties in interest.

4.5 Deposit of Redemption Monies

Redemption of Debentures shall be provided for by the Corporation depositing with the Trustee or any paying agent to the order of the Trustee, on or before 11:00 a.m. (Calgary time) on the Business Day immediately prior to the Redemption Date specified in such notice, such sums of money as may be sufficient to pay the Redemption Price of the Debentures so called for redemption, plus accrued and unpaid interest thereon up to but excluding the Redemption Date, provided the Corporation may elect to satisfy this requirement by providing the Trustee with a certified cheque or wire transfer for such amounts required under this Section 4.5 post-dated to the Redemption Date. The Corporation shall also deposit with the Trustee a sum of money sufficient to pay any charges or expenses which may be incurred by the Trustee in connection with such redemption. Every such deposit shall be irrevocable. From the sums so deposited, the Trustee shall pay or cause to be paid to the holders of such Debentures so called for redemption, upon surrender of such Debentures, the principal, premium (if any) and interest (if any) to which they are respectively entitled on redemption.

4.6 Failure to Surrender Debentures Called for Redemption

In case the holder of any Debenture so called for redemption shall fail on or before the Redemption Date to so surrender such holder's Debenture, or shall not within such time accept payment of the redemption monies payable or give such receipt therefor, if any, as the Trustee may require, such redemption monies may be set aside in trust, without interest, either in the deposit department of the Trustee or in a chartered bank, and such setting aside shall for all purposes be deemed a payment to the Debentureholder of the sum so set aside and, to that extent, the Debenture shall thereafter not be considered as outstanding hereunder and the Debentureholder shall have no other right except to receive payment out of the monies so paid and deposited upon surrender and delivery of such holder's Debenture, plus any accrued but unpaid interest thereon to but excluding the Redemption Date. In the event that any money required to be deposited hereunder with the Trustee or any depository or paying agent on account of principal, premium, if any, or interest, if any, on Debentures issued hereunder shall remain so deposited for a period of six years from the Redemption Date, then such monies, together with any accumulated interest thereon, shall at the end of such period be paid over by the Trustee or such depository or paying agent to the Corporation on its demand, and thereupon the Trustee shall not be responsible to Debentureholders for any amounts owing to them and, subject to applicable law, thereafter the holder of a Debenture in respect of which such money was so repaid to the Corporation shall have no rights in respect thereof except to obtain payment of the money due from the Corporation, subject to any limitation period provided by the laws of Alberta.

4.7 Cancellation of Debentures Redeemed

Subject to the provisions of Sections 4.2 and 4.8 as to Debentures redeemed or purchased in part, all Debentures redeemed and paid under this Article 4 shall forthwith be delivered to the Trustee and cancelled and no Debentures shall be issued in substitution for those redeemed.

4.8 Purchase of Debentures by the Corporation

Unless otherwise specifically provided with respect to a particular series of Debentures, the Corporation may, if it is not at the time in default hereunder, at any time and from time to time with the consent of the applicable holder, purchase Debentures in the market (which shall include purchases from or through an investment dealer or a firm holding membership on a recognized stock exchange) or by tender or by

contract, at any price. All Debentures so purchased will be delivered to the Trustee and shall be cancelled and no Debentures shall be issued in substitution therefor.

If, upon an invitation for tenders, more Debentures are tendered at the same lowest price than the Corporation is prepared to accept, the Debentures to be purchased by the Corporation shall be selected by the Trustee on a *pro rata* basis or in such other manner as consented to by the TSX Venture Exchange or such other exchange on which the Debentures are then listed which the Trustee considers appropriate, from the Debentures tendered by each tendering Debentureholder who tendered at such lowest price. For this purpose the Trustee may make, and from time to time amend, regulations with respect to the manner in which Debentures may be so selected, and regulations so made shall be valid and binding upon all Debentureholders, notwithstanding the fact that as a result thereof one or more of such Debentures become subject to purchase in part only. The holder of a Debenture of which a part only is purchased, upon surrender of such Debenture for payment, shall be entitled to receive, without expense to such holder, one or more new Debentures for the unpurchased part so surrendered, and the Trustee shall certify and deliver such new Debenture or Debentures upon receipt of the Debenture so surrendered or, with respect to a Global Debenture, the Trustee shall make notations on the Global Debenture of the principal amount thereof so purchased.

ARTICLE 5 SUBORDINATION OF DEBENTURES

5.1 Applicability of Article

The indebtedness, liabilities and obligations of the Corporation hereunder (except as provided in Section 14.14) or under the Debentures, whether on account of principal, premium, if any, interest or otherwise, but excluding the issuance of Common Shares upon any conversion pursuant to Article 6, upon any purchase pursuant to Article 4, or at maturity pursuant to Section 2.14 (collectively, the “**Debenture Liabilities**”), shall be subordinated and postponed and subject in right of payment, to the extent and in the manner hereinafter set forth in the following Sections of this Article 5, to the full and final payment of all Senior Indebtedness, and each holder of any such Debenture by his acceptance thereof agrees to and shall be bound by the provisions of this Article 5.

5.2 Order of Payment

In the event of any insolvency or bankruptcy proceedings, or any receivership, liquidation, reorganization or other similar proceedings relative to the Corporation, or to its property or assets, or in the event of any proceedings for voluntary liquidation, dissolution or voluntary winding-up of the Corporation, whether or not involving insolvency or bankruptcy, or any marshalling of the assets and liabilities of the Corporation:

- (a) all Senior Indebtedness shall first be paid in full, or provision made for such payment, before any payment is made on account of Debenture Liabilities;
- (b) any payment or distribution of assets of the Corporation, whether in cash, property or securities, to which the holders of the Debentures or the Trustee on behalf of such holders would be entitled except for the provisions of this Article 5, shall be paid or delivered by the trustee in bankruptcy, receiver, assignee for the benefit of creditors, or other liquidating agent making such payment or distribution, directly to the holders of Senior Indebtedness or their representative or representatives, or to the trustee or trustees under any indenture pursuant to which any instruments evidencing any of such Senior Indebtedness may have been issued, to the extent necessary to pay all Senior Indebtedness in full after giving effect to any concurrent payment or distribution, or provision therefor, to the holders of such Senior Indebtedness; and

- (c) the Senior Creditors or a receiver or a receiver-manager of the Corporation or of all or part of its assets or any other enforcement agent may sell, mortgage or otherwise dispose of the Corporation's assets in whole or in part, free and clear of all Debenture Liabilities and without the approval of the Debentureholders or the Trustee.

The rights and priority of the Senior Indebtedness and the subordination pursuant hereto shall not be affected by:

- (i) the time, sequence or order of creating, granting, executing, delivering of, or registering, perfecting or failing to register or perfect any security notice, caveat, financing statement or other notice in respect of the Senior Security;
- (ii) the time or order of the attachment, perfection or crystallization of any security constituted by the Senior Security;
- (iii) the taking of any collection, enforcement or realization proceedings pursuant to the Senior Security;
- (iv) the date of obtaining of any judgment or order of any bankruptcy court or any court administering bankruptcy, insolvency or similar proceedings as to the entitlement of the Senior Creditors, or any of them or the Debentureholders or any of them to any money or property of the Corporation;
- (v) the failure to exercise any power or remedy reserved to the Senior Creditors under the Senior Security or to insist upon a strict compliance with any terms thereof;
- (vi) whether any Senior Security is now perfected, hereafter ceases to be perfected, is avoidable by any trustee in bankruptcy or like official or is otherwise set aside, invalidated or lapses;
- (vii) the date of giving or failing to give notice to or making demand upon the Corporation; or
- (viii) any other matter whatsoever.

5.3 Subrogation to Rights of Holders of Senior Indebtedness

Subject to the prior payment in full of all Senior Indebtedness, the holders of the Debentures shall be subrogated to the rights of the holders of Senior Indebtedness to receive payments or distributions of assets of the Corporation to the extent of the application thereto of such payments or other assets which would have been received by the holders of the Debentures but for the provisions hereof until the principal of, premium, if any, and interest on the Debentures shall be paid in full, and no such payments or distributions to the holders of the Debentures of cash, property or securities, which otherwise would be payable or distributable to the holders of the Senior Indebtedness, shall, as between the Corporation, its creditors other than the holders of Senior Indebtedness, and the holders of Debentures, be deemed to be a payment by the Corporation to the holders of the Senior Indebtedness or on account of the Senior Indebtedness, it being understood that the provisions of this Article 5 are and are intended solely for the purpose of defining the relative rights of the holders of the Debentures, on the one hand, and the holders of Senior Indebtedness, on the other hand.

The Trustee, for itself and on behalf of each of the Debentureholders, hereby waives any and all rights to require a Senior Creditor to pursue or exhaust any rights or remedies with respect to the Corporation or any property and assets subject to any Senior Security or in any other manner to require the orderly disposition of property, assets or security in connection with the exercise by the Senior Creditors of any rights, remedies or recourses available to them.

5.4 Obligation to Pay Not Impaired

Nothing contained in this Article 5 or elsewhere in this Indenture or in the Debentures is intended to or shall impair, as between the Corporation, its creditors other than the holders of Senior Indebtedness, and the holders of the Debentures, the obligation of the Corporation, which is absolute and unconditional, to pay to the holders of the Debentures the principal of, premium, if any, and interest on the Debentures, as and when the same shall become due and payable in accordance with their terms, or affect the relative rights of the holders of the Debentures and creditors of the Corporation other than the holders of the Senior Indebtedness, nor shall anything herein or therein prevent the Trustee or the holder of any Debenture from exercising all remedies otherwise permitted by applicable law upon default under this Indenture, subject to the rights, if any, under this Article 5 of the holders of Senior Indebtedness.

5.5 No Payment if Senior Indebtedness in Default

Upon the maturity of any Senior Indebtedness by lapse of time, acceleration or otherwise, or any other enforcement of any Senior Indebtedness, then, except as provided in Section 5.8, all such Senior Indebtedness shall first be paid in full, or shall first have been duly provided for, before any payment is made on account of the Debenture Liabilities.

In case of a circumstance constituting a default or event of default with respect to any Senior Indebtedness permitting (whether at that time or upon notice, lapse of time, or satisfaction of any other condition precedent) a Senior Creditor to demand payment or accelerate the maturity thereof where the notice of such default or event of default has been given by or on behalf of the holders of Senior Indebtedness to the Corporation or the Corporation otherwise has knowledge thereof, unless and until such default or event of default shall have been cured or waived or shall have ceased to exist, no payment (by purchase of Debentures or otherwise) shall be made by the Corporation (except as provided in Section 5.8) with respect to the Debenture Liabilities and neither the Trustee nor the holders of Debentures shall be entitled to demand, institute proceedings for the collection of (which shall, for certainty include proceedings related to an adjudication or declaration as to the insolvency or bankruptcy of the Corporation and other similar creditor proceedings), or receive any payment or benefit (including without limitation by set-off, combination of accounts or otherwise in any manner whatsoever) on account of the Debentures after the happening of such a default or event of default (except as provided in Section), and unless and until such default or event of default shall have been cured or waived or shall have ceased to exist, such payments shall be held in trust for the benefit of, and, if and when such Senior Indebtedness shall have become due and payable, shall be paid over to, the holders of the Senior Indebtedness or their representative or representatives or to the trustee or trustees under any indenture under which any instruments evidencing an amount of the Senior Indebtedness remaining unpaid until all such Senior Indebtedness shall have been paid in full, after giving effect to any concurrent payment or distribution to the holders of such Senior Indebtedness.

The fact that any payment hereunder is prohibited by this Section 5.5 shall not prevent the failure to make such payment from being an Event of Default hereunder.

5.6 Payment on Debentures Permitted

Nothing contained in this Article 5 or elsewhere in this Indenture, or in any of the Debentures, shall affect the obligation of the Corporation to make, or prevent the Corporation from making, at any time except as prohibited by Sections 5.2 or 5.5, any payment of principal of or premium, if any, or interest on the Debentures. The fact that any such payment is prohibited by Sections 5.2 or 5.5 shall not prevent the failure to make such payment from being an Event of Default hereunder. Nothing contained in this Article 5 or elsewhere in this Indenture, or in any of the Debentures, shall prevent the conversion of the Debentures or, except as prohibited by Sections 5.2 or 5.5, the application by the Trustee of any monies deposited with the Trustee hereunder for the purpose, to the payment of or on account of the Debenture Liabilities.

5.7 Confirmation of Subordination

Each holder of Debentures by his acceptance thereof authorizes and directs the Trustee on his behalf to take such action as may be necessary or appropriate to effect the subordination as provided in this Article 5 and appoints the Trustee his attorney-in-fact for any and all such purposes. Upon request of the Corporation, and upon being furnished an Officers' Certificate stating that one or more named Persons are Senior Creditors and specifying the amount and nature of the Senior Indebtedness of such Senior Creditor, the Trustee shall enter into a written agreement or agreements with the Corporation and the Person or Persons named in such Officers' Certificate providing that such Person or Persons are entitled to all the rights and benefits of this Article 5 as a Senior Creditor and for such other matters, such as an agreement not to amend the provisions of this Article 5 and the definitions herein without the consent of such Senior Creditor, as the Senior Creditor may reasonably request. Such agreement shall be conclusive evidence that the indebtedness specified therein is Senior Indebtedness, however, nothing herein shall impair the rights of any Senior Creditor who has not entered into such an agreement.

5.8 Knowledge of Trustee

Notwithstanding the provisions of this Article 5 or any provision in this Indenture or in the Debentures contained, the Trustee will not be charged with knowledge of any Senior Indebtedness or of any default in the payment thereof, or of the existence of any Event of Default or any other fact that would prohibit the making of any payment of monies to or by the Trustee, or the taking of any other action by the Trustee, unless and until the Trustee has received written notice thereof from the Corporation, any Debentureholder or any Senior Creditor.

5.9 Trustee May Hold Senior Indebtedness

The Trustee is entitled to all the rights set forth in this Article 5 with respect to any Senior Indebtedness at the time held by it, to the same extent as any other holder of Senior Indebtedness, and nothing in this Indenture deprives the Trustee of any of its rights as such holder.

5.10 Rights of Holders of Senior Indebtedness Not Impaired

No right of any present or future holder of any Senior Indebtedness to enforce the subordination herein will at any time or in any way be prejudiced or impaired by any act or failure to act on the part of the Corporation or by any non-compliance by the Corporation with the terms, provisions and covenants of this Indenture, regardless of any knowledge thereof which any such holder may have or be otherwise charged with.

5.11 Altering the Senior Indebtedness

The holders of the Senior Indebtedness have the right to extend, renew, modify or amend the terms of the Senior Indebtedness or any security therefor and to release, sell or exchange such security and otherwise to deal freely with the Corporation, all without notice to or consent of the Debentureholders or the Trustee and without affecting the liabilities and obligations of the parties to this Indenture or the Debentureholders.

5.12 Additional Indebtedness

This Indenture does not restrict the Corporation from incurring additional indebtedness for borrowed money or other obligations or liabilities (including Senior Indebtedness) or mortgaging, pledging or charging its properties to secure any indebtedness or obligations or liabilities.

5.13 Right of Debentureholder to Convert Not Impaired

The subordination of the Debentures to the Senior Indebtedness and the provisions of this Article 5 do not impair in any way the right of a Debentureholder to convert its Debentures pursuant to Article 6.

5.14 Invalidated Payments

In the event that any of the Senior Indebtedness shall be paid in full and subsequently, for whatever reason, such formerly paid or satisfied Senior Indebtedness becomes unpaid or unsatisfied, the terms and conditions of this Article 5 shall be reinstated and the provisions of this Article 5 shall again be operative until all Senior Indebtedness is repaid in full, provided that such reinstatement shall not give the Senior Creditors any rights or recourses against the Trustee or the Debentureholders for amounts paid to the Debentureholders subsequent to such payment or satisfaction in full and prior to such reinstatement.

5.15 Contesting Security

The Trustee, for itself and on behalf of the Debentureholders, agrees that it shall not contest or bring into question the validity, perfection or enforceability of any of the Senior Indebtedness, the Senior Security, or the relative priority of the Senior Security.

ARTICLE 6 CONVERSION OF DEBENTURES

6.1 Applicability of Article

Any Debentures issued hereunder of any series which by their terms are convertible (subject, however, to any applicable restriction of the conversion of Debentures of such series) will be convertible into Common Shares or other securities of the Corporation, at such conversion rate or rates, and on such date or dates and in accordance with such other provisions as shall have been determined at the time of issue of such Debentures and shall have been expressed in this Indenture, in such Debentures, in an Officers' Certificate, or in a supplemental indenture authorizing or providing for the issue thereof.

Such right of conversion shall extend only to the maximum number of whole Common Shares into which the aggregate principal amount of the Debenture or Debentures surrendered for conversion at any one time by the holder thereof may be converted. Fractional interests in Common Shares shall be adjusted for in the manner provided in Section 6.6.

6.2 Notice of Expiry of Conversion Privilege

Notice of the expiry of the conversion privileges of the Debentures shall be given by or on behalf of the Corporation, not more than sixty (60) days and not less than thirty (30) days prior to the date fixed for the Time of Expiry, in the manner provided in Section 13.2.

6.3 Revival of Right to Convert

If the redemption of any Debenture called for redemption by the Corporation is not made or the payment of the purchase price of any Debenture which has been tendered in acceptance of an offer by the Corporation to purchase Debentures for cancellation is not made, in the case of a redemption upon due surrender of such Debenture or in the case of a purchase on the date on which such purchase is required to be made, as the case may be, then the right to convert such Debentures shall revive and continue as if such Debenture had not been called for redemption or tendered in acceptance of the Corporation's offer, respectively.

6.4 Manner of Exercise of Right to Convert

- (a) The holder of a Debenture desiring to convert such Debenture in whole or in part into Common Shares shall (i) surrender, in the case of a Certificated Debenture, such Certificated Debenture, and (ii) deliver a Transaction Instruction in the case of an Uncertificated Debenture, prior to the Time of Expiry, to the Trustee at its principal office in the City of Calgary, Alberta, together with the completed conversion form attached as Schedule "C" or any other written notice in form and substance satisfactory to the Trustee, in either case duly executed by the holder or his executors or administrators or other legal representatives or his or their attorney duly appointed by an instrument in writing in form and executed in a manner satisfactory to the Trustee, exercising his right to convert such Debenture in accordance with the provisions of this Article 6; provided that with respect to the Global Debenture, the obligation to surrender a Debenture to the Trustee shall be satisfied if the Trustee makes notation on the Global Debenture of the principal amount thereof so converted and the Trustee is provided with all other documentation which it may request. Thereupon such Debentureholder or, subject to payment of all applicable stamp taxes or security transfer taxes or other governmental charges and compliance with all reasonable requirements of the Trustee, his nominee(s) or assignee(s) shall be entitled to be entered in the books of the Corporation as at the Date of Conversion (or such later date as is specified in Section 6.4(b)) as the holder of the number of Common Shares, as applicable, into which such Debenture is convertible in accordance with the provisions of this Article 6 and, as soon as practicable thereafter, the Corporation shall deliver to such Debentureholder or, subject as aforesaid, his nominee(s) or assignee(s), a certificate or certificates of such Common Shares.
- (b) For the purposes of this Article, a Debenture shall be deemed to be surrendered for conversion on the date (herein called the "**Date of Conversion**") on which it is so surrendered, in the case of a Certificated Debenture, or on the date on which a Transaction Instruction in respect thereof, in the case of an Uncertificated Debenture, is delivered to the Trustee, in accordance with the provisions hereof and, in the case of a Debenture so surrendered or Transaction Instructions delivered, as the case may be, by mail or other means of delivery, on the date on which the Debenture or Transaction Instruction, as the case may be, is physically received by the Trustee at its office specified in subsection 6.4(a). In the case of a Debenture so surrendered by post or other means of transmission, on the date on which it is received by the Trustee on which the register of Common Shares

is closed, the Person entitled to receive Common Shares shall become the holder of record of such Common Shares as at the date on which such register is next reopened.

- (c) Any part, being \$1,000 or an integral multiple thereof, of a Debenture of a denomination in excess of \$1,000 may be converted as provided in this Article 6 and all references in this Indenture to conversion of Debentures shall be deemed to include conversion of such parts. The Debentureholder of any Debenture of which part only is converted shall, upon the exercise of his right of conversion, (i) in the case of Certificated Debentures surrender such Debenture to the Trustee and the Trustee shall cancel the same and shall forthwith Authenticate a new Certificated Debenture or Certificated Debentures in an aggregate principal amount equal to the unconverted part of the principal amount of the Debenture so surrendered and (ii) in the case of Uncertificated Debentures, upon the delivery of the applicable Transaction Instruction.
- (d) The holder of any Debenture of which only a part is converted shall, upon the exercise of his right of conversion (i) in the case of Certificated Debentures surrender such Debenture to the Trustee and the Trustee shall cancel the same and shall forthwith Authenticate a new Certificated Debenture or Certificated Debentures in an aggregate principal amount equal to the unconverted part of the principal amount of the Debenture so surrendered and (ii) in the case of Uncertificated Debentures upon the delivery of the applicable Transaction Instruction to the Trustee in accordance with Section 6.4(a), and the Trustee shall cancel the same and shall without charge forthwith certify and deliver to the holder a new Debenture or Debentures in an aggregate principal amount equal to the unconverted part of the principal amount of the Debenture so surrendered or, with respect to a Global Debenture, the Trustee shall make notations on the Global Debentures of the principal amount thereof so converted.
- (e) Holders converting Debentures shall receive accrued and unpaid interest thereon from the period of the last Interest Payment Date prior to the Date of Conversion to the date that is one Business Day prior to the Date of Conversion. The Common Shares issued upon such conversion shall rank only in respect of distributions or dividends declared in favour of shareholders of record on and after the Date of Conversion or such later date as such holder shall become the holder of record of such Common Shares pursuant to Section 6.4(b), from which applicable date they will for all purposes be and be deemed to be issued and outstanding as fully paid and non-assessable Common Shares.

6.5 Adjustment of Conversion Price

Subject to the requirements of the TSX Venture Exchange, the Conversion Price in effect at any date shall be subject to adjustment from time to time as set forth below.

- (a) If and whenever at any time prior to the Time of Expiry the Corporation shall (i) subdivide or redivide the outstanding Common Shares into a greater number of shares, (ii) reduce, combine or consolidate the outstanding Common Shares into a smaller number of shares, or (iii) issue Common Shares or securities exchangeable or convertible into Common Shares to the holders of all or substantially all of the outstanding Common Shares by way of a dividend or distribution (other than the issue of Common Shares to holders of Common Shares who have elected to receive dividends or distributions in the form of Common Shares in lieu of cash dividends or cash distributions paid in the ordinary course on the Common Shares), the Conversion Price in effect on the effective date of such subdivision, redivision, reduction, combination or consolidation or on the record date for such issue of

Common Shares by way of a dividend or distribution, as the case may be, shall in the case of any of the events referred to in (i) and (iii) above be decreased in proportion to the number of outstanding Common Shares resulting from such subdivision, redivision or dividend, or shall, in the case of any of the events referred to in (ii) above, be increased in proportion to the number of outstanding Common Shares resulting from such reduction, combination or consolidation. Such adjustment shall be made successively whenever any event referred to in this Section 6.5(a) shall occur. Any such issue of Common Shares by way of a dividend or distribution shall be deemed to have been made on the record date for the dividend or distribution for the purpose of calculating the number of outstanding Common Shares under subsections 6.5(c) and 6.5(d) of this Section 6.5.

- (b) If and whenever at any time prior to the Time of Expiry the Corporation shall fix a record date for the payment of a cash dividend or distribution to the holders of all or substantially all of the outstanding Common Shares in respect of any Applicable Period, other than cash dividends or distributions issued in the ordinary course, the Conversion Price shall be adjusted immediately after such record date so that it shall be equal to the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the denominator shall be the Current Market Price per Common Share on such record date and of which the numerator shall be the Current Market Price per Common Share on such record date minus the amount in cash per Common Share distributed to holders of Common Shares. Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such cash dividend or distribution is not paid, the Conversion Price shall be re-adjusted to the Conversion Price which would then be in effect if such record date had not been fixed.
- (c) If and whenever at any time prior to the Time of Expiry the Corporation shall fix a record date for the issuance of options, rights or warrants to all or substantially all the holders of its outstanding Common Shares entitling them, for a period expiring not more than 45 days after such record date, to subscribe for or purchase Common Shares (or securities convertible into Common Shares) at a price per share (or having a conversion or exchange price per share) less than 95% of the Current Market Price of a Common Share on such record date, the Conversion Price shall be adjusted immediately after such record date so that it shall equal the price determined by multiplying the Conversion Price in effect on such record date by a fraction, of which the numerator shall be the total number of Common Shares outstanding on such record date plus a number of Common Shares equal to the number arrived at by dividing the aggregate price of the total number of additional Common Shares offered for subscription or purchase (or the aggregate conversion or exchange price of the convertible securities so offered) by such Current Market Price per Common Share, and of which the denominator shall be the total number of Common Shares outstanding on such record date plus the total number of additional Common Shares offered for subscription or purchase (or into which the convertible securities so offered are convertible). Such adjustment shall be made successively whenever such a record date is fixed. To the extent that any such options, rights or warrants are not so issued or any such options, rights or warrants are not exercised prior to the expiration thereof, the Conversion Price shall be re-adjusted to the Conversion Price which would then be in effect if such record date had not been fixed or to the Conversion Price which would then be in effect based upon the number of Common Shares (or securities convertible into Common Shares) actually issued upon the exercise of such options, rights or warrants were included in such fraction, as the case may be.

- (d) If and whenever at any time prior to the Time of Expiry, there is a reclassification of the Common Shares or a capital reorganization of the Corporation other than as described in Section 6.5(a) or a consolidation, amalgamation, arrangement, binding share exchange, merger of the Corporation with or into any other Person or other entity or acquisition of the Corporation or other combination pursuant to which the Common Shares are converted into or acquired for cash, securities or other property; or a sale or conveyance of the property and assets of the Corporation as an entirety or substantially as an entirety to any other Person (other than a direct or indirect wholly-owned subsidiary of the Corporation) or other entity or a liquidation, dissolution or winding-up of the Corporation, any holder of a Debenture who has not exercised its right of conversion prior to the effective date of such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, upon the exercise of such right thereafter, shall be entitled to receive and shall accept, in lieu of the number of Common Shares then sought to be acquired by it, such amount of cash or the number of shares or other securities or property of the Corporation or of the Person or other entity resulting from such merger, amalgamation, arrangement, acquisition, combination or consolidation, or to which such sale or conveyance may be made or which holders of Common Shares receive pursuant to such liquidation, dissolution or winding-up, as the case may be, that such holder of a Debenture would have been entitled to receive on such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, if, on the record date or the effective date thereof, as the case may be, the holder had been the registered holder of the number of Common Shares sought to be acquired by it and to which it was entitled to acquire upon the exercise of the conversion right. If determined appropriate by the Board of Directors, to give effect to or to evidence the provisions of this Section 6.5(d), the Corporation, its successor, or such purchasing Person or other entity, as the case may be, shall, prior to or contemporaneously with any such reclassification, capital reorganization, consolidation, amalgamation, arrangement, merger, share exchange, acquisition, combination, sale or conveyance or liquidation, dissolution or winding-up, enter into an indenture which shall provide, to the extent possible, for the application of the provisions set forth in this Indenture with respect to the rights and interests thereafter of the holder of Debentures to the end that the provisions set forth in this Indenture shall thereafter correspondingly be made applicable, as nearly as may reasonably be, with respect to any cash, shares or other securities or property to which a holder of Debentures is entitled on the exercise of its acquisition rights thereafter. Any indenture entered into between the Corporation and the Trustee pursuant to the provisions of this Section 6.5(d) shall be a supplemental indenture entered into pursuant to the provisions of Article 15. Any indenture entered into between the Corporation, any successor to the Corporation or such purchasing Person or other entity and the Trustee shall provide for adjustments which shall be as nearly equivalent as may be practicable to the adjustments provided in this Section 6.5(d) and which shall apply to successive reclassifications, capital reorganizations, amalgamations, consolidations, mergers, share exchanges, acquisitions, combinations, sales or conveyances. For greater certainty, nothing in this Section 6.5(d) shall affect or reduce the requirement for any Person to make a Change of Control Purchase Offer or any payment in connection therewith in accordance with Section 2.6, and notice of any transaction to which this Section 6.5(d) applies shall be given in accordance with Section 6.10.
- (e) If the Corporation shall make a distribution to all or substantially all of the holders of Common Shares of shares in the capital of the Corporation, other than Common Shares, or evidences of indebtedness or other assets of the Corporation, including securities (but

excluding (x) any issuance of rights or warrants for which an adjustment was made pursuant to Section 6.5(c), and (y) any dividend or distribution paid exclusively in cash for which an adjustment was made pursuant to Section 6.5(b) (the “**Distributed Securities**”), then in each such case (unless the Corporation distributes such Distributed Securities to the holders of Debentures on such dividend or distribution date (as if each holder had converted such Debenture into Common Shares immediately preceding the record date with respect to such distribution)) the Conversion Price in effect immediately preceding the record date fixed for the dividend or distribution shall be adjusted so that the same shall equal the price determined by multiplying the Conversion Price in effect immediately preceding such record date by a fraction of which the denominator shall be the Current Market Price for the Common Shares immediately prior to the record date and of which the numerator shall be the Current Market Price per Common Share on such record date less the fair market value (as determined by the Board of Directors, whose determination shall be conclusive evidence of such fair market value and which shall be evidenced by an Officers’ Certificate delivered to the Trustee, all subject to the approval of the TSX Venture Exchange) on such record date of the portion of the Distributed Securities so distributed applicable to one Common Share (determined on the basis of the number of Common Shares outstanding at the close of business on such record date). Such adjustment shall be made successively whenever any such distribution is made and shall become effective immediately after the record date. In the event that such dividend or distribution is not so paid or made, the Conversion Price shall again be adjusted to be the Conversion Price that would then be in effect if such dividend or distribution had not been declared.

Notwithstanding the foregoing, if the securities distributed by the Corporation to all holders of its Common Shares consist of Capital Stock of, or similar equity interests in, a Subsidiary or other business of the Corporation (the “**Spinoff Securities**”), the Conversion Price shall be adjusted, unless the Corporation makes an equivalent distribution to the holders of Debentures, so that the same shall be equal to the rate determined by multiplying the Conversion Price in effect on the record date fixed for the determination of shareholders entitled to receive such distribution by a fraction, the denominator of which shall be the sum of (A) the weighted average trading price of one Common Share over the 20 consecutive trading day period (the “**Spinoff Valuation Period**”) commencing on and including the fifth trading day after the date on which ex-dividend trading commences for such distribution on the TSX Venture Exchange, or such other national or regional exchange or market on which the Common Shares are then listed or quoted and (B) the product of (i) the weighted average trading price (calculated in substantially the same way as the Current Market Price is calculated for the Common Shares) over the Spinoff Valuation Period of the Spinoff Securities or, if no such prices are available, the fair market value of the Spinoff Securities as reasonably determined by the Board of Directors (which determination shall be conclusive and shall be evidenced by an Officers’ Certificate delivered to the Trustee but shall be subject to the approval of the TSX Venture Exchange) multiplied by (ii) the number of Spinoff Securities distributed in respect of one Common Share and the numerator of which shall be the weighted average trading price of one Common Share over the Spinoff Valuation Period, such adjustment to become effective immediately preceding the opening of business on the 25th trading day after the date on which ex-dividend trading commences; provided, however, that the Corporation may in lieu of the foregoing adjustment elect to make adequate provision so that each holder of Debentures shall have the right to receive upon conversion thereof the amount of such Spinoff Securities that such holder of Debentures would have received if such Debentures had been converted on the record date with respect to such distribution.

- (f) In any case in which this Section 6.5 shall require that an adjustment shall become effective immediately after a record date for an event referred to herein, the Corporation may defer, until the occurrence of such event, issuing to the holder of any Debenture converted after such record date and before the occurrence of such event the additional Common Shares issuable upon such conversion by reason of the adjustment required by such event before giving effect to such adjustment; provided, however, that the Corporation shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional Common Shares upon the occurrence of the event requiring such adjustment and the right to receive any distributions made on such additional Common Shares declared in favour of holders of record of Common Shares on and after the Date of Conversion or such later date as such holder would, but for the provisions of this Section 6.5(f), have become the holder of record of such additional Common Shares pursuant to Section 6.4(b).
- (g) The adjustments provided for in this Section 6.5 are cumulative and shall apply to successive subdivisions, redivisions, reductions, combinations, consolidations, distributions, issues or other events resulting in any adjustment under the provisions of this Section 6.5, provided that, notwithstanding any other provision of this Section 6.5, no adjustment of the Conversion Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Conversion Price then in effect; provided however, that any adjustments which by reason of this Section 6.5(g) are not required to be made shall be carried forward and taken into account in any subsequent adjustment.
- (h) For the purpose of calculating the number of Common Shares outstanding, Common Shares owned by or for the benefit of the Corporation shall not be counted.
- (i) In the event of any question arising with respect to the adjustments provided in this Section 6.5, such question shall be conclusively determined by a firm of nationally recognized chartered accountants appointed by the Corporation and acceptable to the Trustee (who may be the Auditors of the Corporation); such accountants shall have access to all necessary records of the Corporation and such determination shall be binding upon the Corporation, the Trustee and the Debentureholders.
- (j) In case the Corporation shall take any action affecting the Common Shares other than action described in this Section 6.5, which in the opinion of the Board of Directors, would materially affect the rights of Debentureholders, the Conversion Price shall be adjusted in such manner and at such time, by action of the Board of Directors, subject to the prior written consent of the TSX Venture Exchange or such other exchange on which the Common Shares are then listed, as the Board of Directors, in their sole discretion may determine to be equitable in the circumstances. Failure of the directors to make such an adjustment shall be conclusive evidence that they have determined that it is equitable to make no adjustment in the circumstances.
- (k) Subject to the prior written consent of the TSX Venture Exchange or such other exchange on which the Common Shares are then listed, no adjustment in the Conversion Price shall be made in respect of any event described in Sections 6.5(a), 6.5(b), 6.5(c) or 6.5(e) other than the events described in Section 6.5(a)(i) or (a)(ii) if the holders of the Debentures are entitled to participate in such event on the same terms *mutatis mutandis* as if they had converted their Debentures prior to the effective date or record date, as the case may be, of such event.

- (l) Except as stated above in this Section 6.5, no adjustment will be made in the Conversion Price for any Debentures as a result of the issuance of Common Shares at less than the Current Market Price for such Common Shares on the date of issuance or the then applicable Conversion Price.

6.6 No Requirement to Issue Fractional Common Shares

The Corporation shall not be required to issue fractional Common Shares upon the conversion of Debentures pursuant to this Article. If more than one Debenture shall be surrendered for conversion at one time by the same holder, the number of whole Common Shares issuable upon conversion thereof shall be computed on the basis of the aggregate principal amount of such Debentures to be converted. If any fractional interest in a Common Share would, except for the provisions of this Section, be deliverable upon the conversion of any principal amount of Debentures, the Corporation shall, in lieu of delivering any certificate representing such fractional interest, make a cash payment to the holder of such Debenture of an amount equal to the fractional interest which would have been issuable multiplied by the Current Market Price, provided, however, that the Corporation shall not be required to make any payment of less than \$10.00.

6.7 Forced Conversion

Notwithstanding anything to the contrary contained herein and subject to any required regulatory approval and provided no Event of Default has occurred and is continuing, if, at any time (i) following May 1, 2025, and (ii) prior to the Maturity Date, the VWAP for ten (10) consecutive trading days equals or exceeds \$0.32, as adjusted in accordance with Section 6.5, the Corporation may force conversion of all but not less than all of the principal amount of the Debentures at the then applicable Conversion Price, upon giving the Debentureholders not less than 30 Business Days' advance written notice (the "**Forced Conversion Notice**"), in accordance with Section 13.2.

In the event that the Corporation exercises its right to force conversion of all of the principal amount and all accrued and unpaid interest of the Debentures pursuant to this Section 6.7 (the "**Forced Conversion Right**"), the effective date for the forced conversion (the "**Forced Conversion Date**") shall be: (a) the date stipulated in the Forced Conversion Notice; or (b) if no date is so stipulated in the Forced Conversion Notice, the date that is thirty (30) Business Days following the date of such Forced Conversion Notice, and upon such Forced Conversion Date: (i) all of the principal amount and all accrued and unpaid interest (less any tax required by law to be deducted or withheld) of the Debentures shall be deemed to be converted into Common Shares at the then applicable Conversion Price; and (ii) the Debentureholders shall be entered in the books of the Corporation as at the Forced Conversion Date as the holder of the number of Common Shares, as applicable, into which the Debentures held by them are convertible. Upon the surrender of Debenture certificates to the Trustee at its principal office in the City of Calgary, Alberta by the Debentureholders, the Corporation shall deliver to the Debentureholders certificates for the Common Shares or deposit Common Shares through the Depository's non-certificated system, as applicable, for the Common Shares into which the Debentures held by them have been converted.

In the event that the Corporation exercises the Forced Conversion Right, Debentureholders shall receive accrued and unpaid interest thereon from the period commencing on the last Interest Payment Date (or the date of issuance of the Debentures) prior to the Date of Conversion up to, but excluding, the Forced Conversion Date. The Common Shares issued upon such forced conversion shall rank only in respect of distributions or dividends declared in favour of shareholders of record on and after the Forced Conversion Date or such later date as such holder shall become the holder of record of such Common Shares pursuant to this Section 6.7, from which applicable date they will for all purposes be and be deemed to be issued and outstanding as fully paid and non-assessable Common Shares.

6.8 Corporation to Reserve Common Shares

The Corporation covenants with the Trustee that it will at all times reserve and keep available out of its authorized Common Shares (if the number thereof is or becomes limited), solely for the purpose of issue upon conversion of Debentures as in this Article 6 provided, and conditionally allot to Debentureholders who may exercise their conversion rights hereunder, such number of Common Shares as shall then be issuable upon the conversion of all outstanding Debentures. The Corporation covenants with the Trustee that all Common Shares which shall be so issuable shall be duly and validly issued as fully-paid and non-assessable.

6.9 Cancellation of Converted Debentures

Subject to the provisions of Section 6.4 as to Debentures converted in part, all Debentures converted in whole or in part under the provisions of this Article 6 shall be forthwith delivered to and cancelled by the Trustee and no Debenture shall be issued in substitution for those converted.

6.10 Certificate as to Adjustment

The Corporation shall from time to time immediately after the occurrence of any event which requires an adjustment or readjustment as provided in Section 6.5, deliver an Officers' Certificate to the Trustee specifying the nature of the event requiring the same and the amount of the adjustment necessitated thereby and setting forth in reasonable detail the method of calculation and the facts upon which such calculation is based, which certificate and the amount of the adjustment specified therein shall be verified by an opinion of a firm of nationally recognized chartered accountants appointed by the Corporation and acceptable to the Trustee (who may be the Auditors of the Corporation) and shall be conclusive and binding on all parties in interest. The Trustee shall rely, and shall be protected in so doing, upon the Officers' Certificate of the Corporation and any other document filed by the Corporation pursuant to this Article 6 for all purposes. When so approved, the Corporation shall, except in respect of any subdivision, redivision, reduction, combination or consolidation of the Common Shares, forthwith give notice to the Debentureholders in the manner provided in Section 13.2 specifying the event requiring such adjustment or readjustment and the results thereof, including the resulting Conversion Price; provided that, if the Corporation has given notice under this Section 6.9 covering all the relevant facts in respect of such event and if the Trustee approves, no such notice need be given under Section 13.2.

6.11 Notice of Special Matters

The Corporation covenants with the Trustee that so long as any Debenture remains outstanding, it will give notice to the Trustee, and to the Debentureholders in the manner provided in Section 13.2, of its intention to fix a record date for any event referred to in Sections 6.5(a), 6.5(b), 6.5(c) or 6.5(e) (other than the subdivision, redivision, reduction, combination or consolidation of its Common Shares) which may give rise to an adjustment in the Conversion Price, and, in each case, such notice shall specify the particulars of such event and the record date and the effective date for such event; provided that the Corporation shall only be required to specify in such notice such particulars of such event as shall have been fixed and determined on the date on which such notice is given. Such notice shall be given not less than fourteen (14) days in each case prior to such applicable record date.

In addition, the Corporation covenants with the Trustee that so long as any Debenture remains outstanding, it will give notice to the Trustee, and to the Debentureholders in the manner provided in Section 13.2, at least forty (40) days prior to the effective date of any transaction referred to in Section 6.5(d) stating the consideration into which the Debentures will be convertible after the effective date of such transaction.

6.12 Protection of Trustee

The Trustee:

- (a) shall not at any time be under any duty or responsibility to any Debentureholder to determine whether any facts exist which may require any adjustment in the Conversion Price, or with respect to the nature or extent of any such adjustment when made, or with respect to the method employed in making the same;
- (b) shall not be accountable with respect to the validity or value (or the kind or amount) of any Common Shares or of any shares or other securities or property which may at any time be issued or delivered upon the conversion of any Debenture;
- (c) shall not be responsible for any failure of the Corporation to make any cash payment or to issue, transfer or deliver Common Shares or share certificates upon the surrender of any Debenture for the purpose of conversion, or to comply with any of the covenants contained in this Article 6; and
- (d) shall not incur any liability or be in any way responsible for the consequences of any breach on the part of the Corporation of any of the representations, warranties or covenants herein contained or of any acts of the directors, officers, employees, agents or servants of the Corporation.

6.13 U.S. Legend on Common Shares

Each certificate representing Common Shares issued upon conversion of Debentures bearing the U.S. Legend shall have imprinted or otherwise reproduced thereon such legend or legends in substantially the form of Schedule "D" attached hereto.

ARTICLE 7 COVENANTS OF THE CORPORATION

The Corporation hereby covenants and agrees with the Trustee for the benefit of the Trustee and the Debentureholders, that so long as any Debentures remain outstanding:

7.1 To Pay Principal, Premium (if any) and Interest

The Corporation will duly and punctually pay or cause to be paid to every Debentureholder the principal of, premium (if any) and interest accrued on the Debentures of which it is the holder on the dates, at the places and in the manner mentioned herein and in the Debentures.

7.2 To Pay Trustee's Remuneration

The Corporation will pay the Trustee reasonable remuneration for its services as Trustee hereunder and will repay to the Trustee on demand all monies which shall have been paid by the Trustee in connection with the execution of the trusts hereby created and such monies including the Trustee's remuneration, shall be payable out of any funds coming into the possession of the Trustee in priority to payment of any principal of the Debentures or interest or premium thereon. Such remuneration shall continue to be payable until the trusts hereof be finally wound up and whether or not the trusts of this Indenture shall be in the course of administration by or under the direction of a court of competent jurisdiction. Any amount owing hereunder and remaining unpaid after thirty (30) days from the invoice date will bear interest at the then current rate

charged by the Trustee against unpaid invoices and shall be payable upon demand. This Section shall survive the resignation or removal of the Trustee and/or the termination of this Indenture.

7.3 To Give Notice of Default

The Corporation shall notify the Trustee and the Debentureholders immediately upon obtaining knowledge of any Event of Default hereunder.

7.4 Preservation of Existence, etc.

Subject to the express provisions hereof, the Corporation will carry on and conduct its activities, and cause its Subsidiaries to carry on and conduct their businesses, in a business-like manner and in accordance with good business practices; and, subject to the express provisions hereof, it will do or cause to be done all things necessary to preserve and keep in full force and effect its existence and rights.

7.5 Keeping of Books

The Corporation will keep or cause to be kept proper books of record and account, in which full and correct entries shall be made of all financial transactions and the assets and business of the Corporation in accordance with generally accepted accounting principles.

7.6 Annual Certificate of Compliance

If requested by the Trustee, the Corporation shall deliver to the Trustee, within one-hundred and twenty (120) days after the end of each calendar year (and at any reasonable time upon demand by the Trustee) an Officers' Certificate as to the knowledge of such officers of the Corporation who execute the Officers' Certificate of the Corporation's compliance with all conditions and covenants in this Indenture certifying that after reasonable investigation and inquiry, the Corporation has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which could, with the giving of notice, lapse of time or otherwise, constitute an Event of Default hereunder, or if such is not the case, setting forth with reasonable particulars the circumstances of any failure to comply and steps taken or proposed to be taken to eliminate such circumstances and remedy such Event of Default, as the case may be.

7.7 SEC Notice

The Corporation confirms that as at the date of execution of this Indenture it does not have a class of securities registered pursuant to Article 12 of the *United States Securities Exchange Act of 1934* or have a reporting obligation pursuant to section 15(d) of the *United States Securities Exchange Act of 1934*.

The Corporation covenants that, in the event that it shall begin, or thereafter cease, to file as a "foreign issuer" with the U.S. Securities and Exchange Commission, the Corporation shall promptly deliver to the Trustee an Officers' Certificate (in a form provided by the Trustee) certifying such status and other information as the Trustee may reasonably require at such given time. The Corporation acknowledges that the Trustee is relying upon the foregoing representations and covenants in order to meet certain SEC obligations with respect to those clients who are filing with the SEC.

7.8 No Dividends on Common Shares if Event of Default

The Corporation shall not declare or pay any dividend to the holders of its issued and outstanding Common Shares after the occurrence of an Event of Default unless and until such default shall have been cured or waived or shall have ceased to exist.

7.9 Withholding Matters

All payments made by or on behalf of the Corporation under or with respect to the Debentures (including, without limitation, any penalties, interest and other liabilities related thereto) will be made free and clear of and without withholding or deduction for, or on account of, any present or future tax, duty, levy, impost, assessment or other governmental charge (including, without limitation, penalties, interest and other liabilities related thereto) imposed or levied by or on behalf of the Government of Canada or the United States or elsewhere, or of any province or territory thereof or by any authority or agency therein or thereof having power to tax (“**Withholding Taxes**”), unless the Corporation is required by law or the interpretation or administration thereof, to withhold or deduct any amounts for, or on account of, Withholding Taxes. If the Corporation is so required to withhold or deduct any amount for or on account of Withholding Taxes from any payment made under or with respect to the Debentures, the Corporation shall deduct and withhold such Withholding Taxes from any payment to be made under or with respect to the Debentures and, provided that the Corporation forthwith remits such withheld amount to the relevant governmental authority or agency, the amount of any such deduction or withholding will be considered an amount paid in satisfaction of the Corporation’s obligations under the Debentures. There is no obligation on the Corporation to gross-up or pay additional amounts to a holder of Debentures in respect of such deductions or withholdings. For greater certainty, if any amount is required to be deducted or withheld in respect of Withholding Taxes upon a conversion of a Debenture, the Corporation shall be entitled to liquidate such number of Common Shares (or other securities) issuable as a result of such conversion as shall be necessary in order to satisfy such requirement. Upon request in writing from the Trustee, the Corporation shall provide the Trustee with copies of receipts or other communications relating to the remittance of such withheld amount or the filing of any forms received from such government authority or agency promptly after receipt thereof.

7.10 Compliance by Subsidiaries

The Corporation shall cause all of its subsidiaries to comply with the provisions of this Article 7 as if such subsidiaries were expressly referred to in such provisions in replacement of references to the Corporation, *mutatis mutandis*.

ARTICLE 8 DEFAULT

8.1 Events of Default

Each of the following events constitutes, and is herein sometimes referred to as, an “**Event of Default**”:

- (a) failure for twenty (20) Business Days to pay interest on the Debentures when due;
- (b) failure to pay principal or premium, if any, when due on the Debentures whether at maturity, upon redemption or a Change of Control, by declaration or otherwise;
- (c) default in the delivery, when due, of any Common Shares or other consideration payable on conversion with respect to the Debentures, which default continues for twenty (20) Business Days;
- (d) default in the observance or performance of any covenant or condition of the Indenture by the Corporation and the failure to cure (or obtain a waiver for) such default for a period of twenty (20) Business Days after notice in writing has been given by the Trustee or from holders of not less than 25% in aggregate principal amount of the Debentures then

outstanding to the Corporation specifying such default and requiring the Corporation to rectify such default or obtain a waiver for same;

- (e) if a decree or order of a Court having jurisdiction is entered adjudging the Corporation a bankrupt or insolvent under the *Bankruptcy and Insolvency Act* (Canada) or any other bankruptcy, insolvency or analogous laws, or issuing sequestration or process of execution against, or against any substantial part of, the property of the Corporation, or appointing a receiver of, or of any substantial part of, the property of the Corporation or ordering the winding-up or liquidation of its affairs, and any such decree or order continues unstayed and in effect for a period of sixty (60) days;
- (f) if the Corporation institutes proceedings to be adjudicated a bankrupt or insolvent, or consents to the institution of bankruptcy or insolvency proceedings against it under the *Bankruptcy and Insolvency Act* (Canada) or any other bankruptcy, insolvency or analogous laws, or consents to the filing of any such petition or to the appointment of a receiver of, or of any substantial part of, the property of the Corporation or makes a general assignment for the benefit of creditors, or admits in writing its inability to pay its debts generally as they become due;
- (g) if a resolution is passed for the winding-up or liquidation of the Corporation except in the course of carrying out or pursuant to a transaction in respect of which the conditions of Section 10.1 are duly observed and performed;
- (h) if, after the date of this Indenture, any proceedings with respect to the Corporation are taken with respect to a compromise or arrangement, with respect to creditors of the Corporation generally, under the applicable legislation of any jurisdiction; unless (i) the Corporation immediately challenges and thereafter is diligently defending such proceeding in good faith and on reasonable grounds as determined by the Trustee; and (ii) such proceeding does not in the reasonable opinion of the Trustee materially adversely affect the ability of the Corporation to carry on its business and to perform and satisfy all of its obligations and, in any event, such proceeding is not dismissed or stayed within thirty (30) Business Days; or
- (i) any default by the Corporation under any Senior Indebtedness or any other material indebtedness after any applicable grace period has expired.

then: (x) in each and every such event listed above, the Trustee may, in its discretion, and shall, upon receipt of a request in writing signed by the holders of not less than 25% in principal amount of the Debentures then outstanding, subject to the provisions of Section 8.3, by notice in writing to the Corporation declare the principal of and interest and premium, if any, on all Debentures then outstanding and all other monies outstanding hereunder to be due and payable and the same shall thereupon forthwith become immediately due and payable to the Trustee, and (y) on the occurrence of an Event of Default under Sections 8.1(e), 8.1(f), 8.1(g) or 8.1(h) the principal of and interest and premium, if any, on all Debentures then outstanding hereunder and all other monies outstanding hereunder, shall automatically without any declaration or other act on the part of the Trustee or any Debentureholder become immediately due and payable to the Trustee and, in either case, upon such amounts becoming due and payable in either (x) or (y) above, the Corporation shall forthwith pay to the Trustee for the benefit of the Debentureholders such principal, accrued and unpaid interest and premium, if any, and interest on amounts in default on such Debenture and all other monies outstanding hereunder, together with subsequent interest at the rate borne by the Debentures on such principal, interest, premium and such other monies from the date of such declaration or event until payment is received by the Trustee, such subsequent interest to be payable at the times and

places and in the manner mentioned in and according to the tenor of the Debentures. Such payment when made shall be deemed to have been made in discharge of the Corporation's obligations hereunder and any monies so received by the Trustee shall be applied in the manner provided in Section 8.6.

For greater certainty, for the purposes of this Section 8.1, a series of Debentures shall be in default in respect of an Event of Default if such Event of Default relates to a default in the payment of principal, premium, if any, or interest on the Debentures of such series in which case references to Debentures in this Section 8.1 refer to Debentures of that particular series.

For purposes of this Article 8, where the Event of Default refers to an Event of Default with respect to a particular series of Debentures as described in this Section 8.1, then this Article 8 shall apply *mutatis mutandis* to the Debentures of such series and references in this Article 8 to the Debentures shall mean Debentures of the particular series and references to the Debentureholders shall refer to the Debentureholders of the particular series, as applicable.

8.2 Notice of Events of Default

If an Event of Default shall occur and be continuing the Trustee shall, within thirty (30) days after it receives written notice of the occurrence of such Event of Default, give notice of such Event of Default to the Debentureholders in the manner provided in Section 13.2, provided that notwithstanding the foregoing, unless the Trustee shall have been requested to do so by the holders of at least 25% of the principal amount of the Debentures then outstanding, the Trustee shall not be required to give such notice if the Trustee in good faith shall have determined that the withholding of such notice is in the best interests of the Debentureholders and shall have so advised the Corporation in writing.

When notice of the occurrence of an Event of Default has been given and the Event of Default is thereafter cured, notice that the Event of Default is no longer continuing shall be given by the Trustee to the Debentureholders within fifteen (15) days after the Trustee becomes aware the Event of Default has been cured.

8.3 Waiver of Default

Upon the occurrence of any Event of Default hereunder:

- (a) the holders of the Debentures shall have the power (in addition to the powers exercisable by Extraordinary Resolution as hereinafter provided) by requisition in writing by the holders of more than 50% of the principal amount of Debentures then outstanding, to instruct the Trustee to waive any Event of Default and to cancel any declaration made by the Trustee pursuant to Section 8.1 and the Trustee shall thereupon waive the Event of Default and cancel such declaration, or either, upon such terms and conditions as shall be prescribed in such requisition; provided that notwithstanding the foregoing if the Event of Default has occurred by reason of the non-observance or non-performance by the Corporation of any covenant applicable only to one or more series of Debentures, then the holders of more than 50% of the principal amount of the outstanding Debentures of that series shall be entitled to exercise the foregoing power and the Trustee shall so act and it shall not be necessary to obtain a waiver from the holders of any other series of Debentures; and
- (b) the Trustee, so long as it has not become bound to declare the principal and interest on the Debentures then outstanding to be due and payable, or to obtain or enforce payment of the

same, shall have power to waive any Event of Default if, in the Trustee's opinion, the same shall have been cured or adequate satisfaction made therefor, and in such event to cancel any such declaration theretofore made by the Trustee in the exercise of its discretion, upon such terms and conditions as the Trustee may deem advisable.

No such act or omission either of the Trustee or of the Debentureholders shall extend to or be taken in any manner whatsoever to affect any subsequent Event of Default or the rights resulting therefrom.

8.4 Enforcement by the Trustee

Subject to the provisions of Section 8.3 and to the provisions of any Extraordinary Resolution that may be passed by the Debentureholders, if the Corporation shall fail to pay to the Trustee, forthwith after the same shall have been declared (or have been deemed to be declared) to be due and payable under Section 8.1, the principal of and premium (if any) and interest on all Debentures then outstanding, together with any other amounts due hereunder, the Trustee may in its discretion and shall upon receipt of a request in writing signed by the holders of not less than 25% in principal amount of the Debentures then outstanding and upon being funded and indemnified to its reasonable satisfaction against all costs, expenses and liabilities to be incurred, proceed in its name as trustee hereunder to obtain or enforce payment of such principal of and premium (if any) and interest on all the Debentures then outstanding together with any other amounts due hereunder by such proceedings authorized by this Indenture or by law or equity as the Trustee in such request shall have been directed to take, or if such request contains no such direction, or if the Trustee shall act without such request, then by such proceedings authorized by this Indenture or by suit at law or in equity as the Trustee shall deem expedient.

The Trustee shall be entitled and empowered, either in its own name or as trustee of an express trust, or as attorney-in-fact for the holders of the Debentures, or in any one or more of such capacities, to file such proof of debt, amendment of proof of debt, claim, petition or other document as may be necessary or advisable in order to have the claims of the Trustee and of the holders of the Debentures allowed in any insolvency, bankruptcy, liquidation or other judicial proceedings relative to the Corporation or its creditors or relative to or affecting its property. The Trustee is hereby irrevocably appointed (and the successive respective holders of the Debentures by taking and holding the same shall be conclusively deemed to have so appointed the Trustee) the true and lawful attorney-in-fact of the respective holders of the Debentures with authority to make and file in the respective names of the holders of the Debentures or on behalf of the holders of the Debentures as a class, subject to deduction from any such claims of the amounts of any claims filed by any of the holders of the Debentures themselves, any proof of debt, amendment of proof of debt, claim, petition or other document in any such proceedings and to receive payment of any sums becoming distributable on account thereof, and to execute any such other papers and documents and to do and perform any and all such acts and things for and on behalf of such holders of the Debentures, as may be necessary or advisable in the opinion of the Trustee, in order to have the respective claims of the Trustee and of the holders of the Debentures against the Corporation or its property allowed in any such proceeding, and to receive payment of or on account of such claims; provided, however, that subject to Section 8.3, nothing contained in this Indenture shall be deemed to give to the Trustee, unless so authorized by Extraordinary Resolution, any right to accept or consent to any plan of reorganization or otherwise by action of any character in such proceeding to waive or change in any way any right of any Debentureholder.

The Trustee shall also have the power at any time and from time to time to institute and to maintain such suits and proceedings as it may be advised shall be necessary or advisable to preserve and protect its interests and the interests of the Debentureholders.

All rights of action hereunder may be enforced by the Trustee without the possession of any of the Debentures or the production thereof on the trial or other proceedings relating thereto. Any such suit or

proceeding instituted by the Trustee shall be brought in the name of the Trustee as trustee of an express trust, and any recovery of judgment shall be for the rateable benefit of the holders of the Debentures subject to the provisions of this Indenture. In any proceeding brought by the Trustee (and also any proceeding in which a declaratory judgment of a court may be sought as to the interpretation or construction of any provision of this Indenture, to which the Trustee shall be a party) the Trustee shall be held to represent all the holders of the Debentures, and it shall not be necessary to make any holders of the Debentures parties to any such proceeding.

8.5 No Suits by Debentureholders

Subject to any rights or remedies available to the Trustee and the Debentureholders under applicable law or otherwise, no holder of any Debenture shall have any right to institute any action, suit or proceeding at law or in equity for the purpose of enforcing payment of the principal of or interest on the Debentures or for the execution of any trust or power hereunder or for the appointment of a liquidator or receiver or for a receiving order under the *Bankruptcy and Insolvency Act* (Canada) or to have the Corporation wound up or to file or prove a claim in any liquidation or bankruptcy proceeding or for any other remedy hereunder, unless: (a) such holder shall previously have given to the Trustee written notice of the happening of an Event of Default hereunder; and (b) the Debentureholders by Extraordinary Resolution or by written instrument signed by the holders of at least 25% in principal amount of the Debentures then outstanding shall have made a request to the Trustee and the Trustee shall have been afforded reasonable opportunity either itself to proceed to exercise the powers hereinbefore granted or to institute an action, suit or proceeding in its name for such purpose; and (c) the Debentureholders or any of them shall have furnished to the Trustee, when so requested by the Trustee, sufficient funds and security and indemnity satisfactory to it against the costs, expenses and liabilities to be incurred therein or thereby; and (d) the Trustee shall have failed to act within a reasonable time after such notification, request, receipt of sufficient funds, security and offer of indemnity and such notification, request, receipt of sufficient funds, security and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to any such proceeding or for any other remedy hereunder by or on behalf of the holder of any Debentures.

8.6 Application of Monies by Trustee

- (a) Except as herein otherwise expressly provided, any monies received by the Trustee from the Corporation pursuant to the foregoing provisions of this Article 8, or as a result of legal or other proceedings or from any trustee in bankruptcy or liquidator of the Corporation, shall be applied, together with any other monies in the hands of the Trustee available for such purpose, as follows:
 - (i) first, in payment or in reimbursement to the Trustee of its compensation, costs, charges, expenses, borrowings, advances or other monies furnished or provided by or at the instance of the Trustee in or about the execution of its trusts under, or otherwise in relation to, this Indenture, with interest thereon as herein provided;
 - (ii) second, but subject as hereinafter in this Section 8.6 provided, in payment, rateably and proportionately to the holders of Debentures, of the principal of and premium (if any) and accrued and unpaid interest and interest on amounts in default on the Debentures which shall then be outstanding in the priority of principal first and then premium and then accrued and unpaid interest and interest on amounts in default unless otherwise directed by Extraordinary Resolution and in that case in such order or priority as between principal, premium (if any) and interest as may be directed by such resolution; and

- (iii) third, in payment of the surplus, if any, of such monies to the Corporation or its assigns;

provided, however, that no payment shall be made pursuant to clause (ii) above in respect of the principal, premium, if any, or interest on any Debenture held, directly or indirectly, by or for the benefit of the Corporation or any Subsidiary (other than any Debenture pledged for value and in good faith to a Person other than the Corporation or any Subsidiary but only to the extent of such Person's interest therein) except subject to the prior payment in full of the principal, premium (if any) and interest (if any) on all Debentures which are not so held.

- (b) The Trustee shall not be bound to apply or make any partial or interim payment of any monies coming into its hands if the amount so received by it, after reserving thereout such amount as the Trustee may think necessary to provide for the payments mentioned in Section 8.6(a), is insufficient to make a distribution of at least 2% of the aggregate principal amount of the outstanding Debentures, but it may retain the money so received by it and invest or deposit the same as provided in Section 14.9 until the money or the investments representing the same, with the income derived therefrom, together with any other monies for the time being under its control shall be sufficient for the said purpose or until it shall consider it advisable to apply the same in the manner hereinbefore set forth. The foregoing shall, however, not apply to a final payment in distribution hereunder.

8.7 Notice of Payment by Trustee

Not less than fifteen (15) days' notice shall be given in the manner provided in Section 13.2 by the Trustee to the Debentureholders of any payment to be made under this Article 8. Such notice shall state the time when and place where such payment is to be made and also the liability under this Indenture to which it is to be applied. After the day so fixed, unless payment shall have been duly demanded and have been refused, the Debentureholders will be entitled to interest only on the balance (if any) of the principal monies, premium (if any) and interest due (if any) to them, respectively, on the Debentures, after deduction of the respective amounts payable in respect thereof on the day so fixed.

8.8 Trustee May Demand Production of Debentures

The Trustee shall have the right to demand production of the Debentures in respect of which any payment of principal, interest or premium required by this Article 8 is made and may cause to be endorsed on the same a memorandum of the amount so paid and the date of payment, but the Trustee may, in its discretion, dispense with such production and endorsement, upon such indemnity being given to it and to the Corporation and such surety bond being posted, as the Trustee shall deem sufficient.

8.9 Remedies Cumulative

No remedy herein conferred upon or reserved to the Trustee, or upon or to the holders of Debentures is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now existing or hereafter to exist by law or by statute.

8.10 Judgment Against the Corporation

The Corporation covenants and agrees with the Trustee that, in case of any judicial or other proceedings to enforce the rights of the Debentureholders, judgment may be rendered against it in favour of the

Debentureholders or in favour of the Trustee as trustee for the Debentureholders for any amount which may remain due in respect of the Debentures and premium (if any) and the interest thereon and any other monies owing hereunder.

8.11 Immunity of Directors, Officers and Others

The Debentureholders and the Trustee hereby waive and release any right, cause of action or remedy now or hereafter existing in any jurisdiction against any past, present or future officer, director or employee of the Corporation or holder of Common Shares of the Corporation or of any successor for the payment of the principal of or premium or interest on any of the Debentures or on any covenant, agreement, representation or warranty by the Corporation contained herein or in the Debentures.

ARTICLE 9 SATISFACTION AND DISCHARGE

9.1 Cancellation and Destruction

All Debentures shall forthwith after payment thereof be delivered to the Trustee and cancelled by it. All Debentures cancelled or required to be cancelled under this or any other provision of this Indenture shall be destroyed by the Trustee and, if required by the Corporation, the Trustee shall furnish to it a destruction certificate setting out the designating numbers of the Debentures so destroyed.

9.2 Non-Presentation of Debentures

In case the holder of any Debenture shall fail to present the same for payment on the date on which the principal of, premium (if any) or the interest thereon or represented thereby becomes payable either at maturity or otherwise or shall not accept payment on account thereof and give such receipt therefor, if any, as the Trustee may require:

- (a) the Corporation shall be entitled to pay or deliver to the Trustee and direct it to set aside; or
- (b) in respect of monies in the hands of the Trustee which may or should be applied to the payment of the Debentures, the Corporation shall be entitled to direct the Trustee to set aside; or
- (c) if the redemption was pursuant to notice given by the Trustee, the Trustee may itself set aside;

the monies in trust to be paid to the holder of such Debenture upon due presentation or surrender thereof in accordance with the provisions of this Indenture; and thereupon the principal of, premium (if any) or the interest payable on or represented by each Debenture in respect whereof such monies have been set aside shall be deemed to have been paid and the holder thereof shall thereafter have no right in respect thereof except that of receiving delivery and payment of the monies so set aside by the Trustee upon due presentation and surrender thereof, subject always to the provisions of Section 9.3.

9.3 Repayment of Unclaimed Monies

Subject to applicable law, any monies set aside under Section 9.2 and not claimed by and paid to holders of Debentures as provided in Section 9.2 within six years after the date of such setting aside shall be repaid and delivered to the Corporation by the Trustee and thereupon the Trustee shall be released from all further

liability with respect to such monies and thereafter the holders of the Debentures in respect of which such monies were so repaid to the Corporation shall have no rights in respect thereof except to obtain payment and delivery of the monies from the Corporation subject to any limitation provided by the laws of the Province of Alberta.

9.4 Discharge

The Trustee shall at the written request of the Corporation release and discharge this Indenture and execute and deliver such instruments as it shall be advised by Counsel are requisite for that purpose and to release the Corporation from its covenants herein contained (other than the provisions relating to the indemnification of the Trustee), upon proof being given to the reasonable satisfaction of the Trustee that the principal of, premium (if any) and interest (including interest on amounts in default, if any), on all the Debentures and all other monies payable hereunder have been paid, satisfied or delivered or that all the Debentures having matured or having been duly called for redemption, payment of the principal of and interest (including interest on amounts in default, if any) on such Debentures and of all other monies payable hereunder has been duly and effectually provided for in accordance with the provisions hereof including the payment of all costs, charges and expenses properly incurred by the Trustee and all interest thereon.

9.5 Satisfaction

- (a) The Corporation shall be deemed to have fully paid, satisfied and discharged all of the outstanding Debentures of any series and the Trustee, at the expense of the Corporation, shall execute and deliver proper instruments acknowledging the full payment, satisfaction and discharge of such Debentures, when, with respect to all of the outstanding Debentures or all of the outstanding Debentures of any series, as applicable:
 - (i) the Corporation has deposited or caused to be deposited with the Trustee as trust funds or property in trust for the purpose of making payment on such Debentures, an amount in money sufficient to pay, satisfy and discharge the entire amount of principal of, premium, if any, and interest, if any, to maturity, or any repayment date or Redemption Dates, or any Change of Control Purchase Date, or upon conversion or otherwise as the case may be, of such Debentures;
 - (ii) the Corporation has deposited or caused to be deposited with the Trustee as trust property in trust for the purpose of making payment on such Debentures:

 - (B) if the Debentures are issued in a currency or currency unit other than Canadian dollars, cash in the currency or currency unit in which the Debentures are payable and/or such amount in such currency or currency unit of direct obligations of, or obligations the principal and interest of which are guaranteed by, the Government of Canada or the government that issued the currency or currency unit in which the Debentures are payable; as will, together with the income to accrue thereon and reinvestment thereof, be sufficient to pay and discharge the entire amount of principal of, premium, if any, and accrued and unpaid interest to maturity or any repayment date, as the case may be, of all such Debentures; or

- (iii) all Debentures authenticated and delivered (other than (A) Debentures which have been destroyed, lost or stolen and which have been replaced or paid as provided in Section 2.12 and (B) Debentures for whose payment has been deposited in trust and thereafter repaid to the Corporation as provided in Section 9.3) have been delivered to the Trustee for cancellation;

so long as in any such event:

- (iv) the Corporation has paid, caused to be paid or made provisions to the satisfaction of the Trustee for the payment of all other sums payable or which may be payable with respect to all of such Debentures (together with all applicable expenses of the Trustee in connection with the payment of such Debentures); and
- (v) the Corporation has delivered to the Trustee an Officers' Certificate stating that all conditions precedent herein provided relating to the payment, satisfaction and discharge of all such Debentures have been complied with.

Any deposits with the Trustee referred to in this Section 9.5 shall be irrevocable, subject to Section 9.6, and shall be made under the terms of an escrow and/or trust agreement in form and substance satisfactory to the Trustee and which provides for the due and punctual payment of the principal of, premium, if any, and interest on the Debentures being satisfied.

- (b) Upon the satisfaction of the conditions set forth in this Section 9.5 with respect to all the outstanding Debentures, or all the outstanding Debentures of any series, as applicable, the terms and conditions of the Debentures, including the terms and conditions with respect thereto set forth in this Indenture (other than those contained in Article 2 and Article 4 and the provisions of Article 1 pertaining to Article 2 and Article 4) shall no longer be binding upon or applicable to the Corporation.
- (c) Any funds or obligations deposited with the Trustee pursuant to this Section 9.5 shall be denominated in the currency or denomination of the Debentures in respect of which such deposit is made.
- (d) If the Trustee is unable to apply any money or securities in accordance with this Section 9.5 by reason of any legal proceeding or any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Corporation's obligations under this Indenture and the affected Debentures shall be revived and reinstated as though no money or securities had been deposited pursuant to this Section 9.5 until such time as the Trustee is permitted to apply all such money or securities in accordance with this Section 9.5, provided that if the Corporation has made any payment in respect of principal of, premium, if any, or interest on Debentures or, as applicable, other amounts because of the reinstatement of its obligations, the Corporation shall be subrogated to the rights of the holders of such Debentures to receive such payment from the money or securities held by the Trustee.

9.6 Continuance of Rights, Duties and Obligations

- (a) Where trust funds or trust property have been deposited pursuant to Section 9.5, the holders of Debentures and the Corporation shall continue to have and be subject to their respective rights, duties and obligations under Article 2 and Article 4.

- (b) In the event that, after the deposit of trust funds or trust property pursuant to Section 9.5 in respect of a series of Debentures (the “**Defeased Debentures**”), any holder of any of the Defeased Debentures from time to time converts its Debentures to Common Shares or other securities of the Corporation in accordance with Section 2.6(f), in respect of Initial Debentures (or the comparable provision of any other series of Debentures), Article 6 or any other provision of this Indenture, the Trustee shall upon receipt of a Written Direction of the Corporation return to the Corporation from time to time the proportionate amount of the trust funds or other trust property deposited with the Trustee pursuant to Section 9.5 in respect of the Defeased Debentures which is applicable to the Defeased Debentures so converted (which amount shall be based on the applicable principal amount of the Defeased Debentures being converted in relation to the aggregate outstanding principal amount of all the Defeased Debentures).
- (c) In the event that, after the deposit of trust funds or trust property pursuant to Section 9.5, the Corporation is required to make a Change of Control Purchase Offer to purchase any outstanding Debentures pursuant to Section 2.6(h) in respect of Initial Debentures (or the comparable provision of any other series of Debentures), in relation to Initial Debentures, or to make an offer to purchase Debentures pursuant to any other similar provisions relating to any other series of Debentures, the Corporation shall be entitled to use any trust money or trust property deposited with the Trustee pursuant to Section 9.5 for the purpose of paying to any holders of Defeased Debentures who have accepted any such offer of the Corporation the Total Offer Price payable to such holders in respect of such Change of Control Purchase Offer in respect of Initial Debentures (or the total offer price payable in respect of an offer relating to any other series of Debentures). Upon receipt of a Written Direction from the Corporation, the Trustee shall be entitled to pay to such holder from such trust money or trust property deposited with the Trustee pursuant to Section 9.5 in respect of the Defeased Debentures which is applicable to the Defeased Debentures held by such holders who have accepted any such offer to the Corporation (which amount shall be based on the applicable principal amount of the Defeased Debentures held by accepting offerees in relation to the aggregate outstanding principal amount of all the Defeased Debentures).

ARTICLE 10 SUCCESSORS

10.1 Corporation may Consolidate, Etc., Only on Certain Terms

- (a) The Corporation may not, without the consent of the holders of the Debentures by Extraordinary Resolution hereunder, consolidate with or amalgamate or merge with or into any Person (other than a directly or indirectly wholly-owned Subsidiary of the Corporation) or sell, convey, transfer or lease all or substantially all of the properties and assets of the Corporation to another Person (other than a directly or indirectly wholly-owned Subsidiary of the Corporation) unless:

11.3 Offeror's Notice to Dissenting Debentureholders

Where an Offeror is entitled to acquire Debentures held by Dissenting Debentureholders pursuant to Section 11.2 and the Offeror wishes to exercise such right, the Offeror shall send by registered mail within thirty (30) days after the date of termination of the Offer a notice (the "**Offeror's Notice**") to each Dissenting Debentureholder stating that:

11.5 Payment of Consideration to Trustee

Within twenty-one (21) days after the Offeror sends an Offeror's Notice pursuant to Section 11.3, the Offeror shall pay or transfer to the Trustee, or to such other Person as the Trustee may direct, the cash or other consideration that is payable to Dissenting Debentureholders pursuant to Section 11.2. The acquisition by the Offeror of all Debentures held by all Dissenting Debentureholders shall be effective as of the time of such payment or transfer.

11.6 Consideration to be held in Trust

The Trustee, or the Person directed by the Trustee, shall hold in trust for the Dissenting Debentureholders the cash or other consideration they or it receives under Section 11.5. 11.7 Completion of Transfer of Debentures to Offeror

Within thirty (30) days after the date of the sending of an Offeror's Notice pursuant to Section 11.3, the Trustee, if the Offeror has complied with Section 11.5, shall:

- (b) send to each Dissenting Debentureholder who has complied with Section 11.4 the consideration to which such Dissenting Debentureholder is entitled under this Article 11; and

 - (iii) the Trustee, or such other Person, will send the consideration to such Dissenting Debentureholder as soon as possible after receiving such Dissenting Debentureholder's Debenture certificate(s) or such other documents as the Trustee or such other Person may require in lieu thereof;

and the Trustee is hereby appointed the agent and attorney of the Dissenting Debentureholders for the purposes of giving effect to the foregoing provisions.

11.8 Communication of Offer to the Corporation

An Offeror cannot make an Offer for Debentures unless, concurrent with the communication of the Offer to any Debentureholder, a copy of the Offer is provided to the Corporation.

ARTICLE 12 MEETINGS OF DEBENTUREHOLDERS

12.1 Right to Convene Meeting

The Trustee or the Corporation may at any time and from time to time, and the Trustee shall, on receipt of a Written Direction of the Corporation or a written request signed by the holders of not less than 25% of the principal amount of the Debentures then outstanding and upon receiving funding and being indemnified to its reasonable satisfaction by the Corporation or by the Debentureholders signing such request against the costs which may be incurred in connection with the calling and holding of such meeting, convene a meeting of the Debentureholders. In the event of the Trustee failing, within thirty (30) days after receipt of any such request and such funding of indemnity, to give notice convening a meeting, the Corporation or such Debentureholders, as the case may be, may convene such meeting. Every such meeting shall be held in the City of Calgary, Alberta or at such other place as may be approved or determined by the Trustee. Any meeting held pursuant to this Article 12 may be done through a virtual or electronic meeting platform, subject to the Trustee's capabilities at the time.

12.2 Notice of Meetings

- (a) At least twenty-one (21) days' notice of any meeting shall be given to the Debentureholders in the manner provided in Section 13.2 and a copy of such notice shall be sent by post to the Trustee, unless the meeting has been called by it. Such notice shall state the time when and the place where the meeting is to be held and shall state briefly the general nature of the business to be transacted thereat and it shall not be necessary for any such notice to set out the terms of any resolution to be proposed or any of the provisions of this Article 12. The accidental omission to give notice of a meeting to any holder of Debentures shall not

invalidate any resolution passed at any such meeting. A holder may waive notice of a meeting either before or after the meeting.

- (b) If the business to be transacted at any meeting by Extraordinary Resolution or otherwise, or any action to be taken or power exercised by instrument in writing under Section 12.15, especially affects the rights of holders of Debentures of one or more series in a manner or to an extent differing in any material way from that in or to which the rights of holders of Debentures of any other series are affected (determined as provided in Sections 12.2(c) and 12.2(d)), then:
 - (i) a reference to such fact, indicating each series of Debentures in the opinion of the Trustee (relying on the advice of Counsel) so especially affected (hereinafter referred to as the “**especially affected series**”) shall be made in the notice of such meeting, and in any such case the meeting shall be and be deemed to be and is herein referred to as a “**Serial Meeting**”; and
 - (ii) the holders of Debentures of an especially affected series shall not be bound by any action taken at a Serial Meeting or by instrument in writing under Section 12.15 unless in addition to compliance with the other provisions of this Article 12:
 - (A) at such Serial Meeting: (I) there are Debentureholders present in Person or by proxy and representing at least 25% in principal amount of the Debentures then outstanding of such series, subject to the provisions of this Article 12 as to quorum at adjourned meetings; and (II) the resolution is passed by the affirmative vote of the holders of more than 50% (or in the case of an Extraordinary Resolution not less than 66-2/3%) of the principal amount of the Debentures of such series then outstanding voted on the resolution; or
 - (B) in the case of action taken or power exercised by instrument in writing under Section 12.15, such instrument is signed in one or more counterparts by the holders of not less than 66-2/3% in principal amount of the Debentures of such series then outstanding.
- (c) Subject to Section 12.2(d), the determination as to whether any business to be transacted at a meeting of Debentureholders, or any action to be taken or power to be exercised by instrument in writing under Section 12.15, especially affects the rights of the Debentureholders of one or more series in a manner or to an extent differing in any material way from that in or to which it affects the rights of Debentureholders of any other series (and is therefore an especially affected series) shall be determined by an opinion of Counsel, which shall be binding on all Debentureholders, the Trustee and the Corporation for all purposes hereof.
- (d) A proposal:
 - (i) to extend the maturity of Debentures of any particular series or to reduce the principal amount thereof, the rate of interest or redemption premium thereon or to impair any conversion right thereof;
 - (ii) to modify or terminate any covenant or agreement which by its terms is effective only so long as Debentures of a particular series are outstanding; or

- (iii) to reduce with respect to Debentureholders of any particular series any percentage stated in this Section 12.2 or Sections 12.4, 12.12 or 12.15;

shall be deemed to especially affect the rights of the Debentureholders of such series in a manner differing in a material way from that in which it affects the rights of holders of Debentures of any other series, whether or not a similar extension, reduction, modification or termination is proposed with respect to Debentures of any or all other series.

12.3 Chairman

Some Person, who need not be a Debentureholder, nominated in writing by the Trustee shall be chairman of the meeting and if no Person is so nominated, or if the Person so nominated is not present within fifteen (15) minutes from the time fixed for the holding of the meeting, a majority of the Debentureholders present in Person or by proxy shall choose some Person present to be chairman.

12.4 Quorum

Subject to the provisions of Section 12.12, at any meeting of the Debentureholders a quorum shall consist of Debentureholders present in Person or by proxy and representing at least 25% in principal amount of the outstanding Debentures and, if the meeting is a Serial Meeting, at least 25% of the Debentures then outstanding of each especially affected series. If a quorum of the Debentureholders shall not be present within thirty (30) minutes from the time fixed for holding any meeting, the meeting, if summoned by the Debentureholders or pursuant to a request of the Debentureholders, shall be dissolved, but in any other case the meeting shall be adjourned to the same day in the next week (unless such day is not a Business Day in which case it shall be adjourned to the next following Business Day thereafter) at the same time and place and no notice shall be required to be given in respect of such adjourned meeting. At the adjourned meeting, the Debentureholders present in Person or by proxy shall, subject to the provisions of Section 12.12, constitute a quorum and may transact the business for which the meeting was originally convened notwithstanding that they may not represent 25% of the principal amount of the outstanding Debentures or of the Debentures then outstanding of each especially affected series. Any business may be brought before or dealt with at an adjourned meeting which might have been brought before or dealt with at the original meeting in accordance with the notice calling the same. No business shall be transacted at any meeting unless the required quorum is present at the commencement of business.

12.5 Power to Adjourn

The chairman of any meeting at which a quorum of the Debentureholders is present may, with the consent of the holders of a majority in principal amount of the Debentures represented thereat, adjourn any such meeting and no notice of such adjournment need be given except such notice, if any, as the meeting may prescribe.

12.6 Show of Hands

Every question submitted to a meeting shall, subject to Section 12.7, be decided in the first place by a majority of the votes given on a show of hands except that votes on Extraordinary Resolutions shall be given in the manner hereinafter provided. At any such meeting, unless a poll is duly demanded as herein provided, a declaration by the chairman that a resolution has been carried or carried unanimously or by a particular majority or lost or not carried by a particular majority shall be conclusive evidence of the fact. The chairman of any meeting shall be entitled, both on a show of hands and on a poll, to vote in respect of the Debentures, if any, held by him.

12.7 Poll

On every Extraordinary Resolution, and on any other question submitted to a meeting when demanded by the chairman or by one or more Debentureholders or proxies for Debentureholders, a poll shall be taken in such manner and either at once or after an adjournment as the chairman shall direct. Questions other than Extraordinary Resolutions shall, if a poll be taken, be decided by the votes of the holders of a majority in principal amount of the Debentures and of each especially affected series, if applicable, represented at the meeting and voted on the poll.

12.8 Voting

On a show of hands every Person who is present and entitled to vote, whether as a Debentureholder or as proxy for one or more Debentureholders or both, shall have one vote. On a poll each Debentureholder present in Person or represented by a proxy duly appointed by an instrument in writing shall be entitled to one vote in respect of each \$1,000 principal amount of Debentures of which he shall then be the holder. In the case of any Debenture denominated in a currency or currency unit other than Canadian dollars, the principal amount thereof for these purposes shall be computed in Canadian dollars on the basis of the conversion of the principal amount thereof at the applicable spot buying rate of exchange for such other currency or currency unit as reported by the Bank of Canada at the close of business on the Business Day preceding the meeting. Any fractional amounts resulting from such conversion shall be rounded to the nearest \$100. A proxy need not be a Debentureholder. In the case of joint holders of a Debenture, any one of them present in Person or by proxy at the meeting may vote in the absence of the other or others but in case more than one of them be present in Person or by proxy, they shall vote together in respect of the Debentures of which they are joint holders.

12.9 Proxies

A Debentureholder may be present and vote at any meeting of Debentureholders by an authorized representative. The Corporation (in case it convenes the meeting) or the Trustee (in any other case) for the purpose of enabling the Debentureholders to be present and vote at any meeting without producing their Debentures, and of enabling them to be present and vote at any such meeting by proxy and of lodging instruments appointing such proxies at some place other than the place where the meeting is to be held, may from time to time make and vary such regulations as it shall think fit providing for and governing any or all of the following matters:

- (a) the form of the instrument appointing a proxy, which shall be in writing, and the manner in which the same shall be executed and the production of the authority of any Person signing on behalf of a Debentureholder;
- (b) the deposit of instruments appointing proxies at such place as the Trustee, the Corporation or the Debentureholder convening the meeting, as the case may be, may, in the notice convening the meeting, direct and the time, if any, before the holding of the meeting or any adjournment thereof by which the same must be deposited; and
- (c) the deposit of instruments appointing proxies at some approved place or places other than the place at which the meeting is to be held and enabling particulars of such instruments appointing proxies to be mailed, faxed, cabled, telegraphed or sent by other electronic means before the meeting to the Corporation or to the Trustee at the place where the same is to be held and for the voting of proxies so deposited as though the instruments themselves were produced at the meeting.

Any regulations so made shall be binding and effective and the votes given in accordance therewith shall be valid and shall be counted. Save as such regulations may provide, the only Persons who shall be recognized at any meeting as the holders of any Debentures, or as entitled to vote or be present at the meeting in respect thereof, shall be Debentureholders and Persons whom Debentureholders have by instrument in writing duly appointed as their proxies.

12.10 Persons Entitled to Attend Meetings

The Corporation and the Trustee, by their respective officers and directors, the Auditors of the Corporation and the legal advisors of the Corporation, the Trustee or any Debentureholder may attend any meeting of the Debentureholders, but shall have no vote as such.

12.11 Powers Exercisable by Extraordinary Resolution

In addition to the powers conferred upon them by any other provisions of this Indenture or by law, a meeting of the Debentureholders shall have the following powers exercisable from time to time by Extraordinary Resolution, subject in the case of the matters in paragraphs (a), (b), (c), (d) and (l) to receipt of the prior approval of the TSX Venture Exchange or such other exchange on which the Debentures are then listed:

- (a) power to authorize the Trustee to grant extensions of time for payment of any principal, premium or interest on the Debentures, whether or not the principal, premium, or interest, the payment of which is extended, is at the time due or overdue;
- (b) power to sanction any modification, abrogation, alteration, compromise or arrangement of the rights of the Debentureholders or the Trustee against the Corporation, or against its property, whether such rights arise under this Indenture or the Debentures or otherwise;
- (c) power to assent to any modification of or change in or addition to or omission from the provisions contained in this Indenture or any Debenture which shall be agreed to by the Corporation and to authorize the Trustee to concur in and execute any indenture supplemental hereto embodying any modification, change, addition or omission;
- (d) power to sanction any scheme for the reconstruction, reorganization or recapitalization of the Corporation or for the consolidation, amalgamation, arrangement, combination or merger of the Corporation with any other Person or for the sale, leasing, transfer or other disposition of all or substantially all of the undertaking, property and assets of the Corporation or any part thereof, provided that no such sanction shall be necessary in respect of any such transaction if the provisions of Section 10.1 shall have been complied with;
- (e) power to direct or authorize the Trustee to exercise any power, right, remedy or authority given to it by this Indenture in any manner specified in any such Extraordinary Resolution or to refrain from exercising any such power, right, remedy or authority;
- (f) power to waive, and direct the Trustee to waive, any default hereunder and/or cancel any declaration made by the Trustee pursuant to Section 8.1 either unconditionally or upon any condition specified in such Extraordinary Resolution;
- (g) power to restrain any Debentureholder from taking or instituting any suit, action or proceeding for the purpose of enforcing payment of the principal, premium or interest on the Debentures, or for the execution of any trust or power hereunder;

- (h) power to direct any Debentureholder who, as such, has brought any action, suit or proceeding to stay or discontinue or otherwise deal with the same upon payment, if the taking of such suit, action or proceeding shall have been permitted by Section 8.5, of the costs, charges and expenses reasonably and properly incurred by such Debentureholder in connection therewith;
- (i) power to assent to any compromise or arrangement with any creditor or creditors or any class or classes of creditors, whether secured or otherwise, and with holders of any shares or other securities of the Corporation;
- (j) power to appoint a committee with power and authority (subject to such limitations, if any, as may be prescribed in the resolution) to exercise, and to direct the Trustee to exercise, on behalf of the Debentureholders, such of the powers of the Debentureholders as are exercisable by Extraordinary Resolution or other resolution as shall be included in the resolution appointing the committee. The resolution making such appointment may provide for payment of the expenses and disbursements of and compensation to such committee. Such committee shall consist of such number of Persons as shall be prescribed in the resolution appointing it and the members need not be themselves Debentureholders. Every such committee may elect its chairman and may make regulations respecting its quorum, the calling of its meetings, the filling of vacancies occurring in its number and its procedure generally. Such regulations may provide that the committee may act at a meeting at which a quorum is present or may act by minutes signed by the number of members thereof necessary to constitute a quorum. All acts of any such committee within the authority delegated to it shall be binding upon all Debentureholders. Neither the committee nor any member thereof shall be liable for any loss arising from or in connection with any action taken or omitted to be taken by them in good faith;
- (k) power to remove the Trustee from office and to appoint a new Trustee or Trustees provided that no such removal shall be effective unless and until a new Trustee or Trustees shall have become bound by this Indenture;
- (l) power to sanction the exchange of the Debentures for or the conversion thereof into shares, bonds, debentures or other securities or obligations of the Corporation or of any other Person formed or to be formed;
- (m) power to authorize the distribution in specie of any shares or securities received pursuant to a transaction authorized under the provisions of Section 12.11(l); and
- (n) power to amend, alter or repeal any Extraordinary Resolution previously passed or sanctioned by the Debentureholders or by any committee appointed pursuant to Section 12.11(j).

12.12 Meaning of “Extraordinary Resolution”

- (a) The expression “**Extraordinary Resolution**” when used in this Indenture means, subject as hereinafter in this Article provided, a resolution proposed to be passed as an Extraordinary Resolution at a meeting of Debentureholders (including an adjourned meeting) duly convened for the purpose and held in accordance with the provisions of this Article at which the holders of not less than 25% of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, at which holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected

series, are present in Person or by proxy and passed by the favourable votes of the holders of not less than 66-2/3% of the principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting by the affirmative vote of the holders of not less than 66-2/3% of each especially affected series, in each case present or represented by proxy at the meeting and voted upon on a poll on such resolution.

- (b) If, at any such meeting, the holders of not less than 25% of the principal amount of the Debentures then outstanding and, if the meeting is a Serial Meeting, 25% of the principal amount of the Debentures then outstanding of each especially affected series, in each case are not present in Person or by proxy within thirty (30) minutes after the time appointed for the meeting, then the meeting, if convened by or on the requisition of Debentureholders, shall be dissolved but in any other case it shall stand adjourned to such date, being not less than fourteen (14) nor more than sixty (60) days later, and to such place and time as may be appointed by the chairman. Not less than ten (10) days' notice shall be given of the time and place of such adjourned meeting in the manner provided in Section 13.2. Such notice shall state that at the adjourned meeting the Debentureholders present in Person or by proxy shall form a quorum. At the adjourned meeting the Debentureholders present in Person or by proxy shall form a quorum and may transact the business for which the meeting was originally convened and a resolution proposed at such adjourned meeting and passed thereat by the affirmative vote of holders of not less than 66-2/3% of the principal amount of the Debentures then outstanding and, if the meeting is a Serial Meeting, by the affirmative vote of the holders of not less than 66-2/3% of the principal amount of the Debentures of each especially affected series, in each case present or represented by proxy at the meeting and voted upon on a poll shall be an Extraordinary Resolution within the meaning of this Indenture, notwithstanding that the holders of not less than 25% in principal amount of the Debentures then outstanding, and if the meeting is a Serial Meeting, holders of not less than 25% of the principal amount of the Debentures then outstanding of each especially affected series, are not present in Person or by proxy at such adjourned meeting.
- (c) Votes on an Extraordinary Resolution shall always be given on a poll and no demand for a poll on an Extraordinary Resolution shall be necessary.

12.13 Powers Cumulative

Any one or more of the powers in this Indenture stated to be exercisable by the Debentureholders by Extraordinary Resolution or otherwise may be exercised from time to time and the exercise of any one or more of such powers from time to time shall not be deemed to exhaust the rights of the Debentureholders to exercise the same or any other such power or powers thereafter from time to time.

12.14 Minutes

Minutes of all resolutions and proceedings at every meeting as aforesaid shall be made and duly entered in books to be from time to time provided for that purpose by the Trustee at the expense of the Corporation, and any such minutes as aforesaid, if signed by the chairman of the meeting at which such resolutions were passed or proceedings had, or by the chairman of the next succeeding meeting of the Debentureholders, shall be prima facie evidence of the matters therein stated and, until the contrary is proved, every such meeting, in respect of the proceedings of which minutes shall have been made, shall be deemed to have been duly held and convened, and all resolutions passed thereat or proceedings taken thereat to have been duly passed and taken.

12.15 Instruments in Writing

All actions which may be taken and all powers that may be exercised by the Debentureholders at a meeting held as hereinbefore in this Article provided may also be taken and exercised by the holders of 66-2/3% of the principal amount of all the outstanding Debentures and, if the meeting at which such actions might be taken would be a Serial Meeting, by the holders of 66-2/3% of the principal amount of the Debentures then outstanding of each especially affected series, by an instrument in writing signed in one or more counterparts and the expression "Extraordinary Resolution" when used in this Indenture shall include an instrument so signed.

12.16 Binding Effect of Resolutions

Every resolution and every Extraordinary Resolution passed in accordance with the provisions of this Article at a meeting of Debentureholders shall be binding upon all the Debentureholders, whether present at or absent from such meeting, and every instrument in writing signed by Debentureholders in accordance with Section 12.15 shall be binding upon all the Debentureholders, whether signatories thereto or not, and each and every Debentureholder and the Trustee (subject to the provisions for its indemnity herein contained) shall be bound to give effect accordingly to every such resolution, Extraordinary Resolution and instrument in writing.

12.17 Evidence of Rights Of Debentureholders

- (a) Any request, direction, notice, consent or other instrument which this Indenture may require or permit to be signed or executed by the Debentureholders may be in any number of concurrent instruments of similar tenor signed or executed by such Debentureholders.
- (b) The Trustee may, in its discretion, require proof of execution in cases where it deems proof desirable and may accept such proof as it shall consider proper.

12.18 Concerning Serial Meetings

If in the opinion of Counsel any business to be transacted at any meeting, or any action to be taken or power to be exercised by instrument in writing under Section 12.15, does not adversely affect the rights of the holders of Debentures of one or more series, the provisions of this Article 12 shall apply as if the Debentures of such series were not outstanding and no notice of any such meeting need be given to the holders of Debentures of such series. Without limiting the generality of the foregoing, a proposal to modify or terminate any covenant or agreement which is effective only so long as Debentures of a particular series are outstanding shall be deemed not to adversely affect the rights of the holders of Debentures of any other series.

ARTICLE 14 CONCERNING THE TRUSTEE

14.1 No Conflict of Interest

The Trustee represents to the Corporation that to the best of its knowledge at the date of execution and delivery by it of this Indenture there exists no material conflict of interest between the role of the Trustee as a fiduciary hereunder but if, notwithstanding the provisions of this Section 14.1, such a material conflict of interest exists, or hereafter arises, the validity and enforceability of this Indenture, and the Debentures issued hereunder, shall not be affected in any manner whatsoever by reason only that such material conflict of interest exists or arises but the Trustee shall, within thirty (30) days after ascertaining that it has a material conflict of interest, either eliminate such material conflict of interest or resign in the manner and with the effect specified in Section 14.2.

14.2 Replacement of Trustee

The Trustee may resign its trust and be discharged from all further duties and liabilities hereunder by giving to the Corporation sixty (60) Business Days' notice in writing or such shorter notice as the Corporation may accept as sufficient. If at any time a material conflict of interest exists in the Trustee's role as a fiduciary hereunder the Trustee shall, within thirty (30) days after ascertaining that such a material conflict of interest exists, either eliminate such material conflict of interest or resign in the manner and with the effect specified in this Section 14.2. The validity and enforceability of this Indenture and of the Debentures issued hereunder shall not be affected in any manner whatsoever by reason only that such a material conflict of interest exists. In the event of the Trustee resigning or being removed or being dissolved, becoming bankrupt, going into liquidation or otherwise becoming incapable of acting hereunder, the Corporation shall forthwith appoint a new Trustee unless a new Trustee has already been appointed by the Debentureholders. Failing such appointment by the Corporation, the retiring Trustee or any Debentureholder may apply to an Ontario Court, on such notice as such Court may direct at the Corporation's expense, for the appointment of a new Trustee but any new Trustee so appointed by the Corporation or by the Court shall be subject to removal as aforesaid by the Debentureholders and the appointment of such new Trustee shall be effective only upon such new Trustee becoming bound by this Indenture. Any new Trustee appointed under any provision of this Section 14.2 shall be a corporation authorized to carry on the business of a trust company in one or more of the Provinces of Canada. On any new appointment the new Trustee shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named herein as Trustee.

Any company into which the Trustee may be merged or, with or to which it may be consolidated, amalgamated or sold, or any company resulting from any merger, consolidation, sale or amalgamation to which the Trustee shall be a party, shall be the successor trustee under this Indenture without the execution of any instrument or any further act. Nevertheless, upon the written request of the successor Trustee or of the Corporation, the Trustee ceasing to act shall execute and deliver an instrument assigning and transferring to such successor Trustee, upon the trusts herein expressed, all the rights, powers and trusts of the Trustee so ceasing to act, upon receipt by the Trustee of payment in full for any outstanding charges due to it, and shall duly assign, transfer and deliver all property and money held by such Trustee to the successor Trustee so appointed in its place.

Should any deed, conveyance or instrument in writing from the Corporation be required by any new Trustee for more fully and certainly vesting in and confirming to it such estates, properties, rights, powers and trusts, then any and all such deeds, conveyances and instruments in writing shall on request of said new Trustee, be made, executed, acknowledged and delivered by the Corporation.

14.3 Duties of Trustee

In the exercise of the rights, duties and obligations prescribed or conferred by the terms of this Indenture, the Trustee shall act honestly and in good faith with a view to the best interests of the Debentureholders and exercise that degree of care, diligence and skill that a reasonably prudent trustee would exercise in comparable circumstances.

14.4 Reliance Upon Declarations, Opinions, etc.

In the exercise of its rights, duties and obligations hereunder the Trustee may, if acting in good faith, rely, as to the truth of the statements and accuracy of the opinions expressed therein, upon statutory declarations, opinions, reports or certificates furnished pursuant to any covenant, condition or requirement of this Indenture or required by the Trustee to be furnished to it in the exercise of its rights and duties hereunder, if the Trustee examines such statutory declarations, opinions, reports or certificates and determines that they comply with Section 14.5, if applicable, and with any other applicable requirements of this Indenture. The Trustee may nevertheless, in its discretion, require further proof in cases where it deems further proof desirable. Without restricting the foregoing, the Trustee may rely on an opinion of Counsel satisfactory to the Trustee notwithstanding that it is delivered by a solicitor or firm which acts as solicitors for the Corporation.

14.5 Evidence and Authority to Trustee, Opinions, etc.

The Corporation shall furnish to the Trustee evidence of compliance with the conditions precedent provided for in this Indenture relating to any action or step required or permitted to be taken by the Corporation or the Trustee under this Indenture or as a result of any obligation imposed under this Indenture, including without limitation, the certification and delivery of Debentures hereunder, the satisfaction and discharge of this Indenture and the taking of any other action to be taken by the Trustee at the request of or on the application of the Corporation, forthwith if and when (a) such evidence is required by any other Section of this Indenture to be furnished to the Trustee in accordance with the terms of this Section 14.5, or (b) the Trustee, in the exercise of its rights and duties under this Indenture, gives the Corporation written notice requiring it to furnish such evidence in relation to any particular action or obligation specified in such notice.

Such evidence shall consist of:

- (a) a certificate made by any two officers or directors of the Corporation, stating that any such condition precedent has been complied with in accordance with the terms of this Indenture;
- (b) in the case of a condition precedent compliance with which is, by the terms of this Indenture, made subject to review or examination by a solicitor, an opinion of Counsel that such condition precedent has been complied with in accordance with the terms of this Indenture; and
- (c) in the case of any such condition precedent compliance with which is subject to review or examination by auditors or accountants, an opinion or report of the Auditors of the Corporation whom the Trustee for such purposes hereby approves, that such condition precedent has been complied with in accordance with the terms of this Indenture.

Whenever such evidence relates to a matter other than the certificates and delivery of Debentures and the satisfaction and discharge of this Indenture, and except as otherwise specifically provided herein, such evidence may consist of a report or opinion of any solicitor, auditor, accountant, engineer or appraiser or any other Person whose qualifications give authority to a statement made by him, provided that if such report or opinion is furnished by a trustee, officer or employee of the Corporation it shall be in the form of a statutory declaration. Such evidence shall be, so far as appropriate, in accordance with the immediately preceding paragraph of this Section.

Each statutory declaration, certificate, opinion or report with respect to compliance with a condition precedent provided for in the Indenture shall include (a) a statement by the Person giving the evidence that he has read and is familiar with those provisions of this Indenture relating to the condition precedent in question, (b) a brief statement of the nature and scope of the examination or investigation upon which the statements or opinions contained in such evidence are based, (c) a statement that, in the belief of the Person giving such evidence, he has made such examination or investigation as is necessary to enable him to make the statements or give the opinions contained or expressed therein, and (d) a statement whether in the opinion of such Person the conditions precedent in question have been complied with or satisfied.

The Corporation shall furnish or cause to be furnished to the Trustee at any time if the Trustee reasonably so requires, its certificate that the Corporation has complied with all covenants, conditions or other requirements contained in this Indenture, the non-compliance with which would, with the giving of notice or the lapse of time, or both, or otherwise, constitute an Event of Default, or if such is not the case, specifying the covenant, condition or other requirement which has not been complied with and giving particulars of such non-compliance. The Corporation shall, whenever the Trustee so requires, furnish the Trustee with evidence by way of statutory declaration, opinion, report or certificate as specified by the Trustee as to any action or step required or permitted to be taken by the Corporation or as a result of any obligation imposed by this Indenture.

14.6 Officers' Certificates Evidence

Except as otherwise specifically provided or prescribed by this Indenture, whenever in the administration of the provisions of this Indenture the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or omitting any action hereunder, the Trustee, if acting in good faith, may rely upon an Officers' Certificate.

14.7 Experts, Advisers and Agents

The Trustee may:

- (a) employ or retain and act and rely on the opinion or advice of or information obtained from any solicitor, auditor, valuer, engineer, surveyor, appraiser or other expert, whether obtained by the Trustee or by the Corporation, or otherwise, and shall not be liable for acting, or refusing to act, in good faith on any such opinion or advice and shall not be responsible for any misconduct on the part of any of them and may pay proper and reasonable compensation for all such legal and other advice or assistance as aforesaid. The reasonable costs of such services shall be added to and become part of the Trustee's remuneration hereunder; and
- (b) employ such agents and other assistants as it may reasonably require for the proper discharge of its duties hereunder, and may pay reasonable remuneration for all services performed for it, but it is not responsible for any misconduct, negligence, mistake or error of judgment on the part of any of them (and shall be entitled to receive reasonable remuneration for all services performed by it) in the discharge of the trusts hereof and compensation for all disbursements, costs and expenses made or incurred by it in the discharge of its duties hereunder and in the management of the trusts hereof and any solicitors employed or consulted by the Trustee may, but need not be, solicitors for the Corporation.

14.8 Trustee May Deal in Debentures

Subject to Sections 14.1 and 14.3, the Trustee may, in its personal or other capacity, buy, sell, lend upon and deal in the Debentures and generally contract and enter into financial transactions with the Corporation or otherwise, without being liable to account for any profits made thereby.

14.9 Investment of Monies Held by Trustee

Unless otherwise provided in this Indenture, any monies held by the Trustee, which, under the trusts of this Indenture, may be invested or which may be on deposit with the Trustee or which may be in the hands of the Trustee, may be invested and reinvested in the name or under the control of the Trustee in securities in which, under the laws of the Province of Ontario, trustees are authorized to invest trust monies, provided that such securities are expressed to mature within two years or such shorter period selected to facilitate any payments expected to be made under this Indenture, after their purchase by the Trustee, and unless and until the Trustee shall have declared the principal of and interest on the Debentures to be due and payable, the Trustee shall so invest such monies at the Written Direction of the Corporation given in a reasonably timely manner. Pending the investment of any monies as hereinbefore provided, such monies may be deposited in the name of the Trustee in any chartered bank of Canada or, with the consent of the Corporation, in the deposit department of the Trustee or any other loan or trust company authorized to accept deposits under the laws of Canada or any Province thereof at the rate of interest, if any, then current on similar deposits.

Unless and until the Trustee shall have declared the principal of and interest on the Debentures to be due and payable, the Trustee shall pay over to the Corporation all interest received by the Trustee in respect of any investments or deposits made pursuant to the provisions of this Section.

14.10 Trustee Not Ordinarily Bound

Except as provided in Section 8.2 and as otherwise specifically provided herein, the Trustee shall not, subject to Section 14.3, be bound to give notice to any Person of the execution hereof, nor to do, observe or perform or see to the observance or performance by the Corporation of any of the obligations herein imposed upon the Corporation or of the covenants on the part of the Corporation herein contained, nor in

any way to supervise or interfere with the conduct of the Corporation's business, unless the Trustee shall have been required to do so in writing by the holders of not less than 25% of the aggregate principal amount of the Debentures then outstanding or by any Extraordinary Resolution of the Debentureholders passed in accordance with the provisions contained in Article 12, and then only after it shall have been funded and indemnified to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages and expenses which it may incur by so doing.

14.11 Trustee Not Required to Give Security

The Trustee shall not be required to give any bond or security in respect of the execution of the trusts and powers of this Indenture or otherwise in respect of the premises.

14.12 Trustee Not Bound to Act on Corporation's Request

Except as in this Indenture otherwise specifically provided, the Trustee shall not be bound to act in accordance with any direction or request of the Corporation until a duly authenticated copy of the instrument or resolution containing such direction or request shall have been delivered to the Trustee, and the Trustee shall be empowered to act upon any such copy purporting to be authenticated and believed by the Trustee to be genuine.

14.13 Conditions Precedent to Trustee's Obligations to Act Hereunder

The obligation of the Trustee to commence or continue any act, action or proceeding for the purpose of enforcing the rights of the Trustee and of the Debentureholders hereunder shall be conditional upon the Debentureholders furnishing when required by notice in writing by the Trustee, sufficient funds to commence or continue such act, action or proceeding and indemnity reasonably satisfactory to the Trustee to protect and hold harmless the Trustee against the costs, charges and expenses and liabilities to be incurred thereby and any loss and damage it may suffer by reason thereof.

None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers unless indemnified as aforesaid.

The Trustee may, before commencing or at any time during the continuance of any such act, action or proceeding require the Debentureholders at whose instance it is acting to deposit with the Trustee the Debentures held by them for which Debentures the Trustee shall issue receipts.

14.14 Authority to Carry on Business

The Trustee represents to the Corporation that at the date of execution and delivery by it of this Indenture it is authorized to carry on the business of a trust company in the Provinces of Ontario, Alberta and British Columbia but if, notwithstanding the provisions of this Section 14.14, it ceases to be so authorized to carry on business, the validity and enforceability of this Indenture and the securities issued hereunder shall not be affected in any manner whatsoever by reason only of such event but the Trustee shall, within ninety (90) days after ceasing to be authorized to carry on the business of a trust company in any of the Provinces of Ontario, Alberta or British Columbia, either become so authorized or resign in the manner and with the effect specified in Section 14.2.

14.15 Compensation and Indemnity

- (a) The Corporation shall pay to the Trustee from time to time compensation for its services hereunder as agreed separately by the Corporation and the Trustee, and shall pay or reimburse the Trustee upon its request for all reasonable expenses, disbursements and advances incurred or made by the Trustee in the administration or execution of its duties under this Indenture (including the reasonable and documented compensation and disbursements of its Counsel and all other advisers and assistants not regularly in its employ), both before any default hereunder and thereafter until all duties of the Trustee under this Indenture shall be finally and fully performed. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust.
- (b) The Corporation hereby agrees to indemnify and hold harmless the Trustee, its affiliates, their officers, directors, employees, agents, successors and assigns (the "**Indemnified Parties**") from and against any and all liabilities whatsoever, losses, damages, penalties, claims, demands, actions, suits, proceedings, costs, charges, assessments, judgments, expenses and disbursements, including reasonable legal fees and disbursements of whatever kind and nature which may at any time be imposed on or incurred by or asserted against the Indemnified Parties, or any of them, whether at law or in equity, in any way caused by or arising, directly or indirectly, in respect of any act, deed, matter or thing whatsoever made, done, acquiesced in or omitted in or about or in relation to the execution of the Indemnified Parties' duties, or any other services that Trustee may provide in connection with or in any way relating to this Indenture. The Corporation agrees that its liability hereunder shall be absolute and unconditional regardless of the correctness of any representations of any third parties and regardless of any liability of third parties to the Indemnified Parties, and shall accrue and become enforceable without prior demand or any other precedent action or proceeding; provided that the Corporation shall not be required to indemnify the Indemnified Parties in the event of the gross negligence, fraud, bad faith or wilful misconduct of the Trustee or its employees, and this provision shall survive the resignation or removal of the Trustee or the termination or discharge of this Indenture;
- (c) The Corporation need not reimburse any expense or indemnify against any loss or liability incurred by the Trustee or its employees through their own gross negligence, wilful misconduct, bad faith or fraud.
- (d) Notwithstanding the foregoing or any other provision of this Indenture, other than in respect of fraud, bad faith, gross negligence and wilful misconduct, any liability of the Trustee shall be limited, in the aggregate, to the amount of annual retainer fees paid by the Corporation to the Trustee under this Indenture in the twelve months immediately prior to the Trustee receiving the first notice of the claim. Notwithstanding any other provision of this Indenture, and whether such losses or damages are foreseeable or unforeseeable, the Trustee shall not be liable under any circumstances whatsoever for any (a) breach by any other party of securities law or other rule of any securities regulatory authority, (b) lost profits or (c) special, indirect, incidental, consequential, exemplary, aggravated or punitive losses or damages.

14.16 Acceptance of Trust

The Trustee hereby accepts the trusts in this Indenture declared and provided for and agrees to perform the same upon the terms and conditions herein set forth and to hold all rights, privileges and benefits conferred

hereby and by law in trust for the various Persons who shall from time to time be Debentureholders, subject to all the terms and conditions herein set forth.

14.17 Third Party Interests

The Corporation (in this paragraph referred to as a “**representing party**”) hereby represents to the Trustee that any account to be opened by, or interest to be held by, the Trustee in connection with this Indenture, for or to the credit of such representing party, either (i) is not intended to be used by or on behalf of any third party; or (ii) is intended to be used by or on behalf of a third party, in which case such representing party hereby agrees to complete, execute and deliver forthwith to the Trustee a declaration, in the Trustee’s prescribed form or in such other form as may be satisfactory to it, as to the particulars of such third party.

14.18 Privacy Laws

The Corporation acknowledges that the Trustee may, in the course of providing services hereunder, collect or receive financial and other personal information about such parties and/or their representatives, as individuals, or about other individuals related to the subject matter hereof, and use such information for the following purposes:

- (a) to provide the services required under this Indenture and other services that may be requested from time to time;
- (b) to help the Trustee manage its servicing relationships with such individuals;
- (c) to meet the Trustee’s legal and regulatory requirements; and
- (d) if Social Insurance Numbers are collected by the Trustee, to perform tax reporting and to assist in verification of any individual’s identity for security purposes.

The Corporation acknowledges and agrees that the Trustee may receive, collect, use and disclose personal information provided to it or acquired by it in the course of its acting as agent hereunder for the purposes described above and, generally, in the manner and on the terms described in its privacy code, which the Trustee shall make available on its website, www.odysseytrust.com, or upon request, including revisions thereto. The Trustee may transfer personal information to other companies in or outside of Canada that provide data processing and storage or other support in order to facilitate the services it provides.

Further, the Corporation agrees that it shall not provide or cause to be provided to the Trustee any personal information relating to an individual who is not a party to this Indenture unless that party has assured itself that such individual understands and has consented to the aforementioned uses and disclosures.

14.19 Performance of Covenants by Trustee

If the Corporation shall fail to perform any of its covenants contained in this Indenture, the Trustee may notify the Debentureholders of such failure on the part of the Corporation or may itself perform any of the covenants capable of being performed by it, but shall be under no obligation to do so or to notify the Debentureholders. All sums so expended or advanced by the Trustee shall be repayable as provided in Section 7.2. No such performance, expenditure or advance by the Trustee shall be deemed to relieve the Corporation of any default hereunder.

14.20 Force Majeure

The Trustee shall not be personally liable, or held in breach of this Indenture, if prevented, hindered, or delayed in the performance or observance of any provision contained herein by reason of act of God, riots, terrorism, acts of war, pandemics, epidemics, governmental action or judicial order, earthquakes, or any other similar causes (including, but not limited to, mechanical, electronic or communication interruptions, disruptions or failures). 14.21 Anti-Money Laundering

The Trustee shall retain the right not to act and shall not be liable for refusing to act if, due to a lack of information or for any other reason whatsoever, the Trustee, in its sole judgment and acting reasonably, determines that such act might cause it to be in non-compliance with any applicable anti-money laundering, anti-terrorist or economic sanctions legislation, regulation or guideline. Further, should the Trustee, in its sole judgment and acting reasonably, determine at any time that its acting under this Indenture has resulted in its being in non-compliance with any applicable anti-money laundering, anti-terrorist or economic sanctions legislation, regulation or guideline, then it shall have the right to resign on 10 days' prior written notice sent to the Corporation or any shorter period of time as agreed to by the Corporation provided that:

- (a) the Trustee's written notice shall describe the circumstances of such non-compliance; and
- (b) if such circumstances are rectified to the Trustee's satisfaction within such 10-day period, then such resignation shall not be effective.

ARTICLE 15 SUPPLEMENTAL INDENTURES

15.1 Supplemental Indentures

From time to time the Trustee and, when authorized by a resolution of the directors of Corporation, the Corporation, may, and they shall when required by this Indenture, execute, acknowledge and deliver by their proper officers deeds or indentures supplemental hereto which thereafter shall form part hereof, for any one or more of the following purposes, in each case, subject to the approval of the TSX Venture Exchange:

BITCOIN WELL INC. (the “**Corporation**” or the “**Issuer**”) for value received hereby acknowledges itself indebted and, subject to the provisions of the convertible debenture indenture dated December 30, 2024 (the “**Indenture**”) between the Corporation and Odyssey Trust Company (the “**Trustee**”), promises to pay to [NAME OF HOLDER] at [ADDRESS] on December 30, 2029 or on such earlier date as the principal amount hereof may become due in accordance with the provisions of the Indenture (any such date, the “**Maturity Date**”) the principal sum set out above in lawful money of Canada on presentation and surrender of this Debenture at the main branch of the Trustee in Calgary, Alberta in accordance with the terms of the Indenture and, subject as hereinafter provided, to pay interest on the principal amount hereof from the date hereof, or from the last Interest Payment Date to which interest shall have been paid or made available for payment hereon, whichever is later, at the rate of 8% per annum (based on a 365-day year and the actual number of days elapsed in that period), in like money, in arrears in semi-annual installments (less any tax required by law to be deducted) on the first Business Day in July and January of each year, and, should the Corporation at any time make default in the payment of any principal, premium, if any, or interest, to pay interest on the amount in default at the same rate, in like money and on the same dates. For certainty, the first interest payment will include interest accrued from and including the date of issue of the Initial Debentures to, but excluding July 1, 2025. For the purposes of disclosure under the *Interest Act* (Canada), whenever interest is computed under this Debenture on the basis of a year (the “**deemed year**”) which contains fewer days than the actual number of days in the calendar year of

calculation, such rate of interest shall be expressed as a yearly rate by multiplying such rate of interest by the actual number of days in such calendar year of calculation and dividing it by the number of days in the deemed year.

This Initial Debenture is one of the 8% Unsecured Convertible Initial Debentures (referred to herein as the “**Initial Debentures**”) of the Corporation issued or issuable in one or more series under the provisions of the Indenture. The Initial Debentures authorized for issue immediately are limited to an aggregate principal amount of up to \$2,000,000 in lawful money of Canada. Reference is hereby expressly made to the Indenture for a description of the terms and conditions upon which the Initial Debentures are or are to be issued and held and the rights and remedies of the holders of the Initial Debentures and of the Corporation and of the Trustee, all to the same effect as if the provisions of the Indenture were herein set forth to all of which provisions the holder of this Initial Debenture by acceptance hereof assents.

The Initial Debentures are issuable only in denominations of \$1,000 and integral multiples thereof. Upon compliance with the provisions of the Indenture, Initial Debentures of any denomination may be exchanged for an equal aggregate principal amount of Initial Debentures in any other authorized denomination or denominations.

Any part, being \$1,000 or an integral multiple thereof, of the principal of this Initial Debenture, provided that the principal amount of this Initial Debenture is in a denomination in excess of \$1,000, is convertible, at the option of the holder hereof, upon surrender of this Initial Debenture at the principal office of the Trustee in Calgary, Alberta, at any time prior to 4:30 p.m. (Calgary time) on the Maturity Date or, if this Initial Debenture is called for redemption on or prior to such date, then, to the extent so called for redemption, up to but not after the close of business on the last Business Day immediately preceding the date specified for redemption of this Initial Debenture, into Common Shares (without adjustment for interest accrued hereon or for dividends or distributions on Common Shares issuable upon conversion) as defined in the Indenture at a conversion price of \$0.23 (the “**Conversion Price**”) per Common Share, all subject to the terms and conditions and in the manner set forth in the Indenture. No Initial Debentures may be converted during the ten (10) Business Days preceding each Interest Payment Date, as the registers of the Trustee will be closed during such periods. The Indenture makes provision for the adjustment of the Conversion Price in the events therein specified. No fractional Common Shares will be issued on any conversion but in lieu thereof, the Corporation will satisfy such fractional interest by a cash payment equal to the market price of such fractional interest determined in accordance with the Indenture, provided, however, that the Corporation shall not be required to make any payment of less than \$10.00. Holders converting Initial Debentures shall receive accrued and unpaid interest thereon from the period of the last Interest Payment Date prior to the Date of Conversion to the date that is one Business Day prior to the Date of Conversion. If an Initial Debenture is surrendered for conversion on an Interest Payment Date or during the ten (10) preceding Business Days, the Person or Persons entitled to receive Common Shares in respect of the Initial Debentures so surrendered for conversion shall not become the holder or holders of record of such Common Shares until the Business Day following such Interest Payment Date.

This Initial Debenture may be redeemed at the option of the Corporation on the terms and conditions set out in the Indenture at the redemption price therein and herein set out. On and after such date and at any time prior to the Maturity Date of the Initial Debentures, the Initial Debentures are redeemable at the option of the Corporation at a price equal to \$1,000 per Initial Debenture plus accrued and unpaid interest and otherwise on the terms and conditions described in the Indenture.

The Corporation may, at any time from time to time, at its option voluntarily prepay all or a portion of the principal amount then outstanding and any accrued and unpaid interest thereon, in cash, at any time from time to time without any penalty or premium being paid to the Debentureholders. Upon payment of all

outstanding principal amount and any accrued and unpaid interest thereon, the Indenture and this Initial Debenture shall be terminated.

Subject to any required regulatory approval and provided no Event of Default has occurred and is continuing, if, at any time (i) following May 1, 2025, and (ii) prior to the Maturity Date, the VWAP for ten (10) consecutive trading days equals or exceeds \$0.32, as may be adjusted in accordance with the terms of the Warrant Indenture, the Corporation may force conversion of all but not less than all of the principal amount of the Debentures at the then applicable Conversion Price, upon giving the Debentureholders not less than 30 Business Days' advance written notice.

Within twenty (20) days following the occurrence of a Change of Control of the Corporation, the Corporation is required to make an offer to purchase all of the holder's Initial Debentures then outstanding at a price equal to 100% of the principal amount of such Initial Debentures plus accrued and unpaid interest (if any) up to, but excluding, the date the Initial Debentures are so repurchased. If 90% or more of the principal amount of all Initial Debentures outstanding on the date the Corporation provides notice of a Change of Control to the Trustee are tendered to the Corporation for purchase pursuant to the Change of Control Purchase Offer, the Corporation has the right to redeem all the remaining outstanding Initial Debentures at the same price.

If an offer is made for the Initial Debentures which is a take-over bid for the Initial Debentures within the meaning of applicable Canadian securities laws and 90% or more of the principal amount of all the Initial Debentures (other than Initial Debentures held at the date of the offer by or on behalf of the Offeror, associates or affiliates of the Offeror or anyone acting jointly or in concert with the Offeror) are taken up and paid for by the Offeror, the Offeror will be entitled to acquire the Initial Debentures of those holders who did not accept the offer on the same terms as the Offeror acquired the first 90% of the principal amount of the Initial Debentures.

The indebtedness evidenced by this Initial Debenture, and by all other Initial Debentures now or hereafter certified and delivered under the Indenture, is a direct unsecured obligation of the Corporation, and is subordinated in right of payment, to the extent and in the manner provided in the Indenture, to the prior payment in full of all Senior Indebtedness, whether outstanding at the date of the Indenture or thereafter created, incurred, assumed or guaranteed.

The principal hereof may become or be declared due and payable before the stated maturity in the events, in the manner, with the effect and at the times provided in the Indenture.

The Indenture contains provisions making binding upon all holders of Initial Debentures outstanding thereunder (or in certain circumstances specific series of Initial Debentures) resolutions passed at meetings of such holders held in accordance with such provisions and instruments signed by the holders of a specified majority of Initial Debentures outstanding (or specific series), which resolutions or instruments may have the effect of amending the terms of this Initial Debenture or the Indenture.

The Indenture contains provisions disclaiming any personal liability on the part of holders of Common Shares and officers, directors and employees of the Corporation in respect of any obligation or claim arising out of the Indenture or this Initial Debenture.

This Initial Debenture may only be transferred, upon compliance with the conditions prescribed in the Indenture, in one of the registers to be kept at the principal office of the Trustee in the City of Calgary, Alberta and in such other place or places and/or by such other registrars (if any) as the Corporation with the approval of the Trustee may designate. No transfer of this Initial Debenture shall be valid unless made on the register by the registered holder hereof or his executors or administrators or other legal

representatives, or his or their attorney duly appointed by an instrument in form and substance satisfactory to the Trustee or other registrar, and upon compliance with such reasonable requirements as the Trustee and/or other registrar may prescribe and upon surrender of this Initial Debenture for cancellation. Thereupon a new Initial Debenture or Initial Debentures in the same aggregate principal amount shall be issued to the transferee in exchange hereof.

This Initial Debenture shall not become obligatory for any purpose until it shall have been certified by the Trustee under the Indenture.

Capitalized words or expressions used in this Initial Debenture shall, unless otherwise defined herein, have the meaning ascribed thereto in the Indenture.
